EMPLOYEE POLICY AND NOTICE *Drug Free Schools and Communities Act*

The 1989 amendments to *Drug-Free Schools and Communities Act*, requires the Arenac Eastern School District to maintain a workplace and educational environment free from the unlawful possession, use, sale, manufacture, distribution or dispensation of illegal drugs and alcohol on school district premises, worksites, or as part of any of its educational activities. The Act, as amended, also requires the District to notify employees of the requirements of the Act and provide certification by October 1, 1990 to the Michigan Department of Education that it has complied with the requirements of the Act.

Any employee under the influence of or involved in the possession, use, sale, manufacture, distribution or dispensation of illegal drugs or alcohol on school district premises, worksites, or at school district activities shall be subject to appropriate personnel action in accordance with the standards for discipline set forth in the Master Agreement, and local, state, and federal laws, up to and including termination. In appropriate cases, such personnel action may include the opportunity to participate satisfactorily in a substance abuse assistance or rehabilitation program.

The Administration and the Association shall develop and maintain for employees' referral, a current list of all drug counseling, rehabilitation, and employee assistance programs available throughout the School District, or elsewhere in the county. All employee inquiries and referrals on such programs will be handled on a confidential basis.

Nothing contained in this Policy shall be construed to obligate the school district to pay for substance abuse assistance or rehabilitation programs.
