1. Any driver regularly assigned to work four (4) hours or more per day or forty (40) hours or more per payroll period excluding extra runs, shall be eligible for health insurance, depending upon his/her family status. The Board shall provide to the eligible employee health- hospitalization insurance coverage comparable to MESSA Choices II PPO with XVA2 (\$0 In-Network and \$250/\$500 Out-of-Network annual deductible and the \$10/\$20 prescription co-pay) either through a self-funding program, an HMO or through a carrier to be determined by the Board. If there are two or more employees in the same family (husband and wife both qualified) they shall receive health insurance in such a manner that both have coverage be it by one (1) family plan (self and spouse) or by two (2) individual plans. The manner of coverage shall be determined by: no disadvantage to the employee and by the least cost to the Employer. (No family shall have benefits under both this paragraph and paragraph 2. below.) Regardless of the carrier, benefits shall be comparable to Super Care I. Bus drivers hired after July 1, 1999 and who qualify under this provision shall be eligible for Board-paid premium contributions for single subscriber coverage only.

Effective January 1, 2008, the Board shall provide to the eligible employee health-hospitalization insurance through Set-Seg Insurance (underwritten by Blue Cross/Blue Shield of Michigan). This is a High Deductible Health Plan (HDHP) with a Preferred Provider Organization (PPO) network. On January 1 the Board shall place into a Health Savings Account (HSA) the full deductible for the plan year (\$1250/Single, \$2500/Family).

2. For each qualified member of the bargaining unit who does not take the health insurance he/she qualifies for, the employee may purchase available options up to the single subscriber rate of the provided program.
3. The Employer shall pay premiums up to but not exceeding:

For 2007-2008

	July 1 – December 30, 2007	January 1 – June 30, 2008
Single -	\$503.22	\$377.62
Member & Spouse/Child -	\$1,130.36	\$849.65
Full Family -	\$1,255.80	\$1,057.35

Bus drivers will absorb any premium increase exceeding the Employer contribution.

If a lower cost carrier is designated for other bargaining units, said carrier would be the designated provider for this bargaining unit and there would be no cost to the eligible employee for the duration of this Agreement.

Should such premiums exceed the above mentioned limits, the Association agrees on behalf of its members that an automatic payroll deduction will be made to make up any excess. Eligible enrolling members will sign an agreement to allow such payroll deduction pursuant to Michigan law.

4. A bargaining unit member may purchase health, dental and/or vision insurance through the School System's group plan provided the carrier allows such procedure.
5. The health plan specifications for the coverage identified in B, 1 of this Article shall not include coverage for services which the Board is prohibited from funding under Section 166d of the State School Aid Act or its successor provision.

C. TB TEST AND FLU SHOTS

The Employer shall continue to provide free T.B. skin tests and free x-rays for positive T.B. reactors to the extent the x-rays are not covered by the employee's insurance, should such T.B. test again become mandatory, and make flu shots available to members who desire them.

ARTICLE XIX - MISCELLANEOUS PROVISIONS

- A. The Association recognizes that strikes, as defined in the Michigan Public Employment Relations Act, as amended, by public employees are contrary to law and public policy. The Board and Association subscribe to the principle that differences shall be resolved by appropriate and peaceful means, without interruption of the school program. Accordingly, the Association agrees that during the term of this Agreement, it shall not direct, instigate, participate in, encourage, or support any strike against the Employer by any employee or group of employees. The Employer agrees that there shall be no lock-out during the terms of this Agreement.
- B. Route/run adjustments -
The Employer may add, adjust, or delete routes/kindergarten runs/shuttles as is necessary during the course of a school year.

- D. Drivers are required to check for messages before and after their runs.
- E. In circumstances of layoffs and recalls relating to bus driving positions, the seniority of employees within the transportation bargaining unit will be the sole consideration. When it becomes necessary to reduce the working force, the last person hired will be the first person laid off and when the force is again increased, the persons are to be returned to the work force in reverse order to the layoff. Where circumstances permit a driver will be recalled to the assignment he/she held prior to layoff.
- F. In the event that the Employer initiates an "All Day-Alternate Day" kindergarten program that would change the eligibility of any drivers currently receiving health care insurance, the insurance coverage will remain in effect for those drivers and the premiums (up to the full family rate as appropriate) for such coverage will be paid for the 1997-98 school fiscal year. Such insurance coverage will remain in effect for those drivers and the premiums (up to the single subscriber rate) for the employee only will be paid for the 1998-99 school fiscal year.
