THIS AGREEMENT was entered into this ____ day of _____, 2006 between the Essexville-Hampton Board of Education, Essexville, Michigan, hereinafter called the “Board”, and the United Steelworkers, AFL-CIO•CLC, on behalf of Local Union 7380-06, hereinafter called the “Union”.

WITNESSETH, WHEREAS, the Board has a statutory obligation pursuant to Act 379 of the Michigan Public Acts of 1965 to bargain with the Union as the exclusive bargaining representative of its Bus Drivers with respect to hours, wages, terms and conditions of employment.

ARTICLE I RECOGNITION

Section 1.1 - Unit Definition

The Board hereby recognizes the Union as the exclusive bargaining representative for all regular bus drivers and all substitute drivers, excluding supervisory administrative personnel.

Section 1.2 - Employee Defined

The bargaining unit shall be defined as all regular bus drivers and all substitute drivers.

1. **Regular Driver:** A driver who has been employed by the Board for a period greater than 30 (thirty) consecutive working days and has an assigned morning and /or afternoon route.
2. **Probationary Driver:** A driver who has been employed by the board for less than 30 (thirty) consecutive working days.
3. **Substitute Driver:** A substitute driver is a person who is employed for the purpose of temporarily replacing a regular driver. If a substitute is employed in replacement of a regular driver for more than 30 (thirty) consecutive working days, the substitute driver will receive holiday pay and snow day pay for those holidays occurring within the period of substitution commencing with the 31st (thirty-first) day.

Section 1.3 - No Discrimination

The provisions of this Agreement shall be applied equally and without favoritism to all employees in the Bargaining Unit. There shall be no discrimination as to sex, age, marital status, race, color, creed, national origin or political affiliation, disability, or sexual orientation.

ARTICLE II **DUES AND FEES**

Section 2.1 - Deductions (Check-Off)

The Employer agrees to deduct (check-off) from the wages of employees in accordance with the expressed terms of a signed authorization, the initiation fees, monthly dues and service fees in amounts designated by the Union. Such deductions will be made from one pay each month.

With respect to all the sums deducted by the Employer pursuant to authorization of the employee, the Employer agrees promptly to remit to the International Secretary-Treasurer of the Union, at the address which is designated, such sums deducted, along with a list of employees and their respective deductions. A copy of such list shall be furnished to the Financial Secretary and Unit President of the Local Union.

Section 2.2 - Union Membership, Present Members

Any employee who is a member of the Union in good standing on the effective date of this Agreement shall, as a condition of employment, maintain membership in the Union to the extent of paying the periodic membership dues uniformly required of all Union members.

Section 2.3 - Union Membership, New Employees

Any employee hired after the effective date of this Agreement shall, as a condition of employment, starting thirty (30) days after the effective date of this Agreement or upon completion of the probationary period, whichever is later, acquire and maintain membership in the Union, to the extent of paying the initiation fees and periodic membership dues uniformly required of all Union members.

Section 2.4 - Service Fee

In the event an employee does not wish to become a member of the Union or wish to sign a dues check-off card, he may refuse, without being in violation of Section 2.3, provided that on the thirtieth (30th) day after the signing of this Agreement or upon completion of the probationary period, whichever is later, the employee signs a service fee check-off authorization form authorizing the deduction of a service fee equal to the initiation fees and periodic membership dues uniformly required of all Union members on a form furnished by said Union.

Section 2.5 - Failure to Comply

In the event an employee refuses to comply with Section 2.3 or 2.4 he shall be subject to discharge only after official notice from the International Union.

Section 2.6 - Notice of New Employees

Newly hired employees will be given an authorization card and the Financial Secretary and Unit President of the Local Union will be notified in writing of all new hires, showing their rate of pay, name, date of hire, address and phone number, if any, place of hire, starting and quitting time, and status. Responsibility for signing the card rests with the newly hired employee and the Local Union.

ARTICLE III
RIGHTS OF THE UNION

Section 3.1 - Right to Organize

Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that employees covered by this agreement shall have the right freely to organize, join and support the Union for the purpose of engaging in collective bargaining or negotiation and other concerned activities for mutual aid and protection. As a duly elected body exercising governmental power under the cover of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitution of Michigan and the United States; that it will not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Union, his/her participation in any activities of the Union or collective negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this agreement or otherwise with respect to any terms or conditions of employment.

Section 3.2 - Right to Invoke Mediation

The Board specifically recognizes the right of its employees appropriately to invoke the assistance of the State Labor Mediation Board, or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of the agreement. Arbitration services of the Michigan Employment Relations Commission will be utilized.

Section 3.3 - Right to Use Buildings

The Union and its members shall continue to have the right to use school building facilities at all reasonable hours for meetings, subject to scheduling by principal, business manager, or community schools director. Building use fees will not be charged for meetings of Essexville-Hampton Union employees and the privilege will not be abused.

Section 3.4 - Right to Wear Insignia

No employee shall be prevented from wearing insignia, pins, or other identification of membership in the Union either on or off school premises.

Section 3.5 - Right to Information

The Board agrees to furnish to the Union, in response to reasonable written requests from time to time, available information as will assist the Union in developing intelligent, accurate, informed and constructive programs on behalf of its members, together with information which may be necessary for the Union to process any grievance or complaint. It is agreed and recognized, however, that, except for expenditures contained in any annual budget which are required by the terms of this agreement, the authority to adopt all parts of the annual budget of the school district resides exclusively with the Board, and during the term of this agreement shall not be the subject of mandatory negotiation with the Union, nor subject to any proceeding under the grievance procedure.

ARTICLE IV **RIGHTS OF THE BOARD OF EDUCATION**

Section 4.1 - Constitutional Rights

The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:

- A. To hire all employees and, subject to the provisions of law, to determine their qualifications, and the conditions for their continued employment, or their dismissal or demotion for just cause; and to promote and transfer all such employees.
- B. To determine work schedules, hours of work, and the duties, responsibilities, and assignments of Union personnel.
- C. No term or condition of this contract to the contrary shall, in any way, interfere with the management function of the Board of Education, or replace the inclusive jurisdiction of the Board under the school code, except for wages, hours, terms and conditions of employment.
- D. The parties agree that this contract incorporates their full and complete understanding and any prior oral agreements or practices are superseded by the terms of this agreement. The parties further agree that no such oral understanding or practices will be recognized in the future unless committed to writing and signed by the parties as supplement to this agreement.
- E. It is further understood that any of the aforementioned will not be contrary to any section of this contract.

ARTICLE V
COMPENSATION

Section 5.1 - Rates of Pay

The hourly rate and other economic fringe benefits of all employees covered by this agreement shall be in accordance with Schedule A attached to and incorporated in this agreement.

ARTICLE VI
HOURS OF WORK AND OVERTIME

Section 6.1 – Overtime

Time and one-half (1½) shall be paid for all overtime in excess of eight (8) hours in any day, or forty (40) hours in any one (1) week.

Section 6.2 – Holiday Break

Time and one-half (1½) will be paid for extra trips on Saturdays, Sundays, holidays and during holiday breaks (Christmas and Easter vacation). It is understood that summer break (the period between when school ends for one year and begins the next year) is not considered a “holiday break”.

ARTICLE VII
HOLIDAYS

Section 7.1 – Holidays

Each eligible driver shall be compensated one day’s regular wages for all designated holidays falling during the school year, provided the driver has worked the scheduled work day before and after the holiday except for Memorial Day and Labor Day. Each driver must work the scheduled day before Memorial Day and the scheduled day after Labor Day. Holiday pay will be included in the pay period in which it occurs. Designated holidays are as follows:

Labor Day	New Year’s Eve
Thanksgiving Day	New Year’s Day
Day after Thanksgiving	Good Friday
Christmas Eve	Memorial Day
Christmas Day	

ARTICLE VIII
GRIEVANCE PROCEDURE

Section 8.1 - Grievance Defined and Procedure

- Step 1:** A grievance is defined as an alleged violation of the provisions of this Agreement. An employee may bring a grievance to the attention of his/her supervisor within five (5) working days of the incident, or the knowledge of the incident, upon which the grievance is based. The aggrieved employee, a committee person and the corresponding unit supervisor shall meet to discuss the grievance within five (5) working days after it is brought to the attention of the supervisor. The supervisor is to provide an answer to the aggrieved employee or committee person within five (5) working days after the meeting.
- Step 2:** If the grievance is not settled in Step 1, the employee or the employee's committee person may file a grievance in writing on forms furnished by the district within five (5) working days from receipt of the answer from the supervisor and present two (2) copies to the **Director of Operations** who shall have five (5) working days in which to reply in writing.
- Step 3:** If a grievance is not settled in Step 2, the Grievance Committee will then submit copies of the grievance to the superintendent of schools within five (5) working days after receipt of the answer from the **Director of Operations**. A meeting will then be held as soon as possible, but not later than ten (10) working days, between the superintendent of schools and the Grievance Committee for the discussion of the grievance. The decision of the superintendent of schools or designated representative shall be made in writing within five (5) working days after the meeting.
- Step 4:** Should Step 3 fail, a meeting must be held between representatives of the International Union, the Grievance Committee, and School Board or its representatives. The Union must notify the School Board or its representatives within ten (10) working days after receipt of the answer from the superintendent, unless an extension is mutually agreed to by the Board and the Union.
- Step 5:** In the event the adjustment is not made, and the dispute shall not have been satisfactorily settled, the matter shall then be referred within fifteen (15) working days from the Board's answer in Step 4, to an impartial arbitrator to be appointed by mutual agreement of the parties hereto. If the parties cannot agree as to the arbitrator, he/she shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration hearing. Neither party shall be permitted to assert in such arbitration proceeding any issues which have not been set forth in the original grievance. The arbitrator shall have no power to alter or add to or subtract from the terms of this agreement. The arbitrator will be without power or authority to make any decision which requires the commission of any act prohibited by law which is violative of the terms of this agreement. An arbitration hearing will be held, which both parties will be privileged to attend. Each party may present the testimony of witnesses and any pertinent written evidence. The cost of the arbitrator shall be borne equally by the School Board and the Union, and the arbitrator's findings shall be binding on both parties.

Section 8.2

Upon receipt of the list, the Board will first strike two (2) names, then the Union will strike two (2) names. The remaining person shall be the arbitrator; provided that within sixty (60) days of notice of his/her appointment the arbitrator accepts and schedules a date for a hearing in the matter which he/she is to decide. If the arbitrator does not so accept and schedule a hearing as above provided, the American Arbitration Association will again be requested to immediately submit a list of five (5) names and the above procedure for selecting an arbitrator from the panel will be followed.

Section 8.3

The agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and by the arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the arbitrator is to determine disputed interpretations of terms actually found in the agreement, or to determine disputed facts upon which the application of the agreement depends. The arbitrator shall, therefore, not have authority, nor shall he/she consider its function to include the decision of any issue not submitted or to so interpret or apply the agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rule of contract construction. The arbitrator shall not give any decision which, in practical or actual effect, modifies, revises, detracts from, or adds to, any of the terms or provisions of this agreement. Past practice of the parties in interpreting or applying terms of the agreement can be relevant evidence, but may not be used so as to justify, or result in, what is in effect a modification (whether by addition or deduction) of written terms of this agreement. The arbitrator has no obligation or function to render a decision or not to render a decision merely because in his/her opinion such a decision is fair or equitable or because in his/her opinion it is unfair or inequitable.

Section 8.4 - Test of Arbitrability

If either party shall claim before the arbitrator that a particular grievance fails to meet the tests of arbitrability, as the same are set forth in this article, the arbitrator shall proceed to decide such issue before proceeding to hear the case upon the merits. The arbitrator shall have the authority to determine whether he/she will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case where the arbitrator determines that such grievance fails to meet said test of arbitrability, he/she shall refer the case back to the parties without a recommendation on the merits.

Section 8.5 - Expense Payment

The fees and expenses of the arbitrator, cost of transcript, and the hearing room shall be jointly paid by the Board and the Union. All other expenses incurred shall be paid by the party incurring them.

Section 8.6 - Date of Settlement

No monetary claim by an employee covered by this Agreement or by the Union against the Board shall be valid beyond the pay period prior to the pay period in which the grievance was first filed in writing, unless the circumstances of the case made it impossible for the employee, or the Union, as the case may be, to know that the employee or the Union has grounds for such claim prior to that date, in which case, the claim shall be limited retroactively to a period of forty-five (45) days prior to the date the claim was first filed in writing.

Section 8.7 - Grievances Regarding Layoff or Recall

In cases of layoff, a grievance claiming that an employee or employees were laid off out of line of seniority must be filed in writing within five (5) working days from the date the Board first submitted a list to the chairperson of the Grievance Committee of the employee or employees so laid off.

Employees upon recall who have returned to work and find they have been deprived of their rights as outlined in this agreement shall have five (5) working days in which to file a grievance.

Section 8.8 Progressive Discipline

In the event disciplinary action becomes necessary, the following steps will be followed. Any step or steps, however, may be skipped based on the severity of the situation.

1. Documented counseling: summarizes the conversation held with the employee to discuss the performance/behavior issue that is in question. A copy of the document will be placed in the personnel file of the staff member maintained at central office.
2. Documented verbal warning—copy to personnel file
3. Written reprimand—copy to personnel file
4. Up to three (3) days off without pay—copy to personnel file
5. Discharge—copy to personnel file

A union member may request to have a representative present at each of the steps of the process. The employee will be asked to sign a copy of all documentation as proof of receipt only. If the employee declines to sign the acknowledgement, it will be noted on the signature line provided.

The same process will be used for absenteeism, but the two will not be combined. Performance and attendance issues will be on two separate tracks.

Excess absenteeism will be defined as using all granted days during a school year or repeated incidents in conjunction with a weekend, holiday, or vacation time that establishes a pattern.

A documented major medical event or illness is a valid reason to exceed the use of granted sick days for any year. This must be documented with the superintendent.

Notwithstanding any other provisions of this agreement, no member of the Union shall be preemptively discharged. He/She shall first be suspended without pay for not more than five (5) working days. During this period of suspension the employee may, if he/she believes he/she has been unjustly dealt with, request a hearing and a statement of the offense before the superintendent of schools or designated representative with members of the Grievance Committee present. At such hearing, the facts concerning the case shall be made available to both parties. As soon as practicable after such hearing but not later than five (5) working days, the superintendent of schools or designated representative shall conclude whether the suspension shall be revoked, modified, extended or converted into a discharge. In the event the suspension is modified, extended, or converted into a discharge, the employee may file a grievance alleging that he/she was unjustly treated and such grievance shall be presented under Step 3 of the grievance procedure within five (5) working days after the superintendent of schools' or designated representative's final decision on such suspension or discharge. Steps 1 and 2 shall be considered automatically processed. Should such grievance prove that the employee was unjustly suspended or discharged, the Board shall reinstate and reimburse said employee for financial loss sustained during the period of suspension or discharge at the employee's regular rate of pay.

Section 8.9 - Union Notification

A member of the Union Grievance Committee shall be notified in writing by management of any disciplinary layoff, suspension, or discharge of any employee who has acquired seniority.

Section 8.10 - Presence of Union

Any employee or group of employees who are called in to any office for the purpose of discipline may request the presence of the chairperson of the Grievance Committee or other committee person and such request shall not be denied by the Board. Employees will not normally be disciplined or given any reprimand in the presence of students or employees; it is understood that grievance committee person may be present.

Section 8.11 - Grievance Committee

The employees shall be represented by a Grievance Committee which shall consist of two (2) members selected by the members from the seniority list and the Unit President. They shall be the last employees to be laid off and first to be returned unless they elect to resign.

Section 8.12 - Alternate Committee Persons

Alternate Committee Persons shall be recognized when the regular committee person is absent. Alternate Committee Persons shall not have the super-seniority a regular committee person has as outlined in Section 6.11.

Section 8.13 - Meeting Times

The Grievance Committee shall meet with management at such times as may be determined to be necessary and as will not conflict with reasonable operations.

Section 8.14 - Committee Present at Meetings

Any employee or group of employees who are called into any meeting regarding any matter which comes under the jurisdiction of the Union may request the presence of a member of the Grievance Committee and such request shall not be denied.

Section 8.15 - Paid Time

Grievance members and/or the employee(s) involved in the Grievance Procedure will be paid his/her regular authorized rate for reasonable time spent, while on duty during his/her regular shift working hours, in the processing of a grievance.

ARTICLE IX **SENIORITY**

Section 9.1 – Probationary Period

All newly hired employees or those hired after a break in seniority shall be regarded as a probationary until the completion of thirty (30) consecutive work days. Exceptions to this must be mutually agreed upon between the superintendent and the Union.

Probationary employees service with the employer may be terminated at any time by the employer in its sole discretion and neither the employee so terminated nor the Union shall have any recourse to the grievance procedure over such termination except in cases alleging discrimination per Article I, Section 1.3. Upon successful completion of their probationary period, seniority, and benefits shall be retroactive to the date of hire. Trip assignments will begin at the end of the probation period with the new driver prorated to the highest number of hours of any current driver on the trip board.

Section 9.2 – Seniority List

A seniority list shall be established for regular drivers and a separate list for substitute drivers. Seniority for the substitute driver shall accumulate by the number of days worked.

Section 9.3 – Posting of Seniority Lists

Up-to-date seniority lists shall be posted on the bulletin boards of the transportation office before the end of the school year.

Section 9.4 – Loss of Seniority

Seniority shall be lost for one of the following reasons only:

1. Employee quits.
2. Employee is discharged for just cause.
3. Laid-off employee is not re-employed within twenty-four (24) months.
4. When an employee quits a regularly scheduled position and becomes a substitute, his/her seniority shall be frozen as a regular driver and he/she shall begin to accumulate seniority as a substitute.
5. If a substitute driver refuses to appear for work on the request of the Transportation Supervisor three (3) consecutive times **without a reasonable excuse**, the substitute's name may be removed from the seniority list.

Section 9.5 – Order of Lay-off

In the event of a reduction in the work force, probationary employees, followed by the least senior employees shall be laid off first and the balance of the positions will be re-bid as per section 10 of the Collective Bargaining Agreement. The employee on the affected job may use his/her seniority to displace **the least** senior employee.

Section 9.6 – Order of Increase (Recall)

When there is an increase in working forces, after a layoff, the reverse of the above layoff procedure shall be followed. Before any new employee is hired, the senior employee on layoff shall first be offered the employment and, if he/she is willing and able to do the work, he/she shall be awarded the job.

Section 9.7 – Notice of Layoff

When an employee, other than a probationary or substitute employee, is laid off, he/she will be given five (5) working days notice of such layoff.

ARTICLE X
JOB BIDDING

Section 10.1 - Job Bidding

Selection of employees for the purpose of filling all job vacancies or newly created routes and jobs shall be made by the Board on the basis of seniority. In the selection of employees for such purposes, the following provisions shall apply:

- a. The driver shall supply the Board with all available information pertaining to their route (maps, bus mileage, distance driven, head count) fifteen (15) days prior to the closing of school in June.
- b. Route Determination. The Board shall determine the **tentative** routes to be assigned no later than fifteen (15) business days prior to the opening of school in the fall, and immediately following such period, all available information pertaining to routes will be made available for inspection by the driver during regular business hours.
- c. Orientation/Bid Meeting Date. The Board shall hold an orientation/bid meeting no later than five (5) business days prior to the opening of school, and at this meeting, job bidding will take place and all routes will be awarded according to seniority. Job bids may be submitted in writing.
- d. Once such routes have been established and bid on, the time for such routes shall not arbitrarily nor discriminatorily be changed. This is not to infer that the Board cannot change routes to effect efficiency and economy.
- e. If such route is increased or decreased by more than fifteen (15) minutes **from the original bid** before or after the beginning or end of a morning, noon, or afternoon run, or by addition or deletion of a noon run, any of the affected seniority drivers may then bump for a more desirable route based on his/her seniority. Such bumps will be a straight exchange except for special education bus routes, for which special administrative consideration will be given. Any time the duration of a regular run is adjusted by up to fifteen (15) minutes from the previous bid, the Union will be notified. If such an adjustment occurs twice to the same position, it will be opened to re-bid.
- f. After the routes have been bid and awarded, drivers may not thereafter change routes except where a permanent vacancy occurs.

Section 10.2 - Notice of Permanent Vacancy

The Board may, at its discretion, assign any driver to operate the bus or vehicle involved while the “permanent” vacancy is being filled as provided herein.

Notice of vacancy shall be posted by the Board on the bulletin boards within five (5) working days from the time such vacancy first occurred, for a period of not less than three (3) full working days in order that all interested employees may be given an equal opportunity to bid.

Section 10.3 - Notice Information

Such notice shall state information about the permanent vacancy including route, the hours and the date bidding closes.

Section 10.4 - Written Bids

Interested employees' bids shall be put in writing by them in a method mutually agreed to by the Board and the Union, in duplicate, and shall be signed by the employee. The employee will then deliver two (2) signed copies to the Union committeeman who will keep one and file one with the Director of Transportation. When the notice of permanent vacancy is posted it will be pointed out that other permanent vacancies will probably result when the advertised job is filled and all employees will indicate on their bid slips whether they are interested in only the original or any other resulting permanent vacancy and this will be taken into consideration when bids are opened in the presence of the Union representative.

Section 10.5 - Trial Period

The successful bidder shall be placed on the permanent vacancy or route within five (5) working days, or sooner if possible, from the date the permanent vacancy or route was first posted. Such successful applicant shall serve a fifteen (15) working day trial period. At the completion of said trial period, the employee may elect to return to his former route or position. If the supervisor or his designee determines that the employee has not successfully filled the permanent vacancy, the employee may be returned to his former route or position, subject to the grievance procedure. It is further understood that an employee may only exercise his right to return to his former route or position once per year.

Leave of absence shall be granted without pay up to two (2) years to any employee who enrolls in the Peace Corps as a full-time participant. Such employee shall be restored to employment with the district and shall be given the benefit of any increases which would have been credited to him/her had he/she remained in active service with the school system, provided, however, that such employee shall make application to return to work within ninety (90) days after discharge from the Peace Corps. If the leave has not expired, he/she shall be assigned to the same position in which employed prior to the leave or to a substantially equivalent position unless a further extension thereof is mutually agreed to by the Board and the Union. Seniority is to be frozen after two years.

Section 11.2 - Public Office Unpaid Leave

An employee elected or selected for a full-time public office which takes him/her from his/her duties with the school system shall, upon proper written request, receive a leave of absence without pay for the term of such office or two (2) years, whichever is less. Unless such employees return within the time limit hereinbefore specified, such leave of absence shall terminate unless it has been renewed for a specific period with the approval of the superintendent of schools. Seniority is to be frozen after two (2) years.

It is recognized that an employee has the right to serve in, or be elected to, public office less than full-time. However, such services shall not be permitted to interfere with his/her normal employment duties.

Section 11.3 - Personal Unpaid Leave

Leave of absence without pay (which shall not include employment for another employer) may be granted by the superintendent for up to one thirty (30) day period per school year. Such leave shall not involve loss of seniority. No two (2) employees shall be granted leave at the same time. It is understood that an individual employee will be limited to one (1) leave of absence without pay during a school year.

Leave, due to critical illness in the immediate family, may be an exception if the individual receives approval from the Board of Education. Personal leave days may be granted while other individuals are on leave without pay.

Section 11.4 - Union Unpaid Leave

The Board shall grant a leave of absence, with accrual of seniority, upon the written application of any employee who accepts a position with the Local Union, International Union, Federated Union bodies and government or civic organizations; provided, however, that such

employees make annual application for an annual extension during the last thirty (30) days of each year of such leave of absence and provided further, that upon returning to work such employee must be able, after a physical examination on the part of the Board, to perform the work of the job to which he/she is returning or to such other job as he/she might be capable of performing and to which he/she might be entitled by reason of his/her seniority. Such leave of absence for a position with the Union or other organizations mentioned herein shall be limited to a total of four (4) years, including any annual extensions.

Section 11.5 - Armed Forces Unpaid Leave

Any employee who has completed his/her probation period and who has entered or who enters the armed forces or merchant marine, shall be restored to employment provided application is made within ninety (90) days after discharge from service. In the case of disabled veterans, within ninety (90) days of completion of hospitalization, restoration shall be on the basis of accumulated seniority and to a wage rate and status the employee would have reached in normal wage progression had he/she not left the employment of the Board. Should an employee be unable to perform the work to which he/she is thereby entitled, he/she shall be granted a reasonable program of training so that he/she may have the opportunity to perform the work required.

Section 11.6 - Veterans' Education Unpaid Leave

Any returning veteran desiring to pursue a course of study in accordance to the federal law granting him/her such opportunity, before or after returning to his/her employment with the Board, shall be granted a leave of absence for this purpose. Such veteran, however, must notify the Board and the Union in writing at least once each year of his/her continued interest to resume active employment upon completion of his/her course of study. During said leave, seniority shall not accrue. The members must apply for reemployment by March 15 of the school year prior to the school year he/she wishes employment. The Board may require the member to submit to a physical and/or mental examination by a physician of its choice. If the board determines that the member is able to resume his/her duties and his/her leave of absence has not expired, he/she shall be assigned to the same position in which employed prior to the leave or to a substantially equivalent position commencing at such date as such a position becomes available.

Section 11.7 - Disability Unpaid Leave

A driver whose illness continues beyond his/her accumulated sick leave will be granted a leave of absence without pay for a period not to exceed one (1) year. The driver will request such extended leave in writing to the superintendent, with a physician's certificate stating that the driver is not able to perform the duties of his/her position. When the physician determines that the driver is able to resume his/her duties and the employee's leave has not expired, the driver must request in writing to the Board his/her desire to return to work. When the Board determines the driver's fitness, he/she shall be assigned to the same position or as close as possible in which employed prior to his/her leave. Upon return of the regular driver to full and continuing employment, a substitute driver will be laid off in accordance with the seniority list established for substitute drivers.

Section 11.8 – Child Rearing Leave

To the extent required by the provisions of the Family and Medical Leave Act, an eligible employee shall be granted leave for the purposes and subject to the terms and conditions provided by that law and its implementing regulations. Additionally, an employee, upon written request, shall be granted an extension of leave of absence without pay and benefits for the purpose of child care attendant to the birth or adoption of the employee's child up to a total leave of absence period of one (1) year from the commencement of the leave of absence related to the birth or adoption of the child.

Personal leave days are to be requested of and approved by the superintendent of schools or his/her designated representative as soon as conditions permit a member to make the request.

It is understood that unused personal leave days will be paid to the driver if they choose not to use them.

Section 12.5 – Terminal Leave Payment

A regular driver (hired **before** July 1, 1997) who, after five (5) years of service to the school district, terminates his/her employment in good standing, shall be paid one (1) day's pay for each day of accumulated sick leave at the rate identified on his/her to-and-from school route not to exceed \$1,500.

Section 12.7 – Paid-For Time Off

All paid-for time off will be paid at the driver's regular assigned routes transporting students to and from school during a normal school day. One day's compensation is equal to the number of hours each individual driver is scheduled to work per day. (I.E) A driver who has a morning (1½ hours), kindergarten (1 hour), and afternoon (2 hours) route will be allowed four and one half (4½) hours per day. If said driver were to take a half (½) of a personal day in the afternoon and still drive his/her kindergarten route, he/she would be charged two (2) hours. If none of the regular bus drivers accept assignment to the extra trip, then the extra trip assignment shall be offered in order of seniority to the most senior substitute bus driver to the least senior substitute bus driver on a rotating basis for equalization of assignment of extra trips. If the extra trip assignment is not accepted by a regular or substitute bus driver, the extra trip may be assigned by the administration in reverse order of seniority to the least senior substitute bus driver to the most senior substitute bus driver on a rotating basis for equalization of

- assignment to extra trips. A bus driver is not required to take an extra trip instead of the bus driver's regular bus run.
- B. Bus drivers will be paid fifteen (15) minutes before the departure time for the extra trip to fifteen (15) minutes after the return from the extra trip.

Drivers will be paid for a minimum of two (2) hours for trips scheduled for weekends and holidays. If an extra trip, which takes a driver away from a regular scheduled route, is cancelled, the driver will be paid the amount they would have earned on their regular route, provided they have already been replaced on their route or are otherwise unable to be returned to their regular route.
 - E. If a driver is needed for a trip with less than four (4) hours notice, the administration may assign by seniority (not by hours), and the driver will not be charged the hours for that trip.

Section 21.2 – Meal Allowances

Bus drivers on special trips or attending training classes shall be allowed maximum daily meal allowance as follows: breakfast - \$6.00; lunch - \$7.00; dinner - \$10.00 provided that actual receipts for purchase of meals accompanies request for reimbursement. However, bus drivers are not required to assume the mail route. If the driver's personal car is utilized for the special mail route, the driver shall be reimbursed at the level of current Board policy. The driver will submit a record of daily mileage traveled per month. **If mail trips**

are regularly filled by a bus driver in addition to his/her regular runs, this pay will also be included when that driver takes sick time.

2. Service Centers
Regular bus drivers who drive buses to and from a service center for repair of buses shall be paid their normal regular hourly rate of pay for all time spent.

2. In reference to special trips, an effort will be made by the Transportation Supervisor to provide each driver with approximate equal amounts of time worked in special trip assignments. An accrual record of special trip assignments will be placed in the office of the Transportation Supervisor and such time accrued for each driver for a school year. Time offered and refused by an individual driver shall be charged against the accumulative record. The record shall be accumulative from July 1 to June 30 of each year of the contract.
3. Posting of special trips will be made by the Transportation Supervisor as soon as he/she receives notification, or on a monthly basis. Time and one-half (1½) will be charged as the amount of time paid for. Example: working six (6) hours on time and one-half (1½) amounts to nine (9) hours credited to accrued time list kept in the Transportation Supervisor's office.

Section 21.6 – Operation of Vehicles

Current policy is to be maintained in relationship to operation of school-owned vehicles, with teachers, coaches, and others approved by the Board of Education being allowed to drive the school-owned van and station wagon. MEMO OF UNDERSTANDING

**between the
ESSEXVILLE-HAMPTON BOARD OF EDUCATION
and the
UNITED STEELWORKERS, AFL-CIO•CLC**

This Memorandum of Understanding between the Essexville-Hampton Public Schools and the United Steelworkers, AFL-CIO•CLC, on behalf of the Bus Drivers, is for the purpose of promoting understanding between the parties with respect to the guidelines intended to be used by the administration of the school district in scheduling of extra trips to be driven by bargaining unit members. In an effort to alleviate controversy about the scheduling of extra trips where bus drivers are assigned to transport students to an extra trip destination, then return to the school district and return later to pick up and return students to the school district from the extra trip destination, the administration of the school district hereby declares its intention to generally adhere to the following guidelines in scheduling extra trips:

1. Extra trips on school days will be scheduled such that bus drivers will not be required to return to the school district immediately after transporting students to the extra trip destination and return later to transport students back to the school district if the driving distance (not radius) is ten (10) miles or more one way.
2.
