AGREEMENT

This Agreement was entered into _____ between the Essexville-Hampton Board of Education, Essexville, Michigan, hereinafter called the "Board," and the United Steelworkers, AFL-CIO•CLC, on behalf of Local Union 7380-02, hereinafter called the "Union."

WITNESSETH, WHEREAS, the Board has a statutory obligation pursuant to Act 379 of the Michigan Public Acts of 1965 to bargain with the Union as representative of its Food Service employees with respect to hours, wages, terms and conditions of employment.

DEFINITION OF EMPLOYEE: The term "employee" as used in this Agreement shall mean all Food Service employees, excluding supervisory administrative personnel and substitutes.

ARTICLE I
RECOGNITION

Section 1.1: Unit Definition

The Board hereby recognizes the Union as the exclusive bargaining representative for all Food Service employees, but excluding supervisory administrative personnel and substitutes hired after September 1, 1989.

Section 1.2: Students Working

It is understood and agreed that the contract for hire of students, part-time, or other casual labor will not be accomplished for the purpose of destroying the bargaining unit.

Section 1.3: Employee Defined

The term "employee" as used in this agreement shall mean all food service personnel, excluding supervisory administrative personnel and substitutes.

Section 1.4: No Discrimination

It is the continuing policy of the Union that the provisions of this agreement shall be applied to all employees without regard to race, color, religious creed, national origin, or sex. The representatives of the Union and the Board in all steps of the grievance procedures and in all dealings between the parties shall comply with this provision.

Section 1.5: Union Membership, New Employees

After the first 30 days worked, employees covered by this agreement shall sign and deliver to the Board an assignment authorizing the deduction of initiation fees, membership dues, or

assessments of the Union, as designated to the Board by the International Secretary-Treasurer of the Union, and shall remain members in good standing as a condition of employment. The Board shall then monthly remit the same to the International Secretary-Treasurer of the United Steelworkers of America, Five Gateway Center, Pittsburgh, Pennsylvania, or such other address as he may designate, such sum being deducted from the regular salaries of all such employees. A copy of such list shall be furnished to the Financial Secretary of the Local Union. The Union shall fully protect and render the Board harmless against any liabilities or claims resulting from deduction of membership dues.

Section 1.6: Union Membership, Current Employees

All present employees who have satisfactorily completed their probationary period and are covered by this agreement who are members of the Union, shall, as a condition of employment with this District, continue to remain members in good standing in the Union for the duration of this agreement.

Section 1.7: Administrators Not Perform Work

All administrative, supervisory personnel, or non-bargaining unit employees shall not perform bargaining unit work unless the work is trivial or insignificant, or is an emergency situation or **in the training of an employee**, or in other situations that would be mutually agreed upon between the Board of Education and the Union. It is understood that the use of any supervisory personnel will not result in the layoff of any bargaining unit personnel.

ARTICLE II
RIGHTS OF THE UNION

Section 2.1: Right to Organize

Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that employees covered by this agreement shall have the right freely to organize, join and support the Union for the purpose of engaging in collective bargaining or negotiation and other concerned activities for mutual aid and protection. As a duly elected body exercising governmental power under the cover of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitution of Michigan and the United States; that it will not discriminate against any employee with respect to hours, wages or any terms or conditions of employment by reason of his/her membership in the Union, his/her participation in any activities of the Union or collective negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this agreement or otherwise with respect to any terms or conditions of employment.

Section 2.2: Right to Invoke Mediation

The Board specifically recognizes the right of its employees appropriately to invoke the assistance of the State Labor Mediation Board, or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of the agreement. Arbitration services of the Michigan Employment Relations Commission will be utilized.

Section 2.3: Right to Use Buildings

The Union and its members shall continue to have the right to use school building facilities at all reasonable hours for meetings, subject to scheduling by principal, business manager, or Community Education Director. Building use fees will not be charged for meetings of Essexville-Hampton Union employees and the privilege will not be abused.

Section 2.4: Right to Wear Insignia

No employee shall be prevented from wearing insignia, pins, or other identification of membership in the Union either on or off school premises.

Section 2.5: Right to Information

The Board agrees to furnish to the Union, in response to reasonable written requests from time to time, available information as will assist the Union in developing intelligent, accurate, informed and constructive programs on behalf of its members, together with information which may be necessary for the Union to process any grievance or complaint.

ARTICLE III
RIGHTS OF THE BOARD OF EDUCATION

Section 3.1: Constitutional Rights

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:

- A. To hire all employees and, subject to the provisions of law, to determine their qualifications, and the conditions of their continued employment, or their dismissal or demotion; and to promote and transfer all such employees.
- B. To determine work schedules hours of work, and the duties, responsibilities, and assignments of Union personnel.

- C. No term or condition in this contract to the contrary shall, in any way, interfere with the management function of the Board of Education, or replace the inclusive jurisdiction of the Board under the school code, except for wages, hours, terms and conditions of employment.
- D. The parties agree that this contract incorporates their full and complete understanding and any prior oral agreements or practices are superseded by the terms of this agreement. The parties further agree that no such oral understanding or practices will be recognized in the future unless committed to writing and signed by the parties as supplement to this agreement.
- E. It is further understood that any of the aforementioned will not be contrary to any section of this contract.

ARTICLE IV **COMPENSATION**

Section 4.1: Rates of Pay

The hourly rate and other economic fringe benefits of all employees covered by this agreement shall be in accordance with Schedule A attached to and incorporated in this agreement.

ARTICLE V **HOURS OF WORK AND OVERTIME**

Section 5.1: Overtime Notice

When overtime is to be worked, the Board will endeavor, as far as practical at all times, to give at least two (2) days notice to all employees requested to work overtime. The foregoing shall not apply in the event of emergencies.

Section 5.2: Overtime Distribution / Extra Work

The Board shall have the right to require employees to work a reasonable amount of overtime/extra work provided the same shall not be discriminatory and shall be distributed, as far as practical, equally among all employees who agreed to work beyond their normal schedule and prearranged location, provided the employee has the ability to do the work available. Employees who agree to work extra time must work the entire shift, i.e. employees may not come in late or leave early. Management shall maintain and give the Unit President a copy of all overtime/extra work every pay period giving the employee's name, date of work, hours employee worked, and job site. The Board shall offer training to employees who show an interest in other areas or jobs.

Section 5.3: Notice of Change

The hours of work may deviate from the hours on the Job Posting on the first and last days of school, Grandparents' Day, and field trip days, etc. **Notice will be given to affected employees as soon as it is practicable but not less than two (2) days prior to the event unless precluded by an emergency situation.**

Section 5.4: Food Service Personnel Work Hours

It is understood that elementary Food Service employees and high school Food Service employees (whose main duty is not food preparation) will not be scheduled for less than two (2) hours work per working day and junior high school Food Service employees will not be scheduled for less than two and three-quarters (2¾) hours per working day. **Food Service employees whose main duty is food preparation will not be scheduled for less than two and one-half (2 ½) hours at the high school.** When it is determined by management, Food Service employees will be offered work in their assigned building on staff inservice days.

Section 5.5: Monthly In-service Days

Monthly in-service meeting shall be scheduled and posted for the entire school year by September 1st. These meetings shall be mandatory to attend unless an employee has been excused by their supervisor, and have scheduled another time to go over the material presented. Employees shall be compensated a minimum of one (1) hour to attend such meetings.

Section 5.6: Long-Term Disability

If an employee is off work due to an extended illness or injury, Section 5.2 shall not apply, and the most senior employee who shows interest in the available work shall be transferred to the open position for the duration of the leave.

ARTICLE VI
GRIEVANCE PROCEDURE

Section 6.1: Grievance Defined and Procedure

Should differences arise between the Board and the Union, or its members employed by the Board, as to the meaning and application of the provisions of this agreement, there shall be no suspension of work on account of such differences but an earnest effort shall be made to settle such differences immediately in the following manner:

Step 1: Verbal

Between the aggrieved employee, a committeeperson, and the corresponding unit supervisor who must give an answer within two (2) working days.

Step 2: Written

If the grievance is not settled in Step 1, the employee or the employee's committeeperson may file a grievance in writing within five (5) working days from receipt of the answer from the supervisor and present two (2) copies to the Director of Food Services who shall have five (5) working days in which to reply in writing.

Step 3: Committee

If a grievance is not settled in Step 2, the Grievance Committee will then submit copies of the grievance to the Superintendent of Schools within five (5) working days after receipt of the answer from the Director of Food Services. A meeting will then be held as soon as possible, but not later than ten (10) working days, between the Superintendent of Schools and the Grievance Committee for the discussion of the grievance. The decision of the Superintendent of Schools or designated representative shall be made in writing within five (5) working days after the meeting.

Step 4: Board Sub-Committee

If the grievance has yet to be resolved, either party may request a review by a sub-committee of the Board, consisting of two (2) members of the Board and an alternate. Such conference shall be scheduled at a time when there is no disruption of normal school routine and duties of the worker. At that time, all attempts will be made to fully present all documents, evidence, and testimony. A recommendation for resolution will be made by the Board Review Committee within ten (10) working days from the conclusion of the Board review conference.

Section 6.2: Arbitration

If the grievance is not settled at the preceding step, it may be submitted to binding arbitration at the election of either party. The matters to be arbitrated shall be submitted to an impartial arbitrator.

Section 6.3:

Within fifteen (15) working days of the Superintendent's answer in Step 3, the party choosing to arbitrate must give written notice to the other party, setting forth specifically the nature of the dispute to be arbitrated, and designating one (1) arbitrator selected by it as specified in Step 4 (Section 6.5).

Section 6.4:

Within five (5) days the American Arbitration Association will be asked to immediately submit a panel of five (5) arbitrators. Upon receipt of the list, the Board will first strike two (2) names, then the Union will strike two (2) names. The remaining person shall be the arbitrator; provided that within sixty (60) days of notice of his/her appointment the arbitrator accepts and schedules a

date for a hearing in the matter which he/she is to decide. If the arbitrator does not so accept and schedule a hearing as above provided, the American Arbitration Association will again be requested to immediately submit a list of five (5) names and the above procedure for selecting an arbitrator from the panel will be followed.

Step 4:

In the event the adjustment is not made, and the dispute shall not have been satisfactorily settled, the matter shall then be referred, within fifteen (15) working days from the Superintendent's answer in Step 3, to an impartial umpire to be appointed by mutual agreement of the parties hereto. If the parties cannot agree as to the arbitrator, he/she shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration hearing. Neither party shall be permitted to assert in such arbitration proceeding any issues which have not been set forth in the original grievance. The arbitrator shall have no power to alter or add to or subtract from the terms of this agreement. The arbitrator will be without power or authority to make any decision which requires the commission of any act prohibited by law which is violative of the terms of this agreement. An arbitration hearing will be held which both parties will be privileged to attend. Each party may present the testimony of witnesses and any pertinent written evidence. The cost of the arbitrator shall be borne equally by the School Board and the Union.

Section 6.5: Binding Award

Arbitration resulting from the application of Section 6.5, Step 4 above, shall be binding.

Section 6.6:

The agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and by the arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the arbitrator is to determine disputed interpretations of terms actually found in the agreement, or to determine disputed facts upon which the application of the agreement depends. The arbitrator shall, therefore, not have authority, nor shall he/she consider its function to include the decision of any issue not submitted or to so interpret or apply the agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rule of contract construction. The arbitrator shall not give any decision which, in practical or actual effect, modifies, revises, detracts from, or adds to, any of the terms or provisions of this agreement. Past practice of the parties in interpreting or applying terms of the agreement can be relevant evidence, but may not be used so as to justify, or result in, what is in effect a modification (whether by addition or detraction) of written terms of this agreement. The arbitrator has no obligation or function to render a decision or not to render a decision merely because in his/her opinion such a decision is fair or equitable or because in his/her opinion it is unfair or inequitable.

Section 6.7: Test of Arbitrability

If either party shall claim before the arbitrator that a particular grievance fails to meet the tests of arbitrability, as the same are set forth in this article, the arbitrator shall proceed to decide such issue before proceeding to hear the case upon the merits. The arbitrator shall have the authority to determine whether he/she will hear the case on its merits at the same hearing in which the jurisdictional question is presented. In any case where the arbitrator determines that such grievance fails to meet said test of arbitrability, he/she shall refer the case back to the parties without a recommendation on the merits.

Section 6.8: One Issue

Unless expressly agreed to by the parties, in writing, the arbitrator is limited to hearing one issue or grievance upon its merits at any one hearing. Separate arbitrations shall be constituted for each grievance appealed to binding arbitration.

Section 6.9:

All cases shall be presented to the arbitrator in the form of a written brief, prepared by each party, setting forth the facts and its position and the arguments in support thereof. The arbitrator may make such investigations as he/she may deem proper and may, at his/her option, hold a public hearing and examine the witnesses of each party and each party shall have the right to cross-examine all such witnesses and to make a record of all such proceedings. Within thirty (30) days after the close of the hearing, or the date established for filing Post Hearing Briefs if so desired by either party, the arbitrator shall issue his/her decision which shall be final and binding.

Section 6.10: Expense Payment

The fees and expenses of the arbitrator, cost of transcript, and the hearing room shall be jointly paid by the Board and the Union. All other expenses incurred shall be paid by the party incurring them.

Section 6.11: Grievances Regarding Layoff or Recall

In cases of layoff, a grievance claiming that an employee or employees were laid off out of line of seniority must be filed in writing within five (5) working days from the date the Board first submitted a list to the Unit President and employees so laid off.

Employees upon recall who have returned to work and find they have been deprived of their rights as outlined in this agreement shall have five (5) working days in which to file a grievance.

Section 6.12: Grievance Committee

The employees shall be represented by a Grievance Committee which shall consist of two (2) members, one of which is the Unit President, selected by the members from the seniority list. They shall be the last employees to be laid off and first to be returned unless they elect to resign.

Section 6.13: Alternate Committeepersons

Alternate committeepersons shall be recognized when the regular committeeperson is absent. Alternate committeepersons shall not have the super-seniority a regular committeeperson has as outlined in Section 6.12.

Section 6.14: Meeting Times

The Grievance Committee shall meet with management at such times as may be determined to be necessary and as will not conflict with reasonable operations.

Section 6.15: Committee Member Present at Meeting

Any employee or group of employees who are called into any meeting regarding any matter which comes under the jurisdiction of the Union may request the presence of a member of the Grievance Committee and such request shall not be denied.

Section 6.16: Time Limits

No grievance will be considered or discussed which is presented more than ten (10) working days after its occurrence (days of vacation or authorized leave of absence shall not be counted as days worked in Section 6.18) except grievances with respect to errors in pay which may be filed within thirty (30) days from the issuance of the alleged erroneous check.

Section 6.17: Paid Time

Grievance members shall be paid while handling grievances at Steps 4 or 5, if it involves the loss of wages.

ARTICLE VII
SENIORITY

Section 7.1: Probation Period

Seniority of employees covered by this agreement shall be determined in the following manner:

New employees and those hired after a break in seniority shall be regarded as probationary employees for the first forty-five (45) workdays. During this period of probationary employment such employees shall be given training. The Board shall determine the nature and scope of this training. Such employees may be transferred, laid off, or terminated as exclusively determined by the Board during this period.

Upon completion of their probationary period, such employees shall then be credited with seniority beginning with the last day of hire, and such employees will be entered on the seniority list as of the date of employment and shall accumulate seniority from that date.

Section 7.2: Loss of Seniority

Seniority shall be lost for one of the following reasons only:

- A. Employee quits or retires.
- B. Employee is discharged for just cause.
- C. Laid off employee is not reemployed within 24 months or the term of his/her most recent continuous employment, whichever is less.

Section 7.3: Seniority Lists

Up-to-date seniority lists shall be posted on the bulletin boards of each school one week before the end of the school year and thirty (30) days after Labor Day of each year.

Section 7.4: Order of Layoff

When there are layoffs for any reason, the following procedure shall be followed:

All probationary employees shall be laid off first. Thereafter, employees shall be laid off in line with their seniority. The employees with seniority who are qualified and can do the work of the employee to be displaced shall do so. The employee on the affected job may use his/her seniority to displace the least senior employee.

Section 7.5: Order of Increase (Recall)

When there is an increase in working forces, after a layoff, the reverse of the above layoff procedure shall be followed. Before any new employee is hired, the senior employee on layoff shall first be offered the employment and if he/she is able to do the work, he/she shall be awarded the job.

Section 7.6: Notice of Layoff

When an employee is laid off, he/she and Unit President will be given five (5) working days notice of such layoff. Exception to five (5) day notice would be given in emergency or crisis situation.

ARTICLE VIII
JOB BIDDING

Section 8.1: Selection Process

Selection of employees for the purpose of filling job vacancies covered by this agreement shall be made by the Board on the basis of seniority and ability to perform work. In selection of employees to fill vacancies, the following provisions shall apply:

A. Posting

If a vacancy is to be filled, notice of the vacancy shall be posted by the Board on all existing bulletin boards at each school within five (5) working days from the time such vacancy first occurred, for a period of not less than three (3) full working days in order that all interested employees may be given equal opportunity to bid. Such notice shall state information about the vacancy including the school where the vacancy exists, the normal working hours, the job title and the general purpose of the job, along with the hourly wage rate and the closing date for accepting bids. The Board may, however, at times during the summer shut-down, bid a job on a temporary sixty (60) day basis. However, at the end of the temporary sixty (60) day period, the Board must then decide to either post the temporary job as a permanent job or, if the work load does not warrant a permanent job, it must be eliminated. Time extensions may be granted upon mutual agreement of the parties.

Should a vacancy occur during the summer months concerning food service personnel, posting of available opening is to occur during the first five (5) working days of the school year in order that existing food service personnel might be notified of vacancy.

B. Copies of Bids

Interested employees' bids shall be in writing (on forms mutually agreed to by the Board and the Union), in duplicate and signed by the employee, with a copy to be submitted to the appropriate immediate supervisor and a copy to be submitted to the chairperson of the Union Grievance Committee.

C. Placement on Jobs

Senior employees who have bid on and who have been awarded jobs as herein provided shall be placed in the vacancy bid within three (3) working days from the date the vacancy was first posted.

D. Notification of Awards

The Board shall notify, in writing, the chairperson of the committee as to the names of employees to whom jobs have been awarded, together with the date of such awards.

Section 8.2: New Wage Rates

When a wage rate for a new job or new wage rate for a changed job is or should be installed, the employee or employees affected may, at any time within thirty (30) days (except where the parties otherwise mutually agree), file a grievance alleging that such new rate does not bear a fair relationship to other jobs in the bargaining unit. Such grievance shall be submitted to Step 4 of the grievance procedure in this agreement. If the grievance is submitted to arbitration, the decision shall be effective as of the date when the employee was assigned to the new job.

Section 8.3: Trial Period and Rate

When an employee is awarded a job per Article VII, the employee shall be given a thirty (30) calendar day trial period. If, at anytime during the trial period, management determines the employee is unable to perform the responsibilities of the job, or the employee determines he/she no longer wants the job, the employee will be returned to his/her previous position status. If an employee elects to return to his/her previous position, he/she shall be excluded from bidding on another position for twelve (12) months unless this position would offer more hours. Any other personnel moves related to the employee's original job award shall also be reversed. The next senior signer on the job posting shall be placed on the job.

ARTICLE IX
LEAVES OF ABSENCE

Section 9.1: Worker's Compensation Unpaid Leave

If any employee who is awarded compensation under the Workman's Compensation Act because of a school-connected injury or disease, for a period covered by the Workman's Compensation Law, will, at the option of the employee, collect Workman's Compensation insurance, the period of time involved will not be deducted from sick leave. However, should the employee desire to be paid his/her regular salary by the School District, he/she shall turn over to the School District any compensation check awarded under the Workman's Compensation law and his/her sick leave will be charged for the percentage of difference that the Workman's Compensation reflects to his/her regular rate. If the illness or award continues beyond the used sick leave period, the employee will be granted a leave of absence without pay for a period not to exceed two (2) years. Such a member, or a member of his/her immediate family, in his/her behalf, shall make a written request to the Superintendent of Schools for such leave of absence, accompanied by a certificate from his/her physician that he/she is unable to perform his/her duties. He/She shall make a written request to the Superintendent of Schools for reemployment when able to resume his/her duties, accompanied by a certificate from his/her physician evidencing such ability. The Board may require the member to submit to a physical and/or mental examination by a physician of its choice. If the doctor determines that the member is able to resume his/her duties and his/her leave of absence has not expired, he/she shall be assigned to the same position in which employed prior to the illness or injury or to a substantially equivalent position. **Worker's compensation shall run concurrently with the Family and Medical Leave Act (FMLA) for any qualified employee.**

Section 9.2: Paid Family Illness Leave

Leaves of absence with pay chargeable against sick leave allowance shall be granted annually for the following reasons:

For not to exceed five (5) days because of critical, hospitalized illness of a member of the immediate family (immediate family is defined to mean the mother, father, mother-in-law, father-in-law, husband, wife, child - natural or adopted, grandparents, and grandchildren of a Union member), if proof is furnished to the Superintendent of Schools or designated representative as soon as conditions permit the member to make the request. **Additional time may be requested and may be granted by the Superintendent of Schools.**

Section 9.3: Miscellaneous Paid Leaves

Leaves of absence with pay not chargeable against sick leave allowance shall be granted for the following reasons:

A. Funeral Leave - Four (4) Days

A maximum of four (4) days for a death in the immediate family (immediate family is defined as spouse, mother, father, child - natural or adopted, sister, brother, mother-in-law, father-in-law, sister-in-law, brother-in-law, grandparents, grandchildren, stepchildren), if proof is furnished to the Superintendent of Schools or designated representative as soon as conditions permit the member to make the request. One (1) additional day may be granted by the Superintendent for special circumstances. Paid leave will only be allowed for scheduled workdays.

B. Funeral Leave - One (1) Day

One (1) day for attendance at a funeral service of niece or nephew, aunt or uncle, if proof is furnished to the Superintendent of Schools or designated representative as soon as conditions permit the member to make the request. Paid leave will only be allowed for scheduled workdays.

C. Personal Affairs Leave - Two (2) Days

The Union may, if it believes an injustice has been done to an employee, have said employee reexamined at the Union expense. If conflict develops, a third doctor will be mutually chosen to perform an examination. Expenses will be jointly shared by the Board and the Union. A decision of the majority of physicians or medical examiners shall be final.

Section 13.2: Personal Identification

Should the employer find it necessary to require employees to carry or record full personal identification, such requirements shall be complied with by the employees. The cost of such personal identification shall be borne by the employer.

At such hearing, the facts concerning the case shall be made available to both parties. As soon as practicable after such hearing but not later than five (5) working days, the Superintendent of Schools or designated representative shall conclude whether the suspension shall be revoked, modified, extended or converted into a discharge. The same process will be used for absenteeism, but the two will not be combined. **Performance and attendance issues will be on two separate tracks.**

Excess absenteeism will be defined as using all granted days during a school year or repeated incidents in conjunction with a weekend, holiday, or vacation time that establishes a pattern, such as the same day each week or month.
