ARTICLE 1

Agreement

This Agreement entered into this 26th day of May, 2005, by and between the Niles Educational Support Personnel Association - MEA/NEA, hereinafter called the "Union," and the Niles Community Schools Board of Education, hereinafter called the "Employer."

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE 2

Purpose

This Agreement is negotiated to establish the wages, hours, terms, and conditions of employment for the members of the bargaining unit herein defined.

The Employer and Union agree that neither will discriminate against any employee because of his/her exercising their rights guaranteed by state or federal law, and both the Employer and Union agree to be bound by state and federal law as that law applies to wages, hours, and working conditions.

ARTICLE 3

Recognition

3.1 Bargaining Unit Defined

The Board hereby recognizes the Union, Niles Educational Support Personnel Association-MEA/NEA, as the exclusive bargaining representative for the bus drivers and van/wagon drivers employed by the Board, excluding the Director of Transportation, Director of Maintenance and Operations, Substitutes hired after June 1, 1994, Outreach Workers, and Bus Dispatcher. The following Articles and Appendices apply specifically to bus drivers and van/wagon drivers.

3.2 Employees

- a. Regular - A regular driver is a driver who has twenty-five (25) regularly assigned runs per week. Regular drivers get full driver benefits (insurance, sick days, vacation/holiday pay, retirement/longevity pay, funeral leave, maternity leave, personal leave, medical leave).
- b. Part time - Part-time drivers who have assigned runs but do not meet the qualifications for regular drivers. Part-time drivers get partial benefits listed in Appendix B, prorated sick days, and prorated holiday/vacation pay.
- c. Substitutes hired before June 1, 1994 - Substitute drivers receive no benefits. This includes temporary and temporary bid assignments unless (a) the successful bidder is a driver who is already entitled to insurance and is awarded a temporary assignment with at least as many runs per week as his/her regular assignment, or (b) it is known that the temporary assignment will last one full year or longer.

ARTICLE 4

Extent of Agreement

4.1 Severability

This Agreement shall constitute a binding obligation of both the Employer and the Union and for the duration hereof may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of these parties in written and signed amendment to this Agreement. Should any provisions of this Agreement be found contrary to law, the balance of the Agreement shall remain in effect for the duration of the Agreement.

4.2 Individual Agreements

Any individual contract between the Employer and an individual unit member for bargaining unit work heretofore executed shall be subject to and consistent with the terms and conditions of this agreement.

4.3 Past Practice

This Agreement shall supersede any past practice of the Board which may be contrary or inconsistent with its terms. The provisions of this Agreement shall constitute the entire agreement between the parties hereto and shall supersede and cancel all understandings, or past practices of the Board.

ARTICLE 5

Agency Shop

1. Each bargaining unit member shall, as a condition of employment, (1) on or before thirty (30) days from the first day of active employment or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedures adopted pursuant to that policy. The Service Fee shall not exceed the amount of Association dues collected from Association members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such Service Fee directly to the Association, or authorize payment through payroll deduction, the Board shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Moneys so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.
2. Pursuant to Chicago Teachers Union v Hudson, 106 S Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy, and the Administrative Procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in that Policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.
3. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of dues, assessments and contributions to the Association as established by the Association. Such authorization shall continue in effect from year-to-year unless revoked according to the procedure outlined in the MEA Constitution, Bylaws and Administrative Procedures. Pursuant to such authorization, the Board shall deduct one-tenth (1/10th) of such dues, assessments and contributions from the regular salary check of the bargaining unit member each month for ten (10) months, beginning in September and ending in June of each year.
4. Upon appropriate written authorization from the bargaining unit member, the Board shall deduct from the wages of any such member and make appropriate remittance for MEA-FS's MEA-sponsored programs (tax-deferred annuities, auto insurance, homeowner's insurance, etc.), MESSA programs not fully Employer-paid, credit union, savings bonds, charitable donations, or any other plans or programs jointly approved by the Association and Employer.
5. Due to certain requirements established in court decisions, the parties acknowledge that the amount of the Service Fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February). Consequently, the parties agree that the procedures in this Article relating to the payment or non-payment of the representation Service Fee by non-members shall be activated no earlier than thirty (30) days following the Association's notification to non-members of the Service Fee for that given school year.

6. The procedure in all cases of nonpayment of the appropriate service fee shall be as follows:
- a. The Association shall notify the bargaining unit member of noncompliance by certified mail, return receipt requested, explaining that he or she is delinquent in not tendering the service fee, specifying the current amount of the delinquency and warning him or her that unless the delinquent service fees are paid or a properly executed deduction form is tendered within fourteen (14) days of the Association's notification to the bargaining unit member, he or she shall be reported to the Board and a deduction of service fee shall be made from his or her salary.
 - b. If the bargaining unit member fails to comply, the Association shall give a copy of the letter sent to the delinquent bargaining unit member and the following written notice to the Board at the end of the fourteen (14) day period:

The Association certifies that (NAME) has failed to tender the periodic service fee required as a condition of employment under the agreement and demands that, under the terms of this agreement, the Board deduct the delinquent service fees from the collective bargaining unit member's salary. The Association certifies that the amount of the service fee includes only those items authorized by law.
 - c. The Board, upon receipt of said notice and request for deduction, shall act pursuant to the paragraphs above. In the event of compliance at any time prior to deduction, the request for deduction will be withdrawn. The Association, in enforcing this provision, agrees not to discriminate between bargaining unit members.
 - d. Bargaining unit members may object to the use of the service fee for matters not permitted by law. The procedure for making such objections is that officially adopted by the Association. A copy of the Association's policy will be provided to each Fee Payer by the Association pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures."
7. In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
- a. The Board gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
 - b. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
 - c. The Association shall have, after consultation with the Board, complete authority to compromise and settle all claims which it defends under this section.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages, including claims paid and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

ARTICLE 6

Union Rights

6.1 Use of Facilities

The Union and its representatives shall have the right to conduct Union business on the Employer's property at times which do not interfere with or interrupt normal operations of the Employer. Union business shall not be conducted by any employee while on duty.

6.2 Communication

All material shall bear the name of the Union and the name of the person authorizing the posting or the distribution thereof. No Union materials of any kind shall be displayed on or about the physical facilities of the Employer except on designated bulletin boards and no displayed materials shall be derogatory to the Employer nor to any employee.

6.3 Competing Organizations

The rights granted in this article to the Union shall not be granted or extended to any competing labor organization.

ARTICLE 7

Employer Rights

The Employer, on its own behalf and on the behalf of its electors, hereby retains and reserves unto itself without limitation all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Michigan and of the United States. Such rights and responsibilities shall include, by way of illustration and not by way of limitation, the right to manage, direct, and control the operations of the School District; to hire, evaluate, promote, transfer, lay off, and recall employees; to discipline and/or discharge employees for just cause; to determine the size of the work force and to increase or decrease its size; to assign work and working hours; to create new jobs; to assign employees to job classification; to direct the work force; to determine the services to be furnished and the operations to be performed, including the methods, procedures, means, and equipment required to provide such services and operations; to discontinue, combine, or reorganize operations within the School District; and to otherwise carry out the ordinary and customary functions of management except as specifically and expressly restricted by the terms of this Agreement and applicable state or federal statutes.

The Employer shall have the right at any time to promulgate and to enforce such reasonable rules and regulations as it considers necessary and/or desirable for the safe, effective, proper, and efficient operation of the School District.

It is understood and agreed that, in exercising its right and meeting its responsibilities, the Employer acts through its administrative and supervisory personnel in the administration of this Agreement.

ARTICLE 8

Bargaining Unit Member Rights and Protections

8.1 Discipline and Discharge

No employee shall be disciplined (including reprimands, suspensions, reductions in salary, or discharges) without just cause. The specific grounds forming the basis for disciplinary action will be made available to the employee and the Association in writing at the time such disciplinary action is taken.

8.2 Written Discipline

Written warnings or reprimands or suspensions will be given in the form of a formal letter with the full signature of the administrator taking the action. The letter will be delivered only after a meeting has been held at which time the bargaining unit member had an opportunity to be heard. A copy of a written warning or reprimand or suspension shall be given to the bargaining unit member and the Union. Any complaint not called to the attention of the bargaining unit member within ten (10) work days from the time it comes to the attention of the employer may not be used in any disciplinary action against the bargaining unit member.

8.3 Response to Discipline

Any bargaining unit member who wishes to take exception to a written disciplinary action must respond in writing and shall present a copy of the letter to his/her appropriate supervisor. Such response shall be placed in the bargaining unit member's personnel file, together with a copy of the written disciplinary action issued by the Administration and/or Board.

8.4 Representation

A bargaining unit member shall be entitled to have present a representative of the Union during any meeting which is likely to lead to disciplinary action by the Employer. When a request for such representation is made, no action shall be taken with respect to the bargaining unit member until such representative of the Union is present. Should disciplinary action be likely to occur at a given meeting, the bargaining unit member shall be advised immediately of said possibility and shall be advised by the Employer of the employee's right to representation.

8.5 Personnel Files

A bargaining unit member will have the right to review the contents of his/her personnel file and to have a representative of the Union accompany him/her in such review. A non-bargaining unit member Union representative may review such files when necessary for contract administration purposes or to provide the bargaining unit member representation in other administrative or legal proceedings.

Complaints against the bargaining unit member which are placed in his/her personnel file shall be in writing with names of the complainants, administrative action taken, and remedy clearly stated. The bargaining unit member may submit a written notation or reply regarding any material, including complaints, and the same shall be attached to the file copy of the material in question.

When material is to be placed in a bargaining unit member's file, the affected bargaining unit member shall be notified. If the bargaining unit member believes the material to be placed in the file is inappropriate or in error, he/she may request that the material be corrected and/or expunged from the file, whichever is appropriate. The employer shall promptly consider such request and inform the employee of its decision.

8.6 Adverse Material

At the request of the bargaining unit member, the disciplinary action or adverse material will be reviewed every twelve months from the anniversary date of the disciplinary action or placement of the adverse material in the file by the Personnel Administrator. The Personnel Administrator will decide if it is to remain or be removed from the bargaining unit member's file.

8.7 Assault

Any case of assault upon a bargaining unit member and/or a bargaining unit member's property shall be promptly reported to the Employer. The Employer shall promptly render all necessary assistance to the bargaining unit member, when possible, to prevent injury and loss of property. The Employer will assist the bargaining unit member with respect to such assault in connection with handling of the incident by law enforcement and judicial authorities.

8.8 Employer Notification

The Union shall promptly notify the Employer in writing of the names of those persons who have been duly authorized to act on its behalf and the authority of each person so authorized. Each notice shall remain in effect until superseded by a new written notice duly signed and dated.

ARTICLE 9

Grievance Procedure

9.1 Definition

Should differences arise between the employer and the Union, or its members employed by the Employer, as to the expressed terms of this Agreement, an earnest effort shall be made to settle the same by the following procedure:

9.2 Hearing Levels

- a. Informal Level - When a bargaining unit member(s) or the Union believe(s) a grievable incident has occurred, the affected bargaining unit member(s) or the Union shall request a meeting with the immediate supervisor in an effort to resolve the complaint. A bargaining unit member may bring Union representation to this meeting. The request for the meeting shall be made within five working days after the occurrence complained of. The meeting shall take place not later than five working days from the date of the request. If the bargaining unit member(s) is/are not satisfied with the result(s) of the meeting, he/she may formalize the complaint within five working days after the informal meeting.
- b. Formal Level 1: If a complaint is not resolved in the informal conference, the affected bargaining unit member(s) may file a written grievance with the immediate supervisor within ten (10) working days of the informal meeting. The immediate supervisor shall, within (10) working days of receipt of the grievance, render a written decision. A copy of this decision shall be forwarded to the grievant(s) and the Union.
- c. Formal Level 2: If the Union is not satisfied with the disposition of the grievance at Level 1 or if no disposition has been made, within ten (10) working days of receipt the disposition the grievance shall be transmitted to the Superintendent or his/her Designee. Within ten (10) working days after the grievance has been so submitted, the Superintendent or Designee shall meet with the Union and the Grievant(s) on the grievance. The Superintendent or Designee shall, within ten (10) working days after the conclusion of the meeting, render a written decision thereon with copies to the Union and the grievant(s).
- d. Formal Level 3: If the Union is not satisfied with the disposition of the grievance at Level 2, or if no disposition has been made within twenty (20) work days, the Union may submit the grievance to arbitration before an impartial arbitrator. If the parties cannot agree as to the arbitrator, then the arbitrator shall be selected by the American Arbitration Association (AAA) in accordance with its rules which shall likewise govern the arbitration proceeding. If the Union chooses to submit the grievance to arbitration, it must do so within ten (10) days of the twenty-day period described above and notify the employer within three (3) work days of initiating the process. Both parties agree to be bound by the award of the arbitrator, and that judgment thereon may be entered in any court of competent jurisdiction.
 - (1) Any grievance not submitted to arbitration within the time herein provided shall be deemed withdrawn.
 - (2) The only evidence or arguments which may be presented at the arbitration hearing are those which were used in the previous steps of this grievance procedure and to which written reference has been made.

- (3) The costs of arbitration, including the filing fee, shall be borne by the party least supported by the arbitrator's decision as determined by the arbitrator. The arbitrator shall not have the authority to split the costs but must determine the paying party. The losing party will pay the full costs of the arbitrator and his/her decision. Each side will pay its own costs for legal fees and witnesses.

9.3 Miscellaneous Conditions

- a. The term "days" when used in this Article shall mean business office work days. Time limits may be extended by mutual written agreement of the parties.
- b. The remedy for grievances pertaining to field trips, assignments, temporary vacancies, attachments, and bids shall be limited to non-monetary correction, as identified by the Union. The correction shall take place within three work days of the solution being made known to the Employer.

9.4 Exclusions

The grievance procedure shall not apply to:

- a. A grievance by an employee who desires to assert his/her right to present such grievance to the Employer and have it adjusted without interference of the Union, provided that the adjustment is not inconsistent with the terms of this Agreement. A copy of any adjusted grievance under this paragraph, at the Superintendent level or above, will be forwarded to the Union President.
- b. The discharge, discipline, or suspension of a probationary employee or evaluation of any employee.
- c. Any provision of this Agreement which contains an expressed exclusion from this procedure.

9.5 Time Limits

It is mutually agreed that all parties involved in differences shall strictly adhere to the time limits contained herein except by mutual agreement.

ARTICLE 10

A driver reporting to work within thirty (30) minutes of the announcement, verified by time card, shall receive an additional thirty (30) minutes at regular rate of pay in addition to the average regular assigned time for that day, providing the reporting time is the normal reporting time for that driver. Employees will receive pay when school is not in session. Employees shall be required to work any rescheduled school days and will not be paid for rescheduled days worked.

10.2 School Cancellation after Opening

If school is cancelled after students have reported, employees shall be dismissed after completion of their runs and shall receive their regular hourly rate for that day.

ARTICLE 12

Negotiations Procedure

12.1 Negotiations

Neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations.

12.2 Unforeseen Matters

It is contemplated that the terms and conditions of employment provided in this Agreement shall remain in effect until altered by mutual consent in writing between the parties. Nevertheless, because of the special nature of the public educational process, it is likewise recognized that matters previously unforeseen or not negotiated may be negotiated. It is understood that any agreements so negotiated are subject to the approval of the bargaining unit members.

12.3 Agreement

There shall be two (2) signed copies of any final agreement. One (1) copy shall be retained by the employer and one (1) by the Union.

Copies of this agreement shall be printed at the expense of the Employer, within thirty (30) days after the Agreement is signed, and presented to all bargaining unit members now employed or hereafter employed by the Employer.

13.2 Work Day and Work Week

The work day and work week for all bargaining unit members shall consist of runs scheduled according to the student calendar and Article 15 of this Agreement.

13.3 Overtime

Overtime shall be compensated at the rate of time and one-half (1-1/2) of the regular hourly pay for all hours over eight (8) hours in a day or forty (40) work hours in a week. Weekend trips, except as impacted by the "call-in" provisions of this Agreement, will be paid as follows:

14.3 Equipment

The Employer shall provide without cost to the bargaining unit member the following: First aid kits and materials in all work areas (including the drivers' lounge); flashlights, cushions, and rubber or plastic gloves upon request; and appropriate training in the handling of blood, blood products, and other bodily products.

14.4 Designation of Smoking Area

To the extent allowable by state statute, smoking will be permitted by bargaining unit members at the times and locations provided for in the Act (SB 459, 1993).

ARTICLE 15

Conditions of Employment

15.1 Transportation

- a. At least three (3) days before the bidding of routes in August, drivers will be given written notification of the runs included in each route assignment and the established time for each route. Drivers will also be given written notification of known Begindergarten/kindergarten runs. At the selection meeting, all known routes shall be posted, including the length and estimated time. Drivers shall select routes on the basis of seniority. Begindergarten/kindergarten runs shall also be selected on the basis of seniority.

A route shall consist of the following: Secondary a.m. pick-up run, elementary a.m. pick-up run, secondary take-home run, elementary take-home run. A run is one individual segment of a route or a mid-day Begindergarten/kindergarten run.

- b. Attendance at the meeting for bidding on routes shall be mandatory unless there is an emergency and the absence is approved by the Transportation Director. Such drivers unable to attend the meeting shall have a member of the negotiating committee or steward place a bid for him/her.
- c. Special Program Drivers will have first choice within their classification. Special Program Drivers who regularly work four (4) days per week and who sign up shall be offered substitute driving assignments on a rotation basis before substitutes are used.

During the beginning and end of each school year, at which time certain Special Program Drivers have no assignments, the Board may first utilize a sub driver for any vacancy in the regular assignment or the Board may request a Special Program Driver serve as a substitute. If the Special Program Driver accepts and conducts the sub assignment he/she will be paid at his/her regular rate.

- d. The Director of Transportation shall have the authority to assign routes and to assign drivers to other duties within their classification. The Director of Transportation shall have the authority to assign vehicles. Seniority shall be considered in the assignment.
- e. The district shall pay for all successful required licensure and testing required by the Employer, the State, and the Federal Government. It is understood that this section does not include drug testing.

15.2 Field Trips

- a. All field trips will be paid at the field trip rate but will be listed as follows:

- (1) Day trips (a.m. trips)
- (2) After-school trips (p.m. trips)
- (3) Weekend trips

- b. All trips will be scheduled and posted five school days in advance whenever possible. Said postings will occur on Monday and will be for the following Monday through Sunday. If school is not held on Monday of any week, the posting and bidding of trips will be moved accordingly into the week. A separate rotation system will be maintained for each of the above type of trip. Drivers must sign up, by classification, for each type of trip they will be available to drive. Rotation charts will be posted in the office area. Field trips will be rotated chronologically according to seniority.

Mandatory (without compensation) field trip meetings will be held on Tuesday mornings for those signed up for field trips. Trips will be bid upon in the order of AM trips, PM trips, week-end trips. Drivers may be excused from the bid meeting due to being on a field trip, an approved pre-scheduled doctor appointment (appointment card needed), school business, jury duty (jury date form needed), or pre-approved personal business day. If a driver is excused from the trip bid meeting for any of the above reasons, they will be allowed to give written notice to the designated driver of their choice to submit their name for the trips. Once a driver or designee has accepted a trip, the driver cannot turn that trip in for a trip they consider a better choice. The transportation office will not be responsible for the decision of the designated driver's choice of trip for absent driver. When drivers are off sick, their names will be put to the side. If a trip is cancelled before leaving the school the driver will have their name put to the side and eligible for the next available trip. Those drivers whose names have been put to the side shall be allowed to choose trips in the order their name were put to the side.

- c. When a field trip is posted with less than one (1) working day notice, driver(s) unable to accept said trip(s) shall not be required to forfeit a turn on the board. The driver able to take said trip shall have that trip as his/her turn and turn his/her name tag over. The next trip(s) posted shall begin with the first driver that was up for the short notice trip. If cancellation of a trip occurs after the driver has left the school, clock time will be paid only and the trip reassigned.
- d. In the event a driver becomes eligible on both a.m. and p.m. boards for the same date and the trip schedules conflict, said driver may select a trip from one of the conflicting boards. The second choice trip shall be selected from the other board for the next date following the conflicting date. If there is no trip available to select the eligible driver will go to the side.

- f. Whenever a field trip of three hours or more runs through a mealtime and/or the group stops to eat, reimbursement no to exceed \$7.00 will be allowed for the meal or \$5.00 for a "sack lunch." The receipt for this meal (or notation for sack lunch) must be turned in the first scheduled work day in order to get reimbursed.

- h. As each driver becomes eligible, trip sheets will be removed from the board and name tags will be turned over no later than the beginning of the next route time (including regular and extra bid routes). High seniority can be used only for the first day of posted trips.

- i. Any field trip for which the event or game begins after regular school closing time for the students involved shall be considered an after-school trip, regardless of trip departure time.
- j. Any field trip for which the event or game begins before regular school closing time for the students involved shall be considered a day trip, regardless of trip departure time.
- k. All time spent in layover is to be considered "on duty" time, and drivers are to remain on site unless a short meal break at a facility near the site is approved by the trip sponsor.

Any benefits earned by moving up on the schedule during the school year shall be paid from the employment anniversary date forward only, and will not be retroactive.
- d. The Friday before Labor Day is a paid holiday for all five-day/week Drivers, retroactive to July 1, 2000.

ARTICLE 24

Rate of Pay

24.1 Paydays

All drivers will be paid over twenty (20) pay periods in a forty-week school year. All drivers will be paid two weeks late since the time must be turned in early for payroll preparation.

24.2 Wage Schedule Advancement

The first day of employment as a regular or part-time driver shall determine the years on the schedule.

24.3 Computation of Pay

- a. All regular pay will be computed according to established run time (ERT) and add-on pay. ERT will be determined by the employer using one of the following methods:
 - (1) Director/designee independently completes run.
 - (2) Director/designee rides with driver.
 - (3) Computer routing time.
 - (4) Average run time, as established by practice.
- b. Daily add-on time will be counted as one hour and fifteen minutes for four runs for the purposes of pretrip, paperwork, communications, fueling, sweeping, pick up, delays, discipline, etc. One hour and fifteen minutes will be reduced by 10 minutes in 2005-2006 and another 5 minutes in 2006-2007. An additional fifteen minutes will be added for drivers who drive a kindergarten run.
- c. Fifteen minutes of add-on time will be deducted for each individual run that is missed due to absence, field trips, early dismissal, etc.
- d. Substitutes will receive fifteen (15) minutes of add-on pay for each run (fifteen minutes for kindergarten) up to a maximum of one hour and fifteen minutes per day (one hour and thirty minutes with kindergarten). The one hour and fifteen minutes will be reduced by 10 minutes in 2005-2006 and another 5 minutes in 2006-2007.
- e. All shuttles will be attached to runs and be included in the ERT.
- f. Drivers can request that their ERT be reevaluated once a year or when route has been changed by twenty (20) minutes and/or fifteen (15) students, or when a shuttle has been added.
- g. The employer can reevaluate ERT at any time. All ERT decisions of the employer are final and not subject to the grievance procedure.
- h. No driver will receive pay for attending to Union business, unless directed by the Employer or advised by the Employer that discipline may be involved.

24.4 Rescheduled Days

Drivers will receive regular pay for days allowed by the Michigan Department of Public Instruction. Should a field trip fall on a non-paid snow day, and the field trip still runs, the driver working that day will receive pay as if he/she drove a regular day.

Example: If overtime pay is involved for that day and a field trip is seven hours, five of which would receive 1-1/2 on a regular day, the driver would receive 1-1/2 for five hours.

Should a rescheduled day fall during any vacation days, drivers will receive vacation day plus hours worked that day at regular rate of pay.

24.5 Wage Schedule

The rate of pay for the terms of this contract will be defined in Appendix A.

24.6 Eligibility for Holiday Pay

Drivers are expected to be at work on the day before and/or the day after a holiday period such as: Thanksgiving, Christmas, New Year's, Good Friday, spring break, summer vacation, and Memorial Day. If a driver is absent either the day before or the day after for a personal reason other than health, personal illness, death in the family, or other serious emergency, he/she will be deducted one day's pay, or two days' pay if it is both the day before and the day after the holiday period.

24.7 School Day Attendance

Drivers are expected to be on the job every day school is in session.

24.8 Pay for Reporting In

ARTICLE 25

Drug and Alcohol Testing

29.1 Omnibus Transportation Employee Testing Act

Effective January 1, 1995, the employer will engage in the testing of employees through the taking of blood, urine or breath samples to determine if they are under the influence of alcohol or drugs, as required by the Omnibus Transportation Employee Testing Act of 1991, hereinafter referred to as "the Act."

29.2 Compliance with the Act.

In carrying out the drug and alcohol testing required by the Act, the employer agrees that it will comply with all of its requirements, standards and procedures.

29.5 Positive Test Results

Any driver who tests positive for alcohol, misuse or illegal use of a controlled substance, as determined by the Medical Review Officer (MRO), shall be subject to immediate discharge. Any initially positive test result will cause the immediate removal of the employee from her/his safety sensitive position without pay until the MRO's determination of positive or negative results. If the driver requests that a split test be done, it will be at the driver's expense if a positive reading is confirmed and the driver will be terminated. If the split test proves negative, the driver will be returned to her/his duties and will be reimbursed for the costs of the test.

29.6 Prescription or Over-the-Counter Medication

Covered employees using prescription or over-the-counter medication are responsible for being aware of any potential effect such medications may have on their ability to safely perform duties. Niles Community Schools has the right to obtain an independent medical opinion to determine if the medication produces hazardous effects which impede the employee's ability to safely perform her/his duties. If such a determination is made by either of the medical opinions, at the employer's option, the employee may be temporarily restricted or reassigned; if that is not appropriate, the employee may use any paid leave available to her/him, or apply for unpaid leave of absence.

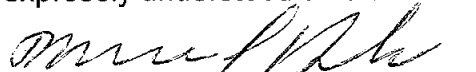

29.7 Union Representation

The parties recognize that drug and alcohol testing are required proceedings which may subject the employee to disciplinary action. The employer and the union mutually agree that in the event the MRO contacts a driver as a result of a positive drug test, the driver may contact a union steward to accompany her/him to any subsequent meetings or interviews with the MRO or employer.
