O. Personnel Folder

Each teacher shall have the right, upon his/her request to review those contents of his/her own personnel folder on file at the central office which pertain to or are the result of any evaluation completed since the beginning date of his/her employment in the Watervliet Public Schools. Records are available in the office in which they are filed and shall not be removed from such office. Teachers shall also, upon reasonable notice, be permitted to inspect any official building or departmental file which pertains to them in the presence of the building administrator. The teacher may be accompanied by a representative of his/her choice during any such review.

If the Board or its agents receive a Freedom of Information Act (FOIA) request to view a teacher's file, that teacher shall be notified. The Administration shall provide the teacher an opportunity to review the file prior to its release, provided such review does not prevent the district from a timely response to the FOIA request. The teacher shall be permitted to attach statements or to request that personal information be omitted from the file prior to its release. N-97

P. Teacher Signature

If a teacher is asked to sign material placed in his/her personnel file, he/she shall have sufficient time to read and understand the material prior to signing. Such signature shall be understood to indicate an awareness of the material but in no instance shall such signature be interpreted to mean agreement with the content of the material. R-86

Article 9 - Hiring, Vacancies, Promotion and Transfers

A. Hiring of Teachers

The Board of Education agrees to hire, when available, teachers who are qualified and who are certified as defined in this Agreement by the State of Michigan to teach in the public schools of this state. R-81

B. Assignment Outside Preparation

The Board will endeavor not to place a teacher in an assignment outside his/her area of preparation. Should such assignment occur, the Board will pay for tuition for one approved university course per semester toward preparation for that teacher assignment at a rate of 100%. Any reimbursement for course work must have Board approval in advance of the course work being taken. R-89

C. Defining a Vacancy and Transfer Requests

A vacancy is defined as a newly created position or a present position that becomes vacant by reason of resignation, retirement, transfer, extended leave of absence, death or long term illness of the employee formerly in said position.

When a vacancy occurs, internal staff adjustments may be made before posting.

When making internal staff adjustments, any teacher who requested the position(s) opened shall be notified of the opening. Requests by teachers for transfer shall be given due consideration. Requests by a teacher for a transfer to a different building, class or position shall be made in writing on forms available in each building prior to conclusion of the school year.

D. Posting of Internal Vacancies

After all internal adjustments have been made, the resultant vacancy shall be posted. The Board of Education shall publicize the vacancy by giving written notice of the vacancy to the Association and by providing for appropriate postings in the teacher's workroom of each school building. No vacancy shall be filled until it has been posted for at least seven calendar days, except that it may be filled by temporary appointment in the case of emergency. Those individuals interested in another position must make their wishes known in writing prior to the conclusion of the school year so that they may be considered for openings which occur during the summer.

E. Filling Internal Vacancies

In filling all vacancies, including supervisory or executive positions, the Board agrees to utilize fair and objective standards, giving due weight to the professional background and attainments of all applicants. Applicants from within the district shall be given priority where all other factors are equal. R-86

Any teacher who shall serve in a supervisory or executive position within the Watervliet Public Schools and who shall later return to teacher status in this district, shall be entitled to retain such rights as he/she may have had under this Agreement prior to such service in an administrative position. Years spent in a supervisory or executive position shall be considered as teaching years for computation of salary, seniority, and other benefits. Administrators who have not previously been employed as teachers in the Watervliet Public Schools may enter vacancies in the bargaining unit and be credited with years spent in administrative capacity for purposes of salary, seniority and other benefits, but only if such entry into the bargaining unit does not cause displacement of any other teacher, whether then actively employed or on layoff status. R-81

G. Transfer Philosophy

Since frequent transfers of teachers are disturbing to the educational process and interfere with optimum teacher performance, the Association and the Board agree that the transfer of teachers shall be minimized. Whenever possible, any transfer occurring after the start of the school year shall be by mutual consent of the teacher and the Board. R-81

1. The Board will give serious consideration to teacher requests for assignment changes. When qualifications and experience are equal, seniority in the Watervliet District shall be the determining factor in granting transfer requests. R-81
2. The final determination of assignment and transfers is vested in the Board. The Board shall not assign or transfer a teacher without contact with the individual teacher prior to public announcement of any change. Such transfers and assignments shall be on a voluntary basis when possible. Teachers shall be notified of such transfers as soon as the decision to transfer is made. R-81

H. Extra Curricular and Summer Assignments

The Board retains the right to make appointments and assignments, and to make re-assignments or to discontinue assignments, to determine qualifications to extracurricular and summer positions exclusive of any of the seniority, vacancy or transfer provisions of this Agreement, subject to the following: N-81

1. All such positions shall be posted in all buildings for a minimum of seven (7) calendar days during the school year. For positions which are filled outside the school year, teachers must indicate their interest in such positions in writing to the Board. The Board shall then notify those teachers by mail of positions which become open a minimum of nine (9) calendar days before the position is filled. R-03
2. All such positions shall be awarded to a member of the bargaining unit if he/she is qualified for the position. N-81

4. It is fully understood that teachers in these positions do not obtain tenure in positions. N-81

I. Substitute Teachers

Leave pay shall be available to any teacher on a prorated basis and charged against a teacher's leave accumulation when a teacher is absent and eligible to receive compensation under social security disability, worker's compensation and/or any other governmental program. Such leave pay shall be used to offset the difference between the disability subsidy and the teacher's normal net pay after applicable taxes, but shall not entitle the teacher to collect more than one hundred percent (100%) of the normal net pay after applicable taxes. Leave pay under this section shall terminate whenever the teacher becomes eligible for any purchased short term or long term disability insurance program not provided by law, or sixty (60) days, whichever occurs sooner, and shall not exceed the amount of leave the teacher has accrued at the onset of the disability. It is recognized that no final agreement between the parties may be executed without ratification by the Board of Education and by the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make and consider proposals and counter proposals, or make concessions in the course of bargaining, subject only to ultimate ratification.

The sole purpose of these conferences is to provide communication between the Board and Association, to gain better insights and better understanding between the parties, and to promote closer cooperation in all relationships concerning this Agreement. A letter of understanding may be the outcome of these meetings. R-94
