The Employer shall have the right in its discretion to require an Employee to submit to a physical or mental examination at Employer expense by a licensed physician approved by the Employer in order to assure that the employees are able to perform essential job functions

ARTICLE 4 **AID TO OTHER UNIONS**

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

ARTICLE 5
PROBATIONARY PERIOD

A new Employee shall work under the provisions of this Agreement but shall be employed only on a SIX (6) month trial basis, during which period the Employee may be discharged without further recourse; provided, however, that the Employer may not discharge or discipline for the purpose of evading this Agreement or discriminating against Union members. After SIX (6) months, the Employee shall be placed on a regular seniority list as of the date of hire.

ARTICLE 6
SENIORITY

A. Seniority shall be defined as the length of continuous employment within the system as a member of the bargaining unit. Accumulation of seniority will begin on the Employee's first working day. In the event that more than one (1) individual Employee has the same starting date of work, position on the seniority list shall be determined by drawing straws or other means of determining the Employee's seniority as agreed upon by the parties.

B. Part-time Employees shall accrue seniority on a pro rata basis computed as the ratio of the Employee's regularly scheduled number of duty hours per week to the number of duty hours per week of a full-time Employee in the same classification. Probationary Employees shall not have seniority until the completion of the probationary period at which time their seniority time shall revert to their first day of work.

C. The administration shall prepare, maintain and post the seniority list in a conspicuous position in the administration building. A copy of the seniority list and subsequent revisions shall be furnished to the Union. It shall be the responsibility of the Union to review the seniority list as issued by the administration and to notify the administration of any errors in the list within ten (10) working days of its issuance. Errors not brought to the attention of the administration within said time may not be raised as the basis for grieving any personnel action based upon such seniority list. Seniority dates shall be the last day hired.

D. State and federal programs and statutes shall be observed where applicable for specially funded programs. Except where prohibited, all Employees shall receive seniority rights as provided in this Agreement.

E. Seniority shall be lost by an Employee upon termination, resignation, retirement, transfer to a non-bargaining position or layoff for a period of more than one (1) year.

ARTICLE 7
UNION DUES AND PAYROLL DEDUCTION

A. Each bargaining unit member employed on or after July 1, 1987, as a condition of continued employment shall either:

1. On or before the completion of their probationary period or the date of this Agreement, whichever shall be later, join the Union and sign and deliver to the Employer an assignment authorizing the deduction of Union membership dues which authorization shall continue in effect from year to year unless revoked in writing, or
2. Pay a service fee to the Union pursuant to the Union's "Agency Fee and Challenge Procedures." The service fee shall not exceed the non-member's proportionate share of the cost of negotiating and administering this contract. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such service fee directly to the Union or authorize such payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; and at the request of the Union after completion of the procedures in Paragraph 3 hereof, deduct the service fee from the bargaining unit member's wages and remit same to the Union.

In the event the Employer is prohibited by law to deduct the service fee from a bargaining unit member who does not authorize the deduction of the service fee, the Employer, at the request of the Union, shall terminate the employment of such bargaining unit member upon completion of the procedures contained in Paragraph 4a. The parties expressly agree that the failure of any bargaining unit member to comply with the provisions of this Article is just cause for discharge from employment.

The Union shall hold the Employer harmless for any and all claims, demands, suits or other forms of liability by reason of action taken or not taken by the Board or its designated agent for the purpose of complying with the provisions of this agency shop agreement herein contained. It is understood that the Union shall have the right to compromise claims which may arise under this save harmless clause; however, it warrants to the Employer that the "Agency Fee and Challenge Procedures," as well as the agency fee charged to non-members, are within the parameters permitted by law.

3. Pursuant to the *Chicago Teachers' Union v Hudson*, 106 S Ct 1066 (1986) case, the Union has established an "Agency Fee Objection and Challenge Procedure," a copy of which shall be provided to each bargaining unit member by the Union. The remedies set forth in such policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement or to any other administrative or judicial procedure.

In the event there is a challenge by the fee payor that the Union's "Agency Fee Objection and Challenge Procedure" or the method of its enforcement, information provided thereunder to the fee payor is either legally impermissible or legally inadequate, then the Employer shall be relieved of all contractual responsibility for enforcement of the agency fee for the Union with regard to that individual, and the Union shall pursue its own remedy either at law or in equity.

4. The Union, in all cases of mandatory fee deduction pursuant to MCLA 408.477; shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance and shall further advise the recipient that a request for wage deduction may be filed with the Employer in the event compliance is not effected. If the bargaining unit member fails to remit the service fee or authorize deduction for same, the Union may request the Employer to make the deduction. The Employer, upon receipt of the request for an involuntary deduction, shall provide the bargaining unit member with an opportunity for a due process hearing limited to the question of whether or not the bargaining unit member has remitted the service fee to the Union or authorized payroll deduction for same.

- a. In the event, as provided in Subsection 1, above, the Union wishes to request the Employer to terminate the employment of a bargaining unit member for violating this Article, the Union shall first notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance and shall further advise the recipient that a request for discharge may be filed with the Employer in the event compliance is not effected. If the bargaining unit member in question denies that he/she has failed to pay the service fee, then he/she may request, and shall receive, a hearing before the Employer limited to the question of whether he/she has failed to pay the service fee.

5. The parties agree that the procedures in the Article relating to the payment or non-payment of the service fee by non-members shall be activated thirty (30) days following the Union's notification to non-members of the fee for that given school year. In such event, it is agreed that the Employee remains obligated for the entire annual representation fee.

B. Dues deducted in accordance with Paragraph A will be promptly transmitted to the Union financial officer as designated by the local Union president. Such dues or fees will be deducted from the first paycheck of each month.

C. If an Employee shall revoke his/her authorization card or a dispute as to Union membership shall arise, further dues deductions shall cease until the dispute is resolved between the Employee and the Union. If the Employer shall receive notice of revocation of dues check off, it will notify the local Union at the time of transmittal of the Union dues in accordance with Paragraph B above.

D. Limits of Employer's Liability.

The Employer shall not be liable to the Union by reason of the requirements of this Agreement for the remittance or payment of any sum other than that constituting actual deductions made from wages earned by Employees. The Union will protect and save harmless the Employer from any and all claims, demands, suits and other forms of liability by reason of actions taken or not taken by the Employer for the purpose of complying with Article 7 of this Agreement.

ARTICLE 8
DISCIPLINE OF EMPLOYEES

A. The Employer shall not discharge, demote, suspend, or discipline any Employee without just cause. The Employer shall give at least one (1) warning notice of complaint against such Employee to the Employee prior to discharge, provided, that no warning notice need be given to an Employee before the Employee is discharged if the Employee's conduct warrants immediate discharge. Some examples warranting discharge without the use of progressive discipline are intoxication on the job from alcohol or drugs, use of illegal drugs or consumption of alcohol on the job, theft, crimes involving moral turpitude, and falsification of time sheets or employment records. Copies of disciplinary action shall also be given to the Steward.

B. An Employee may appeal any disciplinary action taken against him or her through the Grievance Procedure in this Agreement.

C. The Employee is entitled to the presence of a requested Union representative at any meeting or hearing at which the Employee reasonably believes may result in discipline. This shall not entitle the Employee to any particular Union representative.

D. An Employee who has received disciplinary action may request that such disciplinary action be removed from that Employee's personnel file after two (2) years.

ARTICLE 9
GRIEVANCE PROCEDURE

A. A claim by an Employee or the Union that there has been a violation of the express terms of this Agreement may be processed as a grievance as provided in this Agreement.

1. Every effort shall be made to adjust controversies and agreements in an amicable manner.
2. The primary purpose of this procedure is to secure, at the earliest possible level, equitable solutions to the complaints or grievances of Employees. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate.
3. Time limits specified in the Grievance Procedure may be strictly adhered to and may be relaxed or extended only by mutual consent of the parties in writing. In the event the Union fails to properly process a grievance or grievance answer within the

particular time limit, the involved grievance shall be deemed to have been withdrawn. In the event the Employer shall fail to supply the Union with its answer to a particular step within the specified time limits, the grievance shall be automatically advanced to the next step.

4. It shall be the practice of all parties and interests to process grievance procedures during such time as not to interfere with the execution of regular work assignments.

B. Definitions.

1. A "grievance" shall be defined as any dispute regarding the meaning, interpretation, application, or an alleged violation of the express terms and conditions of this contract.
2. The term "days" as used in this Agreement shall mean work days which shall be defined as days when the school district administration offices are open and regularly scheduled for business.

C. The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:

1. Actions taken by the Employer with respect to probationary Employees including, but not limited to, discipline up to and including discharge.
2. Content of Employee evaluation.
3. Any matter for which there is recourse under state or federal law.

D. A written grievance shall comply with the following requirements at all levels of the grievance procedure except as otherwise noted. The grievance shall:

1. Identify the allegedly aggrieved individual Employee(s) and shall be signed by the grievant(s).
2. Be specific.
3. State the facts giving rise to the alleged violation.
4. Cite all sections and subsections of this Agreement alleged to have been violated and shall state how the aggrieved action is violative of such provisions.
5. Contain the date(s) of the alleged violation(s).
6. Specify the relief requested.

Any written grievance not in compliance with the above requirements may be rejected as improper. Such a rejection shall extend the time limitations set forth in this Grievance Procedure by five (5) business days. The time limits in the Grievance Procedure, may be shortened or extended by mutual written agreement, shall be strictly observed and shall be controlling.

E. Additional Procedures.

1. In the event a grievance is filed after May 15th of any year and strict adherence to time limits may result in a hardship to any party, the Employer shall use its best efforts to process the grievance prior to the end of the school year or as soon thereafter as possible.
2. Notwithstanding the expiration of this Agreement, any claim or grievance arising under this Agreement with regard to an action or event occurring prior to said expiration may be processed through the grievance procedure until resolution. No actions or events occurring after expiration of this Agreement may be the basis of a grievance under this Article or this Agreement.

F. Level One.

The Employee shall first discuss the alleged grievance with his/her building supervisor in an attempt to resolve the grievance. In the event the Employee desires that his/her Union representative be present during this discussion, the Employee shall make his/her request through the Building Supervisor and the Building Supervisor shall send for the Union representative. The Employee shall request such a discussion within three (3) working days of the time the alleged violation first occurred or within three (3) working days of the time the Employee or Union should reasonably have known of the alleged violation.

G. Level Two.

If, after the informal discussion with the Building Supervisor, the Employee and the Union are not satisfied with the disposition of the grievance at Level One, the grievant may invoke the formal grievance procedure by filing a formal written grievance on a grievance form signed by both the grievant and an authorized representative to the Union. The grievance form shall be available to Employees from the Union's officers or representatives. The grievance form shall be filed with the Superintendent not later than three (3) days after the informal discussion of Level One.

Within fifteen (15) days of receipt of the grievance, the Superintendent shall meet with the Union and the Employee in an effort to resolve the grievance. The Superintendent shall issue a written disposition of the grievance within ten (10) working days of such meeting and shall furnish a copy of that disposition to the Employee and to the Union.

H. Level Three.

In the event a grievance is not satisfactorily resolved at Level Two, the grievance may be submitted to mediation by the grievant and by the Union under the rules of the Michigan Employment Relations Commission.

I. Level Four.

If the grievance is not satisfactorily resolved at Level Three, a meeting with the Superintendent, the Board of Education, the grievant and the Union representative will be held at one (1) of the next two (2) regularly scheduled meetings of the Board of Education. (This shall not be construed to prohibit the Board of Education from calling a special meeting at its discretion to address the grievance.) The request for such a meeting must be received from the grievant and the Union by the Superintendent within five (5) working days of receipt of the written disposition at Level Three.

Within seven (7) working days of its meeting to resolve the grievance, the Board of Education through a designated representative shall issue its disposition of the grievance in writing and shall furnish a copy of the disposition to the grievant and to the Union.

ARTICLE 10
STEWARDS

The Union shall designate a representative or Steward and an alternate from the seniority list as used in this Agreement. The authority of the Steward and alternate as designated by the Union shall be limited to, and shall not exceed, the following duties and activities:

1. The investigation and presentation of grievances with the Employer in accordance with the provisions of this Agreement.
2. Transmission of such messages and information, which shall originate with and are authorized by the Union, provided such messages and information:

3. Representation, when requested by the Employee, at any investigatory meeting or hearing at which the Employee reasonably believes may lead to discipline or discharge.

ARTICLE 11
SICKNESS AND DISABILITY LEAVE

A. Employees shall be granted sick leave at the rate of one (1) day per month. Unused sick leave may accumulate up to one hundred and twenty-four (124) days. Sick leave may be used for the Employee only. However, up to four (4) days of accumulated sick leave may be granted for the Employee to tend to the illness of his her spouse or child (either natural, adopted, foster or step child). This will be increased to five (5) days in the third year of the contract.

B. An Employee who is unable to work because of personal illness or disability and who has exhausted all sick leave available may be granted a leave of absence without pay for the duration of such illness or disability up to one (1) year. The leave may be renewed upon written request to, and approval by the school Board.

C. Employees shall report unavailability for work on a particular day by 10:00 a.m. at a telephone number to be provided by the Employer. Failure to report unavailability for work shall result in loss of pay.

D. If an absence continues, the Employee shall notify the immediate supervisor to this effect before 2:00 p.m. of the first day and each succeeding day of absence. If notice is not received by the above specified time, it will be assumed that the Employee shall return to duty the following day.

E. A physician's statement concerning absences may be requested by the Employer. The Employer retains the right to refer an Employee to a doctor retained by the School District. In cases where the Employee can anticipate a prolonged disability such as scheduled surgery or pregnancy, the Employee shall give the Employer as much notice as reasonably possible to obtain a substitute or to reschedule work. The Employee shall notify his/her supervisor as soon as he/she is aware of the scheduled surgery date or date of confinement in order to comply with the "reasonably possible" notice requirement. This provision shall govern over Article 13, Paragraph A, and shall not be construed to be in conflict therewith.

F. In cases of prolonged illness or disability, the Employee may be excused from making daily contact with the immediate supervisor. However, the immediate supervisor may request, as deemed necessary, additional reports from the Employee's physician on the Employee's status.

G. On sick leave days immediately preceding or immediately following a legal holiday, the Employer may request proof of absence for each such illness. In the event the Employer requests proof of illness and the Employee fails to present proof of illness, the absence shall result in loss of pay. This Section supplements Article 13, Leaves of Absence.

H. Employees will receive at retirement pay for accumulated sick leave for up to sixty (60) days at one-half (1/2) of their daily rate of pay.

ARTICLE 12 **FUNERAL LEAVE**

Each Employee shall be granted a leave for the purpose of attending the funeral of a member of his/her immediate family, as defined below, of up to three (3) days to include the day of the funeral. Additional days may be added at the discretion of the Superintendent.

A. Immediate family includes present spouse, parents, mother-in-law, father-in-law, brother, sister, children, grandchildren, grandparents, brother-in-law, sister-in-law, and/or others living in the Employee's household for whom the Employee is responsible.

B. Funeral leave days will not be deducted from accumulated sick leave. Days granted beyond the three (3) days funeral leave shall be deducted from accumulated sick leave.

ARTICLE 13
LEAVES OF ABSENCE

A. Except in cases when the urgency in leave is of such nature that twenty-four (24) hours advance notice is not practical, the Employee's supervisor must be notified at least twenty-four (24) hours in advance for leave other than illness and must approve such leave. In cases of urgency noted in this Section, the Employee shall give as much notice as possible.

B. The supervisor shall notify the requesting Employee of approval or disapproval of the leave request as soon as possible.

C. Leave days, for purposes other than illness or disability, shall be termed personal business days. Personal business days shall be limited to two (2) per year. Personal business days may not be taken the day immediately before or after a holiday or vacation period unless prior approval of the Employee's supervisor and the Superintendent has been obtained. In the absence of such approval, pay shall not be granted for the personal business day.

1. Personal business days shall not include days that could be classified as vacation days or sick days. The intent of the leave policy is to make it possible for Employees to be absent for legitimate purposes but not for pleasure or profit.

Personal business leave days may only be used for the purpose of handling personal affairs which normally cannot be transacted on the weekend or after the school hours. Such leave days are not provided for casual or indiscriminate use and only the time required for the specific purpose will be approved. Employees are expected to request only that part of the days that their absence is necessary.

2. A written request for a personal business leave day(s) shall be submitted in advance of the requested absence to the Employee's immediate supervisor for approval setting forth the reason for said request.
3. Business leave days shall be prorated for those Employees employed on a part-time basis.

D. The Employer may grant a leave of absence without pay to any Employee to serve in a public office for a period not to exceed two (2) years. This leave may be extended for an additional two (2) years upon written request and approval by the school Board.

E. It is understood that the Family and Medical Leave Act of 1993 does not abrogate the rights of the parties under this Collective Bargaining Agreement. Where additional benefits are extended by the Act to the Employees, those additional benefits will be honored by the District. Where certain Employer rights are also granted in connection with those additional benefits, the District shall be free to exercise those rights. To the extent that leaves of absences are granted under this contract, whether paid or unpaid, it is the intent of the parties that the rights granted hereunder will serve to satisfy the requirements of the Family and Medical Leave Act provisions to the extent applicable by law. All applications for Family and Medical Leave Act leaves will comply with Board policy.

ARTICLE 14
CHILD CARE LEAVE

- A. Any Employee in the bargaining unit may, upon thirty (30) days written request in advance of the commencement of the leave, apply for a child care leave to care for a newly born or adopted infant. The Board reserves the right to specify the beginning and ending dates of the child care leave, it being understood that the leave of absence shall not exceed one (1) school year which may be renewable in the discretion of the Board.
- B. Any such child care leave shall be granted without pay, however, the Employee upon return from the leave shall have all previous benefits of the contract restored but no accumulation of benefits while on leave of absence shall occur.
- C. Any child care leave shall not exempt the Employee from the provisions of the layoff procedure contained in this contract except that the Board shall not be required to give notice of layoff for the duration of the child care leave.
- D. If an Employee does not return to work upon the expiration of the leave, he/she shall conclusively be deemed to have resigned.
- E. Upon return from the unpaid child care leave, the Employee shall be reinstated to his/her former position or, if that position is not available, to a position which is substantially equivalent for which the Employee is qualified.
- F. Child care leave granted under this provision shall, to the extent such leave is qualifying leave under the Family Medical Leave Act (FMLA), count towards and run concurrently with the employee's FMLA entitlement.

ARTICLE 15
NO STRIKE CLAUSE

- A. The Union agrees that neither the Union nor its members shall authorize, sanction, condone, engage in or acquiescence in any strike. "Strike" shall be defined to include slow-downs, sit-ins, boycotts, work stoppage of any kind, the concerted failure to report for duty, the willful absence from one's position or abstinence in whole or in part from the full, faithful proper performance of one's assigned duties, or the improper influencing or coercing a change in a condition, compensation or the rights, privileges or obligations of employment, and any other connected or concerted activities having the effect of interrupting work or interference of any kind whatsoever with the operation of any of the facilities of the Employer.
- B. No Employee shall willfully absent himself/herself from his/her position, abstain from the faithful performance of his/her duties, interfere with the rights, privileges or obligations of employment, nor resort to a strike, tie-up or slow-down as set forth in this Article.
- C. The Union agrees that it will neither take nor threaten to take any reprisals, directly or indirectly, against any supervisor or administrative personnel or Board members of the Employer, regarding the administration of this contract or any grievance filed there under.

ARTICLE 16
UNION RIGHTS

A. Authorized representatives of the Union shall be permitted to visit the operation of the Employer during working hours to talk with the Steward of Local 331 and/or representatives of the Employer concerning matters covered by this Agreement without interfering with the progress of the work forces.

B. Steward.

The Employees covered by this Agreement will be represented by a chairperson and one (1) Steward. The Union shall have the exclusive right to elect, appoint or otherwise assign bargaining unit members to such positions.

C. Bargaining Committee.

Employees covered by this Agreement will be represented in negotiations by a committee of two (2) members and a Council #25 Staff Representative.

D. When an Employee is summoned to a meeting or hearing which the Employee reasonably believes may lead to discipline or discharge or during a grievance hearing, the Employee may be represented by a Union Steward.

ARTICLE 17
WORK SCHEDULES AND OVERTIME

A. The standard work week for all Employees shall be forty (40) hours per week. The work week is established as five (5) days a week, Monday through Friday, eight (8) hours per day unless otherwise scheduled by the Employer.

B. Overtime pay will be one and one-half (1½) times the hourly rate for all hours worked in excess of forty (40) hours per weekly pay period. Employees called in or required to work on scheduled vacation days or holidays shall be paid at the overtime rate for hours worked on those days. Holiday pay is considered time worked for determining overtime pay eligibility.

C. The Employer has the right to establish such hours as each job or classification requires. The Employer shall assign times of work with regards to the job. While subject to change by the Employer as conditions necessitate, those Employees covered under this Agreement assigned to either a middle school or high school shall work from 2:00 p.m. through 10:00 p.m. unless otherwise notified. Those Employees covered under this Agreement who are assigned to an elementary school shall work the hours of 3:00 p.m. through 11:00 p.m. unless otherwise notified. The Employer shall provide the Employees with at least twenty-four (24) hours notice of changes in schedules except in cases of snow removal or like emergencies or upon agreement with the Employee(s) or during the summer months. Changes in schedules may occur at the request of the Employer upon approval of the supervisor under special circumstances.

The Employer reserves the right to require that Employees work mandatory overtime based upon classification. Such overtime will be assigned based on classification and inverse seniority with the least senior Employee being assigned mandatory overtime first.

D. All Employees shall receive two (2) ten (10) minute coffee breaks each work day as assigned by the respective supervisor and a thirty (30) minute paid lunch period.

E. It is understood that “overtime” shall be defined as additional time for work over forty (40) hours per week which is necessary in the judgment of the Employer to complete required work. It is understood that the Employer shall not be required to pay overtime to replace absent Employees with substitutes during normal working hours nor shall it be required to pay overtime during the summer months when it traditionally hires extra custodians (i.e., ten-month Employees on occasion).

If overtime is scheduled by the Employer, it shall first be assigned to the custodians who work in the area/building of the assigned overtime, then to off-duty custodians, then to other members of the bargaining unit that are qualified, then to substitutes. Grounds overtime will be assigned by seniority.

F. The Employer will investigate redistribution of work assignments upon written request of the Employee. If an Employee is subject to early call in, the Employer may, in its sole discretion, allow an Employee to work until the end of the Employee’s regularly scheduled shift or may require that the Employee work a shift which is shortened by that period of time constituting the early call in period.

G. All overtime worked will be paid using the contractually established base rate of the work performed (e.g., grounds work, bus driving) at time and one-half (1½) times the Employee’s base rate of pay.

H. Regular pay for work performed prior to an Employee’s completion of forty (40) hours of work is to be paid at the rate of the work performed.

I. Pay for work performed prior to an Employee’s completion of forty (40) hours of work during the regular shift is at the higher rate assigned to the category of work that the Employee is performing.

J. If an Employee is assigned to work in two (2) different job categories (e.g., bus driver and grounds work), and the Employee’s regularly assigned job duties for the first shift terminate prior to the time that the Employee is scheduled to perform the other job assignment, then that Employee will not be paid for the non-work time between each job.

ARTICLE 18 **FRINGE BENEFITS**
