**ARTICLE I
RECOGNITION**

The Board hereby recognizes the Association as the sole and exclusive bargaining representative for all full time and regular part-time certificated teaching personnel employed by the Board. Such representation shall cover all personnel assigned to newly created professional positions unless the parties agree in advance that such positions are principally supervisory and administrative. Such representation shall exclude superintendent, assistant superintendents, directors of school and community relations, principals, assistant principals, business manager, and any other person engaged fifty percent of the time in the direct administration and supervision of professional personnel. The term "Teacher" when used hereinafter in the Agreement shall refer to all certificated teaching personnel represented by the Association in the bargaining or negotiating unit as above defined, and reference to male teachers shall include female teachers. The term "Board" shall include its officers and members and/or its agents.

The Board agrees not to negotiate with or recognize any teachers' organization other than the Association for the duration of the Agreement.

**ARTICLE II
ASSOCIATION AND TEACHER RIGHTS**

- A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every professional employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection.

As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitution of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

- B. Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under the Michigan General School Laws or

other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those founded in law or on contracts, individual and collective.

- C. Teachers and their Association representatives shall have the right to use school buildings at all reasonable hours for meetings, provided that this shall not interfere with or interrupt normal school operations. When special custodial service is required, the Board may make a reasonable charge therefore. No charge shall be made for use of school rooms before the commencement of the school day or after 6 p.m.
- D. Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations. Taking a teacher away from his assigned duty station is considered interrupting normal school operation.
- E. Teachers shall have the right to use school facilities and equipment for Association business to include the use of computers, printers, email, fax machine, telephone and all type of audio-visual equipment at reasonable times, when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials and supplies incidental to such use, and said equipment shall be used on the school premises.
- F. The Association shall have the right to post notices of activities and matters of Association concern on teacher bulletin boards, at least one of which shall be provided in each school building. The Association may use the inter-school mail service and teacher mail boxes for communications to teachers, provided they are signed by an Association representative.
- G. The Board agrees to make available to the Association in response to reasonable requests all available information concerning the financial resources of the district, including but not limited to annual financial reports and audits, register of certificated personnel, tentative budgetary requirements and allocations (including country allocation board budgets) agendas and minutes of all Board meetings, treasurer's reports,

student enrollment data, names and addresses of all teachers, salaries paid thereto and educational background and such other information as will assist the Association in developing intelligent accurate, informed and constructive programs on behalf of the teachers and their students together with information which may be necessary for the Association to process any grievance or complaint.

- H. The private and personal life of a teacher is within the appropriate concern of the Board inasmuch as it can seriously affect the professional rights, duties, and responsibilities of the teachers. In the event that the Board feels that the private and/or personal life of a teacher is in fact affecting the professional rights, duties, and responsibilities of the teacher, the Board may discuss with the teacher and/or a designated representative of the Association at the option of teacher the subject of its concern.
- I. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status. Membership in the Association shall not be denied to any teacher because of race, creed, religion, color, sex, marital status, age, or national origin.
- J. The rights granted herein to the Association shall not be granted or extended to any competing teacher organization.
- K. The Board shall place on the agenda of each regular Board meeting as an item for consideration under "New Business" any matters brought to its consideration by the Association so long as those matters are made known to the Superintendent's office five days prior to said regular meeting.

ARTICLE III BOARD'S RIGHTS

The employer, on its own behalf and on behalf of the electors of the School District hereby retains and reserves unto itself, without limitation, all powers, rights, authorities, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and the United States, including, but without limiting the generality of the foregoing, the right:

- A. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees;

- B. To hire all employees, and subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion; and to promote and transfer all such employees;
- C. To establish grades and courses of instruction including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board;
- D. To decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature;
- E. To determine class schedules, the hours of instruction, and the duties, responsibilities, and assignments of teachers and other employees with respect thereto, and non-teaching activities, and the terms and condition of employment.
- F. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the employer, the adoption of policies, rules, regulations and practices in furtherance thereof and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms hereof and in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.
- G. The Board shall have the right in its discretion to require a teacher to submit to a physical or mental examination at Board expense by a licensed physician approved by the Board.

<p>ARTICLE IV PROFESSIONAL DUES AND PAYROLL DEDUCTION</p>

Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance for annuities, credit union, or any other plans or programs jointly approved by the Association and the Board. The Board will deduct Association dues or service fees from employee paychecks on behalf of the Association, as permissible by law.

ARTICLE V TEACHING HOURS AND CLASS LOAD
--

- A. Teachers shall be required to report for duty fifteen (15) minutes before the opening of the pupils' regular school day in the morning. Teachers shall be permitted to leave fifteen (15) minutes after close of the pupils' regular school day. Teachers are encouraged to remain for a sufficient period after the close of the pupils' school day to attend to those matters which properly require attention at that time, including consultations with parents when scheduled directly with the teacher or with the Principal after consultation with the teacher. On Fridays or on days preceding holidays or vacations, the teacher's day shall end immediately following bus departure.

- B. The normal weekly teacher's work load in the junior and senior high (grades 7-12) school will be thirty (30) teaching periods and five (5) unassigned preparation periods or not to exceed six hours of pupil contact per day. Assignment to a regularly scheduled supervised study period shall be considered a teaching period for purposes of this Article. The normal weekly teaching load in the elementary schools will not exceed thirty (30) hours of pupil contact per week. Every reasonable effort will be made by the building principal to assign the inexperienced teacher the class with the lowest number of pupils at the elementary level, and fewest possible preparations at the high school level.

Elementary planning time will be comprised weekly of five (5) unassigned, fifty (50) consecutive minutes planning periods.

- C. Each teacher shall be required to attend Parent-Teacher Conferences and the back-to-school open house.

- D. At the secondary level, every teacher shall be responsible for one (1) major assignment and one minor assignment without extra pay. Major and minor assignments will be the responsibility of the building principal with the approval of the Superintendent. The existing minor assignments shall be on a voluntary or yearly rotation basis.

The major assignment is the teaching assignment. School clubs, supervision at school events, and hall duty shall be considered minor assignments. Coaching, school play advisors, class advisors, yearbook advisor, student council advisor, National Honor Society advisor, and Band Director are considered major extra-duty assignments and shall be paid in accordance with Appendix B and Appendix C.

It is understood that minor assignments are to be assigned during the regular school day only and shall not infringe on the guaranteed planning time.

- E. All teachers shall have a duty-free, uninterrupted lunch period of twenty-five (25) minutes, except in emergency situations of short duration.
- F. It is understood that the administration is allowed to schedule not more than one (1) monthly staff meeting, with a duration of not more than one (1) hour (3-4 p.m.).

ARTICLE VI SPECIAL STUDENT PROGRAMS
--

- A. The parties recognize that children having special physical, mental and emotional problems may require specialized classroom experiences and that their presence in regular classrooms may interfere with the normal instructional program and place extraordinary and unfair demands upon the teacher. Teachers may request transfer of children who have such problems and shall present arguments for such request to the Professional Study Committee, who can make a recommendation to the Board. Special attention will be given to reducing class size where special students are placed in a regular classroom.
- B. The parties, to assist the teacher, will cooperate to increase the psychological testing program, to add school psychologists to the schools of the district, to employ visiting teachers, and to correlate their activities so as better to meet the needs of special students in the community insofar as funds are available.

ARTICLE VII TEACHING CONDITIONS
--

- A. Class Size: Because the Board has the statutory duty to educate all children within the boundaries of the School District and because the student-teacher ratio is an important aspect of an educational program and because the number of students a teacher is required to instruct has a direct bearing upon the amount of work required and the effectiveness of the individual teacher, the parties agree that the size of the individual classes shall be given careful consideration and any inequities adjusted upon the request of the teacher if economically and educationally feasible and desirable. A desirable ratio of pupils to classroom teacher is 25:1.

- B. At the elementary level where a “split” or “combination grade” is unavoidable, teachers and building principals shall cooperatively distribute the children by grades unless otherwise agreed by both parties.
- C. In those classes which involve the integration of CI, SLD, and EI, special education students into the regular classroom, an effort will be made to provide a favorable pupil/teacher ratio. Modification in class size, scheduling and curriculum design may be made to accommodate the shifting demands that mainstreaming may create.
- D. To promote the equitable distribution of responsibility for mainstreamed pupils among teachers, when more than one classroom placement may be available to accommodate the pupil’s schedule, a pupil who has been certified through the IEP (or current term) as, CI, SLD, or EI will be placed in the appropriate classroom, as defined by the IEP Team, which is best able to consider the severity of the individual handicap and/or needs of the student.

CI – Cognitively Impaired
SLD – Specific Learning Disabled
EI – Emotionally Impaired

- E. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The parties and/or their assigned members will confer from time to time for the purpose of improving this selection, with the attempt to implement these as the funds are available.
- F. The Board shall make available in each school a restroom and lavatory facilities for teachers, and at least one (1) room which shall be reserved for the use as a faculty lounge.
- G. Each teacher shall maintain with the office of the Superintendent of School and the building principal the current correct address and phone number which may be used to contact them in emergency matters while they are in the employment of the School District.
- H. Every teacher employed by the Board must have a valid teaching certificate, or permit. This certificate must be filed with the Superintendent. Failure to file the certificate or loss of certification may result in loss of employment.

- I. All teachers are covered by Michigan Worker’s Compensation law. Accidents and injuries are to be reported to the employee’s supervisor immediately. Employer liability shall be in accordance with the law.
- J. To relieve teachers of as many non-teaching duties as possible, the Board agrees to engage as many aides as possible. This will specifically and definitely include supervision of recess, and lunch. Further, in case of the absence of any aide, a substitute will be provided to fulfill said duties.
- K. The Board will provided texts which are reasonably requested by teachers to the extent finances are available.
- L. The Board will make reasonable effort to provide within the financial limits of the District the following:
 - 1. A separate desk for each teacher in the District.
 - 2. Suitable closet space for each teacher to store coats, overshoes and personal articles.
 - 3. Adequate chalkboard space in every classroom.
 - 4. Copies, exclusively for each teacher’s use, of all texts used in each of the courses he is to teach.
 - 5. Adequate storage space in each classroom for instructional materials.
 - 6. Adequate attendance books, paper, pencils, pens, chalk, erasers, and other such material required in daily in daily teaching responsibility.
 - 7. A telephone shall be made available to teachers for their personal use. All other calls, other than local, shall be charged to the teacher’s personal phone.

ARTICLE VIII PROFESSIONAL QUALIFICATIONS AND ASSIGNMENTS

- A. The Board and the Association, in recognition of the desirability of multiethnic representation on the teaching faculty, hereby declare a policy of non-discrimination in hiring.

- B. The Board agrees that it shall not discriminate against any teacher on the basis of race, color, creed, national origin, sex, marital status, or membership in or lack of membership, or participation in the activities of the Association or any other teacher organization, nor to discriminate against a teacher because of his institution of a grievance, complaint or preceding under this agreement.
- C. The Association agrees that it shall admit all teachers to its membership without discrimination by reason of race, creed, color, national origin, sex, or marital status, and to represent equally all teachers without regard to membership or lack of membership or participation in or association with the activities of any other teacher organization.
- D. Any assignments in addition to the normal teaching schedule during the regular school year, including adult education courses, driver education, extra duties as enumerated in Appendix B, and summer school courses, shall not be obligatory but shall be with the consent of the teacher. Preference in making such assignments will be given to tenure teachers regularly employed in the district.

<p>ARTICLE IX VACANCIES, PROMOTIONS, AND TRANSFERS</p>
--

- A. Whenever any permanent vacancy in a teaching or supervisory position in the District shall occur, the Board shall publicize the same by giving written notice of such vacancy to president of the Association and provide for appropriate posting on the bulletin boards in the teachers' lounges. The vacancy will remain posted for a period of five (5) days and will not be permanently filled until the expiration thereof.
- B. Any teacher possessing the qualifications to apply for such vacancy may make application to the Superintendent's office within this five (5) day period. The Board agrees to give consideration to professional background and attainments of all applicants, length of service in the District, building, class level, area of specialization, and other relevant factors.
- C. Posting of notices of vacancies mentioned in this Article shall continue through the summer months by notifying the TEA President via email, and the vacancy shall appear in the IDEA paper one time.

Upon return from such leave, a teacher shall be placed at the same position of the salary schedule as he would have been had he taught in the District during such period.

- D. A leave of up to one year for the purpose of child care of an infant or severely ill older child or an adopted child shall be granted a teacher upon written request. Said teacher shall submit the written request at least six (6) weeks before the anticipated date of the commencement of the leave except in an emergency caused by an unexpected severe illness of a child.
- E. In the written request, the teacher shall specify whether the leave is desired for one or two semesters. If unforeseen circumstances should cause the teacher to request to return prior to the originally requested date, the Board may approve early return depending upon the arrangements that have been made with the teacher's replacement.

- B. Board agrees at all times to maintain an adequate list of substitute teachers. Teachers shall be informed of a telephone number they may call before 6:00 a.m. to report unavailability for work. - A. The Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board inasmuch as possible will take reasonable steps to relieve the teacher of responsibilities with respect to such pupil.
- B. It is recognized that discipline problems are less likely to occur in classes where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be dealt with by encouragement, praise and emphasis upon the child's desirable characteristics. A teacher may use such force as is necessary to protect himself from attack or to prevent injury to another student.
- C. A teacher may exclude a pupil from class when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as

promptly as his teaching obligations will allow, full particulars of the incident in writing. Continued suspension from class or school is under the jurisdiction of the Administration.

- D. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.

- F. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.
- G. Teachers will be promptly notified of complaints. If any question of breach of professional ethics is involved, the Association shall be notified.
- H. At the elementary level, an attempt to evenly distribute known problem children between the two sections of each grade will be made by the Principal in cooperation with the teachers involved.
- I. Teachers should maintain adequate discipline and control in their classroom at all time. Repeated discipline problems should be discussed with the Principal. Teachers should not be frequently sending students to the Principal for classroom problems of a general nature. Failure to fulfill these obligations could result in discipline up to and including dismissal for failure to fulfill teaching responsibilities.

After Yr. 14 \$1500
After Yr. 15 \$1500
After Yr. 20 \$1500
After Yr. 25 \$ 1500

*The above amounts shall remain part of the teacher's wages for each year of designated longevity pay and will have a compounding effect on the teacher's pay.

Teachers will receive a reimbursement of \$90.00 at the end of each school year for every unused sick day or personal day. Unused sick days and personal days will also be rolled over the following year into the teacher's sick bank. Reimbursement is for full days only. Combining half days is not permitted. This will take the place of the sick day payout at the conclusion the teacher's employment.

For 2021-2022 teachers will advance on steps (or years of longevity) and will receive a 1% on schedule wage increase.

For 2021-2022 teachers who were frozen during the 2019-2020 contract will receive one additional step (or year of longevity) to be made whole.

For 2022-2023 and 2023-2024 contract years teachers will advance on steps (or years of longevity) and will receive a 1.5% on schedule wage increase.

For 2022-2023 and 2023-2024 contract years teachers will receive a five-hundred dollar (\$500) off schedule bonus for every four (4) students above the FTE's for which the district budgeted. If the fall minimum of four (4) students is not met, and is met for the spring count, full-time Tekonsha teachers will receive an off schedule payment of two-hundred fifty dollars (\$250) in the last payroll of March of each contract year.

There is a fall limit of one-thousand dollars (\$1,000) and a spring limit of five-hundred dollars (\$500) in off schedule payments. Reaching those maximums would indicate that the district either enrolled eight (8) additional FTE's above the budgeted FTE number for the fall count or eight (8) additional FTE's for the spring count. There will only be one payment per academic year. If the district

pays the off schedule payment for four (4) students in the fall and enrolls four additional students in the spring, no further payments will be made. All teachers hired after September 1976 will be required to obtain twenty (20) term hours (or equivalent) plus BA to move laterally on the pay schedule.

Incoming teachers may be given years of experience credit at the discretion of the Board

For those two (2) teachers grandfathered in during the 2017-2018 contract negotiations the following will continue to occur:

Step 15 – Add two percent (2%) of top salary step 12 in proper column to teacher’s experience. Teacher must have recorded six (6) hours of college credit within five (5) years prior to reaching step 15.

Step 20 – Add two percent (2%) additional of top salary step 12 in proper column of teacher’s experience. Teacher must have recorded six (6) hours of college credit within five (5) years prior to reaching step 20.
