New addenda class IX for elementary music teachers for musical events.

In the event a non-bargaining unit member is hired for an extracurricular position, he/she shall be paid in accordance with this section.

Section 3: The Board of Education shall pay the contribution to the Michigan Public School Employee Retirement System that it is obligated to pay by law.

Section 4: Teachers may elect one of two pay options for their salary distribution (Section 1 above).  
Option #1 - 26 equal pay periods every two (2) weeks (12 months).  
Option #2 - 22 equal pay periods every two (2) weeks (10 months).

Extra-curricular remuneration from Section 2 of this Article shall be paid on one of two options.

Option #1 - Lump sum upon completion of the activity.

Option #2 - Year long activities may be divided equally among the 22 or 26 pays of this contract.

No lump sum or final payment shall be made after completion of the activity without approval from the responsible administrator.

Section 5: The Board of Education will recognize the obtainment of a Master's Degree when obtained after the start of the contract term. This recognition will be remunerated with the start of the semester following the awarded degree.

Section 6: Credit on the Edwardsburg schedule may be allowed to those presenting satisfactory prior teaching and/or military experience.

- (a) Teaching Service - full credit for each year or major portion thereof of teaching experience in other schools may be granted.
- (b) Military Service - full credit for each year or major portion thereof in the armed forces will be granted to a maximum of two (2) years upon returning to teaching.

Section 7: The hours spent on extra-curricular activities for which pay is received shall be in addition to the thirty-six (36) hours, thirty-five (35) minutes per week reflected in Article III.

Section 8: Additional teaching assignments and total additional pay above the hours specified in Article III (1-a) and (1-b) shall be agreed to in advance, in writing with the Superintendent. The teacher shall be paid 1/6th of his/her salary on step.

Section 9: The Board shall take the steps needed in order to enable teachers to participate in the Michigan Public School Employees Retirement System (MPERS) tax deferred retirement service purchase and repayment program, providing doing so does not result in cost or expense to the Board or the Edwardsburg Public Schools. Participating teachers shall be responsible for all costs and expenses related to participation in the MPERS program.

## ARTICLE X – 2022 – 2024 INSURANCE

The insurance listed below shall be maintained during the term of this 2022 – 2024 Agreement. During the 2022 – 2024 school years if the District experiences a Six and One Half Percent (6.5%) or greater projected increase in insurance costs, any portion of the increase above Six and One Half Percent (6.5%) shall be split equally between the Parties (each Party paying 50% of the increased amount above the first 6.5% increase).

- A. To the extent allowable by law or regulation, upon proper application and acceptance for enrollment by the appropriate insurance underwriter, and/or carrier, the Board shall make payments for health insurance coverage (medical benefit plan coverage) for all eligible Employees (those not taking cash-in-lieu or the Alternative Plan, and who otherwise meet the other requirements listed in this Article) and their eligible dependents toward the chosen insurance plan (the "Base Plan") in a combined monthly amount not to exceed Eighty Percent (80%) of the Base Plan premium, paid per eligible Employee.

For the 2022 - 2024 school years, the Base Plan shall be MESSA ABC 1

Additionally, the Board agrees to pay Eighty Percent (80%) of health insurance related taxes up to a maximum of Twenty Percent (20%) of the total health insurance related taxes. The Board shall pay One Hundred Percent (100%) of the non-medical portion of the above plans.

The Base Plan shall conform to all requirements of the Patient Protection and Affordable Care Act (PPACA), IRS Code and Public Act 152 of 2011 (PA 152); including any requirements necessary to avoid penalties, taxes, or other liabilities for the Board; the Board is specifically authorized to make any adjustments to this Article necessary to fully comply with the PPACA, IRS Code, and PA 152, including to avoid any penalties, taxes, or other liabilities chargeable to the Board.

- B. For those eligible teachers choosing to forego health insurance and instead choose PAK B benefits, the Board shall pay One Hundred Percent of the non-health insurance benefits for PAK B.

- C. Any necessary amounts beyond the Board's contribution, as specified above, which are required to maintain the selected coverage(s) are the responsibility of the Employee and shall be payroll deducted or, when payroll does not cover the deduction, paid directly by the individual Employee. To the extent allowable by law or regulation, the Employee may sign an agreement authorizing that any such amounts

be payroll deducted through the Board's Section 125 Plan. If making direct payment, the Employee shall present payment directly on the 1<sup>st</sup> of each month prior to the date at which the payment becomes due. Failure of an Employee to pay their portion of the costs shall alleviate the Board of any duty to pay the Monthly Contribution. The Board shall have the right to make deduction of any amounts due from the Employee's wages, and shall be held harmless from any liability arising from the deduction.

- D. Employees who have access to another Employee's Board funded insurance or have access to other insurance which complies with the PPACA in a manner which avoids taxes, penalties, or fees attributable to the Board shall not be eligible for separate Board provided health insurance. Exceptions shall be made for employees who are less than 26 years of age and who are covered by a parent's PPACA compliant insurance, but have dependents of their own. Those individuals may take separate Board funded insurance. During open enrollment, Employees electing health care coverage will sign a statement that they are complying with this paragraph.
- E. Unless otherwise noted within this Agreement, or as required by law or regulation, Employees on unpaid leave status or who have exhausted leave allowed under this Agreement are financially responsible for the Board's portion of insurance contributions for those days, starting on the sixth unpaid day in a school year.
- F. Employees who are eligible for Board paid insurance contributions may make a written waiver of that coverage and instead elect to receive PAK B benefits and cash-in-lieu of health benefits in the amount of \$350.00 per month (less applicable taxes) in accordance with the District's Section 125 Plan. All employees as a condition to receiving cash-in-lieu must first provide documentation that they otherwise receive health insurance that meets the value and coverage requirements of the Affordable Care Act.
- G. Employees are hereby advised that they may have a right pursuant to Section 4438 of the Insurance Code of 1956, MCL 500.4438, to convert their life insurance policy, and that the Employee must make application to the life insurance carrier within 31 days of any termination of their employment status.
- H. To the extent permitted by law or regulation, and/or insurer's policies, Board-paid insurance premium contributions shall continue as long as the Employee is in a pay status, but terminate at the end of the month during which the Employee ceases to be in a pay status, except as is otherwise provided herein or by law or regulation. Employees may continue the coverage at their own expense to the extent permitted by law or regulation.
- I. The Board shall not be required to remit premiums for any insurance coverages on behalf of an Employee if enrollment or coverage is denied by the insurance underwriter, carrier, policyholder or third-party administrator.
- J. The terms of any insurance contract or policy issued by an insurance underwriter, carrier, policyholder or third-party administrator shall be controlling as to all matters concerning benefits, eligibility, coverage, termination of coverage, and other related matters. The Employee is responsible for assuring completion of all forms and documents required for his/her participation in the above-described insurance programs. Failure to complete the forms shall alleviate the Board of any requirements to fund insurance on behalf of that individual. The Board, by payment of its share of the insurance premium payments indicated above, shall be relieved from any and all liability with respect to insurance benefits. Such matters shall be excluded from the scope of the grievance procedure, except the Board's failure to remit contractual premium amounts required of it (unless the failure to remit contractual premium amounts is pursuant to Public Act 54 of 2011 or the requirements of this Article).

- K. Changes in family status shall be reported by the Employee to the Board within thirty (30) days of such change. The Employee shall be responsible for any overpayment of premium made by the Board on his/her behalf for failure to comply with this paragraph, and the Board is specifically authorized to deduct any such amounts from future wages.
- L. Unless otherwise delineated by law or regulation or the terms of the policy then in effect, eligible Employees shall receive insurance as of the 1<sup>st</sup> day of the 1<sup>st</sup> full month following their employment. Those employees opting to take cash-in-lieu shall not be eligible for Board paid health insurance contributions, but must participate in all other insurance products chosen by the Association if full unit participation is required by the insurance carrier. An Employee shall be eligible for Board paid insurance contributions or cash-in-lieu up to the maximum amounts allowed in this Article if the Employee is employed on a full-time basis as defined by the PPACA (currently, working an average of thirty [30] hours or more per week in the District).
- M. The Board agrees to make payment of prorated premiums for part-time teachers based upon the portion of the part-time teachers assignment to a full-time assignment (*i.e.*, half-time assignment is eligible to receive payment of one-half the amount paid by the Board for a full-time teacher for either the Base Plan, PAK B, or the Alternative Plan). Amounts in excess of Board's obligation will be deducted from the teacher's salary or paid directly to the District by the teacher if the teacher does not have wages to deduct. A maximum of 12 months coverage shall be provided each eligible teacher, beginning July 1 through June 30 of each year.
- N. The "medical benefit plan coverage year" shall run from July 1 to June 30 of each school year.

## ARTICLE XI - LEAVES OF ABSENCE

Section 1: Absences due to personal illness or other physical disability; physical disability shall be defined as a disability which prevents the teacher from performing teaching duties as certified by a qualified physician.

- (a) At the beginning of each school year all full time teachers shall receive ten (10) days sick leave credit, which can accumulate to one hundred and thirty-five (135) days. Each year's new days shall be in addition to those previously accumulated. Sick leave days shall be used for absences caused by illness, physical disability, physical examinations, medical, dental, or other health treatment which cannot reasonably be scheduled outside of the regular work day. Sick leave allowance may also be used for illness in the teacher's immediate family. Immediate family shall mean spouse, children, and parents for which the teacher has primary responsibility.
  - (1) Each teacher shall notify the administration of the intended absence stating the nature of leave (illness, etc.) and where he/she can be contacted during the day. Each teacher shall give such prior notice to the scheduled on-the-job starting time.
  - (2) Each teacher may be required by the administration to give his/her immediate superior a written, signed statement indicating the reasons for such absence when reporting to work on the first working day following his/her absence. Failure to comply with this provision can result in the withholding of pay for such leave days.
  - (3) The Board of Education reserves the right to require a doctor's certificate or other evidence of illness for any absence extending beyond two (2) days in any school year.
  - (4) Accumulated sick leave time shall terminate upon severance or permanent suspension of employment.
- (b) A new employee must actually report for duty on or after the date stipulated on the contract in order to be eligible for sick leave credit. Those reporting after the first day of school shall have their sick leave credit pro-rated at a rate of 1 day per month or partial month worked during the school year.
- (c) In case of injury to an employee while working for the Board of Education which would be covered under Worker's Compensation, the employee will receive the difference between Worker's Compensation allowed and his/her full salary but not in excess of the amount of salary in his/her sick leave credit.
- (d) A teacher must have lesson plans available for a substitute in order to qualify for sick leave.

Section 2: Policy for absences other than personal illness for which a teacher would be paid:

- (a) A total of three (3) days will be allowed for each death in the immediate family. The immediate family will include spouse, child, foster child, parent, sibling, grandparents and grandchildren of the employee or the employee's spouse. Additional days may be allowed upon request to the Superintendent and with his approval.
- (b) One (1) day will be allowed when requested for each death of relatives outside the immediate family and for friends. Additional day(s) may be allowed upon request to the Superintendent and with his approval.

- (c) Absences to attend conventions and other educational meetings may be permitted without salary deduction provided they are approved by the Superintendent prior to the meeting.
- (d) Personal Business Leaves - The parties agree there may be personal conditions or circumstances, which may require teacher absenteeism for other reasons than heretofore mentioned. The Board agrees that such leave may be used under the following conditions:
  - (1) Teachers desiring to use such leave shall submit their request on the application form (provided by the Board) at least five (5) days in advance of the anticipated absence for approval by the Superintendent or his designated representative. This form must be filed with the principal or immediate supervisor.
  - (2) It is understood that such leave shall not be granted for the first or last day of the school year nor on the first working day immediately preceding or following a vacation period or holiday.
  - (3) Maximum length of such leave shall not exceed two (2) days per school year.
  - (4) It is agreed that there shall not be more than 10% of the staff at any one building on such leave on any given day, except in case of emergency. In the case of emergency approval, the teacher must give the reason for the absence to the Superintendent. In this case, the decision of the Superintendent shall be final and not subject to the grievance procedure.
  - (5) Personal business leave days shall be used for conducting personal business, which cannot be conducted at times other than during normal work hours.
  - (6) Personal business days shall not be used by Association officers and other members of the bargaining unit for the purpose of attending Association conferences, workshops, or professional development academies.
  - (7) Unused personal business days shall be added to the teacher's unused accumulated sick leave.
- (e) One (1) day for a ceremony or function in which the teacher receives a degree or honor.
- (f) Teachers may be absent for jury duty. The Board will pay an amount equal to the difference between the teacher's daily salary and the jury duty fee paid by the Court (not including travel allowances or reimbursement of expenses) for each day on which the teacher reports or performs jury duty and on which he otherwise would have been scheduled to work.

A teacher will be paid if the teacher is required to be absent because the teacher is subpoenaed to testify as a witness or to be deposed in a matter related to the performance of their official duties. This provision shall not apply where the school district or Board of Education is a party to the lawsuit and the teacher is subpoenaed or deposed by the party opposing the school district or Board of Education, or the teacher is a plaintiff or defendant in a lawsuit unrelated to their official duties. In this situation, the teacher must request a leave of absence without pay or must use a personal day if one is available.

- (g) The Association, with at least five (5) days' notice to the Superintendent shall be allowed fourteen

(14) days per year to be used by the Association officers and other members of the bargaining unit for the purpose of attending Association conferences, workshops or professional development academies provided that no teacher shall use more than four (4) days except with the approval of the Superintendent. Such days shall not accumulate. The Association shall assume the cost of the substitute and for the cost of the employee's retirement for the time of the Association leave in accordance with Public Act 197 of 1982, as amended.

- (h) A teacher may use a maximum of ten (10) days of the sick leave credit provided by Section 1 (a) of this article for serious illness, injury or hospitalization of a member of the teacher's family which necessitates the teacher's presence to care for the family member. Upon the request of a teacher, the Superintendent of Schools shall have the discretion to allow a teacher to use additional accumulated sick leave for serious illness, injury or hospitalization of a member of the teacher's family, which necessitates the teacher's presence to care for the family member. If the Superintendent allows additional accumulated sick leave to be used, that shall not create a precedent for future requests. The Superintendent's refusal to grant a request to use more than the maximum of ten (10) days accumulated sick leave shall not create a precedent for future requests. The Superintendent's refusal to grant a request to use more than the maximum of ten (10) days accumulated sick leave shall not be subject to the grievance procedure.

Section 3: Unpaid Leaves of Absences:

- (a) The Board may grant a leave of absence upon written request of a teacher for a period not to exceed one (1) year subject to renewal at the will of the Board. The following conditions shall apply to all extended leaves of absence:
- (1) Eligibility shall be based on a minimum of two (2) years of continuous service in the district.
  - (2) Salary and benefits shall not accrue during any unpaid leave of absence. Sick leave days shall not accrue, but unused sick leave held at the start of the leave shall be reinstated.
  - (3) Written notice to either return or resign shall be given to the Superintendent of Schools by March 15, of the year in which the leave expires. Failure to comply with this provision shall conclusively be deemed a resignation by the teacher and is not subject to the grievance procedure.
  - (4) All leaves of absences shall have a termination date of June 30.
- (b) Upon written application, a leave of absence without pay for up to one (1) year may be granted for study related to the teacher's licensed field.
- (c) Upon written request, a teacher shall be granted a child care leave not to exceed one (1) year provided the request is received at least three (3) months prior to the expected date of birth.
- (d) Upon written request, a teacher may be granted one (1) year leave without pay before the beginning or at the conclusion of a school year to serve in a public office.
- (e) Upon written request, any teacher whose personal illness extends beyond the accumulated sick leave days shall be granted a leave of absence without pay not to exceed the period ending one (1) year

from the date the teacher exhausted sick leave. Before the teacher returns from such leave, the Board may require a certificate of good physical and mental health from a properly licensed doctor.

- (f) Upon written request, a leave of absence without pay not to exceed one (1) year may be granted for the purpose of caring for a sick member of the teacher's immediate family.
- (g) FMLA leave shall be administered in accordance with the FMLA and applicable regulations. This contract shall not be construed as limiting the rights of the Board and teachers under the FMLA.
- (h) A teacher who has been employed by the Board for at least five (5) years may request an unpaid leave of absence to attend or participate in unique life changing events and activities, scheduled beyond the control of the employee. Leaves of absence for such unique events and activities shall not be available more frequently than once every five (5) years. Such leaves shall be without pay; however, a teacher may use available personal days, even if immediately preceding or following a vacation period or holiday. The teacher shall pay through payroll deduction the per diem cost of insurance benefits while on unpaid leave if the leave exceeds five (5) work days.
- (i) A Deduct Day is an unpaid absence, not covered by normal authorized unpaid time-off (e.g. contractually authorized leaves of absence, FMLA leave, ADA Leave, etc.). A teacher may request a Deduct Day from the Superintendent if they are out of paid leave days. The Superintendent's decision shall be final and shall not be subject to grievance or other causes of action.

Section 4: Administration of Sick Leave Provisions:

- (a) At the beginning of each year, a report shall be made to each eligible teacher indicating the amount of sick leave credit remaining.
- (b) Holidays, vacations or other days when teachers are paid but not required to report for work shall not be considered deductible from the employee's sick leave credit accumulation.
- (c) The questions of employing a substitute or replacement for an absent employee has no relation to deductions made under this policy.
- (d) No payment under the sick leave policy shall be made beyond the date of resignation, death or retirement of an employee.
- (e) The daily deductions from the salary made under this policy shall be made by dividing the base salary by the number of work days indicated on the teacher's contract.
- (f) The teachers will be notified immediately of any deductions in pay because of absence and will be given the reason for such deductions. Teachers may choose which pay period either their next succeeding or final pay period from which such pay will be deducted.
- (g) Sick leave will be charged in not less than One Half (1/2) day increments.

The following attendance bonus will be paid to teachers whose absences for the school year equal:

|              |          |
|--------------|----------|
| 0 days       | \$600.00 |
| .5 - 1 day   | \$500.00 |
| 1.5 – 2 days | \$400.00 |

For purposes of the incentive, days refer to any day for which the teacher's absence is for a reason that his or her accumulated personal illness/disability leave days or personal days were charged. For purpose of this section, an absence of less than a full school day will be rounded up or down to the nearest half or full day. Attendance incentive pay to be paid on or before June 30<sup>th</sup> of the applicable year.

Section 5: Retirement Severance

- (a) A teacher who has at least twenty (20) years of service in the bargaining unit and who retires under the Michigan Public School Employees' Retirement System shall receive upon retirement pay at the rate of \$30.00 per day for all accumulated sick leave in excess of 60 days.
- (b) This benefit shall not be available for a teacher who retires under threat of discharge for just cause.

**ARTICLE XII - APPLICATION PROCEDURE FOR IN-SERVICE OR CONFERENCE  
ATTENDANCE**

Section 1: In-Service Meetings:

- (a) The Association may submit requests for courses, workshops and programs designed to improve the quality of instruction to the Superintendent who will present the requests along with his recommendation to the Board of Education.
- (b) The Association agrees to submit the following information with each request:
  - (1) Rationale for such a meeting or course;
  - (2) Extent staff members were involved in arriving at this request;
  - (3) The number of teachers who would participate;
  - (4) Estimated cost of project;
  - (5) The facilities needed;
  - (6) Time when this project would take place.
- (c) No additional compensation will be granted to teachers attending in-service meetings. Failure of the Board to approve a request would not be subject to grievance.

Section 2: Professional conferences and clinics:

- (a) Teachers may submit requests for attendance at conferences and clinics related to their teaching assignment or other duties to the building principal who will present the requests along with a recommendation to the Superintendent for his written approval or disapproval.
- (b) If approved for conference attendance, teachers shall be reimbursed for their expense according to Board of Education policy in effect at the time and subject to approval of the Superintendent. Such expenses shall include but not be limited to food, lodging, travel and any fees connected with the conference or clinic. Teachers agree to submit proper bills and other evidence as required to support their claim.
- (c) The decision of the Superintendent as to what expenses are appropriate and who attends such meeting is final and will not be subject to grievance under the terms of this Agreement.
- (d) Upon return from the conference, the teacher shall submit a written report to his/her building principal. The report shall review and evaluate the conference content and comment on any benefits to the school district resulting from the conference attendance.
- (e) Teachers approved for conference attendance in Section 2(a) above shall be granted sufficient leave time without loss of pay.

## ARTICLE XIII - DEDUCTIONS

Section 1: To the extent allowed by law, for those employees who voluntarily execute payroll deduction authorizations, the Board agrees to deduct voluntary contributions monthly. Pursuant to such authorization, the Board shall deduct one-tenth of such contributions from the regular pay of the teacher each month for ten (10) months, beginning in September and ending in June of each year. The initial deduction of contribution request must be delivered to the office of the Superintendent at least seven (7) days prior to the payday in which the deduction will be made.

Section 2: Upon appropriate written authorization from the employee, the employer shall deduct from the salary of any employee and make appropriate remittance for MEA-HSA's, tax deferred annuities, United Federal Credit Union, or any other plans or programs jointly approved by the Association and employer, and insurance programs not paid or fully paid by the employer.

- (a) Any program for deductions must have a minimum of five (5) participants to be established or remain in effect.
- (b) Any initial deduction or change in deduction must be delivered to the payroll office seven (7) days prior to the affected payday.
- (c) The employer shall be held harmless against any and all claims or demands of such payroll deductions.

## ARTICLE XIV -- CLASS SIZE

The Board will strive to meet State Department of Education incentives regarding class size.

The principal will consider student behavior when determining student assignments.

The Superintendent will meet with a representative of each building four (4) times a year to discuss district plans and E.E.A. concerns including class size. A list of concerns will be provided the Superintendent one (1) week in advance of each meeting.

In determining the assignments of students with disabilities, the administration will consider factors such as the number of students assigned to each class, the number of classes being taught by the teacher, the nature of the disabilities and the number of mainstreamed students in the class.

Changes in education and teaching strategies make it difficult to specify class size and loads. Individualization, team teaching and multi-level classrooms are a few situations in which class groupings are flexible and vary greatly. Class loads will be kept within reasonable limits, considering all relevant factors such as facilities and finances. It is recognized that it is more likely that class size could exceed desired levels at the beginning of each school year. Within fifteen (15) days after the first student day, the contract review committee can request a meeting with the Superintendent of Schools to discuss a possible remedy(ies) to specific classroom(s) experiencing an excessive number of students.

## ARTICLE XV - PROTECTION OF BARGAINING UNIT WORK

Except where prohibited by the Public Employment Relations Act, the parties shall negotiate as to the effect of any outsourcing of educational programs where a reduction of teaching staff is a consequence of such outsourcing. "Effects" as set forth in this Article shall include severance pay.

## ARTICLE XVI - GENERAL

Section 1: If, during the life of this Agreement, any of the provisions contained herein are held to be invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any provision should be restrained by such tribunal pending a final determination as to its validity, the remainder of this agreement shall not be affected thereby. In the event any provision herein contained is so rendered invalid upon written request by either party hereto, the Board and the Association shall enter into collective bargaining for the purpose of negotiating a mutually satisfactory replacement for such provision.

Section 2: This agreement shall supersede any rules, regulations or practices of the Board, which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contract heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.

Section 3: The parties acknowledge that during the negotiations, which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining. Therefore, the Board and the Association, for the life of this agreement each voluntarily waives the right to bargain collectively with respect to any subject or matter referred to, or covered in this agreement, or with respect to any subject or matter not specifically referred to or covered in this agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this agreement. However, by mutual agreement between the parties, negotiations may be reopened for the purpose of dealing with an issue not otherwise covered by this Agreement.

Section 4: Bargaining unit members may provide internal coverage for another member only upon explicit written authorization of the building principal, and then only in emergency or extenuating circumstances. Internal coverage shall not be allowed in situations where the teacher will be absent for Fifty (50) minutes or longer. The intent is that internal coverage shall not be used for regularly scheduled appointments such as doctor appointments, dental appointments, etc., or to be substituted for other types of leave provided under this Agreement.

Section 5: This constitutes the full and complete agreement between the parties. It cannot be extended orally.

## ARTICLE XVII - LEAST RESTRICTIVE ENVIRONMENT

### Section 1: Least Restrictive Environment/Medically Fragile Students.

- (a) In order to assist students with disabilities in making a successful transition from placement in special education classes to both the regular and special education classes pursuant to placement recommendations made by the Individualized Educational Planning Committee (IEPC), the following guidelines will be followed:
- (1) The building administrator will attempt to place an eligible student in the smallest available and appropriate regular education class. Each of the teachers into whose classrooms a student has been placed shall be invited to serve on the IEPC for that student.
  - (2) When requested by the regular classroom teacher in whose class(es) an eligible student is placed, special training or consultant assistance relevant to the student's needs will be arranged for by the administration.
  - (3) The responsible administrator shall make time available, as needed, for the regular classroom teacher to consult with special education staff primarily responsible for the special needs student; provided, however, that no teacher shall be required to perform suctioning, catheterization, or diapering of a student.
  - (4) Teachers agree to perform lifesaving responsibilities when necessary.

## ARTICLE XVIII - SCHOOL IMPROVEMENT

### Section 1: School Improvement

- (a) Pursuant to Public Act 25 of 1990, the parties have established a school improvement committee in order to adopt and implement school improvement plans. "SIP" as used in this Agreement shall mean a School Improvement Plan.
- (b) The SIP committee shall meet on a regular basis and shall be empowered to make recommendations to the Superintendent.
- (c) The conditions, which follow, shall govern employee participation in the SIP committee;
  - (1) Participation by the employee is voluntary.
  - (2) If SIP meetings or activities are scheduled during an employee's regular work day, an employee shall be released from duties without loss of pay or benefits to attend such meetings or activities.
  - (3) If SIP meetings or activities are scheduled outside the employee's regular work day or work year, participation shall be voluntary.
- (d) In the event any provision of a SIP or application thereof violates, contradicts, or is inconsistent with the Collective Bargaining Agreement, the Collective Bargaining Agreement shall prevail.

## ARTICLE XIX - PART TIME EMPLOYMENT

Section 1: A teacher may request a transfer from a full-time teaching position to a part-time teaching position. Such requests should be submitted to the teacher's building principal and the Superintendent of Schools.

Section 2: If a teacher's request to transfer from a full-time teaching position to a part-time teaching position is granted, the teacher's salary and benefits will be pro-rated to appropriately reflect the teacher's part-time status. The teacher shall be eligible to receive the insurance benefits specified in Article XII, Section 1 of this Agreement provided, however, that the Board will only pay a pro-rata portion of the insurance premium and the teacher shall be obligated to pay a pro-rata portion of the insurance premium to reflect the employee's part-time status (e.g., if employee is half-time, the Board shall pay one-half the premium and the teacher shall pay one-half the premium).

Section 3: As a part-time teacher, the teacher shall attend parent-teacher conferences for his/her students and will attend the in-service/work days as deemed appropriate for part-time employees.

Section 4: Association agrees that it will not support or pursue any grievance, which may be filed by or on behalf of a teacher who claims he/she has been adversely affected by the implementation of Section 4 of this Article.
