3. The term “days” when used in this section shall, except where otherwise indicated, mean working school days.
4. The term “employee” may include any individual employee, or group of employees who are certified and/or who are members of the bargaining unit.

### **B. Purpose**

The primary purpose of the Procedure set forth in this section is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at any level of such procedure. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration.

### **C. Structure**

1. There shall be one or more Association Representatives for each school building to be selected in a manner determined by the Association. The Association will notify in writing each September the names of its grievance committee.
2. The building principal, or a person designated by the Board, shall be the administrative representative when the particular grievance arises in the building.
3. The Board hereby designates as its representative the Superintendent of Schools when the grievance arises in more than one building.

### **D. Grievance Procedure**

#### **Level One:**

In the event that an employee believes there is a basis for a grievance, the employee shall first discuss the alleged grievance with his/her supervisor either personally or accompanied by his/her Association representative. The grievance must be filed within fifteen (15) work days of the violation, misinterpretation or misapplication, or within fifteen (15) work days of the discovery thereof.

If as a result of the informal discussion with the building supervisor, a grievance still exists, the employee may invoke the formal grievance procedure through the Association on a form provided by the Association representative in each building. A copy of the grievance form shall be delivered to the supervisor. If the grievance involves more than one school building, it may be filed with the superintendent or a representative designated by him/her.

Level Two:

Within five (5) work days of receipt of the written grievance, the supervisor shall meet with the Association in an effort to resolve the grievance. The supervisor shall indicate his/her disposition of the grievance in writing within five (5) work days of such meeting and shall furnish a copy thereof to the Association representative and BESP president.

Level Three:

If the Association is not satisfied with the disposition of the grievance or if no disposition has been made within five (5) work days of such meeting (or ten (10) work days from the date of filing, whichever shall be later), the grievance shall be transmitted to the superintendent. Within ten (10) work days, the superintendent or his/her designee shall meet with the Association on the grievance and shall indicate his/her disposition of the grievance in writing within five (5) work days of such meeting and shall furnish a copy thereof to the Association representative and the BESP president.

Level Four:

If the Association is not satisfied with the disposition of the grievance at Level Three, it may within twenty (20) days after the decision of the Superintendent or their designated agent refer the matter for mediation to the Michigan Employment Relations Commission, in writing, and request the appointment of a mediator to hear the grievance.

The mediator shall render their recommendations for resolving the grievance within three (3) days of the hearing date.

Level Five:

If the grievance is not resolved by the mediator or if the employee is not satisfied with the disposition of the grievance by the mediator, or if no disposition has been made within five (5) calendar days of such meeting, the grievance shall be transmitted to the Board by filing a written copy thereof with the President of the Board. The Board, no later than its next regular meeting shall meet with the employee on the grievance, review such grievance, or give such other consideration as it shall deem appropriate. Disposition of the grievance in writing by the Board shall be made no later than five (5) calendar days thereafter. A copy of such disposition shall be furnished to the employee.

Level Six:

If the decision of the Board is unsatisfactory to the Association, the Association may, within ten (10) days of receipt of the Board's Level Four answer, file for arbitration with the American Arbitration Association (AAA) and the Superintendent will be notified with a copy of the filing notice within five (5) days. Failure to notify the Superintendent or to file for arbitration within the aforementioned time limits shall deem the grievance settled and not subject to arbitration. The Association shall initiate the process of arbitration. The arbitrator shall be selected with the rules and policies of the American Arbitration Association.

The authority of the arbitrator shall be limited by the definition of a grievance as aforementioned in this Article. In making his/her decision, the arbitrator cannot modify, detract

from, add to or alter any provisions of this Agreement. The arbitrator shall be bound by the principles of law relating to the interpretation of contracts as followed by courts of competent jurisdiction.

The arbitrator shall be requested to issue his/her award within thirty (30) days after the close of the hearing. The decision of the arbitrator shall be final and binding on both parties.

Any costs and expenses for the arbitrator shall be borne equally between the Board and the Association. Witness fees, preparation costs, presentation costs and other such expenses for each individual party shall be at the expense of the respective individual parties.

During testimony before the arbitrator it is hereby understood, a reasonable number of employees shall be allowed to testify during their assigned working hours without loss of pay. If either party desires a verbatim record of the testimony and proceedings, the requesting party shall cause a record to be made, pay the cost of the record and shall be made available, at no cost, to the other party and the arbitrator.

Nothing contained herein precludes the parties from mutually agreeing to use the Expedited Arbitration process.

**E. MISCELLANEOUS**

A grievance shall be submitted in writing stating the nature of the grievance and the article and section of the agreement allegedly violated, the remedy requested and signed by the employee if a solution is not reached after an informal discussion with the principal. A grievance shall be filed on a form mutually agreed to. Attached is Appendix C.

The employee's signature shall only signify awareness of the material, not acceptance of it. The employee shall have the right to attach a statement of dissent or explanation to any such materials placed in his/her personnel file.
- H. USE OF PAST RECORD – In imposing any discipline or discharge on a current charge, the employer will not take into account any prior infractions which occurred more than two (2) years previously provided that specific conduct which warranted the discipline has not been repeated.

Upon employee request, records of disciplinary actions/interim evaluation ratings shall be removed from an employee's file twenty-four (24) months following the date on which the action was taken or the rating issued providing no new disciplinary action/interim evaluation rating has occurred during such twenty-four (24) month period.

Any employee transferred to a lower rated position during a work day shall be paid for all the hours worked on that day at the rate of pay which he/she commenced work, provided however, employees who volunteer for assignment to a position with a lower rate shall receive the lower rate of pay.

**Employees transferred and doing the job of maintenance supervisor or food supervisor will be paid at the rate of \$21 per hour.**

When employees are asked to move from one classification to another with different pay scales, the placement on the scale is a subject of negotiation. Every effort will be made by all parties that movement from one category to the other inflict as little financial hardship as possible on employees. Their current salary, work record, evaluations and any other pertinent information will be used to determine where they will be put on the new scale.

#### **ARTICLE 9 – OVERTIME**

- A. One and one-half (1.5) times the employee's rate of pay shall be paid for all time worked in excess of forty (40) hours per week. - E. Employees may be granted time off with pay rather than receiving overtime pay. All hours granted as time off with pay for hours worked in excess of forty (40) hours in a work week are to be considered as compensatory time and scheduled as one and one-half (1.5) hours for each overtime hour worked. An employee may not accrue more than forty (40) hours of compensatory time. The use of compensatory time must be arranged by mutual agreement between the employee and the supervisor. An employee who has accrued compensatory time shall upon termination of employment, be paid for the unused compensatory time at the regular rate earned by the employee at the time the employee receives such payment.

In the event of the employee's death, all benefits due the employee shall be paid to his/her designated beneficiary.

Each employee shall receive notification of his/her current number of accumulated sick leave days on their payroll check.

The Board or Administration may request an employee absent from duty on account of personal illness to present a certificate or statement from his/her physician concerning said personal illness.

Upon exhausting all accumulated sick leave days, the employee shall be placed on an unpaid leave of absence for up to one year from commencement of such unpaid leave. Extensions of said leave beyond the first year shall be at the discretion of the Board.

Exceptions may be made for extenuating circumstances at the discretion of the Superintendent. Unused personal days shall accrue as sick leave days.
- G. A bargaining unit member who is absent due to an injury which is compensable under Worker's Compensation may use his/her accumulated sick leave on a proportional basis, to supplement the benefit received from Worker's Compensation, such that the amount of expendable income the bargaining unit receives from Worker's Compensation and sick leave does not exceed the amount of expendable income the bargaining unit member would have received from his/her regular salary amount according to his/her placement on the salary schedule at the time of injury. The obligation of the Employer is only for the proportional amount necessary to supplement the maximum benefit provided to the bargaining unit member from Worker's Compensation until the bargaining unit member's accumulated sick leave is exhausted or the bargaining unit member is able to return to work, whichever happens first. Should this supplemental payment be found to be subject to the coordination requirements of Worker's Compensation, such that the amount of the Worker's Compensation benefit is reduced, the bargaining unit member shall not be allowed the use of sick leave and shall receive only the Worker's Compensation benefit provided by the Statute.
- The Board will continue to provide all fringe benefits for any bargaining unit member receiving worker's compensation benefits until the end of the school year.
