  - A. To the executive management and administrative control of the school system and its properties and facilities and the assigned school related activities of its employees.

  - D. To decide upon the means and methods of instruction, the selection of textbooks and other teaching materials and the use of teaching aids.
  - E. To determine class schedules, the hours of instruction, and the duties, responsibilities and assignments of teachers.
- 2.1 The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of

judgment and discretion in connection therewith shall be limited only by the specific and express terms hereof.

- 2.2 Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities and authority under the Michigan General School Laws or any other national, state, county, district or local laws or regulations as they pertain to education.

### **ARTICLE 3 - ASSOCIATION RIGHTS**

- 3.0 The Association shall have the right to the use of bulletin boards in faculty areas to post notices of its activities and other official matters of the Association. The Association may use the District mail service and teacher mail boxes for communications to teachers.
- 3.1 The Association shall have the right to use school equipment, designated for Clare Pioneer High School use, including any duplicating equipment, and all type of audio-visual equipment at reasonable times, when such equipment is not otherwise in use, provided that all such equipment is operated subject to procedures approved by the respective community school director or manager. The Association shall pay for the cost of all materials and supplies incidental to such use. The Association agrees to reimburse the Board for any damage to equipment, other than normal wear, entrusted to its use and care.
- 3.2 Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property, provided that this shall not interfere with, or interrupt normal school operations. All such representatives, other than those who are employees of the Clare Public Schools, shall make their presence known to the community school director, or the community school director's secretary, before entering any school building in the District.
- 3.3 The Board agrees that neither it nor any of its administrative agents shall discriminate against any teacher by reason of race, creed, color, national origin, sex, marital status, political activities or membership or participation in the activities of the Association or any other employee organization.
- 3.4 At the beginning of every school year, the Association shall be credited with three (3) days to be used by teachers who are officers or agents of the Association, such use to be at the discretion of the Association. The Association agrees to notify the Board in writing no less than five (5) days in advance of taking such leave. This leave shall not be used to support work stoppages or slow downs in this school district or in other districts.
- 3.5 Nothing contained herein shall be construed to deny or restrict to any teacher, or the Association, rights they individually or collectively have under the Michigan General School Laws or any other statutes or regulations of the state or federal government. All rights under the Michigan Teacher Tenure Act and the Michigan Public Employment Relations Act are specifically acknowledged.

## ARTICLE 4 - PROTECTION OF TEACHERS

- 4.0 The Board recognizes its responsibility to continue to give support and assistance to all teachers with respect to the maintenance of control and discipline. The Association recognizes that each teacher bears the primary responsibility for maintaining proper control and discipline in the classroom.
- 4.1 Suspension of students from school may be imposed only by the Superintendent, or community school director, or their designated representative. Teachers and administrators will endeavor to achieve correction of student misbehavior through counseling and interviews with the student and his parents when warranted. Transfer of the student to another teacher, or other measures short of suspension, may first be exhausted.
- 4.2 The Association agrees that all teachers shall observe rules respecting punishment of students as established by the Board and its agents, or required by law. The Association also recognizes that all disciplinary actions and methods invoked by teachers shall be reasonable and just and that disciplinary problems are less likely to occur when classes are well taught and where a high level of student interest is maintained.
- 4.3 A teacher may temporarily exclude a student from one class or for the day, when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the director, as promptly as his/her teaching obligation will allow, full particulars of the incident. A form shall be made available for such report. The report shall contain a section for the administrator to indicate the action taken by the administration. The director shall act as promptly as administrative action will allow in administering discipline.
- 4.4 A teacher may use such force as is necessary to protect himself from attack or to prevent injury to another student. Any assault by a student upon a teacher shall be promptly reported by the teacher to his immediate supervisor. In the event of such an assault, or if a teacher is complained against or threatened with civil court action by reason of disciplinary action taken against a student, the teacher involved may, through the Association, request assistance from the Board in such matter, including financial aid for the services of legal counsel. These requests shall be made in writing to the Superintendent of Schools, who will determine whether the conduct of the teacher involved justifies any assistance from the Board, and the extent thereof. Time lost by a teacher in connection with any incident mentioned in this Article, not compensable under Worker's Compensation, shall not be charged against the teacher unless he is adjudged guilty by a court of competent jurisdiction.
- 4.5 Teachers shall be expected to exercise reasonable care with respect to the safety of students and the property of students and the Board, but shall not be responsible for loss or damage to any such property when such loss or damage is not the fault of the teacher.
- 4.6 No teacher shall be required to administer medication prescribed for a student. No teacher shall be expected to perform routine, scheduled maintenance of an apparatus used by the student to sustain his/her body functions nor render routine scheduled care or maintenance of exceptional bodily functions (e.g. tracheotomy, diapering, use of the toilet, etc.) related to the student's

impaired condition, if the teacher has not had adequate training and if the treatment unduly interferes with the educational process.

- 4.7 No teacher shall be required to transport any students for any reason.

## **ARTICLE 5 - TEACHERS' RIGHTS**

- 5.0 Teachers shall have full rights afforded by the law of the State of Michigan and the United States.

- 5.1 Upon request, a laid off teacher shall be placed on a list of substitutes to be called for work in the District.

- 5.2 Each teacher shall have the right, upon request, to review the contents of her/his own personnel files. A representative of the Association may, at the teacher's request, accompany the teacher in this review. When material is placed in a teacher's file which may be used as a basis for a reprimand, warning, or disciplinary action, the teacher shall receive a copy of the material placed in the file prior to the placement of said material and shall have the opportunity to submit a written response, which shall be attached to the original document.

- 5.3 The personal and private life of any bargaining unit member is not within the appropriate concern or attention of the Employer except when it negatively affects the teacher's professional performance.

- 5.4 Electronic Mail

Electronic mail is a Board-owned resource. Employees who use this system must realize that electronic communications are inherently vulnerable and non-private. To ensure productivity and good morale, the Board affirms that users of these systems shall have a limited zone of privacy subject to reasonable needs of the Board in assuring the rights of individuals, ensuring lawful conduct of all employees, and protecting the school system from the threat of litigation. Steps have been and are being taken by the employer to ensure the security of this system for users.

- 5.5 E-mail shall not be used for illegal purposes. E-mail may be subject to discovery in lawsuits, and to review by outside sources.

Conference and preparation periods may be used for purposes other than conference and preparation when this is necessary in the judgment of the principal. After ten (10) periods of

substitute teaching assignments per year, the teacher shall be paid at his/her regular rate. The hourly rate shall be defined as the annual salary divided by (184\* x assigned teaching hours/day) depending on the number of classes taught in a normal Pioneer School schedule. All substitute pay shall be paid at the end of each semester.

(\* the number of days is the number of contractual teacher duty days.

- 7.2 Teachers will remain after the end of the school day for consultation with parents, staff meetings, and any other meetings called by the principals, Superintendent, or their representatives. Two (2) days notice will normally be given prior to all meetings called by the administration, except in emergency situations, no more than sixteen (16) such meetings shall be called during the school year. - 8.2 Seniority shall be lost upon resignation, retirement and/or discharge from the District.
- 8.3 A copy of the seniority list and all subsequent updates shall be provided to the Association by October 15 of each year. Errors, omissions, and/or deletions in or to the list will be noted and made as required to conform to this Agreement.

### **ARTICLE 9 - PAID LEAVE**

- 9.0 At the beginning of each school year each teacher shall be credited with ten (10) days of leave, the unused portion of which shall accumulate from year to year to one hundred forty-five days. - A. Personal Illness or Disability - The teacher may use all or any portion of his/her leave to recover from his/her own illness or disability.
- B. Illness in the Immediate Family - The teacher may use a maximum of twelve (12) days of his/her leave for illness in the immediate family if accumulated.

Sick leave credit for less than full time positions (7 hours/day, 5 days/week) will be prorated and shall be computed per the examples below. The contract provides for 70 hours of sick leave time for a full time position.

Examples:

Position (part time day, full time week): 3.5 hours/day, 5 days per week

Number of hours worked per week:  $3.5 \text{ hours} \times 5 \text{ days} = 17.5 \text{ hours/week}$

$17.5 \text{ hours divided by } 35 \text{ hours (FT work week)} = .5 \text{ FTE (full time equivalent)}$

$.5 \text{ FTE} \times 70 \text{ hours (FT)} = 35 \text{ hours}$

$35 \text{ hours divided by } 3.5 \text{ (PT work day)} = 10 \text{ sick leave days @ } 3.5 \text{ hours each}$

Position (part time day, part time week): 3.5 hours/day, 3 days per week

Number of hours worked per week:  $3.5 \times 3 \text{ days} = 10.5 \text{ hours/week}$

$10.5 \text{ hours divided by } 35 \text{ hours (FT work week)} = .3 \text{ FTE (full time equivalent)}$

$.3 \text{ FTE} \times 70 \text{ hours (FT)} = 21 \text{ hours}$

$21 \text{ hours divided by } 3.5 \text{ (PT work day)} = 6 \text{ sick leave days @ } 3.5 \text{ hours each}$

- 9.1 Death in the Family - The teacher shall be granted a maximum of an additional five (5) days per death of an immediate family member—husband, wife, children, mother, father, brother, sister, father-and mother-in-law, grandparents, brother-and sister-in-law, or someone who stands in their stead. The Board will continue premium payments for health care benefits up to twelve (12) weeks for an employee who has been granted a leave for his/her own illness, to care for a seriously ill family member or for the birth or adoption of a child pursuant to the Federal Family and Medical Leave Act. If the employee voluntarily terminates employment, the Board shall have the right to recover all premium payments made during the unpaid leave interval. These amounts may permissibly be deducted from any wage or other payments due the employee, with any deficiency to be remitted by the employee to the Board within ninety (90) days of demand.
- D. Accrued paid leave shall be used during FMLA as may be applicable by contract. The remainder of any leave time will be unpaid.
- E. The employee returning from a leave under this Act shall be returned to his/her previous or equivalent position.
