**ARTICLE I
RECOGNITION**

- A. The Board hereby recognizes the Association (DeWitt/ESPA) as the sole and exclusive bargaining representative, as defined in Section II of Act 379, PA of 1965, for all full-time and regularly employed part-time bus drivers, mechanic, dispatcher/clerk, secretaries, custodial staff, maintenance person and grounds person, cafeteria staff, Latch Key child care attendants and assistants/clerks, but excluding therefrom all substitutes, occasional employees, students, confidential employees, and supervisors such as, but not necessarily limited to, the executive secretary, business manager, district building maintenance supervisor, district grounds maintenance supervisor, cafeteria supervisor, and all others. Regularly employed part-time shall mean those employees employed by the District on a regularly scheduled assignment; excluding on-call, day-by-day substitutes or an employee employed for a specific amount of regularly scheduled time which is not more than the length of the negotiated probationary period of the bargaining unit employees.
- B. The term "employee" when used in this Agreement shall refer to all employees represented by the Association in the bargaining unit as described above.
- C. Reference to male employees shall include female employees, and reference to female employees shall include male employees.
- D. In the event a new classification is created in the District, the parties agree to discuss whether the classification should be included in the bargaining unit as defined above. If the parties cannot agree, the matter shall be referred to the Michigan Employment Relations Commission for resolution.

**ARTICLE II
CONTINUITY OF OPERATIONS**

- A. The Association agrees that its officers, representatives, and members shall not authorize, instigate, cause, aid, encourage, ratify, or condone, nor shall any employee take part in any strike, slow-down, or stoppage of work, boycott, picketing, or other interruption of activities in the school system. Any person who, by concerted action with others, and without the lawful approval of his supervisor, willfully absents himself from his position, or abstains in whole or in part from the full, faithful, and proper performance of his duties shall be deemed to be on strike. Failure or refusal on the part of any employee to comply with the provisions of this Article shall be cause for whatever disciplinary action is deemed appropriate by the Employer.

- B. The Employer agrees that it will not, during the period of this Agreement, directly or indirectly engage in or assist in any unfair labor practice as defined by the Public Employment Relations Act.

ARTICLE III MANAGEMENT RIGHTS
--

- A. It is agreed that the Board hereby retains and reserves unto itself, without limitation and without prior negotiation with the Association, all the powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitutions of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the rights to:
1. The executive management and administrative control of the DeWitt Public School District, its properties, equipment, facilities, and operations and to direct the activities and affairs of its employees;
 2. Hire all employees and subject to the provisions of the law, to determine their qualifications and the conditions of their continued employment or their dismissal or demotion and to promote, transfer and assign all such employees and to determine the size of the work force and lay off employees;
 3. Establish or revise policies and adopt reasonable rules and regulations;
 4. Continue or revise its policies and practices of assignment and direction of its personnel, determine the number of personnel, and scheduling of all the foregoing, and the right to establish, modify, or change any work or business or school hours or days, not in conflict with the specific provisions of this Agreement;
 5. Determine the services, supplies, and equipment for its operations and to determine all methods and means of distributing, disseminating and/or selling its services and the methods, schedules, and standards of operations, the means, methods, and processes of carrying on the work, including automation or contracting thereof or changes therein, and the institution of new and/or improved methods or changes therein;
 6. When necessary, to determine the ability of employees to perform satisfactorily through a physical and/or mental examination by appropriate medical personnel provided that any such examination shall be at the Employer's expense;

7. Determine the number and location or relocation of its facilities, including the establishment or relocations of new schools, buildings, departments, divisions thereof, and the relocation or closing of offices, departments, divisions or subdivisions, buildings, or other facilities;
 8. Determine the placement of operations and the source of materials and supplies;
 9. Determine the financial policies, including all accounting procedures, and all matters pertaining to public relations;
 10. Determine the size of the administrative organization, its functions, authority, amount of supervision and table of organization.
- B. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof, are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.
- C. Notwithstanding any provision of this Agreement, it is agreed that the Board has the right to take any action or make any accommodation that may be necessary to comply with the Americans With Disabilities Act (ADA) or other laws that prohibit discrimination.

ARTICLE IV ASSOCIATION RIGHTS
--

- A. The Association and its representatives shall have the right to use school buildings and facilities subject to existing Board policy.
- B. Duly authorized representatives of the Association shall be permitted to transact official Association business on school property provided that this shall not interfere with or interrupt normal school operations.
- C. The Association shall have the right to reasonable use of the Employer's office equipment at reasonable times, when such equipment is not otherwise in use, and subject to existing Board policy. The Association shall pay for the reasonable cost of all materials and supplies incident to such use.

- D. The Employer will provide bulletin board space in each building which may be used by the Association for posting official Association notices. The Association President shall initial all such notices prior to their posting.
- E. The Employer agrees to furnish to the Association in response to written requests, public information which the Association requires to administer this Agreement and to formulate contract proposals. The Association may have copies of this data by paying the normal cost of reproducing the copies to the District.
- F. The Employer shall grant the Association up to five (5) days of paid leave each year for Association business provided that the Association President notifies the Employer at least five (5) days in advance and a substitute is available, if needed. A leave day as used herein shall be defined as the normal workday of the bargaining unit member taking said leave.
- G. It is understood that the members of the bargaining unit set forth in the foregoing recognition clause have the responsibility for performing the duties normally associated with those positions. However, this shall not limit the use of volunteers or non-bargaining unit employees from doing bargaining unit work except that a non-bargaining unit employee shall not perform a significant amount of bargaining unit work. It is agreed that the Director of Maintenance/Custodial/Grounds shall be a working supervisor performing bargaining unit work. No bargaining unit members shall have their hours reduced or be laid off as a direct result of any non-bargaining unit personnel performing bargaining unit work.
- H. Section G of this Article shall not be interpreted to deny the Employer the right to continue the practice of having non-bargaining unit personnel to perform bargaining unit work.
- I. The Employer and the Association shall share the cost of printing this Agreement. The Association shall distribute this Agreement to members of the Bargaining Unit.

ARTICLE V EMPLOYEE RIGHTS
--

- A. The Board will not arbitrarily or capriciously discipline or discharge any bargaining unit member. A discharge will not take place without giving the bargaining unit member an opportunity to explain his/her action or inaction that is the cause of a contemplated discharge.

The specific grounds for disciplinary action shall be presented to the bargaining unit member in advance of the imposition of discipline or as soon thereafter as practical.

- B. A bargaining unit member shall be entitled, at his request, to have a representative of the Association present when being formally reprimanded or formally disciplined for any infraction of rules or delinquency in performance. When a request for such representation is made, no action shall be taken with respect to the unit member until such representative of the Association is present unless immediate action is required. The Association shall make a representative available within one (1) working day.
- C. Bargaining unit members shall have the right to examine their personnel file and may be accompanied by a representative of the Association.
- D. Documents of an evaluative and/or disciplinary nature shall first be signed and dated by the bargaining unit member prior to insertion into the personnel file.
 - 1. The bargaining unit member's signature shall not be interpreted to mean agreement with the content of the material, but shall be understood to indicate awareness of the material.
 - 2. Should the bargaining unit member disagree with the content of the material being placed in the personnel file, he may have his written statements attached to the file copy of said material. For purposes of this Agreement, the failure of a bargaining unit member to indicate his/her disagreement with the content of material being placed in the personnel file within ten (10) workdays of being required to sign the material shall be conclusively construed to mean that the bargaining unit member does not disagree with the content.
- E. Pursuant to the Michigan Public Employment Relations Act, the Employer hereby agrees that bargaining unit members shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining.
- F. Except as provided in Section B of this Article, any disciplinary action taken against a bargaining unit member shall be done in private.
- G. Bargaining unit members may be required to use physical force, as allowed by law, as may be necessary to prevent a pupil from injuring himself or others, or to prevent damage to school property. The Employer

shall provide and arrange access to its legal counsel to advise the bargaining unit member of his/her rights in the event the bargaining unit member is complained against or sued for such action.

- H. Any case of assault upon a bargaining unit member shall be promptly reported to the Employer. The Employer will provide access to the Board's legal counsel to advise the bargaining unit member of his/her rights and obligations with respect to such assault.
- I. The Employer shall provide and arrange access to its legal counsel to advise the bargaining unit member of his/her rights in the event the bargaining unit member is complained against or sued for action taken by the bargaining unit member while in the performance of his/her normal duties and responsibilities.
- J. Should parking problems develop in the District, the Board agrees that representatives of the Employer will meet with representatives of the Association to discuss the resolution of such a problem pursuant to the special conference language contained in Article XX of this Agreement.
- K. Nothing contained herein shall be construed to deny or restrict to any bargaining unit member, rights he may have under Michigan laws or other applicable laws and regulations.
- L. Letters of warning, reprimand, and discipline in a bargaining unit member's file which do not relate to a recurring incident within a four (4) year period from the date of such discipline shall be removed from the personnel file at the written request of the bargaining unit member and the concurrence of his/her immediate supervisor unless the removal of such items violates MCL 380.1230b of the Revised School Code.
 - 1. Should the immediate supervisor deny the bargaining unit member's request, the bargaining unit member may appeal the immediate supervisor's decision with the Superintendent, or the Superintendent's designee, within ten (10) workdays of such denial.
 - 2. Should the Superintendent, or the Superintendent's designee deny the bargaining unit member's request, such denial shall be for just and reasonable cause.
 - 3. Once removed from the personnel file, said disciplinary documentation shall not thereafter be used against the bargaining unit member.
- M. Unless prohibited by law, the bargaining unit member may, upon request, have his/her dismissal, suspension, discipline, and/or performance evaluation(s) considered by the Board of Education in a closed session. In

the event an individual who is not a school district representative or agent requests access to or copies of employment records regarding dismissal, suspension, discipline, complaints, allegations, charges, performance evaluations, or medical, counseling or psychological records, the bargaining unit member and the Association shall be notified before information is released. The foregoing provision shall not prevent the Association from exercising its duties as the bargaining agent.

ARTICLE VI DUES, FEES AND PAYROLL DEDUCTIONS

- A. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing deduction of dues and assessments of the Association as established by the Association. Such authorization shall continue in effect from year to year unless revoked in accordance with the procedures outlined in the ESPA Constitution, Bylaws and Administrative Procedures. Pursuant to such authorization, the Employer shall deduct one-tenth of such dues and assessments from the salary of the bargaining unit member for ten (10) months beginning in September of each year.

- B. Any bargaining unit member who is not a member of the Association in good standing or who does not make application for membership within thirty (30) calendar days from the first day of active employment shall, as a condition of employment, pay a Service Fee to the Association in a legally permissible amount not to exceed the dues uniformly required to be paid by members of the Association; provided however, that bargaining unit members who were not members of the Association as of October 24, 1979, or who are bona fide contributing members of a religious body or sect which objects to unionization on the basis of religious tenants may contribute, in lieu of Association dues or the Service Fee required under this Article, an equivalent sum of money to a non-religious, non-political, non-profit charitable organization; and provided further, that the bargaining unit member may authorize payroll deduction for such fee in the same manner as provided in Section A of this Article.
 - 1. The non-religious, non-political, non-profit charitable organization referenced herein shall be mutually established by the Employer and the Association.

 - 2. The bargaining unit member who elects to contribute an equivalent amount of money to a non-religious, non-political, non-profit charitable organization in lieu of dues or a Service Fee, shall provide the Association President with documented evidence that he is a bona fide contributing member of a religious body or sect which objects to unionization on the basis of religious tenants.

3. In the event that a bargaining unit member shall not pay the Service Fee directly to the Association, or authorize payment through payroll deduction as herein provided, or comply with the charitable donation provisions, the Employer shall, at the request of the Association, and pursuant to MCLA 408.477, MSA 17.277(7), deduct the Service Fee from the bargaining unit member's wages and remit the same to the Association.
 4. Any authorization form for deduction of dues or Service Fee to be signed by an employee and any revocation requirements in connection therewith shall be consistent with legal requirements.
- C. In all cases of employee violation of this Article, the Association shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) calendar days for compliance. Further, such notice shall advise the recipient that a request for deduction may be filed with the Employer in the event that compliance is not effected.
- D. In the event of any legal action brought before the courts or an administrative agency against the Dewitt Public Schools, its Board of Education, individual board members, officials, employees and agents because of compliance with this Article, the Association agrees to defend such action at its own expense and through its own counsel provided:
1. The damages have not resulted from the negligence, misfeasance, or malfeasance of the Board or its agents.
 2. The Association, after consideration with the Board, has the right to decide whether to defend any said action or whether or not to appeal the decision of any court or other tribunal.
 3. The Association has the right to choose the legal counsel to defend any said suit or action.
 4. The Association shall have the right to compromise or settle any claim against the Board under this Article with the litigees.
- E. The Association shall, on or before the 1st day of September, give written notification to the Superintendent of the amount of dues and Service Fee to be deducted in the coming school year. The amount of deductions for those dues and Service Fee shall not be subject to change during the school year except where there is a change in hours.
- F. Dues deductions shall be transmitted to the Association within fifteen (15) days after such deductions are made.

- G. The Association agrees to reimburse any bargaining unit member for the amount of any dues deducted by the Board and paid to the Association, when such deduction is in excess of the proper amount.
- H. The Board assumes no liability for the authenticity, execution or revocation of the authorization form.
- I. Upon appropriate written authorization, the Employer shall deduct from the wages of such bargaining unit member and make appropriate remittance for programs not paid or fully paid by the Employer. Such programs shall include credit union deductions, insurance options, savings bonds, charitable donations, and any other programs jointly approved by the Association and the Employer.

ARTICLE VII NEGOTIATION PROCEDURES

- A. This Agreement may be extended by mutual written consent of both parties. This Agreement constitutes the sole and entire existing Agreement between the parties and supersedes all prior practices whether oral or written and expresses all obligations imposed upon the Board and the Association. This Agreement is subject to amendment, alteration, or additions only by a subsequent written Agreement between and executed by the Board and the Association. The waiver of any breach, term, or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.
- B. Both parties agree to enter into negotiations on a new Agreement on wages, hours, and working conditions at least sixty (60) days prior to the expiration date of this Agreement.
- C. Neither party in any negotiations shall have any control over the selection of the bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals and make concessions in the course of negotiations.
- D. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining; and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association for the life of this Agreement, each voluntarily and unqualifiedly waives the duty, and each agrees that the other shall not be

obligated to bargain collectively with respect to any subject or matter not referred to or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement. The Board shall have the right to deal with such subjects or matters by the exercise of its management rights without prior negotiations during the life of this Agreement, unless the parties mutually agree to enter into negotiations for an amendment to this Agreement concerning such subjects or matters.

- E. If, at the request of the Board, a bargaining unit member is engaged during the school day in contractual negotiations on behalf of the Association with any representative of the Board, he shall be released from regular duties without loss of salary and without loss of any leave time provided under this Agreement.

ARTICLE VIII GRIEVANCE PROCEDURE

- A. A grievance shall be defined as an alleged violation of the expressed terms and conditions of this contract.

The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:

1. The termination of services of or failure to re-employ any probationary employee.
2. Any matter involving the content of employee evaluation.

- B. Nothing contained in this Agreement shall be construed to prevent a bargaining unit member from presenting a grievance and having the grievance adjusted by the Employer without the intervention of the Association provided that such adjustment is consistent with the terms of this Agreement.

- C. The term "days" as used herein shall mean working days except that during the summer months the term "days" shall mean Monday through Friday excluding holidays.

- D. A written grievance as required herein shall contain the following:

1. It shall be signed by the grievant(s);
2. It shall be specific;

3. It shall contain a synopsis of the facts giving rise to the alleged violation;
4. It shall cite the section or subsections of this contract alleged to have been violated;
5. It shall contain the date of the alleged violation;
6. It shall specify the relief requested.

Any written grievance not in accordance with the above requirements shall be rejected as improper. Such a rejection shall not extend the limitations hereinafter set forth.

- E. The time limits provided in this Article shall be strictly observed, but may be extended by mutual agreement between the parties.
- F. At each step of the grievance procedure, a bargaining unit member may have a representative of the Association present if he/she so chooses. This shall not serve to alter the time lines set forth herein.
- G. Upon receipt of written agreement from the bargaining unit member, the Employer shall permit an Association representative access to and the right to inspect copies of the bargaining unit member's personnel file. Confidential letters of reference secured from sources outside of the District shall be excluded from inspection.
- H. All preparation, filing presentation or consideration of grievances shall be held at times other than when a bargaining unit member or a participating Association representative is to be at his assigned duty station unless mutually agreed otherwise.
- I. Should a bargaining unit member fail to institute a grievance within the time limits specified, the grievance will not be processed. Should a bargaining unit member fail to appeal a decision within the limits specified, or leave the employ of the Board, except a claim involving a remedy directly benefiting the grievant regardless of his employment, all further proceedings on a previously instituted grievance shall be barred.
- J. The grievance form is attached to this Agreement as Appendix B.
- K. Level One -- A bargaining unit member alleging a violation of the express provisions of this Agreement shall within seven (7) days of its alleged occurrence orally discuss the matter with his immediate supervisor in an attempt to resolve same.

If no resolution is obtained within three (3) days of the discussion, the bargaining unit member shall reduce the grievance to writing and proceed within five (5) days of said discussion to Level Two.

- L. Level Two -- A copy of the written grievance shall be filed with the immediate supervisor or his designated agent. Within five (5) days of the receipt of the grievance, the immediate supervisor, or his designated agent, shall render a decision in writing, transmitting a copy of same to the grievant, the Association President, the Superintendent, and place a copy of same in a permanent file in his office.
- M. Level Three -- If the grievant(s) is not satisfied with the disposition of the grievance at Level Two or if no disposition has been made within five (5) days of the receipt of the grievance, the grievance shall be transmitted to the Superintendent or his designee within five (5) days of the Level Two answer or the date the Level Two answer was due.

Within five (5) days after the grievance has been so submitted, the Superintendent or his designee shall meet with the grievant and the Association on the grievance. The Superintendent or his designee shall, within ten (10) days after the conclusion of the meeting, render a written decision thereon and shall forward copies of said decision to the grievant and the Association President.

- N. If the Association is not satisfied with the disposition of the grievance at Level Three or if no disposition has been made within the period provided above, the Association may within ten (10) days, submit the grievance to arbitration by notifying the superintendent in writing. If the parties cannot agree as to the arbitrator, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceeding. The demand for arbitration must be filed with the American Arbitration Association within ten (10) days from the date that the superintendent is given written notice that the grievance is being submitted to arbitration.
 - 1. Neither party shall be permitted to assert in such arbitration proceeding any ground or to rely on any evidence which was not previously disclosed to the other party.
 - 2. The fees and expenses of the arbitrator shall be paid by the losing party. If the award modifies the position of the Employer rather than sustaining or denying the grievance, the fees and expenses of the arbitrator shall be shared equally by both parties.

O. Power of the Arbitrator

It shall be the function of the arbitrator, and he/she shall be empowered except as his/her powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

1. He/she shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
2. The decision of the arbitrator shall be final and conclusive and binding upon employees, the Board and the Association; subject to the right of the Board or the Association to judicial review, any lawful decision of the arbitrator shall be forthwith placed into effect.
3. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any compensation that he/she may have received from any replacement wages earned including unemployment benefits during the period of back pay. The Board shall not be required to pay more than twenty (20) days of lost wages prior to the grievance being filed unless the time limits for filing the grievance are extended beyond the time limit in the Agreement. This provision does not limit back pay for lost wages incurred after the initial filing of any grievance.
4. No decision in any one case shall require a retroactive wage adjustment in any other case unless previously agreed to by the parties.
5. Where no compensation and/or fringe benefit loss has been caused by the action of the Board, the Board shall be under no obligation to make monetary adjustments and the arbitrator shall have no power to order one. However, he/she shall have the power to order payment for lost interest, where appropriate.
6. The arbitrator may consider no more than one grievance at the same time except upon expressed written mutual consent.

P. Only the union, not an individual employee, may appeal a grievance to arbitration.

ARTICLE IX WORKING HOURS AND CONDITIONS
--

A. The normal workday shall consist of no more than eight (8) hours a day, or forty (40) hours a week.

1. Bargaining unit members working an afternoon or evening shift may be rescheduled to the day shift when school is not in session.
 2. When school is not in session during the summer months, shift changes among custodial/maintenance employees shall be made on the basis of seniority with the most senior unit member within a building and classification being granted his shift preference first.
 3. Qualified bargaining unit members who are assigned less than a twelve (12) month period shall have the first opportunity for seasonal employment or special assignments. Bargaining unit members who accept such employment shall receive compensation as outlined in Appendix A of the Master Agreement for "Special Assignments and Seasonal Employment."
 4. Assignments for paraprofessionals shall be tentatively made by June 30th of each year. However, adjustments may occur throughout the year to meet student needs.
 5. A bargaining unit member shall be compensated at his/her regular rate of pay for working an extended work year in his/her position. This provision shall not apply to seasonal employment and special projects which shall be compensated in accordance with Appendix A.
 6. The work schedule for ten (10) month secretaries shall commence two (2) weeks prior to the first day of student instruction and conclude two (2) weeks after the last day of student instruction. Flexible scheduling may be arranged by mutual agreement between the employee and their supervisor. Additional work days may be added with the agreement of the Employer and the Association.
 - a. The work schedule for copy clerks will be tentatively made by June 30th of each year. Additional work days/hours when school is not in session may be assigned with the agreement of the employer and the Association. Copy clerks required to work during this time will be paid at their regular rate of pay.
 7. In lieu of the foregoing, compensatory time may be mutually arranged between a bargaining unit member and the Superintendent, or the Superintendent's designee. The accrual and use of compensatory time shall be noted on the bargaining unit member's bi-weekly time sheet.
- B. In the event that the Mechanic's position is reestablished in the bargaining unit, the Employer and the Association shall meet and confer in order to

determine the amount for a tool and uniform allowance.

- C. Bargaining unit members shall be entitled to a thirty (30) minute unpaid lunch break, as scheduled by the Employer.

A bargaining unit member who is called upon to interrupt his lunch period will be provided additional time to equal a minimum of the thirty (30) minute period.

- D. All eight (8) hour per day bargaining unit members may take a 15 minute "break" in the morning and a 15 minute "break" in the afternoon or during the first half and second half of their regular shift, whichever may apply.

Employees working at least four (4) hours but less than eight (8) hours, shall be entitled to one (1) fifteen (15) minute break.

All breaks must be scheduled by the employee's immediate supervisor.

- E. Bargaining unit members who work in the custodial/maintenance and grounds classifications shall be entitled to a five (5) minute personal clean-up period before lunch and at the end of each shift.

- F. At the option of the Employer, substitutes may be provided for absent bargaining unit members. DESPA employees who hold positions which require substitutes may be required by their supervisor to arrange and schedule the substitutes. A bargaining unit member taking time off may pre-arrange a substitute. If unable to secure a substitute from the bargaining unit, the bargaining unit member may pre-arrange an external substitute. The bargaining unit member shall notify their immediate supervisor (or designee) of the name and contact number for a substitute once they have arranged coverage, or if they are unable due to illness to arrange for a substitute, they shall notify their supervisor (or designee). A bargaining unit member who is interested in being employed as a substitute in their current or another classification in the bargaining unit shall have the responsibility to have his/her name placed on the substitute list for that classification/building provided he/she is qualified and available to work.

The district shall be required to provide a list of screened (background check required) and qualified substitutes for the bargaining unit members. The substitutes must be selected from this list.

- a. Work performed as a substitute shall be paid at the rate for that position established in Appendix A or the bargaining unit member's own rate of pay, whichever is less.

- b. No bargaining unit member shall be entitled to be contacted for employment as a substitute if employment as a substitute would result in more than forty (40) hours of work in a workweek or if the substitute assignment conflicts with the bargaining unit member's regular assignment.
 - c. The employer shall not be required to modify a substitute position or assignment in order to make a bargaining unit member eligible for the position or assignment.
- G. When a bargaining unit member expects to be absent for any reason, he/she shall notify his/her immediate supervisor, or his/her designee, at least one (1) hour prior to the start of his/her regular hours of work. Bargaining unit members who work the afternoon or evening shift as custodians shall notify their immediate supervisor or his/her designee, at least two (2) hours prior to their regular hours of work.
- H. The Employer shall schedule its meetings with bargaining unit members on the Employer's time whenever reasonably possible. Meetings which are otherwise scheduled shall entitle the unit member to be paid at the employee's regular rate of pay for such time meeting with the Employer except when the forty (40) hour week is exceeded in which case time will be paid at time and one-half.
- I. Except as provided in Section J, overtime, when available, shall be offered to bargaining unit members in accordance with the following:
- 1. The overtime shall be in the employee's classification.
 - 2. Overtime will be offered so that the overtime hours of employees in the same classification and building are as equal as possible.
 - 3. Overtime shall not be offered if the overtime assignment conflicts with the bargaining unit member's regularly assigned hours.
 - 4. Overtime includes offering bargaining unit members the opportunity to substitute for an absent bargaining unit member when there is no conflict between the bargaining unit member's regularly assigned hours and those of the absent bargaining unit member.
 - 5. Overtime will be organized by the use of an overtime chart and will be offered to bargaining unit members on a rotating basis beginning with the most senior unit member.
 - 6. Bargaining unit members assigned to more than one (1) building shall be offered overtime on a rotating basis within each of their assigned buildings. The opportunity for overtime in one (1) of the

assigned buildings shall not adversely affect the bargaining unit member's opportunity for overtime in another assigned building.

7. When school is closed to students and there is work available for bargaining unit members, said work shall be offered on the basis of seniority with the most senior bargaining unit member being offered the time first.
 8. It shall be the immediate supervisor's responsibility to distribute overtime and to inform all bargaining unit members of the status of the distribution of overtime within those classifications that he/she supervises.
 9. Overtime work shall be voluntary.
 10. For purposes of maintaining the overtime chart, the refusal of an offer of overtime shall be recorded as if it had been accepted.
- J. It shall be the immediate supervisor's responsibility to distribute overtime/additional hours within the food services classification on a system-wide basis and to inform all bargaining unit members of the status of the distribution of overtime/additional hours. The distribution of overtime/additional hours shall otherwise be governed by the provisions of Section I. If no Food Service staff are willing to work hours which are outside of the school day such hours shall be assigned on a rotating basis starting with the least senior employee.

Double time will be paid for all holidays worked.
- M. A bargaining unit member reporting for "call-back" or "call-in" overtime duty shall be guaranteed at least two (2) hours of work at the rate of time and one-half. This does not apply to hours worked in conjunction with the regular work shift.

- Q. When school is closed for weather conditions, mechanical malfunctions and/or other emergencies, said days will be rescheduled in accordance with the collective bargaining agreement covering instructional staff so that the school district can provide the minimum number of days of instruction required by law or regulation or to receive full state aid.  2. Vacancies which occur during the summer months when school is not in session shall be filled on the basis of seniority with the most senior driver bidding first.
 3. Current bargaining unit members who are qualified shall have the first opportunity to fill vacancies which occur during the year on a seniority basis at an unpaid bid meeting scheduled by the transportation supervisor. Drivers will be compensated for one (1) hour at the waiting time rate for washing the exterior of their buses provided they have received prior authorization from the Transportation Supervisor.

For work performed during kindergarten and regular route preparation drivers shall be compensated for one (1) regular run and two (2) hours of wait time for each preparation.

- D. Special trips shall be assigned to drivers on a rotation basis in accordance with seniority. When the seniority list has been exhausted from top to bottom, the rotation process will be repeated.

2. Should a driver return a special trip for any reason, the supervisor may offer the trip to the unassigned driver with the greatest seniority.
3. If all regular drivers refuse a special trip, substitute drivers may be used. If no drivers are available, it will be assigned to the least senior regular driver.
4. When a special trip is cancelled and the driver is not notified prior to the beginning of the trip, the driver shall be compensated for one (1) hour except that after 6 p.m. or on a weekend, the driver will be compensated for two (2) hours. The driver shall be added to the "canceled" list for the type of special trip (see paragraph E. of this article). The driver will have the right to bid first (in advance of the rotation list) for that type of trip at the next scheduled driver's bid meeting.

7. When drivers are required to buy fuel, oil, etc., on a special trip, the Employer will, at the request of the driver, furnish said driver with sufficient cash to cover the anticipated expense or make other arrangements satisfactory to the Employer and driver. Drivers are required to obtain sales slips for all purchases and to turn these in to the Employer promptly.
8. In addition to the foregoing, drivers will be reimbursed for any Employer-required expenditures that are incurred while working a special trip.
9. A driver working on a special trip of three (3) or more hours and which extends before and after a meal time will be reimbursed an amount not to exceed \$10.00 upon presentation of a receipt. Generic receipts are not acceptable.
10. Meals will be reimbursed under any one (1) of the following conditions:

A late-added list for each type of trip shall be created when special trips are added after all special trips have been posted and bid at the scheduled drivers bid meeting. Said trips shall be assigned in accordance with Section D of this Article except that each listing shall be governed by its own seniority rotation list.
- F. Should a driver be deemed uninsurable as a result of traffic violations or other infractions under the District's fleet insurance policy, or should a driver's driving record be such that the Board will incur an increase in insurance premium for the driver, such driver may be placed on an unpaid leave without benefits until such time as he/she is again insurable or insurable without an increased insurance premium.

In the interim, such bargaining unit member may, at the District's option be offered the first opportunity to substitute in the non-instructional assistants and custodial classifications.

- G. If a kindergarten run consists of a pick-up and a take-home of students, the driver will be paid the greater of:
 - 1. The kindergarten run rate set forth in Appendix A or

Vacancies may be filled on a temporary basis, but for no more than thirty (30) working days except as mutually agreed otherwise between the Employer and the Association. After the first thirty (30) days, the temporary position will receive the regular rate of pay for the job being worked.
- C. Interested bargaining unit members may submit a written application for a vacancy to the Superintendent, or his designee, within the five (5) day posting period.

- D. Any bargaining unit member may apply for a posted vacancy. If the qualifications of the applicants are determined by the Employer to be substantially equal, the most senior internal applicant will be awarded the position. The determination of qualifications may include testing of applicants. Any testing instrument will be reviewed with the Association. Should no qualified bargaining unit member in the classification apply consideration will be given to an applicant from a different classification. If a non-bargaining unit member is hired rather than an applicant from a different classification, upon request the reason(s) will be given.
1. Seniority shall be determined on a classification by classification basis and shall be defined as the length of continuous employment in a particular classification within the bargaining unit. The classifications are the eight (8) classifications identified in Appendix A.
 2. Qualifications shall be defined as possessing the skills required to do the job as listed on the job posting and as outlined in the job description.
 3. If a vacancy is to be filled with a bargaining unit member on layoff status, the Employer shall not post the position.
 4. Within ten (10) working days after the expiration of the posting period, the Employer shall make known its decision as to which applicant has been selected to fill a posted position. Each applicant from within the bargaining unit shall be so notified.
- E. A bargaining unit member may occupy more than one (1) bargaining unit position provided that the hours of work and the position requirements do not conflict with one another. In no case will the hours total more than forty (40) hours per week.
1. The rate of pay for each position shall be in accordance with the appropriate rate as set forth in Appendix A of this Agreement.
 2. The bargaining unit member's entitlement to fringe benefits shall be governed by the provisions of Article XVIII of this Agreement.

Said trial period shall not include paid leave workdays. The trial/probationary period will allow:
1. The employee the right to return to their previous position.

2. The employer the right to return the employee to their previous position based on the unsatisfactory performance of the job duties.
3. Permanent assignment to the position based on the satisfactory performance of the job duties.

During the trial/probationary period, a bargaining unit member substitute may be employed in the assignment that the bargaining unit member is vacating.

The Employer shall give the promoted or transferred bargaining unit member reasonable assistance to enable him/her to perform to the Employer's standards.

During the trial/probationary period, a bargaining unit member will receive the pay rate of the job he/she is performing.

- G. Responsibility for filling any vacancy rests with the Employer.
- H. When a position is eliminated and is later reinstated, the bargaining unit member whose position was eliminated shall be offered the job provided the bargaining unit member has expressed his/her interest in writing prior to or during the posting period, and provided further, that he/she remains qualified for said position.

ARTICLE XIV SENIORITY, LAYOFF AND RECALL

- A. Seniority shall be determined on a classification by classification basis and shall be defined as the length of continuous employment in a classification within the bargaining unit. Seniority shall accrue from the first day of work within the particular classification. Should two (2) or more bargaining unit members share the same, first day of work, relative rankings on the seniority list shall be determined by the bargaining unit member whose last name occurs first, second, etc. alphabetically. Should a bargaining unit member's last name change during the course of employment, such change shall be noted on the seniority list, but shall not change his/her relative ranking on the seniority list.
1. Only members of the bargaining unit shall accrue seniority within the unit. Temporary employees shall not establish a date of hire for purposes of accruing seniority in the bargaining unit.
 2. A bargaining unit member who changes from one classification to another shall have seniority determined as follows:

3. A probationary bargaining unit member shall have no seniority until the completion of the probationary period at which time seniority shall revert to his first day of work.
 4. A bargaining unit member who has been laid off, whether in full or in part, shall accrue seniority as if he were employed full time.
 5. Unpaid leaves of absence shall not constitute an interruption in continuous employment; however, seniority shall not continue to accrue, but shall be frozen until the unit member returns to a position within the bargaining unit.
 6. Days worked in a non-bargaining unit position shall not be used for seniority purposes or for establishing a date of hire within the bargaining unit.
 7. Should a bargaining unit member transfer to a non-bargaining unit position with the DeWitt Public Schools, seniority shall not continue to accrue; however, the unit member shall have his seniority frozen until such time as he may return to the bargaining unit.
 8. Seniority shall be lost should the employee resign, retire or be discharged.
- B. The Employer shall prepare and maintain the seniority list, a copy of which shall be available electronically by October 15 each year. Notice shall be sent to each bargaining unit member that the list is available for viewing. Should a bargaining unit member disagree with the seniority list, he/she shall have twenty (20) workdays to challenge the seniority list through the Grievance Procedure.
- C. It is hereby specifically recognized that it is within the sole discretion of the Board to reduce its staff. The procedures set forth in this Article shall be used in laying off personnel.

 - b. Should further reduction be necessary, probationary bargaining unit members within the classification being reduced shall be laid off unless there is no qualified non-probationary bargaining unit member to perform the work.
 - c. If the reduction of personnel is still necessary, then regular bargaining unit members in the specific positions being reduced or eliminated, shall be laid off on the basis of seniority; provided another bargaining unit member in the same classification is qualified and available to perform the work. Thereafter, layoffs pursuant to this section shall be in inverse order of seniority, i.e., those with the least seniority in the classification being reduced will be laid off first.
 - d. Bargaining unit members whose positions have been eliminated shall be notified of such elimination.
 - e. Bargaining unit members whose positions have been eliminated or who have been affected by a layoff shall have the right to displace the least senior bargaining unit member in an equivalent position for which they are qualified in the same classification or another classification in which the bargaining unit member has seniority.
 - f. Laid off bargaining unit members who are qualified for a vacancy in a classification in which they have seniority or a newly created position in a classification in which they have seniority shall be offered such positions before new employees are hired.
 - g. For purposes of this Agreement, qualifications shall be defined as possessing the skills and requirements as listed on the job description and the job posting.
- D. Recall from layoff status shall be made on the basis of seniority within the classification being filled (i.e., the more senior bargaining unit member will be recalled first), except where the senior bargaining unit member lacks the necessary qualifications to perform the duties of the vacant position.

1. Notice of recall shall be sent by certified restricted delivery mail addressed to the bargaining unit member's last known address as shown on the Employer's records. The recall notice shall state the time and date on which the bargaining unit member is to report for work.
 2. It shall be the bargaining unit member's responsibility to keep the Employer notified as to his/her current mailing address.
 3. A recalled bargaining unit member shall have seven (7) calendar days from receipt of notice of recall to make himself/herself available for work unless an extension is granted by the Employer. If after the customary fifteen (15) calendar day U.S. Postal Service waiting period, the notice of recall is returned by the U.S. Postal Service as undeliverable, then the bargaining unit member shall forfeit his/her seniority and employment rights and shall be conclusively deemed to have voluntarily quit.
 4. The Employer may fill the position on a temporary basis until the recalled bargaining unit member can report for work provided the unit member reports within the above seven (7) day period.
 5. Bargaining unit members who are offered a position equivalent to that occupied at the time of notice of layoff are obligated to accept such work. A bargaining unit member who declines recall to equivalent work for which he is qualified shall forfeit his seniority and employment rights under this Agreement.
 6. The recall list shall be maintained by the Employer for a period not to exceed two (2) years from the effective date of the layoff. Thereafter, a bargaining unit member shall lose his right to recall.
- E. Equivalent is defined as an employee working a number of hours within one half (1/2) hour more than their previous assignment or the same number of hours as their previous assignment.

ARTICLE XV LEAVES OF ABSENCE

- A. At the beginning of each contract year, each bargaining unit member shall be credited with ten (10) or twelve (12) days of sick leave whichever is applicable (10-month secretaries working two weeks before school and two weeks after school will be credited with 11 days of sick leave), the unused

4. Sick leave which was earned prior to an unpaid leave of absence shall be held in reserve pending the bargaining unit member's return.
5. A bargaining unit member who is absent due to an injury incurred during the course of his/her employment and such injury is compensable under the Worker Disability Compensation Act of 1969, as amended shall be considered to be on unpaid leave except to the extent that the bargaining unit member utilizes accumulated paid sick leave on a pro rata basis pursuant to Section A.3. above.
6. The employer will take reasonable steps to accommodate an injured bargaining unit member who is returned to work under a medical restriction. This shall not be construed as requiring the employer to make accommodations that would present undue burdens or hardships upon the employer.
 - a. The bargaining unit member shall notify his immediate supervisor of any such injury immediately, if able. If the bargaining unit member is unable to notify the immediate

supervisor at the time of the injury, the immediate supervisor or other representative of the Employer shall be notified as soon thereafter as possible.

- b. A bargaining unit member who qualifies for Worker Compensation shall, on the eighth (8th) calendar day of disability, be entitled to use his accumulated sick leave on a pro-rata basis to make up the difference between Worker Compensation and his daily rate of pay.

 - d. The Employer's obligations as provided herein shall expire with the exhaustion of the bargaining unit member's accumulated sick leave or, upon medical certification that the bargaining unit member can return to work without restrictions whichever shall occur first.
7. If a bargaining unit member uses none of his/her annual sick leave allowance as provided in Section A above, during his/her regular work year, the bargaining unit member shall be paid a bonus of one (1) additional day's pay at his/her regular rate of pay. Payment will be made no later than June 30 of that work year. Use of Business Leave will not be considered in determining eligibility for this bonus.
8. At the beginning of each contract year, the bargaining unit member who works twenty (20) or more hours during the work week shall be credited with two (2) days of leave to be used for personal business. At the beginning of each contract year, the bargaining unit member who works at least ten (10) hours but less than twenty (20) hours during the work week shall be credited with one (1) day of leave to be used for personal business. Bargaining unit members who are hired during the year shall receive a prorated portion of business leave.
- a. Business leave is to be used only for purposes which require the bargaining unit member's absence to attend to matters which cannot be conducted except during his normal working hours. Business leave shall not be used for social and/or recreational purposes.
 - b. Business leave may not be used immediately prior to or immediately after any holiday, vacation period or the first or last day of the school year. The Superintendent, or his agent,

may, at his discretion, make exceptions to the above should an emergency arise.

- c. An Absence/Substitute form must be submitted by the applying bargaining unit member. A bargaining unit member planning to use personal business day(s) shall notify his immediate supervisor at least three (3) days in advance except in case of emergency as determined by the supervisor.

Two (2) days shall be granted for brothers-in-law, sisters-in-law, parents-in-law, grandchildren-in-law, and grandparents-in-law. Significant others as determined by the Superintendent may be considered immediate family as well. Additional bereavement leave may be deducted from the sick bank of the bargaining unit member up to maximum of five (5) additional days per occurrence.
- 2. Upon the bargaining unit member's request, the Superintendent may, at his/her discretion, extend the leave period.
- 3. Unused days for death in the immediate family in this section shall not accumulate from year to year.

D. Leaves of absence without pay or benefits not to exceed one (1) year may be granted upon written request to the Superintendent and with the approval of the Employer.

E. Eligibility for a leave of absence requires a minimum of one (1) year of continuous employment with the Board as a permanent employee except in cases of health, childbirth, or military leaves. One (1) school year will meet the one (1) year requirement for those bargaining unit members scheduled to work the school year only.

F. Reasons for leaves of absence are as follows:

1. Upon written request to the Superintendent, a bargaining unit member shall be granted a leave of absence for the purpose of child birth.
