NOW, THEREFORE, in consideration of the following mutual covenants it is hereby agreed as follows:

Article 1: Recognition

These contractual provisions shall not serve as the basis for a grievance, or be subject to interpretation by an arbitrator, in any action involving teachers or any other personnel whose positions are governed by the Tenure Act.
- D. The Board agrees not to negotiate with or recognize any teacher’s organization other than the Association for the duration of this Agreement.

- E. Substitutes employed in the same assignment for sixty (60) or more continuous days of service shall be provided with the salary and benefits to which they are entitled under Section 1236 of the Revised School Code. Seniority shall not accrue for substitute services.

Upon request, the bargaining unit member will receive a copy of any and all information that is released to any such petitioner.
- R. Prior to disclosing a bargaining unit member's social security number to an outside third party, the Employer shall notify the bargaining unit member whether such disclosure is mandatory or voluntary, and what use(s) will be made of it.

Article 4: Teaching Hours and Class Loads

- A. Except as the bargaining unit members' professional responsibilities require otherwise, normally a bargaining unit member shall not be required to report to the teacher's workstation more than ten (10) minutes before the beginning of the pupils' regular school day. Bargaining unit members shall be permitted to leave ten (10) minutes after the close of the pupils' regular school day, except that on Fridays or days preceding holidays or vacations, the bargaining unit members' day shall end at the close of the pupils' day. (See attached Appendix H for time schedules. Appendix H will be revised as needed by an Administration and Association committee.)

- E. All teachers shall be scheduled to a duty-free uninterrupted lunch period of no less than thirty (30) minutes
- F. Teachers may be required to attend no more than three (3) after school building staff meetings per month. Annually, at least twelve hours of said meetings will be devoted to state-required professional development. The content of these meetings is at the discretion of the building principal and in

conjunction with the school improvement team. The date and time for the meetings shall be mutually agreed to by the building principal and staff.

- G. In addition to parent/teacher conferences, bargaining unit members may be required to attend two (2) evening meetings in each school year. Attendance at these evening meetings for longer than two (2) hours is voluntary. An evening meeting is a meeting beginning after 6 p.m. It is acknowledged that from time to time meetings which require the attendance of individual teachers, before or after the student instructional day, may be necessary. Such meetings shall be at a time mutually agreed upon by the appropriate administrator and the teacher(s) involved or occur within forty-eight (48) hours.
- H. A teacher engaged during the school day in negotiating on behalf of the Association or participating in any professional grievance negotiation, including arbitration, with any representative of the Board, shall be released from regular duties without loss of salary. The Association agrees to pay the cost of substitute teachers in excess of three (3) per day for teachers participating in such arbitration proceedings.

- L. The amount of pupil contact per week for elementary specialists will not exceed the pupil contact time for elementary teachers. Should it be necessary for a specialist to teach 37 or 38 sections a week, the teacher will be compensated at a rate of \$150 for each section over 36.

1. A written framework outlining the expectations of co-teachers and approved by the building principal and special education director must be in place before the co-teaching begins. Co-teaching agreements will be one year in duration.
2. In order to facilitate the best learning environment for special education students, Special Education teachers in all grade levels K-12 will be consulted to schedule their caseload students before general education students are placed into the schedule. Once scheduled, those students may not be moved without consent of the caseload teacher or special education director.

At the beginning of each school year, the administration will make every effort to balance classes within elementary grade levels and within secondary school's class assignments with regard to class size, unless circumstances dictate otherwise. In the event that class size balance cannot be achieved, a conference between the administration and staff involved shall occur. Students who transfer into the DeWitt Public Schools during the school year shall be assigned so as to foster the balance described above. It is understood that this provision will not be implemented if the building principal determines that in an individual case it is not in the best interests of the student(s) involved.

FF. The Board agrees to provide computers and copying equipment to aid bargaining unit members in each building in the preparation of instructional materials. In the alternative, should the Board elect to provide the foregoing through the employment of other personnel, it will strive to assure that the materials will be provided/returned to the bargaining unit member within two (2) work days after their submission unless otherwise stated or otherwise mutually agreed.

GG. The Board shall provide:

Lockable drawer space for each teacher in the District.

Suitable space for each teacher to store personal articles.

and at other mutually agreed upon times, the Board will strive to provide normally heated working areas. State and Federal energy guidelines will be followed.

- LL. In the event that a teachers' classroom is moved during the academic year from one (1) room to another, the displaced teacher shall receive up to two (2) days of released time at the teacher's regular rate of pay. In the event the move occurs over a school recess e.g. summer recess, the teacher shall receive up to two (2) days pay at the daily substitute teacher rate or, at the teacher's option the teacher shall receive one (1) day of compensatory released time in the following school year. This Section shall only apply where, prior to the move, the teacher was assigned to a single room and the move was necessitated by a construction project or the wholesale relocation of a grade level. Further, this Section shall not apply where the move was made at the request of the teacher.

Article 6: Services to Students with a Disability

A. This Article shall apply to students with an IEP or 504.

1. Bargaining unit members who will be providing instructional or other services to a student with a disability in a regular education classroom setting shall be invited, in writing, to participate in the appropriate team meeting (i.e., Individual Educational Planning Team (IEPT) or 504 team). At the secondary-level, general education teachers will rotate attendance to the required IEP or 504 team meeting. If the IEP or 504 meeting is held during the normal teaching day, the bargaining unit member shall be released from the bargaining unit member's normal responsibilities to attend.
2. Should a bargaining unit member, working directly with the student with a disability, believe that a student's current IEP or 504 is not meeting the student's needs as required by law, the bargaining unit member shall refer the concern to the building principal for review and possible action which could include convening another IEPT or 504.
3. In order to assure that the student with a disability will be allowed to participate in regular education programs and services to the maximum extent appropriate, the Board agrees to provide:
 - a. Teaching materials and equipment, support personnel and other related services as specified in the IEP or 504 to satisfactorily educate the student in the regular education classroom; and
 - b. Appropriate professional development
4. The teacher shall not be expected to perform non-emergency, routine, scheduled maintenance on a medical appliance or apparatus used by a student to sustain the student's bodily functions nor render non-emergency routine, scheduled care or maintenance of exceptional bodily functions related to the student's impaired condition. The teacher shall be informed and instructed as to emergency measures which may be necessary on occasion due to the student's impaired condition.
5. The administration agrees to arrange for a substitute in the absence of the student's regularly assigned instructional assistant. Should no substitute be available, the bargaining unit member and the building principal will, where appropriate, mutually make other arrangements.
6. It is recognized that the projected growth of students with disabilities is impacted by various factors, many of which are beyond the control of the student's teacher(s).
7. It shall be the teacher's responsibility to implement the student's IEP or 504 plan and to attend to the educational needs of the student while in the teacher's class.

8. The IEP Team will be responsible for determining the Least Restrictive Environment (LRE). The required IEP team members include the parent/guardian, the general education teacher, the special education provider, and the district representative.

Article 7: Qualifications and Assignments

- A. The Board recognizes that it is desirable in making assignments to consider the interests and aspirations of its teachers. Requests by a teacher for assignment to a different class, building, or position shall be made via a district form, and the results shall be shared with the principals and the DEA president. The application shall set forth the reasons for the new assignment, the school, grade, or position sought, and the applicant's academic qualifications. Such requests shall be renewed once a year to assure active consideration by the Board.
- B. "Qualified" shall mean that (1) the teacher satisfies the State of Michigan and Federal highly qualified teaching standards, and (2) possesses any required certification and endorsements. Bargaining unit members must maintain and submit to the central office all certification and licensing requirements, and teachers must meet all applicable standards for a "highly qualified teacher" under the ESSA Act of 2015 and the Michigan definition for Identifying Highly Qualified Teachers as approved by the State Board of Education.
- C. All teachers shall be given written notice of their schedules for the forthcoming year no later than the thirtieth day of July. In the event significant change in a teacher's subject, course, or grade level is proposed before that date, or any changes in teachers' schedules are proposed after that date, all teachers affected shall be notified promptly and consulted.
 1. The following reassignments shall entitle the reassigned teacher to two (2) days of released time to prepare for the new assignment if the reassignment occurs after school starts. Should the reassignment occur prior to school starting, the reassigned teacher shall be entitled to two (2) days (12 hours) of compensation at the rate established in Article 19. This compensation will not apply if the reassignment is at the request of the reassigned teacher.
 - a. If half or more of your reassignment is to another building.
 - b. If half or more of your reassignment is to another department in the same building, provided that you have not taught the course(s) assigned in that department within the last three years.
 - c. From specialist elementary education (e.g. music, P.E.) to a regular classroom teacher; from a regular classroom teacher to a specialist elementary education.

Except for those positions directly connected with an assigned class, e.g., band, choral, yearbook, plays, any assignment in addition to the normal teaching schedule during the regular school year, i.e., driver education, extra duties enumerated in Appendix B and summer school courses, shall not be obligatory but shall be with the consent of the bargaining unit member

Article 8: Vacancies, Promotions, and Transfers

- A. For purposes of this Article, a vacancy shall be defined as a professional position within the bargaining unit which the Board intends to fill and which is unfilled either because it is newly created or because the teacher holding that position has permanently severed employment in the bargaining unit or accepted permanent transfer to a non-bargaining unit position.

- B. Whenever a vacancy shall occur within the bargaining unit, the Superintendent shall, within forty-eight (48) hours, post notice of same on-line, and via email to all staff, including the Association President.**
- 1. No vacancy shall be permanently filled until such vacancy has been posted for at least five (5) working days. To ensure consideration for a vacancy, a teacher must make application within the five (5) day posting period.**
 - 2. Working days shall mean days when school is in session except that during the summer month's working days shall mean Monday through Friday, excluding holidays.**
 - 3. A vacancy shall not be posted when said vacancy is to be filled by a displaced member or the recall of a laid-off bargaining unit member.**
 - a. A displaced member shall be defined as a member whose current position has been eliminated (I.E. elimination of a program or reduction of a grade), but for whom a different position is available.**
 - b. The District agrees to first seek volunteers for the displacement when applicable.**
 - c. A bargaining unit member may apply for a vacancy within the bargaining unit by submitting a written application to the Superintendent or the Superintendent's designee. Preference shall be given to a teacher who was displaced from the grade level or department in which the vacancy exists during the same school year in which the vacancy occurred. If the vacancy is not awarded to a displaced teacher, the vacancy shall be awarded to the most qualified applicant. If two or more applicants have equal qualifications, the most senior will be awarded the position. In case of a tie in both qualifications and seniority, the following shall be used to break the tie in the order listed:**
 - 1. Highest advanced degree**
 - 2. Additional certifications**
 - 3. Additional endorsements**
 - 4. Whenever a new position is created within the bargaining unit, the Superintendent or the Superintendent's designee shall notify the President of the DeWitt Education Association by sharing a posting of the position with proposed wages, hours, and conditions for employment and, if needed, negotiating the terms.**
 - 5. It is recognized that occasionally new clubs and other extra-curricular activities are created by students and supervised by teachers and if appropriate, approved by the Principal. It is agreed that such positions shall not require posting until after the Board has formally recognized same.**
 - 6. If a vacancy is filled by a teacher during the school year, the teacher shall be transferred to that position immediately unless the Board delays the transfer until the beginning of the next semester or the beginning of the next school year in order to avoid disruption.**
 - 7. Should the Board delay the transfer of a teacher to fill a vacancy until the beginning of the next semester or the beginning of the next school year in order to avoid disruption, the vacancy shall be filled in the interim with a temporary employee. For purposes of this Section, such temporary employee shall neither accrue seniority in the bargaining unit nor hold a contractual right to continued employment. Further, such temporary employee shall be paid in accordance with Article 1, Section D.**

- A. Since the teacher's authority and effectiveness in the classroom is undermined when students discover that there is not sufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classrooms.
- B. It is recognized that discipline problems are less likely to occur in classes which are well organized, well taught, and where a high level of student interest is maintained. Further, it is recognized that when discipline problems do occur, they may most constructively be addressed with encouragement, praise and emphasis upon the child's desirable characteristics. A teacher may use force as is necessary only in accordance with state law.
- C. A teacher may exclude a pupil from class with the permission of the principal when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as the teacher's teaching obligations will allow, full particulars of the incident. A teacher has the principal's implied consent to send a student to the office at the time of a discipline problem.

This means the teacher shall be provided with the time off not charged against the teacher to attend meetings related to the assault, including meetings with the teacher's attorney, police and judicial authorities or to attend court hearings. Further, this means that if the teacher suffers any injury so that Article 9, Section H of this Agreement is applicable, the teacher's accumulated sick leave will not be charged for the first seven (7) days of the compensable injury. However, the teacher's accumulated sick leave shall be charged on a prorated basis pursuant to Article 9, Section I of this Agreement in the event the teacher chooses to exercise the teacher's right to be paid the difference between worker's compensation benefits and the teacher's annual salary.
- F. The Board will reimburse teachers for any substantiated loss, damage, or destruction of the teacher's clothing or personal property which is not covered by insurance (excluding the teacher's automobile) and which resulted from an incident as referenced in paragraph D of this Article while on duty on the school premises.

G. Action may be taken upon any complaint by a parent of a student directed toward a teacher and notice thereof may be included in said teacher's personnel file when such matter is reported in writing to the teacher concerned. Any such action shall be in accordance with Sections M and N of Article 3 of this Agreement. Further, the teacher shall be entitled to submit a written notation and have same attached to the file copy of such complaint.  5. It shall contain the date of the alleged violation;
 6. It shall specify the relief requested.

Any written grievance not in accordance with the above requirements may be rejected as improper. Such a rejection shall not extend the time limitations hereinafter set forth.

- D. If a grievance involves more than one (1) building, it may be filed in writing with the Superintendent or the Superintendent's designee. Should the Superintendent appoint a designee to hear the grievance, such appointment shall not serve to waive the Superintendent's level of the grievance procedure, but shall serve as the first step of the procedure.
- E. In the event that a teacher believes there is a basis for a grievance, the teacher shall first discuss the alleged grievance with the teacher's building principal, either personally or accompanied by an Association Representative.
- F. If as a result of the informal discussion with the building principal, a grievance still exists, the grievant may invoke the formal grievance procedure on the form set forth in Appendix D which form shall be available from the Association Representative in each building. A copy of the grievance shall be delivered to the building principal.
- G. Within ten (10) days of receipt of the grievance, the principal shall meet with the aggrieved party in an effort to resolve the grievance. The principal shall indicate the principal's disposition of the grievance in writing within five (5) days of such meeting and shall furnish a copy thereof to the grievant, the Association and the Superintendent.
- H. If the aggrieved party is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) days of such meeting, the grievance shall be transmitted within ten (10)

days to the Superintendent. Within ten (10) days thereafter, the Superintendent or the Superintendent's designee shall meet with the grievant on the grievance; shall indicate the Superintendent's disposition of the grievance in writing within five (5) days of such meeting; and shall furnish a copy thereof to the grievant, the principal, and the Association President.

- I. If the Association is not satisfied with the disposition of the grievance by the Superintendent or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration before an impartial arbitrator. The demand for arbitration shall be filed with the American Arbitration Association within thirty (30) days after disposition by the Superintendent, or if no disposition has been made, within thirty (30) days from the date the Superintendent's disposition was due. A copy of the demand will be served upon the Superintendent by the Association.
 1. If the parties cannot agree as to the arbitrator within five (5) calendar days from the notification date that arbitration will be pursued, the arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The Superintendent and the grievant shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that the judgment thereon may be entered in any court of competent jurisdiction.
 2. The arbitrator shall have no power to rule upon the termination of services or failure of the Board to re-employ any probationary teacher, except on procedural grounds.
 3. The arbitrator shall have no power to rule upon any dispute involving a prohibited subject of bargaining under the Public Employment Relations Act. This does not apply to non-teaching professional staff members as defined by those members of the Association's bargaining unit whose employment is not regulated by the Michigan Teacher Tenure Act, including, but not limited to, school counselors, social workers, psychologists, etc. who are employed directly by the district.
- J. The arbitrator shall have no power to rule upon the discharge or demotion of a tenured teacher. It is expressly understood that should a teacher elect to pursue a discharge or demotion through the Tenure Commission (process), the teacher shall forfeit the right to pursue the same matter through arbitration.
- K. The cost of the arbitrator shall be borne equally by the parties except that each party shall assume its own cost for representation including any expense of witnesses except as provided in Article 4, Section F of this Agreement.
- L. If a probationary teacher for whom a grievance is sustained shall be found to have been unjustly discharged, the teacher shall be reinstated with full reimbursement of all professional compensation lost. If the teacher shall have been found to have been improperly deprived of any professional compensations or advantages, the same or its equivalent in money shall be paid to the teacher unless otherwise determined by the arbitrator.***

Bold and Italicized language applies only to those bargaining unit members referenced in Article 1C.

- M. The time limits provided in this Article shall be strictly observed but may be extended by written agreements of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the District shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

Article 24: Negotiation Procedure

A. Waiver Clause – Labor

The parties acknowledge that during the negotiations which result in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

B. Negotiations for a successor Agreement will begin at least ninety (90) calendar days prior to the expiration of this Agreement.

C. Any individual contract between the Board and a teacher, heretofore executed, shall be subject to and consistent with the terms and conditions of this Agreement and any individual contract executed thereafter shall be expressly made subject to and consistent with the terms of this or subsequent agreements executed by the parties and any Board policies or administrative guidelines pertaining to prohibited subjects of bargaining. If an individual contract contains any language inconsistent with this Agreement, this Agreement for its duration shall be controlling.

B. If any provision of this Agreement or any application of this Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

Article 27: Staff Reduction and Recall

- A. It is hereby specifically recognized that it is within the sole discretion of the Board of Education to reduce staff, the educational program and curriculum.
- B. Before official action on a layoff, reduction of staff, or recall is taken by the Board, it will give notice to the Association of the contemplated reduction or recall and afford the Association an opportunity to discuss it with the Administration. As soon as the names of the unit members to be laid off or recalled are known, a list of such names shall be provided to the Association.

The bargaining unit member shall be recalled only when a vacancy occurs for which the bargaining unit member is certified and qualified.***
- 2. If such an agreement is reached, the individual Agreement Form which is attached to and incorporated into this Agreement as Appendix E shall be completed by the employee and filed by the Employer.***

6. A bargaining unit member who has been laid off, whether in full or in part, shall accrue seniority as if the bargaining unit member were employed full time. This provision shall not operate to cause the bargaining unit member to advance on the salary schedule.

8. In case of a tie in seniority, the following shall be used in the order listed to break ties:

 - b. Most advanced degree held
 - c. Semester hours beyond a degree

LETTER OF AGREEMENT

between the
DeWitt Board of Education
and the
Ingham Clinton Education Association, MEA/NEA

This Letter of Agreement is a one-year agreement for the 2023-24 school year. This letter will replace Article 4 F of the 2023-24 Dewitt Schools Master Agreement between the Dewitt Board of Education and the DEA. The parties in this agreement will use the following format for teacher professional development for the 2023-24 school year.

Professional Development for the 2023-24 school year shall occur for a time not to exceed three (3) hours on the following dates:

Wednesday, October 18

Wednesday, January 17

Wednesday, February 21

Wednesday, May 15

*Aug. 22, Sept. 15, & Nov. 1 are Qualifying Professional Development (QPD) and are substitutes for teacher/student report days.

Of these meetings, up to two (2) may begin later than 30 minutes after students have been dismissed and go until 3:00 for secondary employees and to 4:00 pm for elementary employees, but will not exceed three (3) hours. When this occurs, there will be no less than a two-week notice.

Forty-five (45) minutes of CLT will be teacher-led (department or grade level) with topics to be determined in collaboration with the curriculum team and will be in alignment with professional development standards. An agenda for the teacher-led hour will be given to the curriculum team one week prior for approval.

Diversity training must be a part of CLT with at least 3 hours over the course of the 4 CLT dates. This may include standalone diversity training or other topics that feature a diversity, equity, and inclusion "lens" embedded in other topics.

Teachers who are asked to lead sessions or other parts of the CLT greater in length than 29 minutes will be given one week's notice and time to prepare during the school day or be compensated at the hourly rate if no substitute is available matching the time of the session or presentation. Teachers will also get compensatory time matching the time of the session or presentation.

Building Leadership Teams will look at how to make break time equitable for teachers over the course of the professional development schedule. i.e. not missing the same classes all the time.

Agendas for CLT will be given to staff by the Monday prior to the scheduled CLT.

Principals may hold up to nine monthly staff meetings for 1/2 hour in duration.

Time equal to the length of the videos will be set aside for teachers to complete Safe-Schools online training within these two days of district-provided professional development in August.
