4. An employee absent from work with mumps, scarlet fever, measles, or chicken pox and any other communicable diseases shall suffer no diminution of compensation and shall not be charged with PTO leave for a period not to exceed three (3) weeks, provided said employee incurs said disease within the incubation period of the occurrence of a like disease incurred by a student within the employee's assigned school building. Unpaid Leaves of Absence

- A. An employee may make application for an unpaid leave of absence to his/her supervisor. The application shall contain a statement of the purpose and duration of the leave requested. The application shall be forwarded to the Superintendent of Schools for a disposition granting or denying the leave. An employee who is granted an unpaid leave of absence may, except as provided for in Article IX., B. (for the first three months), continue his/her insurance benefits at his/her own expense, subject to the rules and regulations of the insurance carrier. Seniority shall not continue to accrue during an unpaid leave of voluntary absence as outlines in Article IX Section A. Upon return from leave the employee shall be returned to her previous position, if in existence, or an equivalent position following the procedures set forth in Article XII Section A. In no instance will the employee be paid at a rate lower than the previous position would have provided.
- B. An employee who is incapacitated or disabled due to personal illness or injury and who has exhausted all earned and accumulated paid sick leave shall be placed on an extended illness unpaid leave of absence for the duration of his/her disability up to one (1) year. Insurance premiums shall continue to be paid for three (3) months beyond sick leave exhaustion. An employee may submit an application for extension of the leave on an annual basis pursuant to the procedures set forth in Section A of this Article. Seniority shall continue to accrue during an unpaid leave of absence for extended illness. Upon return from leave, the employee shall be returned to his/her previous position, if in existence, or an equivalent position following the procedures set forth in Article XII Section A. In no instance will the employee be paid at a rate lower than the previous position would have provided.
- C. Upon written application an employee shall be granted and unpaid leave of absence for the purpose of parental care of his/her newborn child for a period of up to one year. Seniority shall not accrue during the leave. Upon return from leave the employee shall be returned to his/her previous position, if in existence, or an equivalent position following the procedures set forth in Article XII Section A. In no instance will the employee be paid at a rate lower than the previous position would have provided.
- D. Any bargaining unit member who enters military duty in any branch of the armed services of the United States shall be entitled to all rights and privileges as prescribed by federal and/or state statues. Bargaining unit members on military leave shall be given the benefit of any increments, seniority and PTO leave allowances which would have been credited to them had they remained in active service to the school.
- E. Employees may take leave pursuant to the Family Medical Leave Act.

ARTICLE IX Seniority

- A. Seniority shall be defined as the length of continuous service in the bargaining unit from the last date of hire. Seniority shall not accrue during layoffs or unpaid leaves of absence, except those related to Article IX Sections B, C, D or E. In the event more than one employee has the same seniority accrued, the seniority ranking of those employees shall be determined in order of the highest last four digits of the employees' social security number.

- B. Each newly hired employee shall be in a probationary status for the first sixty (60) days of work. Probationary employees shall be subject to termination at any time during the probationary period without contest. In cases of unpaid leaves of absence, the employer may hire temporary, probationary employees to replace those employees on leave to the extent of the sixty (60) working day probationary period. The employer may terminate the temporary employee upon the expiration of the probationary period without contest or commitment for reemployment. However, continued employment after the sixtieth (60th) continuous day of work shall vest the temporary employee as a bargaining unit employee with all rights of the Agreement, including recall.

- C. Each year the Association and the employer shall meet to verify a revised seniority list for publication and distribution by October 1. The list shall specify the seniority ranking of each employee by name and the amount of seniority accumulated as of the previous June 30. A copy of the list shall be distributed to each employee and the Association.

- D. Upon satisfactory completion of the probationary period, the employee's seniority date shall be retroactive to the last date of hire. A probationary employee shall receive paid leave or holiday pay during her/his probationary period. Should the employee be dismissed or not complete the probationary period, these paid leaves and/or holidays will be deducted from any remaining paychecks.

ARTICLE X
Transfers and Vacancies

- A. A vacancy shall be defined as a newly created or an unoccupied position in the bargaining unit to be filled when there is no employee who can claim the position by return from leave of absence or by recall. The employer shall determine if and when a position is to be filled or eliminated and shall inform the Association of such determination.
- B. All vacancies shall be posted for a period of at least five (5) work days in a conspicuous place in each school building. Such posting shall be dated, contain the job title, classification level, building assignment, pay range, anticipated hours and length of year to be worked. Any position posted as part-time shall be reposted if the hours for the position are expanded to full-time within one year of the initial posting.
- C. Employees shall make application in writing to the Superintendent of Schools or designee. The Association shall be given a list of applicants prior to the interviewing and/or testing of applicants, if testing is required.
- D. Vacancies shall be filled by the most qualified applicant. Should an internal applicant apply, they will be given an automatic interview for any open position within the contract. An internal candidate is defined as an individual currently working in this bargaining unit position or on layoff status from this bargaining unit position.

The interview panel for any open position must include leadership from the Secretary Association. The President of the Association will be offered a seat first on the interview committee. Should that person be an applicant for the open position or declines the seat, the Vice-President will be offered a seat on the interview committee. Likewise, if the Vice-President has also applied or declines, administration would then default to the Treasurer or Secretary of the Association to be a part of the interview committee. The Secretary Association leadership may decline to participate in the interview.

The employer may give a skills test for any open or vacant position. That skills test shall be shared with the Association member that is a part of the interview committee, but not prior to interview day.

A consistent process will be followed for each interview and every applicant will be given the same opportunity.

- E. During the summer months, notice of vacancies shall be sent electronically to the bargaining unit members, posted and given to the Association.

- F. When hiring a secretary, if the proposed placement is other than step 1, the Association and Administration agree to discuss the step placement, taking into consideration length of service in the SJESA Association and SJPS as well as outside secretarial experience.
- G. If the needs of the district cannot be served with the present placement of a secretary, the Superintendent may make a reassignment or transfer within the same classification, without loss in compensation, if the transfer is in the best interest of the school district. However, prior to taking such action, the Superintendent will consult with the President of the Association and seek his/her counsel.

If such involuntary transfer cannot be resolved, the union shall have the right to go to expedited binding arbitration before the transfer will take place. The costs shall be borne by the losing party.

ARTICLE XI
Reduction of Personnel

- A. In the event the employer decides a reduction of personnel is necessary, it shall determine which positions within the classification level to be reduced will be eliminated. An employee whose position has been eliminated will be reduced, unless the employee to be reduced is qualified and possesses the requisite skills and ability to perform the position of a less senior employee in the classification level, whose position has not been eliminated. An employee who is displaced by a more senior employee whose position has been eliminated shall likewise be reduced, unless the displaced employee is qualified and possesses the requisite skills and ability to perform the position of a less senior employee in the classification level, whose position has not been eliminated. This procedure shall result in the reduction of the least senior employees in the classification level, who have been displaced and/or whose positions have been eliminated and cannot displace any less senior employee in the classification level.
- B. Employees reduced from a classification level shall have the option to accept layoff or be placed in a position in a lower classification level, if there is a less senior employee who can be displaced and the more senior employee is qualified and possesses the requisite skills and ability to perform the duties of the less senior employee to be displaced. Employees who are placed in a position in a lower classification shall not lose recall rights to their former classification level.
- C. Employees to be reduced shall be notified at least thirty (30) days prior to the effective date of the layoff.
- D. Employees shall be recalled to available positions within their original classification level from which they were reduced in order of greatest seniority, provided the most senior employee is qualified and possesses the requisite skills and ability to perform the duties of the available position. Notice of recall shall be sent to the recalled employee by certified mail return receipt requested to the last known address on file with the employer. A copy of the notice shall be sent to the Association President at the time of mailing the original notice.
- E. If there are no laid off employees from a classification level in which a position becomes available who can be recalled, laid off employees from other classification levels may apply for the position and the most senior applicant who is qualified and possesses the requisite skills and ability to perform the duties of the available position shall be awarded the position if there is no applicant with better results from the testing procedures, unless the testing procedure is waived in this instance by mutual agreement of the Association and the employer.
- F. Return to a position upon the expiration of a leave of absence shall in all respects be subject to the operation of the provisions of this Article should the employer decide a reduction of personnel is necessary.

- G. Employees shall be given at least fifteen (15) days notice of any reduction in hours. In the event the employer determines that a reduction in hours of positions is necessary, an employee whose hours are reduced may displace a less senior employee in a position within the same classification level that would restore the employee to the original number of hours worked, if the employee whose hours are reduced is qualified and possesses the requisite skills and ability to perform the less senior employee's position and there is a less senior employee who is qualified and possesses the requisite skills and ability to perform the reduced hours position. Displacement of less senior employees shall be consistent with the procedures of Section A, except that no less senior employee shall be laid off because of reduced displacements.

- H. An employee desiring to exercise the right to displace a less senior employee according to the provisions of this Agreement shall notify the employer within two (2) working days of the receipt of the notice of layoff or reduction in hours. No movement of persons shall be done until all movement in the chain of displacements has been determined.

ARTICLE XII Grievance Procedure
--

- A. A grievance shall be defined as an alleged violation, misinterpretation or misapplication of the expressed terms and conditions of this contract.
- B. The grievant(s) and the Association representative shall be released from duty with no loss of pay to attend grievance meetings and hearings scheduled by the Administration or Board during the working of the grievant(s) and/or representatives.
- C. No reprisals of any kind shall be taken against any employee for participation in any grievance proceeding.
- D. The grievant(s) and/or Association shall handle grievances. The Board hereby designates the employee's immediate supervisor to act as its representative at Level One as hereinafter described and the Superintendent or his designated representative to act at Level Two as hereinafter described.

Where the grievant is the Association and the grievance involves a matter of Association rights and/or employees from more than one building, Level One may be set aside by mutual agreement of those involved at Level One, and the grievance will then be advanced to Level Two. If no agreement is reached on setting aside Level 1, the grievance will proceed at Level 1 within the prescribed time limits.

- E. The term "days" as used herein shall mean scheduled work days. Time limits may be extended only upon mutual agreement of the parties. Any grievance not answered within the time limits by the Board, may be advanced to the next step by the Association. Any grievance not pursued by the Association within the time limits shall be deemed dropped by the Association.
- F. Written grievances as required herein shall be filed on the grievance form set forth in Appendix B of this Agreement.
- G. Level One – a grievant and her/his Association representative alleging a violation of the express provisions of this contract shall within ten (10) days of when the employee knew or should have known of the occurrence, orally discuss the grievance with the immediate supervisor or his/her designee in an attempt to resolve same.

If no resolution is obtained within two (2) days of the discussion, the grievant shall reduce the grievance in writing and submit the written grievance to the immediate supervisor within three (3) days of said discussion. The immediate supervisor shall have five (5) days from the date the written grievance is submitted to render his/her disposition in writing.

If no resolution is reached within ten (10) days of the discussion, or the decision is unsatisfactory to the Association, the grievance may be appealed by the Association to Level Two within fifteen (15) days of the discussion at Level One.

Level Two – A copy of the written grievance shall be forwarded to and filed with the Superintendent or his designated agent. The Superintendent or the designated agent shall sign and date the grievance. Within five (5) days of receipt of the grievance, the Superintendent or his designated agent shall arrange a meeting with the grievant and the designated Association representative, to discuss the grievance. Within five (5) days of the discussion, the Superintendent or his designated agent shall render his decision in writing, transmitting a copy of the same to the grievant, the Association Secretary, the employee's immediate supervisor in/on which the grievance arose, and place a copy of same in a permanent file in his office.

If no resolution is reached within ten (10) days of the discussion, or the decision is unsatisfactory to the Association, the grievance may be appealed by the Association to Level Three within ten (10) days of the discussion at Level Two.

Level Three – A copy of the written grievance shall be filed with the Board and/or their designated agent as specified in Level Two. The Superintendent or the designated agent shall sign and date the grievance. Within five (5) days of receipt of the grievance, a meeting shall be scheduled, to be held within fifteen (15) days of the receipt of the grievance, between the Board or a committee of the Board and the grievant and/or the designated Association representative, to discuss the grievance. Within five (5) days after the next scheduled Board meeting, the Board or its designated agent shall render its decision in writing, transmitting a copy of the same to the grievant, the Association, the employee's immediate supervisor, the Superintendent and place a copy of same in a permanent file in the Board Office.

Level Four – Individual grievants shall not have the right to process a grievance at Level Four:

1. If the Association is not satisfied with the disposition of the grievance at Level Three, or if no disposition has been made within the time limits set forth in Level Three, the Association may submit the grievance to binding arbitration before an impartial arbitrator by filing a demand for arbitration with the American Arbitration Association, within twenty (20) work days of the Level Three disposition or the deadline for the disposition. The arbitrator shall be selected according to the rules of the American Arbitration Association, which shall likewise govern the arbitration proceedings. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground, or to rely on any evidence, not previously disclosed to the other party. The arbitrator shall have no authority to alter, ignore, modify, add to, or subtract from the terms of this agreement. The arbitrator shall have no authority to make a decision in any case of discharge or discipline of a probationary employee. The arbitrator shall have no authority to make a decision in any matter based upon an interpretation of any statutory law for which there is an administrative agency created by state or federal statute which has jurisdiction to determine the legal rights of the grievant. Both parties agree to be bound by the award of the arbitrator made within the scope of authority. The fees and expenses of the arbitrator shall be paid as follows:

- a. If the grievance is sustained and the remedy sought by the Association is awarded in full the Board shall pay the fees and expenses in full.
 - b. If the grievance is denied in full the Association shall pay the fees and expenses in full.
 - c. If the grievance is neither sustained in full nor denied in full the fees and expenses of the arbitrator shall be shared on a percentage basis as determined by the arbitrator.
 2. Employees who are necessary participants in an arbitration hearing as an Association representative or witness in the proceedings shall be released from duty without loss of pay for the time necessary to represent or testify as the case may be, provided the hearing is held on the employer's premises. If the hearing is not held on the employer's premises, employees may use personal business leave or the Association may reimburse the employer for necessary substitute costs, unless the employer initiates the request for the hearing to be held away from its premises. An attempt shall be made to schedule arbitration and attendance of employees at times which will avoid or minimize release from work.
- H. All documents, communications and records dealing with a grievance shall be filed separately from personnel files of the participants.
- I. Access shall be made available to records of all privileged information necessary to the determination and processing of the grievance.
- J. A grievance may be withdrawn at any level without prejudice or record. However, if, in the judgment of the Grievance Committee, the grievance affects a group of secretaries, the Grievance Committee may process the grievance at the appropriate level.
