Any employee who works over and above the regular 40 hour week will be compensated at 1½ times his/her regular hourly wage. Whenever the situation arises that requires work over and above the regular 40 hour work week, assignments of personnel will be made by the supervisor involved and will be scheduled equally among employees.
- B. Employees will be paid every other Friday. Should the payday fall upon a Friday when work is not scheduled, employees will be paid the last day work is scheduled prior to said payday, if possible.
- C. Employees required in the course of their work to drive personal vehicles from one school building to another, shall receive a vehicle allowance set equal to federal government standards rounded down to the nearest cent at July 1 annually. The same allowance shall be given for use of

- B. Telephone facilities shall be made available to employees for their reasonable use.
- C. Adequate parking facilities shall be made available to employees for their exclusive use.
- D. Notwithstanding their employment, employees shall be entitled to full rights of citizenship and no religious or political activities of any employee or the lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such person. The private and personal life of any employee is not within the appropriate concern or attention of the Board.
- E. A Liaison Board will be established consisting of the supervisor, two (2) bus drivers and the Assistant Superintendent/Business Manager. The Liaison board may meet each month on a designated day to discuss issues that cannot be resolved between the Supervisor and the Bus Drivers. This may be done during the monthly staff meetings.
- F. The Assistant Superintendent/Business Manager or a representative will attend bus driver meetings whenever possible.
- G. Priority will be given to members of this contract for extra trips, when a school bus is required, before the assignment is given to non-members. If no reasonable contacts are made or member's refuse, non-members will be assigned. The extra trip list sign-up sheet for the following week shall be posted by 2:00pm on the preceding Wednesday, and remain posted until 9:00am on the preceding Friday while in effect, and assignments must be prepared and need to be posted by 4:00pm upon the last day of the scheduled work week, whenever possible.
- H. Transportation for Student Activities: In general, the transportation of student groups for scheduled activities including athletics and fine arts activities will be on pupil transportation vehicles driven by unit members. There are, however, some circumstances under which the transportation of such groups may be in private vehicles driven by parents or non-unit school employees, district vans or station wagons driven by non-unit school employees, or by public or private transport contracted by the district. Such cases will be determined by administration for the purpose of convenience, comfort, or cost effectiveness. In such cases, the appropriate administrator will convey the details and rationale regarding the decision to the Union.
- I. Special Needs Students: In cases where the behavior of a student directly related to the student's legally identified disability or handicapping condition may potentially manifest itself on district transportation (as determined by administration), a representative of the transportation department will be involved in either; a.) A consultation with district personnel related to child study's investigation regarding the student; b.) A MET meeting regarding the student; c.) An IEPC planning meeting regarding the student; or d.) The student's IEPC.

- J. Overflow Work Outside the Unit: The district has a history of making work available to transportation unit employees that is not assigned to a specific unit, that is beyond the capacity of a specific unit, or that is seasonal work in cases where it is not cost effective to hire additional year round employees. The district will continue to consider transportation unit employees for such work when district finances allow and when it is financially to the district's advantage to do so. This language is not to be interpreted as precluding sub-contracting such work, assigning such work to the bargaining unit in which the work logically exists, hiring temporary personnel or students to perform such work, or eliminating such work completely.
- K. The employer agrees to provide the Union with a minimum of four months notice of its intention to seek the sale or contracting out of any of its services and to meet and discuss the impact of that decision with the Union. The employer will provide the Union with a list of all employees who stand to be adversely affected by such contemplated action, all information to the Union regarding contractor bids, in-house estimates of costs, service quality standards, administrative costs, staffing, wages, benefits, and any other requested information, if available.

ARTICLE VI
VACANCIES AND PROMOTIONS

- A. Whenever any vacancy in any position or any new position including extension of hours in the District shall occur, the Board shall publicize the same by giving written notice of such vacancy to the Federation and providing for appropriate posting in every school building. No vacancy shall be filled except in case of emergency on a temporary basis until such vacancy shall have been posted for at least five (5) working days.
- B. Any qualified employee may apply for such vacancy. In filling such vacancy, the Board agrees to give due weight to the background and attainments of all applicants, the length of time each has been in the unit and other relevant factors. An applicant with less service in the unit shall not be awarded such position unless his/her qualifications as outlined in job description and/or job posting therefore shall be substantially superior to applicants with greater seniority. The Board declares its support of a policy of promotions when merited from within its own staff, including promotions to supervisory or executive levels. Seniority in the unit, for purposes of this Agreement, shall mean continuous employment as an employee of the bus driver unit, but shall exclude all periods when the employee was on leave of absence for any cause.
- C. In filling vacancies when substitute drivers have made application, the criteria for filling a position shall be based on qualifications, quality of work, evaluations, and other relevant factors. Seniority as a criteria shall also be considered but lesser in importance than the above criteria.
- D. Employees shall not be guaranteed any position which would cause the individual to work in excess of 40 hours per week for regular runs.
- E. In case of transfer or promotion, there will be no reduction to present pay scale. Three consecutive refusals for substitute work for a substitute driver require that the substitute drop to the bottom of the seniority list for full time available positions and also to the bottom of the substitute list for seniority.
- F. A position may have up to ½ hour added to the original posted hours without reposting the position. It is understood that the Bus Driver Employees Federation will receive notification of the increase in hours beyond the posted hours.

ARTICLE VII
SENIORITY, LAYOFF, AND RECALL

SENIORITY

- A. No later than thirty (30) days following the ratification of this Agreement and/or by September 30 thereafter, a seniority list shall be prepared by the Board and submitted to the Union for approval. The Union may request an updated seniority list to be approved at staff meetings.
- B. In the event that a reduction of personnel shall become necessary, the following method shall be used in determining the order of retention for all other employees:
 - 1. Any employee who requests layoff will be laid off first.
 - 2. Those employees with the greatest seniority in the unit shall be retained; provided that they qualify for a position and said position is not claimed by an employee with greater seniority who meets the requirements of the paragraph.
 - 3. If two or more employees are found to have equal status in (2) above, the employee possessing the most seniority in the bargaining unit shall be retained.
 - 4. If two or more employees are found to have equal status in (2), and (3) above, the employee originally employed by the district at the earliest date shall be retained.
 - 5. If two or more employees are found to have equal status in (2), (3) and (4) above, the employee with the highest last four social security digits shall be retained.
- C. The seniority list shall be published and copies furnished to the Union. Periodic revisions shall be derived, published and distributed in the same manner.
- D. All seniority is lost when there is both a severance of employment and a break in service, unless this is due to layoff. In such cases, provisions of the seniority clause shall prevail.

LAYOFF

- A. Reduction in Personnel
 - 1. No employee shall be laid off pursuant to a necessary reduction in personnel unless there is substantial decrease in the students enrolled in the school district, there is substantial decrease in the revenues of the school district or there are other substantial budgetary considerations which shall have detrimental effect on the district. The decision as to the existence of cause for necessary reduction in personnel shall be subject to the grievance procedure.
 - 2. No employee shall be discharged pursuant to a necessary reduction in personnel.
 - 3. No employee shall be laid off pursuant to a necessary reduction in personnel for any school year or portion thereof unless said employee shall have been notified of said layoff at least forty five (45) days prior to the commencement of the layoff period.
- B. Layoff Benefits
 - 1. An employee who has acquired thirty years of service and attained an age of fifty five years may, at his/her option, take an early retirement. The Board agrees to provide insurance benefits as provided herein until such time as the employee qualifies for Medicare.

2. When reduction of staff is necessary, all requested leaves of absence for any reasonable purpose shall be granted by the Board.
3. A laid off employee shall receive insurance benefits as herein provided for a period of six months following the effective date of his/her layoff, or until equally covered by a subsequent employer, whichever is less.
4. The Board and the Union shall jointly establish a priority substitution list, based upon seniority as described herein, including all bargaining unit members affected by layoff. Such list shall be used in the selection of members to substitute for any employee on sick leave or other types of leaves.

RECALL

- A. It is the responsibility of laid off employees to maintain a current address with the Board of Education.
- B. Laid off employees shall be recalled to the first vacancy for which they are qualified in reverse order of layoff. All laid off employees shall be recalled immediately upon the resolution of any crisis which may have precipitated the reduction in staff.
- C. A laid off employee shall be considered laid off until he/she is reinstated in the district, refuses an offer from the Board of a position for which he/she is qualified, fails to respond within fourteen days of its receipt to a written offer of a position made by the Board, or is laid off for a period of time equal to the length of time the employee has worked in the unit. After the layoff period has expired, all seniority rights are forfeited.
- D. Notifications of a recall shall be in writing with a copy to the Union. The notification shall be sent by certified mail to the employee's last known address.
- E. A laid off employee shall be given fourteen (14) days to notify the Board that he/she is interested in a position and an address through which he/she may be contacted. Failure to notify within fourteen (14) days can be considered a resignation. If an employee notifies the Board as required above, said employee shall be placed on the layoff list with all the rights to which he/she was entitled under this Article to any subsequent opening for which he/she is qualified.
- F. Recalled employees shall be entitled to all sickness and leave benefits as provided herein. Utilization of such benefits or an existing necessity for utilization of such benefits shall not be considered proper reason for failure to recall or reinstate.
- G. No new employee shall be employed by the Board while there are employees in the unit who are laid off.

ARTICLE VIII SICK LEAVE

- A. An employee who is unable to work because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence without pay for the duration of such illness or disability until the end of the current school year and the leave of absence will be renewed each year upon request in writing by the employee. The employee on a leave of absence that exceeds 90 work days will not accrue seniority. This reduction in seniority will be reflected on the seniority list.

- B. Absence due to injury or illness incurred in the course of the employee's employment shall not be charged against the employee's sick leave days and the Board shall pay to such employee the difference between his/her salary and benefits received under the Michigan Workmen's Compensation Act for the duration of his/her absence.
- C. An employee shall not suffer diminution of compensation and shall not be charged with sick leave if the employee's absence is due to mumps, scarlet fever, measles or chicken pox, head lice, scabies or pink eye.

All monitoring or observation of the work performance of an employee shall be conducted openly and with full knowledge of the person involved. The use of eavesdropping, closed circuit television, public address or audio systems and similar surveillance devices shall be strictly prohibited. This does not preclude the gathering of this information based on reasonable cause or substantiated charges.

An employee shall at all times be entitled to have present a representative of the Union when he/she is being reprimanded, warned or disciplined for any infraction of discipline or delinquency in performance. When a request for such representation is made, no action shall be taken with respect to the employee until such representation of the Union is present.

No employee shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any advantage without just cause. Any such discipline, reprimand or reduction in rank, compensation or advantage, including adverse evaluation of employee performance or violation of ethics asserted by the Board or any agent or representative thereof shall be subject to grievance negotiations procedures hereinafter set forth.

Substitute bus drivers will be evaluated annually specifically detailing strengths and weaknesses.

ARTICLE XI
PERSONNEL FILES

For Evaluative, Disciplinary or Derogatory Statements:

- A. No materials may be in a employee's personnel file unless the employee has had an opportunity to review the material. The employee may submit a written notation regarding any material, within 10 working days, and the same shall be attached to the file copy of the material in question.
- B. If a employee believes that material placed in his/her file is inappropriate or in error, he/she may receive adjustment, provided cause is shown through the grievance procedure, whereupon the material will be corrected or expunged from the file.
- C. An employee must be requested to sign material placed in the individual's personnel file. Such signature shall be understood to indicate the individual's awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material.
- D. If an employee should refuse to sign material to be placed in his/her file, it shall be signed by that employee's representative and building chairman. These signatures shall indicate that said employee has been made aware of this material, but has refused to sign it.
- E. Each employee shall have the right, upon request, to review the contents of his/her own personnel file. A Union representative may be requested by the employee to accompany the employee in such review.
- F. No employee shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such discipline, reprimand or reduction in rank, compensation or advantage, shall be subject to all the machinery of the grievance procedure hereinafter set forth.
- G. Employees are expected to comply with reasonable rules, regulations and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement. An employee may reasonably refuse to carry out an order which threatens his/her physical safety or well being, and/or may violate employee's legal rights and responsibilities.
- H. The Union will use its best efforts to secure correction of unprofessional behavior by an employee, which behavior shall be reported by the Board or its representatives to the employee and to the Union within three school days of occurrence.

ARTICLE XII
PROTECTION OF EMPLOYEES

- A. The Board will give all reasonable support and assistance to employees with respect to the maintenance of control and discipline in the workplace. When the pupil requires special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take reasonable steps to relieve the bus driver of responsibilities with respect to such pupil.
- B. Any case of assault upon an employee shall be promptly reported to the Board or its designated representative.
- C. Time lost by an employee in connection with any incident mentioned in this Article shall not be charged against the employee, unless he/she shall be judged guilty by a court of competent jurisdiction from whose decision no appeal has been taken or found guilty through the internal disciplinary process.

- D. Employees shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, except in the case of gross negligence or gross neglect of duty for any damage or loss to person or property.

ARTICLE XIII
GRIEVANCE PROCEDURE

- A. A grievance is an unsettled complaint by an employee, group of employees, or the Union alleging that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or any existing rule, order or regulation of the Board relating to wages, hours or terms and conditions of employment.
 - 1. The grievance procedure shall not apply to any matter which is prescribed by law or state regulations over which the Board is without power to act.
 - 2. No dispute over the modification of this Agreement shall be made the subject of a grievance.
- B. If the Grievance Board is unable to resolve the issue, a formal grievance may be filed within five (5) work days of the determination that this is so, on the form set forth, annexed hereto, and signed by the grievant and Union representative, which form shall be made available to each Building Representative. A copy of the grievance form shall be delivered to the principal or supervisor.
- C. If a grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him/her.
- D. Within three (3) school days or three (3) calendar weeks, whichever is earlier, after receipt of the grievance, the principal or supervisor shall meet with the Union Grievance Committee in an effort to resolve the grievance. The principal or supervisor shall indicate his/her disposition of the grievance in writing and the supporting reasons therefore, within three (3) days of such meeting and shall furnish a copy thereof to the Union.
- E. Within twenty (20) school days after the delivery of the decision, the grievance may be appealed to the Superintendent.
- F. Within ten (10) school days after delivery of the decision, the Superintendent or his designee shall meet with the Union Grievance Committee on the grievance and shall indicate his disposition of the grievance in writing, along with the reasons therefore, and shall furnish a copy thereof to the Union.
- G. Within ten (10) school days after delivery of the decision of the Superintendent or his designee, the grievance may be appealed to the Board of Education by filing a written copy of the grievance accompanied by copies of previous decisions, with the Secretary or other designee of the Board.
- H. The Board, no later than its next regular meeting, or two (2) calendar weeks, whichever is later, shall hold a hearing on the grievance. At such hearing, the aggrieved shall have the right to be represented by Union Counsel. Participants in this hearing, including witnesses, shall be given at least three (3) days notice of the hearing.
- I. Within seven (7) days after this hearing, the Board shall communicate its decision in writing, together with supporting reasons, to the principal, the Superintendent, the Union, Counsel for the Union (if any) and to the aggrieved.
- J. Within ten (10) days after receipt of the decision of the Board, the Union may appeal the decision to binding arbitration under the auspices and rules of the American Arbitration Association.

K. General Principles

1. The Board and the Union shall not be permitted to assert in arbitration any ground or to rely on any evidence not previously disclosed to the other party.
2. A grievance may be withdrawn at any level.
3. When hearings and conferences are held during duty hours, all persons who are entitled to be present at the hearing or conference pursuant to this Article whose duty hours are affected shall be excused with pay for that purpose.
4. No decision or adjustment of a grievance shall be contrary to any provision of this Agreement.
5. Failure at any step of the grievance to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of a procedure within the time which would have been allotted had the decision been given. Failure to file a written grievance within the time specified at each step shall bar the grievance. Failure to appeal a decision within the specified time limits shall be deemed a withdrawal of the grievance and shall bar further appeal.
6. The time limits specified in this procedure may be extended in any specific instance by mutual agreement, which agreement shall be reduced to writing and signed by the parties. The arbitrator shall be bound by the time limits set forth herein and shall have no power to extend such limits.
7. The arbitrator shall have no power to alter, add to or subtract from the terms of this Agreement.
8. The Employer and the Union each shall bear the full costs for representative counsel in the arbitration.
9. The arbitrator's fees shall be assessed against the parties in a proportion to be determined by the arbitrator.
10. It is the intention of the parties, where possible, that the issues to be arbitrated, the relevant facts comprising the issues, and the remedy or remedies sought shall be jointly stipulated by the Board and the Union, or if the parties are unable to agree to such stipulation, each party of interest shall submit a written stipulation of the issues to the arbitrator in advance of the hearing date.
11. The primary purpose of this grievance procedure is to secure equitable solutions at the closest supervisory level possible. The parties mutually agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.

- L. If any employee for whom a grievance is sustained shall be found to have been unjustly discharged, he/she shall be reinstated with full reimbursement of all compensation lost. If he/she shall have been found to have been improperly deprived of any other compensation or advantage, the same or its equivalent in money shall be paid to him/her.
- M. No grievance shall be adjusted without prior notification to the Union and opportunity given to the Union to be present.
- N. Notwithstanding the expiration date of this Agreement, any grievance arising thereunder may be processed to completion under the procedures contained herein.

A Grievance Board will be established consisting of the employee and two members of the Union. The Grievance Board shall meet to discuss union contract problems which may arise from time to time among the employees. If the Grievance Board cannot resolve the problem, one member of the Grievance Board (selected by the Board) shall present the problem to the Assistant Superintendent/Business Manager.

ARTICLE XIV
OTHER PROVISIONS

- A. It is contemplated that matters not specifically covered by this Agreement, but of common concern to the parties, shall be subject to negotiations between them from time to time during the period of this Agreement, upon request by either party to the other. The parties undertake to cooperate in arranging the meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters.
- B. Negotiations for a new Agreement shall begin at a time, date and place mutually determined by the Board and the Union. Either party may initiate such request and negotiations shall proceed at the earliest time practicable following the request.
- C. Neither party shall have any control over the selection of the bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and a majority of the membership of the employees but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, concessions in the course of negotiations, subject only to such ultimate ratification.
