Time spent on layoff or unpaid leave of absence shall not accumulate as service time for seniority but shall not constitute a break in continuous employment. Employees on medical leave shall continue to accumulate seniority up to one year. Seniority is not cumulative among seniority wage classifications and may be exercised only within the wage classification in which it is accumulated. Movement from one wage classification to another shall not terminate seniority the employee has accumulated in any other wage classifications previously, provided there has been no break in continuous employment.
- B. The seniority wage classifications of the bargaining unit are as follows:

Two (2) copies shall be furnished to the Association President on August 15 of each year. If there is no challenge to the seniority list within ten (10) workdays of the Association President’s receipt of the seniority list, such list shall be considered final and not subject to the grievance procedure. - E. Seniority shall be lost by an employee upon termination or resignation. Any person previously employed and rehired after having terminated his/her employment shall begin as a new hire from his/her most recent date of hire and shall not retain any seniority from his /her previous employment with the Board. An employee who accepts a supervisory position with the Board shall retain the right for one year to exercise all seniority earned in the seniority classifications of the bargaining unit for return to a bargaining unit position and the period of service in the supervisory position shall not constitute a break in continuous employment and shall not accumulate as service time.

ARTICLE V – ASSIGNMENTS, VACANCIES AND TRANSFERS

- A. A vacancy shall be defined as a newly created or an unoccupied position in the bargaining unit to be filled when there is no employee who can claim the position by return from leave of absence or by recall from layoff. A vacancy can also occur if an employee is on extended disability leave. The Board shall determine when a position is to be created, continued, suspended, or eliminated.
- B. An assignment shall be defined as the number of hours doing a particular job at a particular site.
- C. A transfer shall be defined as a voluntary change of assignment.
- D. Job descriptions may be obtained by all current bargaining unit members and by all new bargaining unit members when hired by the Board. The descriptions will include at a minimum:

- F. After the expiration of the posting period, the Board shall fill the position by transferring the most senior employee from within the affected classification who makes a timely application. If no employee from the affected classification makes a timely application for the posted position, the position will be awarded to an applicant. In making the decision to award the position to an applicant, the Board will consider the relative qualifications, skills abilities and experience of the applicants including the length of

service in the School District and other relevant factors. The decision of the Board in filling the position shall be final. The applicant selected shall be notified in writing of his/her selection and the time and place to report for work. Employee applicants not selected shall be so notified.

- G. All employees shall be notified of their assignments by the Board in writing at least thirty (30) days prior to the beginning of their respective work years whenever possible. The assignment notices shall indicate the scheduled hours of the employees and their anticipated work years. The scheduled time of work hours of any employee may be modified upon written notice issued to the employee twenty-four (24) hours in advance or less in case of emergency. When a reduction in hours is necessary, the Board shall give the employee ten (10) workdays written notice of the reduction, except when less than two weeks' notice has been provided to the district by the ISD.
- H. A thirty (30) calendar day trial period will be given to all employees who transfer from within the bargaining unit to fill a vacancy. If at the end of the trial period, the employee's performance meets less than the minimum requirements, the Board may return the employee to the position he/she held before the transfer.

ARTICLE VI – LAYOFF AND RECALL

- A. The Board may determine in its discretion when and how it must reduce the hours worked by employees in the work force. The Board may decide to eliminate positions or reduce the hours of any positions in its discretion.
- B. When the Board determines it is necessary to reduce the size of the work force by elimination of positions in a seniority classification, employees in the seniority classification shall be reduced in order of least seniority within the seniority classification being reduced.
- C. An employee reduced from a position in his/her present seniority classification shall be retained in a position in another classification in which he/she has previously accumulated seniority, provided there is a less senior employee in that classification and the more senior employee possesses the skills and qualifications to perform the position.
- D. Employees shall be provided five (5) workdays' notice prior to the effective date of layoff.
- E. When positions become available in a seniority classification, employees who have been laid off from that seniority classification shall be recalled in order of greatest seniority within the seniority classification from which they were laid off, provided the employee possesses the skills and qualifications to perform the position. Recall rights to a position shall terminate one year from the date of layoff from the seniority classification.
- F. When the Board determines it is necessary to reduce the number of hours of any bargaining unit positions, an employee, in an effort to maintain the current number of hours worked, upon application, shall be placed in a position in his/her present seniority classification which would maintain his/her hours of employment and which is held by a

less senior employee, provided the reduced employee possesses the skills and qualifications to perform the position and the displaced employee can be retained in the classification in another position for which he/she possesses the skills and qualifications. An employee seeking to preserve his/her previous hours will be provided a fifteen (15) workday trial period within which to demonstrate his/her ability to perform the work. Any employee in a trial period may request in writing to his/her immediate supervisor to be removed from the new position. - G. Employees do not have the right to displace less senior employees in higher pay rate positions pursuant to a layoff or reduction of hours.

ARTICLE VII – DISCIPLINE AND DISCHARGE

- A. Upon satisfactory completion of the ninety (90) actual workday probationary period, an employee will not be disciplined or discharged without just cause.
- B. The Board will use a progressive/corrective discipline approach in assessing disciplinary measures. The disciplinary measure shall be appropriate to the misconduct or deficiency in performance. Discharge shall be appropriate for repeated misconduct or deficiency in performance where progressive disciplinary measures have been previously assessed or for serious misconduct or deficiency in performance, which justifies discharge in the first instance.
- C. Prior to taking disciplinary action, the Board shall conduct an investigation to determine the relevant facts and conduct an investigatory interview with the employee. In the investigatory interview, the employee, upon request may have an Association representative present. The employee shall be presented with the charges against him/her and provided an opportunity to respond.
- D. Employees shall be disciplined in private and may have their Association representative present.
- E. Upon request, an employee may review his/her personnel file according to the provisions of the Bullard Plawecki Employee Right to Know Act.

ARTICLE VIII – GRIEVANCE PROCEDURE

- A. This procedure is designed to promote resolution of contract interpretation disputes between the parties at the earliest possible time. A grievance is defined as a claim by an employee that there has been a violation, misinterpretation, or misapplication of the terms of the Agreement as to him or her or a claim by the Association that there has been violation, misinterpretation, or misapplication of the terms of the Agreement.
- B. Step One: The employee or the Association must file a grievance in writing within ten (10) workdays of the occurrence of the events upon which it is based. The substance of the grievance must have been discussed orally with the immediate supervisor prior to the filing of the grievance. The supervisor must have been advised in the oral discussion that

the events being discussed could form the basis of a grievance and the terms of the Agreement upon which it would be based. Failure to do so will invalidate the grievance. When a written grievance is filed with the immediate supervisor after the oral discussion and within ten (10) workdays of the occurrence of the events upon which it is based, the immediate supervisor may respond in writing within ten (10) workdays following receipt of the written grievance.

If the employee or the Association is not satisfied with the written response of the immediate supervisor or if no response is made within the ten (10) workday period allowed for the response, the employee or the Association may appeal the grievance to Step Two within five (5) workdays from the date of the supervisor's written response or the deadline for the response, whichever occurs first.

Step Two: A copy of the written grievance with any responses shall be filed with the Superintendent or his/her designated representative. Upon receipt of the written grievance within the timelines provided for appeal, the Superintendent shall arrange to meet with the Association representative within ten (10) workdays to discuss the grievance. The Superintendent shall have ten (10) workdays following the discussion within which to respond in writing to the employee or the Association representative.

If the employee or the Association is not satisfied with the written response of the Superintendent or if no response is made within the timeline specified, the Association may appeal the grievance to the Board of Education by filing a copy of the grievance and any responses with the Secretary of the Board of Education within five (5) workdays after receipt of the Superintendent's response or the deadline for the response, whichever occurs first.

Step Three: If the grievance is not satisfactorily resolved at Step Two, within ten (10) workdays of receipt of the Step Two decision, the UniServ Director may submit the grievance to non-binding grievance mediation to be facilitated by the Michigan Employment Relations Commission. If the Association and the Board do not reach a settlement of the grievance, the Association may submit the grievance to Step Four.

Step Four: Upon receipt of the written grievance within the timeline for appeal, the Board of Education at its next regularly scheduled meeting shall appoint a Committee of the Board to hear the grievance. The Committee of the Board shall arrange to meet with the Association representative and the Superintendent to hear the grievance which may include a presentation of relevant testimony and documentary evidence by the respective representatives. At the next regular Board meeting the Board of Education shall make a determination and render its decision on the grievance. The decision shall be reduced to writing and provided to the Association within ten (10) workdays of the Board meeting.

- C. Failure of the employee or the Association to appeal a grievance to the next level of the procedure within the time limits specified shall be deemed withdrawal of the grievance and acceptance of any response provided by the Board. Failure of any representative of the Board to respond at any level within the timelines specified shall enable the

Association to appeal to the next level of the grievance procedure within the designated timelines.

- D. Grievances involving discharge of an employee shall be initiated at Step Two of the procedure by filing a written grievance with the Superintendent or his/her designated representative within five (5) workdays of the date of discharge. The Grievance shall be processed thereafter according to the provisions of Step Two and Step Three of the grievance procedure.
- E. Any grievance filed must be submitted in writing and conform to the following criteria:
 - 1. It shall state the date submitted to the Board.
 - 2. It shall state the date of the events upon which it is based.
 - 3. It shall be specific, state a synopsis of the facts giving rise to the alleged violation and cite the provisions of the Agreement alleged to have been violated.
 - 4. It shall state the relief requested.
 - 5. It shall be signed by the grievant or grievants.

Any document submitted as a grievance which does not conform to these requirements may be rejected as improper, and such rejection shall not extend the period within which to file a timely and properly stated grievance.

- F. The time limits as set forth herein shall be strictly adhered to but may be extended by mutual agreement of the parties confirmed in writing.
- G. The content of any job description or evaluation shall not be a subject for grievance. The qualifications, certifications and/or licenses required for any position shall not be a subject for grievance. The performance expectations established for any position shall not be a subject for grievance.

 4. The District reserves the right to limit the number of employees in each building who are on vacation at the same time.
- E. Scheduling of vacation may be requested at any time. However, no vacations may be taken the week prior to the opening of school or during the last week of school. Consideration will be given to granting vacation requests during these two weeks for special circumstances.
- F. Vacation requests will be granted or denied on a first come, first served basis, within five (5) workdays of their receipt by District administration. If more than one request is received on the same day for the same vacation date(s) and all of the requests cannot be granted, the requests will be denied in reverse seniority order. That is, the request of the least senior employee will be denied first.

- G. Vacation time must be used within the fiscal year (July 1 through June 30). An employee may not waive his/her vacation and receive extra pay for work during that period. No later than April 1 of any given year, each employee shall have used or scheduled for use all of his/her paid vacation time for that fiscal year.
- H. Employees whose employment ends for any reason (including death) shall be paid for all of the unused paid vacation they were eligible to use as of July 1 of the fiscal year in which their employment ends. Normally, the actual employment end date will be listed as the date on which the employee's unused paid vacation time is exhausted.
- I. Effective September 1, 1999, an employee who has worked for the District at least ten years and who gives notice of his/her intent to resign or retire shall be eligible for payment of accrued vacation benefits in accordance with the following conditions.
 - 1. All unused vacation time available as of July 1 of the fiscal year in which he/she resigns or retires shall be paid in full in accordance with Paragraph H above.
 - 2. Vacation accruing during the fiscal year in which he/she retires or resigns (available for use the following July 1) shall be paid on a pro-rata basis. For example, an employee resigning or retiring as of January 1 would have accrued and would be paid for 1/2 the vacation time he/she would become eligible to use on the next July 1.
- J. Employees who are dismissed and whose dismissals are not overturned shall forfeit payment of vacation accrued, but not yet eligible for use by the employee. Dismissed employees will be paid for paid vacation time they are eligible to use but have not yet used. (See paragraph H. above.)

ARTICLE XII – HOLIDAYS

- A. All employees shall receive their regular daily rate of pay for the following holidays, which fall within their scheduled work year. That is, the holiday must be at least one day after the first day an employee is scheduled to report to work for the year, and at least one day before the last day an employee is scheduled to report to work for the year.

Holiday	Sec./Clerk	Parapro
Labor Day	X	X
Thanksgiving Day	X	X

Christmas Eve	X	X
Christmas Day	X	X
New Year's Eve	X	X
New Year's Day	X	X
Good Friday	X	X
Memorial Day	X	X

- B. The employee must work his/her scheduled workday immediately prior to and immediately following the holiday to receive pay for the holiday. An employee who uses paid leave (including paid vacation) for a day's absence shall be considered to have worked the day. Granting of paid leave prior to or following holidays and breaks shall be awarded at the discretion of the superintendent through the formal approval process.
- C. Pay for a holiday shall be equal to the employee's normal daily pay. Each employee shall be paid his/her regular rate of pay for the number of hours he/she is regularly scheduled to work.

ARTICLE XIII – OVERTIME

- A. Employees shall be paid at the rate of one and one-half (1½) times their regular rates for all hours worked in excess of forty (40) hours in the same work week. Employees shall be paid one and one-half (1 ½) times their regular rate for any hours worked on Saturdays and double their regular rate for any hours worked on Sundays and Holidays. All hours worked, including overtime, must be submitted to the employee's supervisor on a timesheet. All overtime must be preapproved by the employee's supervisor. Failure to follow these requirements will result in denial of overtime pay. The Board, with written agreement of the employee, may utilize compensatory time as compensation for overtime hours worked according to the limits and procedures established and applicable by law.
- B. Overtime shall be offered first to the employees in the classification according to the seniority among those with qualifications and experience necessary to perform the duties of the position where overtime is required. If the overtime is not in a specific building, then it shall be awarded in rotation according to seniority within the classification. Any claim related to distribution of overtime hours shall be resolved by assignment of the next available hours until the discrepancy is eliminated.
 - 1. Employees who do not wish to work overtime may request in writing not to be considered for overtime. Such requests shall last from September 1 through August 31 of any given school year.
 - 2. Employees in a given classification within a building shall be offered overtime according to seniority before offered to employees in different classification.
 - 3. In the event everyone in a given building turns down an overtime opportunity, the overtime shall be offered to the next person in the classification that meets the qualifications necessary to perform the duties.
- C. The District reserves the right to hire temporary help to perform overtime work, which must be done when all employees in the classification refuse the work, or are unavailable.

ARTICLE XIV – INSURANCE BENEFITS

- A. For employees that are employed thirty hours or more per week, the Board will pay the Essentials by MESSA’s single subscriber rate for the duration of this Agreement. The Essentials by MESSA single subscriber is \$590.52 per month. Effective January 1, 2024, both parties agree that the increased single subscriber rate will be applied. For employees that decide to not select the insurance offered above, the Board will pay a cash in lieu amount of \$500.00 per month effective September 1, 2023, in accordance with the Board’s Section 125 Cafeteria Plan. In order to ensure that eligible employees receive cash-in lieu in compliance with the Patient Protection and Affordable Care Act (“PPACA”), the following conditions must be met: (1) the employee voluntarily and in writing opts out of the available medical health care plan; and (2) provides documentation to the Superintendent’s designee that the employee has other medical health care coverage that meets the minimum value and coverage requirements of the PPACA.

Consistent with PA 152 of 2011, the “monthly cost” of health insurance shall include fees, assessments, commissions, and taxes which come from the insurance carrier, company agent, Insurance Provider Assessment Act, the Patient Protection and Affordable Care Act (“PPACA”), or other costs required to be accounted for under PA 152.

The health insurance cap shall first be applied to medical premiums, then second to any payment, if any, made by the Board during the “medical benefit plan coverage year,” toward Board reimbursement of copays, deductibles, or payments into health reimbursement arrangements, health savings accounts, flexible spending accounts, or similar accounts used for health care costs.

- B. Employees scheduled for twenty (20) or more hours, but less than thirty (30) hours of work each week of their scheduled work year shall be eligible for one-half (1/2) of the payment made for those working thirty (30) hours or more each week of their scheduled work year.
- C. The Board will make payment of premiums for a dental care program comparable to the Delta Dental Plan C 50/50 for all employees regularly scheduled to work thirty (30) hours or more each week of their scheduled work year.
- D. Dual coverage for spouses shall not be permitted where both individuals are employed in this bargaining unit and are otherwise eligible for coverage.
- E. Changes in family status shall be reported by the employee to the business office within thirty (30) days of such change.

ARTICLE XV – EVALUATION

- A. The Board may conduct formal written evaluations of employee performance. Employees will be able to discuss and establish written goals. Should the Board conduct written evaluations of employees, employees shall be informed of the procedure and criteria to be

used prior to any evaluation being conducted. The Association shall be consulted and provided a reasonable opportunity to make recommendations with regard to the evaluation instrument prior to its implementation or modification.

- B. The employee shall be provided a copy of any written evaluation and shall sign the evaluation acknowledging receipt of a copy of the document.
- C. A conference shall be held with the employee to discuss the content of the evaluation and provide the employee an opportunity to discuss its content. The employee may attach a statement to the evaluation with his/her comments and/or concerns noted.
- D. If an employee is placed on an improvement plan, the employee must show progress toward meeting the established goals. If the goals are not met, the employee may be subject to discharge for just cause.

ARTICLE XVI – DURATION OF AGREEMENT

A. Entire Agreement

This Agreement constitutes the sole and entire existing Agreement between the parties and supersedes all prior practices, whether oral or written, and expresses all obligations imposed upon the Board and the Association. This Agreement shall supersede any rules, regulations or practices of the Board, which shall be contrary to or inconsistent with its terms. All future individual employee agreements shall be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board. This Agreement is subject to amendment, alteration or additions only by a subsequent written Agreement between and executed by the Board and the Association. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

B. Separability

If any specific provision of the Agreement or any specific application of this Agreement to any employee or group of employees shall be found contrary to law, then such specific provision or specific application shall be deemed null and void but all other provisions or applications shall continue in full force and effect.

C. Waiver

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Therefore, the Board and the Association for the life of this Agreement each voluntarily and unqualifiedly waives the duty and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

D. Continuity of Operations

The Association recognizes that strikes by public employees as defined by Section 1 of the Public Employment Relations Act of Michigan, as amended, are contrary to law and public policy. The Board and the Association subscribe to the principle that differences shall be resolved by appropriate and peaceful means, in keeping with the high standards of the profession, without interruption of the school program. Accordingly, the Association agrees that during the term of this Agreement, it will not direct, instigate, participate in, encourage or support any strike against the Board by any employee or group of employees.

E. Term of Agreement

This agreement shall be effective upon ratification and shall continue in effect until the 30th day of June 2024. This agreement shall not be extended orally and it is expressly understood that all of its terms shall expire on the date indicated.

F. Contract Administration

Matters of common concern may be subject to negotiation during the period of this Agreement upon the request and mutual agreement of both parties.

The Association shall designate employees in each of the buildings as stewards. The principals and Association representatives may meet periodically to review the administration of the contract and to resolve problems which may arise. These meetings are not intended to bypass the grievance procedure.

G. Supplementary Agreements

Any supplementary agreement which is reduced to writing and signed by the parties shall become and be a part of this Agreement without changing any other terms of this Agreement.

H. Successor Negotiations

No later than April 15 of the final year of this Agreement, or unless mutually agreed upon, the parties will meet to discuss a negotiation schedule for a new contract covering wages, hours, terms, and conditions of employment. Matters of common concern may be subject to negotiation during the period of this Agreement upon the request and mutual agreement of both parties.

ARTICLE XVII – EMERGENCY MANAGER

An emergency manager appointed under the Local Financial Stability and Choice Act, MCL 141.1501 *et seq.*, may reject, modify, or terminate this collective bargaining agreement as provided in the Act.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by their duly authorized representatives.
