SECTION 1.5 - CONTINUITY OF OPERATIONS

- A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this Agreement.

- B. If a regularly scheduled day of instruction is canceled, those recognized in the recognition clause of this agreement will not be required to report to work the first six (6) days.

SECTION 1.6 - SCHOOL CALENDAR

- A. A committee comprised of both representatives of the School Board and members of the Association will convene each spring to make appropriate adjustments and changes to the school calendar. The committee will review legal requirements as provided by the Michigan School code to meet parameters required by law.

SECTION 1.7 - PROFESSIONAL GRIEVANCE PROCEDURE

- A. A grievance is a claim by a teacher or the Association that there has been a violation, misinterpretation or misapplication of any provision of this Agreement. Said grievance may be processed by the following procedure.

- B. In the event that a teacher believes there is a basis for a grievance, he/she shall first discuss the alleged grievance with the Superintendent either personally or accompanied by the Association representative within fifteen (15) school days of the alleged grievance. Within ten (10) school days after discussion of the grievance, the Superintendent shall give the disposition orally to the teacher and association. School days shall be defined as student instructional days during the school year and days when the central office is open during the summer.

- C. If the grievance is not resolved informally, the teacher shall, within ten (10) school days of receipt of the Superintendent's disposition, to utilize the formal grievance procedure in Section 6.3 signed by the grievant and a representative of the Association, a copy of the grievance form shall be delivered to the Superintendent.

- D. Within five (5) school days of receipt of the grievance, the Superintendent shall meet with the Association in an effort to resolve the grievance. The Superintendent shall indicate his/her disposition of the grievance in writing within five (5) school days of such meeting and shall furnish a copy thereof to the Association.

- E. If the Association is not satisfied with the disposition of the grievance by the superintendent or if no disposition has been made within five (5) school days of such meeting-or ten (10) school days from the date of the original filing, whichever shall be later, the grievance shall be taken to mediation

as provided by the Michigan Employment Relations Commission. It is agreed that three members of the Board of Education will be assigned by the Board to participate in the mediation process. The parties may, by mutual written agreement, move the grievance from the superintendent's decision directly to arbitration.

- F. If the grievance remains unresolved, it may be submitted for binding arbitration by the Association, provided that written notice for submission to arbitration is delivered to the Board of Education/Designee within twenty (20) school days of the date of the final meeting of the parties with the mediator. Following the written notice of request for submission to binding arbitration, the parties will meet within ten (10) school days in an attempt to mutually select an arbitrator. If the parties cannot agree, the arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The Board and the Association shall not be permitted to assert in such arbitration proceedings any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may not be entered in any court of competent jurisdiction.
- G. The fees and expenses of the arbitrator shall be shared equally by the parties.
- H. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- I. Notwithstanding the expiration of this Agreement, any claim or grievance arising there-under may be processed through the grievance procedure until resolution.

The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:

1. The termination of services or failure to re-employ any teacher to a position on the extra-curricular schedule;
2. Any prohibited subject of bargaining.

The powers of the arbitrator are subject to the following limitations:

1. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this agreement.
2. He/she shall have no power to decide any question which, under this agreement, is within the responsibility of the administration to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of administration and shall so construe the agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by the agreement.
3. He/she shall have no power to interpret state or federal law.
4. He/she shall not hear any grievance previously barred from the scope of the grievance procedure.
5. More than one grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent of the parties and then only if they are of similar nature.
6. Where no wage loss has been caused by the action of the board complained of, the board shall be under no obligation to make monetary adjustments and the arbitrator shall have no power to order one.
7. Arbitration awards of grievance settlements will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based.
8. The arbitrator shall have no power in the termination of services or failure to re-employ any

probationary teacher unless the discharge is for Association activities.

SECTION 1.8 - NEGOTIATION PROCEDURE

- A. When requested by either party, representatives of the Board and Association bargaining teams shall meet within ten (10) school days to review the administration of the contract and resolve problems that may arise. These meetings are not intended to by-pass the grievance procedure. Two (2) school days prior to the meeting, each party will submit an agenda of what is planned to be discussed. Should the meeting result in a mutually acceptable amendment, it shall be submitted to the Board and Association for ratification. The Bargaining committee shall have power to effect temporary accommodation to resolve special problems.
- B. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations. A signed copy of any final Agreement shall be retained by the Board, Association, and the superintendent.

SECTION 2.1 – POSTINGS AND TEACHER STATUS

Vacancies shall be posted on the school website, in the staff lounge and at the mailboxes, or in the summer by email to all members of the association, with a copy being sent to the Association president. Vacancies shall be posted at least ten (10) days unless the parties agree to expedite, prior to the position being filled. Bargaining unit members may apply for such positions by submitting a written application to the administrator designated on the posting.
- B. Any teacher who shall be transferred to a supervisory or executive position and shall later return to a teacher status shall be entitled to retain such rights as he/she may have had under this Agreement prior to such transfer to supervisory or executive status.

- L. The rights granted herein to the Association shall not be granted or extended to any competing labor organization.

SECTION 2.3 - TEACHER QUALIFICATIONS AND ASSIGNMENTS

- B. At the request of the Association, or on the Board's initiative, arrangements may be made for after-school courses, workshops, conferences and programs designed to improve the quality of education and instruction. Every effort will be made to obtain people of the highest qualifications to participate in the presentation of such programs. All teachers desiring to attend shall be allowed to do so.
- C. Teachers shall not be required to attend any visitation, workshop, conference or program outside of the regular school day past 4:00 PM except by mutual agreement of the teacher.

SECTION 2.5 - SENIORITY

- A. Every September 30 the Board shall prepare a seniority list. Seniority is defined as length of service within the bargaining unit. All teachers shall be ranked on the list in the order of their effective date of employment. In the circumstance of more than one individual having the same effective date of employment, all individuals so affected will participate in a drawing to determine placement on the seniority list. The Association and teacher so affected will be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected teachers and Association representatives to be in attendance.
- B. The seniority list shall be published and posted conspicuously in all buildings of the district by October 15 of each school year. Each teacher will be given a copy. The seniority list shall include each member's areas of certification, as well as his/her effective date of employment. Revisions and updates of the seniority list shall also be published and posted as they are made. - H. During a period of impending layoffs, the Board may grant requests for voluntary leaves of absence to teachers who make such requests

SECTION 2.6 - PROFESSIONAL BEHAVIOR

SECTION 2.8 - ELEMENTARY ART/MUSIC/PHYSICAL EDUC. INSTRUCTION

- A. The Board shall provide, to the best of its ability, specialized instruction in art, music and physical education for all elementary students.

SECTION 2.9 - SCHOOL IMPROVEMENT

- A. The provisions of this Section shall apply to all School Improvement teams, committees and plans as provided in Section 1277 of the Revised School Code.
1. In the event that any provision or decision of a school improvement team or committee violates, contradicts, or is inconsistent with the terms of the Master Agreement, the Master Agreement will prevail.
 2. Any provision of a school improvement team or committee, or application thereof, affecting the wages, hours, and/or other terms and conditions of employment, or the impact of wages, hours, and/or other terms and conditions of employment on a bargaining unit member must first have the written approval of the Association and Board prior to being adopted or implemented.
 3. Copies of all school improvement committee reports, recommendations and minutes shall be provided by the committee secretary to the Association President and the Superintendent within ten (10) school days of the meeting.
 4. No school improvement team or committee shall address wages, fringe benefits or contract grievance.
 5. The Building Improvement Team shall direct its efforts toward achieving state mandates with emphasis on the state Core Curriculum and the achievement of school accreditation.
 6. After implementation of this plan as outlined above, it will remain in effect until the Board or the Association desires to modify, alter, or eliminate the plan. At that time the Board and Association shall meet to negotiate any changes.

SECTION 2.10 - RIGHTS OF THE BOARD

- A. The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and constitution of the state of Michigan, and of the United States including, but without limiting the generality of the foregoing, the following rights:
1. To the executive management and administrative control of the school system and its properties and facilities and the activities of its employees in and around the school area during the school day.

2. To hire all employees, to determine their professional qualifications and the conditions for their continued employment, or their dismissal or demotion; and to promote and transfer all such employees, subject to the provisions of law.
 3. To establish grades and courses of instruction, including special programs, and to provide athletic, recreational, and social events for students, all as deemed necessary or advisable by the Board.
 4. To decide upon the means and methods of instruction, the selection of textbooks and other teaching materials and the use of teaching aids of every kind and nature in conjunction with its faculty.
 5. To determine class schedules, and the duties, responsibilities, and assignments of teachers.
 6. To establish, change, combine, or discontinue departments.
- B. The exercise of its powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms of this Agreement are in conformance with the constitution and laws of the state of Michigan and the constitution and laws of the United States.
- C. The Board specifically reserves the right of free communication with any and all of its employees for the purpose of evaluating the functions and accomplishments of the school system.

SECTION 2.11 - MENTOR TEACHERS

- A. A mentor teacher shall be defined as a Master Teacher as identified in section 1526 of the School Code and shall perform the duties of a Master Teacher as specified in the code. The mentor teacher may be a bargaining unit member.
- B. Each teacher in his/her first three (3) years in the classroom shall be assigned a mentor teacher by the Administration after consultation with the Association. The mentor teacher shall be available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion.
- C. A mentor teacher shall be assigned in accordance with the following:
1. The District may select mentors from within or from outside the District faculty.
 2. Mentors shall be teachers with a minimum of three full years teaching experience.
 3. Participation as a mentor shall be voluntary.
 4. The assignment of the mentor teacher shall be finalized by the Administration within twenty (20) work days of the beginning of the mentee's employment starting date.

5. The mentee shall only be assigned to one (1) mentor teacher at a time.
 6. The mentor teacher assignment shall be for one (1) year, subject to review by the mentor teacher and mentee after two (2) months. The appointment may be reviewed in succeeding years. If at any time the mentor or mentee becomes dissatisfied with the arrangement, either individual shall notify the administration which will select a new mentor.
- D. Upon request, the administration shall make available reasonable released time so the mentor teacher may work with the mentee in his/her assignment during the regular day. Where possible, the mentor teacher and mentee shall be assigned common preparation times.
- E. The mentor teacher shall receive one compensatory day per semester as compensation for serving as a mentor. The purpose of the mentor/mentee match is to acclimate, the mentee and to provide necessary assistance toward the end of quality instruction. Neither the mentor teacher nor the mentee shall be permitted to participate in any manner related to the evaluation of the other. Further, the mentor teacher shall not be called as a witness in any grievance or administrative hearing.

SECTION 3.1 - ACADEMIC FREEDOM

- A. The parties seek to educate young people in the democratic tradition, to foster recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and Bill of Rights, and to instill an appreciation for the values of individuals. It is recognized that these democratic values can best be transmitted in an atmosphere which is free from censorship and artificial restraints upon free inquiry and learning, and in which academic freedom for teacher and student is encouraged.
- B. Academic freedom shall be guaranteed to teachers, and no special limitations shall be placed upon study, investigation, presenting and interpreting facts. Teachers will be expected and supported in their teaching of the State of Michigan Standards for public education.

SECTION 3.2 - STUDENT DISCIPLINE AND TEACHER PROTECTION

- A. Since the teacher's authority and effectiveness in his/her classroom are undermined when students discover there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it appears a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians, or other professional persons, the Board will take reasonable steps to provide such services.
- B. Discipline problems are less likely to occur in classes which are well taught and where a high level of student interest is maintained. When discipline problems occur, they may most constructively be dealt with by encouragement, praise, and emphasis upon the child's desirable characteristics.
- C. A teacher may exclude a pupil from one class when the grossness of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his/her teaching obligations will allow, full particulars of the incident.

- D. Suspensions of students from school may be imposed only by a principal or his/her designated representative. School authorities will endeavor to achieve correction of student misbehavior through counseling and interviews with the child and his/her parents when warranted. When a student exhibits serious behavioral issues, the administration may incorporate behavioral specialists from the ISD to assist the student and develop an action plan for student interventions.
- E. Any case of assault upon a teacher shall be promptly reported to the Superintendent. MEA will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall render reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.
- F. If any teacher is complained against or sued as a result of any action taken by the teacher while in pursuit of his/her employment, MEA and the District's insurance company will coordinate to provide appropriate legal counsel and render all necessary assistance to the teacher in his/her defense.
- G. Time lost in pursuit of resolution of such a situation shall not be charged against the teacher unless the teacher is found negligent by a court of competent jurisdiction.
- H. The Board of Education will reimburse any damages to property that occurs in as a cause of employment, when it is deemed appropriate.
- I. No action shall be taken upon any concern by a parent of a student directed toward a teacher, nor shall any notice thereof be included in said teacher's personal file unless such matter is promptly reported to the teacher concerned.

SECTION 3.3 - TEACHING HOURS AND CLASS LOAD

- A. All teachers shall be in their assigned instructional areas and ready for work fifteen minutes before the beginning of classes or attending to instructional responsibilities. Teachers must be in their assigned instructional area(s) a minimum of five (5) minutes before the start of school. Teachers are required to remain at their instructional area of assignment or attending to instructional responsibilities for at least fifteen (15) minutes after the end of classes, with the first five minutes of this time to be spent in their assigned instructional area(s). On Fridays and days preceding a holiday, teachers may leave following the departure of busses, or fifteen (15) minutes following the close of the school day, whichever comes first, unless notified otherwise by the principal. The official school day for teachers will be seven (7) hours thirty (30) minutes, beginning at 7:45 a.m. and ending at 3:15 p.m.
- B. Teacher contract time will align with current Michigan Law from The State School Aid Act of 1979, Act 94, Section 388.1701 which states:

“Except as otherwise provided in this section, each district shall provide at least 1,098 hours and 180 days”

Association representatives will work with the superintendent to determine building-specific employee hours. Any deviation from the normal teaching hours will only be by mutual consent of the parties.

Annual student contact time is prescribed by Michigan School Code.

- C. Conferences with parents and other persons interested in the welfare of the child shall be scheduled after or before school hours at a mutually agreeable time for the parties concerned. Teachers shall not be required to hold said conferences without having agreed to the time set. Specifically, if a teacher is absent from a scheduled Parent Teacher conference Night, the teacher must reschedule time to meet with parents within ten (10) calendar days.
- D. Attendance at High School graduation shall be mandatory for all teaching staff. Staff are asked to come as participants. Every effort will be made to keep graduation on the first Friday after Memorial Day weekend each year. In certain circumstances absences may be accepted by the Superintendent with prior approval.
- E. Teachers are required to attend regular teachers' meetings as approved on the school calendar. Teachers' meetings shall normally be held on the same day of the week/month throughout the year. Meetings shall be dismissed by 4:00 P.M. unless mutually agreed upon by the administration and the Association, and there shall not be more than one meeting a month except in emergency situations. Special teachers' meetings may be called whenever necessary but attendance shall be mandatory only when said meeting notification is given at least 72 hours in advance. Teachers whose college classes are interrupted, or who are otherwise currently employed in extra or co-curricular activities during this time are excused from special meetings, with prior permission from the principal or superintendent.
- F. The normal weekly teaching load in the middle and high school will be a combination of up to 30 teaching periods and five unassigned preparation periods, or not to exceed five hours thirty (30) minutes of pupil contact per day. Assignment to a supervisory study period shall be considered a teaching period for purposes of this requirement. The normal weekly teaching load in the elementary school will be up to 30 teaching periods, or not to exceed five hours thirty (30) minutes of pupil contact per day. There shall be a minimum of sixty (60) minutes of prep time for all K-12 teachers each day. Prep time shall be used by teachers for planning, assessment review, project preparation, parent phone calls and documentation. It is understood that administrative requests for IEPs and various other meetings take away from teacher prep time.
- G. All teachers shall be entitled to a duty-free uninterrupted lunch period of at least 30 minutes, except by mutual agreement of the staff and administration. Staff meetings held during lunch time take the place of monthly after school meetings.
- H. Elementary teachers may use for preparation all time during which their classes are receiving instruction from various teacher specialists. If no such period occurs during either half of a class day, a 15 minute relief period shall be provided. In any event, elementary teachers are to be granted as much non-student contact time as secondary teachers receive.
- I. No departure from these norms, except in case of emergency, shall be made without prior consultation with the Association and the administration. In the event of any disagreement between the representatives of the Board and the Association as to need and desirability of such deviation, the matter may be processed through the professional grievance procedure.
- J. If a teacher shall teach more than the normal teaching load as set forth in this Article, he/she shall receive additional compensation as follows:
 - 1. A percentage increase in the base pay will be provided to a teacher identical to his/her

additional work load, if he/she is assigned teaching responsibilities in excess of the normal teaching load and during the regular school year (i.e., a secondary teacher asked to teach a seventh hour would be paid an additional 17% of the base pay.)

2. Teachers requested to substitute for another teacher during their preparation period, may elect to be paid for that hour at their hourly rate of pay, or to take compensatory time.

Items 1 and 2 will apply on a voluntary basis.

- K. A teacher engaged during the school day in negotiating on behalf of the Association with any representative of the Board or participating in any grievance process, including arbitration, shall be released from his/her regular duties without loss of salary. The Association shall reimburse the district for the cost of substitutes no payment into the retirement system will be made for those days unless they are made by the employee.

SECTION 3.4 - TEACHING CONDITIONS

- A. The parties recognize that optimum school facilities for both student and teacher are desirable to ensure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach, and the organization of the school and the schoolday should be directed toward ensuring that the energy of the teacher is primarily utilized to this end.
- B. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be lowered wherever possible to meet the following optimum standards except in traditional large group instruction or experimental classes where the Association has agreed in writing to exceed these maximums.
- C. The split classroom is defined as a single class with two (2) or more grade levels in it and junior high and senior high classrooms where two (2) or more subjects are being taught during the same time period by a single teacher. Because of the additional preparation this involves, these classrooms shall be limited in size to 80% of the corresponding regular classroom.
- D. Conformity to the Individuals with Disabilities Education Act (I.D.E.A.) will be maintained. The Board will not pay additional compensation for caseload overloads in the district's special education classrooms, but will compensate for individual class size overloads (as defined by the Michigan Administrative Rules for Special Education) in a matter equivalent to 2 times that paid regular education teachers for class size overloads, as outlined in 3.4F.

The maximum number of students allowed in a section / class is 35. When a section / class reaches 36, the section / class will be split into two sections. Therefore the largest class a teacher will have is 35.

- E. Elementary teachers who are assigned classes which exceed these maximum standards shall receive additional compensation for those days that the class size is actually exceeded.
 1. Compensation = $\frac{\text{Teacher's Base}}{\text{Student Days X maximum students per child per day}}$
 2. Compensation shall be paid on an annual basis.

- F. Secondary teachers' overload payment for each class shall be as follows:
1. Compensation = $\frac{\text{Teacher's Base}}{\text{Student Days X 5 X maximum load}}$
 2. Compensation shall be paid on an annual basis.
- G. The Board recognizes appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection and use of such educational tools and the Board undertakes promptly to implement all joint decisions thereon made by its representatives and the Association. The Board agrees at all times to keep the schools reasonably equipped and maintained.
- H. The Board and the Association mutually recognize the importance of continuous use of adequate teaching reference material in maintaining a high level of professional performance. In furtherance of that recognition, the Board shall provide a teacher reference library in the school district and include therein all texts which are reasonably requested by the teachers of the district.
- I. The Board agrees to make available to each school duplicating, facilities. Whenever the administration has available clerical personnel, they will provide that personnel to aid teachers in the preparation of the instructional materials. The Board shall provide:
1. A separate desk for each teacher in the district with a lockable drawer space.
 2. Suitable closet space for each teacher to store coats, overshoes, and personal articles.
 3. Adequate marker-board space in every classroom.
 4. Copies, exclusively for each teacher's use, of all texts used in each of the courses he/she is to teach.
 5. Current reference materials for classrooms at all levels.
 6. Adequate attendance books, paper, pencils, pens, chalk, erasers, and other such material required in daily teaching responsibility.
 7. Adequate storage space in each classroom for instructional materials.
 8. Smocks for art and home economics teachers, laboratory coats for laboratory science teachers, and shop coats for vocational and industrial education teachers. Proper laundering services for all said items shall be provided without charge to the teacher.
- J. Under no condition shall a teacher be required to drive a school bus as part of his/her regular assignment.
- K. The Board shall reserve, in each school, adequate professional staff lunchroom and restroom lavatory facilities exclusively for adult use. One room, appropriately furnished, shall be reserved for use as a faculty lounge. One room, appropriately furnished, shall, when available, be reserved for use as a faculty workroom.

- L. Telephone facilities shall be made available to teachers for their reasonable use, both personal and business.
- M. Adequate off-street parking facilities shall be provided and properly maintained and identified for teacher use.
- N. Teachers shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety, or well-being.

SECTION 4.1 - PROFESSIONAL DEVELOPMENT AND PERSONAL BUSINESS DAYS

- A. A teacher may apply for professional development days for the purpose of:
 - 1. Visitation to view other instructional techniques or programs; or
 - 2. Conferences, workshops, or seminars conducted by colleges, universities, and other school systems. A teacher may be requested to file a written report within one week of his/her attendance at such a visitation, conference, workshop or seminar. Such days are subject to approval by the administration. Each teacher is entitled to take one (1) such day each contract year at their own discretion. Only those activities approved by the administration will have expenses reimbursed by the district. No more than (4) teachers will be allowed to attend such discretionary day(s) on any one day.
- B. The Board agrees to pay all reasonable actual expenses for teachers attending approved conferences for meals, lodging, registration fees and mileage at the current I.R.S. rate.
- C. Additional expense reimbursement may be authorized at the discretion of the Board/Superintendent.
- D. At the beginning of every school year each teacher shall be credited with four (4) days to be used for the teacher's personal business. A personal business day may be used for any purpose at the discretion of the teacher. A teacher planning to use a personal day, or days, shall present a request to his/her principal at least one week in advance, except in cases of emergency. One unused personal business day may accumulate as a personal business day the next year up to six (6) total; otherwise, unused personal business days shall accumulate as sick leave.
- E. No more than three (2) teachers may take a personal business day at any one time. These shall be granted on a first-come, first-served basis. If substitutes are available, the superintendent may authorize more than three (3) teachers to be absent.
- F. A teacher called for jury duty or to give testimony before any judicial or administrative tribunal (unless the teacher is a witness against the district or the teacher is a party) shall be compensated for the difference between the teaching pay and the pay received for the performance of such obligation. Absence of this nature shall not be counted against personal business days.
- G. The Association shall be entitled to a total of three (3) school days with pay per year to be utilized by the Association as needed (subject to cancellation due to unavailability of substitutes or other emergencies) provided, however, such time is to be utilized only for the necessary business purposes of the Association and

is specifically denied for MERC hearings, ~~and~~ arbitration use and the employee's retirement shall be paid by the employee upon request. The Association shall bear the cost of substitutes required for any of these Association days.

SECTION 4.2 - UNPAID LEAVES OF ABSENCE

- A. A military leave of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty in any branch of the United States. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the district during such period.
- B. A leave of absence that falls under the guidelines of the Family and Medical Leave Act shall be guided by the regulations under that Act.
- C. A general leave of absence without pay or advancement on the salary schedule may be granted upon approval by the Board. A teacher granted such leave shall return to the salary schedule receiving full increments up to the time of the leave, but not during said leave.
- D. A general leave of absence of one or two years without pay or advancement on the salary schedule may be granted by the Board for the purpose of participating in exchange teaching programs; foreign or military teaching programs; the Peace Corps, Teacher Corps or Job Corps; study at an accredited college or university reasonably related to his or her professional responsibilities; or for campaigning for or serving in a public office.
- E. Provided that the medical insurance carrier will so allow, teachers on a general leave of absence will be able to continue, at their expense, medical benefits for a period of up to one year.
- F. A teacher granted such leave shall return to the salary schedule receiving full increments up to the time of the leave, but not during said leave.
- G. A teacher may have the right to request an extension of any leave covered in this Article for a period not to exceed one (1) additional year (and be added to accumulated sick leave.)
- H. It is agreed that unpaid leaves of absences described in Section 4.2 will be strictly confined to the use stipulated.

SECTION 4.3 - ILLNESS AND DISABILITY

- A. At the beginning of each school year, each teacher shall be credited with nine (9) days of leave, the unused portion of which shall accumulate from year to year up to 100 days. The leave days may be taken by a teacher for the following reasons and conditions: for personal illness or disability including illness caused by or contributed to by pregnancy, miscarriage, or abortion, childbirth and recovery; for attending to personal or family needs due to a death; or for attending to a member of the family who is ill.

- B. A teacher may use all available leave days credited to him/her for personal illness, up to four days for each occurrence of family needs due to a death, and up to four days for each occurrence of family illness. If so requested, a teacher may reimburse the school for the substitute teacher daily rate of pay for two (2) additional days for each occurrence of family needs due to a death, or family illness.
- C. The Board shall furnish each teacher with a written statement each school year setting forth their total sick leave credit. This shall be completed by October 15th.
- D. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence without pay for a period of one year and at the Board's discretion may be renewed each year upon written request by the teacher. The Board agrees to continue to provide the health insurance benefits provided for by this collective agreement for the waiting period needed for the teacher to become eligible for Long Term Disability not to exceed what is already in 5.1 Insurance, 90 day fill or if applicable per FMLA.
- E. Absence due to injury or illness incurred in the course of the teacher's employment shall not be charged against the teacher's sick leave days, and the Board shall pay to such teacher the difference between his/her salary and benefits received under the Michigan Worker's Compensation Act for the first 90 days of such absence. On the sixtieth (60th) day of disability, the Board shall request the paperwork from MESSA and provide for it to be sent to the teacher for placement on Long Term Disability. The teacher will apply for L.T.D. by the eightieth (80th) day of disability. When the teacher has been placed on L.T.D. the Board's responsibility for compensation to the teacher shall cease at that time, or when the teacher, at his or her discretion, has exhausted accumulated sick leave on a proportional basis, whichever comes last. Additional sick leave shall not accumulate.
- F. Because it is very important to the uninterrupted education of the students to have the regular teacher in the classroom each day of the school year, the Board will encourage excellent attendance by providing a \$200 stipend to each teacher who takes zero (0) sick or personal days during any school year.
- G. A teacher leaving the district after at least seven years of service will be paid for unused sick leave in the following manner: 25% of total number of sick days up to one hundred (100) multiplied by that teacher's daily rate. Teachers terminated for any reason will not be eligible for such pay-out.

Teacher's sick days will be capped at 100 total days of accumulation. At the end of each year any days in excess of 100 days will be paid as unused sick leave in the following manner: 25% of total number of sick days multiplied by that teacher's daily rate.

Upon retirement teachers will in writing indicate by May 1st of their last year of employment, to the bookkeeper one of the following options for sick leave payout. 1) Lump sum at the end of the teachers final year of employment, 2) lump sum amount spread over two consecutive years beginning with the next year, and 3) lump sum amount spread over three consecutive years beginning with the next school year.

SECTION 4.4 - SICK BANK

- A. A sick bank is hereby established consisting of one (1) day per member per year. Sick days will be contributed by each Association member. Days will stop accumulating when at the beginning of a school year the bank

totals more than 180 days. Accumulation will begin again only at the request of the Association.

- B. The local Association will have absolute control in administering this bank. Local Association members wishing to utilize the bank will make application to the local Association. The Superintendent, or his/her designee, shall be a part of the Sick Bank Application Review Committee.

SECTION 5.1 - INSURANCE PROTECTION

- A. The Board shall provide health insurance to each employee with Board contributions per state law. The Board will pay the maximum “hard cap” amount. The difference for the medical premium less the “hard cap” amount will be paid by the employee through payroll deduction.

The medical premium for full-time teachers, choosing MESSA Choices II or MESSA ABC HSA Plan protection for a full twelve (12) month period for the teacher and his/her eligible dependents as defined by MESSA and its underwriter, shall be included in the “hard cap” amount.

Ancillary benefits shall not be included in the hard cap amount, including Life Insurance and shall be paid for by the district. Those employees foregoing medical insurance coverage are entitled to Plan B – ancillary benefits, as paid for by the district.

SECTION 5.2 - PROFESSIONAL COMPENSATION

- A. New hires may be given credit on the salary schedule set forth in Section 5.3 for outside teaching experience in any public school in Michigan and other teaching experience for which credit is allowed.
- B. A teacher's hourly rate of pay shall be figured by the following formula:

$$\frac{\text{Base Salary}}{\text{Contract Days} \times 6} = \text{Hourly Rate}$$

The number of contract days shall be determined by the number of days in the school year for which student attendance is counted. This figure is to be determined prior to the first day of school from the contracted school calendar.

- C. Any individual contract between the Board and an individual teacher, heretofore executed, shall be subject to and consistent with the terms and conditions of this Agreement and any individual contract hereafter executed shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties.
