Section 1.2 Recognition

The Pellston Public Schools Board of Education by former resolution recognizes the Pellston Education Association, MEA-NEA, as the exclusive bargaining representative to the extent defined in Act 379, Public Acts of 1965, for all professional personnel, including personnel on tenure or probation, certified classroom teachers, employed or to be employed by the Board (whether or not assigned to a public school building), but excluding substitute teachers, full time or part time, vocationally certified personnel, supervisory and executive personnel, and office and clerical employees. The term "teacher," when used hereinafter in the Agreement, shall refer to all employees represented by the PEA/MEA/NEA, in the bargaining or negotiation unit as above defined, and references to male teachers shall include female teachers.

The Board agrees not to negotiate with any teachers' organization other than that organization recognized as the bargaining representative of the teachers. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance involving the interpretation and application of the provisions of this Agreement, and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this Agreement provided that the Association has been given opportunity to be present at such adjustment.

Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under the Michigan General School Laws or applicable civil service laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

Section 1.3 Witnesseth

It is contemplated that matters not specifically covered in negotiation of this Agreement but of common concern to the parties shall be subject to discussion. Both parties shall have the right to bargain in the usual manner. Any agreement reached as a result of discussions with the Superintendent or the Board becomes, after approval of the Board, an addendum to this Agreement.

Section 1.4 Extent of Agreement

The parties agree that all aspects of the school calendar except the first day of school and/or other days or breaks specified by state law are negotiable, including length of the school year, and further agree that the school calendar shall be set forth in Section 1.10. Any deviation shall be by mutual consent.

Section 1.5 Duration of Agreement

This agreement and provisions hereto, when signed by the proper officers of the Board of Education and Association shall become operative as of September 1, 2023, unless otherwise stated herein, and shall continue through August 31, 2026, and shall continue in full force and effect from year to year thereafter unless written notice is given by either party on or before May 1 of each year thereafter requesting that the agreement or sections thereof be renegotiated. The notice shall contain the sections to be negotiated.

- B. Bargaining unit members may apply for such position by submitting a written application to the personnel office within the posting period.
- C. The right of determination of teacher employment is vested in the Board of Education, or its designated representative.
- D. The Board supports filling professional staff vacancies including vacancies in supervisory positions from within the district. Further, it is the Board's intentions to fill every vacancy with the best available candidate.
- E. Any teacher who shall be transferred to an Administrative or executive position, within the Pellston District, and shall later return to teaching status, shall be entitled to retain (1) any accumulated sick leave days as have been earned prior to and during the teacher's administrative service, as well as (2) time served as a teacher for purposes of determining seniority as may be applicable within other parts of this agreement.

Section 2.2 Association Rights

Pursuant to Act 379, of the Public Acts of 1965, the Board agrees that every employee of the Board shall have the right to freely organize, join and support an Association for the purpose of engaging in collective bargaining of negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his membership in an Association, his participation in any activities of an Association or collective professional negotiations with the Board, or his institution of any grievances, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

The Board agrees to furnish to the recognized negotiation unit in response to reasonable requests from time to time information concerning the financial resources of the district, tentative budgetary requirements, and allocations and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers.

Section 2.3 Teacher Qualifications and Assignments

The parties agree that the district shall follow all regulations as set forth by the Michigan Department of Education (state and federal laws) with respect to teacher certification and qualifications.

A person who is eligible for the Michigan substitute, temporary or emergency certification shall be employed only in cases of extreme necessity and where the teacher has outstanding

credentials. In no event will such a person be employed in a regular full-time position for the remainder of the school year.

In so far as possible, all teachers shall be given written notice of their tentative teaching assignment for the forthcoming year.

All professional staff shall have on file with the Superintendent of Schools up-to-date official transcripts, certificates and record of credits earned toward advanced degrees. Official records must be filed with the Superintendent of Schools no later than September 15.

Any assignments in addition to the normal teaching schedule during the regular school year, including extra duties, and summer school courses, shall not be obligatory, but shall be with the consent of the teacher.

Administration may ask teachers to cover another teacher's classroom during their planning time when a sub is not available. Any teacher asked has the right to refuse. Any teacher asked by their administrator and who agrees to use planning time to cover another teacher's class shall receive the current hourly rate in Schedule B for their time or be offered equal compensatory time off with scheduling of such time off granted with the approval of the administration.

If a teacher shall be asked to teach more than the normal teaching load as set forth in this agreement, he shall receive the ratio of one to total number of hours in school day as additional compensation. Teachers shall not be assigned extra teaching periods without their consent.

Section 2.4 Reduction, Personnel, Recall, Seniority

- A. The parties hereto acknowledge, appreciate, and agree that it is within the sole discretion of the Board of Education to reduce, terminate, modify and/or suspend any and all educational programs or activities because of student enrollment, financial ability, interest, and/or demands, the existence or merits of which shall be determined by the Board of Education.
- B. Every effort will be made to notify staff by June 30 of the current year regarding reductions for the following year. If reductions are necessary the Board shall endeavor to give notice of layoff to individual teachers involved at least thirty (30) calendar days prior to the effective date of the layoff. Example: the District determines layoffs are necessary effective September 1, 2016. The District would provide notification to the employee no later than August 1, 2016.
- C. A laid off teacher may continue his/her health, dental and life insurance benefits by paying monthly normal per subscribed group rate premium for such benefits as stipulated by the insurance carrier.
- D. Should the Board choose to initiate a recall, notice of recall shall be sent by certified or registered mail to the teacher's last known address. It shall be the responsibility of the teacher to keep the Board informed of his/her current address. The Board's obligation regarding recall of a teacher shall be fully satisfied if the notice of recall is sent to the teacher's last known address. The teacher will have five (5) calendar days to indicate

his/her desire to accept an offer of recall, and the five (5) calendar days shall commence running on the date the notice of recall is mailed or delivered in person. The teacher must report to work by the date specified in the notice. In the event a teacher does not respond within the five (5) calendar day period, the teacher shall terminate all recall rights.

- a. A teacher's recall rights will not be terminated for refusing recall because of a contract with another school district if the teacher informs the District, in writing, of the date on which that contract will terminate.
 - b. However, if the teacher is offered a position for the next school year the teacher's refusal of the offer shall constitute the teacher's resignation and employment shall automatically terminate.
- E. No later than thirty (30) days following the ratification of the agreement, and by September 30 thereafter, the Employer shall prepare a seniority list. Seniority is defined as length of service within the bargaining unit and shall be computed from the bargaining unit member's first day of work since the most recent date of hire. All bargaining unit members shall be ranked on the list in the order of their date of hire. In circumstance of more than one individual having the same first day of work, all individuals so affected will participate in a drawing to determine placement on the seniority list. The Association and bargaining unit members so affected will be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected bargaining unit members and Association representatives to be in attendance.
- F. The seniority list shall be published and distributed to all teachers of the district by October 15 of each school year. The Association shall have 30 days to review and call to the attention of the administration any discrepancies in the list, and allow for administration to make the necessary corrections, after which time the list shall be considered accurate and final.
- G. All seniority is lost when employment is severed by resignation, retirement, or discharge for cause. However, seniority is retained if severance of employment is due to layoff or leave of absence. In cases of layoff, bargaining unit members so affected shall retain all seniority accumulated as of the effective date of layoff, but shall not continue to accrue seniority while on layoff status. A laid off teacher shall lose his/her seniority if not recalled after one (1) year from the date of layoff.
- H. It shall be the responsibility of each bargaining unit member to notify the Employer of any change of address.
- I. In the event that this district shall be combined with one or more districts, the Board will use its best efforts to assure the continued employment of its personnel in the consolidated district.

Section 2.5 **Discipline of Teachers**

- A. All information forming the basis for disciplinary action will be made available to the teacher and the Association, pursuant to the Bullard-Plawecki Act (Act 397 of 1978).
- B. Any complaint made against a teacher or person for whom the teacher is administratively responsible, by any parent, student, or other person, will be promptly called to the attention of the teacher.
- C. If a teacher is to be disciplined or reprimanded by the Board or its agents, he shall be entitled to have a representative of the Association present, subject to the provisions of their federal Weingarten Rights. *NLRB v. J. Weingarten, Inc. 420, US 251.*

Section 2.6 **Rights of the Board**

The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting the generality of the foregoing, the right:

- A. To executive management and administrative control of the school system and its properties and facilities, and the activities of its employees;
- B. To hire all employees and subject to the provisions of law, determine their qualifications and the conditions for their continued employment, or their dismissal or demotion; and to promote, and transfer all such employees;
- C. To establish grades and courses of instruction, including special programs, and to provide for athletic, recreational and social events for students as deemed necessary or advisable by the Board;
- D. To decide upon the means and methods of instruction, the selection of textbooks and other teaching materials, and the use of teaching aids of every kind and nature;
- E. To determine class schedules, the hours of instruction, and the duties, responsibilities, and assignments of teachers and other employees with respect to the terms and conditions of employment. To determine duties, responsibilities and assignments with respect to administrative and non-teaching activities;
- F. The right to adopt reasonable rules and regulations.

The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance therefore, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the United States.

Section 2.7 Joint Instructional Council and In-Service Teacher Development

Any time a committee is formed requiring teacher representation, the president of the Teachers' Association shall be notified so that he/she may conduct proper procedures for election or appointment of teacher(s) to serve on said committee.

Section 2.8 Teacher Rights

- A. A teacher will have the right to review the contents of all records of the district pertaining to said teacher, originating after original employment and to have a representative of the Association accompany him/her in such review. Each teacher's personal file shall contain the following items of information:
- (1) All teacher evaluation reports
 - (2) Copies of the annual contracts
 - (3) Teaching certificate
 - (4) Transcript of academic records
 - (5) Tenure recommendation
- B. No material originating after original employment will be placed in his personal file unless the teacher has had an opportunity to review the material. The teacher may submit a written notation regarding any material and the same shall be attached to the file copy of the material in question. If the teacher believes that material to be placed in his file is inappropriate or in error, he may receive adjustment, provided cause is shown, through the grievance procedure whereupon the material will be corrected or expunged from the file. If the teacher is asked to sign material placed in his file, such signature shall be understood to indicate his awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material.
- C. Should the District receive a Freedom of Information (FOIA) request for any teacher's file or portion thereof, the district will immediately notify the teacher of said request. Furthermore, the district agrees to take the maximum time allowed by the law to respond to that request unless the teacher requests the FOIA request be responded to sooner. (Refer to Section 2.2 Association Rights)

Section 2.9 School Improvement

- A. The Board, Administration, Teachers and Association recognize the necessity of maintaining on-going district-wide school improvement plans and importance of establishing educational quality as a fundamental priority and shared goal of the parties.
- B. Building and District School Improvement Teams shall be established to develop school and district school improvement plans as required in MCL 380.1277. Teachers shall be invited and allowed to voluntarily participate in the planning, development, implementation and evaluation of the district's school improvement plans.

- C. The School Improvement Team is not designed to address collectively bargained areas of salary, fringe benefits, employee performance or matters established in statute such as the Public Employees Relations Act and the Michigan Tenure Teachers Act.
- D. The Board shall ensure that decisions made at the school building level are made using a joint planning and problem-solving process that seeks to improve the quality of life in the school and the delivery of quality education. It is a process through which those individuals responsible for the implementation of a decision at the building level are actively and legitimately involved in making the decision.

Section 2.10 Commitment to In-Service

In-service and professional development programs will be developed through the school improvement process.

SECTION THREE **TEACHING CONDITIONS**

Section 3.1 Student Discipline, Teacher Protection

- A. The Board recognizes its responsibility to give reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take steps within its means to relieve the teacher of responsibilities with respect to such pupil, upon recommendation of the classroom teacher and approval of the Principal.
- B. Any case of assault upon a teacher while in pursuit of his employment, shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.
- C. If any teacher is complained against or sued as a result of any reasonable action taken by the teacher while in pursuit of his employment, the Board will provide legal counsel and render all necessary assistance to the teacher in his defense, until such time as MEA renders assistance.
- D. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.
- E. Action taken upon any complaint by a parent of a student directed toward a teacher, and/or any notice thereof to be included in said teacher's personnel file shall be subject to Bullard-Plawecki, Michigan Act 397 of 1978.

- F. The Board will carry a liability insurance to protect the teachers from any action taken against them as a result of complaints made against them while they are engaged in sponsoring any school-related activities, such as class trips, dances, etc.
- G. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discrimination with respect to the professional employment of such teachers. The private and personal life of any teacher is not within the appropriate concern or attention of the Board.
- H. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex or marital status or membership in, or association with, the activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, color or national origin and to seek to achieve full equality of educational opportunity to all pupils.
- I. Teachers shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety, or well being as identified by the school safety committee.

Section 3.2 Instructional Materials

- A. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, current periodicals, standard tests and questionnaires and similar materials are tools of the teaching profession. Further, that efforts shall be continued to seek and use textbooks and supplementary reading materials which contain the contribution of minority groups to the history, scientific, and social development of the United States. The parties will confer from time to time for the purpose of improving the selection and use of such education tools and the Board undertakes promptly to implement all joint decisions thereon made by its representative and the Association.
- B. Lesson plans, in a mutually agreed upon format, shall be available in the teacher's classroom at all times and in sufficient detail so that a substitute teacher can adequately complete instruction in the material covered. Sufficient detail is defined as: A detailed description of each lesson to be taught, materials to be used to teach the lesson, written work to be completed and the appropriate homework assignment.

Section 3.3 School Equipment

The Board agrees at all times to keep the schools reasonably equipped and maintained, including computers.

Section 3.4 Teaching Facilities

The Board agrees to make available in each school facilities to aid teachers in the preparation of instructional material.

The Board shall make available in each school, adequate lunchroom, restroom and lavatory facilities exclusively for teacher use, and at least one room, appropriately furnished, which shall be reserved for use as a faculty work room.

The Board shall provide:

- A. A separate desk for each teacher in the district with a lockable drawer space.
- B. Suitable closet space for each teacher to store coats, overshoes and personals.
- C. Copies, exclusively for teacher's use, of text for each course to be taught where applicable.
- D. Adequate storage space in each classroom for instructional materials.
- E. Supplies and other such material for daily use.
- F. Telephone facilities to be made available for their reasonable use.
- G. Adequate off-street parking facilities reasonably protected from vandalism and properly maintained and identified exclusively for teacher use.

Section 3.5 Teaching Hours

All K-12 teachers are required to be "on-duty" at 8 AM. Preschool teachers are required to be in their classrooms at 7:30 am. During this on-duty time, teachers should be in the vicinity of their classrooms. Teachers will be visible and available to assist students and colleagues whenever possible. Teacher dismissal time to be 3:30 PM, with the exception of days when there are faculty meetings which were scheduled in such a way as to allow 24-hour notice, and with the exception of Fridays and days before holidays. On Fridays and days before holidays, teachers are allowed to leave the building immediately following the safe dismissal of students.

By October 1st of each school year a schedule for faculty meetings (distinct from in-service) will be established and posted, i.e. 1st and 3rd Thursdays. Faculty meetings, except in emergency situations, should be no more than two (2) per month. Additionally, the principal may call up to four (4) additional meetings per year, on a subject level, for the purpose of curriculum. Faculty meetings and curriculum meetings will be no longer than one hour in duration from the established start time unless the participants mutually agree for the meeting to be longer.

Teachers are encouraged to remain for a sufficient period after the close of the pupil's school day to attend to those matters which properly require attention at the time, including consultations with parents. The teacher may request the building principal to be present if he feels that such assistance is warranted.

Each teacher shall be entitled to lesson preparation time each week as follows:

- A. Elementary (Grades K-5). K-5 teachers shall receive a planning period when responsibility for their class has been assumed by another teacher for special instruction such as physical education, art, technology literacy and when the students are assigned to be on recess. The aggregate planning time shall not be less than 260 minutes per

week, which includes at least one block of a minimum of 15 minutes per full student day. (15 minutes part of the 260).

- B. Secondary (Grades 6-12). Grade 6-12 teachers shall receive daily planning time. The aggregate planning time shall not be less than an average of 260 minutes per week. Note: Self contained 6th grade will be treated as in A, above.
- C. Preschool. Fridays are reserved for planning periods and professional development. Preschool teachers do not have planning time Monday-Thursday.

Elementary teachers (K-5) may use for preparation all time during which their classes are receiving instruction from various teaching specialists and during recess periods. It is further understood that the primary purpose of planning time is to provide teachers time to plan and prepare for classroom instruction. It is further understood that teachers will remain in the building and be available.

All K-12 teachers shall be entitled to a duty-free lunch period of thirty (30) minutes. Preschool teachers have a working lunch as required by GSRP.

Section 3.6 Class Size and Teaching Conditions

It is agreed that the maximum class pupil load per teacher per day on the secondary level or departmentalized basis not exceed 180 pupils.

The parties recognize that optimum school facilities for both student and teacher are desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end.

Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be lowered whenever possible.

Grade	Recommended
Preschool	Class size dictated by GSRP standards and licensing mandates.
Kindergarten	25
1 st -2 nd Grade	26
3 rd -5 th Grade	30
6 th -12 th Grade	32
Non-Core Courses	40

Because most educators feel the pupil-teacher ratio is an important aspect of an effective educational program, the Board will make a continuing effort to reach the recommended standards as mentioned above. (Exceptions are traditional large group instruction). In cases where recommended numbers are exceeded, every effort will be made to provide additional

assistance. Assistance may be provided by "Title I," "At-Risk" or paraprofessional staff as best meets the needs of the students.

Section 3.7 Night Parent/Teacher Conferences

The employer shall schedule two (2) parent/teacher conferences during the calendar year for K-12 teachers. ALL conference receipts MUST be turned in within 5 business days of conference to be eligible for reimbursement. The Pellston Public Schools District WILL NOT reimburse for alcoholic beverages or taxes or tips on food receipts. Mileage reimbursement will be based on the shorter distance: home to destination, school to destination. If mileage reimbursement is applicable, on a scheduled school day, reimbursement will be based on subtracting employee regularly accumulated drive miles. In the case that multiple staff will be attending the same conference, carpooling will be required and reimbursement must be preapproved by building administrator.
