- F. Any member of the Association who is involved in any multi-district, regional or state meeting of their Professional Association will, if feasible from a practical standpoint, be excused to attend such meetings without loss of pay, provided approved coverage for the employee involved shall be furnished, where needed, by the Association and without cost to the Board.

ARTICLE IV

SENIORITY

- A. Employees shall be regarded as probationary employees until they have completed the ninety (90) calendar day probationary period. There shall be no responsibility of the re-employment of probationary employees if they are laid off or discharged during this period. Employees will not be eligible for insurance benefits during the probationary period.

- B. In order to acquire seniority, a new or re-hired employee must be hired as a full-time employee, and must complete ninety (90) calendar days of employment, uninterrupted by layoff or leave of absence. In the event a temporary employee is temporarily laid off and reinstated, and acquired ninety (90) calendar days of employment within one-hundred-and-twenty (120) days of the employee's date of hire, seniority shall be established as of ninety (90) days prior to the day the employee completes the probationary period.

- C. Seniority shall be recorded two ways: by classification as in Article I and by total length of service to the district.

- D. An employee shall provide not less than two (2) weeks written notice prior to voluntary separation of employment. In the event of the establishment, elimination or change of classifications, or reduction in work force, which would result in the permanent layoff of any employee, not less than two (2) weeks written notice shall be provided the employee prior to the intended date of separation of employment.

- E. If it becomes necessary to reduce positions and lay-off staff, the District shall:
 - 1. Lay off by seniority in classification during the employees first four years of seniority the district will give first consideration to the employee for vacant positions in other classifications. Consideration will be based upon the employee's seniority and qualifications, including but not limited to work experience, training and capabilities.

 - 2. After four years of seniority, review the work experience, training, and capabilities of the employee to see if he/she can be assigned to a position in another classification held by a paraprofessional with less seniority.

If the district determines the employee can do the work in another classification then the lowest senior employee in the other classification shall be laid-off. If the District determines the employee cannot be transferred to another position within another classification then he/she shall be laid-off.

If the employee is laid-off, the district will also give first consideration to the employee for vacant positions in other paraprofessional classifications. Consideration will be based upon the employee's seniority and qualifications, including but not limited to work experience, training and capabilities.

- F. The district will recall paraprofessionals to their former classification based on seniority in that classification. The obligation to recall laid-off paraprofessionals shall be for as many years as the employee was employed at the time of lay-off up to a maximum of four years.
- G. Seniority shall not accrue during the time an employee is laid-off or on a leave of more than twelve (12) weeks.
- H. Seniority shall be broken for the following reasons:
 - 1. The employee quits.
 - 2. The employee is discharged.
 - 3. The employee is absent for three (3) working days without properly notifying her immediate supervisor unless extenuating circumstances shall exist.
 - 4. The employee fails to report for work upon notice of recall from a layoff (sent by certified mail to the last known address) within five (5) days of notice of recall. Extenuating circumstances for a failure to report will be considered and may result in reinstatement to the next available opening for which employee is qualified.
 - 5. The employee fails to report for work on the first regularly scheduled work day following a leave of absence, or fails to secure an approved extension of a leave of absence. The employees may be reinstated if absent without an extension of leave for no more than three (3) consecutive work days but presents a reason satisfactory to the employer for the employee's inability to secure an extension.
 - 6. The employee falsifies personnel records or falsifies the reason for a leave of absence.
 - 7. The employee is employed elsewhere during the leave of absence.

- I. Should a continuous absence, such as sickness, require an employee to be absent from his/her work over an extended period of time, the following considerations shall be applied:
 1. Seniority shall continue to accumulate for a period not to exceed three (3) months.
 2. After three (3) months continued absence, the job vacated may be filled permanently.
 3. The seniority of an individual in a continuous and prolonged absence shall be reinstated provided he/she returns to work within a period of one (1) year, except that in no event shall this apply where the length of absence exceeds seniority accumulated at the time such absence began. The obligation to re-employ an individual involved in an enforced absence extending beyond three (3) months shall be subject to the condition that an opening is available for which such individual may be qualified.
- J. At the beginning of each school year, the Association President shall be furnished copies of the seniority list for all members of the Association. Challenges to that list may be made through March 15, of each school year and shall be resolved during that period by the Association President and a designee of the Board. Thereafter, the seniority list shall be considered valid and accurate, and shall be updated yearly by the Association President and a Board designee.
- K. Employees on layoff shall be given preference as substitutes for bargaining unit positions.
- L. The transfer, assignment and/or promotion of the employees shall be the sole responsibility of the Board, subject to the following:
 1. It shall be the policy of the Administration to cooperate in every practical way with employees who desire transfers to new positions or vacancies which may occur in the school system in their areas of employment. An employee may place on file a request for transfer to another position/building. This must be submitted to personnel by March 15 of each year. All transfer requests will be considered by administration when a vacancy occurs.

2. Notice of vacancies, openings and/or new positions shall be prepared and posted in each school building and a copy of such notice given to the President of the Association. In the event of no applications for the position so posted are received by the Personnel Office within seven (7) days of such posting, such position shall be filled without further obligation or consideration to the Association. Transfer from one position/ building to another in order to accommodate programs will not be considered vacancies and will not be posted.
3. Upon request, and at reasonable intervals, the name, salary, and effective date of placement within the bargaining unit will be provided to the Association President (or in her absence the Vice President) as the vacancy is filled.
4. The ability, experience, training and capability of all applicants or candidates shall be reviewed and considered by the Administrators involved. In cases where above factors are considered equal, preference shall be given in order of seniority by classification and/or seniority within the system, whichever bears the most relevance to the case involved.
5. Since the frequent transfer of employees from one school to another may be disruptive to the educational process and interferes with optimum performance, the parties agree that unrequested transfers of employees are to be minimized and avoided whenever possible, and that no transfers shall occur for purposes of punishment. When, however, personnel are transferred by administrative action, reasons for the transfer will be presented when requested, in writing, to the employee.
