The signatories shall be the sole parties to this Agreement.

## WITNESSETH

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement,

In consideration of the following mutual covenants, it is hereby agreed as follows:

## ARTICLE 1

Pursuant to and in accordance with the Certification of Representation by the Michigan Employment Relations Commission (MERC), the Board hereby recognizes the Association as the sole and exclusive bargaining representative for all professional personnel whether employed under written contract or on leave and possessing at least a Bachelor's Degree and a Michigan recognized valid teaching certificate or employment approval by the State of Michigan.
- B. Such representation shall exclude the superintendent, assistant superintendents, principals, assistant principals, business manager, and any other supervisors or managers.

## ARTICLE 2

### ASSOCIATION RIGHTS

- A. The Association and its representatives shall have the right to request the use of school buildings for meetings. The building principal shall have the right to designate the time and place of meetings within the building so as not to interfere with other regularly scheduled activities. The Board shall retain the right to regulate after hours use of the building and/or activities and equipment and shall make a reasonable charge for extra maintenance and service costs.
- B. Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property at all reasonable times, provided that this does not interfere with or interrupt normal school operations. Such representatives shall follow the established procedures for visitors in Flushing school buildings by checking in at the buildings' main offices.
- C. The Association shall have the right to request services of centralized duplicating or printing processes and to request the use of equipment, including computers, scanners, fax machines and other technological equipment, calculating machines, and all types of audio-visual equipment when such equipment is not otherwise in use. The Association shall pay for the cost of all materials and supplies, wages of specialized personnel and damage incident to such use.
- D. The Association shall have the right to post notices of activities and matters of Association concern only on the bulletin board which is provided in the teachers' lounge. The Association may use the district mail service and teacher mail boxes for communication to other teachers (so long as the district is not a party to a complaint regarding this issue, the Association agrees to hold harmless the district for any legal defense and/or legally imposed costs involved).
- E. The Board agrees to make available in response to a requisition from the Association financial documents, Board minutes and other such information that are normally open to the public.
- F. The Association may request the Superintendent to place on the Board's agenda items which are a concern to the Association. Such request must be made in writing seven (7) calendar days prior to the regularly scheduled Board meeting. Prior to the Board meeting, the Superintendent will notify the Board and the Association in writing of those Association items not placed on the agenda.
- G. The rights granted in this Article to the Association shall not be granted or extended to any competing labor organization during the duration of this Agreement.

### ARTICLE 3

- A. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly-elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. No teacher shall be denied any rights granted by this Agreement or any local, state or federal laws.
- C. The teachers shall be entitled to full rights of citizenship and no lawful religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher. The private and personal life of any teacher is not within the appropriate concern or attention of the Board so long as this behavior does not jeopardize the education process.
- D. The parties agree that there shall be no discrimination against any employee by reason of race, height, weight, creed, religion, color, national origin, age, sex, disability, or marital status..
- E. During the period of the teacher's employment and thereafter, a teacher shall have and retain all property and copyright interests in and to any book, article, publication, motion picture, filmstrip, recording, musical composition, curricular outline, teaching materials, or other creative or copyrightable work, written, composed, created, or devised by such teacher, provided that creation of the above works shall not be produced and directed on school time, on school property or with use of school materials.
- F. Each teacher shall have the right, upon request, to review the contents of his own personal file, with the exception of confidential college credentials and recommendations from previous employers. 1. The building principal shall investigate all formal complaints against a teacher and discuss the results of the investigation with the teacher.
  2. If a written report of an investigation is prepared by the principal, the teacher shall receive a copy of such report.
  3. If a written complaint and/or a written report of an investigation of a complaint is placed in a teacher's personnel file, the teacher shall be given notice and the teacher may attach a written response. ### PROFESSIONAL FEES or DUES and PAYROLL DEDUCTIONS

- A. Teachers may at any time sign and deliver to the payroll office an assignment authorizing deduction of membership dues and/or fees of the Association as per the conditions on forms devised by the Association. Such sums shall be deducted in equal (October through June) installments from the regular salaries of such teachers and remitted promptly to the Association together with an accounting by source. The Association will notify the payroll office in writing of amounts to be deducted by the paydate preceding the paydate deductions are to begin. The Association will reimburse the Board for any sums improperly deducted and remitted to the Association.
- B. In the event a teacher shall not pay the membership dues and/or fees of the Association to the Association or execute an authorization for dues and/or fees deduction in accordance with Section A of this ARTICLE, such teacher as a condition of employment by the Board (to the extent permitted by law), shall cause to be paid to the Association a sum equivalent to the dues and/or fees referred to in Section A. The refusal of such teacher to pay such sum equivalent to the dues and/or fees to the Association shall (to the extent permitted by law) result in payroll deduction of such sum equivalent, as if the teacher has signed and delivered an assignment authorizing such deduction. The Association will notify the payroll

office in writing of amounts to be deducted by the paydate preceding the paydate deductions are to begin.

The Association will indemnify and save harmless the Board (to the extent permitted by law) for any and all costs incurred as a result of any challenge to such deductions, including but not limited to: back wages, unemployment compensation, reasonable attorney fees, original transcripts (the Association shall reproduce copies for the Board), and judgments.   - 1. The deduction and remittance shall be for the convenience of the teacher and/or the Association and shall imply no endorsement or liability by the Board.
  - 2. Remittance shall be forwarded in a timely fashion and posted to the Credit Union or bank on or before the payday.
- D. The deductions cited in this ARTICLE shall be made according to payroll procedures established by the Board.

## ARTICLE 6

- A. The normal teacher work day shall be seven (7) hours and thirty-six (36) minutes in length and shall include a minimum twenty-five (25) minute duty-free lunch period and a minimum forty-five (45) minute planning and conference period at the secondary level and thirty-five (35) minute planning and conference period for elementary teachers. Based on a five day work week, the normal teacher work week shall be thirty-eight (38) hours. The minimum thirty-five (35) minute planning and conference period for elementary classroom teachers shall be scheduled at the beginning of the work day.
- B. During a normal teacher work week a teacher may be assigned up to twenty-five (25) hours of classroom instruction at the high school, twenty-five and one half (25.5) hours at the middle school and twenty-seven (27) hours at the elementary schools. However, assigned classroom instruction and assigned student supervision shall not exceed a total of twenty-eight (28) hours during a normal teacher work week.

Exception: Kindergarten teachers may be assigned up to twenty-eight (28) hours and thirty (30) minutes of classroom instruction during a normal teacher work week. However, kindergarten teachers shall not be assigned student supervision duties beyond supervision of kindergarten students. Kindergarten teachers will receive eighty-five (85) minutes of planning and conference time per section per week in addition to the planning time referred to in paragraph A.

- C. Senior high teachers shall be assigned a maximum of twenty-five (25) classroom instruction periods and a minimum of five (5) planning and conference periods per week, with no classroom instructional period being longer than sixty (60) minutes.
- D. Middle school teachers shall be assigned a maximum of thirty (30) classroom instruction periods and a minimum of five (5) planning and conference periods per week, with no classroom instructional period being longer than fifty (50) minutes.
- E. First - 6th grade classroom teachers shall be assigned a maximum of twenty-seven (27) hours instruction per week. Also, 1st - 6th grade classroom teachers shall be provided with a minimum of one hundred and seventy-five (175) minutes of planning and conference time per week in addition to the planning period provided in Section A of this ARTICLE. Such planning and conference time shall contain at least four (4) blocks of not less than thirty (30) minutes spread over at least four (4) of the five (5) days in a Monday through Friday week. Elementary teachers shall not be required to supervise students while those students are eating lunch.
- F. Elementary classroom teachers shall be "teamed" to provide adequate recess supervision and to provide a minimum of fifteen (15) minutes per day of relief from classroom instruction and student supervision. When and if instructional specialist service (i.e. Art, Music, and P.E.) is provided to kindergarten classrooms, such service shall endeavor to be scheduled so as to provide kindergarten teachers with this minimum of fifteen (15) minutes per day of relief from classroom instruction and student supervision.
- G. The normal work days/weeks for any teachers not assigned to classrooms on a daily basis (such as librarians, counselors, psychologists, instructional specialists, social workers, etc.) shall be scheduled within the minimum and maximums indicated in Section A of this ARTICLE. Assigned student contact time for these teachers shall not exceed twenty-eight (28) hours per week. Required travel time exceeding 15 minutes within the work day shall be included when computing the maximum twenty-eight (28) hours. To the extent possible, when elementary classroom instructional specialists positions exist and when additional staffing is not required, the minimum of one hundred seventy-five (175) minutes of planning and conference time for elementary classroom instructional specialists shall contain at least four (4) blocks of not less than thirty (30) minutes each spread over at least four (4) of the five (5) days in a Monday through Friday week.
- H. In the event students are held in school because of an emergency situation (such as severe weather), teachers shall stay until students are dismissed.

- I. On Fridays and days immediately preceding holiday or vacation periods, the normal teacher work day shall be reduced by ten (10) minutes (at beginning or end depending on student supervision needs).
- J. Except for special circumstances, building staff meetings shall not be scheduled more often than weekly. Except for emergency situations, the building principal shall give notice of such meetings in writing by noon of the preceding school day. Building staff meetings shall be scheduled so as not to interfere with the instructional day for students, so as to normally not exceed thirty (30) minutes, and so as not to extend the teacher normal work day by more than fifteen (15) minutes.  
  
Elementary teachers shall not be required to attend district-wide grade level and/or subject meetings during A.M. planning time more than two (2) times during a semester. Any such meetings shall not exceed thirty (30) minutes in length.
- K. Daily preparation for effective teaching, evaluation and correction of student work, attending meetings, and similar activities require teacher time outside of the classroom and are inherent to the professional responsibilities of a teacher. In addition, PTO activities are an inherent part of a teacher's professional responsibility and teachers are urged to participate. However, a teacher shall not be required to attend more than two (2) such activities, such as receptions or open houses, per school year. Also, a teacher shall not be required to attend any such activity for more than a three (3) hour period.
- L. Building school improvement chairperson and individual goal chairpersons will be released, if needed, to do school improvement work with the concurrence of building principal.

## ARTICLE 7

### SPECIAL STUDENT PROGRAMS

- A. The parties recognize that children having special physical, mental and emotional problems may require specialized classroom experience and that their presence in regular classrooms may interfere with the normal instructional program and place extraordinary and unfair demands upon the teacher. Teachers believing that such students are assigned to their classroom, may request an evaluation by a competent diagnostician.
- B. If delivery of related school health services is necessary to provide a student with a free appropriate public education, as mandated by the Individuals with Disabilities Education Act, those functions shall be performed by a qualified person. No bargaining unit member shall be required to provide school health services for any student except in an emergency.

- B. Remuneration is established in APPENDIX B-1. The Association shall be notified of the names of the department coordinators.
- C. Any teacher performing assigned duties of department coordinator without such title may apply in writing to the Assistant Superintendent for Personnel, Operations, and Labor Relations for designation and remuneration of department chairman provided such application shall initially be presented to the building principal for recommendation. ## ARTICLE 11

### ASSIGNMENTS, TRANSFERS, VACANCIES and PROMOTIONS

- A. In the determination of assignments, the convenience and wishes of the individual teacher will be honored to the extent that these considerations do not conflict with the instructional requirements and best interests of the school system and the pupils as determined by the Board. A teacher, within five (5) days of request, will be given a written statement of reasons for his/her assignment. In the event a teacher objects to an assignment, the Association may, upon the request of such teacher, send a representative to meet with the teacher and the Superintendent, or his designee, to discuss the assignment.
- B. Teachers shall not be assigned outside the scope of their teaching certificates and shall be deemed "highly qualified" under No Child Left Behind Criteria.

1. To the extent possible, 7th and 8th grade positions shall continue to be filled with teachers teaching within their major and/or minor fields for such assignment.
  2. A teacher assigned to teach 7th and/or 8th grade classes in an area outside his/her major and/or minor fields or an elementary teacher in subjects such as art, music or physical education who does not possess at least a minor or fifteen (15) semester hours of academic preparation in the subject area they are assigned to teach will be required:

    - b. To request voluntary transfer to an assignment for which he/she is certified.
- C. Teachers who will be affected by changes in grade level assignments at the elementary schools or changes in subject area assignments at secondary schools will be notified by their principals as soon as practicable, or not later than the end of the school year. Such changes will be voluntary to the extent possible.
- D. Notices of changes in building assignments will be given to affected teachers as soon as practicable. To the extent possible, notices of changes in building assignments for the following school year will be given by June 1.
- E. The Association and Board recognize that proper teacher placement to obtain the most effective total teacher staffing possible is in the best interests of the school system and the pupils. Therefore, the following factors, when relevant, will be used in the order listed, and balanced by the administration in determination of change of teacher assignments and/or transfers (or non-transfers):

Teacher seniority

Requests by teachers, except for a teacher whose current Professional Teacher Evaluation indicates one or more areas of "not acceptable" performance ratings and who is working under a mutually developed Individualized Development Plan.

Need to place other teachers within their areas of certification and/or need to place teachers in assignments where they are deemed "highly qualified" under No Child Left Behind (NCLB) criteria.

Need to place a teacher who, as verified by their evaluation, could benefit from a change in assignment. Changes may occur only once every three years.

1. Teacher-staff reduction and/or attrition
  2. Teaching experiences
  3. Accreditation requirements
  4. Student population changes
  5. Student program and subject demand changes
  6. Teaching major(s) and minor(s)
  7. Co-curriculum needs
  8. Emergency situations
- F. A vacant position is defined as a teaching assignment to be filled directly or indirectly by a new hire, or teacher on unassigned, or a teacher on lay-off.
1. Vacant positions shall be posted at least seven (7) days in all school buildings and copy of the posting shall be sent to the President of the Association.
  2. Any teacher may apply for transfer to a vacant position.
  3. Relevant factors indicated in Section E of this ARTICLE will be applied before any vacant position is filled with a new hire.
  4. It is the responsibility of the teacher to update requests for placement in any potential vacancies with the personnel office on an annual basis. The Board will provide forms for teachers to state their interest in any potential vacancies. The teacher must provide self-addresses, stamped envelopes in order to receive mailings of postings during the summer months.
- G. Assignments in addition to the normal teaching schedule, and for which there is compensation, are listed in APPENDIX B-1. Placement in such assignments shall be voluntary unless such assignments are directly connected with the teacher's classroom assignment. Preference for placement in such assignments will be given to teachers employed under contract with the district. The Board is not obligated to fill any position listed in APPENDIX B-1.
- H. Beginning in (2005-2006) appointments to Schedule B-1 Athletic coaching positions are for one year only. At the start of each season coaches will receive an evaluation form. At the time of the post season exit meeting, the Athletic Director will evaluate the coach assuring that due process consistent with due process procedures as articulated in 42 LA 555 (1964)\* have been followed. That coach will be apprised of his/her status for that sport for the next season and offered a contract if warranted by the evaluation. \*See Appendix E.

- I. Preference for placement of teachers in summer school positions will be given to teachers with seniority with the district. Teacher compensation for summer school programs will be in accordance with APPENDIX B-1.
- J. Preference for placement of teachers in community education high school completion programs will be given to teachers with seniority with the district. Nothing in this Agreement shall limit the Board from reducing its administrative staff and/or reorganizing its administrative staff.

## ARTICLE 12

### ILLNESS, DISABILITY and BEREAVEMENT

- A. Teachers shall be entitled to ten (10) days, i.e. seventy-six (76) hours, each school year as of the first required work day of said school year. Sick days are to be used only in cases when the teacher's inability to teach is a direct result of illness or disability. Disability resulting from elective surgery or treatment not reasonably related to preservation of health or which may be postponed to non-school year time are not covered by sick days. Disability caused by acts constituting felonies under the laws of the State of Michigan is likewise not covered.

Sick days may be used to obtain medical treatment for those teachers who while not currently disabled could, by acceptable medical certification, become so without such treatment. Such certification must indicate the necessity of such treatment scheduling during school hours.

The Board has the right to require initial or supplemental medical examination by its own doctor and at its own expense.

In the case of serious or chronic illness of more than three consecutive days, a medical statement or certification may be required from a teacher at the discretion of the Superintendent or his designee. Incomplete or inadequate medical certificates may be rejected or supplemental reports required. Sick leave will not be allowed where medical certification is requested and not received.

Sick leave days may be accumulated from year to year with no maximum limit. Teacher's accumulated sick-leave days will appear on the payroll check.

- B. The FEA Short-term Disability Insurance Program - FSTDIP - (formerly the Sick Bank) previously established is hereby continued.

1. Non-tenured teachers and non-tenured members shall contribute one (1) full day (i.e. 7.6 hours) more per year to the FSTDIP than the predetermined contribution figure for teachers or members with tenure or more than four years seniority. This additional day requirement shall cease upon being granted tenure or achieving four (4) years seniority, whichever comes first.
  2. At the beginning of each school year, each teacher shall equally contribute to the FSTDIP a sufficient number of days from their accumulated sick leave (in one-half day increments), such that the balance from the previous school year plus the new contributions will bring the FSTDIP up to a minimum of four hundred fifty (450) days (i.e. 3400 hours). In the event that the balance from the previous year exceeds four hundred fifty (450) days, no contributions for the following year will be assessed.
  3. The FSTDIP shall be administered by the Association which shall furnish the Board with a report of its status during June of each year.
  4. The decisions of the Association relative to the administration of the FSTDIP shall not be subject to the grievance procedures by teachers, by the Association, or by the Board.
- C. Part-time teachers who are employed half time or more, shall be eligible for sick and emergency leave, prorated on the basis of the time worked.
- D. Temporary teachers paid on a day-to-day basis shall not be eligible for sick and emergency leave.
- E. A tenure teacher who is unable to teach because of personal illness or disability and who has exhausted all of his/her accumulated sick leave shall be granted a leave of absence without pay for a duration of such illness or disability, up to one (1) year. The leave may be renewed at the discretion of the Board upon the request from the teacher. A doctor's statement may be required at the discretion of the Superintendent or his designee. Sick leave will not be allowed in those cases in which a doctor's statement is requested and not received. Non-tenure teachers may, at the discretion of the Board, be granted similar leave as described above.
- F. 1. All references to "days" in this article are understood to be equated to hours. Every day is worth 7.6 hours. So a unit member's accumulated time for purpose of payout in this article may be equated to days by dividing the total hours by a divisor of 7.6 to arrive at the number of days.
2. When the resignation of an employee with ten (10) or more years seniority is accepted by the Board of Education and thereby becomes effective, all accumulated leave shall be automatically terminated and fifty-eight (\$58.00) per day be paid for each day of unused leave up to seventy (70) days. The excess beyond the first seventy (70) days shall be paid at the rate of sixty-two dollars and 50/100 (\$62.50). Members employed before May, 2001 will

continue to qualify for terminal payout, regardless of the reason for that termination, of all accumulated leave at the rates outlined in this paragraph.

3. If a teacher terminates his employment under either of the following circumstances:
  - a. Retirement, prior to regular retirement age, for health reason provided such is medically certified as permanently disabling from teaching in Michigan.
  - b. Death while in the employ of the Board. Payment will be made to the deceased teacher's estate.

All accumulated sick leave days shall be automatically terminated and fifty-eight dollars (\$58.00) be paid for each day of unused leave up to seventy (70) days. The excess beyond the first seventy (70) days shall be paid at the rate of sixty-two and 50/100 (\$62.50).

- G. Leave shall be granted without loss of pay in the event of death in the immediate family. Immediate family shall include husband, wife, father, mother, brother, sister, son, daughter, grandparents, grandchildren, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, step-children, or relatives living in the same household. Recognizing that the term "family" has changed, unit members may request that persons other than those listed be recognized as family members for the purposes of bereavement leave as outlined in this paragraph. Such requests will be considered by the Board. Such leave shall be granted for a period up to three (3) days, (i.e. 22.8 hours), providing the teacher is attending the funeral or memorial service. In the event the teacher is not attending the funeral, leave will be granted only if the circumstances of such death otherwise requires his/her absence. Five (5) days, (i.e. 38.0 hours), for husband, wife, son, daughter, father, mother, father-in-law and mother-in law.

When in connection with a death in the immediate family additional leave is necessary due to personal circumstances, such leave, not to exceed thirty (30) additional days, (i.e. 225 hours), shall be granted and deducted from accumulated sick days.

- H. In no case shall the leave granted for bereavement be subtracted from the employee's sick or personal days unless it exceeds the time specified in Paragraph G.
- I. In the event of a family medical emergency resulting in the necessary absence from work, a teacher may use sick days for such purposes. For the purposes of this provision, "emergency" shall be defined as a sudden occurrence of which the teacher should not reasonably be expected to have either control or prior knowledge. The number of sick days which can be used for this purpose is limited to a total of three (3) (i.e. 22.8 hours) per school year, non-accumulative from year to year. Should the teacher need more than the three (3) days, (i.e. 22.8 hours),

written request to use additional sick days may be made to the administrator in charge of personnel who will consider all factors and approve or deny the request. The teacher may appeal a denial to the Board which shall render a decision. Any administrative or Board approval shall be based on the facts of the individual case and shall not establish past practice for any other case.

- J. When receiving workers' compensation loss of time benefits for work related illness or injury (and long term disability benefits if and when applicable), a teacher may use accumulated sick leave on a pro-rated basis to bring the teacher up to his/her regular pay during such absence in accordance with past practice.

Upon return the teacher shall be entitled to advance to the next level on the salary schedule receiving the benefits of the salary increase while on leave, providing all requirements of the sabbatical leave policy have been fulfilled satisfactorily in the judgment of the Superintendent. During the sabbatical leave the sick leave policy will apply and the Board will continue to make insurance payments.

### UNPAID LEAVES OF ABSENCES

- A. The Tenure Act states that a Board may grant a leave of absence upon the written request of a teacher for a period of up to one year subject to renewal at the will of the Board.
- B. The following conditions shall apply to extended leaves of absence contained in this ARTICLE:

Requests for leaves shall be in writing.

1. All extended leaves shall be limited to one (1) year. Further extensions shall be at the will of the Board.
  2. Salary increments shall accrue for leaves listed in Sections C and E below.
  3. Sick leave days shall not accrue but unused sick leave days held at the start of the leave shall be reinstated.
  4. In scheduling a leave of absence, the Board may consider all factors relating to the effect upon students and the economic situations for the teacher; including, but not limited to, the time of year, continuity of education, length of the leave, availability of qualified replacements, grade level, subject, and so forth.
  5. Failure to return at the end of a leave will constitute voluntary termination of employment. The teacher must give one (1) week's notice of return for each month of leave.
  6. The granting of a leave to a non-tenured teacher shall be at the discretion of the Board.
- C. A teacher may be granted a leave without pay for a period not to exceed one (1) year for full time overseas duty in the Peace Corps, for the purpose of participating in exchange teaching programs in other districts or states, or foreign or military teaching programs.

  - E. Leave for teachers who are drafted into the military service will be granted in accordance with the requirements of the State of Michigan Law. A teacher affected by this leave must return to his/her teaching duties at the beginning of the school year nearest his/her discharge date from military service, except in case of physical and mental incapacities and/or dishonorable discharge. Every effort shall be made to place returning teachers with physical handicaps. A teacher who received

dishonorable discharge will not be considered for placement. Returning teachers shall be eligible for placement in the same salary bracket which they would have attained during their leave without loss of seniority. No credit for military service shall be granted unless the teacher was an employee of the Flushing Board of Education at the time of his/her induction into the military. Whenever a teacher who is a member of a military reserve unit is called to active duty during his/her contractual year, he/she shall be paid the difference between his/her regular salary and the allowance of the State of Michigan or other governmental authority for such active service, if such difference be less than he/she would receive for a comparable time worked for the Board of Education, provided that the total period of such services does not exceed two (2) calendar weeks in any single calendar year. Before such payment shall be made, the teacher shall file with the administrator in charge of Personnel of the school district a letter from his/her commanding officer stating the period of active duty and the allowance by the State of Michigan or other governmental authority for such service.

- F. A leave of absence of up to one (1) year shall be granted to any teacher upon application for the purpose of serving as an officer of the Association or on its staff.

## ARTICLE 16

### ACADEMIC FREEDOM

- A. The parties seek to educate young people in the democratic tradition to foster recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality. It is recognized that these democratic values can best be transmitted in an atmosphere conducive to free inquiry and learning, and in which academic freedom for teacher and student is encouraged. Teachers have a responsibility in a democratic society to present equally both sides of any controversial issue.
- B. Academic freedom shall be guaranteed to teachers to study, investigate, present and interpret facts and ideas concerning man, human society, the physical and biological world and other branches of learning, appropriate to the particular students involved. Occasionally instructional methods may need to be adjusted in light of general standards and criteria applying to all teachers.

- C. The exercise of rights under this clause is for the primary purpose of educating students. It is not the purpose of this article to provide a forum for a teacher's personal biases, political ideas, personal animosities, or matters relating to negotiations or grievances.

This clause is not intended to permit denigrating remarks or examples relating to other teachers, administrators, teacher organizations, the Board of Education or its members, students, or members of the community. Nor shall it permit the organization or encouragement of concerted group-student action outside the classroom without prior permission of the principal.

In any individual case the teacher may, beforehand and by specific written detail of a proposed teaching plan, ascertain from a building principal whether such might conflict with this clause.

## ARTICLE 17

### TEACHER EVALUATION

- A. The performance of all teachers shall be evaluated in writing. Probationary teachers shall be evaluated at least two times during the school year; one evaluation no later than two months following the teacher's first day of teaching, and one additional evaluation as scheduled by the principal. This does not limit the principal's right to observe at any time.
- B. Evaluations shall continue to be conducted by a qualified building principal or assistant principal or other full-time administrator. Each written observation shall be made in person for a minimum of thirty (30) consecutive minutes. All monitoring or observation of the classroom performance of a teacher for the purpose of writing evaluation shall be conducted openly and with full knowledge of the teacher. The teacher will be individually notified of a two (2) week period within which observation for written evaluation will be conducted.
- C. A personal interview shall take place as soon as possible following the day of the classroom observation. The administrator shall prepare and submit a written report and recommendations to the teacher within twenty (20) work days of the observation.
- D. Three copies of the formal evaluation shall be signed by the evaluating administrator and the teacher, two signed copies to be returned to the administrator and the third to be retained by the teacher. In the event that the teacher feels his/her evaluation was incomplete or unjust, he/she may put his/her objections in writing and have them attached to the evaluation report to be placed in his/her personnel file.

- E. At least sixty (60) days before the close of each school year the controlling Board shall provide a probationary teacher with a definite written statement as to whether or not his/her services will be discontinued. If the written evaluation contains any information not previously made known to and discussed with the probationary teacher, the teacher shall have an opportunity to submit additional information to the superintendent.
- F. Tenure teachers shall receive a formal written evaluation at least once during a three (3) year period. However, any teacher who has had a major assignment change or whose last evaluation indicated a need for improvement shall receive a formal written evaluation within one (1) year.

## ARTICLE 18

### PROFESSIONAL BEHAVIOR

- A. Teachers are expected to comply with reasonable rules, regulations, and directions from time to time adopted by the Board or its representatives, which are not inconsistent with the provisions of this Agreement.
- B. The Association recognizes that abuses of any leave, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession and create undesirable conditions in school buildings.

In recognition of the concept of progressive correction, the teacher shall first be verbally reprimanded about alleged delinquencies. And, future violations may be reduced to writing indicating expected correction, and indicating a reasonable period for correction. All discipline shall be administered in the most professional manner under the particular circumstances.

The Board has the right under the teacher's Tenure Act to suspend a teacher when the action of a teacher warrants it and progressive corrective discipline would not be applicable.

- C. No teacher shall be disciplined, reprimanded, reduced in rank or compensation without just cause. Any such discipline, reprimand or reduction in rank, or compensation, including adverse evaluation of teacher performance asserted by the Board or representative thereof shall be subject to the professional grievance procedure hereinafter set forth in ARTICLE 28. All information forming the basis for disciplinary action will be made available to the teacher and the Association.

ARTICLE 19

PROFESSIONAL IMPROVEMENT

- A. The parties support and encourage the principle of continuing education to teachers, participation by teachers in professional organizations in the areas of their specialization, leaves for work on advanced degrees or special studies, and participation in community educational projects.

ARTICLE 20

REDUCTIONS IN PERSONNEL

- A. The Association and Board recognize that the following conditions may necessitate a reduction in professional teaching staff:
1. Unfavorable financial condition of the district.
  2. Substantial reduction in student enrollments.
  3. Phasing out certain programs through legislative or school board action.
- B. Should it necessary to reduce staff, the following procedure will be used:
1. Probationary employees (non-tenure) will be laid off first provided there are tenure teachers in the district, certified and qualified and deemed "highly qualified" under No Child Left Behind (NCLB) criteria to perform the services of the probationary teacher.
  2. If further reduction is necessary, tenure teachers will be laid off on the basis of seniority, certification and NCLB "highly qualified status for the vacant assignment in the district. When seniority, certification and NCLB "highly qualified" status for the position are equal between teachers, the determining criteria will be used by the Board in this order to select the teacher to be retained. The Board will consider (A) majors, (B) minors, (C) previous experience in the district, (D) advanced degrees, and (E) previous experience outside the district. When seniority and certification are equal between teachers, the following determining criteria will be used by the Board in order to select the teacher to be retained: the last four digits of the social security number of each affected teacher will be examined. Seniority will be awarded in the order of the highest number represented by the four digits first on the seniority list and the lowest number being last on the seniority list for that group of teachers.
  3. Seniority will be defined as non-terminated full-time and/or prorated part-time experience in the district from the first day of employment immediately following last date of hire.

- C. The Association will be given the opportunity to review any lay-off list prior to notification of individual teachers.
- D. Recall shall be in the inverse order and in consideration of factors set forth in Paragraphs B 1-3. Upon recall, the teacher's seniority and accrued rights shall be reinstated as they existed at time of lay off.
- E. After notification of recall by certified letter to last known address, a teacher shall have two weeks to accept recall by certified letter. Failure to respond shall constitute voluntary termination of employment.
- F. The remaining one (1) individual employed as an administrator in 1982-83 shall continue to accumulate seniority as teachers in accordance with past practice. However, any other individuals employed as administrators thereafter shall not accumulate seniority in the bargaining unit while serving in an administrative capacity. No administrator may voluntarily return to the bargaining unit if such placement precludes recall of a bargaining unit member.
- G. Teachers on layoff shall continue to be offered daily substitute work within their areas of certification at current district rates, provided that such teachers indicate availability for such work to the personnel office and such availability is maintained.

## ARTICLE 21

### CONTINUITY OF OPERATIONS

- A. Both parties recognize the desirability of continuous uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operations. Since the parties have established a comprehensive grievance procedure under which unresolved disputes may be settled by an impartial third party, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees that it will not, during the period of this Agreement, engage in a strike as defined by the Public Employment Relations Act.
- B. The Board agrees that they will not, during the period of this Agreement, engage in unfair labor practices as defined by the Public Employment Relations Act.
- C. Whenever scheduled school is canceled, due to acts of God, teachers shall not be required to report, or to remain in school after the premises have been cleared of students.

ARTICLE 22

SCHOOL CALENDAR

- A. The school calendar shall be arrived at by mutual agreement between the Board and the Association.
- B. For the term of this Agreement the school calendar shall be as set forth in APPENDIX A. When an "in-service" half-day is to be provided, as determined by the Board, it is understood that an instructional day will be changed to a half-day for students. There shall be no deviation from or change in the school calendar except by mutual agreement of the Board and the Association.
- C. Scheduled days of student instruction which are not held because of conditions not within the control of school authorities such as inclement weather, fires, epidemics, mechanical breakdowns, or health conditions as defined by the Administration, City, and County or State health authorities, will be rescheduled at the end of the school year, unless at a time otherwise agreed to, to insure that the district receives full state aid entitlement as determined by the Michigan Department of Education. Teachers shall not be docked for closure on student instruction days but they shall consequently make up any rescheduled days at no additional pay or cost to the district.

ARTICLE 23

PROFESSIONAL COMPENSATION

- A. The basic salaries of teachers covered by this Agreement are set forth in APPENDIX B which is attached to and incorporated in this Agreement. Such salary schedule shall remain in effect during the designated periods.
- B. All new teachers shall be given up to eight (8) years credit on the salary schedule set forth in APPENDIX B for teaching experience in other Michigan school districts or other teaching experience in school districts of similar standing. Up to four years credit shall be given on the salary schedule set forth in APPENDIX B for teaching experience in private or parochial schools. Application to the terms of this paragraph is not retroactive to a date before this agreement is in force.
- C. Initial placement on the salary schedule will reflect a half-year's experience elsewhere. In addition, the half-year steps will be applied as follows: Teachers working one-half (1/2) day for the entire year or working full days for one entire semester shall be awarded one-half (1/2) year's credit on the appropriate increment level.

Semester hours beyond a particular degree level which are recognized as graduate credits by the university offering them will also be recognized by the Board.

F. Teachers required, in the course of their work, to drive their personal automobiles shall receive the current allowable U.S. Internal Revenue mileage rate per mile. The teachers shall have such automobiles insured under their own policies. The Board will continue its general liability policy but such shall not be in lieu of personal insurance.

G. Whenever salary is to be deducted from any teacher because of work missed which is not covered under any leave policy stated in this Agreement, the salary shall be deducted at a ratio of 1/teacher days per calendar year of the teacher's contracted salary for each day missed. No deduction shall be made for any extra duty assignment, unless the teacher or coach is absent during the time or season the extra assignment is in progress.

H. Payroll checks will be issued bi-weekly on Fridays to all teachers except as elsewhere provided. All teachers' W-2 forms will be given to the teacher in a sealed envelope.

- I. To determine the gross bi-weekly amount, contractual salaries will be divided (1) by 26 or (2) by the amount of pay dates from the opening of school through the end of the school year. If the contractual salary is divided by 26, bi-weekly checks will continue throughout the summer months. Teachers wishing checks mailed to them throughout the summer months must leave self-addressed envelopes provided by their school office for this purpose. The contractual salary will be paid to teachers, less withholding tax and social security, all itemized separately. A statement of gross earnings up to said payment will be included in each check.

- B. Teachers teaching less than full time shall be eligible to elect coverages from A above on the same basis as full time teachers. However, such teachers would be responsible for a prorated share of the premiums on a payroll deduction basis.
  - C. The Board shall continue to provide long term disability insurance coverage for all teachers without payment of premium by the teacher. The coverage shall continue to be at 66-2/3% of annual contractual salary with set-offs (when applicable) from worker's compensation, social security and state retirement benefits. Such set-offs shall not include COL increases after such benefits commence. Benefits shall continue to be payable beginning the 91st day of disability.
  - D. The Board shall provide to each full-time teacher, without payment of premium by the teacher, group life insurance coverage, plus an equal amount of group term accidental death and dismemberment insurance in the amount of fifty thousand dollars (\$50,000).

  - F. In the event that an employee is absent because of illness or injury and has exhausted accrued sick leave, the above mentioned fringe benefits shall continue throughout the balance of the school year.
  - G. The Board shall make payment of insurance for all teachers who complete their contractual obligation to assure insurance coverage for the full 12-month period even though the teacher may not be returning the next school year.

- H. The Board agrees that it is the Board's responsibility to inform all teachers of the insurance benefits due them.
- I. The insurance benefits to all eligible teachers become valid only when the appropriate form is submitted to the personnel office. It is the teacher's responsibility to see that all appropriate forms are submitted.
- J. Temporary teachers or teachers teaching less than half-time shall not be eligible for any insurance program, except as mandated by Michigan school law.

- B. Supervisory teachers of student teachers shall be selected on a voluntary basis from among those teachers deemed qualified by the administration and who have attained tenure or have had equivalent teaching experience.

Monies made available to the district by the placing university shall be administered by the Joint Professional Advisory Committee for enrichment purposes. Individual buildings shall be given the opportunity to submit specific recommendations.
- D. The Board agrees to make available to supervising teachers of university or college-placed student teachers a sufficient number of copies for student teachers of texts, guides, building policies, and the current negotiated Agreement.

## ARTICLE 26

### STUDENT DISCIPLINE and TEACHER PROTECTION

- A. The Board recognizes its responsibility to continue to give administrative backing and support to its teachers although each teacher bears the primary responsibility for maintaining proper control and discipline in the classroom. The teachers recognize that all disciplinary actions and methods invoked by them must be reasonable and just, and in accordance with written Board policy. It shall be the responsibility of the teacher to report to his principal the name of any student, who, in the opinion of the teacher needs special assistance. The teacher shall, upon request, be advised by the principal of the disposition of the teacher's report that a particular student needs such assistance.

- B. A teacher may temporarily remove a pupil from one class or subject when the student's behavior is disruptive to the educational process. The student shall not be returned to the class/subject for that day, unless returned personally or directed in writing to return by the administration. In such cases, the teacher will furnish the principal, in writing, full particulars of the incident prior to the beginning of the next class period. If a student is excluded during the last class period of the day, the teacher will report the incident immediately after the class. No student shall be returned to the instructor without a written statement from the principal detailing action taken.
- C. Any case of assault upon a teacher which had its inception in a school-centered problem shall be reported immediately in writing to the Board or its designated representative. In the event of such an assault, the teacher involved may request assistance of the Board in such matter. These requests shall be made in writing to the Board which shall make a determination as to whether the conduct of the teacher making such a request justifies any assistance from the Board, and the extent thereof. The decision of the Board shall be final. In the event the request justifies assistance, the Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault.
- D. If any teacher is complained against or sued as a result of an act taken by the teacher while performing educational assignment, the Board after thoroughly investigating and finding that the alleged act was within the scope or limits of written Board policy, will provide legal counsel and will render all necessary assistance as determined by the Board, to the teacher in his/her defense.
- E. Time lost by a teacher in connection with any incident mentioned in this ARTICLE, not compensable under worker's compensation shall not be charged against the teacher unless he/she is adjudged guilty by a court of competent jurisdiction or in violation of Board policy.
- F. No action shall be taken upon any complaint by a parent of a student directed toward a teacher, nor shall any notice thereof be included in said teacher's personnel file unless such matter is reported in writing to the teacher concerned.
- G. A written statement by the Board governing use of corporal punishment of students shall be publicized to all teachers.

## ARTICLE 27

### JOINT PROFESSIONAL ADVISORY COMMITTEE

- A. There is hereby established a Joint Professional Advisory Committee. The Superintendent or his/her designee and the President of the Association or his/her designee shall act as non-voting co-chairs of this committee. There shall be a minimum of three (3) representatives appointed by the Board or their designee, and three (3) representatives appointed by the Association. One representative from each party shall be selected from the elementary, middle school and senior high.

The Committee shall meet at least once each month to discuss such matters as teaching techniques, curriculum, textbooks, curriculum guides, pupil testing and evaluation, philosophy and educational goals of the district, research and experimentation, and educational specifications for buildings. It is understood by the parties that these meetings shall not be held during the regular school day. It is further understood that the members of this committee or any member of its subcommittees shall not receive any pay or released time to conduct these meetings.

- B. The Committee may recommend appropriate professional subcommittees to investigate and make written proposals that will improve the educational process. It is understood that each sub-committee shall work in an ad hoc capacity. It is further understood that the Board must approve all projects that require the expenditure of school district funds and may refuse to provide funds for any project not deemed educationally sound.
- C. The clerical expenses of the committee or its sub-committees shall be borne by the Board.
- D. All reports of the committee or its sub-committees, including their recommendations, shall be submitted in writing to all members of the committee as well as the Board and Association.
- E. The parties agree that the committee and its sub-committees serve in an advisory capacity only, and that failure of the Board to place any of its recommendations into effect shall not constitute the basis for a grievance.
- F. The Board's decision to accept or reject any proposal is final and binding on all parties and is not subject to appeal.

## ARTICLE 28

### PROFESSIONAL GRIEVANCE PROCEDURE

- A. A grievance is defined as an alleged violation, misinterpretation or misapplication of any Article or Section of this Agreement, or any rule, order, or regulation of the Board affecting wages, hours, terms or conditions of employment of any member of the unit. Non-renewal of a probationary (as defined by the tenure law) teacher's service is specifically excluded from the grievance procedure. A teacher, the Association or the Board's designee may process a grievance by adhering to the following procedure:
- B. Grievances shall be initiated by a STEP ONE discussion within fifteen (15) school days of the occurrence or fifteen (15) school days of the date when the grievant should reasonably have had knowledge of such occurrence.
- C. STEP ONE: In the event that a teacher believes there is a basis for a grievance, he/she shall first discuss the alleged grievance with the building principal, or at the

level appropriate to the nature of the grievance, either personally or accompanied by his/her Association representative.

- D. STEP TWO: If, as a result of the informal discussion with the building principal, a grievance still exists, he/she may invoke the formal grievance procedure through the Association on the form set forth in annexed APPENDIX C., signed by the grievant and a representative of the Association, which form shall be available from the Association representative in each building. A copy of the grievance form shall be delivered to the principal within four (4) school days of the STEP ONE discussion. If the grievance involves more than one school building, it may be filed with an appropriate representative designated by the Superintendent.
- E. Within four (4) school days of receipt of the grievance, the principal, or appropriate designee, shall meet with the grievant in an effort to resolve the grievance. The principal, or appropriate designee, shall indicate his/her disposition of the grievance in writing within four (4) school days of such meeting, and shall furnish a copy thereof to the grievant.
- F. STEP THREE: If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within four (4) school days of such meeting or eight (8) school days from the date of filing, whichever shall be later, the grievance shall be transmitted to the Superintendent. Within seven (7) school days, the Superintendent or his/her designee shall meet with the grievant on the grievance and shall indicate his/her disposition of the grievance in writing within four (4) school days of such meeting, and shall furnish a copy thereof to the grievant.
- G. STEP FOUR: If the grievant is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, or if no disposition has been made within four (4) school days of such meeting, or eight (8) school days from the date of filing, whichever shall be later, the grievance shall be transmitted to the Board by filing a written copy thereof with the secretary or other designee of the Board. The Board, no later than its next regular meeting or two calendar weeks, whichever shall be later, shall meet with the grievant on the grievance. Disposition of the grievance in writing by the Board shall be made no later than seven (7) school days thereafter. A copy of such disposition shall be furnished to the grievant.
- H. STEP FIVE: If the grievant is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the period above provided, the grievance may be submitted, upon approval of the Association and within twenty (20) school days, to arbitration before an impartial arbitrator. An arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding.

The Board and the Association shall not be permitted to assert in such arbitration proceedings any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. The parties agree that the arbitrator shall be bound by the rights and responsibilities

that the legislature has conferred on the Board. In rendering decisions, the arbitrator shall not infringe upon those rights and responsibilities except as they may be specifically conditioned by this Agreement. Both parties agree to be bound by the award of the arbitrator. Either party may appeal this decision to a court of competent jurisdiction.

- I. The fees and expenses of the arbitrator shall be shared equally by the Board and Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.
- J. If any teacher for whom a grievance is sustained shall be found to have been unjustly discharged, he/she shall be reinstated.
- K. The time limits provided in the Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, both parties shall use their best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. Any grievance not advanced to the next step by the grievant within the time limit in that step, or if no time limit is specified within four (4) school days, shall be deemed abandoned. Physical presence of the grievant shall be required at each step of the grievance procedure. Upon termination of the teachers' contract, all rights and privileges of this Agreement are forfeited.
- L. Prior to the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
- M. If a teacher, not under suspension, is called by the Board or the Association to meetings held by a mediator or arbitrator during the school day of any professional grievance proceeding, including arbitration, the teacher shall be released from regular duties without loss of salary.

#### ARTICLE 29

#### NEGOTIATION PROCEDURES

- A. This Agreement incorporates the entire understanding of the parties on all issues which were or could have been the subject of negotiations. During the term of this Agreement neither party will be required to negotiate with respect to any such matter, whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- B. Beginning not later than May 1 of the calendar year in which this Agreement expires, the teacher organization and the Board agree to initiate negotiations for the purpose of entering into a successor Agreement in accordance with the procedure set forth herein in good faith efforts to reach agreement concerning teacher's wages, hours and conditions of employment. Any Agreement so negotiated shall be reduced to writing

and signed by the Board and the Teacher organization.

- C. Neither party in any negotiations shall have any control over selection of the negotiating or bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, to consider proposals, and make concessions in the course of negotiations. There shall be three (3) signed copies of the final Agreement for the purpose of record. One retained by the Board, one by the Association, and one by the Superintendent.

### ARTICLE 30

#### MISCELLANEOUS PROVISIONS

- A. This Agreement shall constitute the full and complete commitments between both parties.
- B. This agreement supersedes and cancels all previous Agreements, verbal or written, or based on alleged past practices between the Board and the Association and constitutes the entire Agreement between the parties. Any amendment for agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties hereto.
- C. Any individual contract between the Board and an individual teacher, heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, during its duration, this Agreement shall be controlling.
- D. If any provision of this Agreement is found contrary to law, then such provision shall not be deemed valid, but all other provisions or applications shall continue in full force and effect.
- E. Copies of this Agreement titled "Professional Agreement between the Flushing School District and Local 10 MEA/NEA (Flushing Unit)" shall be printed at the expense of the Board within thirty (30) days after this Agreement is signed and presented to all teachers now employed and thereafter employed. Further, that the Board shall furnish additional copies of the Master Agreement to the Association for the printing cost.
- F. A teacher must report unavailability for work no later than one hour before the start of the teacher's teaching day. The teacher shall be required to report only once for each absence and will be informed of the telephone number to call.
- G. The Board will pay for the school-administered TB tine test.
- H. In the event of annexation, consolidation or dissolution of the school district, the provisions of this Agreement shall be binding on the successor(s) to the Board to the extent permitted and/or required by law.

- I. In the event that during the life of this agreement the sixth grade is placed in the Middle School Building, agreement provisions related to elementary teachers shall continue to be applied if a "self-contained classroom" structure is continued. If however, the sixth grade structure is changed to middle school type scheduling, the agreement provisions related to junior high teachers shall be applied.
- J. In the event that provisions of No Child Left Behind (NCLB) criteria for "highly-qualified" teachers are no longer mandated by law, it is agreed that all references to same found in this collective bargaining agreement will be inoperable and moot from the date of such change in law.

ARTICLE 31

CLASS SIZE

- A.
  - 1. Elementary class size will be defined as the number of pupils included on the teacher's assigned class list on the official membership count dates. Special education students who are in a self-contained special education classroom and mainstreamed for not more than two hours per day are not to be included in determining class size under this article; furthermore, no more than three mainstreamed students can be sent to any teacher's classroom per class period.
  - 2. Secondary class size will be defined as the number of pupils included on the teacher's assigned class list on the official membership count date established by the Michigan Department of Education.
- B. Maximum class sizes for elementary classroom teachers shall be as follows:

Kindergarten	25
Grade 1	27
Grades 2-6	28

Maximum class sizes for elementary teachers with "split" grade level classes shall be two (2) pupils less than each of the maximum numbers indicated above.

In the event an elementary class size (K-6) exceeds the maximum agreed to (in no classroom more than 3 pupils above) that classroom teacher shall be paid eleven dollars (\$11.00) per day for each pupil for each school day that the classroom teacher's actual class size exceeds that maximum class size stated.

When assigning pupils to classrooms above the indicated maximum class sizes, the most senior teachers (not already three over maximum) at that grade level in that building where the pupil has been assigned shall have first opportunity to take additional pupils before those pupils are assigned to the least senior teacher at that grade level in that building (not already three over maximum).

- C. A team of classroom teachers, with the concurrence of the building principal and all of the classroom teachers involved in the team, may increase some of the class sizes within the team above the maximums indicated in B above. However, in such cases there must be corresponding decreases of the remaining classes within the team below the maximums so as not to exceed the maximums indicated in B above on an average basis.
- D. The maximum secondary school class size per regular classroom teacher (excepting physical education and music), shall not exceed an average of 31 students (155 students per five class period assignment or 186 students for six period assignment). Additionally, no individual class may exceed 34 students.
  - 1. In the event a class (on or after the official membership count day) exceeds the class size maximum at the secondary grades, and the excess students will not be reassigned, that teacher shall be compensated for each additional pupil for each school day at the rate of \$1.50 per pupil, per class, per day, to be paid at the end of each semester retroactive to the first day of overage.
- E. In the event enrollment in the district exceeds current available classroom space, both parties agree to renegotiate maximum class sizes.
- F. During each semester of this Agreement, the following listed persons shall meet as a group and review any teacher concerns related to class sizes at the secondary schools, provided that the concerns have been thoroughly reviewed at the building level:

- The President of the Board of Education
- The President of the Association and a designee
- The Superintendent of Schools and a designee
- The High School and Middle School Principals
- The High School Department Coordinators
- The Assistant Superintendent for Instructional Service

ARTICLE 32

MODEL PROGRAM

- A. Mutually agreed upon model programs conceptualized through collaboration between teachers and administration may result in deviations from contractual clauses. The implementation of such programs will be subject to FEA Executive Board and Board approval. Information pertinent to said program shall be made available to all parties within one year of its inception and will be utilized in the determination of the potential future of said program. The Board has no obligation to continue such model programs past the current period.

ARTICLE 33

DURATION OF AGREEMENT

- A. This Agreement shall be effective as of September 1, 2005 and shall continue in effect until August 31, 2009. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.

## APPENDIX A-1

### PROFESSIONAL DEVELOPMENT

Thirty (30) hours of Professional Development are required by state law of each teacher between July 1<sup>st</sup> and June 30<sup>th</sup> of each school year. Teachers are responsible for completing all thirty (30) hours of professional development each school year, eighteen (18) of which will occur during school hours.

The other twelve (12) hours will be completed by participating in after-school sessions scheduled throughout the year. The planning of specific topics to be covered in these sessions will be the responsibility of each building. Specifically, a committee selected by the building administrator will be established consisting of 3-5 building teachers and a building administrator to plan, direct, and schedule Professional Development activities in that building for the school year. The plan for each Professional Development meeting will be submitted one month prior to the meeting to the Superintendent or designee of same for final approval. In addition, the committee has the right to designate additional building teachers to assist in planning and implementing a particular Professional Development activity. Each teacher assisting in the planning of a Professional Development activity will be paid at curriculum rate per hour worked, but said time will not be counted toward the 12 hours of required Professional Development.

The twelve (12) hours can also be completed with prior approval of the building principal for other Professional Development activities held outside the school day. Teachers are responsible for completing all thirty (30) hours of professional development by May 31<sup>st</sup> of the given school year. Teachers will be compensated for all twelve (12) hours at the rate of \$39.00 per hour. This compensation will be included in the 21<sup>st</sup> paycheck of that school year. Failure to meet the twelve (12) hour requirement prior to May 26th will result in forfeiture of all Professional Development compensation for that school year.

A bargaining unit substitute teacher must be available for all offers as all days worked, days offered but refused, days unavailable for any reason, and attempted offered days will count toward this priority. Except that the first total of fifteen (15) days offered but refused, unavailable for any reason and attempted offered days will not count against the bargaining unit substitute teacher.

Flushing Unit**

It is agreed that the following three positions are of a primarily secretarial nature. 1. Compensation at the rate of \$375.00 per annum per position.
2. Individuals to be "grandparented" in the positions until such time as they resign, retire, terminate employment with the district, decline to further perform the task, or are removed for cause from the position.
3. Compensation to be applied for by submission of a standard district "Payroll Time Sheet" to the High School Administration no later than May 15<sup>th</sup> of the academic year when the service is performed.
4. Compensation will be provided to fund these positions from the Senior High School internal account, not from the Flushing Community Schools General Fund.
