A. Paid Time Off Days (PTO):

Personal Time Off

Employees are expected to be at work every day for which they are scheduled; however, it is recognized that on occasion an employee will have a personal reason which would require his or her absence from work.

A paid time off (PTO) policy combines vacation, sick time, and personal time into a single bank of days for employees to use when they take paid time off from work. A PTO policy creates a pool of days that an employee may use at his or her discretion. When requesting a day off and approved by the Food Service Director, the employee will be paid the number of hours they would have been scheduled to work for that day. The time will be deducted from their PTO bank. An employee who desires personal time off should place a request at least 3 days in advance and receive permission in advance from his or her supervisor except in case of an emergency.

The employee must use the PTO at their discretion, whether they need the time for doctor's appointments, kid's school conferences, to pick up a child, recover from the flu, etc. Taking the day off will be charged against your PTO time.

If you have used all your PTO entitlement for the employment year and terminate your employment before you have earned all the PTO you have taken, payment for the unearned days will be deducted in the computation of your final paycheck.

1. Each employee covered by this Agreement shall be entitled to receive five (5) paid time off days for each semester worked. These days shall be credited at the beginning of each semester for a total of ten (10) days per school year. In the event the employee does not actually work the full scheduled semester in any year, he/she shall have a pro-rated deduction made from his/her accruals for each month in which the majority of days are not worked. If the employee does not have sufficient earnings to make the payroll deduction, he/she must reimburse the school district for such day(s). The maximum total accumulation of PTO days shall be one hundred twenty (120). PTO must be approved by the food service director.
 - a. Regular full time and part-time employees of the Board shall receive pro-rata Paid Time Off (PTO) according to the hours they work on a regularly scheduled basis as defined in Article VII, Seniority.

On a calendar year basis (ten months per year), an employee who misses six (6) days for illness may be required to present a doctor's slip for any absences or will be disciplined subject to the discretion of the Food Service Director. Employees who miss work due to illness must notify their Kitchen Manager and Food Service Director two (2) hours prior to their scheduled shift to be paid.
 - d. Non workdays such as Professional Development Days, Parent-Teacher Conferences, Personal, Exams, Teacher Record Days, Christmas Break, Winter Break, Spring Break, and any other situation that may occur that may not be handled outside work time may be used. PTO days being used for anything other than being sick or extreme emergency situations must be requested in writing or by using whatever system is in place by the Food Service Director or Lake Fenton Schools at least three (3) workdays or more prior to the personal day and approved by the Food Service Director.
 - e. PTO days balances will roll over to the next school year and shall remain the same as the previous year.
 - f. PTO days shall not be taken in connection with a holiday or school vacation break, unless approved by the Superintendent, to be paid for the holiday the employee must work the day before and the day after the holiday.
 - g. The request for a PTO day must be made at least three (3) days in advance, except for emergencies and the reason for such leave shall be given in writing to the Food Service Director.
 - h. On a regular scheduled workday, not more than one (1) employee per building will be permitted a PTO day on the same day except for emergencies.
2. PTO days, accumulated prior to any approved leave of absence without pay, shall be held in reserve pending the return of the employee from such leave.
 3. Leave time which shall be deducted from PTO accumulation shall be granted at the discretion of the Superintendent or designated representative for the following reason:
 - a. Quarantine because of exposure to contagious disease which could be communicated to other employees or students. An approval of a physician must be presented for the entire period of absence.
 - b. Illness in the immediate family - the employee's immediate family shall be defined as mother, father, spouse, child, adopted child, court placed foster child or stepchild who resides in the employee's household. Time off with pay deducted from sick leave may be granted for other relatives at the discretion of the Superintendent.

Those employees who are called and come in to work on an "Act of God" day to take care of food also get a minimum of one (1) hour call in pay. Employees who are asked and fail to report on these days will forfeit their pay for that day. Employees may use paid time off days for any Act of God days beyond the six (6) paid.
- B. The LFFSA recognizes the management's right to call meetings with the members; management, in turn, agrees that it will pay employees for all time spent at said meetings. If said time shall exceed eight (8) hours, all additional time shall be at time and one-half (1 1/2).
- C. Any employee who observes a condition of work or requirement he/she believes to be unsafe must report the same immediately to his/her supervisor who will promptly investigate same. If the Employer shall determine that such conditions or equipment is unsafe, immediate steps will be taken by the Employer to correct the same.

- G. The Board agrees to provide lockers in the cafeteria area for all employees.

- H. The food service suppliers will deliver all food to each building, provided the order meets the minimum requirements for such delivery. Additional bargaining unit employees will be assigned to assist with loading and unloading of bulk food delivered from building to building.
- I. A calendar listing all extra events shall be posted and maintained current, including proper description, date, time, and location of events. This schedule shall be posted in each kitchen two weeks in advance of each event, except those events the cafeteria is not aware of, in which case will be posted as soon as the Food Service Director is made aware of same.
- J. Employees shall be assigned to work extra schedule events at their assigned buildings at each school or classification on a fair and continuous rotation basis, starting with highest seniority first, followed by next highest seniority, etc. An employee turning down work for extra events will be charged for such events, as having worked the event. Employees shall be assigned as indicated above and notified they are working scheduled events, at least two weeks in advance of the events, whenever possible at each school or classification.
- K. Unexpected events at each school shall be offered on a fair and continuous rotation basis starting with highest seniority at that school or classification first, followed by the next highest seniority, etc., in the rotation sequence. Employees not wearing the appropriate uniform will be sent home to obtain the designated clothing. Any lost time during this period will be at the employee’s expense.

Failure to follow the uniform policy may result in disciplinary action.

ARTICLE XIX - EFFECT OF LEGISLATION

If any law now existing or hereafter enacted, or any proclamation, regulation, or edict of any State or National agency shall invalidate any portion of this Agreement, the entire Agreement will not be invalidated and either party hereto, upon thirty (30) days written notice to the other party, may re-open the invalidated provision for negotiation.

ARTICLE XX - WAIVER CLAUSE

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after exercising that right and opportunity are set forth in this Agreement. Therefore, the LFFSA and the Board for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject matter referred to or covered in this Agreement, or with respect to any subject matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this agreement.

ARTICLE XXI – WAGES

CLASSIFICATION	2023-24	2024-25
HS/MS Managers	17.12	18.12

- A. When any employee that has completed their probationary period and is asked to bump up to a higher classification, they will receive those classifications pay for the day/days worked. When an employee is bumped up to a higher classification by seniority a substitute will be brought in to fill the employees’ position that was bumped up. One employee will be moved up to a higher rated job for the period of absence and will remain in that position until the regular employee returns and shall receive the higher rate of pay for days worked, holidays and snow days if they fall during the time of working in the higher classification.

Any employee that has been bumped up to a higher classification or benefited by receiving more hours to work will then go to the bottom of the list at their building to make it fair and equitable for all employees to have the opportunity to gain more pay or time worked. Extra time and higher classification will be on a rotating basis by building seniority. If no one at that building can work, the staff members at other buildings will be asked based on seniority as long as it does not interfere with their regular scheduled workday and the move will benefit them.

- C. Should the Board of Education choose to privatize the Food Services Program, the Cafeteria employees would receive one half (1/2) of their daily rate of pay for any sick/personal days that an employee has accumulated.
- D. Employees who have completed ten (10) years of continuous service shall be paid \$10 (ten dollars) for each day of accumulated sick and / or personal leave up to a maximum of sixty (60) days upon leaving the district.
