PURPOSE

It is the purpose of this Agreement to promote and insure harmonious relations, cooperation and understanding between the Board and the employees covered hereby, to insure true collective bargaining and to establish standards of wages, hours and working conditions.

ARTICLE II

UNION RECOGNITION, AGENCY SHOP, CHECK-OFF

Section 1: Union Recognition

(a) The Board hereby recognizes the Union as the sole and exclusive bargaining agent of the employees covered by this Agreement for the purposes of collective bargaining with respect to rates of pay, wages, hours of employment and working conditions.

(b) The Board hereby recognizes the Union as the sole and exclusive bargaining representative for all High School Secretaries, Junior High School Secretaries, Elementary School Secretaries, Guidance Secretary, Clerk Typists and Assistant Clericals as listed in Schedule A, excluding all employees assigned to perform services at the Central Administrative Office, all supervisors as defined in the Act, and all other employees of the Board.

Section 2: Agency Shop

(a) All employees employed in the bargaining unit, or who become employees in the bargaining unit, who are not already members of the Union, shall within thirty (30) calendar days of their date of hire by the Board, as a condition of employment, pay to the Union a service charge in an amount equal to the regular monthly dues uniformly required of employees of the Board who are members.

(b) An employee who shall tender or authorize the deduction of membership dues or service fees uniformly required as a condition of acquiring or obtaining membership in the Union shall be deemed to meet the conditions of this Article so long as the employee is not more than sixty (60) calendar days in arrears of payment of such dues or fees.

(c) Employees who fail to comply with the conditions of this Article shall be discharged by the Board within thirty (30) working days after receipt of written notice of such default is delivered to the Board by the Union.

(d) If any provision of this Article is deemed invalid under Federal or State law, said provision shall be modified to comply with the requirements of said Federal or State law.

(e) The Union agrees that it will make membership in the Union available to all employees covered by this Agreement on the same terms and conditions as are generally applicable to other members of the Union.

(f) In the event that the Union refuses to accept any person so hired as a member, said person may continue in employment by paying the regular monthly service fees.

(g) The Union agrees to indemnify the Board against any and all claims, demands, suits or other forms of liability that shall arise out of action taken by or against the Board for the purpose of complying with the provisions of this Article.

Section 3: Check-Off

The Board shall deduct the initiation fee and Union dues or service fees from each employee's pay and transmit the total deductions to the Financial Secretary of the Union on or before the fifteenth (15th) day of each month, following that month in which said deductions were made, together with a listing of each employee, the employee's social security number, and the amount that is deducted each month. Provided, however, that the Union shall have submitted to the Board an authorization card signed by the employee from whose pay said deductions are to be made.

ARTICLE III

NON-DISCRIMINATION

The Board and the Union both recognize their responsibilities under Federal, State and local laws pertaining to fair employment practices. Accordingly, both parties reaffirm by this Agreement the commitment not to discriminate against any person or persons because of race, creed, color, religion, sex, age or national origin.

ARTICLE IV

VISITATION

Upon request by the Union, approval of the Board representative, and presentation of proper credentials, officers or accredited representatives of the Union shall be admitted onto the Board's premises during working hours for the purpose of ascertaining whether or not this Agreement is being observed by the parties, or for assisting in the adjusting of grievances provided, that said visitation shall not disrupt orderly operations, nor interfere with employee work time.

ARTICLE V

MANAGEMENT RIGHTS

(a) The Board shall have the right to exercise customary and regular functions of management, including but not limited to, the right to hire, promote, transfer, or to suspend, discharge, or demote employees for just cause, subject, however to the employees' right to bring a grievance if any provision of this Agreement is violated by the exercise of such management function.

(b) All rights, powers and interests which have not been expressly and specifically granted to the Union by the provision of this Agreement are reserved to the Board.

ARTICLE VI

STEWARDS

(a) The employees will be represented by a Chief and an Alternate Steward, who shall have a minimum of one (1) year of seniority with the Board, and who shall be chosen or selected in a manner determined by the employees and the Union, and whose names shall be made known in writing by the Union to the Board.

(b) Arrangements may be made to allow the Chief and/or Alternate Steward time off with pay for the purpose of investigating grievances and to attend grievance and negotiating meetings, upon approval being granted by their immediate supervisor.

(c) The Board shall supply the Chief Steward the following information within a newly hired employee's first (1st) thirty (30) calendar days of employment: name, date of hire, address, social security number, classification and job location, unless the newly hired employee requests in writing that the Board not furnish such information to the Union.

ARTICLE VII

SAFETY PRACTICES

The Board will take reasonable measures in order to prevent and eliminate any present or potential job hazards in which the employees may encounter at their places of work in accordance with the provisions of the Michigan Occupational Safety and Health Act, State and local regulations. It shall be the responsibility of each employee to report any unsafe conditions to his or her supervisor.

ARTICLE VIII

JURISDICTION

(a) Persons not covered by the terms of this Agreement shall not perform work covered by this Agreement, except for the purposes of instructional training, experimentation, or in cases of emergency.

(b) The Board reserves the right to hire students on a co-op, work study or job training basis which is a part of their regular instructional program. Student labor will not be used to permanently replace or displace bargaining unit employees.

(c) Aides, administrators, teachers and volunteers may perform bargaining unit work, as has been the case historically, but in no event shall such work performed by these non-bargaining unit persons cause any employee in the bargaining unit to have their hours reduced, nor shall such non-bargaining unit work performed cause any employee to be laid off.

ARTICLE IX

SENIORITY

(a) A newly hired employee shall be on a probationary status for ninety (90) calendar days, taken from and including the first (1st) day of employment. If at any time prior to the completion of the ninety (90) calendar days probationary period, the employee's work performance is determined to be unsatisfactory, the employee may be dismissed by the Board during this period without appeal by the Union. Probationary employees who are absent on scheduled work days, or who serve their probationary period during the non-school period in which the job is not operative, shall work additional days equal to the number of days absent, or equal to the number of days that the job was not operative, and such employees shall not have completed their probationary period until these additional days have been worked.

(b) Upon satisfactory completion of the probationary period, the employee's seniority date shall be retroactive to date of hire. Seniority shall be determined by the employee's continuous service with the Board, subject to the provisions stated in Paragraphs (c) and (f) of this Article.

(c) In the event that the Board determines that it is necessary to reduce the number of employees through the lay-off procedure, the Board will give the affected employee or employees a minimum of two (2) weeks written notice prior to the date that the scheduled lay-off is to be effective. Employees shall be laid off and recalled according to their seniority in their classification. An employee on scheduled lay-off shall have the right to exercise his/her seniority and displace the least seniority employee in a lower series classification, provided that the senior employee is qualified to perform the duties of the lesser seniority employee. Laid off secretaries will be called first (1st) for subbing.

(d) An employee will lose their seniority for the following reasons:

1. The employee resigns.
2. The employee is discharged for cause, and such discharge is not reversed through the Grievance Procedure.
3. The employee retires.
4. The employee is absent for three (3) consecutive working days without notifying the Board and/or without good and sufficient reason for notifying the Board.

(e) Seniority shall be retained in the bargaining unit for an employee who transfers to a supervisory or a confidential position outside of the bargaining unit, with that employee having the right to exercise the seniority that they had accumulated while they were a member of the bargaining unit, in the event that such employee vacates their supervisory or confidential position and returns to the bargaining unit.

(f) An updated seniority list shall be posted in each building in which the employees covered by this Agreement have a work station, and a copy sent to the Union, on or about July 1st of each year. Such list shall contain each employee's name, seniority date, job location and classification. Seniority in classification shall be as of date of entry into the classification.

ARTICLE X

PROMOTIONS AND TRANSFERS

Section 1: Vacancies and Newly Created Positions

(a) The administration shall notify the Union within seven (7) working days of vacancies the Board does not intend to fill. Notice of vacancies and newly created positions shall be posted on employee bulletin boards within seven (7) working days from the date of the vacancy or the establishment of the newly created position. Interested employees may make application for the vacancy or the newly created position within ten (10) calendar days from the date of the posting.

(b) The new or vacant position posting shall contain the following current information:

1. Type of work.
2. Classification.
3. Job location.
4. Hours to be worked.
5. Rate of pay.

(c) The senior employee making application shall be transferred to fill the vacant or newly created position, provided that the employee has the necessary qualifications to perform the duties of the job involved. The qualifications shall be determined by the Board of Education.

(d) The employee who is awarded the position will be given a trial period not to exceed thirty (30) working days within which to qualify for the job. In the event the employee successfully completes the thirty (30) working days probationary period, her seniority will be transferred to that position.

Section 2: Temporary Vacancies

In the event of a temporary vacancy for a specified period of time, the Board shall have the right to hire a temporary employee for the duration of the vacancy, provided that the Board first (1st) offers the position to the existing employees who are working fewer hours within that same building. Upon offering an existing employee, working fewer hours in the same building, the temporarily vacated position, a temporary employee may fill the remaining vacancy. Temporary vacancies are deemed to be temporary as long as the regular employee is off the job, but is due or scheduled to report back to their regular work assignment. In the event that the absent regular employee returns to their former position, the affected employees will revert back to their former position, and the temporary employee will be laid off. In the event that the regular employee does not return to their position, then as of the date that such determination is made that such employee is not returning to their position, that position will then be considered to be vacant, and will be filled as specified under the terms of this Article.

Section 3: Temporary Transfers

Any employee formally temporarily transferred from their classification to another classification within the bargaining unit for more than one (1) week, shall be paid either the rate of the position to which the employee is transferred, or the rate prior to the transfer, whichever is higher.

ARTICLE XI

NEW JOBS

(a) The Board shall notify the Union in writing when a new job is created during the term of this Agreement. In the event that it cannot be properly placed into an existing classification by mutual agreement between the parties, the Board shall place into effect a new classification and a rate of pay for the job in question, and the Board shall designate the pay rate as temporary. The Board shall notify the Union in writing of any such temporary job which has been placed into effect upon the institution of such job.

(b) The rate of pay shall be considered as temporary for a period of thirty (30) calendar days following the date of written notification to the Union. During this thirty (30) calendar day period, but not thereafter during the life of this Agreement, the Union may request in writing the Board to negotiate the rate of pay. The negotiated rate, if higher than the temporary rate, shall be applied to the date that the employee first (1st) began working in the temporary classification, except as otherwise mutually agreed. In a case where the parties are unable to agree on the rate of pay, the issue may be submitted to arbitration. Each of the parties shall submit their final position as to the rate of pay for the new job to the arbitrator, and the arbitrator in rendering his decision shall render his award based solely on the final position of one (1) of the parties. The final rate of pay, if higher than the temporary rate of pay, shall be applied to the date the employee first (1st) began working in the temporary classification, except as otherwise mutually agreed. When a classification has been assigned a permanent rate of pay, either as a result of the Union not requesting negotiations for the temporary classification during the specified period of time, or as a result of final negotiations, or upon resolving the matter through the Grievance Procedure, the new classification and rate of pay shall be added to and become a part of Appendix A of this Agreement.

ARTICLE XII

DISCIPLINE DISCHARGE

(a) Dismissal, suspension and/or any other disciplinary action shall be only for just and stated causes. All action taken by the Employer under this Article shall be furnished to the effected employees or employee in writing, with a copy to the Chief Steward and a copy sent to the Union. The employee shall have the right to defend themselves against any and all charges. When the Board feels disciplinary action is warranted, such action must be initiated within ten (10) working days of the occurrence of the condition giving rise to the action, or within ten (10) working days of the date that the Board first (1st) became fully aware of the condition giving rise to the discipline. Among the causes which shall be deemed sufficient for dismissal, suspension and/or other disciplinary action, are the following: drunkenness, dishonesty, use of controlled substances, insubordination or willful violation of agreed upon Board rules.

(b) The Union, with specific written consent of the employee, shall have the right to review the contents of the personnel file of any employee within the bargaining unit, upon making the request to the Board. An employee, upon making request, shall have the right to review the contents of their own personnel files maintained by the Board. Such review of personnel files must be done in the Board's offices under the supervision of a designated Board employee.

(c) Verbal reprimands shall be removed from employee's file after twenty-four (24) months; written reprimands shall be removed from employee's file after thirty-three (33) months; suspensions shall be removed from employee's file after forty-two (42) months.

ARTICLE XIII

LEAVES OF ABSENCE

(a) An employee who, because of illness or accident which is non-compensable under the Worker's Compensation Law, is physically unable to report to work and has exhausted all means of compensation from the Board, shall be granted a leave of absence for up to a maximum of twelve (12) months provided the employee notifies the Board of a necessity thereof and provided further, that the employee supplies the Board with a written statement from a medical or osteopathic doctor indicating the necessity and length of time for the continuation of such leave when the same is requested by the Board.

The employee may be referred to the Board's doctor for an examination at the Board's expense. Extensions of such leave may be granted, but only by written mutual consent.

(b) A leave of absence may be granted to employees covered by this Agreement for the purpose of personal need provided the employee furnishes the Board with a written request for such leave by no later than two (2) weeks prior to the date that the employee desires to take such leave. Such leave shall be limited to a maximum of ninety (90) calendar days; however, upon a written request, an extension may be granted by a mutual agreement.

(c) Leaves of absence shall be granted for physical or mental illness, prolonged serious illness in the employee's immediate family which includes husband, wife, children, or the parents of the employee for up to a maximum of thirty (30) calendar days.

(d) Leaves of absence shall be granted for a specified period of up to twelve (12) weeks for training related to the employee's regular duties in an approved educational institution.

(e) Whenever an employee shall become pregnant, she shall, by the end of her fourth (4th) month, furnish the Board with a written statement from her physician stating the approximate date of delivery and any restrictions on the type of work that she may be able to do and the length of time she may continue to work. When she is required to interrupt her employment upon the advice of her physician, she shall immediately be granted a leave of absence.

Upon her return to work, she will be requested to furnish a signed medical statement to the Board from her physician indicating that she is physically able to return to work. The Board of Education has the prerogative of requiring the employee to be examined by the Board's physician, as to her ability to do the work, at the Board's expense. Under normal circumstances, the employee will be expected to return to work no later than six (6) weeks after delivery.

(f) In a case of adoption of a child, the employee shall be granted a ninety (90) calendar day leave of absence beginning the day the court order is entered relieving the natural parents of their rights to the child.

(g) The reinstatement right of any employee who enters the military service of the United States by reason of an Act or law enacted by the Congress of the United States, or who may voluntarily enlist during the effective period of such law, shall be determined in accordance with the provisions of the law granting such rights.

(h) Leaves of absence will be granted to employees who are active in the National Guards or a branch of the Armed Forces Reserves for the purpose of fulfilling their annual field training obligations, or in the event that the employees are ordered to active duty for the purpose of handling civil disorders or other emergencies, provided such employees make written request for such leaves of absence immediately upon receiving their orders to report for such duty.

(i) Any employee in the bargaining unit, who is either elected or appointed to full-time office or position in the Union whose duties require his/her absence from work, shall be granted a leave of absence for one (1) year if it is in the appointed position, and one (1) term if it is in the elected position.

(j) All reasons for leaves of absence shall be in writing stating the reason for the request and the length of the leave requested, including the date of leaving and the date of the return, with a copy of the request to be maintained by the Board and a copy to be sent to the Union.

(k) An employee who meets all the requirements as herein specified and is granted a leave of absence shall not receive pay or fringe benefits and shall accumulate seniority during the leave of absence, and the employee shall be entitled to resume his/her regular seniority status and job and recall rights. Leaves of absence may be granted at the discretion of the Board for reasons other than those listed above where they are deemed beneficial to the employee and the Board.

NOTE: A temporary employee may be hired to replace any employee granted any of the leaves mentioned above. Such temporary employee shall not be subject to any of the terms of this Contract.

(l) Family and Medical Leave Act of 1993

Employees will be allowed to take up to twelve (12) weeks leave under provisions of the Family and Medical Leave Act of 1993. The employee may choose to take the total time as unpaid leave, or the employee may use sick or personal days for this leave. However, the leave will be unpaid once sick or personal days have been exhausted. The employee's health, dental, vision and life insurances will remain intact during the leave. Upon return from the leave, the employee is entitled to the same position she/he held before the leave.

Leaves under the Family and Medical Leave Act include:

1. The birth of a son or daughter and/or in order to care for the child (the right to this expires twelve [12] months after the birth);

3. To care for a spouse, son, daughter or parent of employee, if the relative has a serious health condition;
4. The serious health condition of the employee.

The Board will develop a form to apply for leave and may require documentation to substantiate the application.

Nothing in this Section prohibits an employee from taking other leaves of absence as provided in other Sections of this contract.
