AGREEMENT

between

Westwood Heights Schools, hereinafter referred to as the "Employer",

and

The International Union of Operating Engineers, Local 547 - A, B, C, E, G, H, P - AFL-CIO, hereinafter referred to as the "Union".

ARTICLE I

PURPOSE

It is the purpose of this Agreement to promote and insure harmonious relations, cooperation and understanding between the Employer and the employees covered hereby, to insure true collective bargaining and to establish standards of wages, hours, working conditions and other conditions of employment.

ARTICLE II

UNION RECOGNITION, AGENCY SHOP AND CHECK-OFF

Section 1: Union Recognition

The Employer hereby recognizes the Union as the sole and exclusive bargaining representative for all Paraprofessionals, Playground Aides, Library Aides, and Bus Aides covered under this Agreement as listed in "Appendix A".

Section 2: Agency Shop

A. It shall be a condition of employment that all employees of the Board covered by this Agreement:

1. Become members of the Union on or before the ninety-first (91st) calendar day following the effective date of the Agreement; on or before the ninety-first (91st) calendar day following the beginning of their employment with the Board; or

2. Execute an authorization for the deduction of a service fee equivalent to the monthly dues of the Union on or before the ninety-first (91st) calendar day following the effective date of this Agreement, or on or before the ninety-first (91st) calendar day following the beginning of their employment with the Board.

B. The Union agrees that it will treat all employees in the same manner with respect to the provisions contained within Section 2, part A, of this Article.

C. In the event that the Union refuses to accept any employee hired by the Board as a member, said employee may continue employment for the School District.

D. Either party to this Agreement shall have the right to reopen negotiations pertaining to the provisions of this Article if provisions of this Article are deemed illegal under applicable laws by sending written notification to the other party thirty (30) calendar days from the date of such legal determination.

E. The Union agrees to indemnify the Employer against any and all claims, demands, suits or other forms of liability that shall arise out of action taken by or against the Board for the purpose of complying with the provisions of Article II, Section 2.

Section 3: Check-Off

A. The Employer agrees to deduct from the wages of employees covered by this Agreement all monthly dues, initiation fees and service fees of the Union and pay such amount deducted to the Union for the employees who so request such dues deductions provided, however, that the Union presents to the Employer authorization signed by such employees allowing such deductions and payments. The Union will notify the Employer thirty (30) calendar days prior to any change in such dues or fees.

B. A change in dues will not take place because of any temporary change in assignment or classification for an employee.

ARTICLE III

NON-DISCRIMINATION

The Employer and the Union both recognize their responsibilities under Federal, State and Local laws pertaining to fair employment practices, as well as the moral principles involved in the area of Civil Rights. Accordingly, both parties reaffirm by this Agreement the commitment not to discriminate against any person or persons because of race, color, religion, national origin, age and sex.

If an employee seeks redress in any other form, other than the Grievance Procedure incorporated into this Agreement, said employee forfeits the right to file a grievance or continuance of a grievance already in the Procedure.

ARTICLE IV

VISITATION

After presentation of proper credentials to the Board's representative, officers or accredited representatives of the Union shall be admitted (upon request by the Union) into the buildings of the school system during working hours for the purpose of ascertaining whether or not this Agreement is being observed by the parties or for assisting in the adjusting of grievances, provided that said observation shall not be in areas which would be detrimental to the management and function of the school and its students.

ARTICLE V

STEWARDS

A. The employees will be represented by a Chief and an Alternate Steward, who shall be chosen or selected in a manner determined by the employees and the Union, and whose names shall be known to the Board in writing.

B. Arrangements may be made to allow the Chief or Alternate Steward time off with pay for the purpose of investigating grievances and to attend grievance and negotiating meetings upon approval being granted by the immediate supervisor.

C. During their terms of office, the Chief and Alternate Steward shall be deemed to head the seniority list for the purposes of lay-off and recall only. Upon termination of their term, they shall be returned to their regular seniority status.

D. The Chief Steward shall be supplied the following information on a newly hired employee two (2) weeks prior to completion of the employee's probationary period: name, date of hire, classification, social security number, address, rate of pay and job location.

ARTICLE VI

SAFETY

The Board will take reasonable measures in order to prevent and eliminate any present or potential job hazards which the employees may encounter at their place of work. Employees are required to report any and all unsafe working conditions to their supervisor immediately.

ARTICLE VII

JURISDICTION

A. Persons not covered by the terms of this Agreement shall not perform work covered by this Agreement, except for the purposes of instructional training, experimentation, or in cases of emergency.

B. High school students collectively may pledge up to three hundred (300) hours in a school year to work with the elementary and middle school students in math and reading, but in no event shall such work performed by these non-bargaining unit students cause any employee in the bargaining unit to have their hours reduced, nor shall such non-bargaining unit work performed cause any employee to be laid off.

C. Bargaining unit members who are employed by the Westwood Heights Schools during the summer in activities such as summer school, etc., shall be compensated equally on a per-hour basis. This amount will be determined before the beginning of each summer by representatives of the Board and the bargaining unit. These representatives may also designate other activities that will likewise be compensated.

ARTICLE VIII

SENIORITY

A. A newly hired employee shall be on a probationary status until the end of the first (1st) semester, or the end of the school year, whichever comes first (1st), provided they have completed their ninety (90) calendar days when school is in session. If at any time prior to the completion of the ninety (90) calendar day probationary period, the employee's work performance is unsatisfactory, the employee may be dismissed during this period without appeal by the Union. Probationary employees who are absent on scheduled work days shall work additional days equal to the number of days absent and such employee shall not have completed his/her probationary period until these additional days have been worked.

B. Substitutes shall receive no fringe benefits. The seniority as a substitute for such workers shall begin on the date they are hired as full-time employees, as long as they have worked the ninety (90) day probationary period. Part-time employees shall be granted seniority as full-time employees as of the date of full-time employment.

C. Upon satisfactory completion of the probationary period, the employee's seniority date shall be retroactive to date of hire. However, hence forth, it is mutually agreed that when two (2) or more members of the unit have identical dates of hire as per Section C of Article IX that seniority shall be determined by job performance, evaluation, demonstrated ability and attendance. Substitutes or length of service with the district will be considered for preferential hire.

D. Employees shall be laid off and recalled according to their seniority. The affected employee or employees shall be given a minimum of two (2) weeks written notice whenever possible prior to the date that the scheduled lay-off or lay-offs are to be effective. Laid off Paraprofessionals will be offered lower seniority positions as Playground Monitors at the Monitor rate of pay. Paraprofessionals may decline the position without penalty as it relates to recall rights.

E. An employee will lose his/her seniority for the following reasons:

1. He/She resigns.
2. He/She is discharged for cause, and the discharge is not reversed through the Grievance Procedure.
3. Retirement.
4. Absent three (3) consecutive working days without notifying the Employer and/or without good and sufficient reason for notifying the Employer.

F. Seniority shall continue to accumulate within the bargaining unit for an employee who transfers to a supervisory position, with that employee having the right to exercise his/her seniority and return to the bargaining unit in the event that the employee vacates such supervisory position.

G. An agreed to seniority list shall be made available to the Chief Steward and the Union on or about July 1st of each year. Such list shall contain date of hire, employee's location and classification. Seniority shall be as of date of hire.

H. A laid off employee will be called in first (1st) for subbing in their classification, at the prevailing rate of pay.

I. There shall be no bumping, except as provided in Section D of this Article.

ARTICLE IX

DISCIPLINE AND DISCHARGE

A. When the Employer feels disciplinary action is warranted, such action must be initiated within ten (10) working days from the date of the occurrence of the condition giving rise to the action or within ten (10) working days of the date it is reasonable to assume that the Employer became fully aware of the conditions giving rise to the discipline.

B. Dismissal, suspension and/or any other disciplinary action shall be only for just and stated causes, with the employee having the right to defend themselves against any and all charges. Written notifications of dismissal, suspension or other disciplinary action shall be sent to the employee and the Union. Among the causes which shall be deemed sufficient for dismissal, suspension and/or other disciplinary action are the following: drunkenness, dishonesty, insubordination or willful violation of agreed upon rules, frequent tardiness or absenteeism.

C. Verbal reprimands shall be removed after twenty-four (24) months. Written reprimands shall be removed after thirty-three (33) months. Suspensions shall be removed after forty-two (42) months.

ARTICLE X

TRANSFERS AND PROMOTIONAL PROCEDURE

A. Notice of all vacancies and newly created positions shall be sent to each employee within five (5) days from date of vacancy, and the employee shall be given five (5) working days time in which to make application to fill the vacancy or new position. Newly created positions or vacancies are to be listed in the following manner: the type of work, the place of work, the rate of pay, the hours to be worked and the classification.

B. The administration shall review the written bids presented for a posted job, along with the demonstrated ability, background, work record (including attendance) and seniority of the bidders. The bidder with the best overall qualifications, demonstrated ability, background and work record (including attendance), as evaluated by the administration, shall be placed in the job. If all factors, on balance, are equal, the bidder with the greatest seniority shall be placed in the job within fifteen (15) days from the date of the posting.

ARTICLE XI

POSITION ASSIGNMENT(S)

A. Position assignment(s) shall be defined in terms of hours to be worked per day and building(s) location. Grade level(s) and/or program(s) assignment(s) within a building(s) shall be exclusively within the prerogative of the administration.

B. If it is anticipated that an extended absence (more than five [5] consecutive working days) of a full-time Aide is going to occur, the part-time Aides within that building, in order of seniority, shall have an opportunity to substitute in the full-time position before a non-unit substitute is placed.

C. Aides required to work at more than one (1) building during a school day shall be given fifteen (15) minutes of travel time from their work time and be paid the current district mileage rate for travel between buildings.

ARTICLE XII

LEAVES OF ABSENCE

A. An employee who, because of illness or accident which is non-compensable under the Worker's Compensation Law, is physically unable to report to work, and has exhausted all means of allowable compensation from the Board, shall be granted a leave of absence up to one (1) year, which may be extended upon approval by the Board of Education, provided that the employee notifies the Board of the necessity therefore and therefore provided further that the employee supplies the Board with a statement from a medical or osteopathic doctor of the necessity and length of time for such leave of absence, and for the continuation of such absence when the same is requested by the Board.

B. Leaves of absence may be granted for a specified period of time for training related to an employee's regular duties in an approved educational institution.

When she is required to interrupt her employment upon the advice of her physician, who indicates that she cannot totally perform the duties of the job, she shall immediately be placed on a leave of absence. Upon her return to work, she will be required to furnish the Board a signed medical statement from her physician indicating that she is physically able to return to work. At the discretion of the Board, the employee may be required to submit to a physical examination by the Board's selected physician.

E. The reinstatement rights of any employee who enters the military service of the United States by reason of an Act or Law enacted by the Congress of the United States, or who may voluntarily enlist during the effective period of such Law, shall be determined in accordance with the provisions of the Law granting such rights.

F. Leaves of absence will be granted to employees who are active in the National Guard or a branch of the Armed Forces Reserves for the purpose of fulfilling their annual field training obligations, or in the event that the employees are ordered to active duty for emergency reasons, providing such employees make written request for such leaves of absence immediately upon receiving their orders to report for such duty, providing such call-up is not the result of the employee having failed to perform his or her required service obligation.

G. Any employee in the bargaining unit who is either elected or appointed to full-time office or position in the Union, whose duties require his/her absence from work, shall be granted a leave of absence for up to one (1) term of such office or position.

H. All reasons for leaves of absence shall be in writing, stating the reason for the request and the approximate length of leave requested, with a copy of the request to be maintained by the Board, a copy furnished to the employee and a copy sent to the Union.

I. Leaves of absence granted shall be without pay and fringe benefits, and the employee shall not accumulate seniority during the leave of absence and shall be entitled to resume his/her regular seniority status and all job and recall rights. Leaves of absence may be granted at the discretion of the Board for reasons other than those listed above when they are deemed beneficial to the employee and the Board.

J. **Family & Medical Leave Act**

Employees will be allowed to take up to twelve (12) weeks leave under provisions of the Family and Medical Leave Act of 1993. The employee may choose to take the total time as unpaid leave, or the employee may use sick or personal days for this leave. However, the leave will be unpaid once sick or personal days have been exhausted.

The employee's health, dental, vision and life insurances will remain intact during the leave. Upon return from the leave, the employee is entitled to the same position he/she held before the leave.

Leaves under the Family and Medical Leave Act include:

1. The birth of a son or daughter and/or in order to care for the child (the right to this expires twelve [12] months after the birth);
2. The employee's adoption of a son or daughter or the placement of a foster child in the employee's home (the right to this expires twelve [12] months after the placement);
3. To care for a spouse, son, daughter, or parent of employee, if the relative has a serious health condition;
4. The serious health condition of the employee.

The Board will develop a form to apply for leave and may require documentation to substantiate the application.
