Persons not covered by the terms of this Agreement may temporarily perform work covered by this Agreement only for the purpose of instructional training, experimentation, or in cases of emergency. However, this shall not deny the Employer the right to enter into agreements with outside agencies to provide training work sites. Examples of such programs, but not limited to, are Operation Mainstream and National Youth Corps, provided that such arrangements do not cause a regular employee to be terminated from employment, or his/her regular work hours to be decreased. In the event lay-offs become necessary or hours are decreased, such programs will be terminated.
- B. This clause shall not limit the Employer's right to utilize substitutes, seasonal, or temporary employees. Such employees shall not be covered by the terms of this Agreement, nor shall they be paid more than the probationary rate of pay listed in Schedule A. Substitute employees shall be defined as employees hired to work on a day-to-day basis. Temporary employees shall be defined as employees hired to fill temporary vacancies of a regular employee, due to illness or other approved leave of absence. Seasonal employees shall be defined as employees hired as additional help during a specified period of time. When it becomes necessary to address

matters relating to employee discipline, the supervisor will take whatever steps are necessary to work with the employee for the purpose of assisting the employee in correcting the deficiency that impacts the work environment and/or work performance. When a disciplinary matter needs attention, the following steps shall be implemented:

1. 1st Offense Verbal warning
2. 2nd Offense Written warning with future penalties described
3. 3rd Offense One (1) day disciplinary suspension without pay
4. 4th Offense Three (3) day disciplinary suspension without pay

When an employee finishes the probationary period, he/she shall be entered on the seniority lists of the unit as of the date of hire or as of the date of transfer into the bargaining unit. Employee days off due to illness or injury or school vacation periods shall not be counted as part of the probationary period. A work day shall be defined as a day worked on the job.

Seniority employees on lay-off shall head the substitute list in order of seniority. Employees with reduced hours shall have the first opportunity at filling eight (8) hour positions when regular employees are absent. The Employer's obligation will be limited to an attempt to contact said employees. Hours of work scheduled under this section are without any reduction in pay.

Section 4

An employee will lose his/her seniority for the following reasons:

The list shall be made available quarterly upon request to the Union and each employee covered by this Agreement on or about August 1st of each year. Such list shall contain the date of hire, employee's location and classification. Seniority in classification shall be as of date of entry into the classification. In the event that two (2) or more employees have the same starting date, the seniority tie breaker shall be the last digit of the social security number (highest number prevails - move to the next number to the left in case of ties).

Section 6

An employee who is transferred to a non-bargaining unit position with the Employer shall retain all seniority accumulated during his/her employment with the Employer in a bargaining unit position. Upon return to the bargaining unit, such seniority shall be reinstated with all seniority accruing while out of the bargaining unit. After one (1) year in a non-bargaining unit position, seniority will be forfeited, and said employee may return only as a new hire.

ARTICLE XI

Section 4

An employee shall have the right to attach comments to the evaluation and may request a meeting with the immediate supervisor, the Superintendent or his/her designee, and the Union Steward in cases involving disputes or appeal of the evaluation.

Section 5

It shall be the responsibility of the Employer to establish and communicate the procedures and instruments to be used in this evaluation process.

ARTICLE XII

TRANSFERS AND PROMOTIONAL PROCEDURES

Section 1

Notice of all vacancies and newly created positions shall be posted on employee bulletin boards within five (5) working days of when the Board of Education decides to fill the position, and the employees shall be given five (5) working days in which to make applications to fill the vacancy or new positions.

A vacancy is defined as:

A. Regular vacancy:

1. A vacancy is an opening the Board of Education intends to fill, to which no current member of the bargaining unit has a claim.

B. Temporary vacancy:

A situation where an employee has notified the Employer in writing that he/she will be absent due to extended illness, hospitalization, leaves approved by the Employer or other such emergencies. It is intended that such absence shall be of a minimum of fifty-nine (59) working days.

The vacancy or new position shall be filled within five (5) calendar days from the date of the posting unless no qualified person applies. The senior employee making application shall be transferred to fill the vacancy or new position provided he/she has the necessary

qualifications to perform the duties of the job. Newly created positions or vacancies are to be posted in the following manner: the type of work; the place of work; the starting date; the rate of pay; the hours to be worked; the shift; and the classification.

- C. As an alternative to the above, it shall not be construed as a violation of this section for the order in which vacancies are to be filled to be determined in a meeting called for this purpose.

Section 2

Any employee temporarily transferred from his/her classification to another classification within the bargaining unit, shall be paid either the rate of the position from which he/she is transferred or the rate of the position to which he/she is transferred, whichever is higher.

Section 3

Present employees may apply for a temporary position and be awarded such position based on seniority before any substitute. However, it is understood that such staffing shall be for an identified period. If and when the regular employee returns, the person temporarily assigned shall return to his/her regular position. Once the position becomes an identified vacancy, it shall be posted, and all employees covered by this Agreement may apply.

Section 4

Employees transferred to a higher classification will serve a forty-five (45) work day probationary period. The Employer and the employee shall have the right to revert back to the former position within the forty-five (45) work day probationary period, then all other employees affected by the initial move shall also revert back to their former position. Upon successful completion of the probationary period, bargaining unit seniority shall prevail. Cafeteria employees transferred to a higher classification must pass a physical by the school Employer-approved physician at the Employer's expense before starting their new job duties.

Section 5

Cafeteria employees in a particular building shall be asked first to fill in for another absent cafeteria employee in that building according to seniority, providing they are qualified to perform the job.

ARTICLE XIII

NEW POSITIONS

Section 1

When new positions are placed in operation during the term of this Agreement and they cannot be properly placed into an existing classification by mutual agreement between the parties, the Employer shall place into effect a new classification and a rate of pay for the job in question and shall designate the classification and pay rate as a temporary job which has been placed into effect upon the institution of such job.

Section 2

The new classification and rate of pay shall be considered as temporary for a period of thirty (30) calendar days following the date of written notification to the Union. During this thirty (30) calendar day time period, but not hereafter during the life of this Agreement, the Union may request, in writing, the Employer to negotiate the classification and pay rate. The negotiated rate, if higher than the temporary rate, shall be retroactive to the date the employee first began working in the temporary classification, except as otherwise mutually agreed.

In the case where the parties are unable to agree on the classification and/or rate of pay, the issue may be submitted to the Grievance Procedure. When a new classification has been assigned a permanent rate of pay, either as a result of the Union not requesting negotiations for the temporary classification during the specified period of time, or as a result of final negotiations or upon resolving of the matter through the Grievance Procedure, the new classification shall be added to and become a part of this Agreement.

- E. Kitchen assignments shall be made by the Head Cook.
- F. Extra work opportunities for cafeteria employees will be offered on a rotational basis within each classification and consistent with the District's need to establish the staffing levels per classification. Cafeteria employees agree to facilitate the rotational system with its cooperation, and by meeting with the Food Director as necessary to address any administrative issues that may arise.

LETTER OF UNDERSTANDING

EMERGENCY SCHOOL CLOSING PROCEDURE

The procedures to be utilized in situations that create an Emergency Closing of Schools are outlined as follows:

1. Reasons for Closing:

Normally, school will be closed for one (1) of three (3) major reasons:

- A. Snow or ice on roads which make it impossible for buses to operate safely and efficiently;
- B. Roads which are impassable because of mud;
- C. Mechanical breakdowns, such as heating plant failures.

Since these conditions are somewhat distinct, they may require different procedures. It should be remembered that many members of the community are required to work on days following severe storms or when roads in their area may be muddy. In many instances, if they do not work, they are not paid. Therefore, it is difficult to develop a policy whereby when schools are closed for students they are automatically closed for teachers and other staff members as well.

2. Procedures for Closing:

The decision to close schools will be made as early as possible in light of the conditions. All School Districts are required to use the Michigan State Police LEIN System to make announcements concerning school closings. This system notifies most radio and TV stations by teletype of the schools closed. However, the system presently does not permit messages which would inform employees as to whether or not they should report. Therefore, each building will develop a fan-out phone system whereby each employee can be notified as to their requirements on a given day.

Individual staff members should follow the procedure below on days when the possibility of a school closing exists:

- A. Monitor one or more of the local radio or TV stations. If the message indicates that Lakeville is closed, then:
- B. Wait for a telephone call from the individual who will be identified on a published fan-out procedure. This individual will issue one of the following messages:

1. School is closed. Employees are not expected to work.
2. School is closed. Employees are expected to make a reasonable effort to report to work.
3. _____ school is closed due to mechanical reasons. Employees should report to _____ building.

If you have not received a fan-out message by 8:00 a.m., you should call your immediate supervisor or the Assistant Superintendent.

- C. If the message indicates you should make a reasonable effort to report, use your judgment. Do not take unnecessary chances which would endanger your safety or that of others.

However, please do not take advantage of the situation either.

3. Special Circumstances

In the event that you are out of the area or at a location where you cannot be reached by the fan-out system, it is your responsibility to make contact. You should call your building principal or supervisor to inform him or her of your status.

4. Inclement Weather Days

- A. An Act of Nature Day is one in which school is not in session for students because of inclement weather. It shall be the sole discretion of the Employer to determine Act of Nature Days.

Unless a student make-up day is required to be scheduled by law, school lunch personnel shall receive their normal day's pay for any day declared to be an Act of Nature Day.

- B. If the school district requires cooks to report to work and the day be disallowed for State Aid, cooks will be paid for the day at their daily rate.
- C. In the event P.A. 239 Section 101(3) of 1984 is repealed, then upon repeal of said Act, the language included in the 1984-85 Collective Bargaining Agreement shall govern.
- D. All employees covered by this Agreement who are released early by their supervisor shall receive a normal work day's wage. When there is a mechanical breakdown such as power failure, loss of water or heat, etc., and

cooks have reported to work and are released early by their supervisor, they will be paid their normal day's pay for that day.

- E. Cooks that are required to work under emergency conditions on an inclement weather day shall be paid at time and one-half (1-1/2X).
- F. All employees covered by this Agreement who are released early by their supervisor shall receive a normal work day's wage. When there is a mechanical breakdown such as power failure, loss of water or heat, etc., and cooks have reported to work and are released early by their supervisor, they will be paid their normal day's pay for that day.

SCHEDULE A

LONGEVITY

Employees who meet the eligibility requirements shall receive the following longevity payments in the second paycheck of November.

Completion of zero to four (4) consecutive years	\$0.00
Completion of five (5) to nine (9) consecutive years	\$400.00
Completion of ten (10) to fourteen (14) consecutive years	\$500.00
Completion of fifteen (15) to nineteen (19) consecutive years	\$600.00
Completion of twenty (20) to twenty-nine (29) consecutive years	\$700.00
Completion of thirty (30) + consecutive years	\$1500.00

Employees must have completed their years of service prior to November 1st to be eligible for payment.

COOKS

	2021-2022 A	2022-2023 A	2023-2024 A
Head Cooks	\$14.63	\$14.80	\$14.96
Food Service Aid	\$12.14	\$12.27	\$12.41

Probationary rate is forty-five cents (\$.45) below the seniority rate. During the life of this Agreement Employer agrees to renegotiate wages if Federal or State minimum wage rises over current wages of Food Service Aide, and Head Cook will be two (\$2.00) dollars over aide pay.
