ARTICLE ONE

RECOGNITION

- A. The Board recognizes the Union as the sole bargaining agent for all full-time and regular part-time custodial, maintenance employees, secretaries, food service employees, playground aides, paraprofessionals, mechanics, mechanic helpers, and bus drivers. Excluding supervisors, confidential bookkeepers, tutors and all other employees.
- B. The term "employee" or "employees" for the purpose of this Agreement shall include employees of the Board, including part-time employees. A part-time employee is defined as one who works less than forty (40) hours per week, and a full-time employee is defined as one who is regularly scheduled to work forty (40) hours per week for twelve (12) months.

ARTICLE TWO

EMPLOYEES SECURITY AND DUES

- A. Employees within the bargaining unit recognized by this Agreement may sign and deliver to the Board an assignment authorizing deductions of membership dues to the Union upon such conditions as the Union shall establish. Such sums shall be deducted from the employee's pay and remitted to the Union monthly. The Union shall be fully responsible for the validity and correctness of the certified check-off list and authorization and the Union shall indemnify, defend, and save the Board harmless against any and all claims, demands, suits, or other forms of liability by the Board, pursuant to the language of this Article, provided that this shall not apply in the event of proven negligence on the part of the Board. The Board shall furnish the Union a list of all newly hired employees. Such list shall normally be delivered to the Union within the first five (5) working days of the month.

- B. Each employee covered by this Agreement who fails voluntarily to acquire or maintain membership in the Union shall be required as a condition of employment, beginning on the thirtieth (30) day following the beginning of such employment, or the thirtieth (30) day following the date upon which this Agreement is signed, whichever occurs later, to pay to the Union a service fee as contribution toward the administration of the agreement and the representation of such employees. The service fee shall be an amount determined by the Union in accordance with its "Policy Regarding Objections to Political – Ideological Expenditures" and the Administrative Procedures adopted pursuant to that Policy, and payable at the same time as the dues paid by members of the Union.

- C. The Union shall present the Board with a certified check-off list along with proper authorization for check-off and shall be fully responsible for the validity and correctness of the list and agrees to reimburse the Board for any deduction made and paid over to the Union which may later be held to have not been authorized by the employee involved or which may constitute illegal deduction.

- D. The amount of dues or Service Fee to be deducted as authorized through the Union's constitution and/or membership vote shall be provided to the Board in writing and bear the signature of the Union's Financial Secretary and President. In the event the bargaining unit member shall not pay such service fee directly to the Association or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477: MSA 17.277(7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit the same to the Association.

- E. The written authorization from the employee will be on the Authorization for Payroll Deduction Form provided by the Union.

ARTICLE THREE

UNION AND MANAGEMENT RIGHTS

- A. Except as expressly provided otherwise by the terms of this Agreement, the determination and administration of educational policy and the operation of the schools are vested exclusively in the Board or in the Superintendent when so delegated by the Board. The exercise of judgment and discretion by the Board and its administrators, if made in good faith and for valid reasons not in conflict with the express terms of this Agreement, shall be upheld.
- B. Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Michigan General School Laws or any other national, state, county, district or local laws or municipal regulations as they pertain to education.

Each grievance representative shall represent only those employees in his/her respective area (at the first and second step). In the absence of any appointed grievance representative, the President may be substituted on an interim basis.

2. LEVEL TWO

If the grievance is not settled under LEVEL ONE above, the grievance shall be reduced to writing on the proper grievance form, be signed by the grieving employee(s) and shall be submitted to the principal or his/her designee or to the immediate supervisor within five (5) working days of the time of the disposition at LEVEL ONE provided that in no event shall any grievance be filed more than fifteen (15) working days after the date of the occurrence. The Board's disposition on the grievance at LEVEL FOUR will be rendered by the Board, at the next scheduled regular Board meeting following the Level Four hearing or not more than fifteen (15) workdays after the Committee meeting. The decision of the Board shall be the final answer and the final decision in the grievance procedure of this Agreement.

Summer vacation days shall not be included in the ninety (90) day probationary period, unless an employee is scheduled to work during the Summer. An additional thirty (30) calendar days may be required by the employer in conformity with Article Four, paragraph E-2.

- A. A vacancy shall be defined as an existing position that is not permanently filled by a bargaining unit member or a newly created position unfilled for more than twenty-five (25) days total.

In the event job vacancies are to be filled, the most senior applicant in that classification consistent with the ability to do the work will be given the position. Employees that are transferred within their classification in this manner do not have a probationary period as they already served their first probationary period when they initially entered that classification.

- B. When there is such a vacancy, the Board shall cause it to be posted on its bulletin boards for a period of seven (7) calendar days in advance of its filling the vacancy. During the summer, the Association president will be notified and the vacancies will be posted for a period of ten (10) calendar days. Applications for such vacancy shall be in writing and turned into the supervisor. The position will be filled within ten (10) work days after the posting period. - C. In the event no employee from the classification bids for such vacancy, employees from the other classifications, or on layoff, may apply for the vacancy, based on their seniority and ability to do the work.

- D. When an employee from another classification is given the job, there shall be a trial period of not less than fifteen (15) working days during which the employee shall prove competency in the job. Determination of competency during the fifteen (15) day trial period shall rest completely in the hands of his/her supervisor/principal or superintendent. In the event he/she cannot handle the job, the employee shall be returned to his/her former position with no loss of service time. In the event that said employee continues in his/her new position beyond the fifteen (15) day trial period his/her seniority shall freeze and not accrue in the previous classification. The seniority list shall be amended to reflect any seniority earned within the last five (5) years.

A "Temporary" vacancy shall be defined as a vacancy created by a regular employee having been granted a leave of absence for a duration of not more than one year or as newly created position that is less than twenty-five (25) working days old and has not been filled by a permanent employee. - A. When layoffs are made, those with the shortest length of service in that classification affected will be laid off first, starting with probationary employees. An employee who gains seniority in more than one (1) classification may exercise his/her seniority rights in their former classification if laid off. However, such move may only occur during the first two years of employment in the "new" classification and the employee may only bump the lowest seniority employee in his/her former classification. A fifteen (15) working day notice will be given to any employee who is to be laid off.

In the event that a reduction of work hours is needed within a particular classification, the employee being reduced shall have the right to bump a less senior employee in that same classification that would maintain as near as possible the hours the employee was scheduled to work prior to the Board's decision to reduce that employee's hours. This provision shall apply when an individual employee has their hours reduced by a cumulative total of thirty (30) minutes or more per day during a school year.

- B. In the event of recall, notice of recall shall be by certified mail to the last recorded address of the employee as it appears on the records of the Board; and upon failure to report within five (5) working days of receipt of such notice or immediately upon return of undelivered notice, such failure shall be considered to be a voluntary quit; provided, however, the employee's failure to report is not the result of inability to report by reason of illness, in which case the employee shall notify the Board by certified mail within this

five (5) day period. Such illness or injury must be supported by documents supplied by the attending physician.

- C. When there is an increase in the work force after a layoff, the laid off employees will be recalled in inverse order of layoff in their classification.
- D. Seniority shall not accumulate during any period of layoff, but such employees rehired within the twenty-four (24) month period following layoff shall be deemed to have on the date rehired the seniority which had been accumulated up to the layoff date.
- E. There shall be no bumping across job classification.

ARTICLE NINE

HOURS OF WORK AND OVERTIME

- A. Work hours and schedule for each employee are set by the principal or supervisor. Such work requests must be approved not later than the Friday prior to the early release day.
- In the event not all members of the classification are needed on that day, seniority and ability to perform the work within the building will be used in selecting the individual abiding with the rotation system detailed in Article Nine – D.
- H. Secretaries will be guaranteed the minimum paid days as scheduled in their annual work year. Secretaries shall be presented with a tentative work schedule at the beginning of the work year. Such work schedule may be adjusted by the Board in the event there is a reduction in the number of days of pupil instruction offered for the school year.
- I. Compensation for all meeting/training attendance shall be paid at the employee's regular hourly rate or \$10.00, whichever is greater and for Bus Drivers this rate shall be the extra trip rate.

- J. Extra assignments within classification will be bid annually on a seniority basis.
1. Regular bus route assignments will be bid annually on a seniority basis no later than the end of the first week of the school year.
