LETTER OF AGREEMENT

This agreement, entered into this 1st day of July, 2023 by and between the Board of Education of the Gladwin Community Schools, hereinafter called the “Board” and the Gladwin Schools Support Staff Association, hereinafter called the “Association”.

WITNESSETH

WHEREAS, the Board has a statutory obligation pursuant to Act 336, Public Acts of Michigan for 1947, as amended by Act 379, Public Acts of Michigan for 1965, known as the Public Relations Employment Act, to bargain with the Association as the representative of the Non-Certified Personnel Association with respect to hours, wages, terms and conditions of employment.

In consideration of the following mutual covenant, it is hereby agreed as follows:

ARTICLE I—RECOGNITION:

- A. The Board hereby recognizes the Association as the exclusive bargaining representative as defined in Section II of Act 336, Public Acts of Michigan for 1947 as amended by Act 379, Public Acts of Michigan for 1965 and later acts, for all full-time and regular part-time support personnel including bus mechanics, assistants, cooks, nurses, couriers, custodial/maintenance personnel, secretaries, clericals, mechanic helpers, interventionist and paraprofessionals, excluding teachers, supervisors, secretary to the superintendent, all central office employees, bus drivers, and substitutes.

All personnel represented by the Association in the above-defined bargaining unit shall, unless otherwise indicated, hereinafter be referred to as “Employees”.

- B. The Board agrees not to negotiate with any non-certified personnel organization other than the Association for the duration of the Agreement.
- C. It is recognized that no final agreement between the Board of Education and the Non-Certified Negotiation team may be executed without the ratification by a majority of the membership in good standing of the Association and by a majority of the Board of Education voting on the ratification. But the representatives from each side shall have the authority to make proposals and concessions during the negotiations.

ARTICLE II—RIGHTS OF THE ASSOCIATION:

- A. The Association and its members shall have the right to use school building facilities at all reasonable hours for meetings. No employee shall be prevented from wearing insignia, pins or other identification of membership in the Association either on or off school premises. Bulletin boards, school mail, and other established media of communication shall be made available to the Association and its members, provided that the appropriate request is made to the person responsible for scheduling, and provided it does not conflict with the duties of the employee.
- B. The Board agrees to furnish to the Association, in response to a written request, available public information concerning the financial resources of the District, tentative budgetary requirements and allocations, and such other non-privileged information relevant to collective bargaining and

handling and processing of grievances. The Association shall reimburse the Board for reasonable expenses incurred in furnishing information or making records available when special requests are made.

- C. Minutes of the Board meetings are available in the Administrative Office and may be reviewed by the Association.
- D. The private and personal life of any employee is not within the appropriate concern or attention of the Board, unless it affects the job performance of the employee.
- E. The provisions of this Agreement, and the wages, hours, terms, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex or marital status, or membership in or association with the activities of an employee organization.
- F. It is understood that bargaining unit members set forth in the foregoing Recognition Clause have the responsibility for performing duties currently being done by present employees. The right of contract or sub-contracting is vested with the Employer.
- G. No material originating after the initial employment shall be placed in an employee's personnel record unless he/she has had an opportunity to review the material. The employee may submit a written notation regarding any material, and the same shall be attached to the material in question.

If an employee is requested to sign material to be placed in his/her file, signature thereon shall be understood to indicate his/her awareness of the material, but in no instance shall signature be interpreted to mean agreement with the material's contents.

- H. All employee records, other than those of a confidential nature, may be subject to review upon the request of the individual to whom such record pertains, except that no more than two (2) requests per year shall be honored.

ARTICLE III—RIGHTS OF THE BOARD OF EDUCATION:

- A. Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Laws of the State of Michigan and of the Federal Government of the United States. Except as stated by this Agreement, all the rights, powers, and authority the board had prior to this Agreement are retained by the Board.
- B. It is expressly agreed that all rights which ordinarily vest in and have been exercised by the Board, except those which are relinquished herein by the Board, shall continue to vest exclusively in and be exercised exclusively by the Board without prior negotiations with the Union either as to the taking of action under such rights or with respect to the consequence of such action during the term of this Agreement. Such rights shall include, by way of illustration and not by way of limitation, the right to:
 - 1. Manage and control its business, its equipment, and its operations and to direct the working forces and affairs of the Board
 - 2. Continue its rights, policies, and practices of assignment and direction of its personnel, determine the number of personnel and scheduling of all the foregoing, and the rights to establish, modify, or change any work or business or school hours or days.

3. Direct the work force, including the right to hire, promote, suspend and discharge employees, transfer employees, evaluate employees, assign work or duties to employees, determine the size of the work force and to lay off employees, but not in violation of contractual procedures as outlined herein.
4. Determine the number of location or relocation of its facilities, including the establishment or relocation of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.
5. Determine the size of the management organization, its functions, authority, amount of supervision and table of organization, provided that the Board shall not abridge any rights from employees as provided for in this Agreement.
6. To exercise management and administrative control of the school system, and its properties, and facilities.
7. The Board and/or its representative may adopt rules and regulations not in conflict with the terms of this Agreement.

ARTICLE IV—DUES AND PAYROLL DEDUCTIONS:

- A. Each bargaining unit member shall on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Association or pay a service fee to the Association, including local, state and national dues. The service fee established by the Association shall not exceed the maximum permitted by law. The bargaining unit member may authorize payroll deduction for such fee in compliance with federal and state law. In the event that the bargaining unit member shall not pay such service fee directly to the Association or authorize payment through payment deduction, the employer shall, pursuant to MCLA 408-477 and at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.

Pursuant to Chicago Teachers Union vs. Hudson, 106 S Ct 1066 (1986), the Union has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in the policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure. The Association shall provide to all non-members copies of the Association's Policy and Procedures upon request.

- B. Upon written authorization from the employee, the Board shall deduct from the salary of the employee and make appropriate remittance for any pan or program jointly approved by the Association and the Board. Political Action Committee contributions must comply with federal and state law.

- C. In the event of any legal action brought against the Board in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action at its own expense and its own counsel, provided:
 1. The Board gives timely notice of such actions to the Association and permits the Association intervention as a party if it so desires, and
 2. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board’s compliance with this Article IV, but this does not include any liability for unemployment compensation paid under Michigan Employment Security Act.

ARTICLE V—COMPENSATION:

- A. The basic compensation of each employee shall be set forth in Schedule “A”. There shall be no deviation from said compensation rates during the life of this Agreement.
- B. The following shall apply to all overtime work:
 1. Time and one-half (1 1/2) will be paid for any work over eight (8) hours per day or over forty (40) hours per week, and on Saturdays and Sundays (unless these days are part of a regularly scheduled work-week). Double time will be paid for any work on holidays.
 2. In order to be eligible for overtime pay, an employee must have worked eight (8) hours in a day or forty (40) hours in a week, including paid leave time.
 3. Compensatory time off may be given if mutually agreeable between the supervisor and the employee.

- D. The Association will be allowed to use up to three (3) days released time per school year for the Association President of designee to attend Association business. The Association will reimburse the Board for the cost of substitutes related to this release time. Notice of intent to use an Association business day shall be given to the superintendent at least forty-eight (48) hours in advance.
- E. Longevity is to be paid in one lump sum within the pay period immediately following the anniversary date for each school year after:

After 25 years:	\$1225.00
After 30 years:	\$1500.00
After 35 years:	\$1800.00

1. Employees who have worked for the district for 20 years or more will receive a proration of their longevity when the employee retires prior to their anniversary date. This proration will be calculated on a monthly basis using the following formula:
Longevity divided by the months worked = prorated longevity amount. Ex: \$1225 / 5 months = \$245 (prorated amount)

- F. The Board will upon receipt of either direct billing or when provided paid receipts, pay costs up to \$300.00 per employee to a cumulative maximum of \$1000.00 per year for an employee assistance plan (i.e., counseling for conditions which affect an employee's work performance). Employees seeking assistance must inform the superintendent or business administrator. If possible, this shall be done prior to expenses being incurred.
- G. When an employee is required to be present beyond the normally scheduled workday and/or on weekends, that employee shall be compensated for all hours present
- H. If bargaining is scheduled during a bargaining team member's work hours, the bargaining team member shall be granted release time, to be made up, provided it does not interfere with the normal functions of the district operation.
- I. Employees will receive their step adjustments on the employee's anniversary date.
- J. When an employee resigns without retiring, the employee shall be compensated for all unused vacation days at their current rate of pay and up to 35 unused sick days at their step 1 rate of pay. This amount will be paid in the first pay period following the last day of employment.

When an employee is terminated, the employee will be compensated for all unused vacation days at their current rate of pay. The employee will not be compensated for unused sick days.

- K. An employee placed on layoff status shall be compensated for all unused vacation days. This amount will be paid in the first pay period following the first date of layoff. All unused sick days will be held and carried over until such time as the employee is recalled, resigns or retires. If the employee resigns or retires the compensation for unused sick time shall follow the guidelines in Article V, Item J (resignation) or Article XIX, Item A3 (retirement).

ARTICLE VI—WORKING HOURS, LOADS, AND ASSIGNMENTS:

Any part-time employee who temporarily works extra hours will not be eligible for half-time or full-time benefits unless the temporary assignment goes over thirty (30) days. Any half-time employee who temporarily works extra hours will not be eligible for full-time benefits unless the temporary assignment goes over thirty (30) days.

- B. School year employees shall be defined as working (9) nine months only when school is in session. The normal work year for school year employees shall follow the school calendar. *

The relief periods shall be taken at a time and in a manner that does not interfere with the efficiency of the work unit as defined by the supervisor. Deviations from the assigned break schedule will not be allowed without prior approval of the supervisor.
- F. When the Employer determines that overtime is necessary, overtime shall be divided among bargaining unit members within each classification as follows:
 - 1. Overtime will be covered by the use of an “Overtime Chart” and will be offered to each bargaining unit member in rotation based on seniority. Overtime that is refused by a bargaining unit member will be charged on the “Overtime Chart” for the purpose of balancing overtime.
 - 2. The “Overtime Chart” shall be kept updated to the current pay period on a continual chart from year to year.
 - 3. New employees, and employees returning from leave, shall be averaged in and placed on the “Overtime Chart”.

(All other employees—unpaid lunch period.)
- H. On inclement weather days, paraprofessionals, assistants and clerical will not report unless requested to do so. All other employees will be expected to report unless notified otherwise. Those required to work will be paid at their regular rate of pay for those hours worked. When School is closed, if employees required to work determine that weather conditions warrant it, they shall have the option of not reporting to work upon notification of the appropriate supervisor. In such cases, the employee shall be paid only if they choose to use an unused sick, personal or an unused vacation day. The use of unused sick days applies only to employees who are required to work on inclement weather days.
- I. Those not required to work will not be paid for inclement weather days unless they choose to use an unused personal or vacation day to offset the loss of time. Employees not required to report to work and have twenty (20) or more unused sick days accrued by July 1, 2023, they may use up to three (3) unused sick days to cover three (3) inclement weather days and will have the option of

reporting to work on up to four (4) inclement weather days per year. Employees that have nineteen (19) or less unused sick days accrued, will NOT be able to use unused sick days to cover inclement weather days but WILL have the option of reporting to work on up to seven (7) inclement weather days per year. The employee will be required to coordinate this through their building administrator and the building administrator will assign the duties for that day.

If school is canceled after employees have reported for work or after students have reported, employees shall have the option to complete their scheduled work day or be dismissed immediately and may choose to use sick, personal or vacation time to continue compensation for the remainder of that day.

If the District is unexpectedly closed during the school year for a period of more than five (5) consecutive days, the support staff will be allowed to make up those days beyond five (5) and up to ten (10).  - 4. For those medications that need to be administered in school, there shall be a written school policy, developed by representatives from the Employer, Association, and parents that set the parameters for when the school will provide for the administration of medication, both prescription and non-prescription, to students and for self-administration of medications by students in the school setting. The policy shall include a definition of medications and corresponding administrative procedures, i.e., orally, by inhaler or injection, in drop form or applied to the skin. The policy shall specify who "does what" (i.e., transporting medication from home to school, etc.) and shall provide in-service training for staff who will be administering medications.

The Employer shall at that time advise the bargaining unit member that he/she is subject to confidentiality provisions of the Family Educational Rights and Privacy Act and the regulations promulgated pursuant to the Act.
- M. In the event any error in any accounting is made that adversely affects any bargaining unit member, said error shall be brought to the attention of the member and the Association during that business quarter. The bargaining unit member will not be obligated to repay the district if the District fails to notify the affected member and Association within this time period. When the proper timeline is followed, the bargaining unit member shall have the option of the repayment being spread out over future pay periods.

Seniority placement for those affected will be permanent. Those affected employees and a GSSSA representative will be invited to be present when lottery determination occurs.

- I. Seniority shall be frozen and shall not accrue when a person is on unpaid leave of longer than thirty consecutive (30) workdays. Bargaining unit members using donated days to replace unpaid leave will still constitute unpaid leave.

ARTICLE IX—REDUCTION IN PERSONNEL, LAYOFF, AND RECALL

In the event a layoff situation develops, the Board will decide the reduction or elimination of positions within the various classifications, and agrees that the procedure will be as follows:

- A. The Association will be given not less than five (5) day notice of intent to lay off and will be given the opportunity to immediately discuss the circumstances with the employer.
- B. An employee shall be given at least fifteen (15) day notice of layoff. Employees subsequently displaced, if any, shall be notified of such displacement as soon as practicable but not less than one working day after the more senior employee has exercised the right to displace.
- C. In the event of a necessary reduction in work force, the Employer shall first layoff probationary bargaining unit members in the affected classification, then the least senior bargaining unit members in that classification. In no case shall the employer employ a new employee while there are laid-off bargaining unit members who are qualified for a vacant or newly created position. Bargaining unit members whose positions have been eliminated due to reduction in work force or who have been affected by a layoff/elimination of position shall have the right to assume a position, regardless of classification, for which they are qualified, which is held by the least senior bargaining unit member closest to the daily hours that the displaced member was working.

For the purpose of displacing as described above, "Necessary skills" and "Qualified" will be determined using the following protocol:

1. Administration will develop a written and/or performance based test for each position/classification to be administered as the need arises due to vacancy in any position. The test will be administered to the employee and graded by the administration. The Association President may review the completed and graded test.
 2. The member wishing to displace another member will provide a resume, outlining their qualifications for the position they wish to displace.
 3. The administration may choose to conduct an interview with the person wishing to displace another employee. The Association President may observe the interview.
- D. The use of bargaining unit seniority to displace another employee must be exercised within three (3) days of receipt of notification of layoff or displacement, whichever is applicable, or the right is forfeited.
- E. Laid-off bargaining unit members shall be recalled after any displaced and/or currently employed members have had the opportunity to fill any vacancies.
- F. A laid-off bargaining unit member shall, upon application and at his/her option, be granted priority status on the substitute list according to his/her seniority.
- G. Laid-off bargaining unit members shall be recalled in accordance with seniority; that is, the bargaining unit member with the greatest seniority shall be recalled first, provided they have the ability and are able to perform the duties of the job that is open.
- H. When recalling laid-off bargaining unit members, the School District will notify them by certified mail at the last known address. If such bargaining unit member does not notify the School District within ten (10) working days of receipt of such notice, or within ten (10) working days of notification from the post office that said notice is undeliverable, that he/she will report to work on the date specified, or give a legitimate reason, as determined by the superintendent, for delay beyond such time, he/she will be considered as having quit and all seniority shall be terminated.
- I. Bargaining unit members recalled to an equivalent position in hours and pay from that which they were laid-off and for which they are qualified, are obligated to take said work. The obligation of the Employer is only for the proportional amount necessary to supplement the maximum benefit provided to the bargaining unit member from Worker's Compensation until the bargaining unit member's sick leave is exhausted or the bargaining unit member is able to return to work, whichever happens first. Should this supplemental payment be found to be subject to the coordination requirements of Worker's Compensation, such that the amount of the Worker's Compensation benefit is reduced, the bargaining unit member shall not be allowed the use of sick leave and shall receive only the Worker's Compensation benefit provided by statute.

employed by the District. This would prevent the need for an employee to repay any advanced deductible funding for months in which they were not actively employed by the District. An employee would need to notify the District at least one (1) week prior to January 1st or July 1st, during the corresponding period in which their retirement or resignation will be effective in order to avoid having an excess amount deposited into their HSA account.
