The signatories shall be the sole parties to this agreement.

WITNESSETH

WHEREAS the Board and Association recognize and declare that providing a quality education for the children is their mutual aim and that the character of such education depends on the quality and morale of the teaching service, and

WHEREAS the members of the teaching profession may be called on to assist in formulating policies and programs designed to improve educational standards, and

WHEREAS the Board has a statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms, and conditions of employment, and

WHEREAS the parties have reached certain understandings which they desire to confirm in this Agreement.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I - RECOGNITION

The Board hereby recognizes the Association as the sole and exclusive bargaining representative for all certified or professional personnel whether under contract, on leave, or on a per diem, hourly or class rate basis, employed or to be employed by the Board. Such representation shall cover all personnel assigned to newly created professional positions unless the parties agree in advance that such positions are principally supervisory and administrative. Such representation shall exclude substitute teachers, Superintendent, Assistant Superintendents, Director of School and Community Relations, Principals, Assistant Principals, Business Manager, and any other person engaged fifty percent (50%) of the time in the direct administration and supervision of professional personnel. The term "Teacher" when used hereinafter in the Agreement shall refer to all professional employees represented by the Association in the bargaining or negotiating unit as defined above and reflect both genders.

The Board agrees not to negotiate with or recognize any teachers' organization other than the Association for the duration of this Agreement.

ARTICLE II – TEACHER RIGHTS

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection or refrain from such activity. As a duly elected body exercising governmental power under the color of the law of the State of Michigan, the Board undertakes, and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any term or condition of employment by reason of his/her membership or non-membership in the Association, his/her participation or non-participation in any activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this or otherwise with respect to terms or conditions of employment.
- B. Nothing contained herein shall be construed to deny or restrict to any teacher, rights he/she may have under the Michigan General School Laws, or applicable civil service laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.
- C. The Association and its representatives shall have the right to use school buildings at reasonable hours for meetings, provided that when special custodial service is required, the Board may make a reasonable charge, therefore. No charge shall be made for use of school rooms before the commencement of the school day or until 6:00 p.m.
- D. Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property at all reasonable times provided that this shall not interfere with or interrupt normal school operations. Representatives shall comply with District visitor policy.
- E. The Association shall have the right to use School facilities and equipment, including typewriters, computers, copiers, and all type of audio-visual equipment, calculating machines and data projectors and smart boards at reasonable times, when such equipment is not otherwise in use. The Association shall pay for the cost of all materials and supplies incidental to such use.
- F. The Association shall have the right to post notices of activities and official Association business on teacher bulletin boards, at least one of which shall be provided in each teacher's lounge. The Association shall determine what constitutes official Association activities and business. The Association may use the District mail service, electronic mail, and teacher mailboxes for communications to teachers. Administration cannot guarantee confidentiality of electronic correspondence. Electronic correspondence must comply with the acceptable use policy and may be subject to FOIA request protocol.

- G. The Board agrees to furnish to the Association in response to written requests all available information concerning the financial resources of the District, including but not limited to: annual financial reports and audits, register of certificated personnel, tentative budgetary requirements and allocations, agendas and minutes of all Board meetings, treasurer's reports, census and membership data, names and addresses of all teachers, salaries paid thereto and educational background, and such other information as will assist the Association in developing intelligent, accurate, informed, and constructive programs on behalf of the teachers, together with information which may be necessary for the Association to process any grievance or complaint.
- H. The Board may consult with the Association on any new or modified fiscal, budgetary or tax programs, construction program, or major revision of educational policy, which are proposed or under consideration and the Association may be given opportunity to advise the Board with respect to said matters prior to their adoption and/or general publications.
- I. The teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher, or the lack thereof shall be grounds for discrimination with respect to the professional employment of such teacher. Consistent with the Code of Ethics of the Educational Profession, the private and personal life of any teacher is not within the appropriate concern or attention of the Board.
- J. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, disability, age, gender, or marital status.

- L. The Board shall place on the Agenda of each regular Board meeting as one of the first items or consideration under "New Business" any matters brought to its consideration by the Association so long as those matters are made known to the Superintendent's Office by 4 o'clock of the Thursday evening prior to the regular meeting.

ARTICLE III – RIGHTS OF THE BOARD

- A. The Association recognizes certain rights and responsibilities as belonging finally to the School, and its Board of Education and Administration. Those rights and responsibilities include by way of illustration and not limitation the right to hire; to direct the teaching force; to determine the number of teachers who shall be employed by the School; to determine the qualifications necessary for promotion or transfer or reassignment of teachers; to discipline, suspend, demote and discharge teachers for cause in accord with this contract and Michigan Laws; to require teachers to observe school rules and regulations; to determine the number and location of school buildings; the type of such buildings, to establish necessary health and safety protocols, and the cost of such buildings; to establish the grade system to be used within the school, the qualifications necessary for the student to advance from grade to grade and to graduate; to determine the curriculum to be taught in school, together with textbooks or other materials which may be used in the education processes; to determine the scheduling of classes, the hours of instruction, and all other rules and regulations with regard to the conduct of pupils whether on or off school premises insofar as the school deems it necessary and appropriate; and any and all powers and authorities granted to the school by the legislature of this State, the Constitution of this State, or by Congress of the United States, or the Constitution of the United States.

ARTICLE IV – PAYROLL DEDUCTIONS

ARTICLE V – TEACHING HOURS AND CLASS SIZE

- A. Teachers shall be required to report for duty twenty (20) minutes before the opening of the students' regular school day in the morning and shall be in the proximity of their classrooms ten (10) minutes prior to the tardy bell. Teachers whose teaching day begins earlier than the regular school day (Early Bird Classes) shall not be required to remain in school after their last scheduled class. It is understood that teachers of early morning (Early Bird) classes shall be scheduled in a manner that allows the teacher to leave one hour earlier than the close of the regular school day.

Teachers are expected to remain in the building fifteen (15) minutes after the close of the pupils' school day. All staff members are encouraged to remain for a sufficient period of time after school to give additional help to students desiring attention at that time. On Fridays or on days preceding holidays or vacations, the teachers' day shall end at the close of the pupils' day.

- B. The normal weekly teaching load in the junior and senior high school will be twenty-five (25) teaching periods and five (5) unassigned preparation periods or not to exceed twenty-seven and one-half hours (27.5) of pupil contact per week. The normal weekly teaching load in the elementary schools will be thirty (30) teaching periods or not to exceed five and three-quarter hours (5.75) of pupil contact per day and not to exceed twenty-eight and three-quarter hours (28.75) of pupil contact per week. The Administration will attempt to assign newly employed, inexperienced teachers to the lowest class size at their teaching level.
- C. All elementary teachers shall be entitled to a totally duty-free, uninterrupted lunch period of at least forty (40) minutes and all secondary teachers shall be entitled to a totally duty-free, uninterrupted lunch period of at least thirty-five (35) minutes.
- D. Elementary teachers shall be provided one (1) twenty (20) minute recess period each day. Elementary teachers will be relieved of duty during this recess period. K-5 Elementary teachers will be guaranteed a minimum weekly average of three hundred five minutes (305) of prep time which includes recess.
- E. Teachers of music, art, physical education and the laboratory sciences, librarians, speech therapist, reading consultants, visiting teachers, counselors, social workers, and all special education teachers shall be provided with relief and preparation time to the same extent as other teachers in the District. Preparation time will be given in blocks of twenty (20) minutes or more when possible.
- F. If a teacher teaches more than the normal teaching load as set forth in this Article, he/she shall receive additional compensation at "Rate of Pay" schedule per period for each period he/she is substituting. The teacher shall have the option to select compensatory time when he/she has substituted three hundred sixty minutes (360). Compensatory time may be used in one-half ($\frac{1}{2}$) or full day increments. Compensatory time must be used in not more than two (2) days at a time or more than a total of five (5) days in any given school year. Use of compensatory time shall be limited to one (1) individual per building on any given day. Unused compensatory time shall be paid within three (3) weeks after the end of the students' last day of school.
- G. Three (3) preparations are the maximum recommended load for each teacher in grades 7 through 12. If more than three (3) preparations are necessary, it will be agreed to in writing by the teacher, principal, and Association. Each teacher will be encouraged to assume at least one extra curricular activity of supervisory assignment when requested which is not a part of the extra pay reimbursement policy.
- H. Teachers shall not be required to teach outside of the normal classrooms as part of their assignment without the teachers' approval.
- I. No more than two (2) one (1) hour before school teachers' meetings shall be scheduled each month. Notification of the days of said meetings shall be given at least forty-eight (48) hours in advance. It is understood that this does not preclude the scheduling of special shorter meetings for emergencies or extenuating circumstances. Traveling teachers (multi-building assignments) shall be required to attend a maximum of two (2) of these meetings.
- J. If a teacher takes one (1) additional class above his/her normal load for the year, he/she will be compensated at one-sixth ($\frac{1}{6}$) of his/her annual salary.

ARTICLE VI - SPECIAL STUDENT PROGRAM

- A. Special attention will be given to reducing class size where special needs students are placed in the regular classroom of a newly employed, inexperienced teacher without prior approval of the Association.

- B.
 - 1. Mainstreaming is defined as the placement of an identified special education student into a general education program for any part of the regular school day. When a general education classroom teacher is assigned a special education student, the teacher shall not be expected to perform routine, scheduled maintenance of an apparatus used by the student to sustain his/her bodily functions nor render routine scheduled care or maintenance of bodily functions (i.e., tracheotomy, custodial care, etc.) related to the student's special needs. The teacher shall be informed and instructed as to emergency measures which may be necessary on occasion due to the student's special needs.

 - 2. On a case-by-case basis, the District will determine what training if any will be necessary for the general education teacher who has a special needs student in his/her classroom.

 - 3. In assigning a student with special needs to a general education classroom when more than one (1) classroom placement is available within the building to facilitate the implementation of the student's I.E.P., the Board agrees to consider the severity of the student's condition, the number of other students with special needs assigned to the class and the overall class sizes within the applicable classrooms.

 - 4. The District shall determine the need for a teacher who will be providing instructional or other services to a student with special needs to participate in the Individual Education Planning Team (IEPT) which may initially place (or continue the placement of) the student in a general education classroom. The District shall provide release time in the event the District directs or authorizes a teacher to attend an IEP which is scheduled during the time the teacher is assigned to teach a class.

ARTICLE VII - TEACHING CONDITIONS

- A. The parties recognize that availability of optimum school facilities is desirable for both student and teacher to ensure the highest quality of education that is the goal of both the teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach, and that the organization of the school and the school day should be directed at ensuring that the energy of the teacher is primarily utilized to this end.

- H. The Board shall make available in each school adequate rest rooms and lavatory facilities exclusively for staff use and at least one (1) room, appropriately furnished, which shall be reserved for the use of the staff as a lounge.
- I. Vending machines may be installed in lounge areas, at the request of the Association. The proceeds are to be used for the respective GEA Building Lounge Funds. There will be no cost to the Board of Education.

If any part of the twenty credits (20) earned after the BA do not count towards the MA degree, those credits can then be counted towards the MA+15 step.

- F. The Administrator involved will notify the President of the GEA of any part-time teaching position and include the fraction of salary authorized for each part-time position.

ARTICLE X - VACANCIES, PROMOTIONS and TRANSFERS

- A. The Board recognizes that it is desirable in making assignments to consider the interests and aspirations of its teachers. Requests by a teacher for a transfer to a different class, building, or position shall be made in writing, on forms furnished by the Board, one copy of which shall be filed with the Superintendent and one copy shall be filed with the Association. The application shall set forth the reasons for the transfer, the school, grade, or position sought, and the applicant's academic qualifications. The unused portion of such allowance shall be allowed to accumulate from year to year to a limit of two hundred (200) days, a day being six (6) hours. A teacher may use increments of one (1) hour when needed. A statement of accumulation shall be sent to each teacher at least annually. Sick leave accumulations shall be noted on pay stubs bi-weekly. Up to five (5) of these days per year may be used for immediate family, not included above, (children out of the home, brother, sister, daughter-in-law, son-in-law, mother-in-law, father-in-law, grandparent and grandchild.) However, these days shall not accumulate for this purpose from year to year.
- B. A teacher shall be granted a leave of absence for five (5) days for the death of a member of the immediate family which includes mother, father, wife, husband, son, daughter, brother, sister, father-in-law, mother-in-law, grandparents, grandchildren, or other members of the family in the household. Beginning with the fourth (4th) year of employment in the Gladwin school system, upon application, withdrawals may be made for up to the balance of the school year, should such days be available within the bank's balance.
 4. If the teacher is qualified to receive compensation from another government sponsored source, while employed, he/she shall make application for same and upon approval for this source of compensation, shall draw from the sick bank only the number of days which shall represent the difference between the teacher's regular salary and the acquired government compensation.
 5. The administration of the bank shall be the responsibility of a committee of four (4) teachers elected for a three (3) year period. This committee shall be the President with the initial appointment to consist of one (1) person for three (3) years, one (1) person for two (2) years, and one (1) person for one (1) year. Should a vacancy arise within this committee, the President shall appoint another member to fulfill the remaining term of the committee member.
- D. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave available shall be granted a leave of absence without pay for the duration of such illness or disability up to the end of the current school year. The teacher should notify the administration of his/her intentions to teach for the ensuing school year before June 1, or earlier if possible.
- E. Absence due to injury incurred on the job during the teacher's employment shall not be charged against the teacher's sick leave days.
- F. Upon retirement or voluntarily resigning from the school system, bargaining unit members shall be compensated at the rate of fifty percent (50%) of two hundred days (200) of the current substitute teacher pay for each accumulated sick day. A teacher must have been employed a minimum of fifteen (15) years by Gladwin Community Schools to qualify for this incentive.

ARTICLE XII - PROFESSIONAL, PERSONAL and ASSOCIATION LEAVE

- A. At the beginning of every school year each teacher shall be informed that he/she may use professional business days for educational purposes at the discretion of the teacher and the principal. Professional business days shall be used for the purposes of: (1) visitation to view other instructional techniques or programs, (2) conferences, workshops, or seminars conducted by colleges, universities, and the MEA and NEA and/or affiliate departments thereof. The teacher may be requested to file a written report, within one (1) week of his/her attendance at such visitation, conference, workshop, or seminar.
- B. At the beginning of each school year each teacher shall be credited with four (4) days to be used for the teacher's personal business at the teacher's discretion. A teacher may only use half (1/2) day or full day increments when scheduling personal days off. At least forty-eight (48) hours advance notice must be given to the building principal except in an emergency. No more than two (2) teachers per building shall be given personal leave on the same day. Personal leave days will not be approved for the day before or following a vacation period. Any unused personal business days may accumulate as the teacher's sick leave at the end of each school year. Such leave of absence may be renewed for a second (2nd) year if applied for by April 1 in the first (1st) leave of absence. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the District during such period except for cultural travel. For leaves of cultural travel, the teachers shall be placed on a salary schedule one position above that occupied during the last year prior to the leave.

The taking of a leave as outlined above shall not constitute a break in service, however, seniority shall remain frozen for the duration of the leave.

- B. A military leave of absence shall be granted to any teacher who shall be inducted or shall enlist (one enlistment period) for duty in any branch of the armed forces of the United States. Upon return from such leave, a teacher shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the District during such period.

The taking of a military leave shall not constitute a break in service and seniority shall accumulate for the duration of the leave.

- C. A teacher will be granted a one (1) year leave without pay prior to beginning of, or after, at conclusion of the school year to campaign for himself/herself or serve in Public Office. Further extensions shall be granted at the will of the Board.

Upon return from such leave, a teacher shall be placed on the salary schedule one (1) position above that occupied during the last year prior to taking the leave. The taking of a leave shall not constitute a break in service; however, seniority shall remain frozen for the duration of the leave.

- D. Teachers on leave of absence, as specified in paragraphs A, B, and C above, will be re-assigned to a teaching position providing there is an opening suitable for their qualifications. Notice of intention to return must be given to the Superintendent by April 1 in the year preceding their return in order to be assured of greater probability of reassignment.

- E. Maternity Leave

1. If a teacher desires a maternity leave of absence, she must file a written request with the Superintendent stating the anticipated date of such leave at least thirty (30) days prior to the anticipated commencement of the leave.

Within seven (7) working days the Superintendent or his/her designee, shall meet with the Association concerning the grievance and shall indicate his/her disposition of the grievance in writing within five (5) working days of such meeting, and shall furnish a copy thereof to the Association.

If the grievance is not settled at the preceding step, it may be submitted to binding arbitration. Both parties agree to be bound by the decision of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

I. The fees and expense of the arbitrator shall be shared equally by both parties.

J. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

- G. Release time may be provided the Association's negotiating committee to permit the parties to alternately meet both during, and after the regular school hours for the purpose of reaching a successor agreement as rapidly as possible.
- H. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiation or bargaining representatives of the other party and either may select its representatives from within or outside of the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject to such ultimate ratification.
