The parties agree that the failure of any bargaining unit member to comply with the provisions of this article is just cause for discharge from employment.

2. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to non-members along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February). ARTICLE VI

TEACHING HOURS

- A. The Board recognizes teaching as a professional calling and shall not impose unreasonable demands on teachers' time but shall agree that the schedule for the teaching staff shall be maintained at a professional level and shall be consistent with professional status. The student day and teacher workday shall be structured to assure that all state requirements pertaining to days and hours of instruction are satisfied. Any changes in the teachers' hours from one school year to the next shall be agreed upon jointly by the Board and the Association prior to the beginning of the next school year and prior to implementation. This section shall not be construed as limiting the Board's right to unilaterally implement a proposal after impasse is reached in accordance with the public employment relations act.
- B. Unless restructuring is implemented subject to section A, the elementary school day for teachers will begin at 8:30 a.m. and end at 4:00 p.m. and, the Middle School and High School day for teachers will begin at 7:40 a.m. and end at 3:00 p.m. The parties agree that flexibility must be built into any viable student or teacher schedule. With this principle in mind, adjustments to these guidelines (including starting and stopping times) shall be permitted with mutual agreement between building principal and teacher.

All teachers are free to leave Fridays and days proceeding holidays ten (10) minutes after students are dismissed.

A 30-min, duty-free lunch period shall be provided for all teachers in grades 6-12. Elementary classroom teachers (excluding related art teachers, i.e., P.E, Music and Art) shall be provided a 40-minute duty-free lunch period and a 40 minute per day or 200 minutes per week preparation time. Times when elementary students are under the supervision of another certified teacher may be used as preparation time. Related arts teachers shall be provided preparation time in an amount equal to other elementary teachers. Related arts teachers shall be provided a duty free lunch period of no less than 30 minutes per day. To the extent possible, daily preparation time shall be scheduled equally Monday through Friday.

ARTICLE VII

TEACHING LOADS AND ASSIGNMENTS

- A. The Board agrees to a schedule of five teaching periods and one preparation period for teachers in grades 6 through 8. The normal weekly teaching load in the middle school will not exceed twenty-five (25) teaching periods and five unassigned preparation periods. The Board and its agents will keep the number of preparations to a minimum. Exempted from the provisions of 25 (twenty-five) teaching periods and 5 (five) unassigned preparation periods are guidance and library personnel who are considered to be on a six-period day. It is expressly understood and agreed that the aforementioned personnel will take time from the teaching day for professional planning and personal exigencies; however, it is also understood that such absences shall not exceed one (1) class period per day.
- B. The normal teaching day for teachers in grades 9-12 will be three teaching periods, one daily (thirty-five minute) duty period and one (fifty minute) preparation period. Recognizing that some staff members are assigned to more than one building, the parties agree that in such cases individual schedules may need to be adjusted to accommodate building schedules and program needs. In no case will teachers be assigned a teaching load that exceeds the principles and guidelines set forth in Article VII-A-(Paragraph 1) of the Master Agreement. Teachers teaching less than a full day will have preparation periods pro-rated accordingly.
- C. The sharing of full-time positions with pro-ration of benefits shall be allowed subject to the agreement of the administration, association and teachers involved.
- D. Teachers who are shared between buildings/levels (such as band, choir, orchestra, physical education, and computers) will be paid for all hours above the agreed time as stated in Article III, Section E, Paragraph 1, if required by the Administration. The teacher involved will be paid the following rate, fifty dollars (\$50.00) per hour for hours above contracted time, as stated in Article IV, Section C.
- E. Teachers who will be affected by (1) change in grade assignments in the elementary school grades, or (2) change of subject assignments in the middle or high school grades shall be notified by their principals prior to the end of the school year except under unusual circumstances. Any change made after the end of the school year will be written and forwarded to the affected teacher prior to the finalization of the change. Administrators shall attempt to avoid reassigning teachers following the end of the school year except by mutual agreement.
- F. Since frequent transfers of teachers from one school to another or changes from one subject to another are disturbing to many teachers, the parties agree that involuntary transfers will be minimized. All teachers in the Hillsdale Community Schools are free to request a transfer or change in assignment for personal reasons. The Administration will make every effort to assign teachers at their request whenever it is possible but will endeavor to maintain a balanced staff in each school. All transfer requests shall be filed or renewed with the superintendent's office each year, and subject to posting procedures.
- G. Vacancy is defined as a newly created position or an open position that the administration had decided to fill. A vacancy shall not be posted if a bargaining unit member has a right to return to that position. The procedure for filling vacancies shall be as follows:

1. Positions within the building will be filled first with existing bargaining unit members in the building.
 2. When all building assignments have been completed all vacancies will be posted internally for ten (10) working days. All bargaining unit members who apply shall be interviewed. All applicants shall be notified of the Administration's decision.
 3. If a vacancy is not filled by a bargaining unit member then an external posting shall be made. By mutual agreement positions may be posted internally and externally concurrently.
 4. Bargaining unit members are not precluded from applying for a vacancy during any subsequent posting.
 5. Seniority will be one of the criteria considered when bargaining unit members apply for a posted position.
 6. All postings will be consistent and include date and time.
 7. The Association understands that such consideration does not preclude the Administration from not selecting the bargaining unit member for the position.
- H. A teacher transferred voluntarily or involuntarily because of staff reduction or qualification needs shall be given the opportunity to return to his/her position or similar position when the position opens. This right shall exist for two (2) years from time of transfer.
- I. In determining class size, the physical features and size of classroom shall be taken into consideration.
- J. It is agreed that in K-5, teacher's teams will be assigned a minimum base of two and one-half (2 ½) hours of aide time per teacher per week.
- K. Philosophically, the Board and the Association agree that the ideal class size for elementary education is 20-25, and will continually work toward that goal.
1. For the purpose of computing elementary class size, any student who meets special education requirements (except speech and language impaired students) and is in a classroom the whole day counts as 1 ½ students, except all students who are classified as CI, EI, SMI, AI, HI, VI, and TBI, and all other students determined by the IEPT as 2 ½ students. Special Education students mainstreamed into regular elementary classroom for at least half (1/2) the regular school day, shall be counted as a full time student. Special Education students mainstreamed into a regular classroom for less than one half (1/2) of a regular school day but more than thirty (30) minutes shall be counted as one half (1/2) a student. The Board will attempt to distribute all such mainstreamed students as equally as possible among teachers within the appropriate building.
 2. When a regularly assigned student load (including weighted students) exceeds 25 students in grades K-3 and 27 students in grades 4-5, the Superintendent or designee and H.E.A. President will be notified and one of the following remedies will occur within a maximum of twenty (20) school working days:

- a. The teacher will receive additional permanently assigned aide time at a minimum of 1 hour per week per student over the specified limit

Or

- b. Students will be assigned to another class.

When a Middle School teacher's student load exceeds 130 (excluding music and physical education classes), the teacher and principal will meet to discuss concerns and explore solutions.

When a teacher's student load in grades 9-12 exceeds eighty-four (excluding music and p.e. classes), the teacher and principal will meet to discuss concerns and explore solutions, provided the teacher is not assigned to more than one building. In case of multiple building assignments, the one hundred thirty pupil/five-period teaching day guidelines shall continue to be applicable. When secondary classes exceed thirty (30) students, the administrator, teacher, and/or counselor will meet to explore solutions.

Suggested remedies are as follows:

This clause does not abridge the Administrator's right to call an emergency meeting. All teachers shall attend meetings called by the

Administration as a regular part of their teaching duties unless otherwise excused by the Administration.

- O. The parties agree that meetings beyond the normal contractual hours are sometimes necessary. Up to one meeting per month may be called and teachers in attendance at such meeting beyond the normal school day shall be compensated by equivalent minutes of early release time.

ARTICLE VIII

LEAST RESTRICTIVE ENVIRONMENT

A. STATEMENT OF PHILOSOPHY

In order to provide the least restrictive environment (LRE) for handicapped students the district will offer a continuum of services. Whenever it is educationally beneficial to handicapped students they will be placed in regular education classes.

B. LOCAL DISTRICT PLANNING

The Employer shall assure that the Association shall be a participant in any planning process involving the district and its implementation of the least restrictive environment (L.R.E.) for handicapped students, as well as in the formulation and presentation of Employer's position as a part of any such planning activities involving the Intermediate School District.

In cases where plans are completed without initial Association participation and are already in the process of implementation, the Association shall be provided the opportunity to review and recommend modifications.

Such participation shall neither expressly nor by implication be deemed to be a waiver of the Association's right to bargain any working conditions in accordance with its responsibilities pursuant to the Public Employment Relations Act, as amended.

C. IEPT/MET PARTICIPATION

Whenever it is known in advance that a bargaining unit member will be providing instructional or other services to a handicapped student in a regular education classroom setting he/she shall be invited, in writing, to participate in the individual educational planning team (IEPT) which may initially place (or continue the placement of) the student in a regular education classroom. Unless directed to attend by Employer, the member may choose not to do so.

Whenever a bargaining unit member responsible for instructing a handicapped student has a reason to believe that the student's current individual educational plan (IEP) is not meeting the student's unique needs as required by law, the teacher may request that an IEPT be convened. All such requests will be honored, and the IEPT will be convened forthwith. The requesting teacher shall be invited to attend.

D. IEPT TRAINING/INFORMATION

Training shall be provided for only new staff or experienced staff upon request except as changes in law or regulation make further in-service advisable for all staff.

E. SUPPORT FOR REGULAR EDUCATIONAL PERSONNEL

1. The parties recognize the extent to which a handicapped student can participate in regular education programs and services and whether such participation can be achieved satisfactorily will depend in large part upon the training and other support provided the regular education

personnel responsible for instructing the handicapped student. Accordingly, the district will take the necessary steps prior to the placement of the student to assure the following:

- a. The student's Individual Educational Plan (IEP) specifies and provides for immediate availability of all supplementary aides, support personnel and other related services deemed necessary by the Individual Educational Planning Team (IEPT) to satisfactorily achieve educating the student in the regular education class;
 - b. Employer has previously provided or agrees to provide forthwith in-service training to the teacher regarding the instruction and behavioral management of handicapped students (except speech and language impaired students) in the regular education classroom setting, including the differing approaches, problems and techniques to be utilized with varying handicapping conditions;
2. If the teacher has cause to believe that the handicapped student's participation in the regular education class significantly disrupts or has a negative impact on the educational process for the handicapped student or other students in the class, the teacher may invoke the review process.

F. Least Restrictive Environment (LRE) Review Process

1. When problems arise as a result of the bargaining unit member's attempt to implement the LRE mandate, the member will discuss these problems with appropriate personnel at the building level in the interest of resolving them. In the event such problems remain unresolved following discussions at the building level such problems shall be referred to the LRE Review Process.
2. A meeting shall be scheduled with the classroom teacher, special education teacher, parent, and the superintendent or designee including a colleague of the teacher if invited by the teacher.
3. If the teacher is unsatisfied after step 1 he/she may request an observer be assigned to the classroom to further help with the assessment of the situation. Effort shall be made to assign an impartial observer.
4. After the observations have taken place the observer, teacher, building principal, superintendent, and a teacher colleague, invited by the teacher, shall meet to appraise the situation.
5. If a solution satisfactory to the teacher is agreed to at step 3 every effort shall be made to implement the solution within the confines of the IEP. If it is necessary to convene another IEPT the teacher may call for IEPT where parties at step 3 may be invited to make recommendations.

G. ACCOUNTABILITY/LIABILITY

In accordance with 34 CFR 300.349, no bargaining unit member shall be held accountable if a handicapped student, while participating in a regular education classroom or otherwise, does not achieve the growth projected in the student's annual goals and objectives.

H. NO RETALIATION

No bargaining unit member will be threatened, disciplined, reprimanded, punished, discharged, or denied any professional advantage, directly or indirectly, by Employer, due in any way to the bargaining unit member having:

1. Filed in a complaint under Part 8 of the Michigan Special Education Rules or with the Office of Civil Rights (OCR), U.S. Department of Education; or
2. Asserted his/her rights or those of a handicapped/non-handicapped student with respect to the provision of the least restrictive environment mandate as provided for in this Article or by law.

I. SCHOOL HEALTH SERVICES

No bargaining unit member shall be required to provide school health services.

When school is delayed because of conditions not within the control of school authorities, the lost time may be rescheduled if it is necessary to do so for the district to receive full state aid.
- C. Make-up hours will be negotiated.
- D. To the extent that any other provision of the collective bargaining agreement such as the school closing provision, school calendar or the like shall be inconsistent with the foregoing, such provisions shall be null and void as to the extend of the inconsistency.

ARTICLE XIII

TEACHER EVALUATION

PROBATIONARY TEACHERS

- A. Probationary teachers will be evaluated at least twice a year.
- B. If a probationary teacher is to be denied tenure because of inadequacies observed in the teacher's professional work or non-compliance with the Individualized Development Plan, such action must be minimally preceded by:
 - 1. Repeated observations of the inadequacies.
 - 2. Clear direction to the teacher of what the inadequacies are, what improvements are expected, and the consequences for failing to do so.
 - 3. Opportunity and time to implement suggestions or recommendations for improvement.
 - 4. Provision for administrative assistance and support to aid the teacher's improvement.
- C. A probationary teacher's building administrator shall provide the probationary teacher with an Individualized Development Plan (IDP) containing: instructional and performance goals; plans that are professionally relevant to the probationary teacher's growth and performance. The probationary teacher shall be consulted in the formulation of the IDP and shall sign a statement on the IDP attesting to the involvement and acknowledging receipt of the IDP. As a condition of continued employment, each probationary teacher shall be subject to the professional development requirements within the time provided by statute. The Board shall not be obligated to compensate the teacher for either the time connected with completion of these requirements or for other associated costs such as enrollment, course and/or registration fees unless otherwise provided for in this Master Agreement.
 - 1. If a probationary teacher receives an overall evaluation rating of "unsatisfactory or basic," his/her IDP will be reviewed and, if necessary, amended with the objective of performance remediation. The probationary teacher shall be jointly consulted in any amendment or modification of the IDP and shall sign a statement attesting to that involvement and acknowledging receipt of the modified IDP. The IDP will contain performance goals provided by the Administration to assist the teacher. The evaluating administrator and probationary teacher shall be jointly responsible for implementing the IDP. The IDP shall specify a time interval for desired performance remediation, not to exceed the balance of the school year or one (1) semester, whichever interval is greater.
- D. All dismissals, non-renewals of probationary teacher contracts shall be handled in accordance with the Michigan Tenure Act as amended and shall not be subject to the grievance procedure as hereinafter set forth.
- E. Any evaluation that indicated a continuing problem will require an individualized development plan. Such an individualized development plan could include direct administrative involvement in the classroom.

TENURED TEACHERS

- A. All tenured teachers will be evaluated formally at least once every three years. Tenured teachers will be notified by the published schedule of the year they are to be evaluated as part of the regular evaluation cycle. Additional evaluations may be conducted from time to time when deemed necessary by the Administrator. At least once annually each teacher and principal will meet to discuss goals and concerns. See teacher handbook for evaluation procedures and practices.
- B. If a tenure teacher receives an overall rating of “unsatisfactory” he/she shall be placed on an Individualized Development Plan (IDP) with the objective of performance of remediation. The tenure teacher shall be consulted in the formulation of the IDP and shall sign a statement on the IDP attesting to that involvement and acknowledging receipt of the IDP.
- C. If a teacher on continuing tenure is in danger of being dismissed or demoted for incompetence, the procedure in Section B of this Article will apply.

PROCESS

- A. See teacher handbook for evaluation procedures and practices based in Enhancing Professional Performances. See Appendix G for the evaluation form.
- B. An evaluation calendar shall be included in the Professional Staff Handbook. See Appendix F for detailed Flow Chart.
- C. If a teacher requests that his/her response to the evaluation be included as a part of the “Teacher Evaluation and Progress Report” (Appendix H), it shall be so included.

ARTICLE XIV

INSTRUCTIONAL PROCEDURES

- A. All proposed curriculum changes shall be reviewed in the appropriate curriculum committee which will present a recommendation with rationale to the Curriculum Coordination Council which is made up of mutually approved Board and Association personnel. Those recommendations that are approved by the Coordinating Council shall be submitted to the Board for consideration and action. Nothing contained in this paragraph shall change the Board's inherent rights to institute curriculum changes.
- B. The Board agrees that prior to intensive study by a curriculum committee some indication of the amount of money available for implementation will be made.
- C. The Superintendent, superintendent's designee or the Association may request additional summer employment for the Association members to work on curriculum under the same stipulations as in Article IV-J.
- D. North Central Accreditation school improvement teams will exist in every building. Membership on each team is open to any interested person. Membership on each team shall minimally include those representatives prescribed by law.
- E. Any plan that affects wages, hours, and/or terms and conditions of employment must be negotiated before implementation.
- F. There will be a district-wide school improvement Coordinating Committee (LSIP) whose function is to coordinate district school improvement plans.

ARTICLE XV

NEGOTIATION PROCEDURES

- A. When either party recognizes a concern that is addressed by or affects the terms of the contract, it will be brought to the attention of the appropriate parties. In the event the provisions contained in this Agreement are open for negotiations as provided in other sections of this Agreement, the parties will promptly negotiate for the purpose of reaching an agreement upon such provisions.
- B. In any negotiations described in this Agreement, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and a majority of the membership of the Association. The parties mutually pledge that representatives selected by each shall have the necessary power and authority to make concessions in the course of negotiations and bargaining subject only to ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation process with the Michigan Employment Relations Commission in conformance with State Law.

ARTICLE XVI

SAVINGS CLAUSE

If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision shall be deemed null and void except to the extent permitted by law, but all other provisions of applications shall continue in full force and effect.

ARTICLE XVII

LAY-OFF AND RECALL

- A. The Association recognizes the right of the Board to determine when a reduction in personnel is necessary.
- B. Before official action on a layoff or reduction of teachers is taken by the Board, it will give notice to the Association of the contemplated reduction and afford the Association opportunity to discuss it with the Superintendent by May 1. As soon as the names of the teachers to be laid off are known, a list of such persons shall be provided to the Association. It is expressly understood that the Association shall have the right to review the reduction list prior to the notification of the individuals and Board action at the May Board meeting. The Board shall provide written notice of layoff to the teacher within forty-eight (48) hours of the May Board of Education meeting.
- C. In the event of a necessary reduction in staff, such reduction shall be based upon seniority, certification, and qualification according to NCLB effective July 1, 2006.
 - 1. For the purposes of this Agreement, seniority shall be defined as the amount of time continuously employed by the district.
 - 2. Certification shall be defined as holding a valid teaching certificate issued by the State of Michigan and highly qualified status as defined by the NCLB.
 - 3. For the purposes of layoff and recall, qualification shall be defined as:
 - a. The elementary level (K-6) as those teachers holding elementary certification only, except in areas of art, music, physical education, special education, library and counseling, where special endorsement will be required.
 - b. In grades 7 and 8, "qualified" shall mean a teacher shall teach in their major or minor field of study with either elementary or secondary certification or prior teaching experience within the district except in areas of art, music, physical education, special education, library and counseling where special endorsement or majors and minors as appropriate will be required.
 - c. In grades 9-12, qualified shall mean teachers with secondary certification and who possess the appropriate majors and/or minors.
 - d. Qualified shall also mean those specific qualifications more stringent than the above a through c, if required to maintain North Central Accreditation and NCLB. If the Board implements the changes necessary to achieve North Central Accreditation in grades seven (7) and eight (8), this provision shall also apply at that level.
- D. The Superintendent shall provide the Association with a current seniority list in November of each year and shall post said list in each of the buildings.
 - 1. The initial seniority list established by the Superintendent shall be subject to discussion and/or correction for sixty (60) calendar days after delivery to the Association. Any modifications shall be instituted during this sixty (60) calendar day period. At the conclusion of the sixty (60) calendar days, the resultant seniority list shall be the official seniority list. The Association and

the Superintendent shall thereby waive the right to retroactively change the status of any individual teacher's seniority.

2. The seniority list shall include the teacher's date of hire and any adjustments in that date necessary for ranking purposes.
 3. Date of hire shall be computed from the date and time or order in which the teacher's contract was approved by the Board. If the time or order of approval is not known and a tie results, all individuals so affected will participate in a drawing to determine placement on the seniority list. The drawing shall be conducted openly and at a time and place that will reasonably allow affected bargaining unit members and Association representatives to be in attendance.
 4. Any employee who has resigned or has been terminated shall forfeit all previously accumulated seniority.
 5. Part-time employment will be pro-rated. Teachers employed 50% or less will receive ½ year of seniority. Teachers employed more than 50% will receive 1 full year of seniority.
 6. Probationary teachers shall not have seniority, however, upon requiring tenure, seniority shall be counted retroactively to the last day of hire.
 7. "Seniority" will be credited to administrators only for the years of classroom teaching within Hillsdale Community Schools.
- E. The Board shall lay off last those bargaining unit members with a valid Michigan teaching certificate, having highly qualified status, having the greatest seniority in the district and who are certified and qualified for the remaining positions. The Board shall give thirty (30) days written notice of layoff to the teacher with a copy to the Association. Layoffs will occur as follows:
1. Probationary teachers will be laid off first unless no tenure teacher is certified and highly qualified to fill a probationary teacher's position.
 2. Tenure teachers will be laid off next on the basis of seniority, certification and highly qualified status.
- F. Recall shall be in inverse order of layoff provided the teacher is certified and highly qualified to fill a vacant position.
1. The Board shall provide written notice of recall by registered or certified mail at the teacher's last known address.
 2. It shall be the teacher's responsibility to notify the Board of any change of address.
 3. The recalled teacher shall respond in writing to the Administration within ten (10) calendar days of receipt of the recall notice unless an extension is granted by the Board. Failure to respond within the above time limits shall be deemed as conclusive evidence of resignation.

ARTICLE XVIII

RETIREMENT

Teachers who have at least five (5) years of service in the Hillsdale Community School System will be eligible for Board contributions for purchase of universal retirement service under Public Act 194 of 1989 as follows:

Teachers who elect to retire under the rules of the Michigan Public Schools Employees Retirement System and submit their voluntary and irrevocable resignation will be eligible for board purchase of up to 2 (two) years of universal retirement credit, the number of years to service credit being that necessary for the teacher to have no more than thirty (30) years of service as determined by the Michigan Public School Employee Retirement System. Teachers who resign without retiring under MPSEERS rules are ineligible for board purchase of universal service credit under this section.

Teachers eligible for this provision will give notice of their retirement sixty (60) days prior to the effective date of resignation/retirement. In exceptional circumstances the sixty (60) day notice requirement may be waived with approval of the Superintendent.

Any qualifying teacher retiring shall have no options other than the Board's direct payment to the Michigan Public Schools Employees Retirement System for the credit purchased. The parties understand this payment to be "picked up" by the employer subject to the IRS rules. Further the parties agree that in the event of a different tax ruling this provision shall be subject to further negotiation.

ARTICLE XIX

MENTOR TEACHER

- A. A mentor Teacher shall be defined as a Master Teacher as identified in Section 1526 of the School Code and shall perform the duties of a Master Teacher as specified in the code.
- B. Each bargaining unit member in his/her first three (3) years in the classroom shall be assigned a Mentor Teacher by the Administration with the approval of the Association. The Mentor Teacher shall be available to provide professional support, instruction, and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion.
- C. A Mentor Teacher shall be assigned in accordance with the following:
 - 1. The Mentor Teacher shall be a tenured member of the bargaining unit unless a qualified bargaining unit member is unavailable.
 - 2. Participation as a Mentor teacher shall be voluntary.
 - 3. The District shall notify the Association of those members requiring a mentor assignment.
 - 4. The Administration will notify the Association when mentor teacher assignments have been finalized.
 - 5. Every effort will be made to match Mentor Teachers and Mentees who work in the same building and have the same area of certification.
 - 6. The Mentor Teacher assignment shall be for one (1) year subject to review by Mentor Teacher and Mentee after four (4) months. The appointment may be renewed in succeeding years.
- D. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Board and Association agree the relationship shall not, in any fashion, be a matter included in the evaluation of the Mentor Teacher and Mentee.
- E. Upon request, the Administration may make available reasonable release time so the Mentor Teacher may work with the Mentee in his/her assignment during the regular work day. Where possible the Mentor Teacher and Mentee shall be assigned common preparation time.
- F. A Mentor Teacher while assigned will be paid \$200 (two hundred) per year.

ARTICLE XX

PUBLIC SCHOOL ACADEMIES

A. NOTICE TO ASSOCIATION

The District will provide immediate notice to the Association of any contact, correspondence, or inquiry regarding a public school academy application made to the district, or an application to an ISD, community college, or public university of which it has knowledge.

B. INFORMATION AND CONSULTATION

The District agrees to furnish the Association with all available information concerning an application to authorize a public school academy, including, but not limited to: the identification of the applicants, the proposed members of the academy's board of directors, the proposed articles of incorporation, the purposes of the academy, its proposed bylaws/governance structure, educational goals, curriculum, admissions, policies/criteria, calendar and school day schedule, staff responsibilities, and all other relevant information. The District further agrees to meet with the Association representatives to discuss, clarify, or supplement the information provided to the Association. Where appropriate, the applicant seeking authorization shall be included in these discussions.

ARTICLE XXI
VACATION PAY

1. During the 2005 – 2006 school fiscal year only, an employee with 27 or more years of teaching experience may schedule and be paid for four (4) days of paid vacation. Unless approved by the Superintendent or his/her designee, these vacation days must be scheduled for a calendar day other than one of the minimum required work days (as defined in this Agreement) of the school fiscal year. These vacation days shall be paid at the employee's per diem rate in effect on the day the vacation day is scheduled. Vacation day pay shall be included in the pay check for the pay period following the pay period during which the vacation day was scheduled.
2. Any employee employed during the 2006 – 2007 school fiscal year that received vacation pay pursuant to paragraph number one (1) immediately above shall reimburse the school district for the total amount of said vacation pay by payroll deduction from the first and subsequent paychecks for work performed after July 1, 2006 until the amount of vacation pay day is reimbursed to the school district.
3. During the 2006 – 2007 school fiscal year only, an employee with 27 or more years of teaching experience may schedule and be paid for six (6) days of paid vacation. Unless approved by the Superintendent or his/her designee, these vacation days must be scheduled for a calendar day other than one of the minimum required work days (as defined in this Agreement) of the school fiscal year. These vacation days shall be paid at the employee's per diem rate in effect on the day the vacation day is scheduled. Vacation day pay shall be included in the pay check for the pay period following the pay period during which the vacation day was scheduled.
4. Any employee employed during the 2007 – 2008 school fiscal year that received vacation pay pursuant to paragraph number one (1) immediately above shall reimburse the school district for the total amount of said vacation pay by payroll deduction from the first and subsequent paychecks for work performed after July 1, 2007 until the amount of vacation pay day is reimbursed to the school district.
5. Employees scheduling vacation pay must make application to the Superintendents office by the first day of April of each year applying.

ARTICLE XXII

IN WITNESS THEREOF, the parties hereto have set their hands this 19th day of, July, 2007.
