The remedies set forth in such Policy shall be exclusive, and unless and until such procedures, including any judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by such objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement. No bargaining unit member shall have a claim against the Board, School District or Board member in the event a dispute arises regarding the amount of the Service Fee required by this Article or the method of determining the fee.
- C. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing deduction of Dues, Assessments and Contributions in the Union as established by the Association. The Association shall appoint its attorney to represent the defendant(s) at Association expense.

ARTICLE 10

- A. It is contemplated that the terms and conditions of employment provided in this Agreement shall remain in effect until altered by mutual consent in writing between the parties. Nevertheless, because of the special nature of the public educational process it is likewise recognized that matters previously unforeseen or not negotiated may be negotiated by mutual consent of the parties. It is in the public interest that the opportunity for mutual discussion of such matters be provided.
- B. Negotiations between the parties on a successor agreement shall begin at least sixty (60) days prior to the expiration of the contract term. When negotiations are conducted during regular school hours, released time shall be provided for the Association's negotiating committee.

- B. It is further agreed that within ten (10) days of notification of a final and binding determination of such illegality, the Employer and Association will commence negotiations to reach a new agreement concerning the subject matter of the provision determined to be illegal.

ARTICLE 12

to student discipline. In determining student discipline, the Employer agrees to consider Association recommendations. Bargaining unit members may use such physical force with a student as is consistent with Board policy.

- C. A bus driver or bus attendant may be required to dispense or administer medication in an emergency situation provided the School District maintains liability insurance coverage, covering the bus driver, of at least \$1,000,000.00. If the School District loses or is unable to obtain the aforementioned liability insurance coverage the exception provided herein shall be null and void.

For payroll computation, pre-trip/post trip time will be paid at the additional hours rate and calculated separately from run time. For purposes of this contract, a "route" consists of "runs". A full-time route is a route consisting of both a.m. and p.m. runs.
5. All bus routes will be bid every year (summer route bid separately). New routes will be bid as they occur. Any route that is increased or decreased by one (1) hour or more shall be considered a new route and rebid. However, any bargaining unit members working a total number of hours less than the number of hours in the posted position are eligible to bid on the position. A substitute driver for the remainder of the school year shall fill any vacancy created by such an awarded position, and then the position shall be posted for the following year. Any bus route that is less than four (4) hours will not be re-bid if a vacancy occurs during the school year. A substitute driver for the remainder of the school year will fill the bus route.
6. If a field or special trip is cancelled with less than two (2) hours notice to the affected driver he/she will be paid the minimum one and one-quarter hour pay per Section G.(4). If a Special Ed. run is cancelled or a no show the driver will be paid for the run.
7. Each bus will be equipped with first aid kits and a broom.
8. Physical examinations required by the Board are to be conducted at a health facility or by a physician designated by the Board.

Agility screening will be required. The agility screening and physical examination will be conducted upon initial employment and annually during a single month selected by administration, but not later than July 31. The agility screening will be based on the essential functions of a bus driver's job. The Board shall pay for the cost of the physical examination and agility screening. This section shall not be construed to prevent a driver who fails a physical or agility screening from being retested or re-screened. Nor shall a driver be removed from his/her duties for a period of one year while agility re-screening is conducted.

9. When a regular driver is unable to complete a portion of his/her route, an attempt will be made to contact drivers by radio to determine whether any driver is interested in taking that portion. The portion of the route shall be offered to the highest seniority driver who is interested provided, however, a driver is not eligible to take a portion of another driver's route which conflicts with his/her route or an extra trip which is scheduled to be taken by the driver.

H. For Aide/Paraprofessionals, the following shall apply:

1. Classroom Aide/Paraprofessionals shall work under the direction of their assigned teacher(s). Their ultimate supervisor shall be the building administrator. The Aide/Paraprofessional shall not be assigned responsibilities that would violate the School Code. Disputes regarding whether the School Code has been violated shall not be subject to arbitration.
 2. Aide/Paraprofessionals shall be notified of their tentative assignments at least one (1) week prior to the start of school.
 3. When a teacher is assigned recess duty an Aide/Paraprofessional will not be required to take the place of that teacher outside nor be required to go outside with that teacher.
 4. If the Board grants written approval for an Aide/Paraprofessional to attend training programs or workshops, the Board shall pay the cost.
- I. When an Aide is assigned or has responsibility for a handicapped student, the Aide shall not be expected to perform routine, scheduled maintenance of a medical appliance or apparatus used by the student to sustain his/her bodily functions nor render routine, scheduled care or maintenance of exceptional bodily functions related to the student's

impaired condition, unless the Aide has received training and is assigned to do so.

Less than full-time employees who work at least three (3) hours per day shall receive one (1) fifteen (15) minute paid duty-free break per day.

- C. For all Food Service, Secretaries and Aide/Paraprofessional employees, hours worked in excess of eight (8) hours per day or forty (40) hours per week shall be compensated at one and one-half (1 1/2) times the regular rate of pay or equal compensatory time off, at the employee's option.

For Transportation employees all hours worked in excess of forty (40) hours per week shall be compensated at one and one-half (1 1/2) times the regular rate of pay (i.e., the rate of pay applicable to the work being performed in excess of forty (40) hours/week) or equal compensatory time off, at the employee's option.

- D. All meetings employees are required to attend shall be compensated at their regular rate of pay. Failure to attend non-mandatory meetings shall not adversely affect an employee's opportunities for promotion.

- F.
1. All special functions (e.g., dinners) shall be compensated at one and one-half (1 1/2) times their normal rate of pay or equal compensatory time.
 2. At least one (1) Cook shall work each special function when meals are prepared in and served from the kitchen. Additionally, assignment of a Cook for other functions shall be at the discretion of the supervisor.
 3. If an event does not require the use of special equipment, the supervisor, at the request of the Association, may waive the requirement that the person assigned be a Cook.
 4. All food service employees shall be eligible to work special functions. All employees shall be placed on a list in order of seniority. The special function shall be offered to the employee at the top of the list. After a special function is offered to the employee, the employee's name shall rotate to the bottom of the list regardless of whether the employee accepted or declined the offer. The lowest seniority employee shall be required to take a special function that is declined by all other employees.
 5. The Food Service Supervisor will be given notice of a special function which will require use of kitchen equipment and/or facilities before final approval for a special function is given. The Food Service Supervisor will decide whether cooks should be assigned to the special function on the basis of necessity. If it is determined that a special function does not require the presence of a cook, the Food Service Supervisor will provide a list of "dos and don'ts" to be followed to assure cleanliness and safety are maintained.
- G. All Food Service employees' hours shall remain in effect, unless they are reduced pursuant to the provisions of Article 17. This section shall not be construed to allow bumping on days when some, but not all, buildings are operating a reduced schedule (e.g., a building operates a ½ day schedule due to a conference).
- H. In the event the number of days of student instruction is increased beyond the minimum number of days of instruction required by law (182 in the 1998-99 school year), the number of days worked by the secretaries who work less than the full calendar year shall be increased by the number of days of student instruction that exceeds the minimum number of days of instruction required by law if the Superintendent of

Schools determines that an increase is warranted based upon the secretarial work load.

ARTICLE 15
Vacancies, Transfers, and Promotions

- A. A vacancy shall be defined as a position which is unfilled because it is newly created or because the person holding that position has permanently severed his/her employment in the bargaining unit.

- B. All vacancies shall be posted in a conspicuous place in each building of the District for a period of ten (10) workdays. For the purpose of this section, workdays shall be defined as days when the school district's central office is open for business. Said posting shall contain the following information:
 - (1) Type of work
 - (2) Location of work
 - (3) Starting date
 - (4) Rate of pay
 - (5) Hours to be worked
 - (6) Classification

- C. Interested bargaining unit members may apply in writing to the Superintendent, or designee, within ten (10) day posting period. The Employer shall notify bargaining unit members of vacancies occurring during the summer months (June, July, August) by sending notice of same to the Association President and to all employees who provide written request for notification of vacancies prior to the last day of school.

Seniority bumping can only occur if the vacancy is greater than two (2) hours for aides, one (1) hour for drivers, as on consideration for filling and secretarial vacancies within the classification.

Vacancies shall be filled with the most senior applicant from within the affected category, with proper qualifications. The Board shall have discretion to select the Transportation Assistant and Secretarial positions, with seniority being a factor given equal qualifications. Proper qualifications shall be determined by the Bargaining Unit member meeting the required qualifications as outlined in the position description.

Should no bargaining unit member from the affected category apply, then bargaining unit members from other categories who apply will be considered. The bargaining unit member will be offered the position if his/her qualifications are determined by the Superintendent to be better than those of a non-bargaining unit member who applies.

The categories are defined in Article 16, Section C.

- D. Within ten (10) workdays after the selection of the successful candidate the Employer shall make known its decision as to which applicant has been selected to fill a posted position. Each applicant shall be notified with a written notice provided to the Association.
- E. In the event it is determined that an employee seeking to be promoted within a classification or transferred from one classification to another is qualified, the bargaining unit member shall subsequently be given a thirty (30) workday trial in which to show his/her ability to perform the job. The Employer shall give the promoted or transferred bargaining unit member reasonable assistance to enable him/her to perform up to the Employer's standards on the new job. If the bargaining unit member is unable to demonstrate ability to perform the work required during the trial period or at the option of the affected bargaining unit member, the bargaining unit member shall be returned to his/her previous assignment.
- F. Bargaining unit members shall not be placed on a lower step (salary schedule, wage scale) due to involuntary transfers for the remainder of the school year in which the involuntary transfer occurred.
- G. The parties agree that involuntary transfers of bargaining unit members are to be effected only for reasonable cause.
- H. Any bargaining unit member who temporarily assumes the duties of another bargaining unit member will be paid the regular rate for those duties. A bargaining unit member's pay rate shall not be reduced as the result of any temporary change in duties.
- I. In the event of the absence of a First Cook, Second Cook, or the Assistant Cook, food service employees who are interested in substituting shall be offered the opportunity to assume those duties on a continuous rotating basis. Continuous rotating basis shall mean:
 - 1. A list consisting of the Second Cooks, the Assistant Cooks and the Satellite Servers who are interested in substituting shall be prepared. The employees on the list shall be ranked in the order of their seniority.

2. If the First Cook, Second Cook or Assistant Cook is absent, the employees on the list shall be offered the chance to substitute in order of their seniority. However, an employee on the list shall not be entitled to substitute if he/she is not qualified to perform the required duties.
 3. Each time an employee on the list is offered the opportunity to substitute, his/her name shall rotate to the bottom of the list. A refusal shall count the same as an acceptance. A notation of the last date a temporary vacancy was offered to a person will be made by each name.
 4. To offer an employee on the list the opportunity to substitute, an attempt will be made to contact the employee by telephone. One attempt shall be sufficient and the Board shall not be obligated to delay or make another attempt. The failure to make contact after an attempt is made shall not be the subject of a grievance.
 5. After two (2) employees on the list have been allowed to change their assignments in order to substitute in accordance with the procedure described in this section, the Food Service Director may call a substitute to fill in for the second employee whose assignment was changed.
- J. All summer Secretarial positions and temporary summer Secretarial positions shall be posted with the assigned rate of pay. All Secretarial bargaining unit members shall have the right to fill such positions. If more than one Secretarial bargaining unit member requests the position, it shall be awarded, at the discretion of the Board, with the highest seniority being a factor given equal qualifications.

ARTICLE 16

Seniority

- A. Seniority shall be determined on a category-by-category basis and shall be defined as the length of service within a particular category as a member of the bargaining unit. Accumulation of seniority shall begin from the bargaining unit member's first working day. A paid holiday shall be counted as the first working day in applicable situations. In the event that more than one individual bargaining unit member has the same starting date of work, position on the seniority list shall be determined by drawing lots. Separate seniority lists shall be maintained for each employee category (Food Service, Secretarial, Transportation and Aide/Paraprofessionals). Service performed in one category shall not cause seniority to be gained or accumulated in another category.
- B. Part-time bargaining unit members shall accrue seniority on a pro rata basis (Food Service and Secretarial only). Probationary bargaining unit members shall have no seniority until the completion of the eighty (80) work day probationary period at which time their seniority shall revert to their first day of work. Work days when the probationary bargaining unit member is not at work for his/her full assignment shall not count toward completion of the probationary period, but a partial day, attendance will count as an entire day.
- C. For purposes of this Agreement, all bargaining unit members shall be placed in a classification in one of the following categories based on their current assignments:

Category I - Food Service

- (1) Cooks
- (2) Cooks' Assistants and Satellite Driver
- (3) Satellite Servers

Category II - Transportation

- (1) Bus Driver
- (2) Bus Attendant

Category III - Aides/Paraprofessionals

- D. The Employer shall prepare, maintain and post the seniority lists. The initial seniority lists shall be prepared and posted conspicuously in all buildings of the District within thirty (30) workdays after the effective date of the Agreement with revisions and updates prepared and posted annually thereafter. A copy of the seniority lists and subsequent revisions shall be furnished to the Association.

State and Federal statutes and regulations shall be observed where applicable for specially funded programs. Except where prohibited by law or regulations, all bargaining unit members shall receive seniority rights as provided in this Agreement.

- E. Any bargaining unit member who has been incapacitated at his/her regular work by injury or compensable occupational disease while employed by the Employer may at his/her option be employed at other work on a job that is operated by the Employer, which he/she can do, without regard to any seniority provision of this Agreement. This provision may be invoked by the employee only to fill a vacancy or, in the event another employee voluntarily agrees to a mutual transfer of positions. The Superintendent or his designee shall have the final discretion to determine whether the employee can perform the job.
- F. Seniority shall be lost by a bargaining unit member upon termination, resignation, retirement or transfer to a non-bargaining unit position.

A bargaining unit member who makes application for and receives a position in a different category within the bargaining unit shall have their seniority in their old category frozen. Such frozen seniority will be reactivated only upon their return back into that category, or, in the event they are subsequently laid-off they may use such frozen seniority for purposes of recall if a vacancy exists.

- G. Except as otherwise provided for in Section F of this Article, it is agreed that for purposes of Article 15 pertaining to vacancies, transfers and promotions and Article 17 pertaining to layoff and recall, employees in different categories shall be treated separately as if those articles did not apply to employees in other categories. Employees in a category shall have no rights by virtue of this Contract to employment in another category. Articles 15 and 17 shall be applied only within categories and not between categories. The four (4) employee categories are set forth in Section C of this Article. It is understood that this Section is intended to remove any ambiguity which may result from usage of the terms "bargaining unit member", "bargaining unit members", "classification", and "classifications" in Article 15, 16 and 17.

ARTICLE 17
Reduction in Personnel, Layoff, and Recall

- A. For Food Service, Aide/Paraprofessional and Transportation employees layoff shall be defined as a necessary reduction in the work force beyond normal attrition.

For Secretarial employees layoff shall be defined as a necessary reduction in the work force beyond normal attrition.

This provision does not prohibit the parties (Board and Association) from mutually agreeing to reduce the total number of bargaining unit positions if a building is closed or a program is eliminated, etc.

- B. No bargaining unit member shall be laid off pursuant to a necessary reduction in the work force unless said bargaining unit member shall have been notified of said layoff at least two (2) calendar weeks prior to the effective date of the layoff. In the event of a necessary reduction in work force, the Employer shall first layoff probationary bargaining unit members, then the least senior bargaining unit members. In no case shall a new employee be employed by the Employer while there are laid off bargaining unit members who are qualified for a vacant or newly-created position.
- C. For Food Service, Aide/Paraprofessional and Transportation employees, the following shall apply:

Bargaining unit members whose positions have been eliminated due to reduction in work force or who have been affected by a layoff/elimination of position shall have the right to assume a position, in the same classification, for which they are qualified, which is held by a less senior bargaining unit member.

For Secretarial employees the following shall apply:

Bargaining unit members whose positions have been eliminated due to reduction in work force or who have been affected by a layoff/elimination of position shall have the right to assume a position of the least senior bargaining unit member of his/her classification. For the purposes of lay-off and recall only there shall be two classifications; I. Full-time Secretaries; II. All others. If the least senior classification I Secretary is affected by a layoff/elimination of position, she/he shall have the right to assume the position of the least senior classification II employee, provided he/she is qualified and has greater seniority.

- D. In the event of a layoff, the Employer and Association may mutually agree to allow individual unit members to waive their seniority rights for the purpose of the layoff. With the approval of the Employer and the Association, bargaining unit members may, at their option without prejudice to seniority and other rights under the Agreement, waive their seniority in the instance of the Employer instituting a layoff during the period of this Agreement. Such waiver, if authorized by the bargaining unit member, shall not be construed to be a waiver of seniority or any other right under the contract including the bargaining unit member's right to be recalled from such layoff.

If such an agreement is reached, the following form shall be used.

Individual Agreement

The undersigned hereby agrees to waive his/her seniority for purposes of the Stockbridge School District impending institution of a layoff under the Agreement. This waiver is given, however, without prejudice to the assertion of seniority for all other purposes contained in the Agreement, including recall rights and other contractual privileges or benefits conferred under the Agreement. This waiver pertains solely to the order in which said bargaining unit member might be laid off during the period of this Agreement.

Laid off bargaining unit members shall be recalled in order of seniority, with the most senior being recalled first, to any position for which they are qualified. Any bargaining unit member who has served more than thirty (30) working days in a classification shall be deemed qualified for any position in that classification. Notices of recall shall be sent by mail to the last known address as shown on the Employer's records. The recall notice shall state the time and date on which the bargaining member is to report back to work. It shall be the bargaining unit member's responsibility to keep Employer notified as to his/her current mailing address. A recalled bargaining unit member shall be given ten (10) calendar days from receipt of notice, excluding Saturday, Sunday and holidays, to report to work. The Employer may fill the position on a temporary basis until the recalled bargaining unit member can report for work providing the bargaining unit member reports within the ten (10) day period. Bargaining unit members on layoff shall accrue seniority during the period of such layoff. Accrual of seniority while on layoff shall be limited to two (2) years per period of layoff.
- G. Refusal or acceptance of a position which is not equivalent in hours and compensation to the position from which the employee was laid off shall not adversely affect his/her recall rights. Any laid-off employee who refuses to accept recall to an equivalent position or who fails to respond to recall notice shall be deemed to be a voluntary quit.
- H. Employees will remain on the recall list for a period of three (3) years. After three (3) years, if the employee has not been recalled, he/she will lose any recall rights. Working as a substitute does not count as a recall.
