AGREEMENT

This Agreement entered into between the Board of Education of the Ionia Public Schools (hereinafter referred to as the Employer or Board) and the Ionia Public Schools Custodial/Maintenance and Food Service Employees Chapter of Local 1910, affiliated with Michigan Council #25 American Federation of State, County and Municipal Employees, AFL-CIO (hereinafter referred to as the Union).

The headings used in this Agreement neither add to nor subtract from the meaning, but are for reference only.

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms in respect to rates of pay, wages, hours of employment and other conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the employees and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To these ends the Employer and the Union encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

ARTICLE 1. RECOGNITION (Employees Covered)

- (a) Pursuant to and in accordance with all applicable provisions of Act 379 of Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement for all full-time and part-time custodial/maintenance and food service employees employed by the Ionia Public Schools but excluding substitute and seasonal employees, executive and supervisory personnel and all others.
- (b) The term employee when used in this Agreement shall refer to all employees represented by the Union in the bargaining unit as defined above.

ARTICLE 2. POSITIONS DEFINED

The parties mutually recognize that the unique nature of the operation of a public school district necessitates that certain positions be established for less than a full twelve (12) month period each year; and further, that during the student vacation periods and the summer months when school is not in session a limited part of the total work force may consist of seasonal employees; and it is further provided that under some circumstances, it will be necessary to employ substitutes on an hourly or day-to-day basis. To distinguish these various positions the following definitions are agreed upon:

- (a) Full-time Employees. Any regular employee whose position has an annual work period of twelve (12) months on a regular work week and works eight (8) hours per day is a full-time employee.
- (b) Probationary Employees. Any employee who is a regular established scheduled per week and has not completed his probationary period as set forth in this Agreement.
- (c) Part-time Employees. Any employee whose position has a work week of less than forty (40) hours, or a work year of less than twelve (12) months, and is paid on an hourly basis is a part-time employee, and shall receive such benefits as specified elsewhere in this Agreement. In the event a part-time employee is granted a position as a full-time employee, all years of service as a part-time employee will be pro-rated for purposes of benefit eligibility. Benefits, for purposes of this provision, shall be defined as seniority, vacation and longevity.
- (d) Substitute Employees. It is hereby understood and agreed between the parties that:
 1. Substitute employees shall be defined as temporary employees utilized to replace regular bargaining unit members who are absent or during a period in which a job is being posted under Article 19 (Job Posting and Bidding Procedures).
 2. It is understood that the provisions in this Agreement, entered into between the parties, do not apply to these substitute employees. It is further agreed that these employees may be paid up to the starting rate and will not be used to prevent the payment of overtime to regular employees. Upon request, a laid off employee will be granted priority status on the substitute roster for jobs for which he/she is qualified in the department (defined as either the Food Service or Operations Department) from which he/she was laid off.
Work accepted in such instances, will be paid at the substitute rate established by the district. Repeated refusal to accept substitute work, may result in removal from the roster.
 3. The position of an absent employee on extended unpaid leave under Article 19 (Leaves of Absence) may be filled with a substitute for up to one (1) year in order to retain the position for the absent employee. If an extension of the leave is granted beyond one (1) year as provided in Article 19, the position will not be held for the absent employee and shall be posted in accordance with the procedures detailed in Article 18 (Job Posting and Bidding Procedures). Substitutes under this subsection in specific maintenance and utility-custodian positions may:
 - a. Work overtime in their substitute position or other maintenance or utility custodian position if all the maintenance and utility custodian have declined.
 - b. May be assigned additional hours up to the forty (40) level (including weekends) before assigning a regular maintenance or utility custodian.

- c. Seasonal, casual or temporary employees may be employed to a total of eight (8) in June, July and August. From April 1 to May 31 and September 1 to November 30 the limit will be six (6). It is understood and agreed that the provisions in this Agreement, entered into between the parties, do not apply to these temporary employees. It is further agreed that these employees will not be used to prevent payment of overtime to regular employees, nor shall they be used during the time of layoff or while members of the bargaining unit are working reduced hours.

ARTICLE 3. AUTHORITY OF BOARD

The Board, on its own behalf and on behalf of the electors of the School District, hereby retains and reserves unto itself, subject to the collective bargaining rights of its employees with respect to wages, hours and other terms and conditions of employment as expressed in Act 379 of the Michigan Public Acts of 1965, and to the limitations described in the specific and express terms of this collective bargaining agreement, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States, including but without limiting the generality of the foregoing, the right:

1. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees while they are on duty;
2. To hire all employees, and subject to the provisions of law, to determine their qualifications, and the conditions for their continued employment, or their discipline, demotion or discharge, and to promote and transfer all such employees;
3. 4. To determine the number and location of specific work assignments, the equipment and procedures to be used, the level of cleanliness or repair to be maintained, the schedule of duties for each work assignment, and to determine the starting and quitting time and the number of hours to be worked on each shift.

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then to the extent and only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the United States.

ARTICLE 4. EMPLOYEE RESPONSIBILITY

- (a) Each employee shall diligently and to the best of his ability perform his required work responsibilities and assignments and comply with the provisions of this contract and the rules and regulations and policies of the Board relative to the maintenance, management and carrying on of the schools of the district and lawful orders of his immediate supervisor.

It being understood that the employees covered by this Agreement shall not be responsible for the supervision of students.

The parties hereby stipulate that the night shift employees are only responsible for the set-ups as scheduled in writing by the building principal.

ARTICLE 5. EMPLOYEE STRIKES PROHIBITED

- (d) Dues and initiation fees will be authorized, levied and certified in accordance with the Constitution and By-laws of the Local Union.
