This provision excludes all aides, assistants, clerical staff, administrative staff, non-certificated and/or hourly rated employees.
- C. Nothing herein is intended to prohibit the right of free communication between the Board or its representatives and the personnel included in the bargaining unit.
- D. The recognition status of newly created professional certified positions shall be mutually decided between the Association and the Board within (60) days from date on which the position(s) is filled.
- E. It is understood that the pronouns "he" and "his," as used in this contract, are genderless in reference.

ARTICLE 2

BOARD RIGHTS

A. The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself the right to exercise the foregoing powers, right authority, duties and responsibilities of the Board, and the right to initiate the adoption of reasonable policies, rules, regulations and practices in furtherance thereof. The use of judgment and discretion in connection therewith shall be limited only by the specific and express terms hereof which are in conformance with the Constitution and Laws of the State of Michigan and the Constitution and Laws of the United States. The Board shall, in keeping with its responsibilities, perform the following:

1. Manage and control the school's business, the equipment, and direct the operations of the working forces and affairs of the Employer.
2. Continue its rights and past practice of assignment and direction of work of all of its personnel, determine the number of shifts and hours of work and starting times and scheduling of all the foregoing, but not in conflict with the specific provisions of this Agreement; and maintain the right to establish, modify or change any work or business hours or days.
3. Maintain the right to direct the working forces, including the right to hire, promote, suspend and discharge employees, transfer employees, assign work or extra duties to employees, and determine the size of the work force and to lay off employees.
4. Determine the services and equipment necessary to continue its operations and to determine the methods, schedules and standards of operation, the means, methods, and processes of carrying on the work including automation thereof or changes therein, the institution of new/or improved methods or changes therein.
5. Adopt reasonable rules and regulations.
6. Determine the qualifications of employees.
7. Determine the location or relocation of its facilities, including the establishment or reallocations of new schools, buildings, departments, division or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.

ARTICLE 2 (continued)

9. Determine the financial policies, including all accounting procedures and all matters pertaining to public relations.
10. Determine the size of the management organizations, their functions, authority, amount of supervision and table of organization provided that the employer shall not abridge any rights from employees as specifically provided for in this Agreement.
11. Determine the policies affecting the selection, testing, and training of employees, providing such selection shall be based upon lawful criteria.
12. Exercise final determination and approval for curriculum and all matters relating to curriculum, both express and functional.

B. Whenever a teacher fails to carry out his responsibilities as defined, he will be subject to disciplinary action that may include any or all of the following in the following order.

1. An initial conference between the two parties involved shall be held for the purpose of defining the infraction. The teacher and/or Administrator shall be entitled to have present a representative of the Association and/or Board at that time and/or any time that disciplinary action is taken. A teacher shall be advised of this right before any action is taken.
2. Verbal warnings, written reprimands, or other disciplinary action may be given. If written, one copy of the document will be given to the teacher, and one will be placed in the teacher's personnel file and/or sent to the Association.

For purposes of convenience, a later conference may be scheduled at which time all parties can be present. If a second conference is required, it shall be at both parties' convenience and at the earliest possible time.

No teacher(s) is/are to be reprimanded in the presence of students, parents, support staff or professional staff.

C. The district reserves the right to question the qualifications of teachers, including their physical, mental or emotional condition.

Required exams will be at the expense of the district, where the cost is not covered by the teacher's health plan.

Before taking action, the Superintendent will meet with the PEA President to discuss the reasons.

ARTICLE 3

ASSOCIATION AND TEACHER RIGHTS

- A. Association announcements shall be permitted only at the close of building faculty meetings or the contractual day. Association activities will in no way interfere with classroom or preparation time during the contractual day.
- B. The Association and its representatives may use the school building for meeting purposes and shall schedule the time and place of such meeting subject to the confirmation of the administration so long as it does not interfere with the regular school hours as defined in this agreement or any prescheduled event. No charge shall be made before the commencement of the school day nor until 5:00 p.m. After this time the Board may make a reasonable charge thereof.
- C. Duly authorized representatives of the Association shall be permitted to transact official Association business on school property only at times when the member conducting business with the Association representative is on a duty-free period. Such representatives shall notify the building administrator of their presence in the building.
- D. The Association may use school facilities and equipment by requesting use of same from the building administrator.

The Association shall pay for the actual cost of the materials and supplies incidental to such use, as well as repair in the event of misuse. Evidence of misuse is to be determined by a qualified repairman.
- E. A bulletin board shall be provided in the teachers' lounge for the use of the Association. No other bulletin board shall be used for the Association postings or business. The Association may use the district mail service and mail boxes for communication with teachers.
- F. No teacher shall be prevented from wearing insignia, pins, or other identification of membership in the United Profession either on or off the school premises. However, teachers may not attach or glue any types of membership insignia to any part of the building or Board property other than the Association bulletin board.
- G. The provisions of this agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, or membership in or association with the activities of any employee organization.

ARTICLE 3 (continued)

- H. The Board agrees to furnish to the Association financial information as reported in the yearly B Report, and the tentative budgeting requirements as are provided by the district to the Ionia County Intermediate School District.
- I. All teachers have the right to review their personnel files within the confines of the office in which the files are housed and in the presence of their Association representative and the Building Administrator and/or Board representative. Copies of contents may be obtained upon request. The review is to take place during regular workday working hours, and at a time mutually convenient for both the Association member and the administrator or his/her representative.
- J. The rights granted herein to the Association shall not be granted or extended to any competing labor organization.
- K. Upon request, the Board shall place on the agenda of each regular board meeting any matters brought to its attention by the Association. The requests must come at least one week prior to the next regular Board meeting.
- L. The Board hereby agrees that every teacher shall have the right to freely organize, join, and support the Association for the purposes of engaging in collective bargaining. The Board shall not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitution of Michigan and the United States. The Board shall not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in legal activities of the Association, or his/her institution of any grievance, complaint, or proceeding.
- M. Nothing contained within this contract shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan Revised School Code, Tenure Act, or other applicable laws and regulations. The rights granted to teachers thereunder shall be deemed to be in addition to those provided elsewhere.
- N. No religious or political activities of a teacher, or lack of such, shall be grounds for any discipline or discharge under provision or this agreement. However, no religious or political activity is to interfere with or alter a member's contractual duties.
- O. Communications obtained by a teacher in confidence during the course of his/her professional duties, and which if disclosed to other persons might result in substantial and irreparable harm to the student involved, need not, except with the consent of said student/parent/guardian (as appropriate) be disclosed to anyone, including but not limited to any school administrator, parent, or guardian, unless

ARTICLE 3 (continued)

said disclosure has been determined to be required by law. In addition, the refusal to reveal such information shall not be considered cause for discipline or dismissal, nor may any reference to such a refusal become part of any personnel record unless such refusal is made in bad faith by the teacher.

P. The Board will endeavor to consult with the Association prior to the adoption of any policies or procedures to implement the Family Educational Rights and Privacy Act of 1974 including but not limited to what items are and are not deemed to be included within the definition of school records, how parental requests of other persons to see such records are to be handled, how parental consent is to be obtained, and what the responsibility of the teacher is with respect to each of these matters.

Q. The Board may consult with the Association on any new or modified fiscal, budgetary, or tax programs, construction programs, or major revisions of educational policy which are proposed or under consideration, and the Association will be given the opportunity to consult with the Board with respect to said matters prior to their adoption and/or general publication whenever feasible.

R. Any serious complaint made against the teacher shall be called to his/her attention within five working days. Any complaint not called to the attention of the teacher may not be used as the basis for any disciplinary action against the teacher.

S.

1. No teacher shall be transferred in assignment, disciplined, reprimanded, reduced in rank or compensation, or deprived of any professional advantage without just cause.

2. If a teacher fails to carry out his/her assignment, and discharge or denial of tenure is considered because of inadequacies observed in the teacher's professional work with students, the Board shall use:

- a. Repeated observation.
- b. Written notice of specific improvements which must be made.
- c. The granting of adequate time to make improvements.
- d. Assistance from administration, Board, and Association when needed or called upon by the Superintendent.

If a teacher has completed the necessary probationary period to be eligible for tenure and the procedures outlined above have not been followed, the teacher will be granted tenure.

3. A teacher and/or administrator shall be entitled to have present a representative of the Association during any disciplinary action. A teacher shall be advised of this right before any action is taken.

ARTICLE 3 (continued)

T. Site-Based Decision Making

The conditions which follow shall govern teacher participation in any and all plans, programs or projects included in the terms, site-based decision making, school improvement, effective schools or other similar descriptions.

1. Participation on committees outside of the normal work schedule is voluntary and as such, will not be utilized for purposes of evaluation or disciplinary action.
2. The Master Agreement may not be modified in whole or in part except by mutual, written agreement by the Association and the Board.
3. It is understood that any meetings scheduled during school hours must be attended by all teachers unless excused by the Superintendent.

ARTICLE 4

ASSOCIATION DUES OR FEES AND PAYROLL DEDUCTIONS AND FINANCIAL RESPONSIBILITY

- A. Each bargaining unit member shall, as a condition of employment, on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Association, or pay a Service Fee to the Association including local, state, and national amounts.

The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such Service Fee directly to the Association, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Moneys so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following decision.

The MEA has established a procedure set forth in the "Policy Regarding Objections to Political-Ideological Expenditures." If any bargaining unit member paying service fees hereunder objects to the expenditure by the Association, (including MEA or NEA) of any funds collected from him/her pursuant to provision 11.1.1 above, such bargaining unit member may present such objection pursuant to that Policy and the procedures therein set forth; however, challenge to any such expenditure shall not relieve the bargaining unit member of the obligation of paying the service fee or any portion thereof pending final determination thereunder. The remedies set forth in such Policy shall be exclusive, and unless and until such procedures shall have been availed of and exhausted, no dispute, claim or complaint by such objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure.

- B. In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
- (a) The Board gives timely notice of such action to the Association and permits the Association intervention as a party if the Association so desires, and

ARTICLE 4 (continued)

- (b) The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Board, including each individual member of the Board and Administration, from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article.

- C. Any bargaining unit member who is a member of the Association or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of Dues, Assessments and Contributions in the Association as established by the Association. Such authorization shall continue in effect from year-to-year unless revoked according to the procedures outlined in the MEA Constitution, Bylaws and Administrative Procedures. Pursuant to such authorization, the Employer shall deduct one-tenth of such dues, assessments and contributions from the regular salary check of the bargaining member each month of ten (10) months, beginning in September and ending in June of each year.
- D. Additional payroll deductions from time to time, by mutual consent of the Board and the individual teacher, may be made for any purpose in addition to those already agreed upon in the Agreement.

ARTICLE 5

NEGOTIATIONS

- A. Negotiations of the Agreement, for the ensuing years, shall be opened by June 1, of the year the contract expires.
- B. In any negotiations described in this Agreement, neither party shall have any control over the selection of the bargaining representatives of the other party, and each party may select its representative from either inside or outside the school district.
- C. When a tentative agreement is reached, both bargaining teams agree to present the agreement to their respective governing bodies for ratification.
- D. This Agreement constitutes the sole and entire existing agreement between the parties and supersedes all prior practices, whether oral or written, and expresses all obligations of, and restrictions imposed upon, the District and the Association. This Agreement is subject to amendment, alteration or additions, only by a subsequent written agreement between, and executed by, the District and the Association. The waiver of any breach, term or condition of the Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

ARTICLE 6

TEACHING HOURS

- A. In pursuit of the teacher's professional teaching responsibilities, the board agrees that there is a need for research, planning, meeting with parents, material gathering, consultation with various specialists and other activities. The board further agrees that many of these activities can only or better be carried on in home offices, libraries, universities, intermediate offices and other locations off school premises. Accordingly, the Board agrees that teachers are responsible for their own schedules and that they will not be restricted to specific sites or hours other than for scheduled professional teaching assignments.
- B. The number of hours and days of instruction time will be decided upon yearly. The decision will be made based on state mandates for days and hours. This decision will be reached by mutual agreement of the PEA and the administration. Teachers may use for Conference and Preparation services all time during which their classes are receiving instruction from on staff teaching specialists. Such time will be provided to all teachers on an equitable basis.
- C. All teachers shall have a 35 consecutive minute "duty-free" lunch period. This lunch period will be between 10:30 a.m. and 1:00 p.m.
- D. Daily preparation for effective teaching, correcting papers, themes, attending faculty meetings and similar activities require many hours of application outside the classroom and add to the professional responsibilities of the teacher. In addition, demands are made for attendance at staff conferences, parent-teacher conferences, P.T.O. meetings, and the like. The demands can readily become excessive. It is accordingly agreed that each teacher will attend four events per school year; however, staff will be encouraged to attend additional after-school activities.
- No departure from these norms shall be made without prior consultation with the Association. In the event of any disagreement between the representative of the Board and the Association as to the need and desirability of such deviation, the matter may be processed through the grievance procedure thereafter set forth.
- E. Faculty meetings shall not exceed one and one-half (1½) hours, nor be scheduled more often than every other week on the average. If planned to exceed the contractual day, a 48-hour notice shall be given to teachers involved except in unusual circumstances.
- F. The teachers' normal working day will commence twenty (20) minutes before the school day opens and will end twenty (20) minutes after the students are dismissed.

ARTICLE 6 (continued)

- G. Teachers will not report to work when school is canceled due to the weather or other emergencies. The school will make-up only those days which are required by state law for the receipt of state aid. If the state changes the law concerning the make-up of snow days, the parties agree to renegotiate this provision at the request of either party. Days that are required to be made up will not require additional compensation.

- H. When schools are open and teachers are unable to report to work because of severe inclement weather or an Act of God, or health and safety are threatened by attempting to report, these teachers shall not be penalized for failure to report. Discretion as to this determination is solely the responsibility of the Administration.

ARTICLE 7

SCHOOL CALENDAR

- A. Between April 1 and July 1 of each school year, a two-member Committee will meet to discuss and set the school calendar.
1. The PEA will present to the Board of Education a proposed school year calendar for discussion and final approval by the May board meeting.
 2. The calendar year shall not include more than 182 days of instruction or more than 2 days prior to the first class day, and two days after the last class day.
 3. After completion of the calendar by the Committee, the proposed calendar will be submitted to the Board of Education and the Association for ratification.

ARTICLE 8

CLASS SIZE

- A. The Board will make every reasonable effort to keep the class ratio as close to a maximum of 25:1 as possible. If a class exceeds 25 students, a paraprofessional will be provided per the following schedule:

26 to 30 students	3 hours per day
31 students and above	6 hours per day

- B. In the event split classes are required, the Board will provide a paraprofessional for at least one-third (1/3) of the instructional week. The paraprofessional will follow the class when applicable according to the contract terms. The Superintendent will determine the economic feasibility of this program.

ARTICLE 9

TEACHING ASSIGNMENTS

- A. In the absence of layoffs or vacancies, the Board has the responsibility of making teaching assignments. The board agrees to give preference to experience, certification and seniority when receiving requests for transfers.
- B. The Board shall endeavor to avoid reassignment of any teacher to a position not commensurate with their prior experience.
- C. Teachers will be advised, as soon as is practicable, of their assignments for the coming school year.
- D. Any assignments in addition to the normal teaching schedule, including extra duties set forth in Schedule B, shall not be obligatory but shall be with the consent of the teacher. Preference in making such assignments will be given to certified or qualified, regularly employed teachers in the district.
- E. If a teacher accepts an assignment of an added class which goes beyond the set hours of the school day, he/she shall be compensated at an hourly rate based upon his/her Schedule A salary.

Any teacher, who accepts playground duty at noontime, will be compensated at a rate of pay based on a playground aide.

ARTICLE 10

VACANCIES AND TRANSFERS

- A. A vacancy shall be defined as a position within the bargaining unit presently unfilled, including newly created positions. Also included are currently filled positions which are anticipated to be open. Any position which is or will be open for thirty (30) or more school days also shall be considered a vacancy.

Notices of vacancies in positions requiring certified teaching staff, including full-time, part-time and extra-pay positions, whether they occur by reason of personnel changes or through additions to the teaching staff, shall be posted in each school building during the school year or provided by written notice (first class mail) to the Association President when school is not in session. No vacancy shall be filled until such vacancy has been posted for fifteen (15) calendar days.

- B.
1. Any teacher whose certification qualifies him for any posted vacancy may make written application for the position. The Board agrees to consider the education and experience of each applicant, his qualifications, his seniority in the Palo Community Schools, and other relevant factors.
 2. The Board will endeavor to use seniority as a determining variable, however, all factors of the applicants' qualifications will be taken into account for any filling of posted vacancies.
- C. In the event of an involuntary transfer or reassignment, the teacher must receive written notice, including an explanation as to the reason, 10 working days after the decision is rendered and no less than 10 working days before the new school year begins.

ARTICLE 11

REDUCTION IN PERSONNEL, SENIORITY AND RECALL

- A. Seniority is defined as length of continuous accumulated and active service within the bargaining unit as of the teacher's last effective date of employment. In the circumstances of more than one individual beginning employment on the same date, or having the exact same amount of service time, all individuals so affected will participate in a drawing to determine position on the seniority list. The Association and teacher(s) so affected will be notified in writing of the date, place, and time of the drawing. The drawing shall be conducted openly by the Association and at a time and place which will reasonably allow affected teachers and Association representatives to be in attendance. This drawing shall take place within thirty (30) calendar days of the hiring date. The resultant seniority order shall be permanent. By October 1, of each school year, the administration shall deliver to the Association a seniority list of all teachers on the staff. Individual teachers shall inform the Superintendent of any errors in this listing.
- B. A teacher shall lose seniority rights if he/she retires, resigns, or is discharged for just cause. In the case of bargaining unit members who accept non-bargaining unit employment for the Palo Schools, seniority shall not accrue during such employment; however, previous seniority shall be retained.
- C. Seniority shall accrue for teachers on various forms of leave or layoff as determined by this Agreement.
- D. The Board will not lay off teachers during the school year except in situations of significant loss of student enrollment, revenue loss in the form of State Aid, and/or reduction in local millage assessments. In the event of a midyear layoff, the Board shall give thirty (30) days notice unless the layoff is due to a catastrophic event, e.g., fire, tornado.
1. Probationary teachers shall be laid off first by using the following order:
 - a. Certification
 - b. Seniority
 2. When all probationary teachers have been laid off, tenure teachers shall be laid off. Tenured teachers shall be laid off using the criteria below in the following order:
 - a. Certification
 - b. Seniority
- E. If for any reason the Board anticipates a reduction of staff for the following school year, it shall, prior to taking formal action, inform the Association.

ARTICLE 11 (continued)

- F. In the event it becomes necessary to reduce the number of teachers through layoff or to reduce the number of teachers in a given subject area, field, or program; or to eliminate or consolidate position(s), the Board shall determine the order of layoff provided as outlined by the contract. The Board shall give notice of layoff by April 1st of the school year to the individual(s) involved.
- G. If a teacher on layoff acquires changes in certification while on layoff, he/she shall have the right to utilize that certification to replace the least senior teacher in that area, provided the laid off teacher has greater seniority and provided that he/she began work on the additional certification prior to the layoff. Since layoffs are not to be effectuated until the fall, no teacher subject to layoff for the following school year shall lose fringe benefits or salary afforded them under this Agreement over the summer months.
- H. A teacher on layoff shall be recalled in inverse order of layoff, provided he/she is certified for the vacancy. No new teachers shall be employed by the board while there are teachers from the bargaining unit who are laid off unless there are no laid off teachers with proper certification to fill any vacancy which may arise.
- I. The Board shall give written notice of recall from layoff by sending a registered or certified letter to said teacher at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the teacher. Failure of the teacher to respond within twenty (20) calendar days or inability by the Board to deliver notification by certified restricted delivery within twenty (20) days shall mean teacher rights to recall have been waived.
- J. Waiver of Seniority
- Teachers in the bargaining unit may, without prejudice to seniority and other rights under the Agreement, waive their seniority for one year in the instance of the Board instituting a layoff during the period of this Agreement. Such waiver, if authorized by the teacher, shall not be construed to be a waiver of seniority or any other right under the contract, including the teacher's right to be recalled from such layoff. (See Appendix A)
- K. During a period of impending layoffs, the Board agrees to grant all requests for voluntary leaves of absence as provided elsewhere in this contract to teachers who make such requests. Requests granted shall not exceed the number of layoffs. In the case of sabbatical leave requests, in the event of layoffs, the five (5) year service requirement in the Palo Schools shall be waived. Upon return, the teacher will be placed in the classroom assignment closest to that previously taught, if his classroom assignment is not available.

ARTICLE 12

GRIEVANCE PROCEDURE & ARBITRATION

A. Representatives

Any teacher, or the Association, believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement, may file a written grievance with the Board or its representative. If a grievance arises, the Board hereby designates the Superintendent of Schools as its representative. If the Association does not file a grievance in writing with the designated representative within fifteen (15) working days after the occurrence, or the knowledge thereof, then the grievance shall be considered waived.

B. Association Grievance Procedure

For administrative convenience, the Board causes all complaints which may be the subject of grievance under the Article first to be presented to the Association for informal processing in an effort to reduce the number of formal grievances handled under the professional grievance procedure herein established.

The parties shall mutually work out procedures for such informal processing upon request, but exhaustion of such informal procedure shall not be required as a condition precedent to invoking the grievance procedure, nor shall participation of the Association in such informal procedures be deemed to be a supervisory or executive function.

C. Administrative Time Schedule

Within five (5) working days of receipt of the grievance, the designated representative of the Board shall meet with the Association Representative and the grievant in effort to resolve the grievance.

If the grievance is denied by the Superintendent, the Association may appeal the decision within ten (10) working days from receipt of the denial to the Board of Education.

D. Board Time Schedule

1. Within ten (10) working days from receipt of the grievance, the Board may hold a hearing thereon, may designate one or more of its members to hold a hearing or otherwise investigate the grievance, or prescribe such procedure as it may deem appropriate for consideration of the grievance, provided however, that in no event, except by mutual consent, shall final

ARTICLE 12 (continued)

determination of the grievance be made by the Board more than fifteen (15) working days after its submission to the Board.

E. Arbitration

1. If the Board of Education and the Association are unable to resolve any grievance involving an alleged violation of a specific article and section of this Agreement, the Association may, within ten (10) working days after the decision of the Board of Education, appeal to arbitration. If the parties are unable to mutually agree upon an arbitrator, he/she shall be appointed under the rules of the American Arbitration Association. The arbitrator, so selected, will confer with the parties and hold a hearing promptly and will issue his/her decision not later than thirty (30) calendar days from the date of the close of the hearing or the receipt of the briefs. The arbitrator's decision shall be in writing, and will set forth his/her findings of fact, reasoning, and conclusions on the issues submitted.

The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this agreement. His/her authority shall be limited to decide whether specific articles and sections of this Agreement have been violated and shall be subject to, in all cases, the rights, responsibilities and authority of the parties under the Michigan General School Laws, or any other national, state, county, district or local laws. The arbitrator shall not usurp the functions of the Board of Education or the proper exercise of its judgment and discretion under the law and this Agreement. The arbitrator shall have the power to award the actual rate of interest earned by the School District on any pay withheld, but it shall not be within his/her scope and power to award punitive damages. The decision of the arbitrator, if within the scope of his/her authority, as above set forth, shall be final and binding. The arbitrator's fee and other expenses of arbitration shall be shared (60% loser and 40% winner) by the Board and the Association. Each party shall bear their own expense in connection therewith.

- F. The following matters shall not be the basis of any grievance filed under the procedure outlined in this article:

1. Termination of services of, or failure to re-employ any probationary teacher.

- G. The grievance form attached shall be used for all grievances.

ARTICLE 13

SICK BANK

- A. Each teacher having at least ten (10) accumulated sick days on the beginning day of the annual school year (the first day teachers are required to report), shall contribute three (3) days per year from their individual sick day accumulation. The contributed sick days will be placed in the sick bank to be used only by Association members. There shall be no more than one hundred fifty (150) days accumulated in the sick bank, therefore no one will contribute until the bank is depleted to the limit set in Section F, at which time the bank will be replenished as in Section A or Section F.
- B. The Association President and the Association will keep records. These records are to be cross-checked and in agreement with the school's records which the school secretary will keep.
