3. No teacher shall be disciplined including warnings, reprimands, suspensions or discharge or other actions of a disciplinary nature without just cause. (Does not include dismissal of probationary teachers).

#### J. ASSOCIATION MEMBERSHIP

Each bargaining unit member shall, as a condition of employment, or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, either join the Association or elect to pay a service fee to the Association equivalent to the amount of dues uniformly required of members of the Association, less any amounts not permitted by law. The bargaining unit member may authorize payroll deduction for such fee. In the event the bargaining unit member shall not pay such service fee directly to the Association or authorize payment through payroll deduction, the employer shall, pursuant to MCLA 408.477, MSA 17.277 (7), and at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association under the procedures provided below.

1. The procedure in all cases on non-payment of the service fee shall be as follows:

a. The Association shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for deduction may be filed with the Board in the event compliance is not effected.

b. If the bargaining unit member fails to remit the service fee or authorize deduction for same, the Association may request the Board to make such deduction pursuant to paragraph J. above.

c. The Board, upon receipt of a request for involuntary deduction, shall provide the bargaining unit member with an opportunity for a due process hearing. This hearing shall address the question of whether or not the bargaining unit member has remitted the service fee to the Association or authorized payroll deduction of same.

d. Payroll deductions of service fees made pursuant to the procedure outlined above shall be made in equal amounts (as nearly as may be) from the remaining paychecks issued to that bargaining unit member for the fiscal year in question.

K. Nothing in this article shall be interpreted or applied to require involuntary or passive deduction of employee contributions to political action or other similar funds of the Association or its affiliates. Such deductions shall only be made with the affirmative written and voluntary consent of the employee, on file with the Board, in accordance with applicable statutory provisions.

L. Due to certain requirements established in recent Court decisions, the Association represents that the amount of the service fee charged to non-members, along with other required information, may not be available and transmitted, to non-members until mid school year (December, January, or February). Consequently, the parties agree that the procedures in this Article relating to the payment of non-payment of the service fee by non-members shall be activated not less than thirty (30) days following the Association's notification to non-members of the fee for that given school year.

M. The Association will certify at least annually to the District, fifteen (15) days prior to the date of the first payroll deduction for professional fees and at least fifteen (15) days prior to the date of the first payroll deduction for service fees, the amount of said professional fees and the amount of service fee to be deducted by the District, and that said service fee includes only those amounts permitted by the Agreement and by law.

The parties agree to cooperatively discuss and exchange information regarding the Association's service fee collection and objection procedures. The Association agrees, upon request from the District, to provide the District for its review a copy of the Association's current "Policy and Administrative Procedures Regarding Objections to Political/Ideological Expenditures."

The Association further agrees to certify to the District that the Association, and the MEA/NEA for whom deductions are made under this Article, has complied with the above policies and administrative procedures prior to requesting enforcement of the service fee obligation contained in this Article.

Pursuant to Chicago Teachers Union v Hudson, 106 S Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures. That

Policy, and the administrative procedures (including the timetable for payment) pursuant thereto applies only to non-Association bargaining unit members. The remedies set forth in that Policy shall be exclusive, and unless and until such procedures (including any administrative or judicial review thereof) shall have been availed of and exhausted no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.

- N. Further, the Association agrees to promptly notify the District in the event a Court order, and Order of an administrative agency, or arbitration award is rendered restricting the Association from implementing its agency fee objection policy or from charging or allocating any of the Association's expenditures to bargaining unit members who choose not to join the Association. In the event of the entry of such an Order or arbitration award, the District shall promptly give notice to the Association of any decision made by the District with regard to compliance.
- O. A bargaining unit member who, because of sincerely held religious beliefs or due to adherence to teachings of a bona fide religion, body or sect which has historically held conscientious objection to joining or supporting labor organization shall not be required to join or maintain Association membership or otherwise financially support the Association as a condition of employment. However, such bargaining unit members shall be required, in lieu of periodic dues, service fees and or initiation fees, to pay sums equal to such amounts to a non-religious charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue code. Donation shall be made to one of the following:
1. Saranac Fire Department
  2. Saranac Food Pantry
  3. Ionia County Commission on Aging
  4. SEA Scholarship Fund
- P. The Association shall indemnify and save the Board harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of action taken by the Board in reliance upon information furnished to the Board by the Association in the course of enforcing this Article. The Association shall, when the District, Board (including individual trustees) or administrators are sued individually or jointly, make available competent legal counsel for such defense at the expense of the Association, the MEA and NEA.

The Association shall have the right to negotiate a settlement with a bargaining unit member whose wages have been subject to involuntary deduction under this Article, provided that this does not involve expenditure of District resources or require the District to take other remedial action to which it has not consented. Further, the Association agrees to indemnify and save the District, the Board of Education, the individual members of the Board of Education, and individual administrators, harmless against any and all claims, demands, costs, suits, claims for attorneys fees or other forms of liability as well as all court and/or administrative agency costs that may arise out of or by reason of action by the District or its agents for purposes of complying with the union security provisions of this Agreement. The Association also agrees that neither it nor its affiliates, the MEA and NEA will in any proceeding assert that the defense or indemnity provisions of this Article are either unenforceable or void.

B. VACANCIES

Notices of vacancies shall be posted for a minimum of five working days in each building and delivered to the Association Secretary, as they occur. In determining who fills the vacancy, the administration shall consider the following factors:

- 1) certification: defined as the requirement to hold certificates, endorsements and approvals required by law and/or Michigan Department of Education Administrative Regulations to serve in the position. It is the teacher's responsibility to file such certificates, endorsements or approvals with the District. The certification status of a teacher on file with the District shall be considered conclusive for all purposes under this contract.
- 2) "Qualifications" or "qualified" shall mean that the teacher:
  - a. possesses a major or minor appropriate to his/her assignment; and

Any such vacancy shall not be required to be posted under Article 5 of this Agreement.

If the teacher cannot be assigned to a concurrent vacancy for which he/she is certified and qualified (as outlined above) he/she will be placed on layoff status, under the provisions of Article 5 of this Agreement, unless the teacher is certified and qualified to displace another less senior member of the bargaining unit. In the latter event, the more senior teacher shall displace the least senior bargaining unit member holding an assignment for which the more senior teacher is certified and qualified. The teacher ultimately displaced shall be laid off and shall recall rights to the extent provided in Article 5.

Those teachers with the least seniority in each area of certification will be released first. The affected person may bump into a position for which s/he is certified providing s/he has greater seniority than the person currently holding that position and

- 1) has taught the subject within the preceding ten years,
- 2) has obtained a major or minor in the subject area within the previous ten (10) years, or
- 3) has a major or minor in the subject area but no course work within the previous ten (10) years.

A person qualifying under (c) above shall be required to obtain a minimum of three (3) semester hours in the specific subject matter previous to the first semester of assignment (assuming notification of change of assignment by June 1) and an additional three (3) semester hours within a year thereafter. Failure to obtain the required hours shall result in the employee being placed onto layoff status.

  - 3) A teacher shall lose seniority rights if he/she retires or resigns. A tenured teacher shall lose seniority if he/she is discharged for just cause.
  - 4) Seniority shall accrue for teachers on various forms of paid leave as determined by this agreement. It will also accrue for those teachers who are under a doctor's continuous care and have used up their entire accumulated sick leave days. Seniority shall not accrue for those teachers on various forms of unpaid leave.
2. The Board shall give written notice of recall from layoff by sending a registered or certified letter to said teacher at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notices to teacher.
3. A teacher shall have 14 calendar days from the postmarked date of the receipt of the registered or certified letter to notify the Board of his/her intent to accept the position. Upon receipt of notice of unclaimed mail from the US Postal Service, a notice of the recall will be sent to the SEA president or his/her designee, allowing an additional 14 days for response.

E. EXTRACURRICULAR ASSIGNMENTS

1. All extra responsibilities such as class or club sponsors and athletic staff will be indicated on the teacher's individual contract. If the contract has already been signed, a Change of Status amendment will be attached to the contract. The above-mentioned activities will be considered an annual appointment outside of the teacher's regular assignment, and will be optional.
2. Teachers will be notified in writing by June 30 of the appointment to extra duty assignments for the following year. Teachers who do not intend to perform the extra-curricular assignment for which they are currently under contract shall notify the superintendent by May 20.

F. LEGISLATIVE IMPACT ON TEACHING ASSIGNMENTS

# Letter of Understanding # 1

2005-2007

A 1% payment for teachers not receiving a step on the salary schedule in 2005-06 created potential inequalities in the second year of the contract. We discussed the inclusion of additional steps (12,17,22,27) in the existing salary schedule (this addition, we acknowledge, creates additional clerical work).

The intent of the SEA was to negotiate something for those on the upper end of the salary schedule, who would otherwise receive no increase.

The switch from MESSA SuperCare to Choices II, along with the increased costs of the newly accepted prescription plan, results in increased costs to the SEA membership. This is particularly true for those veteran members who are at the higher end of the salary schedule.

To address the various issues caused by the 1% payment in 2005-06 to those not receiving any other step increase, for 2006-07 the longevity steps (11, 16, 21, and 26) will first be increased by the 1% that is being applied to Schedule A and then a second 1% will be added.

Therefore for 2006-07 the longevity steps will be as follows:

STEP	BA	BA+18	BA+30/MA	MA+18	MA+30/SP
11	45,775	48,922	55,216	56,789	58,363
16	47,355	50,585	56,952	58,607	60,260
21	47,831	51,133	57,583	59,315	61,043
26	48,299	51,683	58,212	60,021	61,830
