**ARTICLE I
RECOGNITION**

- A. This Agreement, made and entered into on this 26th day of March 2007 by and between the Board of Education of the Hale Area Schools, Hale, Michigan, hereafter referred to as the "Board" or the "Employer" and the Hale Federation of Teachers hereafter called the "Federation" or the "Union". Contract term to be two years, from July 1, 2006 through June 30, 2008.
- B. The Bargaining Unit shall consist of: All certified teaching personnel, including all counselors, special education teachers, speech therapist, Title I Director, librarians, reading consultants, and all other professional teaching personnel. Excluded: All supervisory and executive personnel including superintendent, school principals, and all other administrative employees.
- C. Pursuant to Act 379, Public Acts of 1965, as amended, the Board hereby recognizes the Federation as the exclusive representative for the purposes of collective bargaining with respect to rates of pay, hours, and other terms and conditions of employment for the entire term of the Agreement for Hale teachers who hold valid contracts.

**ARTICLE II
FEDERATION RIGHTS AND RESPONSIBILITIES**

- A. Pursuant to Act 379 of the Public Acts of 1965, and any subsequent amendments, the Board hereby agrees that every teacher shall have the right to freely organize, join, and support the Federation for the purpose of engaging in collective bargaining or negotiations.
- B. Nothing contained herein shall be construed to deny or restrict to any teacher, rights he/she may have under the Michigan General School Laws or other laws or regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere. When an employee speaks or writes as a citizen, he shall be free from institutional censorship and discipline. It shall be the responsibility of the employee, in exercising this right, to make it clear that he speaks or writes as an individual and not on behalf of the district.
- C. The Federation agrees:
 - 1. Establishment of new positions or functions related to instruction, or work performed by persons outside the bargaining unit related to instruction,

- shall be negotiated with the Union before such positions may be filled or assigned salary designations.
2. The Employer agrees that with respect to hiring, working conditions, and promotion practices, neither it nor its agents shall discriminate on the basis of race, color, national origin, gender, religion, age, height, weight, marital status, health, disability, political activities, or membership or participation in the activities of the Union.
 3. The Union agrees to admit all bargaining unit members to membership without discrimination by reason of race, color, national origin, gender, religion, age, height, weight, marital status, health, disability, political activities, or prior membership or past participation in the activities of any employee organization.
 4. The Union shall have the right to investigate, at the employee's request, any facet arising out of the employee's assignment which the employee feels may adversely affect his professional status.
- D. Any authorized representatives of HFT, MFT, AFT shall be permitted to transact official Federation business on school property at all reasonable times, provided that it does not interfere with or interrupt or affect normal school operations or assigned duties. It is the responsibility of the above-mentioned Federation representative to report to the building principal before their conference with any teacher. The Union and its representatives shall have the right to use the Hale buildings at all reasonable hours for meetings, provided that when special custodial service is required, the Employer may make a reasonable charge thereof. Such use shall require that the Union follow the established building scheduling procedures. Duly-authorized representatives of the Union shall be permitted to transact official Union business on the Hale school property at all reasonable times, provided that this shall not interfere with or interrupt normal school operations.
- E. The Federation may use school facilities and equipment; including typewriters, copy machines, other duplicating equipment normally available to teachers and audio-visual equipment at reasonable times, when such equipment is not otherwise in use, providing that such equipment shall not be removed from school property. Use of equipment other than that listed herein shall be with administration approval. The Federation recognizes that all equipment in a building is ultimately the responsibility of the school principal. Federation use of school equipment will be permitted provided that:
1. Request is made and use is arranged for in advance.
 2. The use is strictly to service the legitimate business of the Federation, such as records, notices, correspondence, etc.
 3. The purpose is for internal business use of the Federation and is not for public distribution.
 4. Supplies in connection with such equipment use will be furnished or paid for by the Federation. A reasonable fee consistent with public use will be charged.
- F. Teachers will have the privilege to payroll deductions for the following items:

1. Federation dues, deducted from every regular paycheck each month for ten (10) months beginning in September and ending in June. Teachers may authorize payroll deductions for annuities, which will be promptly paid to the annuity provided by the Board. However, the number of annuity providers shall be limited to two (2), which will be identified by the Federation.
 2. Current authorized deductions, deducted from every regular paycheck each month for ten (10) months beginning in September and ending in June. The Board agrees to promptly remit to the Federation all monies so deducted.
 3. Teachers may authorize credit union deductions, which will be promptly paid to the credit union by the Board.
- G. As a condition of the effectiveness of payroll deductions, the Federation agrees:
1. To indemnify and save Hale Area Schools, the Board, and each individual school board member, and all administrators harmless against any and all claims, demands, costs, suits, or other forms of liability and all court and/or administrative agency costs that may arise out of, or by reason of, action taken by the Board for the purpose of complying with payroll deductions.
- H. Union Dues Check-Off
1. Upon filing with the Employer of a written authorization form for payroll deduction, signed by the employee, the Employer agrees, during the term of this Agreement and any extension or renewal thereof, to deduct union membership dues which have been levied in accordance with the Constitution and By-Laws of the Union from the pay of such employee. Individual authorization forms shall be mutually agreed upon and when executed, shall be filed by the Union with the Employer. Authorizations, once filed with the Employer, shall continue in full force and effect until revoked by the employee on a form mutually agreed upon, which form shall be filed with the Employer. The Union agrees, at least thirty (30) days prior to the beginning of each school year, to give written notification to the Employer of the amounts to be deducted in that year under such authorizations.
 2. Deductions from each paycheck shall be in the amount stipulated by the Union for the term of this Agreement, and shall commence with the first pay period of each contract year. The Employer agrees to forward such deductions, along with a list of employees from whom the deductions have been made, within one week following such deduction, to the Treasurer of the Union. The Employer shall forward to the Union a list of all employees within the bargaining unit and their assigned locations no later than September 15 of the current school year. Further, the Employer shall notify the Union of any employee in the bargaining unit entering or leaving the employment of the Employer.
- I. Union Security
- The Employer and the Union, recognizing that the benefits of the collective bargaining agreement accrue to all members of the bargaining unit, regardless of whether or not such member belongs to the Union, accept the following method

designed to enable all such members of the bargaining unit to support the efforts of the bargaining agent in their behalf:

1. Within thirty (30) days after employment, or the execution of this Agreement, whichever is later, all members of the bargaining unit shall have the opportunity to join the Union and execute an authorization permitting the deduction of union dues.
 2. Any member of the bargaining unit who has not joined the Union during such period or having joined, has not remained a member, shall immediately execute an authorization permitting deduction of a service fee which shall be a sum equal to the union dues which have been established by the Union for each school year. It is understood that the payment of such sums shall not constitute an agreement to become a member of the Union.
 3. The Employer agrees to notify all employees in the bargaining unit (those employed at the time of execution of the Agreement or its extensions or renewals, as well as new hires) of the above-stated thirty-day (30) period, the name(s) of such employee(s) and the date of employment.
 4. Failure within the above-stated thirty (30) days to deliver authorization shall constitute a basis for discharge, and the Employer agrees, upon receipt of notification from the Union that a member of the bargaining unit has failed to execute such authorization within the specified thirty (30) days, to discharge such employee within five (5) days; it being understood between the parties to this Agreement that such requirement is a condition of continued employment with the Employer.
 5. In the event an employee is dismissed for failure to tender required authorized amounts and is subsequently offered reemployment by the Employer, such unpaid amounts shall be required to be paid to the Union by the applicant as a precondition to reemployment.
 6. The Hale Federation of Teachers shall indemnify and save the Employer harmless against any and all claims, demands, suits, or judgment damages, including costs and actual attorney fees, which may arise from the implementation of this section of the Agreement.
- J. The Board shall continue to make available in each building a room to be used as a lounge by teaching personnel.
- K. Disciplinary investigations, interviews, and reprimands will be conducted in private. Any of these areas will be identified before the process begins. An affected employee will have the right to a union representative in all formal and informal meetings and when such a request is made the interview will not proceed until the representative is in attendance. The Employer shall have a similar right to include a representative of its choice at such a meeting. Material shall not be gathered against an employee by covert devices without reasonable cause.
- L. A copy of all regular board meeting minutes shall be given to the Union President, when available, following all regular school board meetings.

M. The Union shall have the right to post notices of its activities and matters of Union concern on adequate bulletin boards located in mutually-agreed-upon areas of Hale School District buildings.

N. Federation Business Days

It is agreed by the Board that Hale Federation members shall be granted leave time for no more than fifteen (15) days total, with individual members using no more than four (4) days each for Federation activities. These days shall not be used for the purpose of supporting strike activities. Any substitute employee costs incurred by the District will be reimbursed to the District by the Hale Federation of Teachers. No more than two (2) members per building or no more than three (3) teachers will be gone at one time. Union will provide administration five (5) days notice and endeavor to help in substitute shortage.

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

E. Personnel Files

- 1. Employees shall be permitted to inspect all the contents of their personnel file. Only one central file shall exist.
- 2. Any material not shown to an employee and initialed by him (which initialing shall signify only that the employee has read the material and not that he or she necessarily agrees with the contents) within ten (10) days after receipt shall not be permitted as evidence in any grievance or any disciplinary action against such employee.

F. Evaluations

- 1. All teachers shall be evaluated by one of the observations formats listed below.
An employee will be informed one week in advance of the day on which he/she is to be evaluated in order that the objectives or purposes of the class or work period being evaluated may be discussed in advance between parties.

The evaluating committee shall be a group to assist

the building principal in the evaluation process and assist fellow teachers in professional growth. There shall be four teachers from each building to be a standing evaluation team. Teachers, who serve as evaluators, shall be selected by the Federation.

3. The teacher selecting "principal only" evaluation will be observed by the teacher's immediate supervisor or an administrator working in the same building or otherwise familiar with the teacher's work. (The employees shall have the subsequent right to be observed by a second administrator evaluator, mutually agreed upon the Union and the Employer, when so requested by the employee.)

Said student shall be withheld from contact with the employee in question until the authorities and the Board of Education deem an adjustment has been made.

In the event an employee is subjected to an unprovoked assault which arises out of and in the course of their employment, it shall be promptly reported to the Board or their designated representative. The Board will provide legal counsel to advise the employee of their rights and obligations with respect to the assault and shall render all reasonable assistance to the employee in connection with the handling of the incident by law enforcement and judicial authorities.

In the event the employee is the subject of a civil action filed by someone other than an employee of the Board of Education which arose out of and in the course of their employment, the Board will provide legal counsel and render the

necessary assistance to the employee in his defense provided the employee's conduct was justified based on what a reasonable and prudent person would do in like or similar circumstances.

The employee shall be paid without loss of time, seniority, or other benefits for any injuries incurred or time lost in pursuing the legal action under this article.

ARTICLE IV TEACHING HOURS, CLASSROOMS AND ASSIGNMENTS

ARTICLE V LEAVES OF ABSENCE

Teachers shall accrue sick leave at the rate of twelve (12) days per school year, two (2) of which may be used for personal business days. An employee, who has worked in the district less than one (1) year, however, will be credited with six (6) days of sick leave each semester after the employee has worked one day that

semester; one (1) of which may be used for personal business during the first semester with not more than two (2) business days total during the first year of employment. At the start of each school year these days shall accumulate to a maximum of 152 days. After five (5) consecutive days of illness, the Superintendent shall require a doctor's statement of condition to return to work. If an employee anticipates using FMLA, they must notify the employer within three (3) days of starting their leave.

- A. Teachers will be entitled to the following temporary leave of absence with pay each school year:
 - 1. These 12 days may be used for personal illness, family illness, funerals, immediate family bereavement and include 2 personal days. No more than 2 teachers from each school shall take personal business days at one time. Permission to take personal business days shall be granted on a first come first served basis. The immediate family shall be anyone of significance in the past or present daily life of the individual.
 - 2. The Federation recognizes that abuse of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of professional behavior, or violations of this Master Agreement by a teacher reflects adversely upon the teaching profession and creates undesirable conditions in the school system. Alleged breaches of professional behavior shall be reported as soon as practical to the offending teacher and may be reported to the Federation.
- B. A sick day bank will be established, directed and administered by a committee of two (2) tenured teachers and the Superintendent to cover teaching personnel.
 - 1. Participation within the bank will be on a voluntary basis with each participant contributing three (3) days at the beginning of the school year.
 - 2. maximum number of days to be accumulated within the bank shall be a number equal to three (3) times the number of the full teaching staff.
 - 3. New hire must work one (1) school day before qualifying for sick bank.
- C. Pregnancy-related absences will be treated the same as any other sick leave request.
- D. Professional Growth. To encourage professional growth, a teacher who has taught three (3) or more years in the system shall be granted a leave of absence, not to exceed one (1) year, for advanced professional training. This may occur once every five (5) years. On return every effort will be made to reinstate the employee to their previous position.
- E. The Board and Union agree to comply with all State and Federal laws concerning military leave.
- F. A child care leave of absence, without fringe benefits, salary, or step increment, shall be granted by the Board of Education for one full school year upon written application of the teacher.
 - 1. Teacher may request in writing to the Board of Education to be reinstated prior to the end of one (1) full school year leave, with such

decision for rehiring prior to the full year period, left to the decision of the Board.

2. Teacher shall notify the Board of Education in writing by May 1st of their leave year, of their intent to return for the coming school year.
3. Tenure status seniority, salary schedule and increments shall remain the same as those accrued prior to leave, upon returning to classroom.
4. Reassignment upon return shall be made based upon the decision of the building administrator in discussion with the Union.
5. Person on leave of absence may be affected by layoff like any other teacher.

G. The Family Medical Leave Act of 1993 requires the employer to provide up to 12 weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons, as defined by that law. Employees are eligible if they have worked for the covered employer for at least one (1) year, and for 1,250 hours for the previous 12 months. The district utilizes a rolling year method of calculating the FMLA leave. A rolling year is defined as twelve (12) weeks of leave in a one (1) year period. (Further terms and conditions of this Act can be found in the U.S. Department of Labor, June 1993 Employment Standards Administration Publication).

ARTICLE VI GRIEVANCE PROCEDURE

Every effort will be made to schedule hearings and conferences outside of duty hours.
3. When hearings and conferences are held during duty hours, all persons who are present at the hearing or conference pursuant to this Article whose duty hours are affected, shall be excused with pay for that purpose.

4. Forms for filing and processing grievances shall be given appropriate distribution so as to facilitate the operation of the grievance procedure.
5. No decision or adjustment of a grievance shall be contrary to any provision of this Agreement.
6. Failure by the employee and/or the Union at any step of this procedure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision.

8. Any grievance initiated within the last ten (10) days of the school year will be resolved in the month of June or at the commencement of the next school year.
9. The time limits specified in this procedure may be extended in any specific instance by mutual agreement, which agreement shall be reduced to writing and signed by the parties.

C. Procedure for Adjustment of Grievance

Grievances shall be presented and adjusted in accordance with the following procedures:

1. Informal Conference

- a. A complaint shall first be identified as a grievance issue in writing, citing the appropriate contract section or sections, and shall be discussed with the appropriate Building Supervisor/District Supervisor with the object of resolving the matter informally.
 1. By an employee in person on his own behalf.
 2. By an employee accompanied by the appropriate Union representative.
 3. Through the Union representative, if the employee so requests.
 4. By the Union representative in the name of the Union.
- b. In the event the matter is resolved informally and the Union representative was not present at the adjustment of the complaint, the Building Supervisor shall inform the Union of the adjustment.

2. Formal Step 1

In the event the matter is not resolved informally, the grievance, stated in writing on the form provided for such purpose, may be submitted to the Superintendent or his designee within ten (10) working days following the discovery by the aggrieved party of the act or condition which is the basis of the grievance.

- a. The grievance may be lodged and thereafter discussed with the Superintendent or his designee:
 1. By an employee in person on his own behalf.
 2. By an employee accompanied by the appropriate Union representative.
 3. Through the Union representative, if the employee so requests.
 4. By the Union representative in the name of the Union.

- b. Within ten (10) working days after receiving the written grievance, the Superintendent or his designee shall communicate his decision, along with his reasons therefore, in writing on the grievance form, to the Union representative, and to the aggrieved employee, if any.

3. Formal Step 2

If the grievance is not resolved in Step One, the Superintendent, the Board Committee of 3, and a representative of the Hale Federation of Teachers shall meet within one (1) week unless a longer time is mutually agreed upon between the parties (after working hours) to attempt to resolve the grievance.

If the Federation is not satisfied with the disposition of the grievance in Step Two, or if no disposition of the grievance has been made within the period above provided, the grievance may be submitted for mediation before the State of Michigan Labor Mediation Board in accordance with its rules, which shall likewise govern the mediation proceedings. The Board and the Federation shall not be permitted to assert in such proceedings any ground or to rely on any evidence not previously disclosed to the other party. Both parties agree to be bound by the recommendation of the mediator.

ARTICLE VII PROFESSIONAL BEHAVIOR

- A. Teachers are expected to comply with rules, regulations and policies adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement.
- B. Any teacher breaking this Agreement is subject to a written reprimand within ten (10) working days of discovery, but not later than twenty (20) working days after occurrence.
Any reprimand must be made out in duplicate; one (1) copy is to go into the teacher's record and the teacher is to receive the other copy.
All reprimands will become a permanent part of the teacher's record; this will be considered in the rehiring of both non-tenured and tenured teachers.
- C. No teacher shall be disciplined or reprimanded without just cause. All information forming the basis for disciplinary action will be made available to the teacher and to the Federation upon the written request of the teacher.
- D. The teacher accepts responsibility to strive for excellence in teaching.
- E. Teachers are responsible for maintaining continuous high level of professional service to the welfare and benefit of the student body. Teachers, therefore, are responsible to discharge their teaching assignments with professional proficiency, to plan adequately and to meet as needed with children, parents and/or consultants, both during and after school hours. Every effort will be made to schedule children, parents, and/or consultants during teacher work hours.

- F. Teachers are reminded that corporal punishment, unless used to protect self or another student, is no longer a legally acceptable means of discipline.

ARTICLE VIII
MANDATED PROGRAMS
RIGHTS AND RESPONSIBILITIES

- A. The Board agrees to provide the Union copies of any communication mailed home to parents as a result of the No Child Left Behind legislation.

ARTICLE IX
FRINGES

- A. Teaching and/or other job related experience credit may be granted for up to a maximum of five (5) years.
Extension of five (5) year credit limit may be granted by mutual written agreement of the HFT executive board and the Hale Board of Education.
- B. Preferred Degree Program. The Board may designate a subject major and related degree as having preferred status. Bargaining unit teachers who respond to a posting and are accepted into the program and meet the program requirements shall be eligible for financial incentives. Such incentives shall place the successful program teacher on the next highest salary schedule. For example: the board requesting a need for a physics major and the staff member, after receiving the degree with a B or better average within the posted time period, would advance to the next salary schedule (masters or specialist). The selection process and program requirements shall rest in the sole discretion of the board.
- C. A teacher who anticipates making a lateral move on the salary schedule must notify the central office by May 1 of the preceding school year to receive the adjustment on the salary schedule.
- D. Blue Cross-Blue Shield, POC LA PPO-Option 1 (\$10.00 co-payment per prescription to be reimbursed back to the employee to \$5.00 per prescription on a monthly basis) is available to all teachers.

The employee's monthly contribution to their insurance shall be as follows:

1 person	2 person	full family
\$30.00	\$60.00	\$90.00

The individual teacher's contribution to insurance will be deducted from the individual's payroll.

Blue Cross-Blue Shield, Two Star Dental Care and Three Star Vision Care Programs will be available to all teachers.

Teachers who elect not to subscribe to the Blue Cross/Blue Shield to the POC LA PPO-Option 1 coverage (or the comparable and/or better medical insurance provided by the Board with an alternate carrier), shall be eligible to receive a Twelve Hundred (\$1,200.00) Dollar tax sheltered payment. In place of the tax sheltered annuity, the teacher may elect in writing prior to September 1st to receive a Twelve Hundred (\$1,200.00) Dollar cash payment. Payment to be made in two (2) installments of \$600.00 each. First payment to be paid by mid-December and the second payment to be paid by June 15. The Board will make every attempt to pay these installments in a supplemental payroll disbursement.

- E. The Board will offer Long Term Disability Insurance (66 2/3% minimum) to each tenured employee. Benefits will begin upon termination of the employee's sick leave or ninety (90) days, whichever is more.
- F. A teacher may accumulate 152 sick days. If the teacher voluntarily leaves the school system they may sell these days back at a rate dependent on the number accumulated.

120 to 140--\$50.00/day

90 to 119--\$37.50/day

60 to 89--\$25.00/day

A teacher with less than 60 days may not sell days back.

- G. The Board, by payment of the premium payments required to provide the coverages set forth, shall be relieved from all liability with respect to the benefits provided by the insurance coverages as above described. The failure of an insurance company to provide any of the benefits for which it has contracted for any reason, shall not result in any liability to the Board of Education or the Union, nor shall such failure be considered a breach of any obligation by either of them. Disputes between beneficiaries of employees and any insurance company shall not be subject to the Grievance Procedure established herein.
- H. It shall be each employee's responsibility to notify the business office within a 30 day period of any change in family status effecting insurance coverage. Failure to notify could result in lost coverage or additional costs being passed on to the employee.
- I. Retirement Incentive Plan. Upon a teacher's advance notification, by May 1, of retiring in three years from the Hale School District and in agreement with the teacher, the District agrees to the following Early Announcement Incentive Plan:
 - 1. Three-year advance notice and agreement:
 - Year 1 - The District agrees to add the amount of \$2,500 to the salary of the teacher.
 - Year 2 - The District agrees to add an additional \$2,500 to the total previous year salary of the teacher.
 - Year 3 - The District agrees to add an additional \$3,500 to the total previous year salary of the teacher.

The total amount for the three years advance notice of retirement to be added will be \$8,500.

2. As a one time offer, if the teacher plans to retire in 2006-07 or 2007-08, the District agrees to the following Early Announcement Incentive Plan. Two years advance notice and agreement:

- Year 1 – The District agrees to add the amount of \$2,500 to the salary of the teacher.
- Year 2 – The District agrees to add an additional \$2,500 to the total previous year salary of the teacher.

The total amount for the two years advance notice of retirement to be added will be \$5,000.

The written notification must be completed within 30 days of the contract implementation.

ARTICLE X ASSIGNMENTS, VACANCIES, PROMOTIONS, TRANSFERS

- A. All vacancies, whether by expansion, resignation, discharge, transfer, leave, or promotion shall be filled by the most qualified applicant. For the purpose of this Agreement, qualifications shall be considered to be a function of formal training. Where there is reasonable doubt regarding the relative weighing of these factors with respect to the qualifications of two or more applicants, the Employer shall resolve the issue through the seniority system.
- Where the qualifications of two or more applicants for a job vacancy are found to be substantially equal, the vacancy shall be filled by the applicant with longest seniority in the district, provided the assignment is not a detriment to students by mutual agreement with the Board/Administration and the Union.
- B. Whenever any opening in the district shall occur, the Employer shall publicize the same by posting such vacancy on the bulletin boards in each school. During the summer, copies of such postings will be mailed to employees who have supplied pre-addressed and pre-posted envelopes to the district. Notice of posting should be mailed 5 days prior to effective date of posting and the position will be posted for 5 business days.
- C. The Employer continues its support of a policy of promotions from within its own staff, including promotion to supervisory and executive levels, subject only to the provisions of Section A above.
- D. Transfers within a building or between buildings shall be available, provided positions are vacant, at the request of the applying teacher(s), subject to the provisions of Section A above. The parties recognize that changes in grade assignments in the elementary schools, changes in subject assignments in secondary school grades and transfers between schools will occur. The Administration will discuss the assignments and transfer with said teacher. Such transfer or changes of assignments shall be mutually agreeable whenever possible. In making involuntary assignments or transfers, the convenience and wishes of the individual teacher will be honored to the extent that these

considerations do not conflict with the instructional requirements and the best interest of the school system and the pupils.

ARTICLE XI EFFECT OF AGREEMENT

- A. The parties mutually agree that the terms and conditions set forth in this Agreement represent the full and complete understanding and commitment between the parties.
- B. If any provision of this Agreement is or shall at any time be found to be contrary to law by a court of ultimate jurisdiction, such provision shall not be applicable or performed or enforced, except to the extent permitted by law. All other provisions of this Agreement shall continue in full force and effect, and the parties agree to meet for the purpose of negotiation and agreement on substitute language for the voided provisions(s).
- C. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. The provisions of this Agreement shall be incorporated into and be considered Board Policy.
- D. During the term of this Agreement, the bargaining unit shall not authorize, cause, engage in or sanction any teacher or group of teachers' strike, refusal to cross picket lines, or refusals to perform the duties of employment, at Hale Area Schools.  2. Election by a tenured teacher to process a discharge through the Tenure Commission rather than the grievance machinery contained herein shall stop such employee from entry to such grievance machinery on such discharge.

- B. The Board will layoff in reverse order of seniority subject to the employees being certified to perform the functions of the available position. Recall from layoff shall be in reverse order. All grades: Certification as required by law. New employees seniority shall be established by:
