ARTICLE I

RECOGNITION

- A. The Board hereby recognizes the Jackson County Education Association (hereinafter called the "Association") as the exclusive bargaining representative, as defined in Section II of Act 379, Public Acts of 1965, for all certified personnel, including all teaching personnel employed by the Board (whether or not assigned to a public school building), librarians, guidance counselors, but excluding administrative and supervisory personnel, substitute teachers, clerical and custodial employees.
- B. The term "*teacher*" when used in this Agreement shall refer to all classroom teachers, librarians, and guidance counselors employed under individual contract for a full year at no less than three (3) hours daily or two (2) full days per week, by the East Jackson Community Schools represented by the Association in the bargaining or negotiating unit, and reference to male teachers shall include female teachers. At no time will a teacher be employed for less than three (3) hours daily for the purpose of reducing the number of employees covered by the terms of this Agreement.
- C. The term "*Board*" shall include its officers, members and agents.

ARTICLE 2

ASSOCIATION RIGHTS AND RESPONSIBILITIES

- A. The Association agrees to abide by Act 379 of the Public Acts of 1965 and to all applicable laws and statutes pertaining to teachers' rights and responsibilities. The Association also agrees to abide with all Board of Education written policies and procedures not inconsistent with the terms of this Agreement.
- B. The Board shall provide information necessary to the Association to process grievances or complaints, negotiate and administer the Agreement, or otherwise perform its duty as the representative of the teachers.

Any request for information identified in the foregoing paragraph will be made by the Association President or his/her designee in writing, directed to the Superintendent. An appropriate written response shall be returned to the designated representative within five (5) working days from the date said request is received by the Superintendent.

- C. Association materials intended for distribution to parents, via the school mailing system, must have prior approval by the Board before distribution.

- D. The Association may use the school buildings for meetings if prior approval is obtained from the Building Principal at least twenty four (24) hours in advance. Application for use of school buildings shall be made on the School Facilities Use Agreement. Bulletin board space, conveniently located, shall be made available to the Association.
- E. The Association may use school equipment, including typewriter, mimeographing machines, other duplicating equipment, calculating machines, and audio-visual equipment, when such equipment is not otherwise in use, subject to approval of the Building Principal. When the Association is publishing its own internal communication, it will furnish its own paper.
- F. Published agendas and notices of Board meetings shall be made available to each building representative and the Association President at the same time they are made available to the members of the Board of Education. Published Board meeting minutes will be forwarded to the local president.
- G. Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on school property, with approval of the Building Principal or his/her designee provided this does not interfere or interrupt normal school operations.

ARTICLE 3

TEACHER RIGHTS AND RESPONSIBILITIES

- A. Nothing contained within this contract shall be construed to deny or restrict any teacher rights he/she may have under the Michigan General School Laws, Tenure Act, or other applicable laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.
- B. Pursuant to the Michigan Public Employment Relations Act, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by the Act or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment or application of the provisions of this Agreement or Board policies by reason of his/her membership in the Association,

his/her participation in any activities of the Association or collective negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

C. **Private Life**

The Board and the Association agree that the private life of a teacher is his/her own affair unless his/her conduct should adversely affect his/her relationship with students or the discharge of his/her teaching and other school-related activities. If such conduct does exist, the Board agrees to discuss the problem with the Association prior to taking any action in an effort to arrive at a satisfactory solution to the problem.

D. The Board shall make available in each school adequate lunchroom, restroom, and lavatory facilities, exclusively for teachers and at least one room which shall be reserved for use as a faculty room.

E. It is recognized that abuse of sick leave and other leaves, chronic-tardiness or absences, willful deficiencies in professional performance, or other violations of professional behavior reflect adversely upon the teaching profession and the Board will take action to correct breaches of professional behavior.

F. **Americans With Disabilities Act**

1. The Board and the Association recognize their respective responsibilities to comply with the Americans With Disabilities Act (ADA) or other similar federal or state legislation, including steps needed in order to reasonably accommodate an employee's disability, such as, but not limited to, restructuring a job or position, re-allocating or re-distributing job functions or requirements, altering when or how job functions are performed, creating modified or part-time work schedules, granting preferences in work schedules or shifts, creating flexible leave policies, providing disabled employees with transfers or reassignments to vacant positions and providing benefits that may be necessary to accommodate disabilities.
2. In accordance with these principles the Employer will provide notice to the Association of any potential need for accommodation and seek Association input on proposed accommodations.
3. Employees shall be notified of the identity of the ADA Compliance Officer.

G. **Non-Discrimination**

The provisions of this Agreement and the wages, hours, and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, sex, or marital status, or membership in, or association with, the activities of any teacher organization. The Board and the Association pledge themselves to extend the advantages of public education to every student of the district without regard to race, religion, sex, color or national origin and to achieve full equality of education opportunity to all pupils.

H. **Just Cause**

No teacher shall be disciplined, reprimanded, reduced in status, deprived of any professional advantage, or compensation without just cause. All written information will be made available to the teacher and the Association, if the teacher directs.

This section shall have no application to the non-renewal or discharge of probationary teachers. The non-renewal or discharge of probationary teachers shall be administered in acceptance with the procedures detailed within the Tenure Act.

I. **Progressive Discipline**

The Board, in recognition of the concept of progressive correction, shall notify the teacher of alleged delinquencies, indicate expected corrections, and indicate a reasonable period for correction.

J. **Union Representation**

A teacher shall at all times be entitled to have present a representative of the Association, or other representative of his/her choice, when he/she is being reprimanded, warned, or disciplined for any infraction of discipline or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative is present.

K. **Complaints**

Formal complaints regarding a teacher made to the administration by any parent, student or other person which are considered in evaluating a teacher's performance will be called to his/her immediate attention and reduced to writing by an administrator. Any complaint that is not brought to the teacher's attention will not be used in any future disciplinary action or evaluation.

L. **Personnel File**

1. Any material which relates to, or may relate to, evaluation or discipline added to the teacher's file after the initial date of employment must be signed by the teacher. No material to be used in disciplinary action against the teacher may be placed therein without allowing the teacher an opportunity to file a response thereto, and said response shall be attached to the item(s) which give rise to the response.
2. If the teacher is asked to sign material placed in his/her file, such signature shall be understood to indicate his/her awareness of the material but, in no instance, shall said signature be interpreted to mean agreement with the content of the material.
3. Each teacher will have the right, upon request, to review the contents of his/her own personnel file. A representative of the Association may, at the teacher's request, accompany the teacher in such review. The review will be made in the presence of the administrator responsible for the safekeeping of such file. Confidential credentials and related personal references obtained at the time of initial hiring, are specifically exempted from such review. The administrator will remove such credentials and confidential reports from the file prior to the review of the file by the teacher.
4. Any employee believing that material contained in his/her personnel file is false or incorrect may, at his/her option, register a complaint through the grievance procedure to have said material corrected or expunged from his/her file.

M. **Property Loss/Damage**

In the event a teacher loses or damages school property assigned to the teacher (i.e., computer) offsite through negligence, the teacher will reimburse the District for any replacement or repair costs up to the District's insurance deductible within thirty (30) calendar days of receiving notice from the District.

ARTICLE 4

BOARD RIGHTS AND RESPONSIBILITIES

- A. The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and Constitutions of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:
1. To provide the executive management and administrative control of the school system and its properties and facilities, including the decision to operate or not operate such facilities, and the activities of its employees.
 2. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their discipline, dismissal or demotion, and to promote and transfer all such employees.
 3. To establish, modify, and/or increase or reduce classes and courses of instruction, including special programs, and to provide for athletic, recreational, and social events for students, all as deemed necessary and advisable by the Board.
 4. To determine appropriate and acceptable means and methods of instruction, the selection of textbooks and other teaching materials, and appropriate and acceptable use of teaching aids of every kind and nature.
 5. To determine class schedules, the hours in instruction, and the duties, responsibilities, and assignments of teachers and other employees with respect thereto, and with respect to administrative and non-teaching activities, and the terms and conditions of employment.
 6. To determine fiscal policies and authorize all expenditures of public monies.
- B. The exercise of these powers, rights, authority, duties, and responsibilities by the Board, and the adoption of such rules, regulations and policies as it may deem necessary shall be limited only by specific and expressed terms of this Agreement and by the laws of the State of Michigan.

ARTICLE 5

PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS

- A. The Board shall deduct dues and service fees in equal amounts in accordance with a schedule mutually acceptable to the parties. Deductions for teachers employed after the commencement of the school year shall be pro-rated to complete payments. The deduction of dues and service fees shall be required as a condition of this Agreement. As such, the Board shall automatically deduct dues and service fees pursuant to the authority set forth in MCLA 408.477.

In the event of any form of litigation against the Board under this section, the Association agrees to hold the Board harmless from any and all damages and judgments which may result from such action.

- B. Upon appropriate written authorization from the teacher, the Board shall deduct from the salary of the teacher and make appropriate remittance for annuities, credit union, and savings bonds, charitable donations and other plans or programs approved jointly by the Association and the Board. The Board shall make salary deductions for four (4) different annuity programs, the four (4) being those listed below. Additional programs may be approved by the mutual consent of the Board and the Association.

1. Prudential Insurance Company
2. Northern Life Incorporated
3. VALIC
4. MEA Financial Services

ARTICLE 6

WORKING CONDITIONS

A. Teaching Conditions

1. The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to ensure the high quality of education as the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school day should be directed toward ensuring that the energy of the teacher is primarily utilized to this end.
2. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be limited and students equally distributed within grade levels and subject areas, whenever possible.

a. Regular Classroom Teachers

Kindergarten through fifth grade class sizes shall not exceed thirty (30) students.

b. Elementary Special Area Teachers

Because pupil loads of special area teachers differ from regular classroom teachers, the class load and schedule for said teachers shall be reviewed by a committee which shall include the Superintendent, or his designee, Principal, the special area teacher and the building Association representative, if the special area teacher requests.

For the purposes of this section, special areas shall be defined as art, music, physical education, library, etc.

Regardless of the number of Specials provided, the integrity of the basic instruction process shall be maintained at all times.

With the exception of Article 6 (A) (6) below, it is recognized that nothing in the Master Agreement requires the District to employ special area teachers.

c. **Secondary Teachers**

The class load and schedule shall be reviewed by a committee which shall include the Superintendent, or his designee, Principal, teacher and the building representative, if the teacher requests.

The committee will take into consideration student safety and the quality of instruction in its deliberations.

3. The Board recognizes that appropriate texts, library reference facilities, maps, globes, laboratory equipment, current periodicals, standard test and questionnaires, field trips and similar materials are the tools of the teaching profession. The Board and the Association will confer for the purpose of improving the selection and use of such educational tools. The Board will continue its efforts to keep the schools reasonably equipped. The teacher is responsible for utilizing instructional materials and equipment in a careful and prudent manner and to supervise the use of consumable supplies by students to make certain waste is kept at a minimum and respect for materials and supplies is taught.
4. The Board shall provide:
 - a. A separate desk with lockable drawer space and/or access to a lockable cabinet for each teacher in their assigned room.
 - b. Copies, exclusively for a teacher's use, of all texts used in each of the courses he/she is to teach.
 - c. A dictionary for the respective age group in every classroom.
 - d. Seating facilities for each student.
 - e. Books and materials for each student needed in daily teaching responsibilities in programs approved by the Board.
 - f. In each of the buildings there will be a telephone extension provided for teacher use in the teacher workroom. Personal long distance calls must be made with the use of a calling card.

5. **Safe Working Conditions**

Teachers shall not be required to work under recognized unsafe or hazardous conditions. Teachers will report in writing to their immediate supervisor and the Association when they become aware of any unsafe or hazardous conditions.

6. **Librarian**

One full-time qualified librarian shall be provided to cover the high school and middle school (approximately half-time in each building) grades and another full-time qualified librarian shall be provided for the remaining grades with a schedule split approximately equal between the elementary buildings and may include one (1) section of reading instruction.

7. **Special Education/Least Restrictive**

- a. Copies of deviation requests for special education class loads will be provided to the Association President and Building Representative(s) upon submission to the Jackson County Intermediate School District and the Department of Education.
- b. The parties acknowledge that the policy of Least Restrictive Environment is legally mandated. It is also recognized that the extent to which any special education student should participate in regular education programs and services involves consideration of that student's unique needs as determined by an Individual Educational Planning Committee (IEPC). It is further acknowledged and recognized that the general educational classroom teacher shall be responsible for the implementation of those responsibilities applicable to the classroom teacher within the I.E.P.
- c. When a general education classroom teacher is assigned a student who has been identified for special education services, the teacher shall not be expected to perform routine, scheduled maintenance of an apparatus used by the student to sustain his/her bodily functions nor render routine scheduled care or maintenance of exceptional bodily functions (e.g. tracheotomy, diapering, use of the toilet, etc.) related to the student's impaired condition. The teacher shall be informed and instructed by the administration or its agent(s) as to emergency measures which may be necessary on occasion due to the student's impaired condition prior to student attendance. Teacher(s) will not be required to transport special education students.

- d. The administration agrees to pursue providing for a substitute in the absence of the regularly assigned special education aide. Temporary assistance will be provided.
 - e. No Individual Educational Planning Committee (IEPC) will be held without the regular classroom teacher at the elementary level, if known, being invited to attend or have a teaching staff representative invited to attend. At the middle school and high school levels, all teachers who will be working with said student, will be informed of the IEPC and at least one teacher will be required to attend the IEPC. The principal will make available for the other involved teachers the information provided at the IEPC which was prepared or furnished by the staff of the JCISD. Teachers should be given two weeks advance notice of the IEPC, or as soon as the building principal is informed but not later than the end of the next regularly scheduled day of work. The teacher, if so desired, will be entitled to representation. If known, at the beginning of each school year, all teachers will be provided a list of their students and their special needs.
 - f. If any teacher(s), in writing, advises the district of a reasonable basis to believe that a student's IEP, falling under applicable special education statute, is not meeting the student's needs as required by law, the district will reconvene an IEPC in a timely fashion. The teacher(s) will be invited to attend the IEPC.
 - g. The district shall notify employees of the identity of its Section 504 officer as well as the procedures for requesting a Section 504 hearing.
 - h. Both parties agree that the existing step process for formulation of recommendations regarding the educational programs and services for students, the legal definitions regarding inclusive education, least restrictive environment, medically fragile students and identified student, shall be posted on the teacher lounge bulletin board.
 - i. The Board shall endeavor to provide within its practical means for the equal distribution within a building of special needs students within grade levels and subject areas.
8. **Split Grades** - The school administration will make every effort to equalize the number of students in each of the two (2) grade levels, as well as possible.

B. **Teaching Hours**

1. All teachers shall be required to be at their assigned work stations at the beginning of the school day and leave the building at the end of the school day at a time designated by the Board. Teachers may not be required to remain at work, or in the building, for more than seven (7) hours and twenty (20) minutes per day.

Teachers shall not leave their building(s) during the prescribed workday without the approval of the Building Principal or his/her designee.

2. **Secondary Planning Period.** Schools shall have a daily planning period equivalent to at least one (1) class period each day providing it does not interfere with assemblies, field trips, parent conferences, or the proctoring of examinations. Assignment to a supervised study period shall be considered a teaching period for purposes of this Article. During the life of this contract, the number of preparations for secondary teachers shall not exceed four (4).

If a teacher is assigned more than two (2) study halls, then the need for preparation periods is eliminated and shall not be granted.

3. All teachers shall be entitled to a duty-free uninterrupted lunch period of at least thirty (30) minutes which may include up to four (4) minutes of passing time.
4. Absentees shall have plans and materials so arranged that a substitute will be able to assume the position with a minimum of interruption. Teachers shall make daily lesson preparation, prepare each week a written lesson plan covering the following week's instruction, and attend all staff meetings, unless excused by the building principal. The Association and the Board agree that a teacher's attendance at and/or participation in PTA meetings, open-houses, concerts, plays, Christmas programs, athletic events, graduation events, and similar school activities is a professional responsibility to be exercised within the discretion of the teacher considering the nature of his/her remaining professional responsibilities.
5. If the State of Michigan law as currently found in MCLA 388.1701(3) and (4) requires that school districts reschedule Act of God days as defined in Public Act 239 of 1984, scheduled days of students and/or teacher attendance that are canceled because of such condition as defined in the Act shall be rescheduled by the district. Such rescheduling shall not affect, or otherwise require an adjustment of salary, compensation, or other benefits provided within this collective bargaining agreement.

6. A teacher's primary responsibility is his classroom or regular facility in which his/her basic assignment occurs. However, supervision of students is the teacher's responsibility during the entire school day. It is recognized, though, that supervision of students outside regularly scheduled classes, study halls, or homerooms, etc., is possible only at those times when teachers are not engaged in other professional activities. Teachers will cooperate in good housekeeping practices in the halls, respective classrooms, and their lounge. It is understood, however, that such teacher cooperation shall not obligate teachers to perform duties normally and customarily performed by janitorial, custodial, clerical, or administrative staff.
7. It is recognized that teachers must utilize teaching methods and materials acceptable to and/or approved by the Board in striving for maximum student development and the attainment of student performance objectives cooperatively developed with the Association and adopted by the Board.
8. **Elementary Planning Period.** With the exception of days in which indoor recess is held due to weather conditions, elementary teachers (grades K-5) will be provided a thirteen (13) minute relief period, both morning and afternoon, each day (See attached Letter of Agreement, page 56). In addition, elementary teachers may also use for planning and conferences all time during which their classes are receiving instruction from various special area teachers. The exception to this practice will occur when, in the judgment of the building principal, said teacher(s) presence is needed due to the use of a substitute special area teacher or by the regular special area teacher to help establish acceptable levels of classroom control at the beginning of the class. Elementary teachers may use the time during the noon recess when their students are supervised by teacher aides for planning purposes. Teacher aides shall be provided for recess and lunch hour duties in the above schools for the duration of this contract. Additionally, the Board will endeavor to provide classroom aides and/or other instructional assistance through use of special state and federal programs whenever possible.
9. The Board shall have the right to determine if the secondary grades (6-12) will have a six or seven period day. If it becomes necessary to change the number of periods during the life of this Agreement, paragraph "B.9" may be reopened for negotiations.
10. The District reserves the right to implement what might be described as a nine (9) period optional day at the high school and an eight (8) period optional day at the middle school.

The assignment of teachers in such instances will be limited to those teachers hired for the purpose of staffing these positions during the course of the 1994-95 school year or thereafter and any teacher hired prior to the 1994-95 school year who volunteers for the assignment. Such assignments shall not serve to lengthen the overall length of the teacher workday set forth in Article 6.B.1. In addition, such assignments shall not create a "split day" for any teacher without said teacher's agreement.

11. No program or services shall be delivered outside the negotiated work day/work year without prior written notice to the Association.
12. The District shall confer with the Association prior to the consideration of any annexation or consolidation.

C. **Drug and Alcohol Policies**

In the event the calendar or any other provision of this Agreement creates a condition whereby the district is not able to meet the number of days or hours of instruction to receive full state aid payments or professional development requirement, the Superintendent and representatives of the Association will immediately negotiate the necessary adjustments to assure compliance at no added salary cost to the district.

In the event that it becomes necessary to reduce the number of teachers through layoff from employment by the Board, then the teachers with the most seniority, as hereinafter defined, who are certified and qualified to teach the remaining positions shall be retained, except that probationary teachers shall be laid off first, according to seniority.

- a. "*Seniority*" shall be defined as continuous service with the East Jackson Community Schools, beginning with the date of hire (the teacher's first working day). Teachers who have severed employment as a teacher and then return to the bargaining unit shall be considered new hires for the purpose of calculating seniority. Teachers who were term substitutes immediately prior to their appointment to a regular teaching position shall accrue seniority for the period served as a term substitute.
- b. Teachers whose seniority dates are the same shall have their respective seniority rank determined by drawings with the Association and Board representation present.

3. **Seniority List**

- a. On or about March 1, the Board shall provide to the JCEA office a complete up-to-date seniority list which shall include name, address, certification, and first working day in the school district. Said seniority list will rank teachers according to those with most seniority to those with least seniority. As additions and deletions occur, the Board will notify in writing the JCEA office.
- b. If upon receipt of the seniority list, the JCEA/EJEA believes the list to be inaccurate, the JCEA/EJEA will notify the Superintendent in writing so the error, if any, can be corrected.

4. **Notice.**

The Board shall give thirty (30) days written notice of layoffs to the Association and the individuals involved. It is further agreed that any layoff pursuant to this Article shall suspend for the duration of the layoff the Board's obligation to pay salary and fringe benefits under any teacher's individual employment contract or under this collective bargaining agreement. During the period of layoff, the teacher accrues no service time counting toward seniority or salary schedule placement. The teacher experiencing layoff shall retain accumulated sick leave and seniority accrued at the time of layoff as the layoff period shall not be considered a break in continuous service for these purposes.

B. **Recall.**

1. The Board shall recall laid off teachers in inverse order of layoff provided they are certified and qualified for the positions available.
2. The Board shall give written notice of recall from lay-off by sending a registered or certified letter or telegram to said teacher, at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall or other notice to the teacher. If a teacher fails to notify the Board within ten (10) school days from the date of mailing of the recall of his intention to return to work, unless an extension is granted in writing by the Board, said teacher shall be considered a voluntary quit.
3. The recall list shall be maintained for a period of three (3) years, or as required by the Tenure Act. Thereafter, a teacher on layoff shall lose his/her right to recall.
4. Where programs have been terminated and reinstated, teachers have a right to return to their former positions, provided said termination occurred less than three (3) years prior to the time of reinstatement.

ARTICLE 14

STUDENT DISCIPLINE AND TEACHER PROTECTION

A. Student Discipline

1. Since the teacher's authority and effectiveness is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all support and assistance to teachers with respect to the maintenance of control and discipline in the schools. The Board further recognizes its responsibility to make every reasonable effort to place problem children in special programs designed to meet their needs. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take the necessary steps to relieve the teacher of responsibilities with respect to such pupil.
2. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall provide all reasonable legal assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities.
3. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.

B. Teacher Protection

The Board will reimburse the teacher for loss, damage or destruction of clothing or personal property which is used for instruction, or auto collision, if the auto is being driven on approved school business provided that:

1. The personal property is used or intended for use in the instructional program of the teacher and the loss occurs while the teacher is engaged in school business.
2. The loss is not a result of negligence on the part of the teacher.
3. The limitation in payment in each case is \$100 for clothing (no payment for hosiery), \$100 for auto collision losses, and \$100 for personal property.

4. Applications for payment must be made on forms provided by the Superintendent, affirming the validity of the claim and that the loss is not covered by the teacher's personal insurance.
5. All claims must be filed within ten (10) school days of date of occurrence or discovery of loss.

ARTICLE 15

NEGOTIATION PROCEDURE

- A. At least one hundred twenty (120) days prior to the expiration of this Agreement, upon request of either party, negotiations will be undertaken for an Agreement.
- B. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party. Each party may select its representatives from within or outside the school district. While no final agreement shall be executed without ratification by the Association, the parties mutually pledge that their representatives will be clothed with necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations contingent upon Board approval.
- C. A teacher engaged during the school day in negotiations on behalf of the Association with any representative of the Board shall be released from regular duties without loss of salary, limited to no more than four (4) teachers at any one time.

ARTICLE 16

PROFESSIONAL EDUCATION CONFERENCES

Upon application, permission may be granted for a teacher to attend professional educational conferences in his/her teaching field if approved by the Principal and Superintendent, or if requested to attend such meetings by the Administration or Board of Education.

ARTICLE 17

MENTOR TEACHER

- A. For the first three (3) years of his or her employment in classroom teaching, a teacher will be assigned to a "master teacher(s)" who will serve as a mentor(s) to the new teacher. During this three (3) year period, the new teacher will also undergo professional development training including training in classroom management and instructional delivery.

During this three (3) year period, professional development training will be based on a professional plan and will include not less than fifteen (15) days of professional development, experiencing effective practices in university-linked professional development schools and regional seminars conducted by master teachers and other mentors.

The professional development plan will be consistent with the requirements in the Teacher Tenure Act regarding a teacher's probationary period observations, evaluations and individualized development plan.

- B. A mentor teacher shall be assigned in accordance with the following:
1. The mentor teacher shall ordinarily be a tenured member of the bargaining unit.
 2. Participation as a mentor teacher shall be voluntary.
 3. Every effort will be made to match mentor teachers and mentees who work in the same building and have the same area of certification(s).
 4. Either the mentor teacher or the mentee may request a change in their mentor/mentee assignment at any time.
 5. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential for evaluation purposes of the mentor teacher or the mentee. Neither the mentor teacher nor the mentee shall be permitted to participate in the evaluation of the other. Further, the mentor teacher shall not be called as a witness in any grievance related to evaluation involving the mentee nor shall the mentee be called as a witness in any grievance hearing involving the mentor teacher's evaluation.

6. Any time required by management for the mentor teacher outside the regular work day and work year shall be compensated at his/her per diem rate.

ARTICLE 18

PUBLIC SCHOOL ACADEMIES

- A. The District will provide notice to the Association regarding a public school academy application made to the District.
- B. Should the District consider the authorization of a public school academy charter or contract with any other K-12 district, ISD, community college or other body authorized to grant such contract, the Employer agrees to bargain over the impact of such charter upon the Collective Bargaining Agreement.

ARTICLE 19

MISCELLANEOUS PROVISIONS

- A. If any provision of this Agreement or any application of the Agreement to any teacher or group of teachers shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- B. This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. Any individual contract between the Board and an individual teacher heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement, and an individual contract hereinafter executed shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties. If an individual contract contains any language inconsistent with this Agreement, this Agreement, for its duration, shall be controlling.

ARTICLE 20

BINDING EFFECTIVE AGREEMENT

This Agreement shall be binding upon the parties hereto, their successors and assigns.

ARTICLE 21

DURATION OF AGREEMENT

This Agreement shall be effective September 1, 2006, and shall continue in full effect until the 31st day of August 2009, with option for an appeal by both the Board and the Association to negotiate specific sections if approved by mutual agreement. This Agreement shall not be extended orally and it is expressly understood that it shall expire on the date indicated.
