If an employee has inactive seniority in more than one department the employee may only bump into the department in which such inactive seniority is the greatest.
 4. Displaced employees shall have five (5) calendar days after receiving a written notice of displacement to exercise such bumping rights.

No reduction in hours shall take effect until the Department Supervisor gives three (3) work days written notice to the employee involved. An employee must exercise seniority rights under this section by written notice to the Department Supervisor within three (3) work days after receipt of a reduction in hours notice.

E. **Recall Procedure.**

1. Employees will be recalled by classification in the inverse order of layoff with the employee with the most seniority in the classification, active or inactive, recalled first.
2. Notice of recall shall be sent to the employee at the employee's last known address by registered or certified mail. If an employee fails to report to the Employer within ten (10) calendar days from the date of mailing of notice of recall, the employee shall be considered as a voluntary quit unless during said ten (10) calendar day period the employee is granted a leave of absence without pay by the Employer for a definite period of time, or an emergency situation beyond the control of the employee prevented the employee from returning as scheduled.
3. When a position is eliminated and is later reinstated, the employee transferred out of that position shall be offered the job before it is filled by recall or posted.

Some Child Care/Giver Aides may have work available to them as determined by the enrollment at the Center on that given day. When it is necessary to reduce the working hours of the Child Care/Giver Aides, the employee with the least amount of department seniority will have his/her hours reduced first.

In the event it becomes necessary to reassign staff in the Child Care Center because of fluctuating enrollment, Child Care/Giver Aides may be assigned to other than their regular room assignments for the given day. Due to fluctuations of enrollment in the Child Care program, twenty (20) workdays may lapse before the Board must make a determination whether to declare a job vacant, to change its duties and hours, or to add a new assignment. Employees may bid on a vacancy while on any leave of absence, including Worker's Compensation, provided said employee is scheduled to return to work prior to the date the position is to be filled.
 - c. If an employee desires to be considered an applicant for a posted position he/she shall make application in writing during the posting period.

1. **Applicants Within the Department.** Promotions within the unit shall be filled by the applicant within the department who has the ability to perform the work and possesses the necessary skills required for the job and is qualified to perform the same as determined by the Board . This means that with minimum instruction and a break-in period the work can be performed satisfactorily without impairing the efficiency of the operation. If the above conditions can be equally met by the applicants the selection

will be based on seniority. The applicant selected shall be granted a trial period of up to twenty (20) days of work to determine:

- a. His/her desire to remain in the position.
- b. His/her ability to perform the job as determined by the supervisor with advisory input from the department head or designated peer.

The matter may then become a proper subject for the grievance procedure.

5. **Seniority.** When an employee has been promoted to another department, he/she shall carry with him/her up to two (2) years of system seniority only for purposes of determining his/her proper wage. However, his/her total system seniority shall apply to vacations, leaves of absence rights, and to any retirement pay pursuant to this Agreement.

C. **Transfers:**

1. **Definition.** Transfers shall be defined as re-assignment to a job within the same job classification and not to higher or lower rated positions. No transfers shall be made where an employee may lose his/her seniority status or suffer a decrease in hourly rates unless such transfer is requested by the individual or for cause.

 - c. An employee who bids on and is awarded a vacancy in a classification shall not be entitled to a trial period if the employee has successfully completed a trial period in the same classification within the last five (5) years. For purposes of this provision, an employee shall be considered to have successfully completed a trial period if the employee is not removed from the classification during the trial period before the employee returns to the employee's former classification.

8. Section "C" of this Article is not applicable to Child Care/Giver Aides. Due to fluctuations of enrollment in the Child Care Center, it is necessary for the child care center director to be able to assign Child Care/Giver Aides to different care room assignments on any given day. For purposes of clarification, such assignments are to be minimized and not to be treated as transfers.

ARTICLE XIV - TEMPORARY ASSIGNMENTS

- A. Temporary vacancies of absent employees may be filled by substitutes on a day to day basis until the employee is absent for twenty (20) consecutive work days and the temporary vacancy is filled. - F. Substitutes will not be used for the purpose of filling any vacancy on a permanent basis.
- G. **Laid Off Employees.**
1. It is understood between the parties that laid off bargaining unit members will be called on a seniority basis to fill temporary assignments prior to substitutes being called. If that member declines or cannot be reached within a reasonable time, the next member will be contacted, etc. until all vacancies for that day are filled.
 2. If a laid off bargaining member fills a temporary assignment in the same classification from which the employee was laid off, the employee shall receive his or her regular pay from the first day of the assignment, but benefits will not begin until the member is in the assignment for more than twenty (20) consecutive work days.
 3. - C. **Summer Youth Programs:** The use of young adults involved in Summer Youth Programs is at the discretion of the Board and is outside the scope of this contract providing the program does not result in the layoff or displacement or any reduction of hours or other benefits of regular employees. Regular employees shall not be requested to supervise such individuals.

ARTICLE XVI - SUMMER WORK ASSIGNMENTS

2. **Half A Run.** A half of a run is either a pick-up or delivery before or after school along an established route.
3. **Double Run.** A double run consists of a double pick-up and delivery of children along an established route or routes before and after school.
4. **Shuttle Run.** A shuttle run is a regularly scheduled pick-up of a group of children at a school within or outside the District when a majority of the children on the bus are dropped off at another school. In other words, the run begins at one school and ends at another school within or outside the District.

- B. **Bus Washes.** The District will pay for up to ten (10) washes per year at the rate of \$10.00 per wash as verified by bus wash slips. The final wash is to be done after the last trip of the school year. Drivers using buses during the summer will be paid for up to two (2) washes additional as verified by wash slips. The last bus wash is to be done when the bus is turned in.

C. General Provisions:

1. Assignment of Bus Runs

- a. **Secondary Runs.** At least one week before the start of each school year a secondary run shall first be assigned to each driver by the Employer to the area of the driver's home if possible.
- b. **School Year Vacancies.** During the school year all new runs or old runs that have been turned in shall be posted for five (5) working days and the drivers shall bid on them; the most senior bidder shall be awarded the run. To expedite the bidding process, a meeting of all interested drivers may be held in lieu of posting at which time the open runs shall be awarded by seniority. This meeting shall be held upon agreement with the Association. The time of the meeting shall be established by mutual agreement of the parties.
- c. **Selection of Elementary Run.** At least one week before the start of each school year, all elementary runs and no more than one kindergarten run shall be selected by seniority providing that any of these runs not selected may be assigned by the Employer to drivers without elementary/kindergarten runs regardless of seniority.

Once selected or assigned all runs must be driven for at least four (4) weeks except that any driver may bid on any posted run.

- d. **Submitting A Bid.** Drivers who are interested shall so indicate by submitting a bid on the run during the five (5) day posting period.
 - e. **Senior Qualified Driver.** From those drivers submitting a bid, a run shall be awarded to the senior qualified driver.
 - f. **Compensation for Setting Up Runs.** Compensation at run rate per run is to be paid to the drivers at the beginning of the school year on a one time basis for setting up bus runs with exception of take home only.
 - g. **Special Education and Career Center Run.** Special Education runs and Career Center runs may be assigned in the spring, for the next school year, to the driver(s) who volunteer to be assigned such run(s). If more than one driver volunteers, the most senior shall be awarded the run(s). If, however, the compensation or a run assigned in the spring changes prior to the start of school, the runs shall be posted as per the Master Agreement.
 - h. **Career Center Take Home Rule.** The Career Center Take Home shall be paid at the single run rate until the driver(s) can permanently substitute in the p.m. at which time it will be paid at the 3/4 run rate.
2. Dependent non-student personnel will not be transported on school buses as passengers.
 3. **Complaints.** Any written complaint against a driver shall be brought to the driver's attention.
 4. **Split Routes.** When a route is split, the more senior driver will have the choice of which to take.
 5. **Compensation for Additional Students.** A driver with a kindergarten or Career Center run shall receive an additional three dollars (\$3.00) to five dollars (\$5.00) per day per student as determined by the district based on increased time and distance for non-kindergarten students or non-Career Center students who need to be taken home on the noon kindergarten or career center runs. A driver shall not be entitled to the additional pay for any day the driver is notified in advanced before the start of the run that the student will not be transported that day.
 6. When it becomes necessary for a driver to pick up or deliver students from more than one (1) route, the assignment shall, whenever practical, be made to the most senior bus driver with a route in the same area of the school district. The Transportation Department will prepare and maintain a list of drivers in each area.

D. **Special Trips:**

1. **Rotation.** Special trips will be rotated among those drivers that have indicated in writing a desire to drive special trips.
2. **Notification.** Whenever possible drivers shall be notified a week prior to the scheduled trip for which they are assigned. If a special trip is canceled without at least one (1) hour notice to the driver the driver shall receive two (2) hours pay.

3. **Refusal of Trip.** If a driver refuses a trip he/she shall be charged with that trip.
4. If a special trip of three (3) hours or more conflicts with the regular run, another driver will be assigned the regular run.
5. There shall be no trading of trips among drivers.
6. **Meal Reimbursement.** Bus drivers will be paid for meals upon submission of receipts not to exceed four dollars (\$4.00) for breakfast, six dollars (\$6.00) for lunch and eight dollars (\$8.00) for supper if the trip exceeds four hours and includes a regular meal hour.
7. **Extended Special Trips.** It is mutually agreed and understood that in the case of extended special trips when lay-over time exceeds total driving time, drivers may be assigned to make the trip to take a group to the activity and to return immediately and to make another trip to pick them up and return to the point of origin. However, in such case, the bus driver shall be paid a minimum of two (2) hours for each of these trips. If the driver desires to remain at the activity the driver will be paid for the actual time it would have taken to make the trip both ways twice but not less than four (4) hours.
8. **Trips of More Than One Day.** In the case of special trips scheduled for more than one (1) day, the Employer agrees to pay the driver as follows:
 - a. For the day the driver is required to stay overnight the special rate for actual trip time (special trip and side trips) but not less than eight (8) hours.
 - b. The special rate for actual trip time for the day of the return trip.
 - c. For side trips on days other than the day the driver is required to stay overnight the special rate for actual trip time but not less than two (2) hours.
 - d. Pay for a trip on Saturday shall be time and one half (1-1/2) the special rate and pay for trips on Sunday shall be double the special rate.
 - e. Further, the Employer will provide lodging and meals at or near the location of the activity and will provide reimbursement for other meals not provided. Proper documentation of the meal expenditures will be required.
9. In either of the cases described in 7 and 8 above, if more than one driver returns between trips, only one bus shall be driven back after the first trip unless the director of transportation directs otherwise.
10. **Driving Tests.** Bus drivers shall be paid two (2) hours using the special run rate for time spent to take driving tests.

E. **Bus Information:**

1. **Field Trips.** Unless special arrangement is made with JCEA beforehand field trips that take place during the school day will be taken by school bus.

2. **Extra Curricular Trips.** Unless special arrangement is made with JCEA beforehand all athletic trips and extra curricular trips such as, band, vocal music, classroom oriented trips originating outside of school day will be taken by school bus.
3. **Clubs.** Clubs totally non funded by school monies and parent sponsored extra curricular field trips may rent school buses or use public and private carriers at the option of the Board.
4. **Use of School Vans.** School organizations may use school vans without use of school bus drivers for a trip during the school day and outside of the school day when the total group actually involved in the trip contains no more than eight (8) students. The van may be used if the number of students is between eight (8) and fifteen (15), but a bus driver must take the trip.

F. **Supervision of Students:** Drivers will be on their buses when Northwest students are dismissed from school.

G. **Special Trips.** The following procedure will be followed for special trips of one (1) day or less:

1. If a special trip is one-hundred (100) miles or more from Northwest Schools, one-way, the driver shall remain with the group, regardless of the number of event hours. The driver shall be compensated for all hours, including driving and non-driving time until the trip has arrived back to its original point of departure.
2. If a special trip is less than one-hundred (100) miles, one way, and the event layover time is six (6) hours or less, the driver shall remain with the group and be compensated for all driving and non-driving time until the trip has arrived back to its original point of departure, unless it is agreed by both parties to have the bus return.
3. If a special trip is less than one-hundred (100) miles, one way, and the event layover time is more that six (6) hours, the driver will be compensated for two (2) hours to take the group to the event and return and shall be compensated for a minimum of two (2) hours to return to the event and bring the group back upon completion of the event. Driver shall be compensated for actual driving time, if combined time exceeds four (4) hours.

When practical, drivers choosing Saturday trips will be notified of return times on the Friday before the trip. The coach will provide the driver with the return time on Saturday if it has not already been provided.

When practical, coaches will be notified in advance that the bus is to make a return trip rather than stay at the event.

APPENDIX H
MEDICAL EXPENSE REIMBURSEMENT PLAN

NORTHWEST COMMUNITY SCHOOLS
EDUCATIONAL SUPPORT PERSONNEL ASSOCIATION
MEDICAL EXPENSE REIMBURSEMENT PLAN

Amended and Restated
Effective July 1, 2004

Amended January, 2007

ARTICLE I – PURPOSE

- 1.01 The purpose of this Plan is to encourage and help provide medical care for each participating employee and his or her spouse and dependents. It is the intention of the Northwest Community Schools (the "District") that this Plan qualify as an accident and health plan within the meaning of Section 105 of the Internal Revenue code of 1986, as amended ("the Code"), and that the benefits payable under the Plan be eligible for exclusion from gross estate under that section.

ARTICLE II – PERMANENT PROGRAM OR ARRANGEMENT

- 2.01 The District intends that this Program be a permanent program or arrangement for the exclusive benefit of its employees and their families. Nothing herein, however, shall prevent the District from amending or terminating this Plan, provided such amendment or termination is permissible under applicable law and such amendment or termination shall not affect a claimant's rights to benefits hereunder with respect to reimbursable expenses that have been incurred prior to the date District action is taken to terminate the Plan or the effective date of such termination, whichever occurs last.
- 2.02 The exclusive purpose of this Plan is to provide the medical benefits described herein for covered employees and their family members. No benefits payable under this Plan shall be applied for any other purpose.

ARTICLE III – EFFECTIVE DATE

- 3.01 The effective date of this Plan shall be July 1, 2001. The records of the Plan shall be kept on a fiscal year basis. The Plan Year shall be the fiscal year beginning July 1 and ending June 30.

ARTICLE IV – ELIGIBILITY

- 4.01 All full-time and part-time employees of the District who are members of the Educational Support Personnel bargaining unit shall be eligible to participate in this Plan except any such members of such bargaining unit who are eligible to receive Plan A, including MESSA Super Care I health insurance.

- 4.02 Full-time and part-time employees are those who customarily work both at least ten (10) hours per week in a single position and at least the ten (10) month school year. (An employee may not combine hours worked in two or more positions to become eligible to participate in the Plan.)

ARTICLE V – PARTICIPATION

- 5.01 Each employee who is eligible to participate in the Plan under Article IV (an “Eligible Employee”) shall become a Participant in the Plan (a “Participant”) on the effective date of the Plan if on the effective date he or she is at least eighteen (18) years old and has completed his or her probationary period. Each other Eligible Employee shall become a Participant on the first day of the month immediately following the month in which he or she has both attained age eighteen (18) and completed his or her probationary period. Upon termination of a Participant’s employment with the District, all rights of such Participant (and/or a family member of the Participant) to receive benefits for claims incurred after the termination date shall be forfeited. Such Participant (and his or her family) shall, however, retain the right to be reimbursed hereunder for claims incurred prior to the termination of employment. For this purpose, a claim will be considered to be incurred when the services relating to such claim have been rendered.
- 5.02 The Plan shall provide benefits in accordance with the applicable requirements of any qualified medical child support order as defined in Section 6.09 of the Employee Retirement Security Act of 1974 (“ERISA”) relating to a child of a Participant (a “QMCSO”). Benefits payable under Article VI shall be paid directly to a child covered by a QMCSO or to the child’s custodial parent or legal guardian.

ARTICLE VI – BENEFITS

- 6.01 The District shall pay to each Participant such amounts as he or she has expended while a participant for medical care for himself or herself and his or her spouse and dependents, subject to the limits described in Articles VII and VIII.
- 6.02 For purposes of this Plan the following terms shall have the definitions set forth below:
- (a) “Amounts expended for medical care” means amounts deductible for federal income tax purposes without regard to the adjusted gross income limitation paid for:
 - (1) hospitalization and medical bills; and
 - (2) medicine and drugs (prescription and non-prescription); and
 - (3) transportation primarily for, and essential to, medical care; and
 - (4) dental and vision care bills.
 - (b) “Dependent” means a dependent as defined in Section 152 of the Code, or a child placed with the Participant for adoption.

ARTICLE VII – LIMITATION ON BENEFITS PROVIDED

7.01 No Participant shall be entitled to receive more than the following amount corresponding to the Participant's regularly scheduled work hours in the Participant's primary position with the District;

<u>Hours Per Week</u>	<u>Amount per Plan Year</u>
10 hours but less than 15	\$350.00
15 hours but less than 21	\$400.00
21 hours but less than 26	\$600.00
26 hours but less than 30	\$700.00
30 or more hours	\$900.00

Eligible Employees who are Participants for less than a full Plan Year shall be entitled to receive no more than one-twelfth of such amount for each full calendar month of participation during the Plan Year. For this purpose, amounts received that are attributable to reimbursements due the Participant's spouse or dependents shall be considered to have been received by the Participant.

ARTICLE VIII – BENEFITS FROM ANOTHER SOURCE

8.01 Reimbursement under this Plan shall be made only in the event, and to the extent, that reimbursement for amounts expended, or payment, for medical care is not provided for under any insurance policy or under any other plan of the District or another employer or under any federal or state law. If there is such a policy, plan or law in effect providing for such reimbursement or payment in whole or in part, then, to the extent of the coverage under such policy, plan or law, the District shall be relieved of any and all liability hereunder.

ARTICLE IX – CONTINUATION OF COVERAGE

9.01 An individual whose coverage is terminated because of any qualifying event enumerated below has the right to continue coverage under this Plan if covered for such benefits on the day immediately preceding the qualifying event. A child of the Participant who is born or placed for adoption during continuation of coverage is also eligible. An individual who elects to continue coverage must pay the full cost of the coverage. The time period for which the continuation is available is indicated below in conjunction with the corresponding qualifying event.

If continuation of coverage is elected, coverage will continue as though termination of employment or loss of eligible status has not occurred. Any benefits paid prior to termination or loss of eligibility, which had been credited toward the maximum benefit of this Plan, will be retained. If any changes are made to the coverage for employees in active service, the coverage provided to individuals under this continuation provision will be changed similarly.

Qualifying Events. Continuation is available for up to eighteen (18) months to eligible individuals in the cases of either of the following qualifying events.

- Termination of employment with the District, for any reason except gross misconduct
- Reduced work hours

Continuation is available for up to twenty-nine (29) months to all covered family members in the event of the following qualifying event:

- Disability, per a determination under the Social Security Act, on or within sixty (60) days after the Participant's termination of employment or reduction in work hours.

The disabled individual must provide the Plan Administrator with notice of the disability within sixty (60) days of the determination of the disability by Social Security and before the end of the original eighteen (18) months COBRA coverage period. The disabled individual must also notify the Company of a determination by Social Security that the individual is no longer disabled, within thirty (30) days of such determination.

Continuation is available for up to thirty-six (36) months to a covered dependent, spouse and/or child in the event of any one of the following qualifying events:

- A Participant's death
- Divorce or legal separation from a Participant
- Loss of eligibility to participate due to age, marriage or a change in student status
- Loss of eligibility to participate due to the Participant becoming covered by Medicare as a result of total disability or choosing Medicare in place of this Plan at age sixty-five (65).

Individuals may experience multiple qualifying events, but in no case (except bankruptcy) will coverage be continued for more than thirty-six (36) months. If an employee becomes covered by Medicare, but no loss of coverage results for the employee or the covered dependents, and a subsequent qualifying event occurs, the duration of coverage for all qualified dependents other than the covered employee must be at least thirty-six (36) months from the date on which the employee became covered by Medicare.

Election of Coverage. An individual has sixty (60) days from the qualifying event, or if later sixty (60) days from the date the Plan Administrator mails or otherwise provides the individual with a notification of rights with respect to the qualifying event, to elect coverage.

Each covered person is required to notify the Plan Administrator within sixty (60) days of any qualifying event of which it would not otherwise be aware, such as divorce, legal separation, or loss of dependent status by a dependent child. The covered person is also required to provide the Plan Administrator with all information needed to meet its obligation of providing notice and continuing coverage.

Cost of Continuation Coverage. The cost of continuation coverage for each individual is an amount equal to 102% of the Plan's average cost of benefits per covered person for the preceding year. However, a disabled individual must pay 150% of the Plan's cost after eighteen (18) months of continuation coverage.

Payment of the initial monthly contribution is not required until the forty-fifth (45th) day after the election. All subsequent payments for coverage are subject to a thirty (30) day grace period.

Termination of Continuation of Coverage. Continuation coverage is not available after whichever of the following dates is first to occur.

- The date the maximum continuation period expires for the corresponding qualifying event
- The date this Plan is terminated
- The date the individual fails to make the required contribution to continue coverage
- The date the individual becomes covered under any other group health plan without being subject to any exclusions or limitations with respect to a pre-existing condition
- The date the individual becomes covered by Medicare
- With respect to coverage in excess of eighteen (18) months by reason of disability, the end of the first month that begins after a final determination under the Social Security Act that the disabled individual is no longer disabled.

9.02 If a Participant takes a leave of absence under the federal Family and Medical Leave Act of 1993, benefits shall continue to be paid under Article VI as if the Participant remained an active employee. The Participant shall be considered to have terminated employment with the District on the earliest to occur of: (1) the date the Participant notifies the District of his or her intent not to return to employment; (2) the date the participant fails to return to employment at the end of the leave of absence; or (3) the effective date of termination of the Plan.

ARTICLE X – CLAIMS AND CLAIMS REVIEW PROCEDURE

10.01 Claims for benefits under this Plan shall be made on forms maintained by the District. To obtain reimbursement for medical expenses hereunder, a Participant must submit within thirty (30) days after the end of each calendar six-month period a request for reimbursement for medical expenses incurred by him or her during the preceding six (6) months, together with such evidence of payment of such expenses as shall be required by the District in accordance with rules uniformly applied.

10.02 If any claim for benefits under this Plan is denied in whole or in part, the Plan Administrator shall furnish the claimant promptly with a written notice:

- (a) setting forth the reason for the denial;
- (b) citing the Plan provisions upon which such denial is based;
- (c) describing any additional material or information from the claimant which is necessary in order for the claimant to perfect his or her claim and why; and
- (d) explaining the claim review procedure set forth herein.

10.03 Failure by the District to respond to a claim within a reasonable time shall be deemed a denial. Within sixty (60) days after denial of any claim for benefits under this Plan, the claimant may request in writing a review of the denial by the Plan Administrator.

- 10.04 Any claimant seeking a review hereunder is entitled to examine all pertinent documents, and to submit issues and comments in writing. The Plan Administrator shall render a decision on review of a claim not later than sixty (60) days after receipt of a request for review hereunder. The decision of the Plan Administrator on review shall be in writing and shall state the reason for the decision, referring to the Plan provisions upon which it is based.
- 10.05 At the time an individual's coverage under the Plan terminates, the District shall furnish a certificate of creditable coverage under the Plan in accordance with Section 9801 of the code. Such a certificate shall include all creditable coverage after September 30, 1996, and shall include creditable coverage after June 30, 1996 and before October 1, 1996 if the individual so requests in writing. In addition, the District shall furnish a certificate of creditable coverage upon request of an individual made not later than twenty-four (24) months after cessation of coverage under the Plan, and shall furnish to another group health plan upon request information on coverage of classes and categories of health benefits under the Plan.

ARTICLE XI – ADMINISTRATION

- 11.01 The Plan Administrator of the District shall have authority and responsibility to control and manage the operation and administration of this Plan. The Plan Administrator shall have discretion to interpret the terms of the Plan, and such interpretation shall be binding on all parties, subject to Article X.

ARTICLE XII – MISCELLANEOUS

- 12.02 To the extent not pre-empted by the Employee Retirement Income Security Act of 1974 (ERISA), as amended, questions concerning the proper interpretation of the terms of this agreement shall be determined in accordance with the laws of the State of Michigan.
- 12.03 The Plan Administrator shall keep a copy of this plan document and any other disclosure documents relating thereto (including, but not limited to, summary plan descriptions) that are in the public domain on file at his office where Participants may inspect them during the District's regular business hours. Upon request, the District shall provide a Participant or covered dependent with copies of such documents. When the Administrator provides such documents, the Administrator may charge the requesting party a reasonable charge for photocopying these materials.

Any conflict between the provisions of this document and any other District document purporting to explain the rights, benefits, or obligations of the parties hereunder shall be resolved in favor of this Plan document.
