9. Once the District creates a split–grade classroom, the District will not add additional students to such classroom unless other classrooms at the affected level are becoming overcrowded. The District will consult with the affected teachers prior to any additions to a split grade and will consider the student’s education development when composing split grade classrooms.

- C. **Professional Development** The State Department of Education requirement for thirty (30) hours of Professional Development will be fulfilled through a combination of district Professional Development days and hours as described below. All time taken, whether by choice or requirement, will count toward the employee's annual entitlement for family and medical leave.

The District will require medical certification to support a request for leave because of a serious health condition and may require second or third opinions (at the District's expense) and a fitness for duty report to return to work. The medical certification must include the first anticipated date of absence from service to the District and the expected date of return. For leaves in excess of twelve (12) weeks, the medical certification must be from an MD/DO. The medical certification to support a leave for family medical reasons must include a statement indicating that the employee's presence is necessary or would be beneficial for the care of the family member and the period of time care is needed or the employee's presence would be beneficial.

When leave is required for a serious health condition, employees will normally be given fifteen (15) calendar days to obtain the necessary medical certifications to support the leave. Employees will be required, unless the District waives the requirement, to recertify the need for the leave at least every thirty (30) days and must report on a periodic basis no less often than every two (2) weeks with respect to their progress, the progress of their parent, spouse or child, and their anticipated date for return to work.

3. **Wages and Benefits** Leave will be unpaid except as covered by any paid leave. At the District's or the employee's option, accrued, but unused, paid personal days or sick leave may be substituted for unpaid leave. (Sick leave may be used for the employee's own serious health condition or the illness of his or her child). For leaves of up to twelve (12) weeks under this policy, the District will maintain the employee's health coverage under any group health plan. Any employee contributions to the health plan must be maintained during the leave to maintain coverage. Employees who fail to return from a leave will be obligated to reimburse the District for the cost of such paid health coverage, except when the employee's failure to return is due to the continuation, recurrence or onset of a serious health condition which would entitle the employee to medical or family leave or other circumstances beyond the employee's control.
4. **Return to Work** Upon return from a leave of twelve (12) weeks or less, employees will be restored to their original position with equivalent pay, benefits and other employment terms. The employee will not lose any employment benefit that accrued prior to the start of the leave. (Every effort will be made to return employees on leaves in excess of twelve (12) weeks to the same or a comparable position.)

5. **Eligibility Year** For purposes of determining eligibility for a leave, the District hereby adopts a rolling twelve (12) month period whereby each time an employee takes family and medical leave, the remaining leave entitlement will be any balance of the twelve (12) weeks which has not been used during the immediately preceding twelve (12) months.
- C. **Personal Leave** A teacher shall be credited with two (2) days each school year with pay for personal leave which shall be granted in accordance with the following guidelines, namely:
1. Personal leave shall be used for business or family obligations, which cannot reasonably be scheduled outside of the regular workday.
  2. A request for personal leave shall be made at the earliest practical time, except in cases of emergency.
  3. The procedure for the granting of personal leave shall:
    - a. Consider the staffing requirements of the School District and the professional responsibilities of the teacher.
    - b. Provide that the written request for personal leave shall constitute a certification by the teacher that the leave will be used for the purposes herein set forth. No specific description of the intended use of leave shall be required except for a leave requested for a day preceding or following a vacation or holiday.
    - c. Require written notice of the reasons for the denial of a leave request to be given to the teacher with copies thereof to be sent to the Superintendent and to the president of the Association.
  4. Any unused portion of a teacher's personal leave shall accumulate to a maximum of five (5) days. Once a teacher has accumulated such five (5) personal leave days, additional personal leave days earned pursuant to Article 8, Section C shall be added to the teacher's personal sick leave accumulation.
- D. **Sick Day Buy Back** A bargaining unit employee may "sell" sick days (but not personal days) back to the district at the end of a school year under the following criteria:
1. The bargaining unit employee must maintain at least sixty (60) sick days in their personal sick day bank to be eligible to participate in the sick day buy back program.
  2. The bargaining unit employee must provide notification to the district administration on or before May 1<sup>st</sup> that the employee intends to "sell" back school days and how many days the employee intends to "sell" back.

3. The bargaining unit employee may “sell” back no more than ten (10) sick days per school year.
4. Sick days that are “sold” back are forfeited.
5. The District will pay \$75 per sick day.
6. Those who accrue hours of leave shall convert six (6) hours to one (1) day and be given the same options.

E. **Court Leave** A teacher shall be entitled to leave for jury service or for court appearances which cannot reasonably be scheduled outside of the school day when subpoenaed as a witness in connection with any criminal proceedings or any litigation. If a teacher is subpoenaed as a witness in connection with any civil proceedings not arising out of the performance of the teacher’s professional duties for the School District, the teacher shall be entitled to use accumulated sick leave to the extent available. In all other cases described above the teacher shall be entitled to receive regular compensation, without deduction of leave days, less any fees paid. The teacher shall return to his/her duties upon completion of jury duty of less than one-half (1/2) day.

F. **Parental Leave** The Board shall follow its policy on Family Medical Leave Act.

G. **Bereavement Leave** A teacher shall be granted funeral leave in accordance with the following guidelines, namely:

1. The death of the spouse, child, father, mother, father-in-law, mother-in-law, brother, sister, sister-in-law, brother-in-law, grandparents (including by marriage), grandchildren, or permanent resident of a teacher’s household. The duration of the leave shall be determined on an individual basis based upon the individual circumstances and requirements of the teacher. The teacher shall have the right to use three (3) days leave per occurrence which may be extended to five (5) days with prior approval. Additional leave may be granted under the “Administrative Leave” or “Health and Hardship Leave” provisions herein set forth.
2. Up to two (2) days funeral leave may be allowed for the attendance of the funeral of other relatives or persons where closeness of relationship would warrant such absence. These leave days shall be deducted from sick leave.

H. **Health and Hardship Leave** Upon the request of a tenured teacher, the Board may grant a leave of absence without pay for a period not to exceed one (1) year for the purpose of rest, restoration of health, or the alleviation of hardship involving the teacher or his/her immediate family.

I. **Professional Growth Leaves** An unpaid leave of absence may be granted to a teacher for the purpose of professional growth through further education, travel, or the holding of a professional or public office. Such leaves shall be granted in accordance with the following guidelines, namely:

2. A written application shall be filed with the Board not later than April 1 and shall contain at least the following information:
  - a. A description of the expected benefits to be derived by the teacher and by the School District;
  - b. The intention of the teacher to return to the School District; and,
  - c. The desired time for the commencement and termination of the leave.
3. The leave of absence shall not exceed one (1) year, provided that a leave may be extended by the Board upon prior written application. The Board may further restrict the total number of teachers on a professional growth leave of absence at any time to not more than five (5) teachers. The Board shall have the right to delay the commencement of a leave for a period of not to exceed one (1) year if the teacher has assumed a professional responsibility or if a qualified replacement cannot reasonably be found to fill the vacancy that would be created by the absence of the applicant during the period requested. A leave of absence shall not be terminated early without the prior approval of the Board.

A teacher (#1) who replaces a teacher on leave who has been guaranteed restoration to their prior position shall relinquish all claim to that position upon

the return of the teacher (#2) from leave. Teacher #1 has the right to then return to the position held prior to being transferred.
