ARTICLE 1

RECOGNITION

A. This agreement is entered into, August 27, 2007, by and between the Board of Education of the Kalkaska Public Schools, hereinafter called the "Employer" and the Kalkaska Association of Support Employees, MEA/NEA, hereinafter called the "Association."

B. Pursuant to and in accordance with all applicable provisions of the Public Employment Relations Act 336 of the Public Acts of 1947, as amended, and Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Association as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment of all employees of the Employer included in the one bargaining unit composed of:

All Bus Drivers, Bus Aides, Courier, Paraprofessionals, Grounds Keeper Personnel, Food Service Personnel, and Probationary Employees, but excluding all Regular Substitutes, Maintenance Personnel, Bus Mechanics, Administrators, Supervisors, Directors, Secretaries, Central Office Staff, Certificated Teaching Personnel, Substitute Teachers, Nurses, Technology Coordinators, and Extra-Curricular Personnel.

C. The Employer agrees not to negotiate with or recognize any organization other than the Association for the duration of this agreement or negotiate terms and conditions of employment with any individual who is or would be represented by this bargaining unit.

ARTICLE 2:

MANAGEMENT RIGHTS

A. The Employer, on its own behalf and on behalf of the electors of the School District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it, or not specifically withheld from it, by laws and the Constitution of the State of Michigan, and of the United States, including, but without limiting and generality of the foregoing the right:

1. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees.

2. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion, and to promote, and transfer all such employees.

3. To temporarily or seasonally move employees (keeping them in the same job classification or department) to accomplish needed work. Such temporary assignment shall not exceed one (1) month except in the summer when school is not in session.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Employer, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith will be limited only by the specific and express terms of this Agreement and then to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of Michigan, and the Constitution and laws of the United States.

C. The parties agree that this contract incorporates their full and complete understanding and any prior oral agreements or practices are superseded by the terms of this Agreement. The parties further agree that no such oral understanding or practices will be recognized in the future unless committed to writing and signed by the parties as supplement to this Agreement.

ARTICLE 3

AGENCY SHOP AND MEMBERSHIP DUES

A. Each bargaining unit member shall, as a condition of employment, on or before thirty (30) days from the date of completion of the ninety (90) day probationary period or the effective date of this Agreement, whichever is later, join the Association or pay a service fee to the Association as established by the Association.

B. The bargaining unit member may authorize payroll deduction for membership dues or the service fees. Dues and service fees will be authorized, levied and certified in accordance with the Constitution and By-Laws of the local Association. Each employee and the Association hereby authorize the Employer to rely upon and to honor certifications by the Secretary-Treasurer of the local Association, regarding the amounts to be deducted and the legality of the adopting action specifying such amounts of Association dues and/or service fees.

C. The Employer agrees to provide the service of payroll deduction of dues and/or fees without charge to the Association.

D. In the event that the bargaining unit member shall not join the Association or pay the service fee directly to the Association or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association.

E. When an employee does not have sufficient money due him/her, after deductions have been made for Social Security, Insurance, Garnishments, or any required by law, Association dues or the service fee for that month will be collected by the Association directly from the employee.

F. If an employee who is absent on account of illness, leave of absence, or for any other reason has no earnings due him/her for that period, no deductions will be made. The Association will arrange collection of dues or service fee for that period directly with the employee.

G. All deductions of Association dues or service fees provided for in this article will automatically be terminated in the event of loss of exclusive recognition by the Association.

H. Payroll deductions made pursuant to this article shall be made in equal amounts, as nearly as may be, from each of the paychecks of the bargaining unit member.

I. When a deduction is made that duplicates a payment that an employee has already made to the Association, or in any other situation where a refund is demanded, said refund shall not be the responsibility of the Employer. Names of non-probationary employees in the bargaining unit will be forwarded to the Association along with the amount of dues/fees deducted.

J. The Association agrees to indemnify and save the Board of Education, including each individual school board member and all authorized agents of the Board, harmless against any and all claims, demands, costs, suits, or any other form of liability (including back pay and all court or administrative agency costs) that may arise out of or by reason of, action taken or not taken by the Board for the purpose of complying with this Article. If this save harmless provision is invalidated, the Employer will immediately be relieved of responsibility for future enforcement of the agency shop provisions.

ARTICLE 4

JOINT ADMINISTRATION AND ASSOCIATION MEETINGS

A. Special Conferences for important matters will be arranged between the Association President and the Employer or its designated representative upon the request of either party. Such meetings will be between at least two (2) representatives of the Association and two (2) representatives of management. Arrangements for such special conferences will be made in advance and an agenda of the matters to be taken up at the meeting will be presented at the time the conference is requested.

B. There will be no loss of wages for personnel attending such meetings; however, attempts will be made to schedule meetings when employees do not have job responsibilities.

C. Nothing in this Article will be construed to prevent any employee from discussing any problem with his or her immediate Supervisor or Association representative.

ARTICLE 5

GRIEVANCE PROCEDURE

A. Definition:

1. A grievance shall mean a complaint by an employee or group of employees in the bargaining Unit that there has been as to him/her/them a violation, misinterpretation or inequitable application of a specific provision of this Agreement. The Employer will have the right to discharge and discipline probationary employees, and the action is not subject to appeal or grievance, unless the discharge or discipline is for Association activities.

2. Grievances of the employees of the Kalkaska Public Schools shall be presented and adjusted in accordance with the procedures covered in the Agreement.

B. The following steps will not prevent any individual employee from presenting a grievance to the Employer and having the grievance adjusted, without intervention of the bargaining representative, if the adjustment is not inconsistent with the terms of the collective bargaining contract or agreement then in effect, provided that the bargaining representative has been given opportunity to be present at such adjustment.

C. Failure to institute a grievance or appeal a decision within the specified time limit shall be deemed an acceptance of the decision. In exceptional circumstances extensions in time may be granted when so requested in writing and by mutual agreement. Should an employee accept the decision at any level or withdraw his/her/their grievance, all further processing of that grievance shall be barred and the last decision thereon shall be accepted.

D. The term "days" when used in this Article, shall, except when otherwise indicated, mean "work days."

E. Procedure:

1. It is important that grievances be handled as rapidly as possible. The number of days indicated at each level shall be considered as maximum and every effort shall be made to expedite the process. However, when mutually agreed upon in writing, the time limits given below may be extended.

2. It shall be the general practice of all parties of interest to process grievances during times when they do not interfere with assigned duties.

3. Written grievances as required herein shall contain the following:

- a. It shall be signed by the grievant or Association Representative.
- b. It shall contain a synopsis of the facts giving rise to the alleged violation.
- c. It shall cite the section or subsections of this contract alleged to have been violated.
- d. It shall contain the date of the alleged violation.
- e. It shall specify the relief sought.

4. Any written grievance not in accordance with the requirements may be rejected as improper. Such a rejection shall not extend the limitations hereinafter set forth.

F. **Step One:** The employee(s) with a grievance shall discuss the grievance informally with the Immediate Supervisor within fifteen (15) days of the alleged violation or day the employee should have had knowledge. If the matter is not resolved within five (5) days after the discussion, the following step may be taken by the employee(s).

G. **Step Two:** In the event that the matter is not resolved informally, the employee shall present the grievance in writing, with the assistance of a local Association Representative, at the employee's option, to his/her/their Immediate Supervisor. Such written grievance must be filed within fifteen (15) days of the response from Step One. The Immediate Supervisor shall file a written decision

with the Association Grievance Committee Chair within five (5) days after he/she receives the written grievance as herein before specified. If the Immediate Supervisor fails to respond in a timely manner then the grievance shall be granted. The Association reserves the right to amend the grievance up to and prior to submitting it to the Superintendent at Step 3.

H. Step Three:

1. In the event that an employee is not satisfied with the disposition of the grievance at Step Two, she/he may, within fifteen (15) days after receipt of the Step Two answer, appeal to the Superintendent.

2. Any grievance appealed to the Superintendent shall be appealed within fifteen (15) days. It shall be in writing, and shall specify the facts giving rise to the grievance, the Article and/or Section of the Agreement allegedly violated, and the relief requested. A copy of the Immediate Supervisor's decision at Step Two shall also be included.

3. Within five (5) days after receipt of the appeal, the Superintendent and/or his/her representative, shall investigate the grievance, including giving the aggrieved employee and/or an Association Representative, a reasonable opportunity to be heard, and render her/his decision in writing. Within five (5) days following the meeting with the representative, a copy of her/his decision shall be delivered to the employee(s) involved, the Association President and the Immediate Supervisor. If the Superintendent fails to respond in a timely manner then the grievance shall be granted.

I. Step Four:

1. If a satisfactory disposition of the grievance is not made as a result of the answer in Step Three, or, if no disposition has been made within the period provided in Step Three, the grievance may be, within thirty (30) days, submitted to arbitration by the Association and written notification given to the School Board and the Superintendent. The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding.

2. Upon selection of the arbitrator, the arbitrator shall be empowered to conduct informal, private hearings and take testimony regarding the grievance. The Employer and the Association shall not be permitted to assert in such arbitration proceedings any ground or to rely on any evidence not previously disclosed to the other party.

3. The arbitrator shall conduct said hearings and disposition of a grievance within the time period specified by the American Arbitration Association rules. The disposition shall be in writing and shall be final and binding on the parties hereto.

4. In the event no disposition of said grievance is made within the time prescribed, the aggrieved party may process the grievance to any court of competent jurisdiction.

5. An award in one case will not require retroactive adjustment in any other instances not in dispute in the case at hand.

J. The Agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and the arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the arbitrator is to determine disputed interpretations of terms actually found in the Agreement, or to determine disputed facts upon which the application of the Agreement depends. The arbitrator shall therefore not have authority, nor shall he/she consider his/her function to include, the decision of any issue not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The arbitrator shall not give any decision which is not practical or the actual effect modifies, revises, detracts from or adds to any of the terms or provisions of this Agreement.

K. Unless expressly agreed to by the parties, in writing, the arbitrator will be limited to hearing one issue or grievance upon its merits at any one hearing. Separate arbitrators shall be selected for each grievance appealed to binding arbitration.

L. The fees and expenses of the arbitrator shall be shared equally by the parties.

M. Miscellaneous.

1. Notwithstanding the expiration of this Agreement, any claim or grievance arising prior to the expiration which is filed within the time limits of this Agreement shall be processed through the grievance procedure until resolution.

2. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship of any party, the Employer and the Association shall use their best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

ARTICLE 6

DISCIPLINE, DISCHARGE AND SUSPENSION

A. No non-probationary employee will be disciplined or discharged without just cause. A system of progressive and corrective discipline shall be applied to all employees in the district unless circumstances occur which require immediate action. The Board may initiate discipline at the appropriate level up to and including discharge. A copy of the disciplinary action will be given to the employee.

1. Written verbal warning.
2. Written warning.
3. Written reprimand.
4. Suspension with pay.
5. Suspension without pay.
6. Discharge.

B. Any complaint against an employee that is to be used in evaluation, reprimands, discipline, discharge or other such action, shall be promptly brought to the Employee's attention.

C. Any reprimand, either oral or written, of an employee by a supervisor shall be conducted in private. The employee shall be notified in advance when any meeting may result in discipline. The employee shall have the right to have a Union Representative present in all such instances. The Union Representative must be available to meet within a twenty-four (24)-hour period following notification by the administrator to said employee.

D. **Notice of Discharge or Suspension:** The District agrees promptly, upon the discharge or suspension of an employee, to notify, in writing, the employee and his/her Union Representative of the discharge or suspension. Said written notice shall contain the specific reasons for the discharge or suspension.

E. The discharged or suspended employee will be allowed to discuss his/her discharge or suspension with his/her Union Representative and the District will make available a meeting room where he/she may do so before he/she is required to leave District property (this provision may be waived if the Employer determines that there may be a health or safety issue). Upon request, the supervisor and/or his/her designated representative shall discuss the discharge or suspension with the employee and the Union Representative.

F. **Use of Past Record:** In imposing any discipline or discharge on a current charge, the District shall not take into account any minor prior infractions which occurred more than three (3) years previously.

G. Nothing in this Article will prevent the Employer from maintaining a permanent discipline record in an employee's personnel file.

ARTICLE 7

SENIORITY, LAYOFF AND RECALL

A. Seniority shall be defined as the length of continuous service within the District as of the employee's first working day as a regularly scheduled employee in the bargaining unit. In circumstances where one or more employees began working on the same date, all individuals so affected will participate in a drawing to determine position on the seniority list.

B. Employees shall hold seniority in one of the following classifications:

1. Paraprofessionals (Aides) (including ESEA Instructional Aides).
2. Grounds Keeper Employees,
3. Bus Drivers.
4. Food Service Personnel.
5. Courier.

C. **Termination:** An employee shall lose his/her seniority if terminated for any of the following reasons:

1. He/she quits.

2. He/she is discharged and the discharge is not reversed through appeal.

3. He/she fails to return to work within ten (10) working days after the issuance by the Employer of notice of recall by registered or certified mail to the last known address of such employee as shown on the Employer's records.

4. He/she is absent from work for three (3) consecutive days without having been granted a leave or without having advised the supervisor, unless such failure is explained with a satisfactory reason.

5. He/she overstays a granted leave of absence or vacation, unless there are extenuating circumstances and the supervisor is so notified.

6. He/she retires.

7. The employee is laid off for a continuous period of two (2) years.

D. New employees hired in the unit, except as provided in (C), above, shall be considered as probationary employees for the first ninety (90) working days of their employment. When an employee finishes the probationary period, he/she will be entered on the seniority list of the appropriate unit and will rank for seniority from the day ninety (90) days prior to the days he/she completed the probationary period. There shall be no seniority among probationary employees.

E. The Employer will have the right to discharge and discipline probationary employees, and the action is not subject to appeal or grievance, unless the discharge or discipline is for Association activities.

F. The word layoff shall mean the reduction in the number of bargaining unit employees with recall rights.

G. Should the Employer determine the need for any layoff or the reduction in the number of hours of a bargaining unit member, the following procedure will be used:

1. The Employer will identify the position being eliminated or the hours of the position to be reduced.

2. The Association will be notified as early as practical

3. The employee currently in the position defined in section "A" above shall be entitled to bump any employee with less seniority and equal or fewer hours within their classification. Any employee who has been bumped has the same right to bump other employees with the same limitations described in this section.

4. An employee who is on layoff shall have the right to apply for any vacancies outside the bargaining unit member's classification.

H. Employees who transfer to another job classification will retain their initial seniority in their initial classification and will begin accruing seniority in the new classification from the date of transfer. In the event of lay-off any employee so transferred who may be subject to layoff may transfer back to his/her official job classification provided a position is open or shall be recalled to the next open position in either classification for which s/he has gained seniority. In the event of position openings exceeding layoffs, assignment other than by seniority will be posted.

I. Should vacancies occur in any job classification, employees who were laid off from positions in the bargaining unit will be recalled in order of seniority, most to least, in that classification. If additional positions are available for recall, employees who were laid off from non-association positions, but who hold frozen seniority in a bargaining unit classification, shall be recalled.

J. Notice of recall shall be sent by certified mail to the individual's last known address. If the individual does not report to work within ten (10) workdays of receipt of this notice, he/she will be considered to be a voluntary resignation.

K. The Employer shall prepare, maintain and post the seniority list. The initial seniority list shall be prepared and posted conspicuously in all buildings of the District within thirty (30) workdays after the effective date of this Agreement with revisions and updates prepared and posted semi-annually thereafter. A copy of the seniority list and subsequent revisions shall be furnished to the Association.

ARTICLE 8

VACANCIES, TRANSFERS, AND PROMOTIONS

A. A vacancy will be defined, for the purpose of this Agreement, as a position previously held by a bargaining unit member which the district decides to refill, or a newly created position within the bargaining unit. No vacancy will be filled until it has been posted for at least five (5) working days.

B. Notice of such vacancies shall be posted on all bulletin boards used by the Association and shall state a specific posting period. Written requests for transfer or promotion must be received prior to the expiration date of the stated posting period.

C. Position postings shall contain minimum position qualifications for each position. All employees regularly employed on or before August 1, 1984, shall be exempt from the high school diploma or equivalent requirement.

D. Promotions (employees desiring higher rated classification) shall be governed by seniority, unless in the opinion of the Employer there is an employee bidding or applying for the job who has substantially greater ability and capacity.

E. Employees may transfer laterally to different positions within the same classification, when there is a vacancy in that classification, by seniority, as long as they meet Minimum Position Qualifications and as long as the transfer would not substantially affect the efficient operation of the School District. Such transfers will be subject to a thirty (30) day trial period. If during said trial period employee's performance is unsatisfactory and/or at the request of employee, she/he will be reinstated to his/her position.

F. Should an employee request transfer from one seniority classification to another, consideration shall be given only to the seniority earned in that classification to which he/she is requesting transfer.

G. When promoted to higher rated classifications, employees will retain their existing wage rate for a working trial period of not more than thirty (30) days, at the completion of which they will receive the appropriate rate for the higher classification, retroactive to the time of such promotion

H. If during the trial period, the employee's work is unsatisfactory, or at the request of the employee, he/she will be reinstated to his/her previous position, and will not receive the additional pay for the advanced position. Seniority will not be affected. In such cases, vacancies created by the promotion shall be filled with substitute personnel during the 30-day trial period.

I. Realizing that the needs and priorities of the Employer change with time and except as provided in Article 27, nothing in this article shall be construed as to limit the Employer's rights to reassign personnel to different responsibilities within a job classification, so long as such reassignment does not result in a reduction of work hours. The Employer may temporarily or seasonally move employees (keeping them in the same job classification or department) to accomplish needed work.

J. When an employee is going to be absent from work for a period of more than twenty (20) consecutive work days up to and including one-hundred-eighty (180) consecutive work days (for reasons other than illness or FMLA), his/her designated position may be filled by any permanent employee in that classification by seniority. This position will require posting only if a permanent employee in that classification does not show interest in the position within five (5) days from the time notification is made to them that the position is available. When/if the absent employee returns to work, she/he will be placed in an equivalent position.

ARTICLE 9

UNPAID LEAVES OF ABSENCE

A. Unpaid leaves of absence for periods of more than ten (10) days in a given work year but not to exceed one (1) work year may be granted, in writing without loss of previously earned seniority.

1. Except in emergency situations, requests for said leaves shall be submitted in writing to the Superintendent of Schools not less than two (2) calendar weeks prior to the start of the leave period.

2. In order to help preserve the continuity of school operations throughout the school year, unpaid leave requests which incorporate the entire school year will receive special consideration.

3. It is expressly understood by both parties that unpaid leaves of absence shall not be granted for the purpose of accepting other employment or for extending vacation periods by more than five (5) days.

4. In cases of requests for unpaid leaves for personal or immediate family illness (as defined in Article 18, A), a doctor's verification may be requested.

B. Such unpaid leaves may be extended upon written application not less than two (2) days prior to the termination of the initial leave period.

C. Employees shall accrue seniority while on leave of absence for the first ten (10) workdays, but seniority is not earned for day eleven (11) and beyond. In such cases, the seniority dates of the employees shall be adjusted to reflect the length of the leaves. Persons returning from an unpaid leave of absence shall be placed in positions they held at the time the leaves of absence were granted or to which their seniority entitles them.

D. The reinstatement rights of any employee who entered the military service will be determined in accordance with the provisions of the Federal law granting such rights.

E. A copy of the written approval of unpaid leave (as in Section A) stating the duration and considerations of said leave shall be submitted to the President of the local Association.

F. Extended Employee Unpaid Leaves

1. Upon request, the Employer shall grant unpaid leaves of up to one (1) year for the following reasons:

- a. The serious health condition of the employee; or
- b. The serious health condition of the employee's spouse, parent, parent-in-law, grandparent, or child, or
- c. The birth of a child; or
- d. The placement of a child for adoption or foster care. Child includes any individual under 18 for whom the employee serves in loco parentis; a child over 18 who is incapable of self care because of a physical or mental disability; or a biological, adopted, or foster child.

2. Upon return from the leave, the employee shall be returned to the position immediately held before the leave began. If the position no longer exists, the employee shall be returned to a position equivalent in pay, benefits, hours, and other terms and conditions of employment.

3. The employee shall have the option of first using accrued paid sick leave, vacation, and/or personal leave during the leave. The remainder of any leave time will be unpaid.

4. Health benefits will be continued for up to twelve weeks when the employee requests, is qualified for and is granted leave under the provisions and in accordance with guidelines and rules of the Family and Medical Leave Act of 1993, as amended, during the leave under the same conditions and at the same level as if the employee were still at work.

5. Seniority shall continue to accrue during the leave.

6. An eligible employee shall have the right to take a leave under the provisions and in accordance with guidelines and rules of the Family and Medical Leave Act of 1993, as amended, on a reduced or intermittent schedule. Whenever possible the employee will provide the Employer at least thirty (30) calendar days written notice of the request for the leave. It will include the reason for the request, the expected beginning date, the expected ending date, and whether or not the employee intends to use paid leave for any part of the leave.

ARTICLE 10

SAFETY

A. The Employer will take measures to provide safe working conditions in order to prevent or eliminate any hazards which the employees may encounter in their places of work, in accordance with the provisions of state and local regulations (e.g., OSHA, MIOSHA, etc.).

B. The employee will be expected to immediately inform the Employer of any such job hazard as soon as the employee first becomes aware of such unsafe behavior, conditions, or equipment. The Employer upon notification of an alleged unsafe condition, will investigate such condition, and will be expected to make adjustments in such condition, if, in the Employer's investigation, the alleged unsafe condition is found to be a hazard to employees, students or bus passengers.

ARTICLE 11

WAGES FOR NEW JOBS

When the Employer creates a new job that does not appropriately fit into an existing classification, the Employer will notify the Association immediately. The Employer and Association will meet within fifteen (15) days of such notification to begin negotiating the classification, and rate structure. If an agreement cannot be made as to the classification then the determination will be made by MERC.

ARTICLE 12

EQUAL EMPLOYMENT OPPORTUNITY

No person or persons will be discriminated against so as to limit, segregate, or classify employees in any way that tends to deprive any individual of employment opportunities or adversely affect their employment status (firing, compensation, terms, conditions) because of their race, color, religion,

sex, national origin, marital status, or membership in, or association with the activities of the Association.

ARTICLE 13

ASSOCIATION ACTIVITIES

- A. The Employer agrees to provide, upon request, access to all public information retained by the Administration in compliance with the provisions of the Michigan Freedom of Information Act of 1976.
- B. The Association will have the right to use school buildings in compliance with the established Board of Education policy regarding public use of such facilities.
- C. State or Regional Association representatives will be allowed to visit schools during working hours provided they have notified the Administration of their presence. Such visits shall not interfere with the normal performance of duties by the employees or the normal function of the school.
-
- D. Bulletin boards will be made available to the Association.
- E. Association bargaining unit members will be permitted to use typewriters, copying equipment, computers, etc., when school facilities housing such equipment are open, as long as such use by Association bargaining unit members does not interfere with employee work time, does not interfere with the education of students, the equipment is not needed at that time for Employer work, and as long as the equipment is not removed from the Employer's facilities. The Association will pay the cost of all materials and supplies incidental to such use. The Association will be responsible for any costs of repairs for direct damage to equipment during its use when caused by the Association members.
- F. The employees in the bargaining unit covered by this Agreement will be represented by Association representatives. The Association will have the exclusive right to assign said representatives. The Employer will be notified of the names of the representatives.

ARTICLE 14

ASSOCIATION LEAVE

Employees who are officers, delegates, or representatives of the K.A.S.E shall, upon application, be granted collectively a maximum of ten (10) days during the school year for K.A.S.E. business. Such leave is with pay and benefits. The Association, upon the Employer's request, agrees to reimburse the school at the appropriate substitute rate for each Association day used. Permission will be granted providing 10 days notice is given to the Employer and there is no serious disruption to the Employer's operations. No more than four (4) employees (no more than two (2) in one classification) shall be released at one time.

ARTICLE 15
PERSONNEL RECORDS

A. A bargaining unit employee has the right to review the contents of the personnel file maintained by the District in his/her name, and to review all records pertaining to said employee originating after his/her initial employment (unless excluded by law), and to have a representative of the Association accompany him/her in such review. Such review is to be scheduled through the Employer and, except in very unusual circumstances, shall not occur more than twice annually. The review shall be made in the presence of the Administrator (or designee) responsible for the safekeeping of these files.

B. When material is to be placed in a bargaining unit member's file, the affected bargaining unit member shall review and sign said material. GENERAL PROVISIONS

A. The Association and the Employer recognize that strikes and other forms of work stoppage by employees are contrary to law and public policy. The Association and the Employer subscribe to the principle that differences shall be resolved by peaceful and appropriate means without interruption of the school program. The Association, therefore, agrees that its officers, representatives, and members shall not authorize, instigate, cause, aid, encourage, ratify or condone, nor shall any employees take part in any strike, slowdown or stoppage of work, boycott, picketing or other interruption of activities in the school system during the term of this Agreement. The Employer agrees that it shall not lock out employees during the term of this Agreement.

B. If any provision of this Agreement or any application of this Agreement, to any bargaining unit member or employee or group of bargaining unit members or employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law; but all other provisions or applications shall continue in full force and effect.

C. It is further agreed that within ten (10) days of notification of a final and binding determination of such illegality, the Employer and Association will commence negotiations to reach a new agreement concerning the subject matter of the provisions determined to be illegal, and the

parties will work together in negotiations in an effort to resolve outstanding issues as soon as reasonably possible.

D. Employees shall receive TB tests, x-rays, and Hepatitis B, and flu vaccines without cost.

E. The Employer shall provide parking facilities for bargaining unit members.

F. Any case of assault on an employee shall be promptly reported to the Administration, which will make arrangements for notification to local police authorities or other appropriate arrangements.

G. The Employer shall reimburse the employee for the loss or destruction of personal property on the school premises when damage or destruction is not the result of the employee's negligence.

H. The Employer is responsible for damages only when the employee is actively on the job. The Employer is only responsible for the portion not covered by the employee's personal insurance.

I. The Employer agrees to provide each employee with a copy of this Agreement, including any newly hired employees.

J. No regular Association work shall be performed by non-bargaining unit members except in emergencies, or as is done from time to time by supervisory personnel or as is done routinely by outside vendors.

K. The Employer may require any employee to submit to a physical examination. Provided a "participating" physician is used, the Employer will pay the associated cost above and beyond any applicable health insurance coverage. If a "participating" physician is not used, the Employer will pay a maximum of twenty-five dollars (\$25.00). (This provision does not apply to regular bus driver physicals.)

L Supervision

1. Bargaining Unit Members shall be assigned only one immediate supervisor. Said supervisor shall be someone other than a Bargaining Unit Member.

2. The immediate supervisor shall have the responsibility for all Bargaining Unit Member evaluations, as well as any disciplinary action.

If the evaluation of a non-probationary employee is not done as noted above, it shall be taken as evidence that the employee's work is satisfactory for that evaluation period. Nothing shall prevent the Administration from carrying out additional evaluations if problems arise or are not corrected through the normal evaluation sequence. Should additional evaluations become necessary, the Association shall be notified of the situation before any additional evaluations take place.

O. The listing of job descriptions (attached as Appendix A) shall not require the Employer to fill all positions listed. The Employer, at its sole discretion, shall determine the number of positions, if any, it will fill for each job description listed.
