AGREEMENT

Section A. Parties

This AGREEMENT is made and entered into on the 1st day of July, 2006, between the Board of Education of Northview Public Schools hereinafter called the "Board", and the Kent County Education Association, Michigan Education Association, National Education Association (MEA/NEA), hereinafter called the "Association".

Section B. Application

All terms and conditions of employment specified in this contract apply only to those members of the Kent County Education Association that are employees of the Northview Board of Education as specified in **Article I, Recognition Clause**.

The power to decide whether or not to enter into, ratify, or execute a collective bargaining agreement with the Northview Public Schools Board of Education rests solely with the members of the Northview Transportation Association, and shall not be delegated to any bargaining representative or any education association or conditioned on approval by any bargaining representative or any education association.

Section C. Headings

The headings used in this Agreement are for reference only and shall not add to nor subtract from the express terms and provisions contained therein.

PURPOSE

Section A. Establish Terms and Conditions

This Agreement is negotiated pursuant to the Public Employment Relations Act No. 336 of the Public Acts of 1947 as amended, to establish the terms and conditions of employment for the members of the bargaining unit herein defined.

Section B. Cooperative Dispute Resolution

The Board and the Association recognize it is the intent and purpose of this Agreement to promote and ensure a spirit of confidence and cooperation between the Board and its Employees as well as establish an orderly and peaceful resolution of labor disputes which may arise during the life of this Agreement; and accordingly, have included herein a grievance procedure for the effective processing and resolution of such disputes.

Section C. Binding Obligation

The provisions of this Agreement shall constitute a binding obligation of the parties for the duration hereof or until changed by written, mutual consent.

ARTICLE I – RECOGNITION

The Board hereby recognizes the Kent County Education Association, the Michigan Education Association, and the National Education Association, (KCEA/MEA/NEA), as the sole and exclusive bargaining agent, for all full-year, school year and regularly scheduled part-time school bus drivers, excluding the Director of Transportation, substitutes, and all other employees.

ARTICLE II – ASSOCIATION RIGHTS

Section A. School Building Use

The Association and its members may use the district facilities at reasonable hours for meetings as long as the building is covered by the operating staff. Room arrangements shall be made with the principal involved or the Superintendent or designee. The Association may be required to secure an approved Building Use permit before the use of any school facility.

Section B. Posting Notices and School Mail Use

The Association will have the right to place notices, circulars, and other material on Association bulletin boards, with at least one of which shall be provided in each work site, and mail boxes. Authorized representatives of the Association will assume the responsibility for posting or distributing materials of the Association. The school mail system may be utilized by the Association for its official business.

Section C. School Equipment Use

The Association may use office equipment at reasonable times when such equipment is not in use. Administrative notification will be given prior to such use. The Association shall furnish all materials and supplies incidental to its operation.

Section D. Information

The Board will, in accordance with Board Policy No. 8310, dated July 12, 1999, furnish the Association, in response to written request, copies of public records or documents. The Association may be requested to compensate the Board for the cost of reproduction and making the materials available.

Section E. Copies of the Agreement

The Board will furnish a copy of this Agreement to each employee in the bargaining unit and to each new employee and twenty (20) additional copies to the Association without cost.

Section F. Membership Fees and Payroll Deduction

1. Membership /Representation Fee. Each bargaining unit member shall, as a condition of employment, after completion of their probationary period or on the effective date of this Agreement, whichever is later, (1) join the Association, or (2) pay a Service Fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Administrative Procedures adopted pursuant to the policy. The Service Fee shall not exceed the amount of association dues collected from association members. The bargaining unit member may authorize payroll deduction for such fee.

In the event that the bargaining unit member shall not pay such Service Fee directly to the Association, or authorize payment through payroll deduction, the Board shall, pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction.

2. Policy regarding Objections. Pursuant to Chicago Teachers Union v Hudson, 106 S Ct. 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological

Expenditures”. That policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in the policy shall be exclusive, and unless and until such procedures, including administrative or judicial review have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure.

3. Indemnification Clause. In the event of any legal action against the Board brought in a court of administrative agency because of its compliance with Section I of this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:
 - a. The Board gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
 - b. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.
 - c. The Association shall have complete authority to compromise and settle all claims, which it defends, under this section.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgement of a court or administrative agency as a direct consequence of the Board’s compliance of this Section F of Article II.

4. Dues Deduction. Any bargaining unit member who is a member of the Association, or who has applied for membership, may sign and deliver to the Board an assignment authorizing deduction of dues, assessments and contributions in the Association as established by the Association. Such authorization shall continue in effect from year-to-year unless revoked according to the procedures outlined in the MEA Constitution, Bylaws and Administrative Procedures. Pursuant to such authorization, the Board shall deduct one-twentieth of such dues, assessments and contributions from the regular salary check of the bargaining unit member bi-weekly for ten (10) months beginning in September and ending in June of each year.
5. Payroll Deduction. Upon appropriate written authorization from the bargaining unit member, the Board shall deduct from the salary of any such bargaining unit member and make appropriate remittance for insurance programs not fully Board paid, credit union, savings bonds, charitable donations, MEA-PAC/NEA-PAC contributions or any other plans or programs jointly approved by the Association and the Board.
6. Payment of Representation Fees. Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to nonmembers along with other required information may not be available and transmitted to non-members until mid-school year (December, January, or February). Consequently, the parties agree that the procedures in this Section F of this article relating to the payment or non-payment of the representation fee by non-members shall be activated thirty (30) days following the Association’s notification to non-members of the fee for that given school year.

7. Change of Status. The Board will make available to the treasurer of the Association the names and addresses of each employee separated from the payroll, hired, laid off, recalled, placed on approved leave of absence, or a change of address within fifteen (15) days of such change.

Section G. Association Release Time

1. Grievances/Negotiations. The Association shall not lose time or pay for authorized time spent investigating complaints and or handling grievances, or negotiations during their regular scheduled working hours. The Board shall not be obligated to grant time during the employee's paid working hours.
2. Association Conferences/Training Sessions. Each school year, the Association shall be allowed up to fourteen (14) hours of released time for employees to attend conferences and training sessions endorsed by the Association, without loss of pay from the employees' scheduled work. The Board in its discretion may approve these hours for other Association related activities upon request from the Association on each occasion.
3. Union Meetings. The Association will make every effort to schedule meetings during non-driving times. Release time will be used only when absolutely necessary.

ARTICLE III – EMPLOYEE RIGHTS

Section A. Right to Support Association

Pursuant to applicable Michigan statutes the Board hereby agrees that every employee of the Board of Education shall have the right to freely organize, join, and support the Association for the purpose of engaging in collective bargaining. The Board will not directly or indirectly discourage, deprive, or coerce any employees in the enjoyment of any rights conferred by Act 379 of the State of Michigan or of the Constitution of the United States.

Section B. Non-Discrimination

The Board will not discriminate against any employee with respect to hours, wages or any term or condition of employment by reason of membership in the Association, participation in collective bargaining with the Board, nor institution of any grievance, complaint, or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

Section C. Discipline

Any employee may be disciplined for misconduct or failure to properly perform duties. No employee shall be reprimanded, disciplined, discharged, reduced in rank or compensation without just cause. All such discipline shall be progressive in nature. The following represents progressive disciplinary action:

1. Oral reprimand
2. Written reprimand
3. Suspension with or without pay, as determined by supervisor
4. Termination

The purpose of progressive discipline is to correct the misconduct or failure to properly perform duties at the lowest effective step. Discipline will be progressive in nature except in cases where there have

been violations of the law or extreme violations of the written rules and policies of the district. Written rules and policies of the district will be made available to employees at their work site.

Section D. Association Representation

Any bargaining unit member who is to be reprimanded, warned or disciplined for any infraction of school policy or delinquency in their performance, will, upon the bargaining unit member's request, have an Association representative of her/his choice at the reprimand, warning or discipline. When a request for such representation is made, no action will be taken until a representative can be present. However within twenty-four (24) hours a date will be set for the meeting to take place. In extreme cases of misconduct, the Board reserves the right to place an employee on unpaid leave pending the meeting with the Association representative. The Association will provide the Board with a known representative for the transportation garage.

Section E. Personnel File

Each employee has the right to review the complete contents of her/his personnel file. A representative of the Association may accompany the employee if so requested. No evaluative material may be placed in the personnel file to which the employee has not been allowed to respond in writing. All written responses by the employee will be included in the personnel file. Reprimands will be removed from the employee's personnel file at the written request of the employee after two (2) years if there has been no further disciplinary action, letter(s) or warning and/or suspension(s) related to the problem. However, if other unrelated disciplinary action, letter(s) of warning and/or suspension(s) should occur within the two (2)-year period, the original reprimand will only be removed at the written request of the employee and the approval of the Superintendent or designee. The Central Office file is the official personnel file. The employee shall be notified of any external request to review or copy their personnel file. Before any documents are released, the employee will have the opportunity to review the request and all documents subject to the request. An Association representative may be present.

Section F. Complaints

No material, including student, parental, or school personnel complaints, will be placed in the employees personnel file unless the employee has had an opportunity to review the material. Complaints against the employee shall be reduced to writing with the complaints, administrative action taken, and remedy clearly stated. The employee may submit a written notation regarding any material, and the same shall be attached to the file copy of the material in question. If the employee is requested to sign any material, such signature shall be understood to indicate awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material.

Section G. Evaluations

All drivers shall receive a formal evaluation each year by the Director of Transportation. Written evaluations are to be completed on or before May 1. Evaluations will be based on observed work performance and/or the results of work performance of the driver and said evaluation is to serve a dual purpose of (1) providing a basis for improvement and (2) providing a measurement of effectiveness. All monitoring and observation of the work of a driver shall be conducted openly. The driver shall receive a copy of the written evaluation. Within ten (10) working days of the evaluation, the driver and the Director of Transportation shall meet to discuss the evaluation. At this post-evaluation conference, the driver will receive a copy of the written evaluation to keep. A signed copy by the driver and Director of Transportation shall be received by the Superintendent or designee on or before May 2. In the event a

driver feels that an evaluation was incomplete or unjust, she/he may put her/his objections in writing and have them attached to the evaluation report to be placed in her/his personnel file. Criteria for evaluation will be related to the evaluation form. A copy of the form will be provided to the driver at the start of the school year. If the form is to be changed, the Association and Board will meet to develop a new form. If a change in the form occurs, the new form will be distributed.

ARTICLE IV – BOARD RIGHTS

1. Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the Laws of the State of Michigan and of the Federal Government of the United States. Except as stated by the Agreement, all the rights, powers, and authority the Board had prior to this Agreement are retained by the Board.
2. It is expressly agreed that all rights which ordinarily vest in and have been exercised by the Board, except those which are relinquished herein by the Board, shall continue to vest exclusively in and be exercised exclusively by the Board without prior negotiations with the Association either as to the taking of action under such rights or with respect to the consequence of such action during the term of this Agreement. ARTICLE V – SENIORITY, LAYOFF, AND RECALL

Section A. Status Definition

Full Year: Employees working six (6) hours or more per day for forty-eight weeks or more per year.

School Year: Employees working six (6) hours or more per day and at least a school year or more, but less than forty-eight (48) weeks per year.

Regularly Scheduled Part-time: Employees working on a regular basis for at least a school year or more but less than six (6) hours per day.

Section B. Seniority

1. **Seniority Defined** – Seniority is defined as the length of continuous service in the employ of the School District commencing with the date of most recent hire. Date of hire includes the first day of pay (i.e. training). Seniority becomes effective when a driver is assigned a regularly scheduled full-time or part-time run. The seniority date will go back to the first day of the most recent hire.
2. **Probationary Period** – All new drivers with a regularly scheduled run shall be considered probationary until they have worked for the Board for sixty (60) total workdays. During this probationary period drivers will have no seniority status. After the probationary period is completed, the employee will be entered on the seniority list as of the first day of the above qualifying period. Probationary drivers may be terminated with or without cause. Probationary employees will not be paid for sick leave, holiday or vacation time until after the probationary period is complete. At that time retroactive payment will be made.
3. **Promotions and Transfers** – Skill, ability, and seniority will be considered in all promotions and transfers within the transportation group. Provided the skill and ability of drivers as determined by the Board are relatively equal, seniority shall govern.
4. **Reduction in Hours** – If the hours of a driver are reduced by more than 45 minutes per day due to changes in student enrollments, finances, or for any other reason, the driver(s) affected will be given the opportunity to “bump” another driver with less seniority to increase their hours back to their normal schedule / day provided the administration is able to restructure the runs to accommodate the change. Regular runs will not be split in order to accommodate the ‘bumping’ process.

The Board reserves the right to determine which new run the driver will be assigned when the affected run is eliminated or reduced in hours.

The completion of the school year shall not be considered a “reduction in hours” for the purposes of a “school year” driver bumping a “full year driver.”

5. If an existing run becomes vacant and the Board decides the run will remain the same, it will be posted within ten (10) days. Notices of vacancies shall be posted in the Bus Garage. No vacancy shall be filled until it has been posted for at least five (5) days. Every effort will be made to post notices in the bus garage for vacancies in all classifications throughout the District.
6. Seniority shall automatically terminate if the driver voluntarily quits; is discharged for just cause; or fails to report after a leave of absence.
7. The Board shall prepare and maintain a seniority list showing the length of service each member has accumulated. Two (2) copies shall be furnished to the Association President once each year by December 1st. Each employee shall receive a copy of the seniority list once each year by December 1st.

Section C. Layoff and Recall

1. **Layoff Defined** – The word “layoff” means a reduction in the number of employees in positions represented by the Association.
2. **Layoff Procedure** – If a layoff occurs for any reason, the following procedures will be followed:
 - a. The Superintendent or designee will meet with the Association President or designee to discuss the reduction.
 - b. The Superintendent or designee will attempt to reduce staff through voluntary termination, voluntary reduction in hours and/or voluntary layoff; involuntary reduction of hours shall be as provided for in Section B. 4.
 - c. If reduction is still necessary, probationary employees employed shall be the first to be laid off according to the inverse order of date of hire. Employees who are not on probation shall be laid off according to the inverse order of their seniority. Layoff notice shall be given at least thirty (30) working days prior to the effective date of the layoff.
 - d. An employee whose position has been eliminated may exercise her/his right to bump any less senior employee provided they have the necessary qualifications to assume that position. Qualifications will be as outlined on job posting(s).
 - e. Drivers on layoff will be eligible to drive trips, sub runs and will not lose seniority.
3. **Recall** – The Board shall not be required to recall any probationary driver who was laid off. When the work force is increased following a layoff, drivers laid off shall be recalled in the inverse order of layoff. The Board shall not be required to issue recall notice to employees who have been on layoff status for two (2) consecutive years or more, provided, however, time worked as a substitute shall not constitute a break in a layoff status. An employee recalled to a position with fewer hours and/or lower pay, shall have the right to reject that position and remain on the recall list for future positions. The Board shall give written notice of recall by sending a registered or certified letter to the driver’s last known address with copy to the Association. If the driver fails to notify, the Board in writing within seven (7) days after the Board has given notice of recall, the driver shall be considered to have voluntarily resigned and to have given up all further right of recall by the Board.

ARTICLE VI – CONDITIONS OF EMPLOYMENT

Section A. General Requirements

Each new driver before taking up duties for the school district must have on file a health certificate indicating the individual’s physical fitness for duties signed by a licensed doctor of medicine.

As required by the State Board of Education each driver shall satisfactorily complete the required school bus driver competency test which include a knowledge test and a skills test. In addition each driver must have a satisfactory driving record.

Failure to comply with this requirement will result in time off, without pay, until the proper records are submitted to the Central Office. Examinations are to be completed prior to fifteen (15) days after the beginning of the school year or after the date of hire.

Section C. Chauffeurs License

Section D. Student Discipline

In the event a driver handles or participates in resolving a discipline problem on her/his bus, the driver will be paid their normal rate for all authorized time spent resolving the problem providing it extends beyond normal paid time.

Section E. Student Medical Condition

Drivers shall be advised of any medical conditions of students known to the Board, which in its judgment may necessitate emergency action by the driver transporting the student. The Board shall reimburse, to those drivers who voluntarily take a CPR instruction course, the cost upon successful completion of the course. Per employee cost to the district shall not exceed sixty dollars (\$60).

Section F. Opportunity to Drive

1. Opportunity to Drive. Full-year, school year and regularly scheduled part-time bus drivers will have the first opportunity to drive all runs and trips consisting of 16 or more passengers in order of seniority.
 - a. A total of 15 passengers may be transported to a given location by a non-bus drivers, provided that no more than two (2) school vehicles be driven to the same location.
 - b. The Administration shall review the driving record of any person transporting students.
 - c. The Administration will notify anyone requesting vehicle use of the guidelines in this section and the Administration's expectation of adherence to such guidelines.
2. A run selection meeting will be held the second Wednesday in August for the selection of designated runs by seniority. Runs to be posted at the Run Selection Meeting shall be designated as either "school year" or "full year". All scheduled runs shall be posted and the most senior bus driver shall have the first choice of assignment. Selection shall continue in order of the next most senior bus driver until all scheduled runs have been selected. Kindergarten runs shall not be attached to and considered part of a scheduled run(s). Any additional runs which may be created during the school year shall be assigned as outlined immediately above, provided said run can fit into the driver's

current run. This would include any changes in current regular education runs of over 30 minutes per day.

3. Minimum run times shall be as follows:

<u>RUN</u>	<u>TIME</u>
Double	1.75
Single	1.25
Kindergarten	1.67

Actual run times will be established on the Friday of the fifth full week of school in the fall. Until that time, drivers will be paid for their actual drive time. Additional time worked over and above the minimum run time will be paid according to the posted conversion chart, which will be in five (5) minute increments, based on actual time worked. If it is necessary to make changes to the procedure, the Association will be notified within twenty-four (24) hours and negotiations for such changes will take place before any changes are implemented. For any driving in addition to the regular run and as requested by the Director of Transportation, drivers will be paid in fifteen (15) minute increments.

Minimum run times include a pre-trip check. It also includes a post trip clean up time allotment when necessary.

4. Runs Defined.

Single Run: A run, which consists of pick-up and delivery of, grades 7-12 or any combination of grades K-6.

Kindergarten Run: A run, which consists of mid-day pick-up and delivery of Kindergarten children.

Section G. Trips

All trips will be posted for bidding purposes for school year and summer schedules. Interested drivers will sign up for school year and/or summer trips. That list will form the trip rotation list. Trips will be posted in the following time slots:

- Weekdays during school
- Weekdays after school
- Weekends

1. Posting and Bidding Procedure.

- a. All trips will be posted by Friday noon for the second following week. Each Tuesday morning a trip selection meeting will be held. If a driver is unable to attend, it is their responsibility to submit to the Director of Transportation a prioritized request list for posted trips. This list will be used to select their trips in accordance with their seniority rights. A driver may select one (1) trip, by seniority that is available from each list. Order of trip selection will be 1) weekends, 2) weekdays after school, and 3) weekdays during school. If there are trips still remaining at the end of the selection, the rotation continues. The next week selection begins where the seniority list ended and the rotation continues. Trips for which requests were received after preparation of the Friday postings will be posted on the emergency trip list. The Director of Transportation

may assign any trips left over after all selections are made. These trips will be assigned by seniority. Only then may new trips be posted.

- b. One way trips will be allowed under the following conditions:
 1. No longer than twenty-two (22) miles round trip from pickup location.
 2. A bus may be required to return from an overnight trip.
 3. Weekday during school and Weekday after school sporting events will not be considered one way trips and no driver will be asked to return unless emergencies or availability of drivers makes it necessary.
 4. Weekend and non-school day athletic trips, if posted as one-way. (Trips cannot be changed to one-way trips after being posted as a round trip.)
- c. A driver will be assigned a "N/A" for not selecting an eligible trip and must wait for the rotation to be completed before the next selection.
- d. A driver will receive a "C" for a canceled trip and then will be eligible to select before the seniority rotation begins from the appropriate posting. In the event a trip is canceled with less than two (2) hours notice, a driver will be paid the trip minimum (except in cases of inclement weather) and the driver will be given a "C" in either case. If a driver's emergency trip is canceled before the trip selection is completed, the driver will have the option of interrupting the emergency trip rotation to make another election, or take a "C". Seniority rotation will then resume.
- e. In the event the rotation is completed more than once and a driver cannot make a selection due to scheduled or mandatory work obligations, a "T" will be assigned. The driver will then be eligible to select, by seniority, before normal rotation begins.
- f. The Board reserves the right to assign and/or reassign trips and if necessary use probationary employees or substitute drivers for such trips so that drivers do not exceed forty (40) hours work in any week.
- g. A driver will receive an "S" when the driver is unavailable to sign up for a trip due to personal illness, or family illness which requires driver's attention, and will be eligible to select at the next week's selection meeting.
