AGREEMENT

This agreement is made and entered into as of July 1, 2008, until June 30, 2011, by and between the Board of Education of the Sparta Area Schools (SAS) hereinafter called the "Board" and the Sparta Education Association (SEA/MEA/NEA) hereinafter called the "Association".

WITNESSETH

The Board and the Association recognize and declare that providing a quality education for the children of Sparta Area Schools is their mutual aim and that the character of such education depends predominately upon the quality and morals of the teaching service, and

The members of the teaching profession are particularly qualified to assist in curriculum matters designed to improve educational standards, and

WHEREAS the Board has a statutory obligation to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms, and conditions of employment, and

WHEREAS the parties, following extended and deliberate professional negotiations, have reached certain understandings which they desire to memorialize and agree as follows:

ARTICLE I Recognition

Section 1.1 - The Board hereby recognizes the Sparta Education Association, the Michigan Education Association, and the National Education Association (SEA/MEA/NEA) as the sole and exclusive bargaining agent as defined in Section Eleven of PA 379, of Public Acts of 1965, as amended, for all Association members who are employed by the Sparta Area Public Schools, including personnel on tenure, probation, permanently employed substitute teachers, vocational education teachers, guidance counselors, librarians, social workers, school psychologists, speech pathologists, Englishville alternative education teachers, part-time teachers under full year contract employed or to be employed by the Board (whether or not assigned to a public school building). Such representation shall cover all personnel assigned to newly created positions except those that are supervisory as determined under PA 379.

Section 1.1.A - Such representation shall exclude supervisory, administrative, executive, office, and clerical employees, and all other non-teaching personnel.

Section 1.1.B - The term "teacher" when used hereinafter in this Agreement shall refer to all employees represented by the SEA/MEA/NEA.

Section 1.1.C - The Board agrees not to negotiate with or recognize any teachers' organization for negotiating purposes other than the Sparta Education Association (SEA/MEA/NEA) for the duration of this agreement.

ARTICLE II

Association Representation

Section 2.1 - Within fifteen (15) days of the beginning of his/her employment hereunder, each teacher will sign and deliver to the Association an assignment authorizing the deduction of his/her membership dues of the Association - including the National Education Association, the Michigan Education Association, and Sparta Education Association or will authorize said sum to be deducted and forwarded to the Association. The assignment form shall be provided by the Association. Such sum shall be deducted by the Administration in ten (10) monthly installments beginning in September and ending in June unless the employee is a new hire or circumstances beyond the Administration's control prevent the deductions from occurring in this manner.

Section 2.2 - Any teacher who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall, as a condition of employment, pay a Service Fee to the Association an amount equivalent to the dues uniformly required to be paid by members of the Sparta Education Association. The teacher may authorize payroll deduction for such fee. In the event that a teacher shall not pay such Service Fee directly to the Association or authorize payment through payroll deduction, as provided in the preceding Article, the Board shall, at the request of the Association, make mandatory deduction of such dues/fees for the teacher. The parties expressly recognize that the failure of any teacher to comply with the provisions of this Article is just and reasonable cause for such action.

Section 2.3 - The Association, in all cases of violation of this Article, shall notify the teacher of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for discharge may be filed with the Board in the event compliance is not effected.

Section 2.4 - In the event of any action against the Board brought in a court or administrative agency because of its compliance with Article II, Section 2.1 (agency shop provision and payroll deduction of dues) of this Agreement, the Association agrees to defend such action, at its own expense and through its own counsel, provided:

- A. The Board gives timely notice of such action to the Association; and
- B. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and appellate levels.

Section 2.5 - The Association agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgement of a court or administrative agency as a direct consequence of the Board's compliance with Article I, Section 2.1. Further, that the Board reserves the right to review and be consulted concerning the settlement prior to its implementation.

Section 2.6 - Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan General School Laws or applicable civil service laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

ARTICLE III

Cooperative Decision Making (in the School Improvement Process)

Section 6.1 - Teachers will be involved in co-operative decision-making at both the building and district level for the purpose of school improvement, professional development, curriculum planning, and the introduction of new, innovative, or pilot programs. It is a process through which those individuals responsible for the implementation of a decision at the building and district level are actively and legitimately involved in the making of decisions. The School Improvement Process (resulting in co-operative decision making will) involve teachers, administrators, and other educational stakeholders in planning and problem-solving.

Section 6.2 - In implementing the School Improvement Process, the Board and Association agree that decision-making bodies and school improvement teams shall in no way intrude on the integrity of this agreement. In the event that any decision or action violates, contradicts, or is inconsistent with any provisions of this agreement, the terms of this agreement will prevail. However, the Board and Association recognize that changing circumstances and conditions may necessitate possible modification of certain provisions of this agreement. Accordingly the two parties agree to meet periodically to consider the decisions as a result of the School Improvement Process and how they affect this agreement. Any resulting modification of this agreement must be mutually agreed to in writing by the Board and Association.

The Board and Association recognize that not all decisions are appropriate to be made through the School Improvement Process. When a question arises as to the jurisdiction of a decision, the Association leadership and the Superintendent will co-operatively reach an agreement upon the level at which the decision is to be made.

Section 6.3 - The District School Improvement Team shall establish specific operating procedures for the School Improvement Process. These procedures shall be in force for the duration of this agreement and open for review at its expiration. These operating procedures will use the following principles as guidelines:

If employment is discontinued, at any time, the last paycheck will be prorated for the portion of the school year worked. All benefits subsidized by the Board of Education will be prorated for the portion of the school year worked. Payroll deductions authorized by the employee will be discontinued as of the date employment was terminated. Benefits for teachers going on leaves of absence will be subsidized on a prorata basis for the year according to the amount of the completion of the individual contract.

Section 7.9 - Each teacher completing graduate hours beyond his/her Master's Degree shall receive credit on the Salary Schedule provided such hours are within the curriculum or program of the Sparta Area Schools. All courses for teaching credit on the Salary Schedule and for course reimbursement must be pre-approved by the Superintendent. Pre-approval forms are to be completed by the teacher and submitted to the Superintendent's Office. All graduate hours earned prior to January 1, 1980, will be "grandfathered" and applied to the M.A. plus schedules. Section 9.1 - Class size - The Board of Education has the statutory duty to educate all children within the boundaries of the school district. The student-teacher ratio is an important aspect of an educational program. The number of students a teacher is required to instruct has a direct bearing upon the amount of work required of the individual teacher. Therefore, the Parties agree that the size of the individual classes shall be given careful consideration and that small class size in early elementary grades (K-2) and in remedial classes is desirable. In the event emergency conditions force the cancellation of schools on a semester ending exam day, in which a ½ student day and full staff records day is canceled, the schedule will be instituted on the next day school is in session unless otherwise agreed to by the Administration and SEA.

Section 9.9 - Inclusion of special education students into regular education classrooms is part of the Least Restrictive Environment Philosophy. Sparta Area Schools supports this philosophy and will promulgate a group of procedures to delineate the teachers rights and responsibilities in regard to these least restrictive placements.

Vacancies - Promotions - Transfer

Section 10.1 - Vacancies occurring within the bargaining unit as described in the recognition provision, including newly created positions, shall be posted on a designated bulletin board in each building along with a copy of such posting to the Sparta Education Association President. Prior to being filled, positions, as above described, will be posted at least five (5) work days during the school year and fourteen (14) calendar days during the summer through July 31. During the month of August, vacancies will be posted for seven (7) calendar days.

Section 10.1.A - A vacancy shall be defined for purposes of this Agreement as a position presently unfilled, one currently filled but which will be open in the future, or a new position that is currently not in existence.

Section 10.1.B - To insure adequate notification of posted vacancies during the summer, the Board will inform teachers of the following procedure at the last required meeting of each school year:

1. Teachers interested in applying for vacancies and/or transfers shall express their desire on their intent forms. Intent forms are used for the specific purpose of planning future staffing and are not considered applications for transfers or vacancies. Teachers may call the personnel office for information on postings.
2. Teachers who officially apply for posted vacancies will be contacted in a timely manner by phone, e-mail, and /or first class mail.
3. It is the responsibility of all interested teachers to supply the personnel office with current addresses and phone numbers for contact.

Section 10.1.C - Interested teachers may apply for such positions by submitting a written application to the Personnel Office. Teachers who have filed an application shall be reviewed along with outside applicants. Said positions will be filled on the basis of the experience, competency, and qualifications of the applicant. When experience, competency, and qualifications are substantially equal, the applicant with greater seniority shall be given preference.

Section 10.2 - Requests by a teacher for a transfer to a different building or position may be made at any time. Such requests shall be made in writing to the Personnel Office with a copy to the Sparta Education Association President. The application shall set forth the school, grade or position sought, and applicant's qualifications. Applicants must contact the Personnel Office during the last month of each semester to update their request. The record of transfer, the transfer request, and all evaluative data pertaining thereto shall be made a part of the teacher's personnel file. No teacher will be discriminated against because of a request to transfer.

Section 10.2.A - Receipt of all applications shall be acknowledged by the Personnel Office within five (5) working days.

Section 10.2.B - Since transfers of teachers from one school to another can be disruptive to the educational process and may interfere with optimum teacher performance, the Board agrees that unrequested transfers are to be minimized. Prior to the effectuation of an involuntary transfer, the Superintendent or designee shall provide the affected teacher with the reason or reasons for the transfer.

Section 10.3 - Any teacher who shall be transferred to a supervisory or executive position and shall later return to a teacher status shall be entitled to resume such rights as he/she may have had under this Agreement as a teacher prior to such transfer. Time served in a supervisory or executive position shall be credited as time taught for placement on the salary schedule.

Section 10.4 - Job sharing is defined as a teacher initiated employment arrangement where two (2) teachers, through a job share proposal, have agreed to share one (1) full time position in a manner which meets the educational objectives of the school and the district and has the approval of the principal and the Superintendent or designate.

Section 10.4.A - Any employee interested in establishing a job sharing arrangement shall make written application to the building principal and the Superintendent or designate. In each instance of job sharing, the employees involved will be advised of the terms of the arrangement and of the terms of recall and termination of such an arrangement. All job shares will be reviewed by the administration on an annual basis. Should the review determine that the job share is not meeting the educational objectives of the school or district, a plan of improvement will be initiated. If the goals established in the plan for improvement are not met by the end of the next school year, administration reserves the right to either continue the plan for another year or recommend termination of the job share. In the event that one or both of the employee's contract(s) is non-renewed, the job share will be terminated consistent with Section 10.4.E.

Proposals for a job share position may be made only by currently employed teachers. Upon the Superintendent's approval, a written proposal regarding hours of work, job duties, in-service, conferences, and division of responsibilities shall be created for Board approval.

Section 10.4.B - No job sharing shall be permitted if the arrangement will in any way adversely affect the seniority, layoff or recall rights of another bargaining unit member, including those on layoff. In such situations, the adversely affected teacher(s) and the Association may, in writing, elect to waive his or her seniority rights for that specific situation. Failure of said teacher(s) or the Association to waive such rights, shall nullify the proposed job share and shall in no way result in adverse effects upon the refusing teacher.

The fraction of a teacher's job share shall not be reduced unless otherwise agreed to by the teacher. In the event that the needs of the school require a reduction in the fraction of that assignment, the teacher will be reassigned pursuant to Article XI of this Agreement.

Teachers should enter into a job sharing assignment for the complete school year.

Section 10.4.C - Compensation shall be covered by Article VII, Section 7.1C of this agreement.

Section 10.4.D - Seniority shall be covered by Article XI, Section 11.1.C of this agreement.

Section 10.4.E - Teachers wishing to terminate job sharing shall do so only at the end of the school year and if a position is available.

When the job sharing arrangement is terminated, the partner who formerly held the position retains the same. If neither partner held the position, both will be reassigned pursuant to Article XI of this Agreement.

A teacher who is unable to continue to the end of the school year for medical reasons or a leave of absence, the following procedure shall apply:

1. Remaining job share teacher may choose to go full time;
2. An internal job posting shall be done;
3. An external job posting shall be done; or
4. Remaining teacher shall be assigned to full time with a minimum of ten (10) working days notice.

ARTICLE XI

Seniority of Personnel

Reduction and Recall

Section 11.1 - No later than sixty (60) days following the ratification of this Agreement, and by every September 30th thereafter, the Board shall prepare a seniority list. Seniority shall be defined as the length of unbroken service since the initial date of hire as a teacher employee of the Sparta Area Schools. Seniority is accrued only as a member of the bargaining unit as described in the recognition provision. All teachers shall be ranked on the list in order of their effective date of hire wherever documentation is possible. In circumstances of more than one (1) individual having the same effective date of employment, all individuals so affected, will participate in a drawing to determine placement on the seniority list. The Sparta Education Association and teachers so affected will be notified, in writing, of the date, place, and time of drawing. The drawing shall be conducted openly and at a time and place that will reasonably allow affected teachers and the SEA representatives to be in attendance.

Section 11.1.A - The seniority list shall be published and posted in all buildings of the district by October 15th of each school year. Any revisions and updates of the seniority list shall also be published and posted as they are made. A copy of the seniority list and subsequent revisions and updates shall be forwarded to the SEA President and posted in each building by the administration.

Section 11.1.B - All seniority is lost when employment is severed from Sparta Area Schools by resignation, retirement, or discharge; however, seniority is retained if severance of employment is due to a layoff.

Section 11.1.C - A part-time teacher shall be granted seniority on a prorata basis according to the daily load of the building in which they teach.

Section 11.1.D - A teacher on leave of absence shall neither lose nor accumulate seniority while on such leave.

Section 11.1.E - Seniority shall be determined by the length of continuous teacher service K-12, from the date of hire or a date established by procedure in Section 11.1.

Section 11.2 - Layoff shall be defined as a necessary reduction in the work force due to decreased student enrollment or shortage of revenue requiring revision of the curriculum, exclusive of resignation, retirement or death. In the event of a need to lay off teaching staff due to decreased student enrollment or a revenue shortage, the Board will have the right to lay off individual teaching staff members by written notice at least sixty (60) calendar days prior to the end of either semester. Should layoff occur, the Board will honor seniority for job retention to the extent allowed by law. Preference to remain in the current assignment also will be honored to the extent that said preference does not cause the layoff of another teacher whose only recourse for continued employment is to occupy an assignment held by a teacher with higher seniority. If this situation occurs, the higher seniority teacher may be assigned to another position for which he/she is certified and qualified. If programs are restored, the teacher forced to vacate his/her assignment shall have the option of returning to that assignment.

Section 11.2.A - Recognizing the need to maintain stability for students, mid-year layoffs will be implemented only when a shortage of revenue is severe.

Section 11.2.A.1 - The Board shall develop, considering input from the Sparta Education Association and teachers, the educational program for the forthcoming school year. Whenever possible, notice and publication of programs and positions affected by layoff shall be posted prior to implementation of layoffs.

Section 11.2.A.2 - Beginning with the first name on the seniority list, each teacher shall be placed in an assignment in the following order of priority as certified and *qualified:

Section 11.2.A.2.a - Current grade/department; voluntary transfer if agreed upon by the teacher, Administration, and Association; or assignment per 11.2; if not available then,

**Section 11.2.A.2.b - Current grade/department in another building; if not available then,

**Section 11.2.A.2.c - Another grade/department in their current building; if not available then,

**Section 11.2.A.2.d - Another grade/department in another building,

**Section 11.2.A.2.e - If no vacancy is available in any grade/department for which the individual is certified and *qualified in any building, the individual will be laid off. Written notification in accordance with the time lines herein provided will be forwarded to the affected teacher(s) and the Sparta Education Association President.

**If a choice of building, grade or department is possible, the teacher's choice shall be honored.

*Section 11.2.A.3 - Qualification for placement in position shall be defined as holding the appropriate K - 12 teaching certificate from the State of Michigan. Other special requirements will apply as follows:

Meet "No Child Left Behind" requirements, and/or all other qualifications as defined by State or Federal laws.

Section 11.2.A.4 - Tenure teachers shall have priority over probationary teachers when all consideration other than seniority are equal. No teacher will be issued an individual contract granting him/her tenure in position.

Section 11.2.A.5 - The provisions of Article XI will prevail over other Sections of this Agreement when the Reduction and/or Recall process is in effect.

Section 11.3 - Laid off teachers shall be recalled to the first vacancy for which they are certified and *qualified and in reverse order of layoff. Laid off teachers shall be recalled within a reasonable time following the resolution of circumstances which precipitated the reduction of staff. If the position that the teacher is recalled to is more or less than the laid off position, the teacher may turn down the recall and retain lay off status as provided in Section 11.3.A. *(Refer to Section 11.2.A.3 for definition of qualified)

Section 11.3.A - Notifications of recall shall be in writing with a copy to Sparta Education Association President. The notification shall be sent by certified mail, restricted delivery, to the laid off teacher's last known address. It shall be the responsibility of each teacher to notify the Board in writing of any change in address. Recalled teachers must notify the Board of acceptance or denial of recall within five (5) days of receipt of notification of recall. Failure to do so will result in termination.

Section 11.3.B - A laid off teacher shall be considered laid off until he/she is reinstated in the Sparta Area Schools or terminates employment provided that the employee yearly updates, by certified mail on or before June 30 of each year, his/her wish to remain on lay off status.

Section 11.3.C - Recalled teachers shall be entitled to all accrued rights and benefits obtained during employment at the time of their notice of layoff. The need to use such benefits shall not be reason to delay or obstruct recall to a position under these provisions.

Section 11.3.D - All teachers subject to layoff shall receive full fringe benefits, as provided within this Agreement, prorated on the portion of the current school year completed.

Section 11.3.E - A laid off teacher may continue his/her health, dental and life insurance benefits during the period of layoff by paying monthly the normal per subscriber group rate premium for such benefits to the Board.

Section 11.3.F - During a period of impending layoffs, the Board agrees to consider all requests for voluntary layoffs from those teachers who make such requests.

Section 11.3.F.1 - The option to exercise voluntary layoff by the teacher shall be done on an annual basis.

Section 11.3.G - Teachers completing the period of voluntary layoff will be assigned to their previous grade/department assignments.

ARTICLE XIII

Evaluation

Section 13.1 - All monitoring or observations, including the use of closed circuit television, audio systems, and similar devices when used for teacher evaluation, shall be conducted openly with the full knowledge of the teacher. The administration must deal openly and on a continuing basis with perceived problems concerning teacher performance. That criteria outlined on the evaluation form and standards of measurement used must be shared with the teachers by the administration at a staff meeting. Any teacher missing said staff meeting will be responsible for obtaining the criteria and standards of measure from the building administrator.

Section 13.2 - Evaluations of teachers shall be conducted by the teacher's immediate principal or an administrator working in the same building. A teacher or the building administrator may request such evaluation to be conducted by a central office administrator. The request will be granted upon mutual agreement between the Association and Superintendent.

Section 13.3 - The work performance of all teachers shall be evaluated in writing. The length of a planned observation will be determined at the pre-observation conference by mutual agreement.

Section 13.4 - The teaching performance of non-tenure teachers will be observed at least three (3) times each school year: two (2) times in the first semester and once before the end of the third quarter. The first observation shall be made prior to October 30th; the second, prior to December 30th. The third shall be conducted prior to March 31st. Documentation of observations and conference with the teacher will be done in writing and become part of the summative evaluation. The summative evaluation will be completed prior to March 31 of each probationary year. An Individual Development Plan (IDP) will be developed and/or revised by December 30th of each probationary year.

Section 13.5 - Tenured teachers will be evaluated when performance seems to warrant it, but at least once every three (3) years. Teachers who demonstrate satisfactory performance will develop an enrichment plan as part of the evaluation cycle. Teachers who demonstrate unsatisfactory performance will be placed on an Individual Development Plan (IDP). The Summative Evaluation will be completed prior to March 31.

Section 13.6 - The principal (evaluator) will hold a personal conference with the teacher within five (5) days after each observation for the purpose of discussing the teacher's work performance. During this conference the teacher and principal will mutually agree on the date for reviewing the written evaluation. This review will occur within three (3) weeks of the conference. All observations must be completed one (1) week prior to spring break.

Section 13.7 - With the completion of a satisfactory evaluation, the teacher will develop an enrichment plan. The teacher may work alone or with one or more other colleagues. The enrichment plan must be based on professional growth with benefit to students. The plan will include how it will be monitored and evaluated.

The success or failure of the enrichment plan will not be a criterion for evaluations. However, good faith or lack of good faith effort to carry out the enrichment plan will be noted on the next formal evaluation.

Section 13.8 - A copy of the written evaluation shall be given to the teacher at the final evaluation conference. A copy would then be signed indicating completion of the conference and returned to the administrator. In the event that the teacher feel his/her evaluation was incomplete or unjust, within ten (10) days following the final conference, the teacher may put his/her objections in writing and have them attached to the evaluation report of the principal to be placed in his/her personnel file. All evaluations shall be based upon the criteria as outlined in the evaluation form contained in the contract. All unsatisfactory work performance will be documented.

Section 13.9 - In the event that an administrator indicates an area(s) unsatisfactory in a teacher's work performance, the administrator will allow reasonable time for correcting the deficiency(ies) and prescribe a written plan of assistance using the following procedure to assist the teacher:

- A. Specific behaviors representing the deficiency(ies) will be clearly stated.
- B. Specific strategies for overcoming the deficiency(ies) will be stated.
- C. The expectations of the administrator will be stated using measurable criteria so that both the teacher and administrator recognize if/when the deficiency(ies) is corrected.
- D. During the time given for correcting the deficiency(ies) the administrator will monitor and discuss progress with the teacher on a regular basis.
- E. When the procedure for correcting the deficiency(ies) has been completed, the administrator will place in the file a letter stating such, with a copy to the individual teacher.
- F. In subsequent observation and evaluation reports, failure to again note specific deficiency(ies) shall be interpreted to mean that the teacher has made adequate improvement.

Section 13.10 - The content of an adverse evaluation of teacher performance shall not be considered subject to the grievance provision. Only violations of the procedures are grievable.

Section 13.11 - The evaluation form used to begin the evaluation process will remain in effect for the duration of the contract and appear in the Appendix. By mutual agreement of the Board and the Association, the contents of the form may be modified or altered, if necessary.

See Appendix 2 for evaluation forms.

ARTICLE XIV Teacher Protection

Section 14.1 - Good order and discipline is necessary for effective teaching. Each teacher is responsible for maintaining such an atmosphere in each of his/her classes. The Board recognizes that, through its administrative staff, it will support its teachers in taking actions to maintain proper classroom order.

Section 14.1.A - If, in a teacher's judgment, it appears that a particular student requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, a teacher will consult with the administrative staff in which full particulars are put in writing, with a copy going to each of the two parties. Thereafter, reasonable steps will be taken by the administrative staff to assist in relieving the teacher of responsibility with respect to said student.

Section 14.1.B - After consultation with the administrative staff in which full particulars are put in writing, with a copy going to each of the two parties, a teacher may exclude a student from class when the grossness of the offense, the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student detrimental to maintaining proper classroom order and discipline. If no action is taken by the building level administrative staff within five (5) school days, the teacher may appeal to the Superintendent to resolve the problem concerning the student's exclusion.

Section 14.1.C - A teacher may use such reasonable force as is necessary to protect himself/herself from attack or to prevent injury to another teacher, student, administrator, or other school employee.

Section 14.2 - Any case of assault upon a teacher while in pursuit of his/her employment or any complaint or suit against a teacher as a result of any action taken by the teacher while in pursuit of his/her employment, shall be promptly reported to the Board or its designated representative. The Board will promptly provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault, complaint, or suit.

Section 14.2.A - If any complaint or suit against a teacher as a result of any action taken by the teacher while in pursuit of his/her employment requires the teacher to hire legal counsel for his/her defense, the Board shall provide the opportunity for the teacher to receive an advance of his earnings accumulated up to that time.

Section 14.3 - Any employee who is absent due to injury or illness compensable under the Michigan Worker's Compensation Law, shall receive the difference between the disability wage benefit and his/her regular wage. The amount of regular wages received will be based upon the teacher's accumulated sick leave and charged prorata against such sick leave accumulation.

Section 14.3.A - Time lost by a teacher because of injury arising out of assault upon said teacher while in pursuit of his/her employment will not be charged against the teacher's sick leave allowance.

Section 14.3.B - The Board shall reimburse a teacher for damage or destruction, by a student, of the teacher's clothing or personal property in his/her classroom not covered by the teacher's insurance while the teacher is on duty or in a job related function.

Section 14.4 - Any complaints by a parent or student directed toward a teacher shall be called to the teacher's attention immediately before any judgement is made or action taken involving such teacher. If a complaint is put in writing and is placed in the teacher's personal or personnel file, the teacher will have an opportunity to add comments and be provided a copy of the complaint.

Section 14.4.A - If a complaint by a parent or student is lodged against a teacher to a Central Administrator or Board of Education member, the Administrator or Board member shall direct the parent or student to the building administrator.

Section 14.5 - A bargaining unit member shall be entitled to have present a representative of the Association during any meeting which leads to disciplinary action. When a request for such representation is made, no action shall be taken with respect to the teacher until such representation of the Association is present. Such representation must be present within twenty-four (24) hours following the request by the Administration.

Section 14.6 - Should disciplinary action likely occur at a given meeting, the teacher shall be advised immediately of said possibility and be advised of the right to representation under this provision of the Agreement.

Section 14.7 - Each teacher shall have the right upon request, to review the contents of his/her own personnel or personal file. A representative of the Association may, at the teacher's request, accompany the teacher in his/her review. This review must be made in the presence of the administrator responsible for the safekeeping of such a file.

Section 14.8 - Each teacher's personal or personnel file shall contain the following items of information:

- A. Medical information if pertinent
- B. All teacher evaluation reports
- C. A copy of the teaching certificate
- D. Transcript of academic records
- E. Tenure recommendation
- F. Layoff and recall notices
- G. Application and resume
- H. Criminal Record Check (as provided by law)

When the process for correcting areas mentioned as needs improvement or unsatisfactory has been completed, the administration will place in the file a letter stating such, with a copy to the individual teacher.

ARTICLE XV

Grievance

Section 15.1 - Any grievance is defined as a disagreement on the part of any teacher, group of teachers, or the Association in connection with wages, hours, terms, and conditions of employment as defined in this Agreement. Such grievances shall be limited to the provisions of this Agreement. The SEA/MEA/NEA will designate a representative(s) for the purpose of processing grievances in accordance with his/her duty of representation as expressed under Section Seven and Eleven of PA 379 as amended.

The Association will not pursue any grievance without the expressed written approval of the teacher or group of teachers involved.

In order that grievances may be handled in an orderly fashion, the following procedure shall be followed:

LEVEL I

Any teacher, group of teachers, or the Association or designee believing that there has been a violation of any provision of this Agreement shall, within ten (10) school days after the alleged violation, orally discuss the matter with the building Principal of the school involved. If a satisfactory settlement cannot be reached, the grievance and the Principal's answer shall then be reduced to writing, utilizing the grievance report form in the Appendix, within five (5) school days with notice given to the grieving party/parties and the Association or designee.

LEVEL II

Within five (5) school days following the receipt by the teacher, group of teachers, or the Association's designee of the Principal's written response, the grievance shall be filed with the Superintendent or designee. The Superintendent or designee shall, within five (5) school days after receipt of the written grievance, meet with the grieving party/parties in an attempt to resolve the dispute. If such a meeting does not resolve the grievance, the Superintendent or designee shall submit an answer, in writing, to the Association designee and teacher within five (5) school days. The grievance shall then be transmitted by the Superintendent to the Board within five (5) school days.

LEVEL III

At its next regular meeting, the Board shall review the grievance. The Board may hold a hearing, may designate one (1) or more of its members to hold a hearing or otherwise investigate the grievance, or may prescribe such other procedure that it deems appropriate for consideration of the grievance, provided however, that in no event, except by written agreement between the Board and the Association's designee, shall final determination of the grievance be made by the Board or its delegated representatives more than fifteen (15) school days after the above meeting.

LEVEL IV

If the decision of the Board does not result in a satisfactory settlement, the grievance may be submitted to arbitration by a written notice given to the Board by the Association's designee within fifteen (15) school days after receipt of the written decision from the Board.

An impartial arbitrator may be selected by the parties to decide the matter. If they cannot agree as to the arbitrator, he/she shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration proceedings. The power of the arbitrator shall be limited to the interpretation or application of the expressed terms of this Agreement, and he/she shall have no power to alter, add to, or subtract from the terms of this Agreement. The parties shall not be permitted to assert, in such arbitration proceeding, any ground or to rely on any evidence not previously disclosed. The decision of the arbitrator shall be binding on both parties. The fees and expenses of the arbitrator shall be shared equally by the Board and the Association.

Section 15.2 - Every grievance shall be processed within the time limits provided herein, unless extended by mutual written agreement.

Section 15.3 - If a teacher is found to have been discharged without just cause, he/she shall be reinstated on such terms as the parties may agree or as the arbitrator shall order.

Section 15.4 - Either party may have representation at any step of the grievance procedure.

Section 15.5 - In the event a grievance is filed after May 1st of any year and strict adherence to the time limits may result in hardship of any party, the Superintendent shall use his/her best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. If the grievance is processed to arbitration, the Association may submit the grievance to expedited arbitration under the rules of the American Arbitration Association.

ARTICLE XVI

Miscellaneous Provisions

Section 16.1 - This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts which shall be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.

Section 16.2 - Copies of this Agreement shall be printed at the expense of the Board and presented to all teachers now employed or hereafter employed by the Board.

Section 16.3 - If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or application shall continue in full force effect.

Section 16.4 - The Association agrees that it or its representatives or teacher(s) shall not authorize, engage in or ratify a strike within the Sparta Area Public Schools during the life of this Agreement. A strike means the concerted failure to report for duty, the willful absence from one's position, the stoppage of work, or the abstinence, in whole or in part, from the full, faithful, and proper performance of the duties of employment, for the purpose of inducing, influencing, or coercing a change in the conditions or compensation, or the rights, privileges, or obligations of employment as expressed in this Agreement.

Any violation of the above definition shall mean that the Association or its representatives may be held liable for such financial damages and financial costs suffered by the Sparta Area Schools and awarded by the court of competent jurisdiction.

This article shall not be construed to limit, impair or affect the right of any teacher to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of employment, so long as the activity is not designed to and does not interfere with the faithful duties of employment. Any individual teacher who violates the above covenant may be disciplined by the Board. Such discipline shall be applied equally to all teachers involved in the violation.

Section 16.5 - A copy of current Board policies including any updates or revisions shall be placed in each building and given to the Sparta Education Association President as they become effective. Revisions will be updated as they take place.

2008 - 2011 ADDENDUM

If staffing needs warrant and finances permit, the superintendent, at his/her discretion, may hire teachers who have retired from the Sparta Area Schools to work on a part-time basis. A teacher so hired may teach up to one-half the normal teaching load. Compensation for one working the maximum allowed will be one-third of his/her retirement basis average as allowed under the Michigan Public School Employees Retirement System. A teacher who teaches less than one-half of his/her normal teaching load will be compensated on a prorated basis of the one-third average.

At the end of the 2008-09 school year, all positions held by retirees will be posted internally. If through the posting process no certified and/or qualified internal staff member applies for the position, said returning retiree with the superintendent's approval, may retain the aforesaid position for the next school year. This process would be followed each subsequent school year. If the retiree position is filled internally, said retiree may apply with the superintendent's approval, for any other open position for that school year prior to external postings.

A new retiree, with the approval of the superintendent, may return on a part-time basis for one school year before the aforementioned annual posting process begins.

Individuals hired under the terms described above will be due paying members of the association, but do not have and will not accrue seniority or receive insurance benefits. Sick days, personal days and other duties and privileges will be granted on the same basis as regular part-time teachers, but sick days will not accumulate.

All contracts under this provision are one year agreements.

This addendum applies to all returning retirees hires beginning July 1, 2008 and expires June 30, 2011.
