AGREEMENT

THIS AGREEMENT, entered into this 25th day of September, 2006, between ALMONT COMMUNITY SCHOOLS, hereinafter referred to as the "Board", and ALMONT EDUCATION SUPPORT PERSONNEL ASSOCIATION (ESP) MEA/NEA, hereinafter referred to as the "Union".

NOTE: The headings and exhibits used in this agreement neither add to, nor subtract from the meaning, but are for reference only.

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Board, the employees and the Union.

The parties recognize that the interest of the community and the job security of employees depend upon the Board's success in establishing good communication at all levels and among all employees.

ARTICLE I

Recognition--Employees Covered

The Almont Community Schools hereby recognize Almont ESP, MEA/NEA, an affiliate of the National Education Association, as the sole and exclusive bargaining representative for the purpose of collective bargaining in respect to wages, hours and other terms and conditions of employment for the term of this Agreement of all maintenance/custodial, custodial, food service, bus drivers, bus mechanics and paraprofessionals, whether full-time or part-time, probationary, on leave, employed, or to be employed by the Board.

But, excluding supervisors, teachers, secretaries, substitutes, administrators, volunteers, student aides and all other employees of the Board.

ARTICLE II

Management Rights

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan, and of the United States. Such rights shall include by way of illustration and not by way of limitation, the right to:

- a) Manage and control the District's business and affairs, the services, materials, and supplies, the operations and the methods and processes for carrying on the District's operation, and the location and closing of its facilities or subdivision thereof;
- b) Direct the working forces, including the right to hire, promote, discipline, and discharge employees, assign, and schedule work, determine the qualifications of employees, the size of the work force and to lay-off employees;
- c) Adopt reasonable rules and regulations.

The exercise of the authority and responsibilities by the Board shall be limited only by the terms of this Agreement.

ARTICLE III

Union Security--Agency Shop

- 3.1 Each bargaining unit member shall, as a condition of employment: **1)** on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Union, or **2)** pay a service fee to the Union pursuant to the Union's "Policy Regarding Objection to Political-Ideological Expenditure" and the internal Union's administrative procedures adopted pursuant to that policy. The service fee shall not exceed the amount of Union dues collected from Union members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such service fee directly to the Union, or authorize payment through payroll deduction, the Board shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Union, deduct the service fee from the bargaining unit member's wages and remit same to the Union. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Monies so deducted shall be remitted to the Union, or its designee, no later than thirty (30) days following deduction.
- 3.2 The Union has established a "Policy Regarding Objections to Political-Ideological Expenditures". That policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-Union bargaining unit members. The remedies set forth in that policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review there, shall have been availed of and exhausted, no dispute, claim or complaint by a bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or any other administrative or judicial procedure.
- 3.3 Any bargaining unit member who is a member of the Union, or who has applied

for membership, may sign and deliver to the Board, an assignment authorizing deduction of dues, assessments and contributions in the Union, as established by the Union. Such authorization shall continue in effect from year-to-year unless revoked according to the procedures outlined in the MEA Constitution, By-Laws and Administrative procedures. Pursuant to such authorization, the Employer shall deduct one-tenth (1/10th) of such dues, assessments, and contributions from the regular salary check of the bargaining unit member each month for ten (10) months, beginning in September and ending in June of each year.

- 3.4 Upon appropriate written authorization from the bargaining unit member, the Board shall deduct from the salary of any such bargaining unit member and make appropriate remittance for MESFSA/MESSA programs not fully Board paid, credit union, United Way, MEA-PAC/NEA-PAC contributions or any other plans or programs jointly approved by the Union and Board.
- 3.5 Due to certain requirements established in recent court decisions, the parties acknowledge that the amount of the fee charged to nonmembers, along with other required information, may not be available and transmitted to nonmembers until mid-school year (December, January or February). Consequently, the parties agree that the procedures in this Article relating to the payment or nonpayment of the representation fee by nonmembers shall be activated thirty days after this information becomes available.
- 3.6 In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with this Article, the Union agrees to defend such action at its own expense and through its own council, provided:
- a) The Board gives timely notice of such action to the Union and permits the Union intervention as a party if it so desires.
 - b) The Board gives full and complete cooperation to the Union and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and appellate levels.

The Union agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article.

ARTICLE IV

Agreement will be represented by six (6) stewards and one (1) head steward. The Union shall have the exclusive right to assign said stewards and shall assign at least one (1) steward to each of the following locations or departments:

- a) The Board will provide bulletin boards in each designated area, which may be used only by the Union for notices pertaining to Union business.
- b) The Board will allow the Association President the use of a copy machine for the purpose of Association business. It is understood that the usage of the copier by the Association will in no way reflect negatively upon the Board of Education as a whole, nor its individual members. The number of copies run for Association business shall not exceed six hundred (600) in one (1) school year. Should the Association request for use of the copier exceed the six hundred (600) limit, the Association shall reimburse the Board for each additional copy per Board policy.

4.3 Special Conferences

- a) Special conferences for important matters will be arranged between the President and the Superintendent or a designated representative upon the request of either party. Such meetings shall be between at least two representatives of the Union and two representatives of management. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conference shall be confined to those included in the agenda. Conferences shall be held at mutually agreeable times. The members of the Union shall not lose time as a result of such special conferences.

A representative of the MESPA may attend this meeting.

The Board agrees to make available to each employee, a copy of this Agreement and to provide a copy of the same Agreement to all new employees entering the employment of the Board.

4.5 New Jobs

In the event the Board institutes a new position within a classification, the Board will notify the Union President and Head Steward in writing. The Board will set a rate for the position within a classification which, unless the Union notifies the Board, in writing, during the first twenty (20) working days of its desire to negotiate over the position within a classification, will become the rate. The Board will confer with the Union prior to the implementation of the position within a classification.

- 4.6 Union meetings up to eight (8) hours annually, scheduled during work days at times when the fewest Union members are working (usually 4:00 p.m.) are allowed when the facility is scheduled ahead of time according to Board policy. Members are not paid while attending the meeting. Those members who are scheduled to work at the same time in which the meeting is conducted may attend the meeting. However, they must make up the work time missed while attending the meeting after their regularly scheduled work day. The make up time must be performed on the same day as the Union meeting.

ARTICLE V

Member Rights and Protection

- 5.1 The parties agree that there shall be no discrimination against any employee or applicant for employment by reason of race, age, creed, color, sex, and national origin or because of membership in the Union.
- 5.2 The Board agrees that the rules and regulations promulgated by the school administration shall be reasonable and that its enforcement of discipline shall be fair and for just cause.

- 5.3 Appeal of Discharge or Suspension - Should the discharged or suspended employee and/or the steward consider the discharge or suspension to be improper, it shall be submitted to the Superintendent or his designee at Step (2) of the grievance procedure.
- 5.4 Use of Past Record - In imposing any discipline or discharge on a current charge, the Board may take into account any prior infractions, which occurred in the past. Up to three (3) years' previous infractions may be used for attendance purposes only. If the employee has falsified his/her employment application and such falsification enabled him/her to gain his/her employment with the Board, regardless of when the falsification occurred, the employee may be disciplined up to and including discharge for such falsification.
- 5.5 The parties recognize the merits of progressive discipline. It is, therefore, agreed that progressive discipline shall be exercised and shall include verbal warning, verbal reprimand, written reprimand, suspension, with discharge as a final and last resort. The Administration shall have the right to introduce the above-mentioned discipline at the appropriate level commensurate with the offense. Alleged breaches of discipline shall be brought to the employee's attention as promptly as possible.
- 5.6 A bargaining unit member shall be entitled to have present a representative of the Union during any meeting which will or may lead to disciplinary action by the Board. When a request for such representation is made, no disciplinary action shall be taken with respect to the bargaining unit member until such representative of the Union is present. Should disciplinary action be likely to occur at a given meeting, the bargaining unit member shall be advised immediately of said possibility and be advised by the Board of the right to representation under this provision of the Agreement.
- 5.7 A bargaining unit member will have the right to review the contents of his/her personnel file originating after initial employment and to have a representative of the Union accompany him/her.
- No material, including but not limited to: student, parental, or school personnel complaints originating after the initial employment will be placed in a bargaining unit member's personnel file unless the bargaining unit member has had an opportunity to review the material.
- 5.8 Complaints against the bargaining unit member shall be put in writing with names of the complainants, administrative action taken and remedy clearly stated in cases where formal disciplinary action is taken against the employee. The bargaining unit member may submit a written notation or reply regarding any material, including complaints, and the same shall be attached to the file copy of the material in question. When material is to be placed in a bargaining unit member's file, the affected bargaining unit member shall review and sign said

material. Such signature shall be understood to indicate awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material. If the bargaining unit member believes the material is to be placed in the file is inappropriate or in error, he/she may request that the material be corrected or expunged from the file. In the event the Board does not agree with the employee, the issue may be processed through the grievance procedure.

ARTICLE VI

Grievance Procedure

6.1 It is the intent of the parties to this Agreement that the grievance procedure set forth herein shall serve as a means for a peaceful settlement of disputes that may arise between them as to the application and interpretation of this Agreement. A grievance is a complaint alleging a violation, misinterpretation of the terms of this Agreement or other conditions of employment. In order to be a proper matter for the grievance procedure, the grievance must be presented within ten (10) working days of the employee's knowledge of its occurrence. The Employer will answer, in writing, to the Union any written grievance presented to it.

- Step 1: Any grievance by a bargaining unit member or group of bargaining unit members, or the Union shall be presented to the employer as follows:
- a) When a grievance occurs, the affected bargaining unit member(s) shall request a meeting with his/her immediate supervisor in an effort to resolve the grievance. The grieving party may choose to notify the Union of the meeting, and may have a representative from the Union at the meeting.
 - b) If the matter is not disposed of, it will be submitted in written form by the steward to the immediate supervisor. Upon receipt of the grievance, the supervisor shall sign and date the employee's copy of the grievance.
 - c) The immediate supervisor shall give his answer to the steward, in writing, within five (5) working days after receipt of the grievance.

Step 2: If the answer is not satisfactory to the Union, it shall be presented, in writing, by the steward to the Superintendent or his/her designee within five (5) working days after the immediate supervisor's response is due. The Superintendent or his/her designee shall sign and date the steward's copy. The Superintendent or his/her designee shall respond to the steward, in writing, within five (5) working days of receipt of the grievance.

Step 3:

In the event the Board and MESPA are unable to satisfactorily resolve the grievance dispute, and the Union wishes to carry the matter further, it shall, within thirty (30) calendar days, file a demand for arbitration in accordance with the American Arbitration Association Rules and Regulations.

The arbitration proceeding shall be conducted in accordance with the American Arbitration Association Rules and Regulations.

Each such decision shall be final and binding on the Union, its members, the employee or employees involved, and the Board. The arbitrator shall make a judgment based on the express terms of this Agreement, and shall have no authority to add to, or subtract from any of the terms of this Agreement. The expenses for the arbitrator shall be shared equally between the Board and the Union.

Any award of wages made by the arbitrator shall be limited to the beginning of the pay period immediately preceding the pay period in which the grievance was filed.

- 6.2 A grievance may be withdrawn without prejudice and if so withdrawn, all financial liabilities shall be canceled. If the grievance is reinstated, the financial liability shall date only from the date of reinstatement. If the grievance is not reinstated within thirty (30) days from the date of withdrawal, the grievance shall not be reinstated. When one or more grievances involve a similar issue, those issues may be withdrawn without a prejudice, pending the disposition of the appeal of the representation case. In such event, the withdrawal without prejudice will not affect financial liability.
- 6.3 The time limits specified hereinafter for movement of grievances through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the parties in writing. In the event that the Union fails to appeal a grievance or Board answer within the particular, specified time limit, the involved grievance shall be deemed to be abandoned and settled on the basis of the Board's last answer, if any. In the event that the Board shall fail to supply the Union with its answer to the particular step within the specified time limits, the grievance shall be deemed automatically positioned for appeal at the next step with the time limit for exercising said appeal commencing with the expiration date of the Board's period for answering.
- 6.4 General provisions are:
1. All grievances and dispositions shall be completed, in writing, on the forms set forth in Appendix A, which is attached to and incorporated in this Agreement. The Union shall be provided the appropriate copies of these forms.

2. A grievance may be withdrawn at any level without establishing a precedent.
3. A complaint or grievance may be withdrawn at any level without prejudice or record.
4. Information necessary to the determination and processing of any grievance shall be furnished upon written request.
5. Documents, communications and records dealing with a grievance shall be filed separately from the personnel files of the participants.
6. The employee involved in a grievance procedure, mutually scheduled during the work day, shall be excused with pay for that purpose.
7. The parties may mutually agree to waive any level of the grievance procedure.

ARTICLE VII

Seniority

7.1 Probationary Employees

- a) New employees hired in the unit shall be considered as probationary employees for the first sixty (60) paid working days. Probationary employees who are absent on scheduled work days shall work additional days equal to the number of days that the employee was absent, and such employee shall not have completed their probationary period until these additional days have been worked. When an employee finishes the probationary period, s/he shall be entered on the seniority list of the unit and shall rank for seniority from the first date of work in permanent employment. There shall be no seniority among probationary employees.
- b) The Union shall represent probationary employees for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment. The Board may dismiss the employee during this period without appeal by the Union, or the employee.
- c) Both layoff and the taking of an approved leave of absence, as provided under this Agreement, shall constitute a break in service.
- d) Where two or more employees have the same hiring date, employees with the most substitute experience in the district prior to regular

employment with the District will be ranked higher on the seniority list.

- e) In the event two or more employees have the same seniority date of hire without previous substitute experience with the district, or where substitute experience is equal, the most senior employees will be determined by the highest total of the last three (3) numbers of the employee's social security number.

7.2 Seniority Lists

- a) The seniority list will show the first date of work in permanent employment and names of all employees of the unit entitled to seniority. District-wide seniority, as well as seniority within each classification will be listed.
- b) An employee transferring to a different classification shall have his/her seniority frozen in the previous classification and shall accrue seniority in the new classification. Seniority will accrue in the new classification following completion of the trial period. Said seniority will be retroactive to the first day of work in the new classification. Seniority will continue to accrue in the old classification for the period of time worked during the trial period only if the employee fails to complete the trial period and returns to the prior classification.
- c) Classifications will be:
 - 1) Bus mechanic
 - 2) Maintenance/Custodial
 - 3) Custodian
 - 4) Bus Driver
 - 5) Cook
 - 6) Paraprofessional
- d) The Board shall prepare, maintain and post the seniority list. The initial seniority list shall be prepared and posted conspicuous in all buildings of the district within thirty (30) work days after the effective date of this Agreement. Any objections by the bargaining unit member or the Union to the seniority list must be submitted, in writing, to the Superintendent within thirty (30) working days from the date of posting. During the development of the initial list, the process will continue until the Union and Board determine the list to be final and accurate. Once that determination is made, the list will be considered final until the next regularly scheduled challenge period.

An updated seniority list will be posted conspicuously in all buildings

of the District by September 30th of each year. Any objections to the seniority list must be submitted, in writing, within thirty (30) working days of the posting. Thereafter, the updated seniority list will be considered final and accurate. A copy of the posted seniority list and all subsequent updates shall be provided to the President of the Union upon request.

7.3 Promotions

- a) An employee promoted or transferred from a job classification in the bargaining unit to a supervisory position shall retain the seniority he/she had at the time of such promotion or transfer. No additional seniority shall accrue while in the supervisory position.
- b) An employee promoted or transferred, as described in subsection (a) above, shall have right to return to the bargaining unit, in the classification s/he was in immediately prior to the promotion, for a period of time equal to the length of his/her seniority. During this period of time, s/he may bid in accordance with his/her seniority for open positions. In the event no opening is available; s/he may bump the least senior employee in that classification that has less classification seniority.

7.4 Loss of Seniority - An employee shall lose his/her seniority for the following reasons only:

- a) S/he quits or retires.
- b) S/he is discharged and the discharge is not reversed through the procedure set forth in this Agreement.
- c) S/he is absent for two (2) consecutive working days, without notifying the Board, unless it is an emergency situation. An emergency shall be defined as a situation beyond the control of the employee in which no means exists for the employee to notify the Board of their reason(s) for absence. After such absence, the Board will send written notification to the employee at his/her last known address that s/he has lost his/her seniority, and his/her employment has been terminated. If the disposition made of any such case is not satisfactory, the matter shall be referred to the final step of the grievance procedure.
- d) If s/he does not return to work when recalled from layoff as set forth in the recall procedure, the Board may grant an extension based on the Superintendent's recommendation.
- e) Return from sick leave and leaves of absence will be treated the same as (c) above.

- f) Employees on layoff will retain re-employment rights for a maximum of five (5) years, or for the length of their seniority, whichever is less. Thereafter, seniority will be lost.
- 7.5 The maintenance/custodial employees shall accrue seniority in both custodial and maintenance/custodial classifications.

ARTICLE VIII

Vacancies and Transfers

- 8.1 A vacancy shall be defined as a newly created position or present position that is not filled which the Board intends to continue.
- 8.2 All vacancies and/or newly created positions within the bargaining unit shall be posted on all Union bulletin boards within seven (7) days of the date the vacancy occurs.
- 8.3 Whenever a vacancy arises, an assignment meeting shall be convened for the purpose of determining the assignment of employees. The initial vacancy will be posted at least five (5) working days in advance of the meeting. The Union and the Board shall mutually determine the date, time, and place of the meeting. Employees must be present to participate or provide a written proxy to another employee to act in his/her behalf. Vacancies and all resultant vacancies within that classification arising during the bidding procedure shall be filled first by employees with seniority in the classification. The most senior employee within the classification, meeting the minimum qualifications, will be awarded the position. Vacancies will then be filled by employees within the classification on the layoff list that meets the minimum qualifications. Remaining vacancies in that classification will be awarded to bargaining unit members meeting the minimum qualifications, unless an outside applicant possesses relevant credentials that are clearly "head and shoulders" above the Union applicant. A "head and shoulders" candidate may not be hired if an available laid-off bargaining unit member meets the minimum qualifications. Vacancies in other classifications created by the original posting shall be re-posted and the process shall be repeated. All remaining vacancies will be filled with new hires.
- 8.4 If an employee on layoff is interested in a position in another classification, s/he shall provide written notice of such to the Board. If the Board has such notice and a vacancy within the specified classification occurs, the Board shall send a notice of the vacancy to the interested laid-off employee at the same time the postings are posed on the bulletin board.
- 8.5 In the event the senior applicant is denied the job, reasons for denial shall be given, in writing, to the employee and his steward. In the event the senior applicant disagrees with the reasons for denial, it shall be a proper subject for

the grievance procedure. The Board shall furnish the President with a copy of each job posting at the same time the postings are posted on the bulletin boards, and the Board shall notify the Union President as to who was awarded the job.

- 8.6 If an employee bids for, and received a job with minimum qualifications that are different from a job s/he held previously, s/he shall be granted a four-week trial period to determine:
- a) His/her desire to remain on the job
 - b) His/her ability to perform the job
- 8.7 During the four-week trial period, the employee shall have the opportunity to revert back to his/her former classification. If the employee is unsatisfactory in the new position, notice and reasons shall be submitted to the employee and his steward, in writing. In the event the employee disagrees, it shall be a proper subject for the grievance process.
- 8.8 During the trial period, employees will receive the rate of pay of the job they are performing.
- 8.9 Minimum qualifications will be listed in the job descriptions. Qualifications will be job related and will include only those minimum qualifications necessary to perform the job.
- 8.10 In addition to the normal posting process, custodians, cooks and paraprofessionals will select positions no later than one week prior to the commencement of school.
- 8.11 Bus Driver Assignments:
- a) The Board has the sole right to create a package of run assignments prior to the start of the school year. A package may consist of any group of runs that the school designates.
 - b) When creating a package, the Board will attempt to place as many runs as possible in a given package, not to exceed eight (8) hours.
 - c) The board shall present the package assignments to Union representatives prior to presentation to all drivers. The designated Union representatives shall have forty-eight (48) hours to present alternative package options to the Board. In no event shall the Board be required to change any package that would result in that package having more than five (5) minutes layover time.
 - d) Drivers will be provided a choice of available packages prior to the start of each school year. At a special meeting set by the Board, each employee shall bid on the packages, by seniority.

- e) Within a package, layover time will be paid when there is less than one (1) full hour between scheduled runs, if an unintentional delay, i.e. inclement weather, breakdown, unavoidable delay is longer than fifteen (15) minutes, the driver will be compensated at the regular rate.
- f) When a run is consistently late for a period of two (2) weeks, the driver has a right to request re-timing of that run. The re-timing will occur within two (2) weeks of the request.
- g) The Board shall post a new run as an individual run unless otherwise agreed to by the Union and the Board. An employee may bid on the new run provided it does not conflict with regularly scheduled assignments. The Board shall then assign the run to an employee on the basis of seniority, provided the Board would not be obligated to assign a new run on any driving schedule where such an assignment creates unnecessary lay-over time.
- h) Bus drivers shall receive (15) minutes paid time to check out their bus for safety the first time the bus is driven each day.
- i) It is the intent of the parties to have all kindergarten, elementary and high school regular runs one and one quarter (1 1/4) hours in length whenever possible. Special Education, one junior/senior high short, one elementary short, vocational runs are excluded. Adequate time will be allowed for bus drivers to commute from the elementary school to the high school (e.g., fifteen (15) minutes provided during the 1988/89 school year where the bus must originate from the elementary school).
- j) Bus drivers shall be paid for regular runs that are canceled with less than twenty-four (24) hours' notice on other than Act of God days.

8.12 Transfers:

The parties agree that involuntary transfers shall be kept at a minimum and only when necessary.

8.13 Position Protection:

The parties agree that certain jobs within the paraprofessional classification require specialized skills, training, and are enhanced by experience. With that in mind, a committee comprised of four (4) bargaining unit members and a building administrator will meet with the superintendent in June of each year to determine positions that will be protected for the following year. It is agreed that the employees serving in the protected positions will remain in them the following year, and the positions will not be part of the bid process.

ARTICLE IX

Temporary Assignments

- 9.1 Temporary assignments for the purpose of filling vacancies within a classification for employees who are on vacation, ill, on leave, etc., will be granted to the most senior, qualified employee. Regular employees will receive the rate of pay of the higher classification for all full shifts worked while filling such a vacancy. When the temporary assignment is filled, a substitute may be called to fill the new opening (no bumping). Cooks in the same location may move more than once for training purposes.
- a) Temporary assignments for bus drivers shall be filled based on the money sheet, unless other mutually agreeable arrangements are made.
 - b) Openings created by a bus driver choosing a temporary assignment shall be filled by a substitute.
- 9.2 Student help may be employed to work in the school cafeteria, with a custodian, or to do clerical work. The employment of other temporary help shall be restricted as follows:

ARTICLE XVII

Extra Duty

- 17.1 Extra duty is defined as work performed over and above the employee's normal daily assignments. For purposes of equalization of extra duty, the hours worked and/or dollar value of such hours will be considered.
- 17.2 The Board agrees to reasonable equalization of extra duty and the Board or its designee will maintain an extra duty/extra money list for each classification. The list will be updated and posted every two weeks and will end on June 30th of each year.
- 17.3 Employees may sign off being considered for extra duty and may reactivate their rights to extra duty by stating their desire, in writing, to their immediate supervisor. These rights will take effect at the next regular updating of the extra duty list. An employee so reactivated shall be charged with the highest amount of accumulative hours/dollars credit from the extra duty list at the time of reactivation.

Custodians and Maintenance/Custodians Extra Duty

- 17.4 Extra duty shall be offered first on a basis of seniority until all custodial and maintenance/custodial employees have been offered extra duty. The hours of extra duty time will be credited to each employee upon acceptance or refusal of work. Thereafter, employees will be offered extra duty according to the list of hours, with the employee whose total hours are the lowest being asked first. Equalization shall be done on a building basis rather than a system-wise basis. Should the list be exhausted and no volunteers accept the extra duty, it shall be assigned to the least senior employee. Custodians and maintenance/custodians shall be eligible for building checks.
- 17.5 Unscheduled call-ins of custodians and maintenance personnel shall be paid a minimum of two hours at the employee's regular rate of pay.
- 17.6 A custodian shall be present in the building for special events in which the building principal determines their skills to be necessary.

Cooks and Bus Driver's Extra Duty

- 17.7 Extra duty shall be equalized by charging the employee the dollar value of each job or trip. All extra duty monies earned, including substitute time, outside trips and overtime, will be added together for the total amount of money to be charged to the accumulated amount. Initially, extra duty will be offered according to seniority until all employees have established money. Future extra duty will be scheduled through the employee with the least amount of money credited. If more than one trip is scheduled during the two (2) week period, the second lowest money employee will have an opportunity for the second trip, the third lowest money employee will have an opportunity for the third trip, etc.
- 17.8 After a Two Hundred (\$200.00) Dollar difference occurs between the low and high money charged on the extra money sheet, the rotation stops at the Two Hundred (\$200.00) Dollar difference and the schedule goes back to the employee with the lowest amount of money credited.

Charges/Bus Drivers

- 17.9 In the event a driver cannot drive a scheduled trip due to a death in the immediate family, the driver will not be charged for the trip.
- 17.10 The normal posting day for outside trips will be Wednesday and will apply to those trips scheduled for the following week – Sunday through Saturday.

Drivers above the Two Hundred (\$200.00) Dollar limit line will be charged with the dollar amount of the trip earned for all trips refused, provided at least forty-eight (48) hours' notice of the schedule has been given. Should a trip be scheduled with less than forty-eight (48) hours' notice, the driver scheduled has the right to refuse the trip without penalty. If said driver refused the trip, it is then open for bid and the bidding goes back to the employee with the lowest amount of money who will have the right of first refusal. Should the list be exhausted, and no one volunteers to accept the trip, it shall be assigned to the least senior employee. The driver will also be charged if the trip is scheduled on a sick day, personal business day, funeral day (except if it involves a member of the immediate family), or unpaid day.

If a trip is canceled, the employee scheduled for that trip will be skipped and will appear again during the normal rotation. A bus driver may refuse another bus driver's regular schedule without being charged on the extra duty sheet.

If an employee is unable to accept an outside trip because of a conflicting regularly scheduled work assignment in the school district, said employee shall not be charged for that outside trip.

If the driver, scheduled for an outside trip during regular working hours, would lose money by taking the trip, the driver may turn down that trip without being charged for it. Bus trips for extra duty that conflict with negotiation sessions shall not be charged to the employee negotiating.

17.11 Money Sheet Disputes

The Board has agreed to utilize a process for determining drivers for extra trips that is desired by the bargaining unit. Therefore, the parties agree that a committee comprised of four (4) bargaining unit members and an administrative representative will meet to resolve disputes regarding the money sheet. Under no circumstances will the resolution result in additional cost to the school district.

Hours beyond two (2) hours after student dismissal shall be paid at time and one-half if the employee is required by the Board to work. An exception to this shall be bus drivers who will be paid at time and one-half, beginning two (2) hours after the first building dismissal. In no event will an employee receive less than their hourly rate for all authorized hours worked on an Act of God day.

- 18.3 In the event that a custodian or maintenance/custodian cannot arrive at work at his/her regularly scheduled starting time, s/he shall arrive at work as soon as possible and work a full day. If the custodian or maintenance/custodian is unable to report to work, s/he must notify the immediate supervisor and may use either a personal day, sick day, vacation day, unpaid day, or make-up the date at the regular rate on the Saturday following the day missed.
