This Agreement entered into this ____ day of August, 2006, by and between the Glen Lake Educational Support Personnel Association (GLESPA) MEA/NEA, hereinafter called the "Union," and the Glen Lake Community Schools Board of Education, hereinafter called the "Employer." In consideration of the following mutual covenants, it is hereby agreed as follows:

1.2 Recognition

This Agreement is entered into pursuant to and in accordance with all applicable provisions of the Public Employment Relations Act, Act. No. 336 of the Public Acts of 1947, as amended, to establish the wages, hours, terms and conditions of employment for the members of the bargaining unit herein defined for the entire term of this Agreement.

1.3 Bargaining Unit Defined

The Glen Lake Community Schools Board of Education hereby recognizes the Glen Lake Educational Support Personnel Association (GLESPA), MEA/NEA as the sole and exclusive bargaining representative for all regularly scheduled certified bus drivers employed by the Glen Lake Community Schools, excluding supervisors, executive personnel, substitute bus drivers, bus mechanics, office and clerical employees, custodians, cafeteria employees, maintenance personnel, teacher aides, library personnel, playground supervisors, and all other employees. (above) and by mutual agreement, modify this agreement by signed amendment.
- C. Any individual contract between the Employer and an individual bargaining unit member heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement. Should any inconsistency arise, the express terms of this Agreement shall prevail.

ARTICLE I

Agreement

1.1 Agreement

This Agreement entered into this ____ day of September, 2006, by and between the Glen Lake Educational Support Personnel Association (GLESPA) MEA/NEA, hereinafter called the "Union," and the Glen Lake Community Schools Board of Education, hereinafter called the "Employer." In consideration of the following mutual covenants, it is hereby agreed as follows:

1.2 Recognition

This Agreement is entered into pursuant to and in accordance with all applicable provisions of the Public Employment Relations Act, Act. No. 336 of the Public Acts of 1947, as amended, to establish the wages, hours, terms and conditions of employment for the members of the bargaining unit herein defined for the entire term of this Agreement.

1.3 Bargaining Unit Defined

The Glen Lake Community Schools Board of Education hereby recognizes the Glen Lake Educational Support Personnel Association (GLESPA), MEA/NEA as the sole and exclusive bargaining representative for all regularly scheduled certified bus drivers employed by the Glen Lake Community Schools, excluding supervisors, executive personnel, substitute bus drivers, bus mechanics, office and clerical employees, custodians, cafeteria employees, maintenance personnel, teacher aides, library personnel, playground supervisors, and all other employees. The Union recognizes its responsibility as bargaining agent and will represent all employees in the bargaining unit without discrimination or coercion.

1.4 Extent of Agreement

- A. This Agreement shall constitute a binding obligation of both the Employer and the Union and for the duration hereof may be altered, changed, added to, deleted from, or modified only through the voluntary, mutual consent of these parties in writing and signed amendment to this Agreement.
- B. Should any provision of this Agreement be found contrary to law, then such provision or application shall not be deemed valid except as may be permitted by law. However, the balance of the Agreement shall remain in effect for the duration of the Agreement. The parties may, pursuant to 1.4.A. (above) and by mutual agreement, modify this agreement by signed amendment.
- C. Any individual contract between the Employer and an individual bargaining unit member heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement. Should any inconsistency arise, the express terms of this Agreement shall prevail.
- D. The parties agree that their undertakings in this Agreement are mutual. Any previously established practice, policy, rule, or regulation which is in conflict with an express provision of this Agreement shall be superseded by this Agreement.

ARTICLE 2

Agency Shop

2.1 Service Fees

- A. Membership in the Union is not compulsory. Each employee shall have the right to freely join, refrain from joining, or drop his/her membership in the Union. It is understood between the parties that membership in the Union is not a condition of employment and neither party to this agreement shall discriminate against, intimidate, or otherwise influence an employee regarding his/her individual decision with respect to Union membership.
- B. Each bargaining unit member shall, as a condition of employment:
1. On or before thirty (30) days from the date of completion of the probationary period or the effective date of this Agreement, whichever is later, join the Union, or
 2. Pay a Service Fee to the Union not to exceed an amount as allowed by law. The Service Fee shall not exceed the amount of union dues collected from union members. The bargaining unit member may authorize payroll deduction for such fee. In the event that the bargaining unit member shall not pay such Service Fee directly to the Union, or authorize payment through payroll deduction, the Employer shall, pursuant to MCLA 408.477; MSA 17.277(7) and at the request of the Union, deduct the Service Fee from the bargaining unit member's wages and remit same to the Union. Payroll deductions made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each affected bargaining unit member. Monies so deducted shall be remitted to the Union, or its designee, no later than twenty (20) days following deduction.
- C. The Union agrees to indemnify and hold the Employer harmless from any and all liability that may result from the enforcement of the terms and conditions of this article, including the costs incurred in the defense of an action brought for reinstatement of employment.

2.2 Objections Policy

Pursuant to Equal Employment Opportunity Commission guidelines, any employee that has a bona fide good faith religious objection to the requirements of this article shall not be subject to these requirements. Any such employee shall notify the Employer and the Union of his/her objection and the basis for such objection. Any employee who has a bona fide good faith religious objection must pay an amount equal to the monthly Union fees (assessed of non Union members) to a nonprofit charitable organization that is active in the Glen Lake Community School District. The employee will supply a receipt of said contribution to both the Employer and the Union, showing that such contribution has been made.

2.3 Dues Deductions

Any bargaining unit member who is a member of the Union, or who has applied for membership, may sign and deliver to the Employer an assignment authorizing deduction of dues, assessments and contributions to the Union as established by the Union. Such authorization shall continue in effect from year-to-year unless revoked in writing between July 1 and August 31 of any year. Pursuant to such authorization, the Employer shall deduct one-tenth of such dues, assessments and contributions from the second monthly regular payroll check of the bargaining unit member each month for ten (10) months, beginning in September and ending in June of each year. When an employee does not have sufficient money due him/her, after other required deductions have been made, Union dues or fees for that month will be collected by the Union directly from the employee.

2.4 Payroll Deductions

- A. Upon appropriate written authorization from the bargaining unit member, the Employer shall make deductions and make appropriate remittance as noted below:
1. Required:
 - (a) Federal Withholding Tax
 - (b) State Withholding Tax
 - (c) Social Security and Medicare Tax
 - (d) Union dues or service fees
 - (e) MPSERS deductions for MIP participants
 - (f) Orders by courts of competent jurisdiction and court authorized agencies (child support, garnishments, judgments, etc.)
 - (g) Other deductions as may be required by the express terms of this agreement
 2. Privileged:
 - (a) T.B.A. Credit Union
 - (b) Annuities (to organizations as may be mutually approved by the Employer and the Union)
 - (c) U.S. Savings Bonds (first pay of each month)
 - (d) Other deductions as may be mutually approved by the Employer and the Union
- B. The Employer may make corrections in an employee's pay due to bona fide Employer or employee error after discussion and consultation with the employee. In such cases, an explanation of the reason for the correction will accompany the pay adjustment.

ARTICLE 3

Management Rights

3.1 Management Rights

The Employer hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it, or not specifically withheld from it, by the Michigan School Code (as revised and amended) and the laws and the Constitution of the State of Michigan and of the United States. Illustrative of these rights are the following:

- A. To exercise the executive management and administrative control of the school system and its properties and facilities, and the professional activities of its employees;
- B. To hire all employees and, subject to the provisions of this Contract and of the law, to determine their qualifications, and the condition of their continued employment, or their dismissal or demotion, and to promote and transfer all such employees;
- C. To determine the services, supplies and equipment necessary to continue its operation and to determine schedules, standards of operation, the means, methods, and processes of carrying out the work, and the institution of new and/or improved methods of operation, including automation;

- D. To carry on an evaluation of program and to evaluate the effectiveness of individual employee performance;
- E. To adopt rules and regulations that are not in expressed conflict with the terms of this Contract.

The Employer agrees to carry out its management rights within the confines of the law.

ARTICLE 4

Union Rights

4.1 Information

The Employer agrees to furnish to the Union in response to reasonable requests for all available information (in the form in which it is maintained) concerning the financial resources of the District, the preliminary budget, and such other information as will assist the Union in preparing for negotiations. The Union and Employer also agree to provide available information to one another to assist in preparing for and processing grievances.

4.2 Use of Facilities

The Union and its representatives shall have the right to conduct GLESPA Union business on the Employer's property or use the Employer's equipment at times which do not interfere with or interrupt normal operations or the employees' duty time, subject to prior scheduling such use of property and/or equipment with the Employer. The Union shall pay for the reasonable cost of all materials and supplies incident to such use.

4.3 Bulletin Boards

The Union shall have the right to post notices of activities and matters of Union concern on Employer designated bulletin boards in the facility to which employees are assigned.

4.4 Union Leave

The Union shall, with a minimum of a two (2) work day prior notice, be granted up to five (5) days annually of Union leave time at the Employer's expense. The Union will pay for all costs of the substitute drivers. The Union shall access this time by written notice to the Employer by the Union President. Normally not more than one (1) employee may be gone on the same date under this subsection of the Agreement (and in no case shall more than two (2) employees be gone on the same date). This provision is dependent on the availability of substitute drivers.

ARTICLE 5

Bargaining Unit Members Rights and Protections

5.1 Individual Rights

Nothing contained within this Agreement shall be construed to deny or restrict to any bargaining unit member rights he/she may have under the Michigan General School Laws or other applicable State or Federal laws or regulations.

5.2 Non-discrimination

The Employer and Union agree that they will in no way discriminate against or between bargaining unit members covered by this Agreement based on rights they may have under the Michigan General School Laws or other applicable State or Federal laws or regulations.

5.3 Discipline and Discharge

No non-probationary bargaining unit member shall be disciplined without just cause. The term "discipline" as used in this Agreement includes warnings; reprimands; suspensions with or without pay; reductions in rank, compensation, or occupational advantage; and discharges. Any such discipline of non-probationary bargaining unit members, except for adverse evaluation of bargaining unit member performance, shall be subject to the grievance procedure, hereinafter set forth, including arbitration. The specific grounds for disciplinary action will be presented in writing to the bargaining unit member and the Union as soon as possible. It is agreed that the concept of progressive discipline will be followed. It is understood that a violation may be so significant that the disciplinary action required may involve skipping one or more steps to reach the appropriate level of disciplinary action.

5.4 Written Notice of Suspension or Discharge

In the event an employee is discharged or suspended for disciplinary reasons, the employee shall receive written notice of such discharge or suspension and the Union member representative shall receive a copy of said notice as soon as possible.

5.5 Representation

A bargaining unit member shall be entitled to have present a representative of the Union during any meeting at which formal disciplinary action may be imposed by the Employer. When a request for such representation is made, no action shall be taken with respect to the bargaining unit member until such representative of the Union is present (except in extenuating circumstances where health or safety may be a factor). It will be the responsibility of the employee who asks for a delay until a Union representative can be present to reschedule a meeting with the Employer within two working days. The Employer will make a good faith effort to accommodate the rescheduling of the disciplinary conference and not seek to unduly delay its rescheduling. Should formal disciplinary action be likely to occur at a given meeting, the bargaining unit member shall be advised of said possibility by the Employer and the bargaining unit member will be encouraged to have a Union representative present. Investigatory meetings with employees at which issues may be clarified and questions may be asked will not be considered disciplinary in nature. If the investigatory meeting indicates that discipline may be forthcoming, the meeting will be stopped until Union representation can be obtained.

5.6 Personnel Files

- A. Each employee shall have the right, upon request (subject to guidelines of the "Bullard-Plawecki Employee Right to Know Act"), to review the contents of the personnel file maintained in the employee's name in the office of the Superintendent. A representative of the Union may, at the employee's request, accompany the employee in this review. The review shall be made in the presence of the Administrator responsible for the safekeeping of these files.

- B. Signed, written complaints by a parent of a student, a student, or any other person directed toward an employee, which is deemed serious enough to become a matter of a formal record, shall be called to the employee's attention. The employee involved is entitled to know the nature of the complaint and the identity or source of all such complaints at the time of notification unless such information is exempted by law. Any material relative to an employee's conduct, service, character or personality, including written complaints, shall not be placed in the personnel file maintained in the employee's name in the Office of the Superintendent unless the employee has received a copy of the material to be filed. This copy is to be signed by the employee in front of another employee or a Union representative. In the event the employee refuses to sign said copy, a statement, noting such, will be placed on the copy and the witness will sign this statement. The employee's signature does not indicate agreement with the contents to be filed. The bargaining unit member may submit a written notation or reply regarding any material, including complaints, and the same shall be attached to the file copy of the material in question.

5.7 Employer/Employee Mutual Support

- A. The Employer and employees will work together to provide reasonable support and assistance to one another in maintaining an environment of mutual respect, promoting an atmosphere of control and self-discipline among and between students and adults throughout the school.
- B. Any case of assault upon an employee which had its inception in a school-centered problem shall be reported immediately, in writing, to the Superintendent or his/her designated representative. If the Employer determines that such an assault was without provocation on the part of the employee:
1. The employee may request assistance from the Employer. Assistance will be limited to the provision of legal counsel to advise the employee of his/her rights and obligations with respect to such assault. The Employer retains the right to name legal counsel.
 2. The Employer will reimburse any bargaining unit member for reasonable out-of-pocket expenses above the employee's personal or the school district's insurance coverage for damages or destruction to the bargaining unit member's vehicle or personal property in the above circumstances.
 3. It is agreed that the employee must assist the named legal counsel and cooperate with him/her as much as is reasonably possible.
 4. The employee shall have the right to obtain his/her own legal counsel at the employee's own expense.

ARTICLE 6

Working Conditions

6.1 Routes (Regular)

- A. Routes will be determined by the Lead Person yearly in a fair manner with the time as equitable as possible. The driver's seniority and geographic location will be taken into consideration in making the assignment.

6.2 Regular Routes (Times)

A. Route times and Duties

Minimum regular route time will be three (3) hours per day and one-half (1/2) hour per day for clean up, pre-trip inspection and daily maintenance. Drivers will be paid for additional actual driving time in excess of three (3) hours per day only upon verification by the Lead Person or Superintendent. Drivers will maintain the cleanliness of their bus inside and out. Daily run duties include pre-trip inspection, loading and unloading, driving, clean-up, daily maintenance, and communication with the Lead Person. Time paid for regular runs and/or extra trips shall be from the time of departure with the bus from wherever the bus is housed, including the driver's home. Drivers are to keep track of mileage and notify the transportation supervisor of needed bus maintenance. All time sheets are to be submitted with care.

B. Kindergarten Route

There shall be a two (2) hour minimum pay for each kindergarten route, which includes fifteen (15) minutes for pre-trip inspection and clean up.

C. Vocational Education Route

Paid for actual driving time, waiting time, and fifteen (15) minutes for pre-trip inspection and clean up.

D. Special Education Route

Paid for actual driving time, waiting time, and thirty (30) minutes for pre-trip inspection and clean up.

6.3. Kindergarten, Vocational Education, Special Education, and Any Additional Assignments

A. Seniority will be considered when assigning kindergarten, vocational education and special education routes and any additional assignments.

B. Bargaining unit members will be given first consideration when assigning substitutes for kindergarten, vocational education, and special education routes and any additional assignments. Assignments of regular drivers to the above substitute positions shall be on a seniority basis from the regular drivers who are available at that time, and who have annually indicated in writing that they wish to substitute in such situations.

C. Drivers will be able to have more than one assignment, based on their seniority, as long as there is no conflict in scheduling and such assignments do not overlap in paid time.

6.4 Breakdown

In the event of a bus breakdown, drivers will be paid for time spent waiting with the bus their regular rate per hour (in those cases where the total time exceeds the normal assigned hours).

6.5 Route Change or Termination

Drivers will be notified as soon as reasonably possible of any changes in or terminations of stops on any established route.

6.6 Lead Person

A. The Employer reserves the right to establish and maintain a "Lead Person" extra duty assignment, to develop a job description for the assignment, and to establish an annual extra duty pay stipend for the extra duty assignment (after consultation representatives of the union). It is understood and agreed between the parties that the extra duty assignment is not an hourly assignment, and that compensation will be by set annual stipend, but computed and paid throughout the year. Assignment to this extra duty position will be made by the Employer on an annual basis. This extra duty may be discontinued at the end of any school year by the Employer.

B. Lead Person Appointment

The bus drivers' unit shall be consulted prior to the appointment of a new Lead Person.

6.7 Extra Trips

- A. All extra trips, for driver consideration, will be by seniority at the first extra trip meeting, and by least accumulated extra trip hours thereafter. Whenever possible all extra/special trips will be arranged through the Lead Person. Extra trip duties include pre-trip inspection, loading and unloading, driving, clean-up, daily maintenance, and communication with the Lead Person.
- B. Compensation for extra trips shall be at the driver's regular hourly rate for all driving and waiting time. Minimum trip time shall be two (2) hours at the regular hourly rate. Extra trips will be allowed fifteen (15) minutes at the conclusion of the trip for necessary clean up of the bus. Maximum hours worked, including regular runs and extra trips, are not to exceed forty (40) hours per week, except in case of emergency. If there is less than a two (2) hour notification of cancellation of an extra trip, the regular driver will receive the minimum extra trip time. However, if the extra trip is canceled at such a time that the regular driver can take his/her regular route, he/she shall drive it and receive the minimum extra trip cancellation time as well.
- C. Normally, extra trips will be disbursed and drivers will be assigned on Fridays. Priority for trip selection will be based on the amount of hours accumulated by extra trips taken. The driver with the lowest hours will have the first option to select extra trips (if driver hours are tied, the senior driver will have first option). The driver must be present to bid an extra trip unless the driver is working or on an extra or regular run for Glen Lake Community Schools.
- D. Drivers who elect not to take a trip when it is his or her turn in the rotation will have five (5) hours charged against his or her accumulated extra trip hours. A driver may exchange or trade a trip only with the approval of the Lead Person.
- E. Trips will be handed out not to exceed two (2) weeks in advance, except that overnight trips which require advance planning may be displayed up to four (4) weeks before the trip.
- F. Trip requests received by the Lead Person after Friday, but where the trip is the following week, will be handed out individually by the Lead Person to the person with the lowest hours. If the person with the lowest hours is unable to take the trip, s/he will not be charged with the hours, and the trip will be offered to the next available driver.

- G. It will be the responsibility of each assigned driver to record and turn in the extra trip mileage, actual driving time, waiting time, and the name of any other driver used on an extra trip to the Lead Person on the first work day immediately following the day the extra trip was taken.
- H. In the event the Lead Person is unavailable on Friday to distribute the upcoming extra trips, this responsibility will be assumed by the bus driver Association Vice President.
- I. Meals will be allowed for all trips which exceed four (4) hours.
- J. Overnight trips shall be handled by the School District and the organization involved. When bus drivers are assigned to an overnight trip, they will be roomed alone or with another Glen Lake bus driver if the drivers so choose. Lodging accommodations will be arranged by the Superintendent or his designee. The driver will receive a \$20.00 "out-of-town" bonus for all overnight trips.
- K. On all trips that require a newer bus, the Lead Person will assign the appropriate bus for the trip. All drivers will comply with the Lead Person's decision.
- L. The administration will log the date when extra trip requests are presented to the office.

6.8 Physical Exams

Physical Exams, as requested by the Employer, will be paid by the Employer when given by a school appointed physician. If the driver goes to an M.D. or D.O. of their choice, then the Employer agrees to pay the same amount to their doctor as paid to the school doctor. Second opinions will be at the expense of the employee.

6.9 CDL License

The Employer will reimburse drivers for the cost and all time necessary for obtaining a required CDL License, including training not to exceed TBAISD recommended and/or required hours in order to maintain bus driver certification after successfully obtaining the required bus driver CDL license. The Employer has no obligation to reimburse the employee for failed attempts to obtain the CDL License.

6.10 Driver Training Classes, Inservice, Mandatory Meetings

- A. Bus drivers will be required to attend annual first aid courses leading up to their obtaining a Multi-Media Standard First Aid and CPR card. Necessary expenses related to the course will be paid for by the Employer (books, tuition, etc.). The Superintendent will have two (2) mandatory meetings for drivers, during the school year, to bring them up to date on any new laws pertaining to special education needs, blood borne diseases, and any other bus driver related information required by law. The Employer agrees to reimburse contract drivers at their regular hourly rate while attending training classes, and to reimburse drivers at the school district approved mileage allowance rate when attending training classes out of the district. All classes must be approved by the Superintendent prior to attending.
- B. Representatives of the bargaining unit are encouraged to provide recommendations to the Lead Person and/or to the Superintendent as to needed inservice training. The Lead Person will meet with the Superintendent to address inservice needs and to develop and schedule needed inservice training.

- C. For the full day professional inservice days for the teaching staff, the drivers will receive their regular pay. The Employer has the right to request that the drivers attend training sessions, meet with their supervisor, or perform other duties during that time period.

6.11 Driving Days

- A. In the event that there is no school due to an "Act of God" day, drivers shall be paid for the first four (4) days or maximum allowed by state guidelines (whichever is greater) missed. Should there be more than four (4) days missed due to an "Act of God", drivers will be paid when the days are made up.
- B. Regular driving time will be paid for all delay time. Example: In the event that school is ultimately canceled after a delay has taken place, then drivers will be paid for the delay time and any regular scheduled route. Drivers will be notified two (2) hours prior to the starting time of school of canceled or delayed school time whenever possible.
- C. Article 6.11 A and 6.11 B applies to Special Education and Vocational Education routes as well as Regular Routes. It is understood, however, that both the Special Education and Vocational Education routes will follow the Traverse Bay Area Intermediate School District (TBAISD) scheduled calendar, and therefore both the Special Education and Vocational Education routes will be subject to cancellations and/or delays by TBAISD.
- D. Any day when school is being held and students are in attendance at the Glen Lake Community Schools, but a kindergarten or special education or vocational education run is canceled after the driver(s) leaves home in the morning on a regular morning run, the affected driver(s) shall be paid the two (2) hour minimum pay or for the time the driver is actually on the run that day, whichever is greater.
- E. Any day that is not a scheduled attendance day for vocational education or special education students or for A.M. or P.M. kindergarten students, the driver(s) shall not be paid for that run. For example, when school is scheduled to be held for a half day and therefore only one session (A.M. or P.M.) of kindergarten is in attendance, the driver(s) shall not be paid for the run that is not taken due to students not attending that day. Likewise on days that are not scheduled attendance days at the vocational center or at special education classes in Traverse City, the respective driver(s) shall not be paid for those runs.

6.12 Bus Folders

Each driver shall maintain an up-to-date folder in their bus at all times. This folder shall contain:

- A. A map outlining stops with names of children.
- B. A daily time schedule.
- C. Information provided by the Administration on emergency drill instructions.
- D. Information provided by the Administration on individual cases of a special nature (mental, emotional, physical, medication needed or religious exceptions).
- E. A seating chart (if used).

6.13 School Bus Parking

School buses may be kept at driver's home during school year only by mutual agreement of the Superintendent (or designee) and the driver.

6.14 Extra Trip Regular Driver Availability

Regular drivers shall be used to go on extra trips that are scheduled for them to drive unless:

- A. A bona fide emergency exists, or
- B. All regular Contract drivers have refused said trip.

6.15 Emergency Drivers

Emergency Drivers may be used:

- A. When a true emergency exists.
- B. At the discretion of the Employer, once in the fall and once in the spring of each school year, in place of a non-bargaining unit driver in order to maintain their proficiency (one regular route, a.m. or p.m.) .

6.16 Overtime

- A. Overtime shall be reported biweekly to, and approved by, the Lead Person.
- B. Expense sheets must be turned in to the Lead Person the last week of the month.

Grievance Procedure

10.1 Definition

It is intended that the grievance procedure shall serve as an orderly means of settling grievances in a timely fashion without undue interruption or disturbance to the operation of the school. A grievance shall be defined as an alleged violation of the expressed terms of this Agreement.

10.2 Hearing Levels

- A. **Informal Level:** In the event that an employee, or the Union, believes there is a basis for a grievance, the employee or Union representative will, within five working days of the alleged violation, request a meeting to discuss the alleged grievance with the immediate supervisor .
- B. **Formal Level I:**
 - 1. If, as a result of the informal discussion with the immediate supervisor, the alleged grievance still exists, the employee or Union representative may invoke the formal grievance procedure on a form signed by the grievant and/or Union representative, which form shall be available from the local Union representative. A copy of the completed and signed grievance form shall be delivered to the employee's non-Union immediate supervisor (or designee) within three (3) working days after oral discussion.

2. The written grievance shall include (as a minimum):
 - a. Identification of the grievant(s)
 - b. The specific facts upon which the grievance is based
 - c. Identification of the specific portion of the Agreement allegedly violated
 - d. The specific relief requested
 - e. The date on which the alleged grievance occurred
 - f. The date on which the grievance is being filed
 - g. A signature attesting to the facts as presented
3. Within three (3) working days of receipt of the grievance, the Union representative and grievant shall meet with the employee's non-Union immediate supervisor (or designee) in an effort to resolve the grievance. The non-Union immediate supervisor (or designee) will give his/her answer in writing within three (3) working days of such meeting, and shall furnish a copy thereof to the Union representative.
4. If the grievant's non-Union immediate supervisor (or designee) is the Superintendent, Formal Level I may be skipped and the written grievance submitted at Formal Level II.

C. **Formal Level II:**

1. If the grievance is not settled at Formal Level I, the grievance may be appealed within five (5) working days after receipt of the non-Union supervisor's (or designee's) written answer to the Superintendent (or designee) who shall address the grievance at a time mutually agreeable to the Superintendent and the Union representative.
2. The Superintendent (or designee) shall give his/her written answer to the grievance within five (5) working days of above meeting.

D. **Grievance Settlements:**

2. Unless otherwise mutually agreed to in writing, the time limits established by this grievance procedure shall be strictly construed. Time limits established by the grievance procedure may be waived or extended or steps in the grievance procedure may be bypassed only upon the written mutual agreement of both parties.

4. Any grievance not advanced to the next step of the grievance procedure by the Union within the time limits specified shall be considered withdrawn and settled on the basis of the last disposition by a representative of the Employer. Any grievance, which has been withdrawn or settled, shall not be subject of any further grievance.

5. There will be no pay to bargaining unit employees for any time utilized in the grievance procedure. Grievance discussions and hearings, as much as is reasonably possible, and by mutual agreement of the parties, will be held at times which will not conflict with paid work time of employees involved.
6. Working days as described in the grievance procedure shall mean any day on which the appropriate bargaining unit member representative or Employer representative is scheduled to work.

E. Formal Level III:

1. If the Union is not satisfied with the disposition of the grievance at the previous level, or if no disposition has been made within the period above provided, the Union may file a demand for arbitration of the dispute with the American Arbitration Association, whose rules shall govern the arbitration proceeding. The Union shall file for arbitration no later than fifteen (15) days from the date of the last action by the Employer at formal level II. The arbitrator shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of the Agreement.
2. The costs and expenses of the arbitrator shall be borne by the losing party. In the event of a split decision, the arbitrator shall assess a percentage of cost to each party consistent with the extent to which each party failed to prevail. In the event either party requires a transcript, prepares exhibits, requires witnesses, etc., the costs for such expenses shall be borne by the party incurring them.
3. Both parties agree to be bound by the award of the arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction, except that if the arbitrator has exceeded his/her authority under the scope of this Agreement, either party may pursue the matter in the appropriate court of law. The decision of the arbitrator shall be implemented or appealed within thirty (30) working days of receipt of the arbitrator's decision.
4. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution. Any claim or grievance arising after the expiration of this Agreement may be processed only through formal level II unless both parties agree to submit the matter to arbitration as outlined in Formal Level III.
5. The arbitrator's authority is limited to the following:
 - a. The arbitrator shall have no authority except to pass upon alleged violations of the expressed provisions of this Agreement and to determine disputes involving the applications or interpretations of such express provisions.
 - b. The arbitrator shall have no power or authority to add to, subtract from or modify any of the terms of this Agreement and shall not substitute his judgment for that of the Employer, where the Employer is given discretion by the terms of this Agreement or by the nature of the area in which the Employer was acting. The arbitrator shall not render any decision which would require or permit an action in violation of the Michigan School Laws.

- c. The arbitrator shall have no power to rule on the termination of services or the failure to reemploy any probationary employee.
- d. The arbitrator shall have no power to rule on the content of the Employer's evaluation of an employee.
- e. The arbitrator shall have no power to rule on any provision of this Agreement which contains an express exclusion from the procedure.

- B. Any aggrieved employee, Union member grievance representative and alternate shall not be paid by the Employer for time spent during their working hours participating in the grievance procedure when the parties mutually agree to process the grievance during working hours.
- C. Union member representatives are not to leave their work stations without first obtaining permission from their Supervisor or Department head (or his/her designated representative) and unless their presence is requested by the Department head or by the Superintendent. In no event shall any employee or Union member representative interrupt any work procedure in order to participate in the grievance procedure. The Union member representative, whose participation is required in the grievance procedure, shall be released from their work within a reasonable time if the parties mutually agree to become involved in the grievance process during working hours.
