ARTICLE 1

PURPOSE

It is the purpose of the Agreement to promote and insure harmonious relations, cooperation and understanding between the Board and the employees covered hereby, to insure true collective bargaining, and to establish standards of wages, hours, working conditions, and other conditions of employment.

ARTICLE 2

UNION RECOGNITION, AGENCY SHOP, CHECK-OFF

Section 1. Union Recognition

(a) The Board hereby recognizes the Union as the sole and exclusive collective bargaining agent of the employees covered by this Agreement for the purpose of collective bargaining with respect to rates of pay, wages, and hours of employment.

(b) The term "employee" as used herein shall include all Maintenance, Building Engineers, and Custodian employees of the Employer. Excluded shall be probationary workers, temporary and substitute workers, supervisors, and all others.

Section 2. Agency Shop

(a) The Board agrees that it shall be a condition of employment that all employees who are presently employees, all employees who hereafter become employees, and all new employees employed after the 30th day of June, shall within sixty (60) days after the effective date of this Agreement, or sixty (60) days after the commencement of employment, whichever comes later, either:

1. Sign and deliver to the Board an assignment authorizing deduction of membership dues of the Union and such authorization shall continue in effect from year to year unless revoked in writing.

2. Cause to be paid to the Union a service in an amount established by the Union.

In the event the service fee or dues shall not be paid, the Board, upon receiving a written and signed complaint from the Union indicating the employee has filed to comply with this condition, shall process said complaint, the charging party being the Union. Failure to comply with the provisions above will cause the Union member to be dismissed unless the Union, in writing, gives notification that the service fee has been paid and, thus, the complaint is withdrawn. It is expressly understood that in the event the Board of Education shall hire a new employee to replace an old employee under the terms of this Article, then and in that event, neither the Union nor the employee shall have a right to withdraw said complaint, it being recognized by the Union and any employee employed under the terms of this Contract that the Board has a reasonable right to proceed to replace an employee against whom charges have been filed hereunder. The refusal of said employee to contribute fairly to the cost of negotiation and administration of this and subsequent agreements is recognized as just and reasonable cause for the Board of Education.

(b) In the event the employee challenges the amount of the service fee through the Union's appeals process, the service fee shall continue to be payroll deducted from the employee, however, fifteen percent (15%) of the regular Union membership dues will be placed into an escrow account by the Employer pending completion of the appeals process. No employee shall be discharged during the pendency of an appeal.

(c) The Union agrees to indemnify and save the Board, and including each individual school board member, harmless against any and all claims, demands, costs, suits, or other forms of liability, including back pay and all court or administrative agency costs that may arise out of, or by reason of, action by the Board for the purposes of complying with this Agreement.

(d) It shall be the responsibility of the Union to notify the district of the amount of the yearly dues and service fees by July 1st annually. If any provision of this Article is deemed invalid under Federal or State law, said provision shall be modified to comply with the requirements of said Federal or State law.

(e) The Union agrees that it will make membership in the Union available to all employees covered by this Agreement on the same terms and conditions as are generally applicable to other members of the Union.

(f) The Board agrees that, upon hiring any new employees who are covered by this Agreement, the Board shall send a letter advising the Union of the names, dates of hiring and the social security numbers of the new employees.

(g) In the event that the Union refuses to accept any person so hired as a member, said person may continue in employment by paying the regular monthly service fees.

Section 3. Check-Off

(a) The Board shall deduct the initiation fee and the Union dues or service fees from each employee's pay and transmit the total deductions to the Financial Secretary of the Union on or before the fifteenth (15) day of each month, following that month in which said deductions were made, together with a listing of each employee with the amount that is deducted each month. Provided however, that the Union shall have submitted to the Board an authorization card signed by the employee from whose pay said deductions are to be made.

(b) Such dues, as and when deducted, shall be kept separate from the Board's general funds, and shall be deemed trust funds, and shall be forwarded to the Union forthwith.

ARTICLE 3

NON-DISCRIMINATION

The Board and the Union both recognize their responsibilities under Federal, State and local laws pertaining to fair employment practices, as well as the moral principles involved in the area of Civil Rights. Accordingly, both parties reaffirm by this Agreement the commitment not to discriminate against any person or persons because of race, creed, color, religion, sex, age or national origin.

ARTICLE 4

VISITATION

Upon request by the Union and the presentation of proper credentials, officers or accredited representatives of the Union shall be admitted into the buildings of the school system during working hours for the purpose of ascertaining whether or not this Agreement is being observed by the parties or for assisting in the adjustment of grievances, provided that said observation shall not be in areas which would be detrimental to the management and function of the school and its students.

ARTICLE 5

STEWARDS

(a) The employees shall be represented by a Chief Steward who shall be chosen or selected in a manner determined by the employees of the Union.

(b) Reasonable arrangements will be made to allow the Chief Steward and Alternate time off with pay for the purpose of investigating grievances and to attend grievance and negotiating meetings, by first receiving approval from the administrator. Said time off shall be limited to thirty (30) hours per Contract year.

(c) During the Chief Steward's term of office, the Chief Steward shall be deemed to head the seniority list for the purpose of shift preference, lay-off and recall, provided the Chief Steward is qualified to do the required work. Upon termination of the Chief Steward's term, the Chief Steward shall be returned to a regular seniority status.

ARTICLE 6

SAFETY PRACTICES

The Board will take reasonable measures in order to prevent and/or eliminate any hazards which the employee may encounter at their place of work, in accordance with the provisions of the Occupational Safety and Health Act, State and local regulations.

ARTICLE 7

JURISDICTION

Employees of the Board not covered by the terms of this Agreement may temporarily perform work covered by this Agreement for the purpose of instructional training, experimentation, in cases of emergency, in cases of specialization, in the absence of the regular employee, or if placed by welfare or the courts.

In the event of a single employee absence not exceeding two (2) consecutive days, the alternate shift staff may be asked to cover the absence or a portion thereof. Should the absence exceed two (2) consecutive days, a substitute may be hired.

The workfare or youth employment people shall be used only as supplementary help under the on-site direction of a bargaining unit member or the head of maintenance.

ARTICLE 8

CONTRACTUAL WORK

The right of contracting or subcontracting is vested in the Board. Should the Board, however, determine to contract out for building maintenance, representation from the Union will be invited to give input to the decision.

ARTICLE 9

MANAGEMENT RIGHTS

(a) The Board shall have the right to exercise customary and regular functions of management, including the right to hire, promote, transfer, or to suspend, discharge, or demote employees for just cause subject, however, to the employee's right to bring a grievance if the provisions of this Agreement are violated by the exercise of such management function.

(b) All rights, powers and interests which have not been expressly granted to the Union by this Agreement are reserved to the Board.

ARTICLE 10

SENIORITY

(a) A newly hired employee shall be on a probationary status for ninety (90) calendar days taken from and including the first (1st) day of employment. If at any time prior to the completion of the ninety (90) calendar days probationary period the employee's work performance is unsatisfactory, the employee may be dismissed by the Board during this period without appeal by the Union. Probationary employees who are absent during the first (1st) ninety (90) calendar days of employment, shall work additional days equal to the number of days absent, and such employee shall not have completed their probationary period until these additional days have been worked.

(b) All probationary employees shall be evaluated every thirty (30) calendar days. A copy of this evaluation shall be given to the employee and a copy placed in the employee's file.

(c) After satisfactory completion of the probationary period, seniority and all matters pertaining to benefits shall be retroactive to date of hire.

(d) Employees shall be laid off and recalled according to their seniority in their classification. An employee on scheduled lay-off shall have the right to displace a lesser seniority employee in a lower series classification, provided the senior employee is qualified to hold the position held by the least seniority employee.

(e) An employee will lose their seniority for the following reasons:

1. The employee resigns;
2. The employee is discharged for cause;

3. An employee on lay-off refuses the offer of a full-time position (full-time position defined as forty [40] hours per week);
4. An employee is on scheduled lay-off for two (2) years or more.

(f) Seniority shall continue to accumulate within the bargaining unit for any employee who is transferred to a supervisory position with that employee having the right to exercise their seniority and return to the bargaining unit in the event that the employee vacates their supervisory position.

(g) An agreed to seniority list shall be furnished to each employee covered by this Agreement on or about July 1st of each year. Such list shall contain each employee's name and date of entry into the classification.

ARTICLE 11

TRANSFERS AND PROMOTIONAL PROCEDURES

(a) Notice of all vacancies and newly created positions shall be posted on employee bulletin boards within one (1) pay period from the date of vacancy, and the employee shall be given five (5) working days in which to make application to fill the vacancy or new position. The senior employee making application shall be transferred to fill the vacancy or new position, provided that the employee has the necessary qualifications to perform the duties of the job involved. Newly created positions or vacancies are to be posted in the following manner: the type of work; the place of work; the starting date; the rate of pay; the hours to be worked; and the classification. In the event administration does not feel it is desirable to place the highest seniority employee in the open position, an evaluation meeting between the Union Business Representative and administration will be held in order to review the reasons and arrive at a decision. In the event no mutually agreeable decision may be reached, the administration shall make a decision. The employee may grieve this decision.

(b) Any employee temporarily transferred from their classification to another classification within the bargaining unit shall be paid the rate of the position from which the employee is transferred or the rate of the position to which the employee is transferred, whichever is higher.

(c) Temporary transfers shall be for a period of no longer than thirty (30) calendar days, except in the event that both parties mutually agree to an extension of the thirty (30) calendar day period. In the event that it is not mutually agreeable to extend the temporary transfer beyond the thirty (30) calendar day time period, the position shall then be considered an open position and posted for bidding from interested employees.

(d) When an employee is transferred to a new position, they shall serve a probationary period of thirty (30) working days. At the conclusion of the probationary period, the employee may return to their former position (if available), or in the event that their work is not satisfactory to the Employer, the employee shall be returned to their former position.

ARTICLE 12

NEW JOBS

(a) The Board shall notify the Union, in writing, when new jobs or revised job duties are required during the term of this Agreement. In the event they cannot be properly placed into an existing classification by mutual agreement between the parties, the Board shall place into effect a new classification and a rate of pay for the job in question, and shall designate the classification and pay rate as temporary. The Board shall notify the Union, in writing, of any such temporary job which has been placed into effect upon the institution of such job.

(b) The new classification and rate of pay shall be considered as temporary for a period of thirty (30) calendar days following the date of written notification to the Union. During this thirty (30) calendar day period, but not thereafter during the life of this Agreement, the Union may request, in writing, the Board to negotiate the classification and rate of pay. The negotiated rate, if higher than the temporary rate, shall be applied to the date the employee first began working in the temporary classification, except as otherwise mutually agreed. In a case where the parties are unable to reach agreement on the classification and/or rate of pay, the issue may be submitted to arbitration. The arbitrator shall render his decision based solely upon the final position of either of the parties. When a new classification has been assigned a permanent rate of pay, either as a result of the Union not requesting negotiations for the temporary classification during the specified period of time, or as a result of final negotiations, or upon resolving the matter through arbitration, the new classification shall be added to and become a part of Schedule A of this Agreement.

(c) When the Employer reviews a current job description, they shall meet with the Union to determine if the requirements are reasonable.

ARTICLE 13

DISCIPLINE DISCHARGE

(a) Dismissal, suspension, and/or any other disciplinary action shall be only for just and stated causes with the employees having the right to defend themselves against any and all charges. Written notification of dismissal, suspension or other disciplinary action shall be sent to the employee and the Union. Among the causes which shall be deemed sufficient for dismissal, suspension, and/or other disciplinary action shall include, but not be limited to, drunkenness, dishonesty, smoking, fighting, drugs, insubordination, willful violation of agreed upon rules, absence without reasonable notification, absence without good cause, and deliberate improper handling of employee's equipment.

ARTICLE 14

LEAVES OF ABSENCE

(a) An employee who, because of illness or accident which is non-compensable under the Worker's Compensation Law, is physically unable to report for work and has exhausted all means of compensation from the Board, shall be granted a leave of absence for up to one (1) year, which may be extended beyond that period of time by the Board of Education, provided the employee promptly notifies the Board of the need for such leave, or extension thereof, and provided further that the employee supplies the Board with a certificate from a medical or osteopathic doctor of the necessity for such absence and for the continuation of such absence when the same is requested by the Board.

(b) Leaves of absence shall be granted for a reasonable period of time for physical or mental illness, prolonged serious illness in the immediate family which includes husband, wife, children, or parents living in the same household.

(c) Leaves of absence shall be granted for a specified period of time for training related to any employee's regular duties in an approved educational institution.

(d) **Childcare and Childbirth Leave**

1. Expectant employees may elect not to receive sick leave payments and upon application, said employee will be granted a maternity leave without pay for the purpose of childbirth and subsequent childcare of the newborn infant for a duration not to exceed one (1) year, unless renewed at the discretion of the Board.

2. All pregnant employees will notify the Board of pregnancy at least five (5) months prior to the expected date of birth. Said notification shall be filed with the Superintendent of Schools.

3. The employee will be required to furnish medical certification of her continued ability to perform her duties.

4. The employee may be required to submit to physical examination by a physician selected by the School Board, at Board expense, or a physician of her choice at her expense.

5. The employee may continue working as long as she can continue her regularly assigned responsibilities. The employee's physician will furnish a statement to this effect.

6. The application for such leave shall be received by the Superintendent of Schools no less than two (2) weeks prior to the effective date of such leave, and shall include a statement of the exact date on which the employee wishes to commence the leave, and may be relaxed upon complication occurring which shall be followed up by a physician's statement.

7. An employee on maternity leave under the above provisions shall indicate in writing to the Superintendent of Schools as to her expected date of returning to work. The employee shall indicate to the Superintendent two (2) weeks before this expected date if she wishes to return at a later date, or two (2) weeks before she wishes to return if the desired date of return is earlier than the date originally specified under paragraph one (1) of this Article. The employee shall be returned to employment as specified under paragraph one (1) of this Article.

8. Should the course of nature be interrupted or should the death of the child occur within the period of maternity leave, the above rules may be relaxed under such conditions as the Board of Education may prescribe.

9. To receive sick leave payments, the employee must perform all duties until physically disabled and return to service as soon as physically able to perform all duties as certified by her physician. For all sick leave days claimed, the employee must have a physician's certificate verifying physical disability which prevents her from performing her duties.

It is expressly understood that leave taken under subparagraph nine (9) is for the purpose of disability and not for normal child care.

(e) The reinstatement rights of any employee who enters the military service of the United States by reason of an Act or law enacted by the Congress of the United States, or who may voluntarily enlist during the effective period of such law, shall be determined in accordance with the provisions of the law granting such rights.

(f) Leaves of absence will be granted to employees who are active in the National Guard or a branch of the Armed Forces Reserves for the purpose of fulfilling their annual field training obligations, providing such employees make written request for such leave of absence immediately upon receiving their orders to report for such duty.

(g) Any employee in the bargaining unit who is elected or appointed to a full-time position or office in the Union, whose duties require their absence from work, shall be granted an unpaid leave of absence for the term of such office or position not to exceed twenty-four (24) months.

(h) All reasons for leaves of absence shall be in writing stating the reason for the request and the approximate length of leave requested, with a copy of the request to be maintained by the Board, a copy furnished to the employee, and a copy sent to the Union.

(i) An employee who meets all of the requirements as hereinbefore specified shall be granted a leave of absence without pay and shall accumulate seniority during their leave of absence, and the employee shall be entitled to resume their regular seniority status and all job and recall rights. Leaves of absence may be granted at the discretion of the Board for reasons other than those listed above when they are deemed beneficial to the Board and the employee.

ARTICLE 15

GRIEVANCE PROCEDURE

Definitions:

(a) A grievance shall be defined as an alleged violation, misinterpretation, or misapplication of the express terms of this Agreement.

(b) The time elements in the Steps may be shortened or extended upon written mutual agreement between the parties.

(c) For the purpose of processing grievances, working days shall be defined as Monday through Friday, excluding all paid holidays.

(d) A grievance concerning alleged safety hazards may be processed directly to Step Three (3) of the Grievance Procedure.

(e) Any grievance which is not appealed within the specified time limits set forth in that Step level shall be considered settled on the basis of the decision rendered at the previous level. If the answer to a grievance is not given within the specified time limits of that Step level, the appealing party may automatically appeal the grievance to the next Step level of the Grievance Procedure.

(f) Any employee or Union grievance not presented for disposition through the Grievance Procedure within five (5) working days of the occurrence of the condition giving rise to the grievance, or within five (5) working days of the date it is reasonable to assume that the grievance, unless the circumstances made it impossible for the employee or the Union, as the case may be, to know prior to that date that there were grounds for such a claim, the grievance shall not hereafter be considered a grievance under this Agreement.

Step One.

(a) Any employee having a grievance shall discuss the grievance informally with their immediate supervisor, and then if the grievance is not settled orally, the employee may request a meeting with the Chief Steward to discuss the grievance.

(b) The Chief Steward then may submit the grievance in writing to the Building Principal stating the remedy or correction requested, plus the facts upon which the grievance is based and the alleged Contract violation. The employee and the Chief Steward shall sign the grievance.

(c) If a grievance arises from the action of the Superintendent, and has no immediate impact on the building operation, it may be initiated at the appropriate Step (Step Two or Step Three), of the Grievance Procedure.

Step Two.

(a) The Chief Steward shall meet with the Building Principal to discuss the grievance within five (5) working days of its written submission to the Building Principal.

(b) The Building Principal shall give his decision, in writing, relative to the grievance within ten (10) working days of his meeting with the Chief Steward.

Step Three.

(a) Any appeal of a decision rendered by the Building Principal shall be presented to the Superintendent of Schools within five (5) working days of the date the decision is communicated to the Union, and the Superintendent shall meet with a Business Representative of the Union within fifteen (15) days, at a time mutually agreed upon. The appeal shall be in writing and state the reason, or reasons, why the decision of the Building Principal was not satisfactory.

(b) The Superintendent of Schools shall give his decision in writing relative to the grievance within five (5) working days of the meeting with the Business Representative of the Union.

Step Four.

(a) Any appeal of a decision rendered by the Superintendent of Schools shall be presented to the Board of Education within five (5) working days, and the Board of Education shall meet with a Business Representative of the Union at a time mutually agreeable to them. The appeal shall be in writing and state the reason, or reasons, why the decision of the Superintendent of Schools was not satisfactory.

(b) The Board of Education shall give their decision, in writing, relative to the grievance within ten (10) working days of the Business Representative's meeting with the Board of Education.

Step Five. Arbitration

(a) In the event that the appealing party is not satisfied with the disposition of the grievance by the Board of Education, then within fifteen (15) calendar days from the date of receipt of the answer given by the Board of Education, the grievance may be submitted to arbitration. Written notice of the intent to process the grievance to arbitration shall be served on the Superintendent of Schools within the specified time limits as required within the procedure to process the grievance to arbitration.

(b) Upon receipt of notice of intention to proceed to arbitration, the parties will meet at a mutually agreeable time, but in no case later than ten (10) working days after written notification of intent to proceed to arbitration, to attempt to agree upon the selection of an arbitrator. If the parties are unable to agree upon an arbitrator at this meeting, the appealing party shall request the American Arbitration Association to submit a listing of seven (7) persons to both parties. The representatives of the Board and the Union shall return the listing of the seven (7) potential arbitrators to the designated mailing address of the American Arbitration Association within the specified time period, as is furnished to the parties by the American Arbitration Association. Each party, upon returning their listing of the potential arbitrators to the American Arbitration Association, shall indicate as to their preference of the arbitrator, by the numbering of said arbitrators one (1) through seven (7). The American Arbitration Association, upon receipt of the returned lists by the parties, shall assign the arbitrator based on the highest preference given by both parties on said list. That person shall be accepted by both parties as the arbitrator.

(c) In the event that neither party returns their listing of said arbitrators to the American Arbitration Association within the specified time period, the American Arbitration Association shall assign one (1) of the persons on the submitted list as the arbitrator, or in the event that only one (1) of the parties returns their listing within the specified time period, the American Arbitration Association shall assign the arbitrator from the listing, based on the highest preference of the party that did return their listing within the specified time period. In either of these instances, both of the parties shall accept that person as the arbitrator.

(d) The arbitrator, the Union or the Board may call any person as a witness in any arbitration hearing.

(e) Each party shall be responsible for the expenses of the witnesses that they may call.

(f) The arbitrator shall not have jurisdiction to subtract from, or modify any of the terms of this Agreement, or any written amendments hereof, or to specify the terms of a new agreement, or to substitute his discretion for that of the parties hereto.

(g) The fees, expenses and filing fees of the arbitrator shall be paid solely by the non-prevailing party.

(h) The arbitrator shall render his decision in writing relative to the grievance within thirty (30) calendar days from the date of the conclusion of the arbitration hearing.

(i) The decision of the arbitrator shall be final, conclusive and binding upon all employees, the Board and the Union.
