## **ARTICLE XII** **HEALTH**

- A. If, in the opinion of the Administration, a teacher is experiencing difficulty in performing his/her duties, the teacher may be asked to submit to a general physical examination including a chest X-ray and blood test at the discretion of the Superintendent. Selection and payment of the physician will be made by the Board.
- B. In the event that the results of the examination are not acceptable to either party, the service of a recognized clinical hospital may be obtained for this examination. The results of the clinical examination supersedes that of the original physician. Expense is to be borne by the dissatisfied party. The Board may require a teacher to submit to a physical examination at any time. Such examination to be paid for by the Board.
- C. In the case of partial disability which may incapacitate the teacher from discharging his full teaching duties, such teacher's assignment may be adapted to his ability and proportional salary adjustments made, or the teacher may be given an unpaid leave of absence in accordance with the provisions of the Michigan Teacher Tenure Act.

**ARTICLE XIII**  
**NEGOTIATION PROCEDURES**

- A. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement, provided that both parties agree to continue to negotiate in good faith with each other regarding teacher reductions in personnel until such time as an agreement thereon is consummated.
- B. At least sixty (60) days prior to the expiration of this Agreement, the parties will begin negotiations for a new Agreement covering wages, hours, and terms and conditions of employment of teachers employed by the Board.
- C. In any negotiations described in this Article, neither party shall have any control over the selection of negotiations or bargaining representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without the ratification of the majority of the Board and of the membership of the Association.

**ARTICLE XIV**  
**PROFESSIONAL GRIEVANCE PROCEDURE**

- A. A grievance shall be defined as a claim by a teacher or the Association that there has been a violation, misinterpretation or misapplication of any provision of the Agreement except that a claim or dispute involving the discharge or demotion of a tenure teacher shall not be subject to the grievance procedure.

Any matter involving administrative evaluative judgment as opposed to evaluative procedure shall not be subject to the grievance procedure nor shall any grievance involving evaluation entitle a probationary teacher to reinstatement or tenure or its equivalent in money.

- B. The grievant may invoke the formal grievance procedure on the form set forth in Appendix D, signed by the grievant and a representative of the Association, which form shall be available for the Association representative in each building. A copy of the grievance form shall be delivered to the principal or supervisor. If the grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him. All grievances must be filed twenty (20) days from the time when, through reasonable diligence, the violation should have been discovered.
- C. Within five (5) school days of receipt of the grievance, the principal or supervisor shall meet with the Association in an effort to resolve the grievance. The principal or supervisor shall indicate his disposition of the grievance in writing within five (5) days of such meeting, and shall furnish a copy thereof to the Association.
- D. If the grievance is not settled pursuant to paragraph C or no disposition is made within the time limits specified therein, the grievance may be transmitted to the next step within five (5) days. Within five (5) days of receipt of the grievance, the Superintendent or his designee shall meet with the Association in an attempt to resolve the grievance; the Superintendent or his designee shall indicate his disposition regarding the grievance in writing within five (5) days of such meeting, and shall furnish a copy thereof to the Association.
- E. If the Association is not satisfied with the disposition of the grievance by the Superintendent or his designee, or if no disposition has been made within five (5) days of such meeting, the grievance shall be transmitted to the Board within five (5) days thereafter, by filing a written copy thereof with the Secretary or other designee of the Board. The Board, no later than its next regular meeting shall hold a hearing on the grievance, review such grievance in closed session, **[if grievance qualifies to be heard in closed session in accordance with the "Open Meetings Act" of the State of Michigan and that the District receives a written request from the employee requesting a closed session before the hearing begins]** or give such other consideration as it shall seem appropriate. Disposition of the grievance in writing by the Board shall be made no later than seven (7) days thereafter. A copy of such disposition shall be furnished to the Association.
- F. If the Association is not satisfied with the disposition of the grievance at Level E, it may, within ten (10) days after the decision of the Board, refer the matter for arbitration to the American Arbitration Association, in writing, and request the appointment of an arbitrator to hear the grievance. (In addition, a termination of non-renewal of a probationary teacher or extension of the probationary period for a teacher, shall not be taken to arbitration.) If the parties cannot agree as to the arbitrator, he shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the other party. The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. Both parties agree to be bound by the award of the

arbitrator and agree that judgment thereon may be entered in any court of competent jurisdiction.

- G. The fees and expenses of the arbitrator shall be shared equally by the parties.
- H. If the grievant shall have been found to have been improperly deprived of any professional compensation or advantage, the same shall be paid to the grievant.
- I. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits may result in hardship to any party, the Board and the Association shall use their best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- J. If an individual teacher has a personal complaint which he desires to discuss with a supervisor, he is free to do so without recourse to the grievance procedure. However, no grievance shall be adjusted without prior notification to the Association and opportunity for the Association representative to be present, nor shall any adjustment of a grievance be inconsistent with the terms of this Agreement. In the administration of the grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.
- K. The term "days" as used herein in the grievance procedure shall mean "Work/Business" days of the school district being Monday through Friday exclusive of legal holidays or days on which the business office is closed.

#### **ARTICLE XV** **ASSOCIATION DAYS**

- A. At the beginning of every school year, the Association shall be credited with ten (10) days to be used by teachers who are officers or agents of the Association. The Association agrees to notify the Superintendent no less than twenty-four (24) hours of the date for intended use of said leave.

#### **ARTICLE XVI** **TEACHING HOURS**

- A. The regular work hours for all teachers are 8:10 a.m. to 3:20 p.m. Teachers are to remain until 3:20 p.m., at the close of the school day to attend to those matters which properly require attention at that time, including consultations with parents when scheduled directly with the teacher, except that on Fridays or on days preceding holidays or vacations, the teacher's day shall end at the close of the pupil's day.

- B. The 2003-04 school year will consist of 183 ½ teacher work days.  
The 2004-05 school year will consist of 183 teacher work days.  
The 2005-06 school year will consist of 183 teacher work days.

## **ARTICLE XVII** **PERSONAL DAYS**

- A. At the beginning of the 2005-06 school year, each teacher shall be credited with three (3) personal leave days. **At the beginning of the 2006-07 school year, each teacher shall be credited with four (4) personal leave days. At the beginning of the 2007-08 school year, each teacher shall be credited with five (5) personal leave days.** A teacher planning to use a personal leave day shall notify the appropriate principal at least three (3) days in advance (exception of this requirement may be made in an emergency).

Personal leave days may be taken to extend vacations or holidays if the Superintendent approves it in writing. Such approval will, of course, be governed by the availability of substitutes. Personal leave days may not be used to participate, assist, aide, or abet in the picketing of any school district.

Personal leave days may be accumulated to a total of five (5) days for 2005-06, **six (6) days for 2006-07, and seven (7) days for 2007-08.** As an option to its use or pay off, personal leave days over the accumulation of five (5) days for 2005-06, **six (6) days for 2006-07, and seven (7) days for 2007-08** may be transferred to the teacher's sick leave balance.

## **ARTICLE XVIII** **QUALIFICATIONS AND ASSIGNMENTS**

- A. The Board shall endeavor to hire only teachers for regular full-time teaching positions who have Bachelor Degrees from accredited Colleges or Universities and who have Provisional, Continuing, or Permanent Certificates. If the Association has a question over the assignment of a teacher who does not have a Bachelor Degree or who does not have a Provisional, Continuing, or Permanent Certificate the Association may request, in writing, a meeting with the Superintendent to discuss the assignment.
- B. Teaching assignments shall be made, at the discretion of the Administration, within the areas of teacher competence, teaching certificates, or their major or minor field of study, except temporarily and for good cause. Teachers who are affected by a change of subject assignment in the secondary schools will be notified and consulted by their Principal as soon as practicable after the change is known to the Administration and the Board consultation with the Association shall precede such change.

- C. The Board agrees that should it become necessary for a teacher to be assigned outside the limits of his teaching certificate, or major or minor fields of study, such teacher shall be kept fully informed of his status with regard to certification. In case of a necessary reduction in personnel, the teacher so assigned outside his major or minor field of study shall retain the same seniority as if he had been teaching in his major or minor field.
- D. In the event a teacher with a secondary certificate is transferred to an elementary school, the Board will provide in-service education in child growth and development and the teaching of reading and modern math at no expense to the teacher.
- E. Returning teachers will be informed of the coming year's assignments by May 1st of the current school year. If change in assignment is necessitated beyond that date, the principal will make a reasonable effort to notify and consult with the teacher. In no event will changes in the teacher's assignments be made later than the end of August preceding the commencement of the school year, unless an emergency situation exists and the Association is notified.

**ARTICLE XIX**  
**PROFESSIONAL BEHAVIOR**

- A. Teachers shall comply with reasonable rules, regulations, and directions from time to time adopted by the Board or its representatives which are not inconsistent with the provisions of this Agreement, provided that a teacher may reasonably refuse to carry out an order which threatens physical safety or well-being. All rules, regulations and directions that the teachers are expected to comply with, that are adopted by the Board or its representatives shall be provided each teacher in written form.
- B. The Association recognizes that abuses of sick leave or other leaves, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession and create undesirable conditions in the school building. Alleged breaches of discipline or the code of ethics of the education profession shall be promptly reported to the offending teacher and to the Association. The Association will use its best efforts to correct breaches of professional behavior by any teacher, and in appropriate cases, may institute proceedings against the offending teacher.

**ARTICLE XX**  
**VACANCIES, PROMOTIONS AND TRANSFERS**

- A. A "vacancy" shall refer to a position or office that is unoccupied because of retirement, death, termination of service, transfer, promotion, demotion, exchange of positions or any other reason which leaves the position or office vacant.

- B. A "transfer" shall refer to any move or change of position within the school system whether horizontal or vertical in either direction.
- C. A "promotion" is an upward change in position which results in additional compensation for additional duties or responsibilities performed during the regular working day. Promotions are not meant to include the taking on of additional duties of connection with extra curricular or extra duty activities.
- D. The promotional positions are: Assistant Principal, Elementary Principal, Coordinator, Department Head, Department Chairman, Athletic Director.
- E. Whenever a vacancy or new position occurs which is defined in Section "A" above, the Superintendent shall promptly notify the Association and post notice of same on bulletin boards in each school building for no less than one week before the position is filled. **In the event that a position must be filled as soon as possible, a shorter time period must be agreed upon by the President or designee of the local (NCEA.)**

Whenever vacancies occur during the normal summer months when regular school is not in session, the following procedure, in addition to the procedures heretofore outlined, shall be followed:

1. Teachers with specific interests in possible vacancies will notify the Superintendent of their interest, in writing, during the last regular week of school and shall include a summer address.
2. Should a vacancy occur, the teachers who have expressed an interest in said position or a similar position shall be contacted by the Superintendent and notified, of the vacancy.
3. The teachers so notified shall have the responsibility of contacting the Superintendent indicating their interest in said position within three days of receiving such notification.

The Board will endeavor to fill vacancies from within its own teaching staff when possible. Vacancies shall be filled on the basis of the experience, competence and qualifications of the applicant's length of service in the district, and other relevant factors.

- F. By May 1st of each year, teachers may request transfers, as defined in Section "B" above to a different class, building, or position for the ensuing school year commencing the following September. All requests for transfer must be made in writing on forms furnished by the Board, one copy of which shall be filed with the Association. The applications shall set forth the reasons for transfer, the school, grade or position sought, and the applicant's qualifications. Such requests shall be renewed once each year to assure active consideration by the Board.

If all parties, the teacher, the principal of the school (or supervisor) to which a teacher wishes a transfer and the office are in favor of such transfer, then the transfer shall take place. If all parties as mentioned above are not in agreement, then the Superintendent of Schools decision shall be final.

- G. Since the frequent transfers of teachers from one school to another is disruptive of the educational process and interferes with optimum teaching performance, the parties hereby agree that unrequested transfers of teachers are to be minimized and avoided wherever possible.

The Superintendent or his designee shall notify in writing the affected teacher of the reasons for an involuntary transfer. In the event where an involuntary transfer is necessary, consideration shall be given to the following:

1. Qualifications of the affected teacher;
2. Qualifications required for the assignment,
3. Needs of the receiving school,
4. Probationary status;
5. Length of service in the District,
6. Welfare of the teacher.

In above considerations are not listed in any order of importance.

- H. In case of an involuntary transfer, the teacher being so moved shall retain all seniority of his previous position.
- I. Any teacher who shall be transferred to a supervisory or executive position and shall later be transferred to a teacher status shall be entitled to all rights he would have had, under this Agreement, if he had taught in the district during the time he served in the position. However, no transfer from a supervisory position shall cause the replacement of any teacher at the time of transfer, "with the exception that if a teacher who accepts a supervisory/executive positions and prefers to return to a teaching position after one year, he/she will be guaranteed to position based on his/her seniority level not including the year of experience at the supervisor/executive position. (The present administrators are excluded from this clause)."
- J. Whenever a vacancy occurs which is a promotion as defined in Sections "C" and "D" above, the superintendent shall promptly notify the Association and post notice of same on bulletin boards in each school building for no less than one week before the position is filled.

Whenever vacancies occur during the normal summer months when regular school is not in session, the following procedure, in addition to the procedures heretofore outlined, shall be followed:

1. Teachers with specific interests in possible vacancies will notify the Superintendent of their interest, in writing, during the last regular week of school and shall include a summer address.
  2. Should a vacancy occur, the teachers who have expressed an interest in said position or a similar position shall be contacted by the Superintendent and notified of the vacancy.
  3. The teachers so notified shall have the responsibility of contacting the Superintendent indicating their interest in said position within three days of receiving such notification.
- K. If requested, unsuccessful applicants may be given reasons for not attaining the position.

**ARTICLE XXI**  
**ACADEMIC FREEDOM**

- A. Freedom of individual conscience, association and expression will be encouraged and fairness in procedures will be observed both to safeguard the legitimate interests of the schools and to exhibit by appropriate examples the basic objectives of a democratic society.

**ARTICLE XXII**  
**DISCIPLINE**

- A. Teachers shall be responsible for creating and maintaining conditions conducive to learning and discipline. Since the teacher's authority and effectiveness in his classroom are undermined when the students discover that there is insufficient administrative backing and support of the teachers the Board recognizes that the Administration will give all reasonable support and assistance to the teachers with respect to maintenance of control and discipline in the classroom. The Board further recognizes that the teacher may not fairly be expected to assume the role of warden or custodian for emotionally disturbed students nor to be charged with responsibility for psychotherapy. Whenever it appears that a particular pupil required the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, or whenever it appears that the presence of a particular student in the class will impede the education of the balance of the class because of disruptions caused by said student as outlined in

Section D, the Administration will take reasonable steps to relieve the teacher of responsibilities with respect to such pupils.

- B. It is recognized that discipline problems are less likely to occur in classes that are well taught and where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be dealt with by encouragement, praise and emphasis upon the child's desirable characteristics. A teacher may use such force as is, necessary to protect himself, a fellow teacher or an administrator from attack or to prevent injury to another student.
- C. Any case of assault by a student upon a teacher while on duty shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise an assault and shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement or judicial authorities; provided that the Board in its sole discretion determines that the teacher has acted within the scope of Board policy for professional behavior.
- D. In the event a teacher excludes a student from his class for disciplinary purposes, the teacher must furnish the Principal full particulars of the incident in writing and may be requested to meet with the Principal to review the background and proper steps to be taken. Failure to follow these procedures could lead to disciplinary action against the teacher.
- E. School authorities will endeavor to achieve correction of student misbehavior through counseling and interviews with the child and his parents when warranted. Transfer of the student to another teacher or other measures, short of suspension, will first be exhausted. A procedure for disciplinary action and suspension of a student from school will be established by the Board, copies of which will be provided each teacher.
- F. The employer recognizes the need to have reasonable rules established for student conduct. At the beginning of each school year, the district will publish to all students and staff of the district a student handbook which contains disciplinary rules and consequences for the school year. Any change in the rules during the school year shall be made by the administration with input from the teaching staff and similarly published to students, parents and staff before said rules shall become effective.

Additionally, administration will make reasonable efforts to communicate with staff regarding individual student discipline when reasonable and prudent. Students enrolling after the beginning of the year will be provided a copy of the rules by the administration on or before the student's first day of attendance.

- G. Teachers will use such reasonable physical force as may be necessary to:
  - 1. Protect himself, herself, pupils or other from physical injury.

2. Obtain possession of a weapon or other dangerous object upon or within the control of a pupil.
  3. Protect property from physical damage.
- H. Teacher shall not use or threaten to use, corporal punishment. Corporal punishment consists of all three of the following characteristics:
1. The student is caused physical pain by a reasonable person's standard, and
  2. The teacher intentionally administered the pain, and
  3. The activity was intended by the teacher as a penalty or punishment for the pupil's offense.
- I. No teacher shall be disciplined, reprimanded, reduced in compensation nor be deprived of any professional advantage without just cause. Any discipline, reprimand, or reduction in compensation, which is not covered by the Michigan State Tenure Act shall be subject to the grievance procedure set forth herein. It is understood that the Board's decision to discharge or demote a probationary teacher is not arbitrable. All information forming the basis for disciplinary action will be made available to the teacher and the Association.
- J. A teacher shall have the right to have a union representative present any time when he/she is being disciplined. If an Association representative is requested, no action shall be taken with respect to disciplinary action until such representative of the Association is present, and notification for the disciplinary action is given. No longer than two (2) school days may lapse before such action is taken.
- K. Disciplinary action shall be defined as any warning, reprimand, suspension, take off without pay, or discharge.
- L. The time lost by a teacher in connection with any disciplinary action as described in Sections A through B hereof shall not be charged against the teacher.
- M. The Board shall be expected to exercise reasonable care with respect to the safety of teachers and their personal property, but shall not be liable, except in the case of negligence or neglect of duty.
- N. In the event that a teacher excludes a student from his class for disciplinary purposes as indicated in paragraph D above, the principal shall provide the teacher with full particulars in writing about the steps taken to correct the problem before the student is readmitted to class.
- O. Teachers shall not be responsible for any discipline at school activities beyond that displayed by the Administration and the Board.

**ARTICLE XXIII**  
**MISCELLANEOUS**

- A. All teachers hereafter employed by the Board for extra duty capacities shall be employed without tenure in accordance with the provisions of the Michigan Tenure Act (Act 4 of the Public Acts of 1937, Extra Session), as amended from time to time.
- B. The non-tenure status of all extra duties of teachers for which extra compensation paid shall be stipulated in all salary notices furnished to such teachers.
- C. This Agreement shall supersede any rules regulations or practices of the Board which shall be contrary or inconsistent with its terms. If any provision of this Agreement or any application of the Agreement to any teacher or group of teachers shall be found contrary to law, then such provision or application shall not be deemed valid, but all other provisions or applications shall continue in full force and effect.
- D. Any individual contract between the Board and an individual teacher heretofore executed shall be subject to and consistent with the terms and conditions of this Agreement and any individual contract hereafter executed shall be expressly made subject to and consistent with the terms of this or subsequent agreements to be executed by the parties.
- E. Copies of this Agreement shall be printed at the joint expense of the Board and the Association. The board shall furnish all material and the Association shall furnish all labor for typing and duplicating this agreement. Copies of this Agreement shall be presented to each teacher now and hereafter employed, to the Administration, and to the Board.
- F. The Board shall provide, to the Local Association President, a list of the teachers by October 1st, listing their names, in order by most years of service in the school district to the least and stating areas of certification and degree (credits).
- G. The Association and the Board jointly recognize that alcoholism and drug addiction are illnesses and shall be treated as such. The Board agrees that any bargaining unit member with alcoholism or drug addiction who requests diagnosis or treatment will not jeopardize his/her job rights or job security and that such problems will be handled in a confidential manner, unless otherwise required by law. The employee must participate in an approved program and will be allowed to utilize this procedure one (1) time only.
- H. Each year a calendar committee will be convened prior to May 1<sup>st</sup>.

The Committee will consist of:

Three (3) representatives of Teacher's Union  
One (1) representative of Support Staff Union  
Two (2) principals  
The Superintendent  
One (1) Board Member

The committee will develop a calendar(s) that will extend the same length as the contract of the North Central Education Association. Such a calendar(s) are subject to the Board of Education approval.

- I. A teacher's attendance and/or participation in at least two events each school year, in PTA meetings, open houses, concerts, plays, athletic events, graduation events, and similar school activities is encouraged as a professional.

A total of two local passes will be provided to the teacher attending such event.

#### **ARTICLE XXIV** **REDUCTION OF STAFF CLAUSE**

In the event the Board must reduce the number of certified staff in its employ due to the lack of available operational funds or due to a reduction in student enrollment, the Board shall be empowered to dismiss any number of teachers necessary. In dismissing teachers, the Board agrees that it will release substitute teachers and probationary teachers first provided there are tenure teachers available and professionally qualified to replace the substitute and probationary teachers being dismissed.

In the event it becomes necessary to reduce professional staff beyond substitute teachers and probationary teachers, professional qualifications and seniority within the school system shall be the basis for said reduction provided that a tenure teacher higher in seniority can successfully fulfill the assignment of the tenure teacher being released. In recalling tenure teachers whose services have been terminated because of a necessary reduction in staff, the basis for reappointment shall be seniority within the school system in the position for which the teacher is certified and qualified. Laid off teachers who wish to return to the district shall inform the administration in writing annually by June 1. Failure to do so shall indicate that the teacher is no longer interested in filling a vacancy on the staff.

The Board shall give written notice of recall from layoff by sending a **certified** letter to the affected teacher at his last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall or other notice to the teacher. If a teacher fails to report to work within ten (10) days from date of receipt of the recall, unless an extension is granted in writing by the Board, said teacher

shall be considered as a voluntary quit and shall thereby terminate his individual employment contract and any other equipment relationship with the Board.

It is further agreed that any layoff pursuant to this Article shall automatically suspend for the duration of the lay-off, the Board's obligation to pay salary or fringe benefits for any laid off teacher's individual or supplemental employment contract or under this collective bargaining agreement and the recalled teacher shall be returned to the salary schedule at the same position he was at the time of lay-off.

In conjunction with Article XXIII, Paragraph D, which provides that the individual contract executed between each teacher and the Board is subject to the terms and conditions of this Agreement, it is intended that this contract and the individual contract is expressly conditioned upon the Article.

Except in the event of an emergency, all teachers to be laid off shall be given at least thirty (30) days written notice. The official action of the Board at a public meeting shall constitute written notice. The Board will make its best effort to notify the affected teacher(s) immediately of such Board Action.

"During a period of impending lay-offs the employer shall grant all requests for voluntary lay-offs; providing there is a teacher certified and qualified for said position. Teachers who indicate their willingness to accept lay-off, as a more senior member of the Bargaining Unit and are subsequently laid off, may reclaim their teaching position once his or her stated period of lay-off expires. (Seniority does not accrue during lay-off)."

Any teacher who is laid off through the summer months will defer collection of his/her employment compensation until the beginning of the following school year, provided Michigan Law allows this deferment.

In the event such teacher(s) is/are called back to work for the following school year, such teacher(s) shall waive and forfeit collections of such unemployment compensation benefits.
