This meeting may be attended by a representative of the Michigan Education Association/National Education Association.

The employer and the Association shall restrict their committees to no more than three (3) members each.

ARTICLE SEVEN (7) - GRIEVANCE PROCEDURE

A. Definitions:

- 1. A "grievance" is an alleged violation of the specific and express terms of this Agreement.

2. For the purpose of processing grievances, working days shall be defined as Monday through Friday, or any day, in which the employee is scheduled to work, excluding all paid holidays.
3. The term "grievance" as defined above shall not apply to:
 - a. The termination of services of, or failure to re-employ, any probationary employee;
 - b. Any matter for which there is recourse under state or federal statutes.
4. The time elements in the steps may be shortened, extended, or waived upon written mutual agreement between the parties.
5. Any employee or Association grievance which is not presented for disposition through the grievance procedure within twenty (20) working days of the occurrence of the conditions giving rise to the grievance, or within twenty (20) working days of the date that the employee or the Association, as the case may be, first became aware of the conditions giving rise to the grievance, unless the circumstances have made it impossible for the employee or the Association, as the case may be, to know prior to that date that there were grounds for such a claim, the grievance shall not thereafter be considered a grievance under this Agreement.
6. Any grievance, which is not appealed within the specified time limits set forth in that step level of the grievance procedure, shall be considered to be settled on the basis of the decision rendered at the previous step level of the grievance procedure. If no decision is rendered within five (5) days of the discussion, or the decision is unsatisfactory to the grievant and the Association, the Association may appeal it to the next level in the grievance procedure.

B. Written grievances, as required herein, shall contain the following:

1. It shall be signed by the grievant or grievants except an Association grievance shall be signed by the Association representative.
2. It shall be specific.
3. It shall contain a synopsis of the facts giving rise to the alleged violation.
4. It shall cite the Article, Section, or Subsections of this Agreement alleged to have been violated.
5. It shall contain the date of the alleged violation.
6. It shall specify the relief requested.

C. Level One (1)

An employee alleging a violation of the express provisions of this Agreement shall, within twenty (20) working days of its alleged occurrence, orally discuss the grievance with the Director of Food Service in an attempt to resolve same. If no resolution is obtained within three (3) working days of the discussion, the employee shall reduce the grievance to writing and proceed within five (5) working days of said discussion to Level Two of the grievance procedure.

D. Level Two (2)

A copy of the written grievance shall be filed with the Assistant Superintendent of Human Resources or his/her designee, as specified in Level One. Within ten (10) working days of receipt of the grievance, the Assistant Superintendent of Human Resources or his/her designee shall arrange a meeting with the grievant and/or the designated Association representative, at the option of the grievant, to discuss the grievance. Within ten (10) days of the meeting, the Assistant Superintendent of Human Resources shall render his/her decision in writing, transmitting a copy of the same to the grievant and the Association representative. If no decision is rendered within such time period, the grievance shall be considered as denied.

E. Level Three (3)

If the grievance is not settled at Level Two, either party may request the services of a mediator from the Michigan Employment Relations Commission within the ten (10) working days of the date an answer was due in Level Two. Mediation shall not exceed twenty (20) working days from the date of the first mediation session.

F. Level Four (4)

If the grievance is still unsettled, the Association may, within thirty (30) working days after Level Two is completed, and by written notice to the other party, request arbitration.

1. A request for a list of arbitrators will be made to the American Arbitration Association by the Association. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of the arbitrator.

The arbitrator so selected will hear the matter promptly and will issue his/her decision not later than thirty (30) days from the date of the close of the hearings. The arbitrator's decision will be in writing and will set forth his/her findings of facts, reasoning, and conclusions on the issue submitted. The decision of the arbitrator shall be final and binding on the employee, Association, and employer. The fees and expenses of the arbitrator shall be shared equally by the parties. Each party shall be responsible for the expenses of witnesses that they may call.

2. It shall be the function of the arbitrator, and he/she shall only be empowered to make a decision in cases of alleged violation of the specific Articles and Sections of this Agreement. His/her powers shall be limited by the following:

- a. The arbitrator shall have no power to establish salary scales.
 - b. The arbitrator shall have no power to change any practice, policy, or rules of the employer, or to substitute his/her judgment for that of the employer, unless such rights or practices were relinquished by the employer in this Agreement.
 - c. The arbitrator shall be limited to deciding whether the employer has violated the express terms of this Agreement; and the arbitrator shall not employ obligations and conditions binding upon the employer from this Agreement, unless specified within this Agreement. It is understood that any matter not specifically set forth herein remains within the reserved rights of the employer.
 - d. In rendering decisions, the arbitrator shall give due consideration to the responsibility of management and the Association, and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
 - e. In the event that a case is appealed to the arbitrator, on which the arbitrator has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
 - f. The arbitrator shall have no power to interpret state or federal law.
 - g. The arbitrator shall not have jurisdiction to subtract from or modify any of the terms of this Agreement, or any written amendments hereof, or to specify the terms of a new Agreement, or to substitute his/her discretion for that of the parties hereto.
- G. The filing of a grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance.
 - H. It shall be the general practice of all parties to process grievances during times, which do not interfere with or cause interruption of the employee's working day. Release time shall be granted only upon mutual consent of the aggrieved person, the Association, and the employer.
 - I. A grievance may be withdrawn at any level but that same grievance may not be filed a second time.
 - J. Any withholding of services or work stoppage encouraged, authorized, or supported by the Association, while grievance procedures are in process, shall constitute the basis of immediate discontinuation of any pending grievance(s).
 - K. Grievances must arise and be filed in a timely manner during the term of this Agreement in order for the grievance to be subject to the arbitration process.

ARTICLE EIGHT (8) - MAINTENANCE OF STANDARDS

The employer agrees that all clearly established, continuous, and mutually recognized conditions of employment in the individual operation relating to wages, hours, overtime, differentials, and general working conditions shall be maintained at not less than the highest minimum standards in effect at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in the Agreement. It is agreed that the provisions of this section shall not apply to inadvertent or bona fide errors made by the employer or the Association in applying the terms and conditions of this Agreement if such error is corrected within three (3) months from the date of error.

The party alleging a violation of a past practice as defined herein shall bear the burden of proof that the practice has been violated.

The parties agree that Article eight (8) is intended to include only those proper practices and minor benefits not covered by the specific language in the contract. Also, Article eight (8) is not intended to conflict with the District's ability and responsibility to manage its affairs.

ARTICLE NINE (9) - SUBCONTRACTING

Any subcontracting contemplated by the employer shall be subject to negotiations by the parties. If the parties are unable to reach agreement, the matter may be mediated. This provision is applicable except as may be modified by Public Act 112.

ARTICLE TEN (10) - DISCIPLINE/DISCHARGE

A. Dismissal, suspension, and/or any other disciplinary action shall be only for just and stated causes with the employees having the right to defend themselves against any and all charges. Written notification of dismissal, suspension, or other disciplinary action shall be sent to the employee within five (5) working days. The employee, at his/her option, may notify the Union. Among the causes which may be deemed sufficient for dismissal, suspension, demotion, or other disciplinary action are the following:

1. Unauthorized or excessive absence from work;
2. Commitment or conviction of any criminal act;
3. Conduct unbecoming any employee in the public service;
4. Disorderly or immoral conduct;
5. Incompetency or inefficiency;
6. Insubordination;

7. Bringing intoxicants into or consuming intoxicants on any school property or reporting for work under the influence of intoxicating beverage in any degree whatsoever;
8. Neglect of duty;
9. Negligence or willful damage to public school property, waste, or misappropriation of public school supplies or equipment;
10. Violation of any lawful regulation or order made by a supervisor;
11. Refusal or failure to use required safety equipment;
12. Willful violation of any provisions of this contract;
13. Deliberate falsification of records and reports; or
14. Violation of the District's smoking policy.

- B. A bargaining unit member shall be entitled to have present a representative of the Association during any meeting which will or may lead to disciplinary action by the employer. When a request for such representation is made, there will be no further discussion with respect to the bargaining unit member until such representative of the Association is present. Should disciplinary action be likely to occur at a given meeting, the bargaining unit member shall be advised immediately of said possibility and shall be apprised by the employer of the employee's right to representation.

All dismissals shall be without pay. No suspension shall be effective for a period of more than ten (10) working days without prior approval of the Assistant Superintendent of Human Resources.

- C. An employee may be dismissed, suspended, or disciplined pending investigation and discussion, and if the dismissal, suspension, or disciplinary action is found to be without justification, the employee shall be reinstated with full back pay, except where an arbitrator determines that a lesser award is appropriate, including litigation of damages.
- D. Both parties recognize that communication is critical to employee/employer relationships within an efficient workplace. It is agreed and understood that the following progressive system of discipline shall be followed in disciplining bargaining unit members:
1. Written warning by Director of Food Service.
 2. Written reprimand by Director of Food Service.
 3. Suspension with pay pending a "just cause" hearing (in cases where such a hearing is necessary).
 4. Suspension without pay.

5. Dismissal for just cause only.

The parties recognize that some infractions may be so serious as to warrant skipping one or more steps in the process.

- E. If the dismissal or suspension is sustained under the procedures outlined in the grievance procedure, the employee shall be deemed dismissed as of the date of dismissal or suspension.
- F. Any suspended employee shall leave the premises and shall remain away until such dismissal or suspension is lifted or cleared.
- G. In any case of dismissal, suspension, or disciplinary action, the employee, if he/she so desires, may request an investigation. This request must be written and presented within five (5) working days from the date of dismissal, suspension, or disciplinary action. Appeal from discharge or suspension must be heard within five (5) working days and a decision reached within fifteen (15) working days from the date of discharge or suspension. If no decision has been rendered within fifteen (15) working days, the case shall then be taken up as provided in the grievance procedure.
- H. Letters of reprimand shall not be placed in the individual employee's files before a hearing attended by the employee and Director of Food Service. A Union representative may be present if requested by the employee.

ARTICLE ELEVEN (11) - SENIORITY, LAY-OFF, AND RECALL

- A. Seniority is defined as the length of the service of the employee within the bargaining unit. All employer responsibility to the employee on the basis of seniority is as hereinafter set forth. Seniority within the bargaining unit shall commence on the date of the employee's satisfactory completion of her/his probationary period as defined in sections B and C of this Article.
- B. Employees shall be regarded as probationary employees until they have satisfactorily completed a sixty (60) work day probationary period of employment within the bargaining unit. If at any time prior to the completion of the sixty (60) workday probationary period of employment the employee's work performance is unsatisfactory to the employer, the employee may be discharged by the employer during this period without appeal by the Association. There shall be no further responsibility for the re-employment of such probationary employees if they are laid-off during this period.
- C. In order to acquire or accumulate seniority, the employee must work sixty (60) workdays of employment uninterrupted by lay-off or leave of absence. In the event a probationary employee is temporarily laid-off and reinstated, or in the event such employee is absent on scheduled work days, said employee shall work additional days equal to the number of days the employee was absent. Such employee shall not have completed their probationary period until these additional days have been worked. Upon satisfactory completion of the probationary period, the employee's seniority shall be established.

- D. In the event that two (2) or more employees satisfactorily complete their probationary period within the bargaining unit on the same date, their seniority shall be determined by adding the last four digits of the affected employees' social security number. The highest combination of the last four digits shall result in that employee having the higher seniority.
- E. Seniority lists shall be established and maintained by the employer and made available to the Association designee no later than the fourth (4th) Friday of each school year. Any objections must be submitted in writing within seven (7) workdays from the Association designee's receipt of such list. Thereafter, the seniority list shall be considered final and accurate and the District shall incur no liability for relying upon the accuracy of the seniority list.
- F. An employee shall be terminated and lose her/his seniority within all classifications if:
1. The employee quits;
 2. The employee is discharged and not reinstated;
 3. The employee is absent for three (3) consecutive working days without prior notice to the Assistant Superintendent of Human Resources or the Director of Food Service;
 4. The employee fails to report for work upon notice of recall from layoff, by certified mail to the last known address, unless she/he notifies the Director of Food Service within three (3) working days, exclusive of days when no mail deliveries are made;
 5. The employee fails to report for work on the first regularly scheduled workday following a leave of absence, or fails to secure an approved extension of a leave of absence;
 6. The employee falsifies personnel records, medical history, fails to report a criminal record, or falsifies the reason for a leave of absence;
 7. The employee is employed elsewhere during a leave of absence without the knowledge of the employer;
 8. The employee is laid off for a period of two (2) years; or
 9. If an employee has been granted a leave of absence for a period of one (1) school year or less, the employee shall have the right to return to the same position she/he vacated without loss of seniority. If the employee has been granted a leave of absence for the subsequent school year, then she/he shall have the right to return to a similar position within the bargaining unit. After two (2) school years of prolonged absence, the employee shall then lose all seniority and employment rights with the District.

The employer may, however, in its sole discretion, decide to extend the employee's absence beyond two (2) school years. Such an extension, if granted, will be considered to be an exception to this subsection and will not constitute a practice for extensions for prolonged absences in other leave situations.

G. Lay-Offs

1. The word "lay-off" means a reduction in the work force due to a decrease of work or lack of operating funds.
2. In the event it becomes necessary to temporarily reduce the working force, employees shall be laid-off and recalled according to seniority, provided the senior employee has the ability and the qualifications to perform the job. On lay-offs, probationary employees shall be laid-off first. It shall be further understood that in the event of a lay-off, the Association and management will meet and discuss all aspects of the lay-off to make sure the contract is adhered to and an orderly lay-off process is followed. The seniority list will be updated at this point for lay-off purposes.
3. Employees to be laid off shall have at least two (2) weeks' notice of the lay-off. The local Association President shall receive a list, from the employer, of the employees being laid off on the date the notices are issued to the employees.
4. Anything above notwithstanding, and regardless of their positions on the seniority list, the Association President and Secretary shall, in that order, in the event of a lay-off, be continued at work on the first open job in the unit which they can perform.
5. Employees who are displaced because of job elimination or lay-off shall have the right to replace other workers with less seniority.

H. Recall Procedure

1. When the working force is increased after a lay-off, the employees shall be recalled according to seniority, provided the senior employee has the ability and qualifications to perform the job. Notice of recall shall be sent to the employee at her/his last known address in writing. Within three (3) working days, exclusive of days when no mail deliveries are made, after receipt of the recall notice, the employee shall notify the employer of her/his intention to return to work and within ten (10) working days after receipt of the recall notice, she/he shall return to work. In proper cases, exceptions shall be made. Failure to conform to this provision shall mean that the employee shall be considered to have severed her/his employment.

ARTICLE TWELVE (12) - TRANSFERS AND TEMPORARY ASSIGNMENT

- A. In the event an employee is transferred from one position to another in the same classification, the hourly pay rate will remain the same. If an employee is transferred to a lower classification at the employee's request or at the convenience of the District, the employee will receive the hourly rate called for in the classification to which the employee is assigned.
- B. A regular employee temporarily assigned to a position of higher classification shall receive the pay for the position to which the employee is temporarily assigned.

- C. A regular employee taken from her/his regular work temporarily to perform other duties paying a lower rate shall receive the rate of her/his regular job.
- D. When a food service employee is temporarily assigned to a position other than the one on which they originally bid because of the absence of another employee, after an employee has worked these different hours for a period of fifteen (15) days, they will receive pay for holiday(s), personal business day(s), and sick leave/sick day(s) based on the hours of the job to which they have been temporarily assigned.
- E. Temporary vacancies (day to day absences) occurring due to absent employees will be filled by seniority order. The most senior person within the building, with the opportunity of equal or additional present hours, will always be asked first to fill the job vacancy for the entire absence period. If turned down, the job will then be offered, by seniority order, to the remaining employees. All vacancies of five (5) days or more shall be offered by district seniority.

The employee who fills the vacancy will then have her/his hours offered to the next most senior employee, with the opportunity for the hours. This will be done until all jobs are filled.

Individuals accepting such assignments, per this section, will be expected to work in that position for the full work day, and will not be required to perform duties of their own regular assignment while performing the duties of the temporary position they filled.

However, during the serving of lunches, the unit manager has the authority to assign employees to positions where they are needed. Cashier positions are not considered part of the bid position. Said position is earned by seniority. The Director of Food Services shall have the discretion to decide on the number of employees to be trained as cashiers in each building. Seniority shall dictate who is to be trained. When there is an absence of a permanent cashier, the trained substitute cashiers will rotate on a weekly basis according to seniority.

- F. Pilot projects shall run for a maximum of one (1) quarter (9 weeks) of a school year. Further, pilot programs shall have adequate staffing, pursuant to the increased workload needed to implement the pilot project. If the project becomes permanent, any additional employees shall be Food Service Association member(s) who shall be assigned to work the hours scheduled during the pilot project.
- G. Management, the President of the Association or designee, Elementary/Secondary Unit Managers, and the affected building staff shall meet prior to the implementation of any pilot project. The above individuals will discuss staffing, project timelines, evaluation of project, etc. The same group shall meet periodically to evaluate the pilot program. Final decisions regarding this pilot project will rest solely with the Director of Food Services.

ARTICLE THIRTEEN (13) - PROMOTIONS AND JOB OPENINGS

During the year when a vacancy occurs, the employer shall post, for the bidding of said vacancy, the fifth (5th) working day after written notice is received by the employee, that a vacancy exists. The

job will be posted for five (5) working days when school is in session, and ten (10) weekdays (Monday through Friday) if posting goes up during a vacation period and/or summer break. Copies of postings, which go up during a vacation period and/or summer break, shall be mailed to the designated Association representative who shall be responsible for notifying bargaining unit employees of the vacancy or new position. Vacancies or new positions open of one-half (1/2) hour or more shall be posted for bid. Within an additional five (5) working days, the employee applying with the most seniority will be awarded the posted job, provided the most senior employee is qualified to fill the position, and shall assume the pay rate and job description of said job. The Association President shall be authorized to place the name of an employee on the bid sheet who is absent from work during bid time.

The successful bidder will have a thirty (30) working day break-in period.
