Article 16

Definitions:

- (a) A grievance shall be defined as an alleged violation, misinterpretation or misapplication of the express terms of this Agreement.
- (b) For the purpose of processing grievances, working days shall be defined as Monday through Friday, excluding all days school is not in session.
- (c) The time elements in the steps may be shortened, extended or waived upon written mutual agreement between the parties.

- (d) Any employee or Union grievance not presented for disposition through the grievance procedure within five (5) working days of the occurrence of the condition giving rise to the grievance or within five (5) working days of the date it is reasonable to assume that the employee or the Union, as the case may be, first became aware of the conditions giving rise to the grievance, unless the circumstances made it impossible for the employee or the Union, as the case may be, to know prior to that date that there were grounds for such a claim, the grievance shall not hereafter be considered a grievance under this Agreement.

- (e) The failure of the Board's administrative representative at Step Two to comply with the requirements of this Agreement regarding holding a meeting to discuss the grievance issues and issuing a decision on the grievance within the time limits set forth in that Step Level of the Grievance Procedure, shall permit the Association to file an appeal of the grievance to the next higher Step of the Grievance Procedure (but the absence of a written decision on the grievance shall not be deemed to be an admission by the School District as to the substantive merits of said grievance). The time for filing such an appeal shall be measured from the date on which the administrator's response to the grievance was due.

The failure of the Superintendent (or his/her designee) at Step Three of the Grievance Procedure to comply with the requirements of this Agreement regarding holding a meeting and issuing a decision on the grievance within the time limits set forth in that Step Level of the Grievance Procedure shall permit the Association to pursue, at its discretion, any of the following options:

1. The Association may elect to drop the grievance at that point.

2. The Association may elect to file with the Superintendent a written "Second Demand for Response to Grievance" (a copy of which shall also be submitted to the Board Personnel Committee). In the event of filing of such a Demand, the Superintendent shall have five (5) working days from the date of receipt of the Second Demand for Response to issue a decision on the grievance. It is understood that the Board Personnel Committee has discretionary authority to decide whether to specifically direct the Superintendent to issue a decision in response to the Second Demand (but the Committee's decision in this regard shall not be subject to review by a contract grievance arbitrator).

3. The Association may elect to file an appeal of the grievance to the next higher Step (Step Four – Board of Education) but the absence of a written decision by the Superintendent

shall not be deemed to be an admission by the School District as to the substantive merits of said grievance.

The time for the Association to pursue either option 2. or 3. above shall be measured from the date on which the Superintendent's response to the original grievance was due.

Step One

- (a) Any employee having a grievance shall discuss the grievance with the Director of Support Services and then if the grievance is not settled orally, the employee may request a meeting with the designated Association Representative to discuss the grievance. The employee may request written confirmation of the discussion.

Step Two

- (a) The designated Association Representative then may submit the grievance in writing within the five (5) working day filing deadline set forth in "Definitions – Section (d)" above, to the Director of Support Services, stating the remedy or correction requested, plus the facts upon which the grievance is based and the alleged contract violation. The employee and the designated Association Representative shall sign the grievance. Upon receiving the grievance, the Director of Support Services shall sign and date a receipt of delivery of the grievance from the designated Association Representative. A meeting shall be set within five (5) working days of the filing of the written grievance to discuss the grievance. This meeting shall be at the call of the Administration. The designated Association Representative shall have the right to file Association Grievances.
- (b) The Director of Support Services shall give his/her decision in writing relative to the grievance within five (5) working days of his/her meeting with the designated Association Representative.

Step Three

- (a) In the event that the decision of the Director of Support Services is not satisfactory, the grievance may in the discretion of the Association be appealed to the Superintendent of

Schools within five (5) working days from the date of receipt of the decision of the Director of Support Services. The Superintendent of Schools shall meet with designated Representative(s) of the Association at a time mutually agreeable to them within a reasonable time of receipt of the appeal.

- (b) The Superintendent of Schools shall give his/her decision in writing within ten (10) working days of the date of the meeting with the representatives of the Association.
- (c) In the event that the Superintendent of Schools does not timely comply with the requirements of this Agreement regarding holding a meeting and issuing a decision on the grievance within the time limits set forth in this section, and in the further event that the Association elects to address this circumstance by timely (within the five (5) working day deadline set forth in “Definitions - Section (d) above) filing a “Second Demand for Response to Grievance”, the Superintendent of Schools shall have five (5) working days to issue a written response to the grievance. In the event that the Superintendent still fails to issue a written response to the grievance after receipt of the “Second Demand”, the Association may appeal the grievance to the Board of Education in accordance with the procedures set forth in “Step Four” below.

Step Four

- (a) Any appeal of a decision rendered by the Superintendent of Schools (or of the failure of the Superintendent to timely respond to a “Second Demand for Response to Grievance”) must be presented in writing to the Board of Education within five (5) working days from the date of receipt of the decision rendered by the Superintendent of Schools (or, in the case of a “Second Demand for Response”, the date on which the Superintendent’s response to the “Second Demand” was due). The Board of Education shall hear any timely appealed grievances within the next thirty (30) calendar days or the first meeting after the thirty (30) days.
- (b) The Board of Education shall give its decision in writing on the grievance within ten (10) working days of the date of the meeting at which it considered the grievance (or its next regular meeting, if the Board elects to defer decision for any reason).

Step Five – Arbitration

- (a) If the appealing party is not satisfied with the disposition of the grievance by the Board of Education, then within fifteen (15) calendar days from the date of receipt of the written answer given by the Board of Education, the grievance may be submitted to arbitration.

- (b) If the Association is not satisfied with the disposition of the grievance by the Board, only the Association, and not the individual member, may submit the grievance to arbitration before an impartial arbitrator. If the parties cannot agree as to the arbitrator within fifteen (15) calendar days from the notification date that arbitration will be pursued, he/she shall be selected by the American Arbitration Association in accordance with its rules, which shall likewise govern the arbitration proceeding.
- (c) The Arbitrator shall have no power to alter, add to, subtract from or modify any of the terms of this Agreement or any written amendments hereof, or to specify the terms of a new Agreement, or to substitute his/her discretion for that of the parties hereto.
- (d) The Arbitrator, the Association or the Board may call any relevant person as a witness in any arbitration hearing.
- (e) Each party shall be responsible for the expenses of the witnesses that they may call.
- (f) The fees, expenses and filing fees of the Arbitrator shall be borne equally by the parties.
- (g) The Arbitrator shall render his/her decision in writing not later than thirty (30) calendar days from the date of the conclusion of the arbitration hearing, or thirty (30) days from the date of filing briefs, if requested.
- (h) The decision of the Arbitrator shall be final, conclusive and binding upon all Employees, the Board and the Association.

The district will maintain two lists for field trips/extra runs where upon each eligible driver will be listed in order of seniority. One list will be maintained for Weekday runs (Monday 12:01 AM to Friday midnight) and another list will be maintained for Weekend runs (Saturday 12:01 AM to Sunday midnight)

- (a) At the beginning of each school calendar year, each bus driver shall indicate in writing to his/her Director of Support Services, on forms provided by the Board, if he/she desires to be placed on either the Active or Inactive Seniority List, so that the Director of Support Services will have an available listing of all of the bus drivers who desire to drive the extra bus runs. An employee may also request to be transferred from either the Active Seniority List to the Inactive Seniority List or from the Inactive Seniority List to the Active Seniority List during the first two (2) weeks of either the start of the first (1st) or second (2nd) semester of the year by requesting such application forms from the Director of Support Services and by submitting the proper application in writing to the Director of Support Services.
- (b) When extra runs are to be scheduled, the Director of Support Services shall first contact the bus driver with the highest seniority on the Active Extra Run Seniority List. All union drivers will have the right to drive any eligible extra run in (field trips, athletic trip, etc..) on a

rotational (weekday/weekend) basis. If a driver takes an extra run which would conflict with his/her normal AM/PM or both runs, the driver is not assured of driving his/her normal run or portion of the run. Then, as extra runs become available, the Director of Support Services shall continue to go down the Active Extra Run Seniority List until a bus driver is available to drive the extra run. This procedure shall be followed for each additional run that is to be scheduled. Once a bus driver has accepted or rejected a field trip he/she shall not be eligible for another extra run until the rotation is complete. A driver who accepts the field trip/extra run will also have the right to drive his/her regularly scheduled run provided it does not conflict with the time of the field trip. The driver may drive part of his/her regularly scheduled run (1 tier) provided it does not conflict with the extra trip/extra run time.

- (c) A substitute bus driver may be used for an extra trip when there are no regular bus drivers available.
- (d) The Board has the right to assign the least senior bus driver on the Active Seniority List to an extra bus run, in the event that all other drivers on the Active Seniority List have refused to drive the extra run.
- (e) The Board reserves the right, as a disciplinary measure, to deny extra runs to bus drivers determined to be negligent on extra runs

Section 5. Personal Use of Bus During Downtime of Extra Runs

The driver may make use of the bus for transportation purposes to and from a restaurant or bathroom facility, within a five (5) mile distance, or ten (10) miles round-trip, of the destination. The driver must be back within one (1) hour. The driver must inform the person in charge if they are leaving the site. Usage of the bus for other purposes is prohibited without authorized consent.

Section 6. Out of State/Overnight Trips

- (a) Whenever the Board would have the need to schedule an extra trip as herein below defined, the Board shall notify the Union in writing of such trip prior to the date that the trip is scheduled to be made.
- (b) The Board in the interest of student safety, and possible bus breakdown, reserves the right to charter a private bus or buses to transport students and school equipment when the trip is

outside the radius of one hundred (100) miles of the School District or out of state or out of the United States or overnight.

Section 7. Substitute Bus Driver/Aide

- (a) A substitute bus driver is defined as a bus driver who is utilized by the Board for the purpose of driving a bus for a short period of time for a regular bus driver.
- (b) In the event a regular driver or aide substitutes on another assignment other than their own, they shall receive the regular rate of pay for the substitute assignment.
- (c) It is the intent of the parties that when assigning regular drivers/aides as substitutes, for either classification, that no driver/aide be assigned substitute hours that, when combined with the employee's regular run(s) would cause him/her to work in excess of forty (40) hours in any given week.

The above shall not apply in emergency situations or in situations for which there are no substitutes available.

Section 8. Noon Runs

The bus driver who drives a noon hour run shall be paid a minimum of two (2) hours pay for such run, or the actual time, whichever is greater.
