12

13 ARTICLE IV – AGENCY SHOP
14

15 A. Each bargaining unit member shall, as a condition of employment, on or before thirty (30)
16 days from the date of commencement of duties or the effective date of this Agreement,
17 whichever is later, join the Association or pay a service fee to the Association equivalent to the
18 amount of dues uniformly required of the members of the Association, less any amounts not
19 permitted by law. The bargaining unit member may authorize payroll deduction for such fee.
20 In the event the bargaining unit member shall not pay such service fee directly to the
21 Association or authorize payment through payroll deduction, the employer shall, pursuant to
22 MCLA 408.477, MSA 17.277(7), and at the request of the Association, deduct the service fee
23 from the bargaining unit member’s wages and remit same to the Association under the
24 procedures provided below.
25

26 1. The procedure in all cases of non-payment of the service fee shall be as follows:
27

28 a. The Association shall notify the bargaining unit member of non-compliance by
29 certified mail, return receipt requested. Said notice shall detail the non-compliance
30 and shall provide ten (10) days for compliance, and shall further advise the
31 recipient that a request for wage deduction may be filed with the Board in the event
32 compliance is not effected.
33

34 b. If the bargaining unit member fails to remit the service fee or authorize deduction
35 for same, the Association may request the Board to make such deduction pursuant
36 to Paragraph A above.
37

38 c. The Board, upon receipt of request for involuntary deduction, shall provide the
39 bargaining unit member with an opportunity for a due process hearing. This
40 hearing shall address the question of whether or not the bargaining unit member
41 has remitted the service fee to the Association or authorized payroll deduction of
42 same.
43

44 d. Payroll deductions made pursuant to the procedure outlined above shall be made in
45 equal amounts as nearly as may be from the paychecks of the bargaining unit
46 member so affected.
47
48
49

1 B. Pursuant to *Chicago Teachers Union v Hudson*, 106.S CT . 1066 (1986), the Association has
2 established a policy regarding “Objections to Political-Ideological Expenditures –
3 Administrative Procedures”. That policy, and the administrative procedures (including the
4 timetable for payment) pursuant thereto, applies only to non-members. The remedies set forth
5 in that policy shall be exclusive, and unless and until such procedures (including any
6 administrative or judicial review thereof) shall have been availed of and exhausted, no dispute,
7 claim, or complaint by such objecting bargaining unit member concerning the application and
8 interpretation of this article shall be subject to the grievance procedure set forth in this
9 Agreement.

10
11 C. Due to certain requirements established in recent court decisions, the Association represents
12 that the amount of the fee charged to non-members, along with other required information,
13 may not be available and transmitted to non-members until mid-school year (December,
14 January, or February). Consequently, the parties agree that the procedures in this article
15 relating to the payment or non-payment of the representation fee by non-members shall be
16 activated thirty (30) days following the Association’s notification to non-members of the fee
17 for that given school year.

18
19 D. The Association will certify at least annually to the district fifteen (15) days prior to the date of
20 the first payroll deduction for professional fees and at least fifteen (15) days prior to the date of
21 the first payroll deduction for service fees, the amount of said professional fees and the amount
22 of service fee to be deducted by the district, and that said service fee includes only those
23 amounts permitted by the Agreement and by law.

24
25 The parties agree to cooperatively discuss and exchange information regarding the
26 Association’s service fee collection and objection procedures. The Association agrees upon
27 request from the district, to provide the district for its review a copy of the Association’s
28 current “Policy and Administrative Procedures Regarding Objections to Political-Ideological
29 Expenditures” together with a copy of all materials annually distributed by the Association and
30 its affiliates to bargaining unit members who choose not to join the Association and/or to
31 object to the service fee. The Association further agrees to certify to the district that the
32 Association and its affiliates have complied with the above policies and administrative
33 procedures prior to requesting enforcement of the service fee obligation contained in this
34 article.

35
36 E. A bargaining unit member who, because of sincerely held religious beliefs, or due to
37 adherence to teachings of a bona fide religion, body, or sect which has historically held
38 conscientious objection to joining or supporting labor organizations, shall not be required to
39 join or maintain Association membership or otherwise financially support the Association as a
40 condition of employment. However, such bargaining unit member shall be required, in lieu of
41 periodic dues, service fees, and/or initiation fees, to pay sums equal to such amounts to
42 charitable organizations. Donations shall be made to charitable organizations as mutually
43 designated by the bargaining unit member and the Association.

44
45 F. The Association shall indemnify and save the district harmless against any and all claims,
46 demands, suits, or other forms of liability which may arise out of, or by reason of, action taken
47 or not taken by the district in reliance upon information furnished to the district by the
48 Association in the course of enforcing this section. Further, the Association agrees to
49 indemnify and save the district, the Board of Education, the individual members of the Board

1 of Education, and individual administrators harmless against any and all claims, demands,
2 costs, suits, claims for attorney fees, or other forms of liability, as well as all court and/or
3 administrative agency costs that may arise out of, or by reason of, action by the district or its
4 agents for the purposes of complying with the Association's security provisions of this
5 Agreement.
6

- 7 G. Employees who authorize payroll deduction for Association dues or service fees will have the
8 authorized sum deducted in seven (7) equal installments beginning with the first pay of
9 October and proceeding with November, December, February, March, April and May and
10 remitted to the Association on the second payroll date.
11

12 Employees who need to make-up Association dues or service fees due to partial or no wage
13 compensation will have their Association dues or service fees recalculated for the balance of
14 the school year and paid through payroll deduction accordingly.
15

16 It is the responsibility of the WESPA to inform the school district business manager, in
17 writing, sometime between December 15 and December 31 of each year that dues or service
18 fees are not to be deducted the month of January and will resume in February as described
19 above.
20

21 ARTICLE V – WORKING HOURS

44 not within the control of school authorities such as inclement weather, fires, epidemics,
45 mechanical breakdowns, or health conditions as defined by the city, county, or state health
46 authorities, shall be rescheduled to insure that there are the minimum number of days of actual
47 student instruction as required by law.
48
49

1 Custodial and maintenance employees are expected to report to work as scheduled by their
2 supervisor. Employees will receive their regular wages.
3

4 Bus drivers and food service personnel will receive their regular pay for the first two (2) “grace
5 days” pertaining to days of school canceled for “Act of God” reasons. However, for all
6 subsequent days of school canceled due to “Act of God” reasons, bus drivers and food service

8 they actually work when “Act of God” days are rescheduled at the end of the school year.
9

10 Attendance at the annual opening bus drivers meeting is mandatory, unless approval is
11 obtained from supervisor and/or superintendent. Bus drivers will be compensated for
12 attendance at this meeting per Article XVI, Sec. E (special inservice programs).
13

- 14 F. An accurate record of each employee's actual working hours shall be maintained. Each payroll
15 check shall reflect those hours. Full-time bus drivers on regular routes will be credited with
16 three and one-half (3 1/2) hours per day. All special routes which operate on an hourly basis
17 will reflect actual hours worked.

24 Upon approval of the administration, bus drivers may take up to five (5) days off unpaid

44
45 Perfect attendance is defined to mean no absences for any reason, except holidays,
46 vacation days or jury duty.

1 2. New employees will receive two (2) days sick leave advance during their probationary
2 period. These days do not increase the employee's maximum yearly sick day allotment.
3 Probationary employees will be entitled to no benefits of any kind, except the above-
4 referenced two (2) days advanced sick leave, until they have completed the ninety (90)
5 work day probationary period.
6

7 B. Unused sick leave shall accumulate from year to year. This accumulation will be without
8 limit. Employees will receive in writing an accounting of their sick leave during the months of
9 September and February.
10

11 C. Leave for family illness shall be limited to five days per year. This leave will not be charged

19 recreational activities. It is further understood such leave shall not be granted for the first day
20 or the last day of the school year nor on the working day immediately preceding or following
21 a vacation period, school break, unpaid leave of absence, or holiday. Such days will be added
22 to sick leave accumulation. No less than one half (1/2) personal business day may be used at

35 attendance at college graduation of a spouse or child of the employee shall be limited to one

44

45 ARTICLE IX – UNPAID LEAVES

46

47 A. At the employee's request, the Board of Education may approve an unpaid leave of absence for
48 periods of up to sixty days. To be approved for an unpaid leave the employee must have used
49 all available sick leave, personal leave, and vacation time. Extensions of such leaves may be
50 considered.
51

ARTICLE X – SENIORITY

- 1
- 2
- 3 A. Seniority shall be defined as the length of service in the district since the last date of hire.
- 4
- 5 B. Classification seniority shall be defined as the total length of service within a classification
- 6 (bus driver, special bus education aide, food service, custodial/maintenance).
- 7
- 8 C. Seniority is lost when an employee is terminated for cause, quits, or retires.
- 9
- 10 D. Seniority shall not be lost when an employee is on an unpaid leave of absence or on layoff.
- 11 However, during such periods seniority shall be frozen and shall not continue to accrue, except
- 12 during a leave of absence for personal or family illness (1 year maximum).
- 13 E. Classification seniority shall be one and the same for the positions of regular bus driver and
- 14 special education bus aide if the individual was initially a regular bus driver and transferred to
- 15 a special education bus aide. In this instance the individual will have a single seniority
- 16 classification; regular bus driver/special education bus aide. No other classifications in the unit
- 17 will have this "dual" accumulated seniority (i.e., when an individual transfers from one
- 18 classification to another seniority will be frozen in the initial classification and begin accruing
- 19 in the new job classification.) This provision does not apply to an individual who was initially
- 20 a special education bus aide and transfers to a bus driver.
- 21
- 22 F. The Board shall maintain a seniority list with each employee ranked in order of seniority.
- 23 Classification(s) seniority held by each employee shall be noted attendant to the employee's
- 24 name. Said list shall be updated periodically and published. Errors which may be noted shall
- 25 be communicated to the superintendent for correction.
- 26

ARTICLE XI – LAYOFFS

- 27
- 28
- 29 A. In the event the Board determines that layoffs are necessary within a classification, the
- 30 employee with the least classification seniority from within that classification shall be laid off.
- 31
- 32 B. No employee will be laid off without at least two weeks written notice.
- 33
- 34 C. Employees on layoff shall be recalled to vacancies in classifications within which they hold
- 35 classification seniority in order of greatest classification seniority.
- 36
- 37 D. In the event a vacancy occurs within a classification from which no employee is on layoff,
- 38 employees on layoff from other classifications shall have the right of first refusal for that
- 39 vacancy. Any employee recalled to work in another classification who cannot demonstrate the
- 40 ability to perform the work during a twenty (20) workday trial period shall be returned to the
- 41 layoff list.
- 42
- 43 E. Employees who are recalled to vacancies within their classification and either refuse the job or
- 44 fail to become available within two weeks of receiving official notification of recall shall be
- 45 considered to have voluntarily quit.
- 46
- 47 F. Laid off employees shall have first right of refusal to perform any substitute work available
- 48 within their classification.
- 49
- 50

1 G. In the event an employee is laid off, all accrued sick leave and personal leave days will be
2 frozen for a period of two (2) years from the effective date of the lay-off. If the employee
3 is not recalled back to work within a two (2) year period, he/she will forfeit accrued leave
4 days.

5
6 Accrued vacation days will be payable upon effective date of lay-off.

7
8 For purposes of recall, bargaining unit employees shall have recall rights for a period equal
9 to the seniority date at time of lay-off.

10
11 ARTICLE XII – VACANCIES

12
13 A. The Board of Education will set the qualifications for vacancies which occur. All school
14 district vacancies will be posted. Prior to filling of a vacancy via laid off personnel or new
15 hires, the Board will give preference, if equally qualified, to active employees who apply in
16 order of greatest classification seniority. The president of the union will be notified of all
17 vacancies.

18
19 ARTICLE XIII – BUS DRIVER ASSIGNMENTS

20
21 A. Special Program (e.g. Special Education) routes shall be available for bid on the basis of
22 greatest classification seniority annually. All other regular routes shall be assigned according
23 to location of the driver's residence in relation to the schools. All regular routes will be
24 reviewed annually by the administration to see if route can be adjusted to get the route closer
25 to driver's house.

26
27 B. Busses shall be assigned in classification seniority order unless vehicle condition or mileage
28 dictates an exception. Drivers will be expected to park assigned vehicles at their residence.

29
30 C. Regular drivers are asked to volunteer to substitute on special education and St. Anthony's
31 run. The driver must accept the entire assignment.

32
33 D. Transfer route assignments are made according to the proximity of the driver's residence to the
34 destination site. In the event that two or more drivers live within two (2) miles of the
35 destination site, the assignment will be made in classification seniority order.

36
37 E. Field trips and activity trips are assigned to regular drivers who want additional employment.
38 In the initial drivers' meeting of the school year, drivers shall indicate their willingness to
39 accept these trips. Field trips are those generally assigned before or after school hours and
40 transport more than fifteen (15) students. Drivers who indicate willingness to accept these
41 trips shall be assigned in rotation by classification seniority order. The rotation list will be
42 posted each month in the bus garage. Substitute drivers are not assigned to field trips, activity
43 trips, special trips, transfer routes, special education routes, or ISD Educational Center routes,
44 unless no regular driver is available for that duty.

45
46 This article does not prevent Whiteford Schools or booster organizations from securing a
47 commercial carrier or private vehicle to transport students on special occasions.

1 F. Any driver so assigned to a field and/or activity trip may notify the employer that he/she
2 wishes to waive compensation for the assignment.
3

4 G. Reimbursed Expenses:
5

6 1. Food allowance on extra trips
7

8 Allowance for meals (food) on an extra trip will be limited to those trips where the driver
9 is "on the job" in excess of six (6) hours or under circumstances where the normal time
10 for a meal, such as lunch (noon) or dinner (6:00 p.m.) / excluding athletic trips) occurs
11 more than two (2) hours past such mealtime. If a trip calls for the bus to stop to allow
12 passengers to eat, the driver would be reimbursed a food allowance even if it is under the
13 six hour maximum. Drivers who choose to buy "in-between meal snacks" will do so at
14 their expense.
15

16 2. Parking fees

17 3. Fuel purchased on road

18 4. Road service purchased

19 5. Extra bus clean-up work with approval of superintendent

20 6. Upon proof of receipt, drivers will be reimbursed for the cost of admission to any event
21 or function (i.e., field trips, athletic trips, etc.)
22

23 H. If the Whiteford School District should convert a bus to a building trades vehicle, said vehicle
24 will be considered a traveling classroom and does not come under the jurisdiction of the
25 contract. This vehicle may not be used for transporting any other class.
26

27 I. Departure time for the lead bus (or busses) from the high school parking lot shall be no earlier
28 than five (5) minutes following the dismissal bell signifying the end of the high school day.
29 (The five-minute bus dismissal time will be determined by the wristwatch of the lead bus
30 driver(s). The lead driver(s) wristwatch will be coordinated with the master clock located in
31 the high school office.)
32

33 J. The driver and the bus are to remain at the site of the event unless prior drop off and pick up
34 instructions have been arranged. Driver may either attend the event or remain with the bus on
35 the premises.
36

37 However, at all day events, (defined as those lasting six (6) hours or longer) and in which the
38 group involved has no scheduled meal arrangements that the driver would be eligible to attend,
39 the driver may then leave the premises for a period of time not to exceed one (1) hour to obtain
40 a meal. The driver will be limited to leaving only once during the entire day unless the event
41 exceeds twelve (12) hours, in which case two (2) meal periods each not to exceed one (1) hour
42 in length will be allowed.
43

44 Before leaving the premises to obtain a meal, the driver is required to seek out and inform the
45 school personnel in charge (teacher, coach, advisor, etc.) that they are leaving to obtain a meal
46 and the restaurant they can be located at (when possible) should it be necessary to make
