## **A G R E E M E N T**

THIS AGREEMENT is entered into by and between the BOARD OF EDUCATION of the Greenville School District, hereinafter called the "Board," and the GREENVILLE EDUCATION ASSOCIATION, hereinafter called the "Association."

### **ARTICLE I** **RECOGNITION**

- A. The Board hereby recognizes the Association as the exclusive and sole bargaining representative for all certificated personnel including the Great Start Readiness Program teacher(s) and all full-time and regular part-time instructional and behavior coaches, teacher consultants, social workers, speech and language therapists and school counselors employed by the Board excluding: superintendent, assistant superintendents, principals, assistant principals, administrative assistants, other supervisory and executive employees, office, clerical and non-professional personnel, nurses, substitute teachers, diagnosticians, psychologists, part-time vocationally certificated persons, part-time extracurricular staff, and adult and community education personnel. The district may look to hire part-time vocationally certified staff on a year to year contract only after all attempts to hire certified teaching staff have been exhausted. In such cases, the Association will be immediately notified. The term "teacher," when used hereinafter in this Agreement, shall refer to the professional employees represented by the Association in the bargaining or negotiating unit as above-defined. Use of masculine pronouns shall, where appropriate, include reference to female professional employees, and vice versa. The Board shall not employ a series of part-time vocationally certificated persons to reduce the workload of bargaining unit teachers.
- B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement.

**ARTICLE II**  
**ASSOCIATION AND TEACHER RIGHTS**

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join, and support the Association for the purpose of engaging in collective bargaining or negotiation and other lawful concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under the color of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage, deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan, of the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, nor his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. The Association represents all employees in the bargaining unit.
- C. All employees in the bargaining unit are bargaining unit members. Association members are those that pay membership dues.
- D. Each bargaining unit member can freely choose to become a member of the Association, or to not become a member of the Association. Paying association dues is not a condition of employment; an employee cannot and will not be terminated because the employee chooses or chooses not to pay association dues. If an employee chooses not to become an Association member he/she will remain a bargaining unit member, remain entitled to representation by the Association, remain covered by this collective bargaining agreement, and remain entitled to any benefits set forth in this collective bargaining agreement. The Board will not tolerate harassment or discrimination against any employee who chooses to become an association member or chooses not to become an association member. Any employee who believes he/she has been harassed or discriminated against in violation of this subsection should complain as set forth in the board's harassment policy. Any employee deemed to have harassed and/or discriminated against another employee because that employee chose or chose not to be an association member, or chose or chose not to pay association dues, shall be subject to appropriate discipline. The Association will indemnify and hold the Board harmless from any and all damages, judgments and costs which it may incur in following these provisions.
- E. The Association and its members shall have the right to use school buildings at reasonable hours for meetings and to use school equipment for reasonable services, paying for any extra custodial services and supplies which such uses require. Twenty-four (24) hours' advance arrangements for such use shall be made with the building principal.
- F. The Association will have the right to place notices, circulars and other material on designated school bulletin boards and in teachers' mailboxes. Authorized representatives of the Association will assume responsibility for posting or distributing materials of the Association. An information copy of all material to be posted on any bulletin board and of all other material for general distribution in a building or buildings shall be shown or given to the principal at the time of posting or distribution.

- G. The district shall provide the Association with names and directory information (full name, telephone number, address, position and building) of all new hires in the bargaining unit within one pay period after their date of hire.
- H. The Board agrees that the following current information will be furnished on request to the Association: number of students in the District; current State Equalized Valuation of the District; number of teachers employed, together with their degree status, experience and position on the salary schedule; extra duty assignments and compensation; names of newly hired teachers and their salaries; Annual State Report (DS-4511) and Financial Information Database (FID Report), Annual Auditor's Report; tentative and adopted budgets; individual sick leave accumulation; by title, each administrator's total individual salary and a statement of administrative fringe benefits; the number of teachers in each insurance category (i.e., single, two person, full family, etc.); projected student enrollments, if available; and information for the processing of grievances.
- I. The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex, sexual orientation, gender identity, marital status or membership in/or association with the activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, sexual orientation, gender identity, color or national origin and to seek equality of educational opportunity to all pupils.
- J. The teachers shall be entitled to full rights of citizenship and no lawful religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher, provided that no such activities shall interfere with the proper performance of the teacher's duties.
- K. No teacher shall be prevented from wearing insignia, pins or other identification of membership in the Association on school premises so long as they would not distract from the proper performance of his/her duties.
- L. Consistent with the Code of Ethics of the Education Profession, membership in the Association shall be open to all teachers regardless of race, color, national origin, sex (including sexual orientation and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information or any other legally protected category, (collectively, "Protected Classes"), in its programs and activities.
- M. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance settled without intervention of the Association if the settlement is not inconsistent with the terms of this Agreement, provided that the Association has been given the opportunity to be present at such settlement.
- N. A teacher who becomes aware of a possible safety hazard within the school building or on school premises shall inform the building principal or superintendent in writing with no repercussions or disciplinary action.

- O. School social workers, school counselors and speech and language therapists who do not have a teaching certificate shall serve the same probationary period as certificated teachers. Upon completion of a satisfactory probationary period, such employee may not be discharged without just cause. It is the Board's intent to hire certified professionals for these positions; however, the most qualified professional staff will be selected.

**ARTICLE III**  
**BOARD AND ADMINISTRATION RIGHTS**

It is recognized that Michigan law makes the Board legally responsible for the operation of the Greenville School System in all respects. In meeting such responsibilities, the Board acts through its administrative staff. Such responsibilities include the establishment of educational policy, the construction or acquisition and the maintenance of school buildings and equipment, the hiring, transfer, assignment, supervision, promotion and termination of staff members, and after consultation with the Association, the establishment and revision of rules pertaining to the conduct of staff members.

The Board shall have the right to establish the length of the duty day to allow the district to meet State-mandated time of instruction.

**ARTICLE IV**  
**PROFESSIONAL BEHAVIOR**

- A. Teachers are responsible for providing a high level of professional service to the district; this includes adequate planning, student learning, support and communication for students, parents, colleagues, and/or consultants.
- B. The Association recognizes the existence of all Board policies regarding a teacher's duties.
- C. The Board of Education agrees to provide, upon application, the necessary funds for teachers attending select professional conferences when such attendance is approved by the administration. Travel, meals, lodging and registration fees shall be deemed appropriate expenses of the Board, as well as the cost of the substitute teacher needed to relieve the participant.
- D. The Board of Education believes that appropriate attire on the job is important. Link to board policy <https://go.boarddocs.com/mi/greenv/Board.nsf/Public?open&id=policies#>
- E. A teacher who allegedly committed a breach of professional conduct, with the possibility of discipline, shall be entitled to have Association representation.

**ARTICLE V**  
**NOTIFICATION OF ASSIGNMENT**

- A. All teachers on tenure will be notified of their grade or subject assignment by June 1. After June 1, if staff has to be reduced or reassigned because of financial or other reasons, notice of grade or subject assignment will be made as soon as possible after such financial or other situation has been finally determined.
  
- B. Any teaching assignments in addition to the normal teaching assignment shall not be obligatory but shall be with the consent of the teacher. It is, however, agreed that such positions ought to be filled by regular members of the teaching staff rather than part-time outside persons, and to this end the Association and the Board will use their best efforts to encourage teachers to accept such positions when offered in writing. The teacher shall be deemed to have consented to such assignment unless he/she gives the Board notice of refusal in writing within ten (10) school days after being offered the position for the next school year.
  
- C. The teacher mentor program is designed to give each new teacher to Greenville one person to guide them and answer any questions they may have and help them grow professionally. Participation as a mentor is voluntary. Refer to Appendix F., Teacher Mentor Program.

**ARTICLE VI**  
**VACANCIES AND PROMOTIONS**

- A. Vacancies will be posted in a timely manner in order to secure the best qualified candidates as determined by the Board of Education. Notification of any vacancies will be shared internally. Qualifications shall be identified in the job posting to secure the best fit for the district. The Board declares its intention to give full and equal consideration to present staff members in all vacancies in which they have expressed an interest.
  
- B. Any teacher who shall be transferred to an administrative position and shall later return to a teacher status shall be entitled to retain such rights as he/she may have had under this Agreement prior to such transfer to an administrative status.
  
- C. The promotion or failure to promote any teacher to an administrative position which shall become vacant during the course of this Agreement shall not be subject to the Grievance Procedure, it being expressly understood that the Board's right to select its own administrator is solely within its discretion.

**ARTICLE VII**  
**NECESSARY REDUCTION OF PERSONNEL**

- A. For full-time employees, a lay-off will be defined as any reduction of hours to less than a normal teaching day as defined in the Master Agreement. For part-time employees, a lay-off will be defined as any reduction in present teaching hours.
- B. The curriculum and program to be offered and the number and nature of positions to be filled in connection, therewith, will be determined by the Board.
- C. The Board of Education shall maintain an up-to-date seniority list and shall furnish the list to the Association President upon request. The names of all teachers in the bargaining unit at the time of the preparation of the seniority list shall be listed in order of their service dates, starting with the teacher with the greatest amount of seniority at the top of the list. All new hires with the same hire date will use a lottery draw for placement on the seniority list.
1. "Service date" is the date when the teacher first provided professional services (excluding extracurricular assignments) for the Board since any break in service. The service date may also be referred to as the seniority date in this document.
  2. A "break in service" shall occur if an employee:
    - a. Resigns or quits
    - b. Is discharged
    - c. Retires or is retired
  3. The provisions herein set forth shall be subject and subordinate to all applicable laws and regulations, including the Teacher Tenure Act.
  4. Regular part-time teachers teaching half-time (half-pay) or less will receive credit for one-half (1/2) year of teaching. All other teachers will receive full credit for the year.
  5. Teachers shall accrue seniority during an approved leave of absence of less than one school year.
- D. Any person who has received tenure in Greenville and then assumes an administrative position shall retain their tenure status and years of service on the GEA Seniority list but shall not be granted additional years of teacher seniority for their time in a non-tenured administrative position.
- E. If any laid-off, tenured teacher desires to be re-employed when future vacancies occur, he/she shall keep the Board advised of his/her current contact information. A laid-off, tenured teacher shall remain on layoff status for a period of three (3) full school years. Tenure teachers desiring to remain on the recall list for additional school years must notify the Board in writing by June 30th of each of the following three years.
- F. A laid-off probationary teacher must notify the superintendent's office of his/her desire to return to teaching employment by June 30th of the school year to continue on layoff status. A probationary teacher will be kept on layoff status for a period not to exceed two (2) years. After the two (2) year period, he/she will be deleted from the seniority list.
- G. Any person recalled to work from layoff shall be entitled to at least two (2) weeks written notice sent by

certified mail to his/her last address supplied to the district.

1. If such person is given more than two (2) weeks notice, he/she shall be required to reply in writing within two (2) weeks agreeing to report to work at the date requested.
2. If a recalled person refuses or fails to reply or report to work within the two (2) week time requirement, he/she shall be considered as a voluntary quit and shall thereby terminate any employment relationship with the Board.

H. A teacher who was laid off under the above provisions and who is paid unemployment compensation benefits (associated with his/her regular teaching assignment) during the summer immediately following the layoff and who is subsequently recalled to a teaching position at the beginning of the next school year, will be paid according to an annual salary rate, such that his/her unemployment compensation plus that annual salary rate will be equal to the rate of salary he/she would have earned for the school year had he/she not been laid off, subject to the following condition:

The total of unemployment compensation plus salary earned by employment in the District shall not be below that which the employee would have received had he/she been employed the entire school year.

## ARTICLE VIII

### TEACHING HOURS

- A. The full-time teacher's day consists of seven hours and 50 minutes (7.83), including a lunch period. In addition, secondary building administration may schedule teachers to remain one-half (1/2) hours later for a faculty meeting one (1) time each week. Each secondary teacher shall remain available at his or her normal teacher station for at least fifteen (15) minutes and elementary teachers five (5) minutes after the dismissal of school each day to provide consultation, extra help for students, or supervision. Each secondary teacher shall be entitled to leave the building on the last work day of the week ten (10) minutes after the dismissal of school in his or her respective building. Start and end times will be determined no later than August unless an emergency situation arises.

In emergency situations or circumstances, such as space shortages or financial conditions, start and end times may be changed. The Association will be notified of any plan to modify the work day should the above emergency situations exist.

The Board recognizes that staff provide multiple tiers of support to all students. In order to maximize service, high school counselors will work an additional 5 calendar days, paid at the per diem rate. These days are to be decided collaboratively between the counselors and building principal prior to the conclusion of the school year, and in anticipation of the following school year.

- B. Variations in scheduled work hours may be established by mutual agreement among administration, Association and the individual classroom teacher affected by the alternative schedule. In all cases, the classroom teacher working an alternative schedule must adhere to the minimum number of work hours established above.
- C. Teachers may request a variation from the agreed upon starting and ending work schedule (*Flex-Time*) using the following parameters:
1. Staff with Flex-Time schedules must be available for all required meetings, IEPC's, and parent meetings i.e. open houses even if scheduled outside of the *Flex-Time* schedule.
  2. Flex-Time reporting times are 20 minutes difference from the start and end time for elementary and 15 minutes difference from the start and end time for secondary.

#### **Elementary.**

3. Staff will report at scheduled times on professional development days.
  4. Flex-Time requests will be submitted to the building principal by the end of the first week of each semester or trimester.
- D. All elementary teachers shall have from the start of the teacher day for planning time and will receive additional released time when students are receiving instruction in special areas such as music, physical education, art, etc., except where special circumstances require their presence. Elementary staff meetings are recommended to be held weekly before the instructional day begins.

Additional time will be provided when fiscally possible.

It is the administration's intent to provide half-day planning time for elementary teachers. These half-days will be scheduled the same as the secondary teachers at the end of the semester. Also, there will be four optional half days per year that can be arranged with their principal. Substitutes will be hired.

1. Teachers shall meet their students at the start of the instructional day and remain with them until the end of the instructional day, less afternoon recess and lunch. Elementary teachers will not be required to supervise outside recess periods, provided that a schedule will be developed in each elementary building for a teacher or teachers to work with the paraeducators in supervising those students who remain in the building during inclement weather. Voluntary recess supervision by teaching staff shall be compensated as outlined in Appendix D. If no teachers volunteer in this capacity, the principal shall develop a schedule utilizing all available certified teachers. Reimbursement for this time shall be at the top instructional rate (Appendix D).
  2. Students will not enter the building before the start of the instructional day. However, when inclement weather requires K-5 students to enter the building early, students will be permitted into the classroom and a schedule will be developed by the principal providing supervision by paraeducators with the cooperation of the teachers.
  3. Each building principal will develop a schedule using teachers and paraeducators that will provide a ten (10) minute A.M. relief break with one professional staff person in each building on duty.
- E. All full-time secondary teachers shall have a 45 minute period of released time for conferences and preparation during the regular teacher day.
- F. All teachers working more than half-time shall receive a 30 minute duty free lunch period.
- G. Teachers shall make themselves available for additional time for teachers' meetings, parent conferences, student conferences, department meetings, grading of papers, planning instruction, and teacher-directed functions necessary to assure a total performance of the teacher's duties.

At the discretion of the building principal, teachers can be required to attend up to three (3) events (not to exceed three hours and thirty (30) minutes (3.5) hours per event) per school year. Teachers shall be notified in writing of a required event and its purpose at least three (3) weeks in advance of the event. This is in addition to parent/teacher conferences and an open house or a curriculum night as scheduled on the district calendar.

If a teacher does not attend a required event, he/she will be charged leave time unless there is no leave time available, in which case the teacher will be docked their hourly rate of pay.

Athletic and extra/co-curricular events shall not take precedence over required events unless a competition/performance has been scheduled outside of the control of the District.

In addition to required events, there may be other opportunities to participate in school or community events as an invited participant. These are not required.

It is important that administration and teachers recognize the importance of balance in professional growth and responsibility to personal lives and family time. To that end, as we consider changes, we will analyze areas to abandon and involve staff in the decision making process, so as not to be unreasonable in our

expectations. Each principal is requested to utilize a process to include staff in the decision making process as it applies to adding responsibilities.

Student release time for staff Professional Development may be granted upon the recommendation of the Assistant Superintendent and the approval of the Board of Education. The District School Improvement Team and District Leadership Team and/or the District Curriculum Committee will assist the Assistant Superintendent and the District Calendar Committee in recommending release dates for Board approval.

- H. Teachers are expected to maintain the minimum hours herein established. Should their efforts fail, it could mean loss of pay at the teacher's rate in accordance with the salary paid.
- I. The Board will attempt to limit a secondary teacher's preparations to three (3). However, in some circumstances, it may be necessary to exceed that number.
- J. Part-time teachers will have a minimum released time for preparation and conferences as follows:

1 teaching period	15 minutes
2 teaching periods	25 minutes
3 teaching periods	35 minutes
4 teaching periods	45 minutes

- K. Teachers are to report for work on all days being considered for pay except holidays. Policy for school cancelation days shall be as follows:

- 1. Scheduled days of student instruction which are not held because of conditions not within the control of school authorities such as inclement weather, fire, epidemics, mechanical breakdowns, power failure, issues of student or staff safety, or health conditions as defined by the city, county or state health authorities, will be rescheduled at the end of the school year or on day(s) mutually agreed upon by the Association and the Board of Education to ensure that a minimum of the State mandated instructional times of actual student instruction is met. Employees will receive their regular pay for days which are canceled, but shall work on any rescheduled days with no additional compensation.

When school is canceled, employees shall not be required to report or suffer loss of salary/benefits. If an individual building is closed, teachers may not be required to report at the discretion of the superintendent.

In the event of school cancellation during scheduled Parent/Teacher conferences, the superintendent in consultation with the association president will decide if conferences will be held or rescheduled.

- 2. When the start of school is delayed, the beginning of the teacher's day will be delayed an equivalent amount of time. Teacher dismissal will be at the normal ending time unless otherwise notified by the administration.
- 3. Teachers will not be charged a paid leave day (sick leave, bereavement, personal business, etc.), if school is closed because of inclement weather or other school cancelation reasons.

- L. When it is necessary for instructional coaches and behavior coaches to work beyond the established contract days/hours in order to complete their identified job duties as staff trainers, their days/hours may be varied accordingly. Variations in work time shall be mutually agreed to by the instructional coach and behavior coaches and the Assistant Superintendent and will be documented using district timesheets.

**M. Job Share Arrangements.**

1. Job shares may be considered through a process established by the Board of Education. Applications should follow the Board Policy 3120.10 and submitted by April 1st for the upcoming year. The applying members shall be notified of the District's decision by May 1st.
  2. Job sharing assignments shall be filled by teachers who have jointly agreed to work. Application for a job share is voluntary.
  3. Teachers in a shared assignment have the opportunity to sub for each other and shall be paid at the daily substitute teacher rate of pay. The absent teacher shall notify the building principal.
  4. All salary, leave time, fringe benefits and other compensation shall be accrued on a pro-rated basis based on the teacher's full time equivalency (FTE).
  5. Attendance at staff meetings, staff development and other days of required attendance for full-time staff will be required of shared-time teachers and will be required with no additional compensation. The principal may at his/her discretion allow exceptions to the staff meeting requirement, however, any exception shall not establish a practice or precedent.
  6. Attendance at parent/teacher conferences will be required by both shared-time teachers with no additional compensation.
  7. If one or both of the employees desire to return to a full-time status, they shall have the right to return to full-time status for the next school year provided there is a vacancy for which they are highly qualified. Application for continuation of the job share shall be made by April 1.
  8. In a job sharing situation, the job-sharing teachers' combined salary shall not exceed the salary of one full-time teacher. It is further understood that such job shares must meet all requirements set forth in board policy and administrative rules regarding such arrangement. Furthermore, the acceptance or denial of a job-share arrangement is at the sole discretion of the employer and shall be non-grievable.
- N. The district and the GEA agree that there may be times when it is advantageous and/or necessary to share ancillary staff between districts. If the district chooses to enter into an arrangement to share ancillary staff, it will do so under the following conditions only:
1. The split-assignment position must be at least 50% at Greenville Public Schools.
  2. The split-assignment position will only be offered to create a full time position.
  3. The staff member in the split assignment will be considered a full-time employee of Greenville Public Schools for the purpose of seniority, wage and all other benefits.
  4. The staff member, prior to initial hire, understands that the position is a split assignment between two districts.

5. When the staff member, during the regular work day, is required to travel between districts or buildings, he/she shall be paid mileage at the IRS rate for government travel. There will be no mileage paid to and from the work sites where the service originates and continues throughout the day.
6. In the event of a layoff, the least-senior ancillary staff member in the classification shall be assigned to the split-assignment position unless a voluntary transfer is arranged.
7. The district will provide mentoring, supervision and evaluation of the staff member in the split assignment.
8. There is a preference for the person serving in a split-assignment position to be fully certified, though this is not explicitly required.

## **ARTICLE IX**

### **CLASS LOAD**

A. Inasmuch as the pupil-teacher ratio is an important aspect of an effective educational program and is directly related to the volume of a teacher's work, it is agreed the following maximum class sizes and pupil-teacher ratios will be adhered to. In the event of any disagreement between the representatives of the Board and the Association as to the needs and desirability of deviation from these class sizes, it may be processed through the Grievance Procedure set forth in Article XX. The Board recognizes that the pupil-teacher ratio established here is not an optimum pupil-teacher ratio and will give improvements in this area prime consideration as the building and finances of the District may allow for improvements.

If any elementary class has four (4) or more pupils above the appointed class load size, there shall be a meeting between employee and/or association and building administration.

Class size shall be adjusted to meet class loads by the last day of the third week of school. The administration agrees to attempt to keep grade levels equalized within the buildings. However, the parties recognize that reassignment of students is detrimental to the educational process and is to be avoided whenever possible.

For K-5 general classrooms, when the number of students exceeds the class size numbers listed above after the third week of the school year, the teacher shall have the following options:

- a. One-half hour of paraprofessional time may be provided for each student over the limit OR
- b. A stipend of \$5.00 per day per student over the limit which will be paid on the pay period following the end of each trimester. Documentation will be required for this pay OR
- c. These two forms of relief may be combined at the discretion of the teacher in the event of multiple students over the class size limit provided in increments of \$5.00 and half hour units only.

If the teacher would like to change options after the initial selection, this can be done only by mutual agreement between the teacher and administrator and at the end of the trimester.

Substitute paraprofessionals will be hired for grades K-5 and special education, if replacement paraprofessionals are available.

2. Secondary - Thirty-three and one-half (33-1/2) classroom teachers per one thousand (1,000) students. Only that portion of a teacher's day which contributes to the reduction of class size may be included in the thirty-three and a half (33-1/2) classroom teachers per one thousand (1,000).

- a. The maximum number of students to be assigned an individual teacher except in specially classified classes such as music, physical education, shall not exceed one hundred seventy-five (175) students for a five (5) period\* teaching day. If a teacher has fewer than five (5) teaching periods, then the maximum per day shall be thirty five (35) times the number of teaching periods.

A "period" is defined as an academic course of instruction that meets a graduation requirement for credit or course grade.

- b. The maximum number of students assigned to a given section of the above classes with the exception of the specifically classified classes shall be thirty five (35). Given sections of these classes shall not be smaller than nineteen (19) unless physical facilities or the most efficient use of personnel so dictates.
- c. Class size shall be adjusted to meet class load requirements by the end of the third week of the first (1st ) semester and the end of the second (2nd ) week of the second (2nd ) semester. The agreed upon limits in chart form are as follows:

ELEMENTARY	MAXIMUM STUDENT COUNT PER CLASSROOM	The class sizes appointed here will apply for the school year 2020-2021 and subsequent years (elementary, elementary-online, secondary-lab classes, secondary, secondary-satterlee, secondary-online)
Grades K-2	25	
Grades 3-4	28	
Grade 5	29	
ELEMENTARY-ONLINE LEARNING K-5	MAXIMUM NUMBER OF STUDENT SLOTS	SLOT CAPACITY OF FULL-TIME STUDENT
One teacher	189	7
SECONDARY-LAB CLASSES	MAXIMUM STUDENT COUNT PER CLASSROOM	MAXIMUM CLASS LOAD TOTAL

e. In the establishment of experimental education programs involving large group instruction or other organizational patterns with high pupil-teacher ratios, maximum established above will not apply. The development of such programs shall include full discussion by the principal and staff. However, if an individual teacher is to receive or has a class load that exceeds the limits, that teacher must agree to exceeding the maximum load.

f. In an effort to assure that all students are included with their peers to the maximum extent appropriate, the building administrator will work with staff to assure the capacity to meet the individual needs of students. When scheduling, the administrator will make every attempt to balance the needs of students to allow for student success. If a teacher feels that the number of special education students who have been mainstreamed into his/her classroom creates a situation where the needs of all of the students in the class are not being adequately met, the teacher may request a meeting with the principal to review the situation and consider possible change.

  - d. (0.5 is not rounded up)
2. Each student, regardless of need, will count as one (1) on the teacher's class load. At the beginning of each semester, the building administrator or designee will ensure each teacher has received notification of students with-unique educational needs (special education, health needs, ESL, etc.) assigned to their class load.
3. Any further programs to expand the least-restrictive environment for inclusive education students and/or students requiring custodial care shall be carefully pre-planned with input from the regular education teacher, administration, and special education staff. Appropriate training with necessary equipment and resources will be made available to teachers and professional support personnel.

D. The Board will provide each building office with the general procedures for initiating a referral for a potential special education student. Included will be procedures required to convene an I.E.P.C., when a change in educational status may be deemed necessary.

Travel time and transition time are exclusive of a teacher's duty free lunch period and scheduled planning time.
- E. This agreement covers all intellectual property including those which are patentable or copyright protected. If the Application is denied, the Chairperson shall provide written notification of the denial to the bargaining unit member.

**4. Denial.**

If the Sick Day Bank Committee determines that an illness or disability which qualifies for utilization of days from the Sick Day Bank does not exist, or if sufficient medical verification of such an illness or disability is not provided to the Committee, it may deny the Application. The Chairperson shall notify the applicant of the denial, in writing.

**5. Disclosure of information.**

Applicants for utilization of days from the Sick Day Bank must agree, in writing, at the time of the application, that the Sick Day Bank Committee members are authorized to examine all information submitted by the applicant and his/her physician in support of the application, and that such information will be provided to the GEA President and the Central Office.

6. The Sick Day Bank Committee shall be composed of three (3) GEA bargaining unit members, one (1) Central Office non-affiliated administrator, one (1) District Support Staff (DSS) member, one (1) GAA and two (2) GESPA members. GEA appointees shall represent all levels and shall serve staggered terms. The Sick Day Bank Committee shall elect the chairperson of the Sick Day Bank Committee.

8. All decisions of the Sick Day Bank Committee shall be by majority vote of the members appointed and serving on the Committee. Teachers and Professional Staff who want to participate in the Sick Day Bank must donate at least one (1) sick leave day to the Sick Day Bank as a condition to their eligibility to access days from the sick bank. New participants must complete a donation form by September 30<sup>th</sup> of each year. 10. Upon approval of the Applicant’s request, the participant must complete and sign a “Sick Day Bank Payback Agreement” form.
11. Denial of days will not be subject to any appeal process of the GEA or the Board of Education or the Grievance Procedure set forth in the Master Agreement.
12. The Sick Day Bank Committee reserves the right to request a second medical opinion. This would be an independent exam after receiving the employee’s physician statement. The second opinion could be from a physician jointly selected by the employee and the Committee. The cost of the independent exam is to be borne by the employee or employee's association.

**ARTICLE XV**  
**UNPAID LEAVES**

- A. A teacher whose illness or injury continues beyond his or her accumulated sick leave days shall be granted an unpaid sick leave of absence for the balance of the school year if requested. Such leave may be renewed for additional periods by the Board of Education upon application. The Board may require satisfactory medical evidence supporting the teacher's need for such leave and his/her ability to resume normal duties upon completion of such leave.
- B. A leave of absence of up to two (2) years may be granted to any tenure teacher for the purpose of participating in exchange teaching programs, the Peace Corps, Michigan Teacher of the Year, VISTA or Teachers Corps as a full-time participant in such a program, provided said teacher states his/her intention to return to the school system.

Such leave shall begin at the time the teacher is able to resume his/her duties following childbirth or at the time an adoptive parent assumes custody of his/her child. If a vacancy exists for which the employee is highly qualified, such teacher shall be re-employed at the conclusion of the leave of absence provided that 60 days advance written notice of desire to return is given and a satisfactory medical report is furnished showing he/she is able to resume his/her duties. The teacher may request an extension of his/her leave, and a denial by the Board is non-grievable.
- F. The Board may, at its discretion, grant a leave of absence without pay, without fringe benefits, without salary credit, and upon such other terms or conditions as it may set, upon written application, stating reason and length of leave desired, provided application is made at least 30 days in advance and further, that a qualified and suitable replacement is found by the Board.

By action of the Board, at its discretion, and subject to such restrictions as the Board may set, extension of leave of absence may be made for individual cases under unusual circumstances.

- G. Requests for short periods of unpaid leave during the school year for the primary purpose of vacation, travel or recreation normally will not be granted. In cases where special circumstances are involved, such requests may, however, be granted only once during a school year, and on the condition that the applicant reimburse the Board for one (1) day of pay for a contracted substitute teacher's lead-in time (or its equivalent), in the case of absence of two (2) days or more of unpaid leave. Denial of any application for such leave will not be subject to the Grievance Procedure.
- H. The following stipulations shall apply to teachers who have been approved for a leave of absence:

Such written notice shall be made no later than April 1 for those who plan to return at the beginning of the fall semester, and no later than December 1 for those who plan to return at the beginning of the second (2nd) semester. Those who will be returning from leave at another time shall give thirty (30) calendar days written notice of their intent to return from leave.

**ARTICLE XVI**  
**PROFESSIONAL COMPENSATION**

- A. The salaries and other compensation of teachers covered by this Agreement are set forth in the appendices which are attached hereto and incorporated in this Agreement.
- B. The salary schedule shall be both a minimum and a maximum except as elsewhere expressly provided in this Agreement.
- C. The Board of Education and Association recognize that special circumstances are involved in the hiring and retention of certain teachers with special training. Therefore, it is agreed that the Board after consultation with the Association may compensate such teachers (using the state teacher shortage area list) up to Fifteen Hundred Dollars (\$1500) above the salary schedule when necessary in order to fill such positions.
- D. The Board may allow new teachers credit on the salary schedule for their full years of prior teaching experience up to six (6) years and one (1) year of credit for each further two (2) years of such experience up to a maximum of one (1) year less than the top step of the salary schedule.
1. The Board of Education may exceed above stipulations for credit in areas of high demand as defined by the District, up to full years of prior teaching experience and the Board will notify the President of the Association should any deviation in credit from prior teaching experience be made.
- E. All contracts or salary statements shall be drawn on the appropriate degree schedule and salary step according to the following criteria:
1. A teacher who qualifies for a higher degree or salary by the beginning of the school year will be re-issued a salary statement upon presentation of the necessary information. The teacher is responsible to complete the lane-change request form prior to the beginning of the semester they are requesting the salary change. The applicant must also provide official transcripts as soon as available.
  2. Teachers teaching part-time or scheduled extra hours shall be paid based on the appropriate salary step with benefits and length of day calculated on a prorated basis. In the case of grades Pre-K—8, teachers shall be paid based on the percentage of normal teaching hours worked. In the case of grades 9—12 teachers, the pro-ration will be based on the number of periods taught times one-fifth (1/5). Paid prorated planning time is already included in this calculation.
- The Board recognizes that teaching an additional period during the school day adds extra responsibilities in preparation and grading. Refusal to teach an extra period will not affect the teacher's evaluation. If a probationary teacher is requested to teach an additional period, the Association will be notified in advance.
3. All teachers, including mid-year hires, shall be entitled to advancement on the salary schedule at the beginning of the following school year.

If a teacher completes a degree or credit hours which qualify him/her for additional compensation during the first (1st) semester of the school year, he/she shall receive one-half (1/2) the difference between the old and new salary schedule, provided that not more than four (4) semester hours are required. Such contract will be adjusted accordingly in the second (2nd) semester.

4. A Masters degree in Social Work or Speech and Language Pathology that requires fifty (50) or more credit hours, qualifies for MA+20 on the salary schedule.
  5. For the school years of 2019-2020, 2020-2021, 2021-2022, 2022-2023, 2023-2024, teachers will be reimbursed by the district for their teaching certificate renewals, CTE Certificate renewals, Speech and Language Pathology Licenses, and School Social Work Licenses.
  6. Free daycare will be offered through Children’s Corner for all IRS eligible dependents of district employees.
- F. Employees must complete a full school year to be entitled to any additional annual bonuses. This shall include the early retirement notification incentive, years of service termination pay, sick-day buy back, and the years of service in Greenville (as outlined in the years of service table). Those employees leaving before the completed school year are not entitled to any of these bonuses for the current year. All services provided by staff will be paid for.

## ARTICLE XVIII

### SCHOOL CALENDAR

- A. Greenville Public Schools will, each year, convene a School Calendar Committee, which shall include GEA representation. The purpose of this committee is to recommend a legally compliant annual calendar to the Board.
- B. The district and association recognize that state law gives authority to the local intermediate school district to set the following dates:
  - 1. Winter Holiday Break
  - 2. Spring Break
- C. Due to school closing and as required by State law, student instruction days will be made up only when necessary to meet State mandated time of instruction. The Board will determine that all required student instruction days will be rescheduled at the end of the school year. The school calendar(s) is set in Appendix A, which is attached hereto and incorporated in this Agreement.
- D. After the state forgiven closure days are used, staff will engage in a less demanding virtual instruction day. Virtual days beyond state forgiven closure days will count toward the state days and clock hours requirement and are not subject to make up days at the end of the year. An instructional day must meet the following criteria:
  - a. Instructional opportunities are given for the purpose of assessment and/or feedback.
  - b. Attendance will be met through two-way communication logs and/or turning in closure day work. Students who are unable to access or complete the instruction on the closure day may be given an extension to meet the attendance requirement.
  - c. Teachers will be available during office hours from 11:00 AM-12:30 PM to provide support for students.
  - d. Instructional opportunities on virtual days shall include as much direction as needed for students to work independently.
  - e. 75% of students must participate in order to count as state mandated days and clock hours.
  - f. On state forgiven closure days, we shall follow current practice of providing instructional opportunities but not requiring two-way communication logs or assessment and/or feedback.
  - g. In the event that the state changes the requirements for mandated days and clock hours, the district shall meet the state requirement.
- E. Regardless of the length of this Agreement, the basic school calendar for the period covered by this Agreement, and for the year immediately following, shall be set forth in Appendix A.
- F. A parent-teacher conference schedule will be established on the school calendar at the discretion of the administration in accordance with the annual school calendar. (Reference Appendix A.)

## **ARTICLE XIX**

### **PROFESSIONAL GRIEVANCE PROCEDURE**

A grievance is defined as an alleged violation of a specific article or section of this Agreement or an existing rule, order or regulation of the Board relating to wages, hours, working conditions or terms of employment. If any such grievance arises, there shall be no stoppage or suspension of work because of such grievance; but such grievance shall be submitted to the following grievance and arbitration procedures.

An individual employee may present a grievance to the Board or its designated representative without the intervention of the Association or its representatives, as long as any adjustment is not inconsistent with the terms of this Agreement.

#### **Time Limitation.**

No grievance shall be processed unless initiated and carried to the next step within the time provided herein or as extended by mutual agreement.

#### **A. Step One.**

Within ten (10) school days of the occurrence of the event, any teacher or group of teachers (or the Association at the request of a teacher or group of teachers) having a grievance shall discuss the matter with the principal of the building involved. If the principal is absent from work and such absence prevents the discussion, the discussion must then take place within two (2) school days following the principal's return. The Association representative may be present at this discussion. The matter must be resolved to the satisfaction of the aggrieved employee within five (5) school days after this meeting.

#### **B. Step Two.**

If the matter is not resolved to the satisfaction of the aggrieved employee, the employee shall put the grievance in writing and file it with their building principal within five (5) school days following the principal's verbal response in Step One. The principal will respond to the aggrieved employee in writing within five (5) school days of receipt of the written grievance. A copy of the written disposition will be forwarded to the central office administrator.

#### **C. Step Three.**

If the written answer does not resolve the grievance to the aggrieved employee's satisfaction, the grievant has five (5) school days after receipt of the written response to file a grievance with the central office administrator together with a written statement of why the resolution was not acceptable. Within five (5) school days after receipt of the written grievance by the central office administrator, a meeting shall be held between the grievant and the central office administrator or his/her designated representative in an effort to resolve the grievance. The central office administrator will respond to the aggrieved employee in writing within five (5) school days of the meeting.

#### **D. Step Four.**

If the matter is not resolved to the satisfaction of the aggrieved employee, the employee shall file the

grievance along with a written statement of why the resolution was not acceptable with the secretary of the Board within five (5) school days of receipt of the central office administrator's written response.

**E. Step Five.**

Within 20 school days after receiving a written request (or a date mutually agreed to by the Grievance Committees involved), the central office administrator will arrange for a meeting between the Grievance Committee representing the Association and the Grievance Committee representing the Board to attempt to reach a satisfactory solution. The Board will render its decision in writing within 20 school days after the final meeting of the two (2) committees. Either the Association or the Board may have additional representation at this level of discussion.

Each Grievance Committee shall have three (3) members. Each committee shall have the authority to make a binding decision for the party it represents. However, any decision to submit the grievance to Step Six for arbitration must be approved by the Association Board of Directors prior to its submission.

**F. Step Six.**

If the grievance is not resolved at Step Five and the issue involves the interpretation or application of an express term of this Agreement, the Association may refer the matter to arbitration by notifying the Board, in writing, of its desire to arbitrate within 15 school days from the termination of Step Five of the Grievance Procedure. (The termination of Step Five is receipt of the Board's written decision.) If a request for arbitration is not made within the time specified, the grievance shall be considered settled.

**G. Selection of an Arbitrator and Arbitration Schedule.**

An impartial arbitrator shall be promptly selected by the parties to decide the matter. If they cannot agree as to the arbitrator, he/she shall be selected by the parties from a panel of five (5) qualified persons prepared by the Michigan Employment Relations Commission. The power of the arbitrator shall be limited to the interpretation or application of the express terms of this Agreement as written, and he/she shall have no power to alter, add to or subtract from the terms of this Agreement as written. The granting of tenure, termination of services or failure to re-employ a teacher, the termination of services or failure to re-employ any teacher to a position on the extracurricular schedules, or any grievance involving a prohibited subject of bargaining shall not be arbitrable. The arbitrator's decision shall be final and binding on the Association, its members, the teacher or teachers involved, and the Board.

**H. Arbitration Costs.**

The fees and expenses of the arbitrator shall be shared equally by the Board and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

**I. Emergency Meetings.**

Both parties recognize that in some instances settlement of a grievance involving more than one (1) school should be considered immediately. When a situation of this kind arises, the grievance may be processed in the first (1<sup>st</sup>) instance at Step Three, by agreement between the chief administrative officer (or his/her assistant in his/her absence) and the president of the Association (or the vice-president in the president's

absence). This procedure is to be used in exceptional situations only where immediate action is clearly indicated and agreed to by both parties.

**J. Summer Time Limits.**

In the event a grievance is processed late in the school year and the set time limits extend the processing of said grievance beyond the normal school year, the counting of days as herein described beyond the normal school year, shall consist of weekdays (Monday-Friday) until the matter is resolved.

**ARTICLE XX**  
**NEGOTIATION PROCEDURES**

- A. During the negotiations leading up to this Agreement, each party had the right to make proposals and bargain on all bargainable matters. This Agreement contains the entire agreement of the parties. During its life, each party therefore agrees that the other will not be required to engage in further bargaining on any matter, whether covered herein or not, except for matters which are subject to the Professional Grievance Procedure. Matters of concern may be discussed through the ongoing collaborative bargaining process and any agreement which results may become a part of this Agreement by mutual agreement of the parties.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representative of the other party, and each may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by the Board and the Association, but the parties mutually pledge that the representatives selected by each shall be clothed with all necessary power and authority to make and consider proposals and to make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- C. There shall be three (3) signed copies for purposes of record, one (1) to be retained by the Board, one (1) by the Association, and one (1) by the Superintendent. A copy of this Agreement shall be provided (print or electronic) to all teachers.
- D. If the parties fail to reach agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Commission.
- E. A teacher engaged during the school day in negotiating on behalf of the Association with any representative of the Board or participating in any professional negotiation, including arbitration, shall be released from regular duties without loss of salary or benefits when such negotiation or arbitration is held during the school day at the request of the Board.
- F. If during the duration of this contract, district per pupil revenues increase or decrease by three percent (3%) or more, based on the prior year, financial terms shall be re-opened for negotiation.

**ARTICLE XXI**  
**MISCELLANEOUS PROVISIONS**

- A. This Agreement shall supersede any rules, regulations or practices of the Board or terms of any teacher's individual contract heretofore in effect to the extent they are contrary to or inconsistent with its terms unless Board of Education policy involves Prohibited Subjects of Bargaining. A copy of this Agreement shall be furnished at Board expense to all teachers now or hereafter employed.
  
- B. If any provision of this Agreement or its application to any teacher or group of teachers shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
  
- C. Any teacher who is not re-appointed to an extra-duty position will, upon request, be given an opportunity to appear at a Board meeting to discuss and review such matters. Such meetings shall be public or private at the discretion of the teacher.

In 2021/2022, there will be an increase to the pay scale of .015% for each dollar increase in unrestricted, per pupil State Aid awarded in the school year's October State Aid Financial Status Report, minus step increases for that school year. Steps and Lane changes will be awarded immediately following the ratification of this agreement. If unrestricted state funding does not increase or if it decreases, the pay scale is not adjusted.

Additionally, there will be a \$225 stipend awarded to any employee who is not receiving a step increase.

Teachers who work less than ninety (90) school days and resign at the end of the school year will have their health insurance terminated at the end of the month of the last day worked.

- c. Teachers who retire at the end of the school year will have their health insurance terminated at the end of the month of the last day worked if there is satisfactory verification from the MPSERS office that state-provided health insurance will begin the first day of the following month. Without verification, health insurance will continue up to August 31.
- d. The insurance coverage of a teacher who was laid off because of a reduction in personnel will be continued for the two (2) calendar months following the month in which the layoff occurred.

Thereafter, such teacher may continue his/her insurance coverage in effect if he/she pays the full cost of such insurance for the period permitted by the insurance carrier.

- e. Employees who leave employment for reasons of a major disabling illness will have their health insurance paid by the Board until insurance coverage can be secured from other sources but not to exceed two (2) months. Thereafter, such teacher may continue his/her insurance coverage in effect if he/she pays the full cost of such insurance for the period permitted by the insurance carrier.
2. Life Insurance will terminate on the last day worked. Teachers shall have one (1) month from the date of termination to convert life insurance to a private plan.
  3. All other insurance will be covered to the next month's billing following the last day worked.

## **APPENDIX G**

### **FAMILY AND MEDICAL LEAVE POLICY**

#### **A. Purpose.**

The District's Family and Medical Leave Policy allows eligible employees to take up to twelve (12) weeks of unpaid leave per year for their own serious health condition, childbirth, or to provide care for the employee's newborn child, newly-adopted child, newly-placed foster child, or a child, parent or spouse with a serious health condition.

The following provisions provide information about the policy. Please read the policy carefully and keep it for future reference. Additional information and forms relating to Family and Medical Leaves are available from the Central Offices.

#### **B. Definitions.**

1. ***What does a "twelve-month" period mean?*** The District has adopted the rolling twelve-month method of calculating FMLA leave entitlement. Pursuant to this method, FMLA leave entitlement is based upon how much FMLA leave an employee has taken the preceding twelve months, measured backwards from the date the leave is to commence.
2. ***Who qualifies as a "spouse"?*** "Spouse" under this policy means a husband or wife, and does not include unmarried domestic partners. If both spouses work for the school district, their total leave in any twelve-month period may be limited to an aggregate of twelve weeks if the leave is taken for either the birth or placement for adoption or foster care of a child or to care for a sick parent.
3. ***Who qualifies as a "parent"?*** "Parent" under this policy means a biological parent or an individual who stood in place of a biological parent (*in loco parentis*) to the employee when the employee was a child. Parents-in-law do not meet this definition.
4. ***Who qualifies as a "child"?*** "Child" under this policy means a child (son or daughter) either under eighteen years of age, or eighteen years of age or older who is incapable of self-care because of mental or physical disability. An employee's "child" is one for whom the employee has actual day-to-day responsibility for care and includes a biological, adopted, foster or stepchild or legal ward.
5. ***What type of ailment qualifies as a "serious health condition" under this policy?*** A "serious health condition" is an illness, injury, impairment, or physical or mental condition that involves (1) inpatient care (an overnight stay), (2) a period of incapacity requiring continuing treatment by a healthcare provider, (3) a period of incapacity due to pregnancy or for prenatal care, (4) a period of incapacity or treatment for chronic or permanent/long-term conditions (*e.g.*, asthma, diabetes, epilepsy, cancer), or (5) a period of absence to receive multiple treatments by a healthcare provider for a non-chronic condition that, if left untreated, could result in a period of incapacity of more than three consecutive calendar days (*e.g.*, dialysis for kidney disease or chemotherapy for cancer).

By way of example, “continuing treatment by a healthcare provider” includes a period of incapacity of more than three (3) consecutive calendar days (including subsequent treatments or periods of incapacity relating to the same condition) that requires treatment on two (2) or more times by a healthcare provider or treatment once by a healthcare provider that results in a regime of continuing treatment under the supervision of a healthcare provider (*e.g.*, a course of prescription drugs, physical therapy).

Unless complications arise, the common cold, flu, upset stomachs, headaches, routine dental problems and cosmetic treatments do not meet the definition of “serious health condition”.

Please contact the Central Office for a more complete definition of “serious health condition”.

6. ***Who qualifies as an “instructional employee”?*** Under this policy, “Instructional Employee” means a person whose principle function is to teach and instruct students in a class, a small group or an individual setting. This term includes teachers and may encompass paraprofessionals or auxiliary personnel principally engaged in direct delivery of instruction (*e.g.*, signers for hearing impaired). This definition ***excludes*** auxiliary personnel such as counselors, aides, psychologists, social workers and non-instructional support personnel.
7. ***Who is the “District” under this policy?*** “District” means the Greenville Public Schools. This policy shall be implemented by the superintendent or his/her designee.

### **C. General.**

1. ***Who is eligible?*** If you have worked at least 1250 hours during the twelve-month period prior to commencement of the leave, you are eligible for FMLA leave after you have completed at least one year of service.
2. ***When can I take FMLA leave?*** Eligible employees may use FMLA leave for one or more of the following reasons:
  - a. The birth of a child and care for a newborn;
  - b. The care for a newly-adopted child or child recently placed in an employee’s home for foster care;
  - c. To care for a spouse, child or a parent (but not parent-in-law) who has a serious health condition; or
  - d. An employee’s own serious health condition that makes the employee unable to perform one or more of the essential functions of his or her job.
  - e. Due to a qualifying exigency arising out of your child, spouse or parent being on covered active duty or call to active duty by a branch of the United States Armed Forces.
  - f. Family leave to care for a newborn child or for adoption or foster care placement of a child must be completed within twelve months of the birth, adoption or placement of the child.

3. ***How much leave is available under the FMLA policy?*** Eligible employees may take up to twelve weeks of unpaid leave during any twelve-month rolling period (up to 26 weeks for a qualified military exigency) for a purpose which qualifies for a leave under the FMLA policy. The twelve-month rolling period is calculated backwards from the date the requested leave commences.

An eligible part-time employee is entitled to leave on a pro-rata basis, **so long as all other FMLA eligibility requirements are met.**

If spouses are both employed by the District and both are eligible for FMLA leave, spouses may take up to a combined total of twelve weeks of leave for the birth and care of a newborn child, the placement of a child in the spouse's home for adoption or foster care, or the care of a seriously ill parent. This limitation does not apply to the care of a spouse or child with a serious health condition or to the employee's own serious health condition. For example, if spouses each take four weeks to care for a newborn child, each spouse will have eight weeks remaining within the twelve-month period to use for other kinds of FMLA leaves, if necessary.

#### **D. Notice.**

1. ***When should I give notice of the need for FMLA leave?*** If the need for FMLA leave is foreseeable, you must give at least thirty (30)-days notice of your intent to use the leave (*i.e.*, for birth of a child, adoption, foster placement, or planned medical treatment for yourself or a family member). If the employee fails to give thirty (30)-days notice, the District reserves the right to delay the employee's FMLA leave until at least thirty (30) days after the employee makes the leave request. When the need for FMLA is unexpected, you must provide notice as soon as possible after the need for the leave is known.

At the time of requesting any time off work, employees are required to complete district-approved forms for leave utilization. When any time off work is requested, the District will inquire about the circumstances to determine if the requested time off appears to qualify as FMLA leave. Any time off work request determined by the District to qualify as FMLA leave will be credited against the employee's FMLA leave for the twelve-month rolling period described in Section 2(A) of this policy. Employees will be told whether the time off work requested is determined to be FMLA leave before the start of the requested leave, or as soon thereafter as practical.

#### **E. Substitution of paid leave time.**

Leaves are **unpaid** leaves, but there are several ways in which the District's policies on salary continuation, sick days and vacation pay work in conjunction with certain kinds of FMLA leaves to provide you with some form of income during such a leave.

1. ***Employees must exhaust earned and/or accrued paid time off.*** When time off work which qualifies as FMLA leave is to be taken, employees may first be required to exhaust earned and/or accrued paid time off which will be credited against their FMLA leave. For example, if an employee has earned and/or accrued paid vacation or personal leave, the District may require that the employee first apply that leave time to

his/her FMLA leave until the earned and/or accrued paid leave time is exhausted. The District may also require that any earned and/or accrued paid vacation or personal/sick leave be exhausted before the employee takes any unpaid FMLA leave to care for the employee's own serious health condition or that of a spouse, child or parent (where permitted for the latter purpose under the contract or policy governing the employee). Any remaining FMLA leave to which the employee is entitled will then be taken on an unpaid basis. An Employee also is entitled to substitute accumulated paid leave off for FMLA leave.

**2. *District notification of FMLA leave.*** Once the District receives notice (or sufficient information) that leave is being taken for an FMLA required reason, the District shall (within five (5) business days, absent extenuating circumstances) notify the employee, in writing, that accrued paid leave (as described above) has been designated as FMLA leave.

#### **F. Medical certification.**

If an employee requests FMLA leave due to a serious health condition or to care for a parent, child or spouse with a serious health condition, the employee will be required to provide medical certification from a healthcare provider of the serious health condition involved and, if applicable, verification that the employee is needed to care for the ill family member and for how long. Forms for this purpose will be provided by the Central Office when the employee notifies the District of the need for the leave. Employees must provide the requested medical certification within fifteen (15) days of being supplied with the necessary certification form from the Central Office or a request for FMLA leave may be delayed or denied.

After an employee submits the required medical certification, the District may require, at its option and its expense, that a medical certification be obtained from a healthcare provider of the District's own choosing to verify the need for the requested FMLA leave. If the first (1<sup>st</sup>) and second (2<sup>nd</sup>) certifications differ, the District may require, at its option and at its own expense, that a third (3<sup>rd</sup>) certification be obtained from a third (3<sup>rd</sup>) healthcare provider who is jointly selected by the prior two (2) healthcare providers. The third (3<sup>rd</sup>) medical certification will be final and binding on both parties. If the employee refuses to be examined by the third (3<sup>rd</sup>) healthcare provider or refuses to cooperate in the examination, the employee will be bound by the second (2<sup>nd</sup>) certification.

The District may also require periodic medical recertifications at its own expense. The District also retains the right to require the employee who is absent on FMLA due to his/her own serious health condition to present a medical certification on return to work. Failure to provide this information will delay restoration of employment and may result in separation from employment status.

#### **G. Intermittent/reduced leave schedule.**

If an employee needs intermittent leave, or leave on a reduced leave schedule (or if the intermittent/reduced leave is allowed for the birth of a child or for placement of a child for adoption or foster care), the employee must advise the District why the intermittent/reduced leave schedule is necessary. An employee must meet with the District and attempt to work out a leave schedule which meets the employee's needs for leave without unduly disrupting the District's operations. The employee should meet with the District before treatment is scheduled. If the meeting takes place after treatment has been scheduled, the District may, in certain instances, require an employee to attempt to reschedule treatment.

The District may assign an employee to an alternative position with equivalent pay and benefits, but not necessarily equivalent job duties that better accommodate the employee's intermittent or reduced leave schedule. The District may also transfer the employee to a part-time job with the same rate of pay and benefits, but the employee will not be required to take more leave than is medically necessary. Where benefits (e.g., vacation) are based on the number of hours worked, the employee will receive appropriate benefits, based upon hours worked. When a transfer to a part-time position has been made to accommodate an intermittent or reduced leave schedule, the District will continue group health benefits on the same basis as provided for full-time employees until the twelve weeks of FMLA leave are used.

Intermittent and reduced leave schedules are available to all employees for pre-natal care, to attend to a serious health condition requiring periodic treatment by a healthcare provider, because the employee (or family member) is incapacitated to a chronic serious health condition, or because of childbirth, adoption or foster care placement.

If an eligible instructional employee requests intermittent leave or leave on a reduced leave schedule to care for a family member having a serious health condition, or for the employee's own serious health condition, which is foreseeable based on planned medical treatment, and the instructional employee would be on leave for more than 20% of the total number of working days over the period the leave would extend, the District may require the instructional employee to choose either to: (1) take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or (2) transfer temporarily to an available alternative position for which the instructional employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the instructional employee's regular assignment.

## **H. Benefits.**

1. ***What happens to my benefits while on leave?*** During the period of an approved FMLA leave, your health insurance will continue uninterrupted, but if you make a contribution toward your coverage, you must make arrangements to continue your contributions during the term of your leave in order to continue your basic health insurance coverage at existing levels. Failure of an employee to pay his or her share of health insurance premium during FMLA leave may result in loss of coverage, if the employee's contribution is more than thirty (30) days late. If the employee's premiums are in arrears, the District shall provide the employee at least fifteen (15) days written notice prior to canceling insurance plan coverage.

Except as required under COBRA, the District's obligations to maintain health benefit premium contributions for an employee on FMLA ceases when: (1) the employment relationship would have terminated, irrespective of the FMLA leave (e.g., reduction in force); or (2) when the employee advises the District of intent not to return from leave; or (3) when FMLA expires and the employee has not returned from leave.

Employee contributions will be required either through payroll deduction or by direct payment to the Business Office. The employee will be advised in writing at the beginning of the leave as to the amount and method of payment. Employee contribution amounts are subject to any change in premium rates that occur while the employee is on leave.

If the District remits any employee premium contributions in arrears from the employee while on FMLA leave, the employee will be required to reimburse the District for delinquent payments (through

authorized payroll deduction or otherwise) upon return from leave. If the employee fails to return from unpaid family/medical for reasons other than: (1) the continuation, recurrence or onset of a serious health condition of the employee or a covered family member, or; (2) circumstances beyond the employee's control (certification required within thirty (30) days of failure to return for either reason), the District may seek reimbursement from the employee for the portion of the premiums paid by the District on behalf of that employee (also known as the "employer contribution") during the period of leave, excluding period where the District or the employee has substituted paid leave for FMLA leave. An employee is not entitled to seniority or benefits accrual (e.g., holidays, vacations) during a period of unpaid leave, unless otherwise specified by the terms of a collective bargaining agreement or individual contract of employment. An employee who takes FMLA leave will not lose any seniority or employment benefits that accrued before the date leave began.

2. ***What if I'm off work on a Workers' Comp leave?*** If you have a work-related illness or injury that qualifies as a "serious health condition" under this policy, time away from the job for which you receive Workers' Compensation payments will be considered an FMLA leave and will reduce your entitlement to up to twelve weeks of FMLA leave in any twelve month period.

### **I. Return to work.**

1. ***What position will I be placed in after my leave?*** Upon conclusion of FMLA leave, an employee will be returned to the same position the employee held when leave commenced or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. The definition of an "equivalent" position may be accomplished through a collective bargaining agreement between the District and labor organization having exclusive representation rights in a defined bargaining unit of District employees.
2. ***Even if I'm an instructional employee?*** If an instructional employee begins leave under the Family and Medical Leave Act more than five (5) weeks before the end of a semester, the District may require that leave be taken until the conclusion of the semester if the leave is to last at least three (3) weeks and the instructional employee would return to work during the three (3) week period immediately before the conclusion of the semester.

If an instructional employee begins leave under FMLA (other than for the instructional employee's own serious health condition) during the five (5) week period before the end of a semester, the District may require that leave be taken until the end of the semester if the instructional employee would return to work during the two (2) week period immediately before the end of the semester and if the leave period is to last more than two (2) weeks.

If an instructional employee begins leave under FMLA (other than for the instructional employee's own serious health condition) during the three (3)-week period before the end of a semester and the leave will last more than five (5) working days, the District may require the instructional employee to take leave until the end of the semester.

### **J. Key employees.**

1. ***Who qualifies a "key" employee?*** A "key" employee is an eligible salaried FMLA-eligible employee who is among the highest paid 10% of District employees. The district has defined one key employee, the Superintendent of Schools.

2. ***Are “key” employees entitled to job restoration?*** While the District will not deny FMLA leave to an eligible key employee, the District may deny job restoration to a key employee where the restoration of the key employee to employment will cause the District substantial and grievous economic injury or substantial, long-term economic injury.
3. ***How do I know if I qualify as a “key” employee?*** Each employee who is designated as a "key" employee will be notified of that fact when he/she requests FMLA leave, or at the commencement of such leave, whichever occurs first, or if the notice cannot be given then because of the need to determine whether the employee is a "key" employee, as soon thereafter as practical.

In any situation where the District determines that it will deny restoration or employment to a key employee, the District will issue a hand-delivered or certified letter to the key employee explaining the basis of the finding that the required injury to the District exists. Additionally, the District will inform the "key" employee of the potential consequences with respect to reinstatement of health benefits should employment restoration be denied. Where practical, the District will communicate this determination prior to the commencement of the FMLA leave; the key employee may then take FMLA leave or forgo it. If the FMLA leave has already commenced, the key employee will be provided a reasonable time in which to return to work after being notified of the District's decision to deny reinstatement.

4. ***When will the District determine whether or not to reinstate a “key” employee on FMLA leave?*** If a key employee does not return to work in response to the District's notification of its decision to deny restoration of employment, the District will continue to provide the key employee with health benefits (to the extent of the FMLA leave period) and the District will not seek to recover its cost of health benefit premiums. A key employee's FMLA rights will continue until the employee gives notice he/she no longer wishes to return to work or until the District denies reinstatement at the end of the leave period. The key employee has the right, at the end of the FMLA leave period, to request reinstatement and the District will reevaluate the extent of its injury due to the requested reinstatement based on the facts at that time.

If the District again determines that the reinstatement will still cause the injury, the key employee will be notified in writing by hand-delivered or certified letter of the denial of his/her reinstatement to employment. If the District finds that reinstatement will not result in the required injury, the key employee will be granted reinstatement.

#### **K. Failure to return from leave.**

The failure of an employee to return to work upon expiration of FMLA will subject the employee to termination unless an extension is granted. An employee, who requests an extension of FMLA leave due to the continuation, recurrence or onset of her or his own serious health condition, or of the serious health condition of the employee's spouse, child or parent, must submit a request for an extension, in writing, to the employee's immediate supervisor. This written request should be made as soon as the employee realizes that she or he will not be able to return at the expiration of the leave period. Medical certification or recertification will be required in connection with requests for leave extension.

**L. Effect of collective bargaining agreements.**

All provisions of this policy shall prevail except as modified by, or as may be inconsistent with, any applicable collective bargaining agreement between the District and any labor organization having exclusive representation rights in a defined bargaining unit of District employees. To the extent that this policy conflicts with the terms of such collective bargaining agreement(s), those agreement(s) shall prevail to the extent of such conflict or inconsistency where the contract provides greater rights to the employee than are otherwise secured through FMLA.
