- B. The Employer agrees not to negotiate with any other custodian, maintenance, food service or bus drivers' union as long as the Oakridge Educational Support Personnel Association MEA/NEA is the recognized bargaining agent.
- C. The word "employee," unless the context clearly states otherwise, shall mean a person employed within the bargaining unit as provided in paragraph A.
- D. Regular part time custodial/maintenance employees are defined to mean those employees who are scheduled to work regularly more than twenty (20) hours but less than forty (40) hours per week and/or less than twelve (12) months per year. Current positions consisting of the regular part-time employees will not be reduced under twenty (20) hours per week for the duration of this contract.
- E. This agreement shall supersede any school district rules, regulations, or practices, which are found to be inconsistent with the specific provisions of this agreement.

ARTICLE II Management Rights

- A. The Employer retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the exclusive right:
1. To determine the number, size and location of its facilities and departments, the equipment, machines, technology, material, information, data, systems, supplies and procedures to be utilized in such buildings or branches and to change or discontinue the location or use thereof.
 2. To make all financial decisions including, but not limited to: the setting, fixing, levying, collection and administration and control of all funds; the financing and borrowing of funds; the annexation, consolidation or other reorganization of the District; the right to maintain accounts and financial records.
 3. To determine the organization of management and administration and the selection of employees for promotion to supervisory and other management functions.
- B. Except as expressly restricted by this Agreement, the Employer retains the right to manage the academic and business affairs of the District and to direct the working forces of the District, including, but not limited to, the right:
1. To determine methods and schedules of work, including technological alterations; the transfer or subcontracting of work, locations of work; the procedures and processes to be used.
 2. To determine the basis for selection of employees for hiring and the basis for their retention or dismissal during the probationary period.
 3. To maintain discipline of employees including the right to make reasonable rules and regulations for the purpose of efficiency, safe practice and discipline.
 4. To generally direct the work of the employees, subject to the terms and conditions of this Agreement, including the right to: hire, discharge, suspend or otherwise discipline employees; to assign or transfer them to particular jobs, duties or locations either on a temporary or permanent basis; to determine the amount of work needed and job content; to lay employees off for lack of work or for other proper or legitimate reason; to determine work standards and the quality and quantity of work to be assigned; and to make such studies as it shall require in connection therewith.

The exercise of the foregoing power, rights, authority, duties, and responsibilities of the Employer, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and

express terms hereof are in conformance with the Constitution and laws of the State of Michigan and the Constitution and laws of the United States.

ARTICLE III
Association and Employee Rights

- A. Pursuant to Act 379 of the Public Acts of 1965, as amended, the Employer hereby agrees that every employee of the Employer shall have the right to freely organize, join and support any Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection.

As a duly elected body exercising governmental power under color of law of the State of Michigan, the Employer undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Act 379 of other laws of Michigan or the Constitution of Michigan and the United States that it will not discriminate against any employee with respect to hours, wages, or terms or conditions of employment by reason of his/her membership in the Association or collective professional negotiations with the Employer, or his/her institution of any grievance, complaint or proceeding under this Agreement. It is agreed by the Association that this does not give employees the right to perform duties of the Association during school hours except as otherwise provided herein.

- B. Both parties specifically recognize the right of the other appropriately to invoke the assistance of the Michigan Employment Relations Commission, or a mediator from such public agency.
- C. No employee shall be prevented from wearing insignia, pins or other identification or membership in the Association, which are in good taste, and are not considered to impair the normal educational climate of the school. Bulletin boards, in the employees' lounge or general offices shall be made available to the Association. The Association or any employee shall conduct no Association business during normal working hours except by permission from the administration or otherwise provided herein. However, the Association President, Grievance Chair and Chief Negotiator may conduct official business without individual situation permission, provided the activity does not interfere with his/her employment assignment.
- D. The Employer agrees to furnish to the Association in response to reasonable requests from time to time information concerning the financial resources of the district, tentative budgetary requirement and allocations.
- E. Nothing contained herein shall be construed to deny or restrict to any employee rights he/she may have under the Michigan General School Laws.

- F. All employees shall be entitled to full rights of citizenship and no religious or lawful political activities of any employee or the lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such employee, providing that the employee does not use the school to promote his/her religious or political beliefs.
- G. No bargaining unit member shall be disciplined without just cause.
- H. The non-renewal or termination of a probationary employee shall not be subject to Section G above and shall not be subject to the grievance procedure.
- I. If an employee is to be disciplined by an administrator, he/she may have a representative present from the Association.
- J. Discipline Procedures. The Employer agrees to provide the employee with written notification that is to be made a part of the employee's personnel file. In instances where the Employer desires to conduct an investigatory interview with an employee, the employee shall be entitled upon request to have an Association representative present at the interview. A copy of all disciplinary actions involving suspension or discharge will also be provided to that Association, unless the employee requests that the matter be kept confidential.
- K. Freedom of Information Request. The Employer is subject to and will abide by the provisions of the Michigan Freedom of Information Act, PA 442 1976, as amended.
- L. Personnel Files. The Employer is subject to and will abide by the provisions of the Bullard-Plawecki Employee Right to Know Act, Act 397, 1978, as amended. Employees will be required to sign any material of a disciplinary nature or involving complaints against the employee that are to be placed in their personnel file; provided, however, that the refusal of an employee to sign any material shall not prevent its inclusion in the personnel file. An employee's signature on disciplinary material or complaints shall not be interpreted as agreement with the disciplinary action or complaints. A statement of this effect shall precede the employee's signature.
- M. Assaults. An employee who is assaulted while in the performance of assigned duties shall promptly report the assault to the Employer. The Employer shall promptly investigate the incident and render such assistance as necessary under the circumstances, including reporting and cooperating with law enforcement authorities.
- N. Complaints Against Employees. All complaints to be included in the employee's disciplinary file must be in writing. In the event a complaint or charge is made by the person or group, against any employee, the employee shall be given full information with respect thereto and with respect to any investigation conducted by the Employer that is to be included in the employee's file.
- O. A bargaining unit member with or without his/her representative(s) will be allowed to review his/her official personnel file under the supervision of the superintendent or his/her designee.

- P. Whenever an employee is requested by the Employer to perform duties of the Association during regular school hours, the employee shall be released from regular duties without loss of salary.
- Q. Building Representative's Duties. Duties or activities of the building representative shall not be performed during work hours, except with supervisory approval, as follows:
1. To attend grievance meetings mutually scheduled to occur during work hours; or as otherwise agreed to in advance by their supervisor.
 2. The investigation and presentation of grievances according to the grievance procedure established in this Agreement.
 3. The transmission of messages and information, which shall originate with and are authorized by the Local Association or its officers.
- R. Compensation Information. Upon request and during normal business hours, the Association shall have the right to examine time sheets and other records pertaining to the computation of compensation of any employee whose pay is in dispute or any other records of the employer pertaining to specific grievances of employees within the bargaining unit, but this right of examination shall not permit the Association to remove any such time sheets or other records from the Employer's premises. Copies of such records shall be provided the Association upon request at the Association's expense at the usual rates.
- S. Identification of Association Officers and Representatives. The Employer shall be informed in writing of the names of Association officers and representatives or any changes therein.
- T. Association Information Requests. Upon reasonable written request and unless restricted by law, the Employer shall make available to the Association such information necessary to assist it in the processing of grievances, administration of the Agreement and the negotiation of successors to this Agreement.
- U. Association Business. Other than during scheduled break and lunch periods or with the prior written permission of the Employer, the Association, its representative, including Building Representatives, may not transact Association business on school property during work hours. The Association agrees that such business shall not interfere with the operations of the Employer and the work being performed by the employees.
- V. Use of Employer Facilities and Equipment. The Association shall have the right to use the Employer's premises outside of regular school hours for Association meetings in accordance with the Employer's normal scheduling practices upon advance notice to the Administration. Any use of Employer equipment or supplies shall be upon advance approval of the Employer and reimbursement for costs.

- W. Association Communication. The Association shall have the right to distribute Association material to employees as long as the distribution does not interfere with the operations of the Employer and the work being performed by the employees. This includes the right to place Association communications in designated employee mailboxes, to utilize District e-mail (subject to District use policy) and to post notices on bulletin boards in each of the buildings.

ARTICLE IV
Association Dues and Fees and Payroll Deductions

- A. Each bargaining unit member shall, as a condition of employment, on or before thirty (30) days from the date of commencement of duties shall join the Association or pay a service fee to the Association equivalent to the amount of dues uniformly required by the members of the Association, less any amounts not permitted by law. The bargaining unit member may authorize payroll deduction for service fees or Association membership dues.

In the event the bargaining unit member shall not pay such service fee directly to the Association or authorize payment through payroll deduction that employer shall, pursuant to MCLA 408.477, MSA 17.277(7), and at the written request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association under the procedure provided below. Payroll deductions made pursuant to this provision shall be made in equal amounts (as nearly as may be) from the paychecks of each bargaining unit member.

Such dues or service fees shall be deducted from the regular salaries of bargaining unit members who have a signed authorization on file with the District's business office. Payroll deductions will be for one-twentieth (1/20) of the total amount for twenty (20) consecutive pays beginning with the first pay of a school year. The Association will give prompt written notice to the District's business office of the names of any bargaining unit members who have revoked the authorization to deduct dues or service fees. Upon receipt of that notice, the District shall immediately discontinue payroll deduction of such amounts. The Association shall be responsible for reconciliation of any amounts paid or owed with the bargaining unit member.

Cash payment of dues or service fees shall be paid to the Association by October 1. By October 15 annually the Association will furnish the District with a list of bargaining unit members who have remitted membership dues or service fees directly to the Association.

Monies payroll deducted under this Article shall be remitted to the Association, or its designee, no later than fifteen (15) days following deduction.

- B. The procedure in all cases of nonpayment of the service fee shall be as follows:

1. The Association shall notify the bargaining unit member of noncompliance by certified mail, return receipt requested. Said notice shall detail the noncompliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for wage deduction may be filed with the Employer in the event compliance is not affected.
 2. If the bargaining unit member fails to remit the service fee or authorize deduction for same, the Association may request the Employer to make such deduction pursuant to Section A above.
 3. The Employer, upon receipt of request for involuntary deduction, shall provide the bargaining unit member with an opportunity for due process hearing limited to the question of whether or not the bargaining unit member has remitted the service fee to the Association or authorized payroll deduction for same.
- C. Pursuant to *Chicago Teacher's Union v Hudson*, 106 S Ct 1066 (1986), the Association has established an "Objections to Political-Ideological Expenditures - Administrative Procedures." Those Administrative procedures (including the timetable for payment) apply only to non-Association bargaining unit members. The remedies set forth in those procedures shall be exclusive and, unless and until such procedures (including any administrative or judicial review thereof) shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.
- D. Due to certain requirements established in recent court decisions, the Association represents that the amount of the fee charged to nonmembers, along with other required information, may not be available and transmitted to nonmembers until mid-school year (December, January or February). Consequently, the parties agree that the procedures in this Article relating to the payment or nonpayment of the representation fee by nonmembers shall be activated upon expiration of the objection period for nonmembers of the fee that given school year.
- E. The Association will certify at least annually to the District, fifteen (15) days prior to the date of the first payroll deduction for professional fees, the amount of said professional fees and the amount of service fee to be deducted by the Employer, and that said service fee includes only those amounts permitted by the Agreement and by law. It is expressly agreed that the Employer shall have no obligation to make involuntary deduction of service fees under this section until such time as the Association shall furnish the Employer with verification that the Association's "Objections to Political-Ideological Expenditures--Administrative Procedures" have been approved by the court of record in *Lehnert v Ferris Faculty Association - MEA/NEA*, 643 F Supp 1306 (WD Mich, 1986). Further, the Association promptly agrees to notify the Employer of any future litigation where an order has been issued preventing the Association from implementing its "Objections to Political-Ideological Expenditures - Administrative Procedures" or any successor procedures

pertaining to the same subject matter. In such event, the Employer shall have the right to suspend the involuntary wage deduction procedure specified herein for non-Association bargaining unit members.

- F. The Association shall indemnify and save the Employer harmless against and from any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of action taken by the Employer for the purposes of complying with the Association security/agency shop provision of this Article. The Association shall, when the Employer is sued individually or jointly, make available competent legal counsel for such defense at the expense of the Association and the Michigan and National Education Associations. The Association shall have the right to negotiate a settlement with any bargaining unit member who challenges the Association security/agency shop article provisions under this Article.

ARTICLE V

Grievance Procedure

A. Definitions:

1. A "grievance" is an alleged violation of the express provisions of this Agreement.
2. The "aggrieved person" is the employee or employees making the claim.
3. The "employee" includes any individual who is a member of the bargaining unit, group or the association covered by this Agreement.
4. A "party of interest" is the person or persons who might be required to take action or against whom action might be taken in order to resolve the problem.
5. The "days" for this article shall exclude Saturdays, Sundays, holidays and days when the District does not normally conduct business.

B. The primary purpose of this procedure is to provide a means for securing, at the lowest level possible, equitable solutions to grievances, which may arise from or bearing on this Agreement.

C. The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits in this Grievance Procedure are mandatory but may be extended by mutual consent. Any complaint or grievance not initiated or appealed within the time limits provided shall be considered as withdrawn. Any grievance not responded to by the Board or its representatives within the time limits provided may be appealed to the next step.

1. An employee(s) having a grievance shall, within ten (10) days from the date on which action or lack thereof gave cause for the grievance, contact the immediate supervisor, stating the grievance and the alleged violation of the Agreement, for mutual consideration of the claim on an informal basis. If the grievance arises in more than one building, the written grievance shall be filed as set forth in (4)

below. Mutual efforts shall be for solution of the problem. The supervisor shall, within five (5) days of initial discussion, prepare a written summary of the case and action taken. A copy shall be provided to the employee(s) initiating the claim.

2. Providing the aggrieved employee(s) considers the disposition under (1) above not acceptable, he/she may file within five (5) days a formal written grievance with his/her immediate supervisor. Such written grievance shall include pertinent information and follow a format mutually acceptable to the Association and the Board. A copy may be filed with the Association Representative.
3. Within five (5) days of receipt of the written grievance, a representative of the Employer (who will normally be the employee's immediate supervisor), will meet with the aggrieved and his/her Association Representative in an effort to resolve the grievance.
4. If the grievance remains unresolved, the Association shall have five (5) days after the meeting with the immediate supervisor to appeal the grievance to the Superintendent who shall have ten (10) days after receipt of the grievance appeal to do one of the following:
 - a. present a written disposition of the grievance to the Association Representative and grievant, or
 - b. present a written notice to the Association Representative and grievant that the grievance will be presented to the Board for investigation or hearing as deemed appropriate by the Board for final determination. The Board's determination shall be made not more than thirty (30) days after delivery of notice to the Association that the grievance has been referred to the Board.
5. In the event the disposition of the Superintendent or his/her designee or the Board (as is applicable) is not satisfactory to the Association, then, within thirty (30) days following the date of receipt of the disposition, the Association only, and not an individual employee, may file a demand for arbitration of the dispute with the American Arbitration Association with a copy of the demand delivered to the office of the Superintendent within the same time period, all pursuant to the following rules and conditions. If the Board acts upon a grievance at its July meeting, the Association shall have, upon written advance notice to the Board, forty-five (45) days following date of receipt of the disposition written which to demand arbitration according to the procedures described above.
 - a. The grievance shall relate solely to the application and interpretation of the terms and conditions of this Agreement.
 - b. The arbitrator shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of this Agreement.

- c. The arbitrator shall have no authority to hear or rule nor will there be any grievance upon any matter:
 - (i) If the employee or Association has filed a complaint, grievance, or claim with a state or federal agency or legal forum on a matter factually or legally related. It is the parties' intent that there be an election of remedies.
 - (ii) The termination of or decision not to re-employ or decision to continue on probation any probationary employee.
 - (iii) The content of the evaluation of an employee.
- 6. The decision of the arbitrator, if within the scope of his/her authority as above set forth shall be final and binding.
- 7. The arbitrator's fee and other expenses of the arbitration shall be shared equally by the parties.
- D. Either party shall be permitted representation of choice in the formal grievance process, including Association or Board representative. The advisability of representatives shall be to serve interests of both parties in an effort to reach an appropriate solution to the problem.
- E. A grievance may be withdrawn at any level.
- F. Decisions rendered at all levels on formal written grievance shall be recorded in writing and promptly transmitted to parties of interest.
- G. All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the participants.

ARTICLE VI

Seniority

- A. For the purposes of this agreement there shall be the following departments:
 - 1. Custodian/Maintenance (see Appendix B)
 - 2. Transportation
 - 3. Food Service
- B. Seniority shall be computed from the most recent date of hire and shall be defined to mean the amount of time continuously employed as a member of the bargaining unit. Time spent on paid leave or on layoff shall not be construed as a break in continuous service. The

seniority list shall be compiled in the order of the bargaining unit member with the greatest number of years seniority to the one with the least years of seniority, it shall include members on leave and layoff with such status and effective date of the same.

The District shall prepare and present to the Association a current seniority list of bargaining unit members prior to October 15th of each year. Accompanying the name of each member on the list shall be the date of most recent hire and each member's department and classification. No person other than a member of the bargaining unit shall possess, retain, or accrue seniority within the bargaining unit.

1. A copy of the posted seniority list and all subsequent updates shall be provided to the Association.
 2. Within 15 days of the posting of the seniority list; objections to the list shall be filed. Thereafter, the list shall be final and conclusive.
- C. New employees hired in the unit shall be considered as probationary employees for the first sixty (60) working days of their employment. Administrators may add an additional thirty (30) working days after the employee and steward are notified. Any days missed during the probationary period shall extend the probationary period by that number of days. When an employee completes the probationary period, the employee shall be entered on the seniority list of the unit as of the date of hire. There shall be no seniority among probationary employees.
- D. Probationary employees may be discharged, disciplined or laid off for any reason without recourse to the grievance procedure.
- E. A member of the bargaining unit shall lose his/her seniority for the following reasons only:
1. If he/she quits.
 2. If he/she is discharged and the discharge is not reversed through the procedure set forth in this agreement.
 3. If he/she is absent for two (2) consecutive workdays without notifying the Employer, except in cases of proven emergency. After such absence, the Employer will send notification by certified mail to the employee at his last known address as shown by his employment records that he has lost seniority, and his employment has been terminated. If the disposition made of any such case is not satisfactory, the matter may be referred to the grievance procedure.
 4. If he/she does not return to work when recalled from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made, "when mutually agreed upon by the union and the administration."
 5. If he/she retires.

6. If he/she is to return from sick leave or a leave of absence and he/she is absent for two (2) consecutive working days without notifying the Employer, except in cases of proven emergency. After such absence, the Employer will send notification by certified mail to the employee at his last known address as shown by his employment records that he has lost seniority, and this employment has been terminated. If the disposition made of any such case is not satisfactory, the matter may be referred to the grievance procedure.
 7. If the employee is laid off for more than one (1) year or the length of the employee's years of seniority whichever is less.
- F. Employees will be given credit for seniority accumulated when transferred from one job classification to another within the same department.
- G. If an employee is hired into another department, any seniority earned in the previous department shall be frozen until such time that the employee should return to that department.

ARTICLE VII
Layoff and Recall Procedures

- A. The word "layoff" means a reduction in working force due to a decrease of work.
- B. When a reduction in force occurs, employees on probation and then the employee with the least seniority in the job classification affected will be the first to be laid off provided the more senior employee is qualified to perform the duties of the remaining positions.
- C. No laid off employees will have any right to claim the job of a less senior employee in another classification unless he/she can meet the requirements for that job and can perform the job satisfactorily. The above shall apply to all layoffs other than a temporary reduction in force for no more than three days. For any reduction in force of three (3) days or less the Employer may fill the job affected at its discretion.
- D. When the working force is increased after a layoff, employees will be recalled in the reverse order of layoff within the job classification. Notice of recall shall be sent to the employee at his/her last known address by registered mail or certified mail. The employee shall inform the administration in writing of his/her intent to return to work within five (5) days from receipt of the notice of recall. If there is not an acceptance in writing of such offer within five (5) days from receipt of the notice of recall the laid off employee shall be terminated.

ARTICLE VIII

- D. Any employee may apply for the vacancy by signing the posting or submitting a written application to the supervisor for an interview. The local president or chief steward may sign on behalf of any employee on vacation or paid sick leave; the officer must also inform the supervisor that he/she has signed on behalf of any employee.
- E. Vacancies in all classification shall be filled by the most senior qualified employee. Qualification requirements shall be determined by the board and union.
- F. The successful employee shall generally be notified within one (1) week following the end of the posting period. At the employer's discretion, a new assignment may not begin until all vacancies created by the original vacancy have been filled.
- G. The employer agrees that all job vacancies shall, insofar as possible, be filled from within existing personnel resources.
- H. An employee who is a successful bidder, may not bid on any job for twelve (12) months from the date of the successful bid. For the purpose of this agreement, the date of the notification of success would be sufficient. The twelve (12) month eligibility clause may be waived by mutual consent of the union and the employer.
- I. An employee who has been granted a transfer to a vacancy shall have a trial period in the new position not to exceed thirty (30) workdays. If, for any reason, the employee cannot meet the requirements of the new position, he/she may return to his/her former position.

during that period. Trial periods shall not take place during June, July and August. During the trial period, a substitute employee may be hired for vacated positions, or if feasible, the board may by way of temporary transfer within the department move people up, by mutual agreement, so that a substitute is hired for the lowest classification.

- J. In making temporary assignments in the custodial/maintenance department for the purpose of filling vacancies of employees who are absent more than five (5) consecutive days on vacation, absent because of illness, etc., the employer will offer the temporary vacancy to the full-time bargaining unit employee who meets the requirements before putting part-time employees in that position.

If the physician examination and medical services go beyond the physical examination needs prescribed by the State, the bus driver will be required to pay for said additional expenses.
- B. The Board of Education may also demand that additional physical examinations be taken during the year. The Board will pay for said medical services to the extent of the request by the Board.
- C. All bus drivers are required to attend school for bus driver training programs which are approved by the Board of Education and/or the State of Michigan. Each driver will be paid their regular rate per class hour and mileage at the IRS rate per mile for use of the driver's personal vehicle from the meeting place as determined by the transportation supervisor. The board, at its discretion, may provide a school vehicle.
- D. All bus drivers are required to have a valid State of Michigan Commercial Driver's License. The first commercial driver's license is a requirement for the position and shall be paid for by the driver. The Board of Education will pay for renewal of Commercial Driver's License fees.
- E. Whenever new buses are purchased and delivered to the School District, the Transportation Supervisor will meet with the officers of the Bus Drivers Association to determine the assignment of buses to the appropriate drivers. ARTICLE X

Paid Leaves of Absence

- A. All the full time and regular part-time employees with seniority shall earn sick leave at the rate of one (1) day per full calendar month of paid work. The unused sick leave days can be accumulated to 115 days as of October 1, 2004 for the duration of continuous employment, provided that employees will not be paid for a day of sick leave before they have earned it. Employees with more than 115 accumulated sick days as of October 1, 2004, shall not have those days reduced other than through the use of sick days but shall not be allowed to accumulate days so long as the employee has more than 115 days.
- B. Leave of absence with pay chargeable against the employee's accumulative sick leave will be granted for the following:
1. Personal illness of the employee.
