The Board reserves the right to furnish such data to the Association President only after the data has been presented by the Board to another governmental agency. This information is to be available following the Board meeting. The Board further reserves the right to furnish such data in the manner and

Effective at the start of the 1980-81 school year the middle school shall operate on a six period day and the normal teaching load will consist of an average of five (5) daily teaching periods and one (1) period of preparation, or the equivalent thereof. The term "preparation period" shall be construed to include the use of this period purposes other than preparation when emergencies arise.

The normal teaching load in the elementary schools for classroom and elementary teaching specialists will be approximately five and one-half (5-1/2) hours of classroom duties daily, or the equivalent thereof.

Elementary teachers may use for preparation all the time during which their classes are receiving instruction from teaching specialists in the areas of elementary art, music, and physical education. And during the time of the one-half (1/2) hour recess period when the students are under the direct supervision of hired playground aides.

Department chairmen shall be appointed by the Administration and have such released time for their duties as the Administration deems necessary.

B. Elementary Planning Time

The Board and the Association agree that efficient planning of instructional time is important to the success of the school district. To this end the Board and Association agree to encourage, support and assist efforts on the part of teachers, (buildings, teams, etc.), to maximize the effectiveness of their planning time provided, however, that such plans do not reduce instructional time. Plans that call for a modification of contract language must be approved by the Association and Board prior to implementation of pilot or regular efforts.

- C. All teachers shall be assigned by the Superintendent to that level of instruction for which they are qualified. Teachers shall not be assigned without their consent outside the scope of their teaching competence, teaching certificates, or major or minor fields.
- D. Teachers employed under Extra-Curricular contracts will be notified before June 1 in writing as to whether they will or will not be employed in the same position for the following school year. However, the position may be eliminated at any time.

ARTICLE 7.

TEACHING CONDITIONS

The parties recognize that the primary duty of the teacher is to teach, and the Board and the Association consider it to be a desirable objective to make maximum utilization of the teacher's professional skills to the fullest extent practicable.

- A. The Board and Association agree that pupil-teacher ratio is an important aspect of an effective educational program and that class size shall be determined in relation to pupil needs, area of instruction, grade level, and shall strive for as a minimum the recommended personnel-pupil standards of the Michigan Department of Education whenever possible. The Board shall strive to continually improve the pupil-teacher ratio and implement all reasonable means for eliminating overcrowded classrooms whenever such conditions should exist.

The teaching load in the senior high school shall be established or adjusted with reasonable dispatch to a teaching load not in excess of 150 students per day and no section shall exceed 32 students or the number of work stations in instructional classrooms. The same standards will be applicable to the middle school. The provisions of this section shall be subject to reasonable exceptions and deviations during the first three weeks of each semester or other enrollment period, or by reason of the necessity of physical facilities. It is recognized that other exceptions may be desirable whenever it is necessary to work with larger groups of students, such as for example, in physical education, band and chorus classes, with respect to which the student teacher load may be adjusted to the size that can be accommodated in the school facilities.

No Young 5's class shall exceed twenty (20) students.

In grades K-3 District average of 26 or fewer students per section with no individual class exceeding a maximum of twenty-eight (28) students. In grades 4-5 a District average of 28 or fewer students per section with no individual class exceeding a maximum of thirty (30) students.

				maximum class		
				size limits		

When a special education teacher is placed full-time into a regular education classroom, and that classroom exceeds class size limits, the overage pay would be divided between the two teachers. When a special education teacher is placed part-time into a classroom, only the regular education teacher would receive overage pay (as long as the special education teacher is within state and district mandated caseloads.)

- B. Students who through an IEPC are provided special education services and are in regular non-team taught classrooms shall be distributed as equitably as possible among the various sections building-wide. Modification in class size, scheduling and curriculum design will be considered and implemented as appropriate. - E. Teachers shall be permitted to place out-going non-toll calls on the school telephones in their buildings but it is expected that personal, non-emergency calls will be held to a minimum.
- F. Parking Facilities - Designated parking facilities shall be made available to teachers and other employees of the system. The Board shall assume no liabilities in respect to parking facilities.
- G. In schools where continuous cafeteria service for teachers is not available, a vending machine for beverages will be installed at the request of the Association, the proceeds to be used for the existing Teachers Scholarship Fund. The location of these vending machines shall be subject to approval by the Board.
- H. All faculty shall have a minimum of two (2) record days per school year. Special education teachers may be granted additional record days if the Board determines it is necessary for the teachers to complete their special duties. The purpose of a records day is to complete student records and no meetings (staff, curricula, grade level, etc.) shall be scheduled for these days.
- I. Every teacher in both elementary and secondary schools shall be provided with the necessary teaching equipment, such as a file for teaching records, a desk, and access to a computer
- J. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher.

K. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex or marital status or membership or nonmembership in an association or non-association with the activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, color or national origin and to seek to achieve full equality of educational opportunity to all pupils.

N. Phones will be furnished in teachers' lounges. All long distance calls shall be made through the office phones. Any long distance calls placed through the lounge phones will be tabulated and the Association agrees to pay all costs.

O. Act of God Days

1. In the event that a scheduled student attendance day is canceled due to inclement weather, problems with the physical plant, or any other condition, including health and safety concerns, teachers shall not be required to report to work and shall suffer no loss of pay. Likewise, later reporting times and earlier leaving times shall not cause any loss of pay.

Should conditions cause a closing of the schools during a school day, teachers shall remain in school until the students under the direction of the teacher have left school and no further safety factor can be rendered by the teacher.

In the event that scheduled student attendance days are canceled to the extent and result that said cancellation causes a reduction in the amount of "State Aid"; then the minimum number of days shall be rescheduled in the following order:

- (1) February mid-winter break day(s), if any
- (2) Good Friday (if not scheduled)
- (3) Day(s) at the end of the school year.

Teachers shall not be paid extra for the make up days unless the teacher was not paid for the corresponding day that was canceled.

2. In the event that the laws and State Board of Education regulations change so as to no longer require make-up days in order to receive full State Aid, the above sub-section (1) shall be replaced immediately, in it's entirety, by the following:

During days of inclement weather when it is impossible for school to be in session for students, staff members will make every effort to report on the job at the regular school starting time. Should a staff member find it impossible to report, he/she shall notify his/her building principal.

On days when school closes due to problems relating to the physical plant, the staff members will not be expected to report.

- P. The Board shall provide substitutes for all elementary art, music, and physical education teachers in the event of their absence, and if a substitute teacher is available.

ARTICLE 8.

VACANCIES

For the purposes outlined in Article 8 (Vacancies), Article 9 (Transfers), Article 10 (Sick Leave and Leaves of Absences), and Article 13 (Lay Off and Recall) the term "Vacancy" shall be defined as follows: "A newly-created position or existing position that the Board intends to fill provided that there is no one on layoff, returning from an approved leave of absence, or is displaced who is qualified for the position." Whenever any vacancy in any professional position in the district shall occur, the Board shall publicize the same by giving written notice of such vacancy to the Association President and posting a copy of the notice in every school building. The posting shall indicate the position open and the school building in which the job is located. The posting shall remain up at least five (5) consecutive days, exclusive of Saturday, Sunday and holidays, and shall have an expiration date. During that period of time any teacher may apply in writing for the position.
- B. A "professional position", for purposes of this Article, shall mean any bargaining unit position except Extra Curricular positions.

The vacancy must be of a permanent nature. A permanent vacancy subject to posting shall be a newly created position in the bargaining unit or a position which the Board intends to fill caused by the filling of a vacancy outside of that described in paragraph D. hereof, the resignation, retirement, dismissal or death of a teacher or by leave of absence of more than a full school year.

If more than one applicant is qualified then the applicant most qualified shall be awarded the job except as provided in paragraph E below.
 - (3) "Qualified" shall include such criteria listed in the posting for the specific position to be filled and may include such things as type of education, degrees and

certificates held, type, length and recency of experience and training including with other employers, evaluations, teachers who have earned Highly Qualified status as defined by NCLB, and finally, when all applicants are substantially equal, years of continuous service with Fruitport.

- D. Any vacancy for which the posting period ends after the first teacher day of the school year shall be posted and the position awarded. However, the actual relocation of the teacher awarded the position shall occur at the start of the next school year, provided that such position is still available. If said position is not available, the teacher shall retain his/her current position. Exceptions to the above must have the mutual agreement of the Association and the Superintendent of Schools. Any resulting temporary vacancy shall be filled from the layoff list in accordance with the provisions set forth in Article 13.
- E. Whenever there is a qualified applicant from the same school building in which the vacancy occurs and the qualifications of all the applicants are substantially equal, then the applicant in the building shall have preference.
- F. Extra Curricular positions shall not be subject to any section of this Article except the posting procedure in Section A.

ARTICLE 11.

TEACHER EVALUATION

- A. The Association and the Board of Education agree that the evaluation of the work of teachers is the responsibility of the administration.
- B. All monitoring or observation of the work performance of a teacher shall be conducted openly. However, when modern technological devices such as intercoms are used to evaluate, it must be with the full knowledge and consent of the teacher.
- C. The District shall maintain one (1) official personnel file for each teacher. A teacher shall have the right to review the contents of his/her own personnel file. A representative of the Association may be requested to accompany the teacher in such review. Privileged information such as credentials and other related personal references are exempted from review and shall be removed by the administrator in charge prior to the review by the teacher.
- D. Each teacher, upon his/her employment or at the beginning of the school year, whichever is later, shall be given a copy of the evaluation instrument to be used in his/her evaluation.
- E. Each probationary teacher shall have a minimum of one (1) formal full cycle written evaluation a year completed on or before March 29 of the current school year. A full cycle shall consist of two (2) formal observations with written feedback at least 60 calendar days apart, two (2) informal observations with written feedback and a summative evaluation. The first formal observation will occur on or before November 1. Other than the first year, an **IDP** shall be completed each year on or before October 1 with debriefing and analysis for current year and planning begun for the following year completed on or before March 15.

Each tenure teacher shall have a minimum of one (1) formal full cycle written evaluation each three (3) years. The full cycle for a tenured teacher will be the same as the full cycle for non-tenured except the summative must be completed on or before May 15.

Upon mutual agreement between evaluator and evaluatee a modified cycle may be implemented. A modified cycle consists of one (1) formal and one (1) informal observation both with written feedback and a summative evaluation.

In the years a tenure teacher is not on cycle, he/she shall work with his/her principal to complete the **IDP** process as previously described.

Each evaluation must be preceded by an observation in the classroom of at least thirty (30) minutes. Following the classroom observation, the evaluation form shall be reviewed in conference between the Principal and the teacher. The form shall be signed by the Principal and the teacher.

Upon completion of the principal-teacher conference, copies of the written evaluation shall be provided the teacher.

- F. No later than April 1 of each probationary year, the final written evaluation report, including the recommendation as to whether the teacher should be advanced to tenure status, offered additional probationary status, or denied a contract for the ensuing year, will be furnished by the administration to the superintendent covering each probationary teacher. A copy shall be furnished to the teacher. In the event a teacher is not continued in employment, the Board will advise the teacher of the specific reasons therefore in writing with a copy to the Association.
- G. No complaints against a bargaining unit member, including but not limited to, student, parental or school personnel complaints, originating after initial employment will be placed in a bargaining unit member's personnel file unless the bargaining unit member has had an opportunity to review the complaint.
- H. Teachers shall have the right to submit a written response to any document, including evaluations and reprimands, entered or contained in their personnel file, which shall be attached to the document.
- I. If a teacher is asked to sign material placed in his/her personnel file, such signature shall be understood to indicate his/her awareness of the material, but in no instance shall said signature be interpreted to mean agreement with the content of the material. If a teacher refuses to sign material to be placed in their personnel file, the Association shall be informed and the Association shall secure the signature of the teacher.
- J. If an evaluator finds a teacher lacking, the reasons therefore shall be set forth in specific terms as shall an identification of the ways in which the teacher is to improve and the administrative assistance to be given. In subsequent observation reports, failure to again note a specific deficiency shall be interpreted to mean that adequate improvement has taken place. Each teacher's evaluation shall include at the conclusion of the report, the statement: "Considering all factors, the work performance of this teacher is ___ satisfactory; ___unsatisfactory (check one)."
- K. A teacher shall be entitled to have present a representative of the Association when he/she is being reprimanded, warned or disciplined for any infraction of rules or delinquency in professional performance, when such reprimand, warning or discipline shall become part of the teacher's personnel file. Representation may also be requested when a teacher is asked to meet with an administrator when such meeting may lead to disciplinary action. When a request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present. The teacher and representative must appear before the requesting administrator within twenty-four (24) hours.
- L. No teacher shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such discipline, reprimand or reduction in rank, compensation or advantage, including a claim of failure to follow established evaluation procedures, shall be subject to the grievance procedure herein-after set forth. All information forming the basis for disciplinary action will be made available to the teacher and the Association.

ARTICLE 12.

PROTECTION OF TEACHERS

- A. All of the rights granted to teachers in any or all of the Sections of this Article, entitled "Protection of Teachers", are subject to the condition precedent that the teacher shall have conducted himself or herself in accordance with established policies, practices or rules of the Board of Education with respect to the maintenance of control and discipline in the classroom or elsewhere while the teacher stands in loco parentis to the pupil.

The Board of Education recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Such policies, practices and rules respecting reasonable control and discipline, support and assistance, as established by the Board of Education, will be applied to all teachers without discrimination. It shall be the responsibility of the teacher to disclose promptly in writing to the principal, or other administrator designated by the Board, any conduct of a student during any period when the teacher is in control of the student which may cause the teacher reasonably to believe that the student is emotionally disturbed; and it shall likewise be the responsibility of the teacher to disclose promptly in writing to the principal, or other such administrator, the desire to revoke any such report, whenever it reasonably appears to the teacher, who has filed such a report, that the report was filed by mistake or in error, or that the teacher otherwise reasonably believes that the student was not emotionally disturbed, or that it is not likely that the student will again become emotionally disturbed.

Whenever it appears to the Administration that a particular pupil required the attention of special counselors, social workers, law enforcement personnel or other professional persons, selected by the Administration in accordance with the policies, practices and appointments established by the Board, the Administration will take reasonable steps to relieve the teacher of responsibilities with respect to such student during the period, if any, that it is reasonably determined by the Administration that such student should be withdrawn from the responsibility of the teacher. If there should be any question respecting whether or not the Administration has acted reasonably thereon, and in accordance with such policies, practices and appointments, the issue thereon may be a matter of grievance under this Agreement. The provisions of this paragraph shall be construed consistently with the statutory obligations of the Board of Education, including, among others, the laws respecting compulsory school attendance, and with due regard for the relationship of the public schools to the Probate Court.

- B. Any case of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board shall render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authority. Time lost, by reason of any unjustified assault, shall not be charged against the teacher as sick leave.
- C. If any teacher is complained against or sued by reason of disciplinary action taken by the teacher against a student, the teacher may request assistance of the Board in such a matter. These requests shall be made in writing to the Board who shall make a

determination as to whether the conduct of the teacher making such request justifies any assistance from the Board and the extent thereof.

- D. The Board of Education will reimburse the teacher for the lesser of the cost of repair or the fair market value of clothing or other personal property, which a teacher customarily is expected to bring to the premises in the performance of teaching duties, provided such clothing or such other property is lost, damaged or destroyed by wrongful act of any person on the school premises or while the teacher stands in loco parentis to the pupil, provided that the loss, damage or destruction is not wholly or in part due to the teacher's own negligence, or violation of the Board's rules, practices or procedures, and provided, further, that no reimbursement will be made for normal wear and tear.
- E. Any complaint by a student or a parent of a student directed toward a teacher shall be called to the teacher's attention only if (a) considered serious by appropriate administrator; (b) if written into the teacher's personnel file; or (c) if used as a basis for reprimanding teacher.

In handling future complaints, no complaint shall be used except those meeting the above requirements. The teacher shall be supplied with the name of the student or parent making the complaint.

- F. The Board will maintain Worker's Compensation for teachers in accordance with the laws of the State of Michigan.

ARTICLE 13.

LAY OFF & RECALL

- A. For the purpose of this article the following definitions shall apply:

1. Personnel reduction or layoff shall mean a reduction in the bargaining unit staff.
2. "Years of service": Shall be defined as continuous and uninterrupted years of service in the bargaining unit covered by this Agreement. Leaves of absence, with or without pay, and absence due to lay-off are not to be considered a break in service nor shall they count toward longevity.
3. Any period of time spent on lay-off or leave of absence shall count as years of continuous service, only for the purpose of this Article (Layoff & Recall).
4. Experience at less than the full teaching load shall count as if the experience was at the full teaching load, but only for the purpose of this Article (Layoff and Recall).
5. Tenure shall mean that status as achieved and defined in Section 1 of Article III of P.A. 1937, Extra Session, No. 4, as amended (CL38.91).
6. "Probation or probationary teacher" shall mean that status as achieved and defined in Sections 1 and 2 of Article II of P.A. 1937, Extra Session, No. 4, as amended.

7. "Fully qualified and fully certificated teachers" shall be defined as follows:
"Teachers who have earned a provisional or continuing teaching certificate in a given subject area, and are qualified under NCLB."

8. The assignment of teachers to related areas means areas within their major or minor field and provided they have earned the minimum credit hours required by NCLB or other certification requirements.

B. The Board shall maintain an up-to-date seniority list of all employees in the bargaining unit covered by this Agreement. The seniority list of teachers shall reflect the following information: Last date of hire, degrees held, majors and minors, certificate held, transferred credited years allowed, and tenure status.

All previous seniority rights up to the 1979 - 1980 school year will remain the same, with the new contractual wording taking effect only since the ratification of the 1979 - 1981 Master Agreement.

C. A teacher may displace a special education teacher only if he/she is qualified, has greater seniority and possesses equivalent or superior certification than that of the special education teacher.

D. In the event of a reduction in personnel, the Board agrees to give notice as soon as possible to the Association of its intent to do so. Individual teachers affected will be notified in writing as soon as is practicable. The Board shall also give such further notice as is required by law.

E. To effect a reduction in personnel, the following order shall govern:

1. Probationary teachers with the least number of years of service shall be laid off first, provided there are remaining fully qualified and fully certified teachers to replace and perform the needed duties of the laid off teachers. Duties performed on extra-curricular positions listed in Appendix B are not considered "needed duties."

2. If further reduction is to occur, then tenure teachers with the least number of years of service shall be laid off first, provided there are fully qualified and fully certified teachers to replace and perform the needed duties of the laid off teachers. Duties performed on extra-curricular positions listed in Appendix B are not considered "needed duties."

3. The above lay off procedure and the recall procedure below:

a shall not cause the involuntary assignment or transfer of a teacher into a Special Education position.

b shall allow the teacher who is reassigned or transferred to take a voluntary lay off.

F. In the event that two or more teachers have the same years of service, if not all of them are to be laid off, the Board shall retain that teacher or teachers with the earliest date of

hire with the district, then on the basis of the number of years of teaching experience and finally, if necessary, a selection procedure agreed to by the Board and the Association shall be applied.

"Earliest date of hire with the district" shall refer to the date on the original (initial) contract. In the event the contract is not specifically dated, the second provision of this paragraph shall be observed, then the third.

G. Teachers on lay off shall be recalled in the order of most seniority, provided the teacher is fully qualified and fully certificated for a bargaining unit position and the recall of the teacher allows the Board to assign all teachers to a position for which they are fully qualified and fully certificated. The Board may rely upon the last known address of the teacher. Notice of recall shall be in writing by certified mail, return receipt requested. The Association grievance chairperson shall also be provided with a copy of each recall notice, either by hand delivery or by certified mail, return receipt requested. If there is no acceptance of the recall within ten (10) calendar days of the date of the delivery of the notice or the date of the attempt by the U. S. Post Office to deliver the notice, the right to that specific position shall be forfeited. A laid off teacher refusing recall and/or failing to respond to a recall notice (within the time limit provided above) for the second time shall be considered a voluntary quit with no further recall rights; provided that:

1. The notice procedure was complied with by the school district, and
2. Any recall notice received after June 30 by a teacher under an individual contract at that time with another Michigan public school district shall not be counted as a second refusal of recall, and
3. Recall was to a full time position the teacher was fully certified and fully qualified to fill.

Due to the possible loss of all further recall rights, laid off teachers are hereby advised to keep the administration and Association advised of where they can be reached in the event of a recall opportunity.

A laid-off teacher wishing to move from an elementary to a secondary position or vice-versa, or to a special education position, must notify the Board by August 15 of the year they wish to assume this position, with the proper credentials in hand. If these conditions are not met, they must wait until the following year to do so. They will then be given the opportunity to apply for a position in the new area.

To clarify the term "proper credentials" for the purpose of presenting evidence of re-certification, the following criteria will be used:

1. A valid certificate issued by the Michigan Department of Education showing the endorsed level or specialized area for teaching in grades K through 12.
2. A letter from the office of the Registrar of the institution where coursework was taken to qualify for re-certification. The letter must specially state that qualifying course work has been successfully completed, the institution recommends certification, and will file the proper forms to the Michigan Department of

Education. The letter also must indicate the level of certification - elementary or secondary and any specialized endorsement for K -12.

3. Either item 1 or 2 above applies to an individual who presently has a valid teaching certificate but is seeking a specialized endorsement. Evidence of re-certification or additional endorsement must be presented at the office of the Superintendent on or before August 15 if any change in employment status for the ensuing school year is to be made.
- H. No teacher shall receive seniority credit for the layoff time beyond thirty (30) months after his/her layoff.
- I. Reduction of a position by the Board from full to part time shall be considered a partial layoff. Remaining in the reduced position shall not affect the teacher's right of recall to a full time position.
- J. Refusal or acceptance of a position that is not equivalent in time to the position previously held shall not affect a teacher's recall rights.

ARTICLE 14.

NEGOTIATION PROCEDURES

- A. Not later than the June 1st prior to the expiration of the contract, both parties agree to commence negotiations on a successor agreement.
- B. In any negotiations described in this Article, neither party shall have any control over the selection of the negotiated or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board of Education and by a majority of the membership of the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining, subject only to such ultimate ratification.
- C. If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the State Employees Relations Commission, which may include Fact Finding.

ARTICLE 15.

GRIEVANCE AND ARBITRATION PROCEDURES

- A. DEFINITIONS
 1. Grievance. A "grievance" is a claim based upon an event or condition which affects the hours, wages, terms or conditions of employment of a teacher or group of teachers and/or which draws into question the interpretation, application or meaning of the provisions of this Agreement.

2. **Aggrieved Person.** The "aggrieved person" is the person or persons making the claim and may be a teacher, a group of teachers, or the Association.
3. **Designated Representatives of the Board.** The designated representative of the Board shall mean the principal in each school building except that if the grievance arises in more than one school building, the designated representative of the Board shall mean the Assistant Superintendent of the Schools in charge of personnel. The Board may change the designated representative by giving ten (10) days prior written notice to the President and designated representative of the Association. Such change shall not affect any grievance in process.
4. **Designated Representative of the Association.**

The designated representative of the Association shall mean the grievance chairman of the Association who has been given authority to receive grievances on its behalf. The President of the Association must, in writing, supply the name of this party to the Board before the Board has a duty to deal with him/her. The Association may change or add a designated representative by giving ten (10) days prior written notice to the Board. Such change shall not affect any grievance in process.
5. **Designated Alternate.** Either party may designate an alternate representative to act in the temporary absence of the regular representative. Such designation shall not affect any grievance in process.
6. **Days.** The term "days" when used in the section shall, except where otherwise indicated, mean working days, i.e., days the administrative building is open for business.

B. PURPOSE AND POLICY

1. The purpose of this procedure is to secure, as soon as possible, equitable solutions to problems involving the welfare or working conditions of a teacher or teachers or to problems which draw into question the interpretation or meaning of the provisions of this Agreement. To better effectuate these policies, both parties agree that all proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
2. It is important that grievances be processed through the steps as rapidly as possible. The number of days indicated at each step should be considered as maximum and every effort should be made to expedite the process. If the Association as the moving party fails to comply with the time limit, the grievance shall be considered settled on the basis of the Board's last written answer to the grievance. If the Board as the responding party fails to comply with any time limit at any step, the grievance shall automatically pass to the next step in the grievance procedure. The parties may however, agree to extend the time limits at any step.

3. Nothing herein contained shall be construed as limiting the right of any individual teacher to present grievances to school officials and/or the Board and to have those grievances adjusted without the intervention of the Association, except that the adjustment shall not be inconsistent with this Agreement and the Association shall be given the opportunity to be represented at such adjustment.

C. All grievances shall be handled in accordance with the following procedure:

1. **Step One.** The aggrieved person shall reduce the grievance to writing together with a proposed solution thereto and shall deliver a copy of the grievance to the designated representative of the Board and to the designated representative of the Association.

Within ten (10) days of the receipt of the grievance the designated representative of the Board shall meet with the Association's designated representative in an effort to resolve the grievance. The aggrieved person, at his/her discretion, may be present at such meeting. Within five (5) days of the above meeting the designated representative of the Board shall deliver a written answer to the grievance to the Association's designated representative either granting or denying it and if it is denied, stating the reasons for denial.

2. **Step Two** In the event the grievance is not satisfactorily resolved at Step One, the Association's designated representative, within five (5) days of his/her receipt of the answer, may transmit the grievance in written form together with a proposed solution to the Assistant Superintendent of Schools in charge of personnel unless she/he received the grievance in the first instance in which case this step shall not apply.

Within ten (10) days of the receipt of the grievance the Assistant Superintendent shall meet with the Association's designated representative in an effort to resolve the grievance. The aggrieved person, at his/her discretion, may be present at such meeting. Within five (5) days of the above meeting the Assistant Superintendent shall deliver a written answer to the grievance to the Association's designated representative either granting or denying it and if it is denied, stating the reasons for denial.

3. **Step Three.** In the event the grievance is not satisfactorily resolved at Step Two the Association's designated representative, within five (5) days of his receipt of the answer, may transmit the grievance in written form together with a proposed solution thereof to the Superintendent of Schools. Within ten (10) days of the receipt of the grievance the Superintendent shall meet with the Association's designated representative in an effort to resolve the grievance. The aggrieved person, at his/her discretion, may be present at such meeting. Within five (5) days of the above meeting the Superintendent shall deliver a written answer to the grievance to the Association's designated representative either granting or denying it and if it is denied, stating the reasons for denial.

4. **Step Four.** In the event the grievance is not satisfactorily resolved at Step Three, the Association's designated representative within five (5) days of his receipt of

the answer, may transmit the grievance in written form together with a proposed solution to the Secretary of the Board. The Board, at the next regular meeting following receipt of the grievance by the Secretary of the Board will consider the grievance and will give its answer in writing within five (5) days after the date of such regular meeting.

5. Step Five. Arbitration.

In the event the answer by the Board is not satisfactory to the Association, then within thirty (30) calendar days following the date of receipt of the Board's answer the Association only, and not an individual teacher, may file a demand for arbitration of the dispute to the American Arbitration Association with a copy of the demand delivered to the Superintendent, all pursuant to the following rules and conditions:

- a The grievance shall relate solely to the application and interpretation of the terms and conditions of the Collective Bargaining Agreement.
- b The Arbitrator shall have no authority to add to, subtract from, modify, change, alter or amend the terms and conditions of the Agreement and he shall have no authority to hear or rule upon any of the following;
 - (1) Any matter within the jurisdiction of the Teacher's Tenure Act (PA 1937, Extra Session No. 4, as amended);
 - (2) Any matter involving the Board's discretion in the expenditure of funds for capital outlay;
 - (3) The fixing or establishment of any salary schedule;
 - (4) The termination of or decision not to reemploy or decision to continue on probation any probationary teacher;
 - (5) Evaluation of teachers, unless it is a claim of failure to follow established procedures.
- c The decision of the Arbitrator shall be final and binding.
- d If a request for arbitration is filed by the Association, the parties shall promptly select by mutual agreement one (1) arbitrator who shall decide the grievance. If no agreement is reached, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules. The parties shall be bound by the rules of the American Arbitration Association.
- e Only one grievance shall be heard by an arbitrator at any one appointment.
- f The costs and expenses of the arbitrator shall be shared equally by the parties.

- g Any grievance not taken to arbitration within the above stated time limits shall be deemed settled based upon the Board's last answer.

NO STRIKE CLAUSE

During the term of this Agreement, the Association agrees that neither its officers, agents or members shall authorize, engage in, condone or ratify a strike over any matter which is a proper subject for arbitration. A strike shall be defined to include slowdowns, boycotts, picketing, work stoppage of any kind including "mass" sickness, and other connected or concerted activities having the effect of interrupting work or interfering with the normal school business.

The Association shall not be liable for any violation of this Article, providing that it has taken the following action:

1. Issues to the Board within 24 hours after such strike commences a written disclaimer of any responsibility for such action.
2. Notifies the teachers involved, in writing, with copies to the Board, that their action is in violation of the contract and will subject them to immediate discharge.
3. Takes such other action as may be reasonable and necessary to assure a prompt restoration of service.

Any teacher who willfully violates any of the above provisions may be disciplined forthwith, up to and including discharge, without recourse to any grievance procedure.

ARTICLE 16.

MISCELLANEOUS PROVISIONS

- A. The Board agrees to endeavor at all times to maintain an adequate list of degreed substitute teachers. There shall be one telephone number for teachers to call to report unavailability for work. Teachers will give their name, grade and/or subject assignment, building, and the date or dates to be absent. In order to assist obtaining substitutes, teachers are to report unavailability for work as soon as possible, and if circumstances permit, no later than 7:00 A.M. of the day to be absent. During non-school hours or when the telephone is otherwise not being answered, there shall be a recording device to record the messages of unavailability for work. Once a teacher has reported unavailability, it shall be the responsibility of the Administration to arrange for a substitute teacher.
- B. The FEA shall be responsible for printing the contract. The Board shall inform the FEA of the number of copies desired by the Board and shall reimburse the FEA for the cost of the copies requested by the Board. The cost shall be based on a prorated per copy cost based on 300 copies.
- C. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application

shall be deemed null and void except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

- D. This Agreement shall supercede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supercede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement.

ARTICLE 17.

EXTENDED EMPLOYMENT

Any teacher with twelve or more years of experience may enter into a contract for extended employment to work and be paid for 30 days per year for three years. Extended employment shall be in addition to the teacher's customary duties for the school district and shall take place outside of the teacher's regular work schedule. The length of the work day for each of these days shall be no greater than the regular teacher work day during that respective fiscal school year. The Superintendent and teacher shall mutually agree upon a work schedule that does not exceed the foregoing number of work hours. The teacher shall be directed and supervised by the Superintendent or his/her designee. Interested teachers shall apply in writing to the Superintendent by October 1 of the school year in which they desire to start the three year program. The Board reserves the right to assign and schedule duties in accordance with the District's needs. The teacher will be paid \$136.00 per diem. No teacher shall be granted the provisions of this Article more than once except at the total discretion of the Superintendent.

Section 403(b) Tax-Sheltered Annuity

Federal law does not permit the District to offer a Section 403(b) tax-sheltered annuity contribution as a benefit under the Section 125 Plan. However, if you receive additional compensation for waiving health insurance, you may make an election (Option 2b above), to contribute all or a portion of the additional compensation to a Section 403(b) tax-sheltered annuity. The contribution will be considered your own salary reduction for purposes of the \$9,500 dollar limit. The contribution will be deducted from your compensation in equal installments on a before-tax basis (except for FICA). Contributions to an annuity in connection with this plan do not increase the amount of your base wage/salary; however, the amount will be reflected on the Form W-2 at the end of the year. Contributions to an annuity under this plan are subject to FICA.

I acknowledge the following to be true statements:

- I have elected the above benefit(s) and designated the amount(s) for the plan year specified above. My election cannot be changed during the plan year unless I have a change in family status (as defined by Section 4.5 of the Section 125 Plan document).
- I understand that if I do not make a new election during a subsequent open enrollment period that my current election will be continued.

Summary Plan Description of the FRUITPORT COMMUNITY SCHOOLS SECTION 125 PLAN

To Our Employees

This document is called a "Summary Plan Description." It explains the provisions of the Fruitport Community Schools Section 125 Plan ("Plan"). The Plan allows you the option of waiving health coverage and, instead, receiving additional compensation or other tax-free benefits.

You are urged to read this Summary Plan Description carefully and to keep a copy for future reference. This Summary Plan Description does not replace the provisions of the Plan document. The Plan document governs the operation of the Plan. We have tried to make this Summary Plan Description complete and accurate without making it overly technical. In the event of any difference between the Summary Plan Description and the Plan document, the terms of the Plan document will control.

If you have any questions about your benefits under the Plan, please contact the personnel department.

WHAT IS A SECTION 125 PLAN?

A Section 125 Plan allows you to design a benefits package to suit the individual needs of you and your family.

Under the Plan, you may elect to waive the health coverage provided by the District. You will receive additional compensation if you waive health coverage.

More information regarding the procedure for making your benefit elections is explained in the following sections of this Summary Plan Description.

All records of the Plan and all your elections under the Plan are based on the "plan year," which is a 12-month accounting period of the Plan. The plan year is October 1 through September 30.

PARTICIPATION

This section describes the requirements for participation in the Plan. You may participate in the Plan only if you meet these requirements.

Eligibility to Participate:

Each employee who is eligible to receive a District contribution to a Section 403(b) tax-sheltered annuity in lieu of District-provided health insurance coverage, pursuant to the terms of the employee's collective bargaining agreement, employment contract or terms of employment (whichever applies), is eligible to participate in the Plan. If you are an eligible employee on October 1, 1995, you will become a participant on that date. Otherwise, you will become a participant on the date you become eligible for District-provided health insurance coverage.

Termination of Participation.

If you terminate employment with the District, or otherwise become ineligible for health insurance coverage, you will not receive any additional compensation for waiving health insurance.

Further, if you terminate employment with the District, or otherwise become ineligible for health insurance coverage, your continued participation and coverage under the District's group health plan will be determined under the terms and conditions of the group health plan.

BENEFIT CHOICES

The District maintains one or more group health plans which provide health coverage to eligible employees and their dependents. You may either elect to receive all or part of the coverage or to waive all or part of the coverage.

You will receive additional compensation if you elect to waive coverage under the District's group health plan(s). The District will determine the additional compensation for each plan year and communicate it to you during the annual enrollment period. (The amount of the additional compensation will vary depending on which coverage(s) you waive.) You will receive the additional compensation in your pay checks during the plan year. These amounts will be subject to all applicable tax withholdings.

Federal law does not permit Fruitport Community Schools to offer a Section 403(b) tax-sheltered annuity contribution as a benefit under the Section 125 Plan. However, if you receive additional compensation for waiving health coverage, you may make a special election, outside of the Plan, to contribute all or a portion of the additional compensation to a Section 403(b) tax-sheltered annuity. The contribution will be considered your own salary reduction contribution for purposes of the \$9,500 dollar limit. The contribution will be deducted from your compensation in equal installments on a before-tax basis (except for FICA and FUTA) as part of the Fruitport Community Schools' regular payroll system.

You can elect to waive coverage and receive additional compensation and/or contribute the additional compensation to a Section 403(b) tax-sheltered annuity in the spaces provided in your election form (see the "Choosing Your Benefits" section below).

CHOOSING YOUR BENEFITS

This section describes the procedure for choosing benefits under the Plan. You may make a separate election for each plan year (October 1 through September 30). However, you may not change your benefits during the plan year unless you have a change in family status.

Initial Benefit Selection.

You must complete an election form before the date you become a participant in the Plan. The election must be in writing on a form provided by the District. The election will remain in effect for the remainder of the plan year unless you have a change in family status, as described below.

If you do not make an election, the following rules apply:

(a) If you were receiving contributions to a tax-sheltered annuity in lieu of health insurance as of September 30, 1995, you will receive additional compensation in lieu of health insurance coverage. This change will be effective as of October 1, 1995.

(b) If you were receiving health insurance coverage as of September 30, 1995, you will continue to receive health insurance coverage.

Annual Benefit Selection.

Once you become a participant, your original election form on file with the District will continue in effect for all subsequent plan years unless you complete a new election form and turn it in to the District during the annual enrollment period.

If you complete a new election form, the new election form will become effective as of the first day of the next plan year and will remain in effect through the last day of the plan year unless you have a change in family status, as described below. Further, your new election form will continue in effect for all subsequent plan years unless you complete another new election form and turn it in to the District during a subsequent annual enrollment period.

Change in Family Status.

A change in family status is the only exception to the rule prohibiting any change in your benefit election during a plan year. A change in family status is limited to situations where your family status has changed during the plan year and this change affects the benefit election you made earlier.

The following are examples of changes in family status:

- (a) You have married or divorced;
- (b) Your spouse or child has died;
- (c) You have a new child by birth or adoption;
- (d) Your spouse begins or terminates employment;
- (e) Your or your spouse's employment status is changed from full-time to part-time, or vice-versa;
- (f) You or your spouse take an unpaid leave of absence; or

Further, the plan administrator has the discretionary authority to construe and interpret the terms of the Plan.

FUTURE OF THE PLAN

(b) A Participant's election may be changed on account of, and consistent with, a "change in family status," as provided in Section 4.5.

(c) A Participant's election may be changed to satisfy any nondiscrimination rule in the Code, as described in Section 4.6.

(d) A Participant's election may be changed if coverage under a Health Benefits Plan provided by an independent, third-party provider is significantly curtailed or ceases. The Participant may elect to receive prospective coverage under another Health Benefits Plan which provides similar coverage.

4.5 **Change in Family Status.**

(a) No amendment shall be effective unless the Plan, as amended, shall be for the exclusive benefit of Participants.

(b) No amendment shall reduce or eliminate a Participant's right to have his premium under the Health Benefits Plan paid in accordance with the provisions of the Plan to the extent a Participant has used Compensation Reductions to pay the premiums.

(c) No amendment shall be inconsistent with any applicable collective bargaining agreement.

Any amendment may be made retroactively effective to the extent permitted by the Code.

7.2 Termination of Plan.

Employer reserves the right to terminate or partially terminate the Plan at any time, by action of its Board of Education. If the Plan is terminated or partially terminated for any reason, the amount of a Participant's prior Compensation Reductions shall continue to be applied for the exclusive benefit of the Participant and his dependents.

Re: Job Sharing for 2005-2006 School Year

- A. Job Sharing is defined as two (2) tenured bargaining unit members voluntarily sharing a full-time assignment on an equal or approximately equal basis or for some other period of time as may be approved by the administration.
- B. Any tenured teachers wishing to pursue a job sharing position shall notify the Superintendent and the Association in writing by April 1 of each year indicating their desire to job share and outlining their proposed working arrangement which shall include the following:
 - 1. A detailed description of the workload;
 - 2. A detailed description of the schedule including planning time distribution;
 - 3. An equitable half-day (or pro-rated schedule); and
 - 4. Plans for communication with parents, each other, team members (where applicable), administration, and other staff members directly involved with the instruction for any member of that class.
- C. Before the proposal is submitted in writing to the Superintendent, the teachers will meet with the appropriate building administrator(s) to discuss and clarify the proposed job sharing arrangement.
- D. The application for job sharing shall be approved or denied in writing by the Superintendent within thirty (30) days of the application. In the event a request is denied, the reason shall be set forth in writing. The Superintendent's decision is final and nongrievable.
- E. Job sharing appointments will be for one (1) year at a time and must be approved by the Superintendent. The Board reserves the right to cancel a job sharing position at the end of a school year. Bargaining unit members reserve the right to return to a full-time position provided that a vacancy exists for which both members are qualified and certified, as governed under Article 8 (Vacancies) in the master agreement. Job shares will be notified of cancellation of their shared position in writing by May 1 of the current school year.
- F. In the event layoffs become necessary, personnel assigned to job sharing will be subject to layoff in accordance with Article 13 (Layoff and Recall) of the master agreement.
- G. In the event one of the job sharers must leave his/her position during the course of the year, the teacher who remains may assume the position on a full-time basis for the remainder of the school year based upon mutual agreement of the remaining teacher and the administration. In the event the remaining teacher does not assume the position, a long-term substitute will be hired.

- H. In the event of daily absences of one of the job-sharing partners, the other partner will have first opportunity to substitute. If accepted, the partner who substitutes will receive the substitute teacher rate of pay or compensatory time to be used in half-day increments.
- I. Salary will be prorated according to time taught and in accordance with the master agreement.
- J. Fringe benefits will be provided in accordance with Article 4.D.3.b of the master agreement.
- K. Seniority and movement on the salary scale shall be governed by Article 4.H.1.b. and Article 13.A.4 of the master agreement.
- L. Teacher responsibilities for each assignment will be equally distributed as scheduling allows. However, teachers will perform the duties that fall in their portion of the assignment.
- M. Job sharing partners will attend parent teacher conferences, open houses, after school activities (that other staff are required to attend), teacher orientation days (two in August), and regularly scheduled staff meetings without additional pay. They will communicate the content of emergency staff meetings, which occur during or directly before or after their normal work period to the other partner.
- N. Job sharing partners will attend appropriate in-service and professional development activities but will receive per diem pay for attendance in excess of normally scheduled hours.

Job sharing is a unique assignment, approved by the Superintendent largely dependent upon the compatibility of the people involved and the specific requirements of each assignment. As such there may be variations in the expectations and conditions attached to each assignment. Bargaining unit members accepting shared time assignments should be aware that their retirement benefits and future employment benefits may be affected based upon service credits and earnings.
