The term "teacher" when used hereinafter in this Agreement shall refer to all employees represented by the Association in the bargaining or negotiating unit as above defined, and references to male teachers shall include female teachers.
- B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without the intervention of the Association, if the adjustment is not inconsistent with the terms of the Agreement.

## ARTICLE III

### Teacher and Association Rights

- A. Pursuant to Act 379 of the Public Acts of 1965, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation and other concerted activities for mutual aid and protection. As a duly-elected body exercising governmental power under cover of law of the State of Michigan, the Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the employment of any rights conferred by Act 379 or other laws of Michigan or the Constitutions of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association, his/her participation in any activities of the Association or collective professional negotiations with the Board, or his/her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. Nothing contained herein shall be construed to deny or restrict to any teacher rights he/she may have under the Michigan General School Laws or applicable civil service laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

- C. The Board specifically recognizes the right of its employees appropriately to invoke the assistance of the State Labor Mediation Board, or a mediator from such public agency, or an arbitrator appointed pursuant to the provisions of this Agreement, and the Board and the teachers of the Association agree to be bound by any lawful order or award thereof.
- D. The Association and its members shall have the right to use school building facilities when the school is normally open for meetings if such use is not in conflict with scheduled school activities. No teacher shall be prevented from wearing insignia, pins or other identification of membership in the Association either on or off the school premises.
- E. Bulletin board space shall be made available to the Association in the teacher lounge of each building. Items may be posted on the general school bulletin boards with the approval of the building principal.
- F. The Board agrees to furnish to the Association in response to reasonable requests from time to time all pertinent information concerning the financial resources of the district, tentative budgetary requirements and allocations and such other information as will assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students together with information which may be necessary for the Association to process any grievance or complaint.

#### ARTICLE IV

- B. The Association recognizes that the Board is legally responsible for the operation of the entire school system within the boundaries of the Holton Public School District, Muskegon County, fourth class #61-120, and that the Board has the necessary authority to discharge all of its responsibilities subject to laws above-mentioned and to the provisions of this Agreement.

- G. To establish courses of instruction.
- H. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board shall be limited only by the terms and provisions of this Agreement, state and federal laws and/or Constitutions of the State of Michigan and/or the Unites States of America.
- I. The Association agrees to furnish the Board, in response to reasonable requests, all available information on anticipated items of contract negotiations for the coming year.

## ARTICLE V

### Association Dues or Service Fee and Payroll Deductions

#### A. Association Dues or Service Fee

1. Within thirty (30) days of each school year, any teacher may sign and deliver to the Board an assignment authorizing deduction of membership dues or assessments of the Association (including the MEA and NEA). Such authorization shall continue in effect from year to year unless revoked in writing between June 1 and September 1 of any year. For teachers under continuing authorization and those delivering their authorization by the Monday following Labor Day, the Board shall deduct one-tenth (1/10) of the dues amount from the first paycheck of each month for ten (10) months beginning in September and ending in June. Holton Education Association annual dues shall be deducted in two equal installments, with the first installment from the second paycheck in October and the second installment from the second paycheck in February. Monies deducted for membership dues or assessments shall be remitted to the Association, or its designee, no later than twenty (20) days following deduction. Deduction for teachers delivering their authorization after the Monday following Labor Day shall be prorated to complete payments by the same schedule mentioned for continuing authorization.
2. Any teacher who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days of any school year shall pay to the Association a service fee equivalent in amount to the dues uniformly required to be paid by members of the Holton Education Association. The teacher may authorize payroll deduction for such fee in the same manner as provided in paragraph 1 above. In the event that a teacher shall not authorize payment of the service fee through payroll deduction, collection of the service fee, including enforcement in those cases of refusal to pay the service fee, shall be the sole responsibility of the Association. The Board and the Association expressly agree that pursuant to Act No. 25 of the Public Acts of 1973, Section 10, the payment of the service fee is a condition of employment,

provided that the non-payment of the service fee shall not cause the discharge of any teacher.

3. The Association agrees to assume the legal defense of any suit or action brought against the Board regarding paragraph 2 above. The Association further agrees to indemnify the Board for any damages which may be assessed against the Board as the result of said suit or action, subject, however, to the following conditions:
  - a. The damages have not resulted from the negligence, misfeasance or malfeasance of the Board or its agents.
  - b. The Association, after consultation with the Board, has the right to decide whether or not to appeal the decision of any court or other tribunal regarding the validity of the section or the damages that may be assessed against the Board by any court or tribunal.
  - c. The Association has the right to choose the legal counsel to defend any said suit or action.
  - d. The Association shall have the right to compromise or settle any claim made against the Board under this section.

#### B. Payroll Deductions

1. Deductions for MESSA insurance, Association dues or service fee, United Way, tax-deferred annuities, and the teachers' credit union will be made for those employees requesting such deductions as follows:
  - a. Credit Union savings account in multiples of \$5.00
  - b. MESSA insurance – the last pay period per month
  - c. HEA, MEA and NEA dues or assessments or service fee as provided in section A above
  - d. United Way contributions
  - e. Tax-deferred annuities – no additional vendors will be added without the consent of the Board (see Article XVIII, Section D, for list)
  - f. Muskegon City income tax
  - g. Authorized direct deposit at financial institutions
2. Payments of loans, borrowing money and deposits other than the preceding will be transacted by the individual and not through payroll deductions.
3. Payroll deduction is a service offered to the employees on a voluntary basis. No one is compelled to make use of any or all of this service. For obvious reasons, there will be no exceptions to the above schedule as established.

4. Payroll will be bi-weekly and checks will be issued on Friday. Whenever said date falls on days when school is not scheduled to be in session, checks will be issued on the last scheduled day prior to payroll date. Teachers may elect once per year at the first contracted day any one of the following options for his/her professional salary. Those teachers not electing any option will be given option c. below:
  - a. Salary divided into twenty-six (26) pays paid every two (2) weeks with the balance paid with the twenty-first (21<sup>st</sup>) pay; or
  - b. Salary divided into twenty-six (26) pays paid every two (2) weeks; or
  - c. Salary divided into twenty-one (21) pays paid every two (2) weeks.

## ARTICLE VI

### Professional Compensation

- A. The salaries of teachers covered by this Agreement are set forth in Appendix I and II, which are attached to and incorporated in this Agreement.
- B. The salary schedule is based upon a normal teaching load hereinafter defined. The school teacher day will be a continuous seven (7) hours and five (5) minutes starting no sooner than 7:30 a.m. and ending no later than 3:45 p.m. The student day will be six (6) hours and forty-six (46) minutes and will begin no sooner than ten (10) minutes after the start of the teacher day. The schedule will be established by the first week of school and shall remain in effect for the remainder of the school year.

Teachers are encouraged to remain for a sufficient period after the close of the pupils' school day to attend to those matters which properly require attention at that time, including consultations with parents when scheduled directly with the teacher, except that on Fridays or on days preceding holidays or vacations the teacher day shall end at the close of the pupil day. For extra work, the teacher shall be entitled to additional professional compensation.

- C. A teacher engaged during the school day in negotiation on behalf of the Association with any representative of the Board or participating in any professional grievance negotiations, including arbitration, shall be released from regular duties without loss of salary.
- D. Teachers will be encouraged to attend those parent-teacher organization meetings that are appropriate to their school level and, on occasion, some of the extra-curricular activities of their grade level as from time to time are scheduled. The clause in paragraph B above (for extra work, the teacher shall be entitled to additional professional compensation) shall not be construed to mean those duties and responsibilities normally associated with teaching responsibility.

- E. During the first and third weeks of each month, there shall be staff meetings for all staff as a part of the teaching assignment. The day of the week on which the meetings will be scheduled shall be decided by the Principal and building staff during the meetings prior to the opening of school. Except for the occasional matters that may come up, all staff meetings will be on these days. If there is to be no meeting on a scheduled date, teachers will be notified at least two (2) days before the day of the meeting.
- F. All extra-curricular activities compensated for in Appendix II must take place outside of normal school hours. All staff meetings must be considered as part of the normal school hours. Those staff members who do not attend the above-listed meetings, except when excused by the building Principal or Superintendent prior to the meeting, will have an amount deducted from their next regular paycheck equal to the amount of meeting time missed. This time missed to be figured in relation to an eight (8) hour day (i.e., deduct 1/8 per diem for one hour missed, etc.).
- G. School Improvement Committee meetings outside of normal school hours in excess of four (4) hours per month shall be reimbursed at a rate of Fifteen Dollars (\$15.00) per hour.

## ARTICLE VII

### Teaching Loads and Assignments

- A. The Board recognizes the principle of a standard forty (40) hour work week and will, so far as possible, set work schedules and make professional assignments that can reasonably be completed within such standard work week. The Board will not require teachers regularly to work in excess of such standard work week within or outside of any school building.
- B. The Board of Education shall hold the Superintendent responsible for an equitable distribution of work among staff members and for the transfer and assignment of personnel within the system.
  - 1. The high school/middle school normal teaching assignment will include one preparation period in the daily schedule.
  - 2. When teachers are given a regular teaching assignment without a preparation period at the middle school/high school level, they shall be paid an additional amount equivalent to one (1) class period at their present step.
  - 3. The Board will endeavor to provide every elementary teacher with a minimum of two hundred (200) minutes per week planning time.
- C. All teachers shall have a duty-free noon period with a minimum of thirty (30) minutes prior to the start of the afternoon session, subject to weather and emergency conditions. Teachers shall not be subject to playground duty at noon.

- D. Teachers will be paid for the use of their preparation period at the rate of Fifteen Dollars (\$15.00) per hour for the duration of the contract.
- E. Since pupils are entitled to be taught by teachers who are working within their area of competence, teachers shall not be assigned, except temporarily and for good cause, outside the scope of their teaching certificates of their major or minor field of study. If such assignments are made, adequate supervision and assistance shall be provided. The Association shall be notified in writing of all such temporary assignments.
- F. Whenever possible, all teachers shall be given written notice of their tentative schedules for the forthcoming year no later than June 1 of the preceding school year. Teachers who will be affected by a change in grade assignments in the elementary grades and by changes in subject assignment in the secondary school grades will be notified and consulted by their Principals previous to such changes. Every effort will be made to avoid reassigning probationary teachers to different grade levels unless the teacher requests such change. The final decision in such cases, where necessary, will be by the Board, and the best interests of the pupils and the school shall be the determining factors. The Association shall be notified in writing of all such reassignments.
- G. Any assignments in addition to the normal teaching schedule, including adult education courses, driver education, all extra-curricular activities listed in Appendix B, other educational services provided by other contracting agencies to the Holton School District, and summer school courses, shall not be obligatory but shall be with the consent of the teacher. Qualified tenure teachers, then degree teachers in the Holton Public Schools shall be hired for all summer and adult teaching positions. If no qualified teacher can be found in the Holton Public Schools, then other qualified teachers may be hired. Each assignment shall be covered by a separate written contract covering each assignment, its responsibilities, duties and pay schedule.
- H. Substitute Teachers. The Superintendent of Schools shall maintain an active list of qualified persons to act as substitute teachers. Substitute teachers' pay shall be established by the Board of Education. The rate of pay for substitute teachers shall be such that it will enable the school to hire qualified substitutes when needed. It shall be at least equal to the average salary paid by the other county schools. Teachers under full-time contract shall not be required to act as substitutes.

## ARTICLE VIII

### Teaching Conditions and Responsibilities

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to ensure the high quality of education that is the goal of both teacher and the Board. It is acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.

The responsibilities of teachers shall include the instruction, guidance, discipline, safety, hygiene and general care for the welfare of pupils. These responsibilities are not confined to the classroom, but extend to all school-sponsored activities where the teacher is present.

Teachers are obligated to perform those duties prescribed by laws of the State of Michigan for teachers, to accept and act according to the Code of Ethics of the Education Profession, and to discharge those duties which, within reason and the law, they may be called upon by the administration to perform.

Teachers assume these responsibilities promptly at the beginning of each school day.

A. Because the pupil-teacher ratio is an important aspect of an effective educational program, the parties agree that class size should be lowered whenever the Administration deems it practical, and class size goals are as follows:

1. Kindergarten 22 pupils
2. Elementary School grades 25 pupils
3. To the extent required by law, Special Education classes shall meet the rules and requirements established by the Special Education Code and the State Department of Education.

4. High School and Middle School classes per instructor:

English	25 pupils
Social Studies	25 pupils
General Education	25 pupils
Mathematics	25 pupils
Science	25 pupils
Language	25 pupils
Business	25 pupils
Keyboarding	30 pupils
Industrial Arts	24 pupils
Drafting	24 pupils
Vocational Shops	20 pupils
Homemaking	24 pupils
Music	35 pupils
Art	25 pupils
Health	25 pupils
Physical Education	
High School	40 pupils
Middle School	35 pupils

B. Teacher requests for supplies and other educational material will be processed promptly.

- C. Cafeteria, patrol, bus duty, inventorying of supplies and equipment and other than normally used or found in the teacher's assigned classroom, duplication of teaching materials, collecting money for various projects and similar non-professional responsibilities performed by teachers take away from teaching time. The Board will develop other methods to handle these matters as rapidly as possible.
- D. Under no conditions shall a teacher be required to drive a school bus as part of his/her regular assignment.
- E. The Board shall provide adequate lunchroom, lounge, restroom, and lavatory facilities exclusively for teachers' use. Beginning with the 1991-92 school year, the Board may institute a policy of no smoking in its buildings.
- F. Telephone facilities shall be made available to teachers for their reasonable use.
- G. In schools where continuous cafeteria service for teachers is not available, a vending machine for beverages may be installed at the request of the Association, the proceeds to be used for the Association Fund.
- H. Adequate parking facilities shall be made available to teachers for their exclusive use during school hours. Separate parking areas shall be established for any student parking on school property during school hours.
- I. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship, and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher.
- J. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, or marital status or membership in or association with the activities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, color or national origin and to seek to achieve full equality of educational opportunity to all pupils.

## ARTICLE IX

### Vacancies, Promotions, and Transfers

- A. The Superintendent of Schools shall have the power to nominate, assign, transfer or suspend for good and reasonable cause any teacher, such action being subject to approval of the Board of Education.
- B. All applications for teaching and non-teaching positions shall be channeled through the Superintendent of Schools. No school personnel shall be employed excepting those recommended by the Superintendent.

- C. All vacancies will be posted in each school building and on the District's web site for at least fourteen (14) calendar days and will be kept open for current staff at least fourteen (14) calendar days. Extra-curricular positions shall be posted in the same manner. In addition, the Association President shall be sent a copy of each vacancy posting. The foregoing shall apply whether school is in session or not.
- D. Any teacher may apply for any position at any time. Such application should be in writing addressed to the Superintendent of Schools. Applications will be considered should such vacancy occur during the school year or during the summer. This application should be renewed annually to assure active consideration by the Board. Requests for transfer should be made on the same basis and in writing also.
- E. Vacancies shall be filled on the basis of education, experience, competency and general qualifications of the applicant. Due consideration shall be given to experience in the Holton Public Schools. The evaluation of candidates shall be by the Board, and the decision of the Board shall be final.
- F. The parties agree that changes in grade assignments in the elementary grades, changes in subject assignment in the secondary grades, and transfer between schools may be necessary. While the right of determination to assign or transfer a teacher is vested in the Board or agent of the Board, the Board or its agent will not in any case assign or transfer a teacher without prior discussion with said teacher. Such transfers and/or changes in assignment shall be on a voluntary basis whenever possible. If such involuntary assignment should become necessary, the convenience and wishes of the individual teacher will be honored to the extent that such considerations do not conflict with the instructional requirements and best interests of the total school program.
- G. The Association will be notified in writing of all change in assignment after June 1 of each school year.
- H. Any teacher who shall be transferred to a supervisory or executive position and later returned to a teacher status shall be entitled to retain such rights as he/she may have had under this Agreement as a teacher.
- I. The Association recognizes that vacancies occurring during the school year may be difficult to fill. Whenever possible, such vacancies will be filled on a permanent basis. If such a vacancy is filled on a temporary basis, it shall be posted as vacant at the end of the year.

## ARTICLE X

### Layoff and Recall

It is hereby specifically recognized that it is within the sole discretion of the Board to reduce its educational program, curriculum and staff, and that the procedures set forth in this Article shall be used in laying off personnel.

- A. The Board shall give as much notice as possible to any teacher being laid off.
- B. Probationary teachers shall be laid off first. The probationary teachers in the specific positions being reduced or eliminated shall be laid off on the basis of seniority, except as hereinafter provided. Layoff on the basis of seniority shall mean that the teacher with the least seniority is laid off first.
- C. If further layoffs are necessary, then tenure teachers in the specific positions being reduced or eliminated shall be laid off on the basis of seniority, except as hereinafter provided.
- D. No teacher, including probationary teachers, shall be laid off unless there is a teacher who is certified and qualified to perform the duties of the position the teacher is vacating or unless the position that the teacher is vacating is being eliminated.
- E. A teacher who is laid off pursuant to this Article has the right to be placed in a teaching position for which he/she is certified and qualified to fill and which is occupied by a teacher with less seniority. A teacher may choose not to exercise this right.
- F. For the purpose of this Article, seniority shall be computed from the last date of hire and shall be defined to mean the amount of time continuously employed as a teacher or administrator. Time spent on leave or on layoff shall not be construed as a break in continuous service. Time spent on a leave in excess of ninety (90) work days shall not count toward seniority. Time spent on layoff shall count toward seniority up to a maximum equal to the teacher's seniority at the time of layoff.
- G. The term "qualified" as used in this Article shall be defined as follows:
  - For grade level (all subjects), the appropriate K-6 certification is necessary.
  - For teaching a subject area K-12, appropriate certification and either a major or minor in the area to which the staff member is assigned.
- H. Recall of the teachers shall be in the inverse order of layoff (i.e., those laid off last shall be recalled first); provided, however, that a teacher in order to be recalled shall be certified and qualified to teach the specific course(s) or position he/she is being assigned. No new teachers shall be employed by the Board while there are teachers of the District who are laid off unless there are no laid off teachers with proper certification and qualifications to fill the vacancy which has arisen.
- I. The Board shall give written notice of recall from layoff by sending a registered or certified letter to said teacher at his/her last known address. It shall be the responsibility of each teacher to notify the Board of any change in address. The teacher's address as it appears on the Board's records shall be conclusive when used in connection with layoffs, recall, or other notice to the teacher. If an immediate teaching position exists and the teacher fails to report to work within ten

(10) calendar days of the date of the receipt of the recall or within twenty (20) calendar days of the mailing of the recall notice, unless an extension is granted in writing by the Board, said teacher shall be considered as a voluntary quit and shall thereby terminate his/her individual employment contract and any other employment relationship with the Board. If the teacher has been notified by certified or registered mail at least twenty (20) calendar days prior to the start of school and fails to report on the first (1<sup>st</sup>) working day after the start of school, unless an extension is granted in writing by the Board, said teacher shall be considered a voluntary quit and shall thereby terminate his/her individual employment contract and any other employment relationship with the Board.

- J. A seniority list shall be maintained by the District. Teachers shall be ranked in order of seniority. Accompanying the name of each teacher shall be a listing of the teacher's certification and qualification. Said seniority list shall be presented to the Association annually during the month of November for review. Corrections shall be brought to the attention of the administration within thirty (30) days thereafter.

### Protection of Teachers

- A. Since the teacher's authority and effectiveness in his/her classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Teachers will uphold Board policy and state laws regarding corporal punishment of students.
- B. Whenever it appears that a particular pupil requires the attention of a special counselor, social workers, law enforcement personnel, physicians, or other professional persons, the Board will take reasonable steps to ensure the student will receive the necessary help. Staff will work with other professional personnel to ensure the student's continued learning. Teachers will not be expected to meet for IEPC/MET meetings during their thirty (30) minute duty-free lunch period unless the teacher is willing to do so.
- C. In order to assist handicapped students in making a successful transition from placement in special education classes only to both regular and special education classes pursuant to the placement recommendations made by an IEPC, the following guidelines will be followed:
  - 1. The building administrator will normally recommend the placement of an eligible student in the smallest available and appropriate regular education class except for good cause. Each of the teacher(s) into whose classroom(s) a student has been placed shall be invited to serve on the IEPC for that student.
  - 2. When requested by the regular classroom teacher in whose class(es) an eligible student is placed, special training or consultant assistance relevant to the student's needs will be arranged for by the administration, provided that no teacher shall be required to administer prescription drugs or to undertake certain procedures such as suctioning, catheterization, or the like.

3. The responsible administrator shall make time available, as needed, for the regular classroom teacher to consult with the special education staff primarily responsible for the special needs student.
  4. All members of an IEPC shall have the right to reconvene the committee for the purpose of reviewing and recommending revisions of the current IEPC, if deemed appropriate, in accordance with the procedures set forth in Michigan Special Education rules.
- D. The purpose of team teaching projects in inclusive education is to provide a more accepting atmosphere for students with alternative learning styles and learning rates. In order to facilitate these projects, the following guidelines will be followed:
1. Whenever possible, team teachers will be afforded a half day or its equivalent per month, September through May, for planning time without students.
  2. Whenever possible, no more than forty-five percent (45%) of the students instructed in the teamed classroom will be special education students.
- E. Any case of assault (intentional unlawful offer of corporal injury to another by force) or verbal threat to a teacher shall be promptly reported to the building administrator. The Board will provide reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities.
- F. If any teacher has a complaint lodged against him/her or is sued by reason of disciplinary action taken by the teacher against a student, the Board will provide appropriate assistance to the teacher in his/her defense, except where the teacher has committed an illegal act.
- G. If a teacher is to be disciplined or reprimanded by the Board or its agents and written copy is to be placed in the teacher's personnel file, either party may request the President of the Association to be present.
- H. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher, except when the teacher has committed an illegal act or is suspended due to failure to comply with Board policy concerning this Article.
- I. Teachers shall be expected to exercise reasonable care with respect to the safety of pupils and property, but shall not be individually liable, except in the case of negligence or neglect of duty or for any damage or loss to person or property.

- A. Any teacher, group of teachers, or the Association believing that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or any existing rule, order or regulation of the Board, or any other provision of the law (except a statute specifically establishing a procedure for redress, relating to wages, hours, terms or conditions of employment) may file a written grievance with the Board or its designated representative. If the parties cannot agree as to the arbitrator, one shall be selected by the American Arbitration Association in accord with its rules, which shall likewise govern the arbitration hearing. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed to the Association or the Board.
